STRENGTHENING OUR CORE, SECURING YOUR TRUST

Transforming Challenges into Opportunities

In an era of diverse challenges, the Central Bank of India stands firm and resilient. As we navigate through these evolving landscapes, we adapt, evolve, and push our boundaries. We take strides to make progression a norm, and not an exception. Challenges are embraced as opportunities for growth and development, and every step taken is a stepping-stone towards a brighter future. This transformative journey underpins our commitment to strengthening our core and securing your trust.

Our resilience stems from fortifying our core operations, diligently balancing retail and mid-market (RAM) and corporate credit. This balance, a testament to our sustainable growth strategy, reflects our robust resilience to market volatility.

Securing your trust is central to us. We're beginning to transcend important fundamental parameters, indicating our commitment to transparency and integrity. Our return to sequential positive net profits, and exceeding INR1,582 crores in FY23, is an indicator of our return towards financial robustness and your regained trust.

Our ethos of transforming challenges into opportunities has spurred innovation. GrahLaxmi, a product offering the lowest interest rate for women beneficiaries, exemplifies our commitment to inclusive growth. We've also focused on upskilling our manpower, ensuring improved client-centric services.

As we embrace the future, we reaffirm our commitment to our core principles and our resolve to transform challenges into opportunities. Central to this journey is the trust you've placed in us, a bond we strive to fortify every day. Our journey, defined by turning the hardest times into the greatest moments, is a testament to our unwavering faith and resilience.

Guided by this ethos, we not only aim to deliver value but also focus on strategies to enhance our Return on Assets (ROA) and Return on Equity (ROE). Our diligent efforts are directed towards optimal resource allocation, efficient risk management, and innovative offerings that promise to bring about superior returns. It is through these determined steps that we strive to make our collective journey a rewarding one, ensuring continued growth and prosperity for our esteemed stakeholders.

About Central Bank of India

Central Bank of India: A Testament to National Pride and Trust

Established over a century ago, in 1911, the Central Bank of India stands tall as one of the earliest banks in the country. Uniquely, it was the first Indian commercial bank entirely owned and operated by native citizens. This significant milestone was the realization of the aspirations of its founder, Sir Sorabji Pochkhanawala. Additionally, the bank was privileged to have Sir Pherozeshah Mehta as its first Chairman, leading the truly 'Swadeshi Bank'. Sir Sorabji Pochkhanawala, filled with immense pride, lauded the bank as the 'property of the nation' and 'India's genuine asset'. He emphatically stated that the Central Bank of India thrives on public trust and prides itself on being the people's bank.

A Pillar of Strength in India's Financial Landscape

As a commercial bank operating in India, Central Bank of India has persistently evolved in response to the changes within the financial sector, aligning ourselves with the guidelines set by the Reserve Bank of India and the Government of India. We remain at the forefront of empowering key sectors of the economy such as agriculture, small-scale industries and medium and large industries.

Over the past fiscal year 2022-23, we undertook strategic initiatives to expand our co-lending partnerships, strengthening ties with seven additional leading Non-Banking Financial Companies (NBFCs) and Housing Finance Companies (HFCs) nationwide. This increased our co-lending alliance to 14 robust partnerships, marking our dynamic commitment to enhancing our lending capabilities across the board.

Complementing these strategic partnerships, we have launched several Self Employment Schemes

to foster employment opportunities for the educated youth. Our product portfolio includes an array of deposit products such as savings and current accounts, green deposits, time deposits, fixed deposits, recurring deposit schemes, and small saving schemes. We also offer a comprehensive array of loans, including housing, vehicle, property, personal, senior citizens, education, agricultural, as well as those tailored for micro, small and medium enterprises.

Our efforts to bolster the nation's economic development do not stop there. In our retail and corporate banking spaces, we extend project finance, infrastructure funding, financing to infrastructure investment trusts, short-term corporate loans, advances, working capital facilities, lines of credit, export finance, foreign currency loans, bills purchase/discount/negotiation facilities, non-fund-based facilities, and various industry-specific facilities. Moreover, we provide credit, debit, prepaid/gift cards, cash management, mutual funds, depository, mobile and internet banking, and ATM services.

In addition to our broad lending and banking services, we offer an extensive range of insurance products, encompassing life, general, and health insurance. These include unit-linked, whole life, children, money back, endowment, pension, health, property, personal, fire, burglary, engineering, motor, package, travel, and group insurance products, as well as protection and retirement solutions.

Under our strategic partnership with IIFL Home Finance Limited, we offer SME LAP loan products under the priority sector for MSME borrowers. Our efforts resonate with the impressive growth in advances we have recorded this year, reflecting our dedication to redefine lending paradigms and commitment to inclusive growth.

At Central Bank of India, we remain committed to the cause of financial inclusion and socio-economic development, continually striving to serve our nation better.

Our Vast Network

The Central Bank of India truly epitomizes an 'All-India Bank' due to its comprehensive coverage across the nation. Boasting an extensive footprint, the bank has left its mark in each of the 28 states, as well as in 7 of the 8 Union Territories in India, including NCT Delhi.

As of March 31, 2023, the Central Bank of India offers a network of

18,204 customer touch points across the country. This impressive network consists of 4,493 branches, a robust fleet of 3,752 ATMs, and an extensive system of 9,959 BC Outlets.

In addition to its broad geographical reach, the Bank takes pride in its robust presence in rural and semi-urban locales. This commitment to inclusivity is demonstrated by the

fact that 65.21% of our branches are strategically situated in rural and semi-urban centres, underscoring our dedication to serve every corner of the nation.

Performance Highlights

Over the span of an impressive 112-year journey, your Bank has navigated through turbulent waters and surmounted numerous obstacles, each time re-emerging more resilient than before. Now, we stand on the precipice of evolving into an indispensable contributor to the economy. As we move ahead, our steadfast commitment remains focused on achieving our core operating profit targets across each business division, and enhancing our Return on Assets (ROA). Our saga of resilience and growth continues, unimpeded by challenges, bolstered by our steadfast resolve.

