Appointment of Harsher Singh as CEO of Company's Radiopharma Business

Jubilant Pharmova Limited announces the appointment of Harsher Singh as the CEO of its Radiopharma Business.

Harsher is a biopharma leader, who has a track record of successfully growing Speciality, Generic and CDMO businesses. He joins us from Amneal Pharmaceuticals, where he was leading the Biosciences business in addition to managing branded and generic Injectable business. In his previous roles, he served as Chief Commercial and Strategic officer for American Regent and Associate Partner for Pharmaceutical practice at McKinsey and Company, New York.

The Company also announces the superannuation of Pramod Yadav, CEO, Jubilant Radiopharma and he shall continue as an adviser till 30th June, 2024. Pramod has been instrumental in guiding the business through various challenges and achieving remarkable progress and success.

Commenting on the occasion, **Mr. Shyam S. Bhartia, Chairman and Mr. Hari S. Bhartia, Co-Chairman, Jubilant Pharmova Limited**, said, "We are extremely pleased to have Harsher join us in our endeavour to build an innovative, global, radiopharma business. We would also like to thank Pramod for his contribution to the organisation and wish him very best for his future endeavours."

On the Occasion, **Mr. Harsher Singh**, said, "I feel privileged to lead Jubilant Radiopharma, which is committed to improve lives through Nuclear Medicine on a global scale. I look forward to working closely with the team and drive the Radiopharma Business growth journey to create value for all stakeholders."

About Jubilant Radiopharma

Jubilant Radiopharma, a division of Jubilant Pharma Ltd., is an industry-leading radiopharmaceutical business that comprises development, manufacturing and commercialisation of products through Radiopharmaceuticals business and distribution through the Radiopharmacies business. Jubilant Radiopharma's manufactured products are used in the diagnosis, treatment and monitoring of various diseases with specialisation in lung, thyroid, bone and cardiac imaging products as well as in thyroid disease therapy. The division's Radiopharmacies business is the second largest radio pharmacy network in the US with 46 pharmacies distributing nuclear medicine products to the largest national Group Purchasing Organisations (GPOs), regional health systems, stand-alone imaging centres, cardiologists and hospitals. This business has over 30 years of experience in serving the US nuclear medicine community and its current geographical reach enables it to serve over four million patients yearly. The Radiopharmacies business complements the Company's niche Radiopharmaceuticals business and provides it with direct access to hospital networks. Jubilant Radiopharma is focused on developing, manufacturing, commercializing and distributing high quality and sustainable diagnostic and therapeutic agents for the sole purpose of "Improving Lives through Nuclear Medicine" on a global scale.
