Subject: - Revised Audited Financial Results for the Quarter ended March 31, 2019

Dear Sir/ Mam,

With reference to the captioned subject, we found few typographical errors in the results while processing the further compliance relating to Audited Financial Results for the Quarter ended March 31, 2019 which are as under:

1. The amount of Rs. 77.56 Lakhs was wrongly mentioned in operational results under the head of stock-in-trade during quarter ended March 2019. The same was already considered in results published in period ended on 31.12.2018. There is no effect on the profitability of the quarter ending on March, 2019.
2. The amount mentioned for Rs. (7.24) Lakhs under other comprehensive income was wrongly mentioned as negative instead of positive. There is no impact of such change in the financial results on considering it as positive and also there is no effect on the profitability of the Company by correcting such error.

We request to you kindly consider and acknowledge the Revised Audited Financial Results of the company. The management of the company will take care for the same in future.

Thanking You
Yours Faithfully,