Message from the desk of the MD and CEO

M V Rao
Managing Director and CEO

I am confident that with our clear strategic focus, superior execution and top-notch work force, we will continue to deliver industry-leading results in the future.

Dear Stakeholders,

I am delighted to present the Annual Report of your Bank for Financial Year (FY) 2022-23. This year has been a remarkable year for the Bank and Bank has come out from RBI's PCA framework in the month of September, 2022.

We emerged more resilient and reinvigorated, and our confidence in our capabilities is reflected not only in our numbers but also in the trust that our customers have placed in us. I am grateful to our customers, partners, team members, and other stakeholders for their relentless collaboration to make this happen. I am presenting here highlights of the performance of our Bank for FY 2022-23.

Economic Outlook

The year 2022-23 was full of volatility across the world with global economy experiencing several shocks. Central banks across advanced and emerging economies raised interest rates slowing down the global economy. Indian economy has remained resilient with robust domestic demand. Service sector continued to register strong growth while manufacturing suffered a setback due to global slowdown and high commodity prices prevalent during the year. Inflation remains still a

concern for most Advanced Countries (AEs). However, series of mid-size bank failures in US has signaled that central banks might shift their stance towards pause of policy rates.

The International Monetary Fund (IMF) Report released in April 2023, revised down the growth of the global economy to 2.8% in 2022 and 3.0 % in 2024. AEs have slowed down due to series of rate hikes to tackle sticky inflation. Global inflation is expected to moderate slowly to 7.0 % in 2023 from 8.7 % in 2022 and further to 4.9 % in 2024.

AEs as a whole are expected to grow by 1.3 % in the year 2023, 140 basis points lower than the growth recorded in the year 2022. The growth rate of Euro area is expected to be 0.8 % while UK economy will contract by 0.3 % in 2023. Japan is estimated to grow at 1.3 % in 2023 after rebounding from technical recession in the year 2022.

The Emerging Market and Developing Economies (EMDEs) share in the world GDP is 58.3% and among these, China and India accounts for 18.5 % and 7.3 % share, respectively, for the year 2022. Russia is expected to report 0.7 % growth in year 2023. India is identified as a "bright spot" in the world economy and a key contributor to global growth in the coming years. Indian economy is projected to grow at 5.9 % in 2023 by IMF.

On Domestic front, NSO estimated GDP to expand by 7.2% in 2022-23. High credit growth continues to drive strong domestic demand amid slowing external demand. The Private Final Consumption Expenditure (PFCE) is an indicator of demand in the economy. PFCE increased by 7.5% in the year 2022-23 over 11.2% growth in 2021-22. Investment demand measured by Gross Fixed Capital Formation (GFCF) grew by 11.4% in 2022-23 from high base of 14.6% growth in 2021-22.

Union budget 2023-24, focuses on achieving vision for the Amrit Kaal through technology-driven and knowledge-based economy. It has identified 7 priorities for this year such as -Inclusive Development, Reaching the Last Mile, Infrastructure and Investment, Unleashing the Potential, Green Growth, Youth Power and Financial Sector. The finance ministry's Economic Survey has projected economic growth of India to be 6.5 % in the 2023-24.

Overall risks to the future outlook remain balanced, with after-effects of high interest rate evident more than ever and fears of contagion have risen in the global economy. Strong domestic demand, stability in rupee and capital expenditure by government and private sector with inflation under targeted range are positive possibilities.

Performance of the Bank

Business

During the Financial Year 2022-23, the Business of the Bank stood at ₹5,77,075 crore as compared to ₹5,32,404 crore in the Financial Year 2021-22 on 8.39% growth on YoY basis. Bank's business growth has remained robust in FY 2022-23, with deposit growth of 4.85% and advances growth of 14.79%. The Deposit of the Bank stood at ₹3,59,296 crore on March 31, 2023 as against ₹3,42,692 crore on March 31, 2022 with a growth of ₹16,604 crore.

The CASA share as a %age of Total Deposits stood at 50.39% on March 31, 2023 as against 50.58% on March 31, 2022. Total Advances stood at ₹2,17,779 crore in March 31, 2023 as against ₹1,89,712 crore in March 31, 2022 registering growth of 14.79% on YoY basis.

The Bank is always keen to maintain a well balanced assets mix, encompassing sectors such as Agriculture and Micro, Small & Medium Enterprises (MSMEs) as well as keeping a focus on other retail assets, including Housing, Education and Vehicle finance. Notable, Bank's MSME portfolio has shown growth of 16.87% with Retail loan portfolio growth

by 20.10% on YoY basis. Advances to MSMEs stood at ₹39,899 crore and Agriculture at ₹42,110 crore.

Financial Performance

The Operating Profit of the Bank stood at ₹6,884 crore in financial year 2022-23 as against ₹5,742 crore in financial year 2021-22. With improved performance, the Bank earned net profit of ₹1,582 crore as against ₹1,045 crore for financial year 2022-23 over financial year 2021-22 and from ₹310 crore profit to ₹571 crore profit during fourth quarter on YoY basis.

Net Interest Income of the Bank increased to ₹11,687 crore from ₹9,487 during 2022-23 whereas Non Interest Income stood at ₹4,084 crore from ₹2,968 crore during 2022-23. Net Interest Margin (NIM) improved to 3.64% during financial year 2022-23 as compared to 3.21% in the financial year 2021-22. The Bank's Cost of Deposits stood at 3.92% during the financial year 2022-23 as against 3.86% during the financial year 2021-22.

Asset Quality

The consistent effort of the Bank on NPA management and garnering high quality assets improved the asset quality. Thus, gross NPA %age reduced to 8.44% as of March 31, 2023 compared to 14.84% as of March 31, 2022 and also Net NPA %age was brought down to 1.77% as on March 31, 2023 from 3.97% as of March 31, 2022. The Bank's Provision Coverage Ratio improved to 92.48% as on 31.03.2023 from 86.69% as on 31.03.2022 which has strengthened the Balance Sheet. We are expecting resolution of certain big NPA accounts through NCLT under IBC and outside during 2023-24. We shall continue to have focused efforts to maximize NPA recovery, improve asset quality and earn net profit during the year 2023-24.

