The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable law.

The Buyback has been authorised by the resolution of the Board of Directors passed at their meeting which was held on Saturday, November 11, 2023. The shareholders have approved the Buyback by a special resolution passed by the Postal Ballot through Remote E-voting on December 22, 2023 and the results of which were announced on December 22, 2023.

8. NECESSITY OF THE BUYBACK

Buyback is the purchase of its own Equity Shares by the Company. The objective is to maximize returns to investors, to reduce total number of shares and enhance overall shareholders value by returning cash to shareholders in an efficient and investor friendly manner. The Board of Directors of the Company at its meeting held on November 11, 2023 considered the accumulated Free Reserves as well as cash liquidity reflected in the audited financial statements as at and for the period ended September 30, 2023 and benefits to the members holding Equity Shares of the Company and decided to allocate a sum of Rs. 2,683.45 Lakhs (Rupees Twenty-Six Crores Eighty-Three Lakh and Forty-Five Thousand only) (which is 24.88% of the total paid-up equity capital and free reserves, as per the financial statements of the Company as at and for the period ended September 30, 2023), excluding expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, merchant banker fees, stock exchange fee for usage of their platform for Buyback, transaction costs viz. brokerage, applicable taxes inter- alia including tax on distributed income to shareholders, Securities Transaction Tax, Goods and Services Tax, Stamp duty, etc., public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, which is within the maximum amount as aforesaid, for returning to the members holding Equity shares through Buyback.

The Company's management strives to increase Shareholder's value and the Buyback would result in, amongst other things:

- The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby enhancing the overall return to shareholders;
- The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of shares as per their entitlement or 15% of the number of shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- The Buyback gives an option to the Shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.
- Optimizes the capital structure.

9. MANAGEMENT DISCUSSION AND ANALYSIS AND THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

9.1 The Buyback is not likely to cause any material impact on the earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. The Buyback will optimize returns to the shareholders and enhance overall shareholders value. The Buyback is not expected to impact growth opportunities for the Company.

9.2 In terms of the SEBI Buyback Regulations, under Tender Offer route, the Promoter Group has the option to participate in the Buyback. In this regard, all the Promoters and the Promoter Group entities vide their individual letters dated November 11, 2023 have informed the Company regarding their intention to participate in the Buyback and offer to tender their pro rata entitlement against the shares held by them as on the Record Date and may also tender such additional number of shares, as they may decide subsequently depending upon publicly available information at the time of such decision making, in compliance with the SEBI Buyback Regulations. The Buyback is subject to receipt of any approvals of statutory, regulatory or governmental authorities as may be required under applicable laws, including SEBI and the Stock Exchange. The Equity Shareholders approved the Buyback by way of a special resolution through postal ballot, the results of which were announced on December 22, 2023.

The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buyback and, accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buyback.

The aggregate shareholding of the Promoter Group is 26,24,436 Equity Shares which represents 71.71% of the existing equity share capital of the Company. In terms of the SEBI Buyback Regulations, under the Tender Offer, the Promoters of the Company have the option to participate in the Buyback. The Promoter and the Promoter Group entities vide their individual letters dated November 11, 2023 have informed the Company regarding their intention to participate in the Buyback and offer to tender at least such number of Equity Shares which would be equal to the proportionate entitlement of the Promoter Group out of the Equity Shares held by them as on the Record Date under the Buyback. In addition, the Promoter Group may also tender additional number of shares, as Promoter Group may decide subsequently, depending upon the publicly available information at the time of such decision making, in compliance with the SEBI Buyback Regulations. However, the Promoter and Promoter Group shall not tender more than 26,24,436 Equity Shares under the Buyback, being the total number of Equity Shares available for Buyback.

Assuming response to Buyback is to the extent of 100% (full acceptance) from all Shareholders up to their Buyback Entitlement, the aggregate Shareholding of the promoters, post Buyback may increase to 72.33% from 71.71%. Also, if none of the public shareholders participate and only Promoter and Promoter group participate to the extent of the Buyback entitlement, their shareholding may reduce from 71.71% to 67.42% of the total paid up share capital of the Company.

Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:

The Board had fixed January 05, 2024 as the Record Date for the purpose of determining the Buyback Entitlement and the names of the Shareholders, who are eligible to participate in the Buyback Offer.

The Equity Shares proposed to be bought back by the Company shall be divided in two categories:

- (i) Reserved category for Small Shareholders (“**Reserved Category**”); and
- (ii) General Category for other Eligible Shareholders (“**General Category**”).

As defined in the SEBI Buyback Regulations, a “Small Shareholder” is a Shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the recognized stock exchange in which the highest trading volume in respect of such shares, as on Record Date is not more than Rs. 200,000/- (Rupees Two Lakhs Only).

The closing price of the equity shares of the Company on the Record Date, i.e. January 05, 2024 on BSE, was Rs. 339.05 per Equity Share. Accordingly, the Shareholders holding not more than 589 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.

