Auditor's Report on Quarterly and Year to date Financial Results of ANKA INDIA LIMITED Pursuant to the Regulation 33 of SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015

To

The Board of Directors,
Anka India Limited
Gurugram-122001

We have audited the accompanying quarterly financial results of Anka India Limited ("the company") for the quarter ended March 31, 2019 and the year to date results for the period from 1st April, 2018 to 31st March, 2019 ("the statement") attached herewith being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

These quarterly financial results as well as the year to date financial results have been prepared on the basis of reviewed financial results up to the end of the third quarter and audited annual Ind AS financial statements respectively, which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial results based on our audit of such financial statement, which have been prepared in accordance with the recognition and measurement principle laid down in Indian Accounting Standard (Ind AS), prescribed under section 133 of the Companies Act, 2013 read with relevant rule issued thereunder and other accounting principles generally accepted in India.

We conducted our audit In accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining; on a test basis evidence supporting the amount disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by the management. We believe that our audit provides a basis for our opinion.

Basis for Qualified Conclusion:

- 1. Attention is drawn to Note 3 to the statement that the Company continues to recognize minimum alternative tax paid in previous years***

amounting to Rs. 25.20 Lakhs as asset and expects the same to be adjusted against future tax payments. In our view, considering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961".

2. The Company has defaulted in payment of TDS amounting to Rs 30,500 during the year.

Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, the statement:

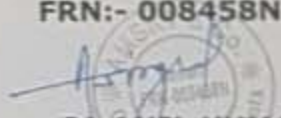

- a) Is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
- b) Give a true and fair view of the net loss (financial performance including other comprehensive income) and other financial information for the quarter ended 31st March, 2019 as well as the year to date results for the period 1st April, 2018 to 31st March, 2019.

The statements includes the results for the quarter ended 31st March, 2019 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figure between audited figure in respect of full financial year and the published year to date figure s up to the end of the third quarter of the current and previous year. Also the figures of the up to the end of the third quarter of respective financial year had only been reviewed and not subjected to an audit.