Capital

CRAR after adjustment for reckoning NPV of non-interest bearing recapitalization bond issued by Government of India is 14.12% as on March 31, 2023 as compared to 13.84% as on March 31, 2022.

Priority Sector and Financial Inclusion

Bank is continuously emphasizing on meeting various goals under national priorities. Under various national priorities, Bank has credibly achieved the mandated targets as follows :-

- » Total Priority – 54.48% of ANBC against norm of 40%
- » Agriculture – 21.98 % of ANBC against norm of 18%

Message from the desk of MD and CEO

- » Small and Marginal Farmers – 11.57% of ANBC against norm of 9.50%
- » Weaker Section – 16.83 % of ANBC against norm of 11.50%

During the year Bank sold PSLCs worth ₹4,650.00 crores under Priority Sector (₹1,000 crores under General PS, ₹2,950 crores under Small and Marginal Farmers and ₹700 crores under Micro Enterprises). There is outstanding RIDF to the tune of ₹2,072.18 crores under Priority Sector of which ₹1,556.74 crores under Agriculture as on 31.03.2023.

These achievements indeed speak of the Bank's commitment to inclusive nation building.

Bank has been actively pursuing the agenda of Financial Inclusion with key interventions in offering appropriate financial products, making use of technology and enhancing financial literacy.

Bank also performed well under social security schemes launched by the Government of India. 21.21 Lakhs, 68.20 Lakhs and 19.40 Lakhs enrolments have been done under Pradhan Mantri Jeevan Jyoti Bima Yojana, Pradhan Mantri Suraksha Bima Yojana and Atal Pension Yojana, respectively.

Pan India Presence

As on 31st March, 2023, Bank has a Pan India presence with 18,204 Customer Touch Points. This includes a network of 4,493 branches, 3,752 ATMs and 9,959 BC Outlets. The Pan India presence covers all 28 States, 7 out of 8 Union Territories and NCT Delhi. The Bank has a strong Rural and Semi Urban presence with 65.21% of total branches in Rural and Semi Urban Centers.

Digital Banking & Alternate Delivery Channels

In the age of information and technology, the Bank recognizes the changing needs of the customers and caters to the needs of the young demographic base of the country.

Accordingly, the Bank gives thrust on digital footprints and alternate delivery channels.

As a result of this, the share of digital transactions through alternate delivery channels increased from 78.05% for FY 2021-22 to 78.12% for FY 2022-23.

Human Resources

Bank is committed towards creating a productive work environment for its employees and departments so as to maximize individual potential and expand organizational capacity. In this regard bank had taken various steps towards Designing, Developing and Implementing Best HR Practices like Competency based Roles, Performance based promotions, incentivizing learning's etc. to facilitate the creation of an environment where each member of the organization is able to contribute their best for augmentation of Business Growth.

Employee Engagement Survey, Capacity Building Initiatives to enhance capabilities of staffs, Mentorship Program, Succession Planning (IDPs), HR Policies Reviewed and made contemporary as well as user friendly, Engagement of Retirees on contractual basis, Engagement of Apprentices in the Bank, etc were some of the HR Interventions initiated during the Year.

Bank will continue its efforts towards aligning the HRD role with the evolving environment and initiating practices benefitting employees with a view to leading the organization in advancing its corporate objectives.

Covid-19 Relief for MSMEs/Small Businesses/ Corporates

Bank has continued extending its support during 2022-23 through various Government schemes launched in 2020-21 to MSMEs / Small Businesses / Corporates and extension of Guaranteed Emergency Credit Line 01, 02, 03, 04 to protect them from hardships caused due to the Covid-19 pandemic.

New Initiatives

“Success is not final; failure is not fatal: It is the courage to continue that counts.” Bank has turned corner and came out from RBI’s PCA framework during the FY 2022-23. This is due to vigorous engagement, commitment and new ideas implemented. Nevertheless, we will not be complacent and continue to thrive to envisage new and fresh ideas to keep the business flourish with new products and services besides fresh processes. With this impression, few of the new initiatives put forward are as follows:-

1. Technological Transformation:

Bank recognizes the need for technological transformation to leverage its customer base and drive future growth. On-going efforts in technology enhancement are expected to yield results starting from the third quarter of FY 2023-24. This initiative aims to improve operational efficiency, enhance customer experience, and support digital banking services.

Digital Initiatives – Bank has initiated Digital Transformation Project (Cent NEO) and the ambitious plans covers following Digital Transformation Journey:

- i) Universal App (Cent NEO) - Various services shall be offered on Assets, Liabilities, Wealth Management, Market Place, Cards etc, through App and Web interfaces.
- ii) Digital Lending Platform (DLP) - The DLP shall support lending in Straight Through Process (STP), Assisted and Semi-Assisted modes.
- iii) Integrated Customer Care - Modern Customer Care for Customer Services, Grievance Handling, Marketing & Sales etc. on variety of channels Call, Chat/Voice BoTs, IVR, WhatsApp etc.
- iv) Integrations Platform - Upgrading the middleware platform for seamless communication between internal and external systems. The components of this platform are Payment-hub, API Gateway, Middleware and Streaming.
- v) Collections Management - Unified collections management system with Technology, Call Centre and Feet On Street (FOS) services.

2. Centralised SWIFT Cell:

For ensuring better compliance in handling the Cross Border Outward Transactions, Bank has set-up a cell for Centralised SWIFT operations at International Division in the financial year 2022-23. All the cross border transactions are authorized at AD branch

level in Trade Finance Module i.e FX24. The SWIFT messages generated after authorization of transaction in FX24 by branch are authorized at Centralised SWIFT Cell at International Division. The cell scrutinize the documents and ensure the compliance with the various guidelines viz. latest custom/ DGFT guidelines/ Ministry of commerce guidelines along with RBI directions/ FEMA regulations / ICC rules / FEDAI rules etc.