Based on the above definition, there are 3,751 Small Shareholders with aggregate shareholding of 4,29,138 Shares, as on the Record Date, which constitutes 11.73% of the outstanding Paid up equity share capital of the Company and 15.00% of the number of Equity Shares which are proposed to be bought back under this Buyback.

In compliance with Regulation 6 of the SEBI Buyback Regulations, the reservation for the Small Shareholders, will be 1,04,550 Equity Shares (“**Reserved Portion**”) which is higher of:

- i. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback, being 1,04,550 Equity Shares; or
- ii. The number of Equity Shares entitled as per their shareholding as on Record Date, being 4,29,138 Equity Shares.

All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders since the Promoter also intends to offer Equity Shares held by them in the Buyback.

The Reserved Portion for Small Shareholders will be 1,04,550 Equity Shares (higher of (i) and (ii) above). Accordingly, General Category for all other Equity Shareholders shall consist of 5,29,450 Equity Shares (the “**General Portion**”).

Based on the above, the Buyback Entitlement ratio for both categories is decided as below:

Category of Shareholders	Ratio of Buyback *
Reserved category for Small Shareholders	86 Equity Share for every 353 Equity Shares held on the Record Date
General category for all other Eligible Shareholders	161 Equity Share for every 878 Equity Shares held on the Record Date

*The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is 24.3590% and General category for all other Eligible Shareholders is 18.3333%.

Fractional Entitlements

If the Buyback Entitlement under the Buyback, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 4 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.
- b) Post the Acceptance as described above, in case there are any Equity Shares left to be bought back from Small Shareholders in Reserved Category, the Small Shareholders who were entitled to tender Zero Equity Shares (on account of ignoring the fractional entitlement) and have tendered Additional Equity Shares as a part of the Buyback shall be given preference and one Equity Share each from the Additional Equity Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the Acceptance as described above, in case, there are Equity Shares left to be bought back in the Reserved category and there are any validly tendered unaccepted Equity Shares in the Reserved Category (“**Reserved Category Additional Shares**”), the Reserved Category Additional Shares shall be accepted in a proportionate manner and the Acceptance shall be made in accordance with the SEBI Buyback Regulations, i.e. valid Acceptance per Shareholder shall be equal to the Reserved Category Additional Shares by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Equity Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with the clause above, shall be reduced by one.

Adjustment for fractional results in case of proportionate Acceptance, as described above:

- i. For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares validly tendered in the General Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Shareholders in the General Category in the following order of priority:

- a. Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b. Post the Acceptance as described above, in case there are any Equity Shares left to be bought back in the General Category, and there are validly tendered Additional Shares in the General Category (“**the General Category Additional Shares**”), the General Category Additional Shares shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per shareholder shall be made in accordance with the SEBI Buyback Regulations, i.e. valid Acceptance per shareholder shall be equal to the General Category Additional Equity Shares validly tendered by the Eligible Shareholders divided by

the total General Category Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares remaining to be Accepted in General Category.

Adjustment for fractional results in case of proportionate acceptance as described above:

- i. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares between Categories

- a) In the event the Equity Shares tendered by the Small Shareholders in accordance with the process set out under the section entitled "*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*" is less than the Reserved Portion, Additional Equity Shares tendered by the Eligible Shareholders in the General Category over and above their Buyback Entitlement shall, in accordance with the Regulations, be accepted in proportion of the Additional Equity Shares tendered by them i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by an Eligible Shareholder in the General Category divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the Additional Equity Shares that can be accepted due to shortfall in the Reserved Portion.
- b) In the event the Equity Shares tendered by the Eligible Shareholders in the General Category in accordance with the process set out under the section entitled "*Basis of Acceptance of Equity Shares validly tendered in the General Category*" is less than the General Portion, Additional Equity Shares tendered by the Eligible Shareholders in the Reserved Category over and above their Buyback Entitlement shall, in accordance with the Regulations, be Accepted in proportion of the Additional Equity Shares tendered by them i.e. valid Acceptance per shareholder shall be equal to the Additional Equity Shares validly tendered by an Eligible Shareholder in the Reserved Category divided by the total Additional Equity Shares validly tendered in the Reserved Category and multiplied by the Additional Equity Shares that can be accepted due to shortfall in the General Portion.
- c) In case there is any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before Acceptance as mentioned above in this paragraph, out of the Shares left to be bought back in the General Category, provided no Acceptance could take place from such Shareholder in accordance with the section entitled "*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*".

Adjustment for fractional results in case of proportionate acceptance as described above:

- i. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

I. GENERAL

The Indian tax year runs from 1st April to 31st March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act, 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his / her Indian sourced income or income received by such person in India. In case of shares of a company, the source of income from shares would depend on the 'situs' of the shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax

treatment prescribed under the relevant Double Taxation Avoidance Agreement (“DTAA”) subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule (“GAAR”) and providing and maintaining necessary information and documents as prescribed under the ITA.

The summary tax implications on buy-back of equity shares listed on the stock exchange in India is set out below. All references to equity shares in this note refer to equity shares listed on the stock exchange in India unless stated otherwise.