3. Bank has launched Green Fixed Deposits, proceeds of which will be utilized towards funding green projects.
4. SMS Based Customer Feedback Mechanism implemented for Deposit, Withdrawal and Transfer.
5. Enterprise Fraud Risk Management Solution (EFRMS) has been implemented for Real Time Analysis and Blocking of suspicious transactions initiated through Alternate Channels like ATM, Internet banking, Mobile Banking and UPI. It is implemented to prevent fraudulent transactions done through various delivery channels
6. Initiated Digital Customer On-boarding through Video KYC (online channel) as part of hassle free customer on-boarding without visiting Branches.

Way Forward

In light of our results for FY 2022-23, I must express my joy for meeting shareholders expectation. “I am confident that with our clear strategic focus, superior execution and top-notch work force, we will continue to deliver industry-leading results in the future”.

I would like to acknowledge and thank all the members of the Board for their valuable support, guidance and inputs to the management in our endeavors. I also thank the Government of India, Reserve Bank of India, SEBI, IBA, Stock Exchanges, Customers and all stakeholders for their support and guidance from time to time.

I am happy to present the Annual Report of the Bank for the Financial Year ended on March 31, 2023.

With best wishes,

Yours sincerely,

M V Rao

Unleashing
Digital Momentum:

Powering Retail Lending Through *Digital Transformation*

Central Bank of India's Digital Transformation Project (Cent NEO) is revolutionizing banking through a Universal App, Digital Lending Platform, Integrated Customer Care, and a modern Integrations Platform.

Embracing the Digital Shift

In an era where technology and banking continue to evolve together, Central Bank of India (CBI) stands at the forefront of this change, forging a new future in retail lending. Anchored by a commitment to enhancing customer experience, operational efficiency, and digital service capabilities, the Bank's progressive digital transformation journey has begun to bear fruit, transforming lives, and businesses alike.

The Dawn of a New Era: Digital Initiatives and Technological Transformation

CBI's relentless pursuit of innovation led to the launch of the Digital Transformation Project (Cent NEO). The Bank's comprehensive, end-to-end digital transformation is redefining the banking experience through the Universal App (Cent NEO), the Digital Lending Platform (DLP), the Integrated Customer Care, and a modern Integrations Platform. An agile Collections Management system completes the digital suite, providing a unified collections management system fortified with technology and human touchpoints.

Fuelled by this transformative initiative, CBI has been making strides in leveraging data analytics, exploring digital marketing strategies, and expanding its scope of pre-approved personal loans. As part of the technological transformation, significant IT projects such as Core Banking Solutions, Trade Finance Solutions, Treasury Solutions, and Loan Lifecycle Management Solutions have been implemented, paving the way for efficient and effective banking operations.

We are embracing the digital revolution, forging a new future in retail lending through our unwavering commitment to enhancing customer experiences, driving operational efficiency, and adopting cutting-edge digital technologies.

Retail Lending: Riding High on the Digital Wave

Between March 2022 and March 2023, CBI's retail lending business experienced a remarkable year-on-year growth rate of 20.10%. The total retail advances swelled from ₹52,226 crore to a commendable ₹62,726 crore, reflecting the Bank's agility in capturing market opportunities and meeting the evolving needs of its retail customers.

This commitment is reflected in our ongoing efforts to automate loan processing, reduce processing times, and create seamless customer banking experiences.

Our strategic tie-ups, participation in the government's financial inclusion initiatives, effective fund management, and consistent focus on customer-centric solutions only underscore our steadfast dedication to our mission. The future is digital, and at CBI, we are well on our way to shaping it, one transformation at a time.

Enhancing
Human Capital:

Our Strategic Roadmap For **Sustainable Growth**

As the Central Bank of India navigates the banking landscape of the future, its attention remains steadfastly focused on the importance of its human resources. The Bank recognizes the pivotal role its people play in realizing strategic business objectives, which is reflected in the comprehensive Human Resources Development initiatives undertaken during FY2023. Bolstering this focus is a robust, well-rounded approach to recruitment, promotion, employee benefits, development, and administrative procedures, all of which underpin the Bank's commitment to creating a resilient, future-ready workforce.

Investing in our people is investing in the Bank's future. Our robust Human Resource strategy - encompassing recruitment, promotion, and nurturing a conducive work environment - fuels our mission to excel in our lending business and growth aspirations. We believe in individual progress as the key to collective success.

Bolstering Workforce Strength for Future Aspirations

The Central Bank of India's staffing strength increased to 30,770 by the end of March 2023. This increase, distributed across officer, clerical, and sub-staff levels, was engineered to meet the needs of the Bank's lending business and its growth aspirations.

Strategic recruitment initiatives led to onboarding of 547 new Specialist Officers and 527 Probationary Officers, along with compassionate appointments in the sub-staff and clerical categories, further enriching the Bank's human capital.

The Bank conducted an extensive promotion process across scales and disciplines, leading to 795 clerks being promoted to Scale-I officers and 2,779 officers to higher grades and scales. Alongside, the Bank's fair and transparent transfer policies attended

to the needs of 724 officers on a pan-India basis. This comprehensive approach to career advancement is a testament to the Bank's commitment to fostering an environment conducive to professional growth.

Human Capital:

Our Strategic Roadmap for
Sustainable Growth

Cultivating a Rewarding Employee Experience

We firmly believe that our people are our greatest asset at the Central Bank of India. This ethos is reflected in our comprehensive and thoughtful Employee Benefits scheme, designed to support our staff's well-being and satisfaction within and beyond the workplace.

Health and wellness take precedence in our benefits program. We have provided medical facilities and insurance coverage, including comprehensive medical insurance with an additional Super Top-up facility. Special schemes such as the Corporate Buffer and the Retirees' Group Health Insurance Policy have also been implemented, ensuring that significant ailment expenses are catered for and that retired employees continue to receive medical coverage.

Our financial assistance and incentives further reinforce our commitment to our employees' welfare. We have enhanced the relief amount for funeral expenses and ex gratia payments to the families of deceased employees. We've increased canteen subsidy facilities for serving staff members and provided financial assistance for employees with special needs children. Rewards are also offered to employees whose children excel academically.

At the Central Bank of India, we see our people as our greatest asset, and our relentless focus on their development and well-being is reflected in our growth story.

The Central Bank of India fosters an environment of appreciation and celebration. Upgraded Holiday and Transit Homes provide a relaxing escape for our employees, while health check-ups and allocations for sports, cultural, and recreational activities promote a balanced lifestyle. Through open discussions with unions

and revised transfer norms and promotion policies, we continuously strive to maintain a harmonious work environment. Employee welfare is at the heart of our operations, and this focus strengthens our commitment to serving our customers and driving our growth.

A Strong Emphasis on Continuous Learning and Development

Recognizing the importance of continuous learning and development, the Bank has instituted diverse training initiatives to build capacity and drive performance across all levels of our organization. A comprehensive Performance Management System

(PMS) called the Central RISE Project has been implemented for officers and clerks. This system integrates components such as role allocation, scorecards, and review utility in the PMS tool, fostering a culture of continuous improvement and growth.

Further bolstering our commitment to capacity building, we have made provisions for employees to choose their certifications. This allows them to pursue up to five certifications worth up to ₹60,000 in a fiscal year, enhancing their skill sets in line with the evolving demands of the banking

sector. Our training programs have been remarkably successful in terms of reach and effectiveness. We have conducted courses covering various topics through our Officers' Training Colleges and Centres for Learning and Development (CLDs). Impressively, the capacity utilization of these institutions reached 114.43%, demonstrating our robust efforts to develop our human capital.

To keep up with the changing dynamics of the learning landscape, we have harnessed technology to offer e-learning modules and video-based learning. Our employees can access various courses through the Cent Swadhyay App, enabling them to learn at their convenience and pace. We have also engaged reputable institutions such as McKinsey & Company, FSIB, IBA, IIM-A, IIM Indore, XLRI, ASCI, IIBF, and JBIMS to deliver specialized training initiatives. These programs aim to hone leadership skills, foster professional development, and support our digital transformation objectives.

Creating an Inclusive Workforce

In keeping with the government's reservation policy, the Bank's workforce represents a diverse spectrum of society, including SCs, STs, OBCs, and differently-abled individuals across all cadres. This commitment to inclusivity ensures diverse perspectives and experiences, fostering a prosperous, inclusive culture that drives innovation and progress.

Adhering to stringent guidelines under the Sexual Harassment of Women at Workplace Act 2013, the Bank has implemented measures to prevent workplace harassment, ensuring a safe and respectful environment for

all employees. Through the creation of internal complaint committees at all administrative offices, the Bank has successfully addressed and resolved instances of sexual harassment.

The Central Bank of India's steadfast commitment to developing its human capital is reflective in its comprehensive approach towards employee recruitment, benefits, development, and inclusion. As the Bank gears up for a promising future, the growth and well-being of its people continue to be its driving force, underpinning its growth aspirations and commitment to excellence.

Empowering Growth
Through Inclusion:

Our Commitment to *Inclusive Lending and Prosperity*

We are an institution with a long-standing tradition of fostering financial inclusion and economic growth, and have demonstrated considerable progress in extending its services across priority sectors in FY2023. Here, we highlight how the bank's innovative human-centric strategies have strengthened its position in India's competitive banking landscape and how we are poised to sustain future growth.

By deepening our co-lending alliances to more than 14 partnerships, we have energized our lending prowess into the priority sector. This move is more than just numerical growth - it represents our commitment to being a catalyst in our nation's economic development.

Reimagining Lending

The financial landscape has evolved in unprecedented ways, and Central Bank of India, one of the country's stalwart institutions, stands at the forefront of this transformation. In an audacious yet strategic move, your Bank amplified its co-lending partnerships during the fiscal year 2022-23, fostering ties with seven additional leading Non-Banking Financial Companies (NBFCs) and

Housing Finance Companies (HFCs) nationwide. This strategic manoeuvre swelled your Bank's co-lending alliance to 14 robust partnerships, a testament to its dynamism and commitment to expanding its lending horizons.

The cornerstone of these partnerships lies in the noble pursuit of enhancing lending in key sectors. Rooted in the guidelines given by the Reserve

Bank of India (RBI), the initiatives extend across the Retail, MSME, and Agriculture sectors within both priority and non-priority domains.

The proof of these initiatives' efficacy resonates with the impressive growth in advances recorded by your Bank this year. By fostering these co-lending alliances, your Bank was able to bolster its lending capabilities, ensuring its position as a pivotal contributor to the nation's economic development. The numbers attest to the bank's dedication to redefining lending paradigms, reflecting a triumph of strategy, ambition, and commitment toward inclusive growth.

By expanding our co-lending partnerships with leading NBFCs and HFCs, we are redefining lending paradigms, fostering inclusive growth, and propelling economic development together.

Empowering Growth Through Inclusion:

Elevating Financial Inclusion

Financial inclusion, a critical pillar of equitable socio-economic development, has long been a core mandate for the Central Bank of India. This year, your Bank has redoubled its efforts in breaking down barriers, pioneering initiatives that seek to bring financial services to the unbanked and underbanked regions of the country. It's a mission that's as ambitious as it is essential, symbolising your Bank's commitment to transforming words into actionable strategies.

In the fiscal year 2022-23, the Central Bank of India significantly extended financial services to far-flung areas of the country, consciously seeking to uplift individuals and communities who traditionally had limited access to these essential services. Operating under the lens of financial inclusion, your Bank's efforts to drive inclusive growth have transcended the conventional constraints of the banking sector.

One key strategy to fuel this initiative was leveraging digital technology's power. The Bank rolled out various digital solutions, including mobile banking applications and USSD-based services, designed to provide a seamless banking experience even in remote areas. Financial literacy programs have also fostered awareness and understanding among the newly banked population.

With credit deployment under the priority sector reaching more than ₹103,000 Crore, Central Bank of India illustrates its unwavering commitment to fostering economic growth and financial inclusion.

Empowering the Agriculture Sector

Agriculture remains an integral pillar of India's economy. Recognizing this, Central Bank of India has intensified its focus on this sector, adopting innovative measures to support farmers and agricultural enterprises. Your Bank has made significant strides, achieving a commendable 21.98% of ANBC as agricultural credit against a norm of 18%.

Central Bank of India has driven multiple initiatives to boost

agricultural credit flow. The focus has been organising special credit campaigns and facilitating access to credit for self-help groups, thereby promoting growth and self-reliance in the agricultural sector. In addition, Central Bank of India ensures crop insurance coverage for eligible farmers under the "Pradhan Mantri Fasal Bima Yojana," offering a vital safety net to farmers. The Bank's efforts underline its unwavering dedication to agricultural development and rural prosperity.

Harnessing the Power of Financial Literacy and Skill Development

The Central Bank of India takes pride in pioneering initiatives to impart financial literacy and boost skill development. Your Bank has set up 48 Financial Literacy and Credit Counselling Centres (FLCCs) and 46 Rural Self Employment Training Institutes (RSETIs) in various states, working tirelessly to improve financial knowledge and skills in rural and semi-urban communities.

Through FLCCs, Central Bank of India reaches out to individuals, providing crucial financial education, helping them make informed decisions, and enhancing their economic well-being. Simultaneously, RSETIs conduct extensive training programs, fostering entrepreneurship and self-employment in rural areas.

The bank's robust efforts in these areas have successfully trained 27,428 candidates in 2022-23, of whom 77% secured employment or established ventures, illustrating the effectiveness of these programs. Central Bank

of India remains steadfast in its commitment to empowering individuals through education and skills, contributing to the nation's socio-economic development.

Central Bank of India is leading the charge in financial inclusion, with over ~676 lakh transactions through our business correspondents, and an impressive ~22% growth in business volume, symbolising our relentless efforts to bring banking to the underserved.

Central Bank of India's dedication to these efforts has strengthened the roots of financial inclusion by democratizing access to knowledge and economic opportunities. By instilling financial literacy and fostering entrepreneurial skills, your Bank aids in integrating a sizeable portion of society into the mainstream financial system. This empowerment, transcending beyond pure banking services, signifies their profound commitment to fostering a financially inclusive and equitable India.

16. Shareholders may also access the Annual Report from the Bank's website for the Meeting.

17. Intimation to shareholders holding shares in physical form:

As you may be aware that the shares cannot be traded in physical form and in order to impart liquidity to the shareholders, we request you to convert your shares into

Dematerialised form. You may convert your shares into Demat by opening an Account with the nearest bank's branch providing Demat Service. The list of branches providing Demat services is available on website of the Bank. There are various advantages associated with converting your shareholding in Demat form viz. avoidance of loss, bad deliveries, faster settlements, paperless trading, etc. Further, intimations regarding change of address, bank mandate, nomination and request for transaction are required to be given only at one place i.e. with the branch where you open your Demat Account even if you hold shares of more than one Company/entity.

18. UNCLAIMED DIVIDEND, IF ANY

The shareholders who have not encashed their Dividend Warrants / or have not received dividend declared are requested to contact the Registrar and Share Transfer Agent or the Bank.

As per Section 10B of The Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the Unpaid Dividend Account is required to be transferred to the Investor Education and Protection Fund (IEPF) and thereafter no claim for payment shall lie in respect thereof to the Bank. The shareholders, whose unclaimed dividends have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in.

Item No.5**To consider raising of Equity capital aggregate upto ₹2500/ crore through various modes like QIP/FPO/ Rights Issue.**

As per Basel III regulations, the Bank is required to maintain minimum Common Equity Tier-1 (CET 1) ratio of 5.50% plus Capital Conservation Buffer (CCB) of 2.50% in the form of equity capital, Tier 1 ratio of 9.50% and overall CRAR of 11.50%. The Bank will be requiring capital to meet the prescribed capital adequacy ratio (CRAR). The CRAR of the Bank during the FY 2022-23 is 14.12% (Tier I – 12.11% (includes CCB), Tier II – 2.01%)

Keeping in view of increase in Business projection of 12%-14%, to maintain health CRAR in F.Y. 2023-24 and to increase public shareholding in Bank, Bank has decided to raise the equity capital aggregate upto ₹2500 Crore through various modes like QIP/FPO/Rights Issue. These options will be exercised by the Bank as per the requirement and based on the prevailing market conditions.

The said equity capital will be raised with due approvals from the Government of India, Reserve Bank of India and such other authorities as laid down in The Banking Companies (Acquisition and Transfer of Undertakings) Act 1970, The Nationalised Banks (Management and Miscellaneous Provisions) Scheme 1970 and subject to the relevant guidelines / regulations of SEBI.

The Board of Directors at their meeting held on 29th April, 2023 had given their approval to raise an capital upto ₹2500/- crore through the different available options.

The Capital Adequacy Ratio of the Bank as on 31st March, 2023 is 14.12%. The Authorized Capital of the Bank is, at present, ₹10000/- crore. The Paid up Equity Share capital of the Bank as on 31st March, 2023 is ₹ 8680.93 Crore.

The enhanced capital will be utilized for the general business purposes of the Bank.

The Special Resolution seeks to give the Board powers to issue Equity Shares in one or more tranches at such time or times, at such price or prices, and to such of the Investors as the Board in its absolute discretion deems fit. The detailed terms and conditions for the issuance of the equity shares as and when made will be determined by the Board in consultation with the Merchant Bankers, Lead Managers, Advisors and such other authorities as may require to be considered by the Bank considering the prevailing market conditions and other relevant factors.

In the event of the issue of equity shares as aforesaid by way of Qualified Institutions Placements, it will be ensured that:

- The relevant date for the purpose of pricing of the Equity Shares would be, pursuant to Chapter VI of the SEBI

(ICDR) Regulations and/or other applicable regulations, be the date of the meeting in which the Board or the Capital Raising Committee thereof decides to open the proposed issue of the equity shares, subsequent to the receipt of Members' approval and other applicable provisions, if any of the Act and other applicable laws, rules, regulations and guidelines in relation to the proposed issue of equity shares;

- As the pricing of the offer cannot be decided except at a later stage, it is not possible to state the price of shares to be issued. However, the same would be in accordance with the provisions of the SEBI ICDR Regulations, the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970 and the Central Bank of India (Shares and Meetings) Regulations 1998, as amended from time to time or any other guidelines/regulations/consents as may be applicable or required
- The issue and allotment of fully paid shares shall be made only to Qualified Institutional Buyers (QIBs) within the meaning of SEBI (ICDR) Regulations and the allotment shall be completed within 365 days of the date of passing the above Resolution;
- The detailed terms and conditions for the offer will be determined in consultation with the Advisors, Lead Managers and Underwriters and such other authority or authorities as may be required, considering the prevailing market conditions and other Regulatory requirements.
- The total amount raised in such manner, including the over allotment, if any as per the terms of the issue of securities, would not exceed 5 times of the Bank's net worth as per the audited Balance Sheet of the previous financial year;
- The eligible securities allotted under the qualified institutions placement shall not be sold by the allottee for a period of one year from the date of allotment except on recognised Stock exchange.
- The Bank, its Promoter or Directors is not a fugitive economic offender.
- The equity shares allotted, shall rank pari passu in all respects with the existing equity shares of the Bank including dividend

The Board of Directors recommends passing of the Special Resolution as mentioned in the notice.

None of the Directors / Key Managerial Persons of the Bank is interested or concerned in the aforementioned resolutions, except to the extent of their shareholding in the Bank.

Management Discussion and Analysis

Global Economy

The global economy is in a recovery phase following the impacts of the Covid-19 pandemic and the Russia-Ukraine war. While supply constraints have eased, inflation remains a concern due to volatile oil prices. Contact-intensive services, which were heavily affected during the pandemic, have witnessed demand and supported growth. However, manufacturing has faced challenges due to input cost pressures, supply chain disruptions, and the China lockdown affecting the availability of essential inputs and slowing global economic growth.

According to the World Economic Outlook report released by the International Monetary Fund (IMF) in April 2023, global growth is projected to reach 2.8 percent in 2023 and 3.0 percent in 2024. Global inflation is expected to moderate to 7.0 percent in 2023 from 8.7 percent in 2022, further declining to 4.9 percent in 2024. The report highlights India as a “bright spot” in the world economy, projecting growth of 5.9 percent for India in 2023. India accounted for a 7.3 percent share in global growth in 2022.

The global economic slowdown is primarily concentrated in advanced economies, with the United States experiencing a slowdown in GDP growth to 1.1 percent in the first quarter of 2023, following 2.6 percent growth in the fourth quarter of 2022. The US Federal Reserve has increased its policy rates to 5-5.25 percent in May 2023 to achieve the target of 2 percent inflation. US consumer inflation has dipped to an annual rate of 4.9 percent, lower than expected and the lowest since April 2021. The Federal Open Market Committee (FOMC) will closely monitor the transmission of monetary policy and its impact on economic activity, inflation, and financial developments.

In Europe, the European Central Bank (ECB) raised its benchmark borrowing costs to 3.25 percent. Annual inflation in the Euro Zone rose to 7 percent in April after five consecutive months of decline. The United Kingdom continues to experience inflation above 10 percent in March 2023, and further rate hikes are expected to control inflation. The UK, being a net importer of energy, is more affected by the rise in oil prices due to the Russia-Ukraine war. Euro area growth is expected to fall to 0.8 percent in 2023, with the UK economy projected to contract by 0.3 percent in the same year.

The IMF has lowered Japan's growth estimates for 2023 to 1.3 percent, reflecting weaker external demand and investment. However, Japan's economy grew at 1.6 percent in January-March 2023, indicating a rebound after a technical

recession last year. This growth momentum can be attributed to government-provided price relief measures and strong wage growth. Core consumer inflation in Japan reached 3.1 percent in March 2023, exceeding the target of 2 percent, while the Bank of Japan continues to maintain an ultra-loose monetary policy stance.

The share of Emerging Market and Developing Economies (EMDEs) in world GDP is 58.3 percent, with China accounting for 18.5 percent. EMDEs are expected to experience a dip in growth at 3.9 percent in 2023 before rebounding to 4.2 percent in 2024, according to the IMF report.

India Economy

The annual GDP growth of India for the year 2022-23 as per the National Statistical Office (NSO) is 7.2 percent. The Reserve Bank of India (RBI) has increased policy rates by 250 basis points since May 2022. Inflation has cooled down and remained within the targeted range set by the RBI, at 4.7 percent in April 2023 and 5.6 percent in March. The steady demand and easing of supply constraints are expected to strengthen the Indian economy, with inflation projected to remain within the target range and no further rate hikes anticipated in the future.

The Index of Industrial Production (IIP), which measures industrial output, recorded a growth of 1.1 percent in March 2023. The IIP had been consistently growing since Diwali, indicating a sustained improvement in industrial activity. The Purchasing Managers' Index (PMI) for manufacturing in April suggests continued resilience in the manufacturing sector.

The Indian rupee experienced depreciation against the USD, reaching 82.6 per USD in mid-March 2023. Concerns have arisen due to global banking instability, resulting in sharp selling pressure on emerging market currencies. Throughout 2023, the rupee remained under pressure due to an imbalanced current account, significant capital outflows, and RBI's interest rate hikes. Strong import demand has also contributed to the current account deficit. Foreign Portfolio Investors (FPIs) were net sellers for most months in FY23. Total exports increased by 5.8 percent in FY 2023, compared to a significant increase of 45.1 percent in FY 2022. Total imports also experienced growth, rising by 16.3 percent, although at a lower pace compared to the previous fiscal year's increase of 56.1 percent

Banking

Despite confronting a challenging international financial landscape during the first half of FY 2022-23, the banking industry showed resilience, backed by satisfactory capital

buffers, and controlled non-performing loan levels. Banks witnessed an enhancement in profitability during this period, driven primarily by a rise in net interest income, as rising interest rates exerted limited initial impact on investment portfolios.

Bank credit growth surged, mirroring the recovery in economic activities. Non-food bank credit of Scheduled Commercial Banks (SCBs) surged to 16.7% (year-on-year) as of September 9, 2022, from 9.7% as of the end of March 2022. This robust growth persisted into the second half of 2022-23, buoyed by a rebounding economy, with non-food bank credit accelerating to 15.4% by the end of March 2023 from 9.7% a year earlier. As credit growth surpassed aggregate deposit growth, the incremental credit-deposit ratio exceeded 100%.

There was an improvement in bank credit across all major sectors in FY 2022-23. The agriculture sector witnessed a 13.4% credit growth in the first half of FY 2022-23, matching the growth of the prior year, stimulated by an above-average monsoon, and increased agricultural credit targets. Industry credit bounced back to 11.4% from 1.5% last year, spearheaded by large industries and consistent growth in the MSME segment. Retail loans continued to propel credit growth throughout FY 2022-23, with sustained high credit growth across major sub-sectors in the second half due to a resurgence in demand.

The aggregate deposits of SCBs grew faster during FY 2022-23, driven by substantial interest rate increases, slowing to 9.6% by March 24, 2023, compared to 8.9% growth the previous year (as of March 25, 2022). Deposit growth accelerated during the year due to banks raising rates on term deposits, although it lagged behind credit growth.

The SCBs' asset quality improved, with the overall non-performing assets (NPA) ratio decreasing to 5.6% in June 2022 from 7.5% a year earlier, falling further to 4.5% in December 2022 from 6.5% a year earlier, marking an improvement across all major sectors. As the policy repo rate increased from May 2022, banks' deposit and lending rates ascended during the first half of 2022-23. From May 2022 to February 2023, the Weighted Average Lending Rate (WALRs) increased across all sectors. Banks' efforts to secure retail deposits to fund credit growth led to a more rapid transmission to retail deposit rates in the second half. Amid moderating systemic liquidity, banks also elevated their term deposit rates during the first half of 2022-23.

The Weighted Average Domestic Term Deposit Rate (WADTDR) on new deposits, encompassing both retail and bulk, soared by 222 basis points from May 2022 to February 2023. Banks initially concentrated on securing bulk deposits during the first half. This trend shifted in the second half, with the increase in new retail deposit rates (122

basis points) surpassing that in new bulk deposit rates (77 basis points). The transmission to WADTDR on outstanding deposits steadily improved, reflecting the longer maturity of term deposits contracted at fixed rates. The increase in term deposit rates in the current tightening cycle exceeded that in lending rates, indicating a higher demand for sustainable funds from depositors.

Corporate advances also experienced healthy growth, rising from INR 64,712

crores to INR 73,044 crores, indicating a growth rate of 12.88%. The credit-deposit ratio increased significantly from 55.63% to 60.86%, signifying CBI's expanding lending activities compared to its deposit growth.

Strong Overall Performance

Your Bank maintained a balanced credit book, with 66.46% in RAM and 33.64% in the corporate segment, slightly exceeding the target ratio. The net interest margin (NIM) stood at 3.64%, surpassing the target of more than 3%. The gross non-performing assets (NPA) remained slightly above the target of below 8% at 8.44%, but the net NPA remained well under control at 1.77%. Your Bank demonstrated a strong provision coverage ratio (PCR) of 92.48%, surpassing the target of more than 92%. The slippage ratio remained low at 1.62%, below the estimated range of 2% to 2.25%. The credit cost was also lower than expected at 0.83%, below the target range of 1% to 1.25%.

Your Bank maintains a strong focus on asset quality, aiming for credit costs below 1% and stressing the importance of maintaining strong corporate and MSME books. Your Bank recognizes the need for technological transformation to leverage its customer base and drive future growth. Ongoing efforts in technology enhancement are expected to yield results starting from the third quarter.

Your Bank registered a year-on-year growth of 25.40% in fee-based income, driven by factors such as PSLC sales, recoveries, and other miscellaneous income. Your Bank expects fee-based income and service charges to remain steady.

Your Bank maintains stability in its restructured book and has a strong grip on MSME collections. Your Bank expects the cost-to-income ratio to be around 53% to 55% in the current fiscal year, with a target of coming below 50% in the next fiscal year. It projects a reduction in gross NPA through planned initiatives. Leveraging its customer base and technology enhancements, CBI aims to strengthen its position.

Resource Mobilisation

In the period from March 2022 to March 2023, Central Bank of India witnessed growth in various deposit categories. CBI experienced a growth rate of 4.85% in total deposits, which rose from INR 342,692 crores to INR 359,296 crores. Specifically, CASA deposits increased from INR 172,480 crores to INR 180,312 crores, reflecting a growth rate of 4.54%. New Initiatives

These new initiatives align with CBI's focus on technological advancement, asset quality management, revenue diversification, operational efficiency, and risk mitigation. By implementing these strategies, your Bank aims to enhance its competitive position, drive sustainable growth, and provide exceptional service to its customers.

1. **Technological Transformation:** CBI recognizes the need for technological transformation to leverage its customer base and drive future growth. Ongoing efforts in technology enhancement are expected to yield results starting from the third quarter. This initiative aims to improve operational efficiency, enhance customer experience, and support digital banking services.
2. **Focus on Asset Quality:** CBI maintains a strong focus on asset quality, aiming for credit costs below 1%. By emphasizing the importance of maintaining strong corporate and MSME books, your Bank aims to mitigate risks and ensure a balanced credit portfolio.
3. **Fee-Based Income Growth:** In FY2023, CBI registered a year-on-year growth of 25.40% in fee-based income.

This growth was driven by factors such as PSLC sales, recoveries, and other miscellaneous income. Your Bank expects fee-based income and service charges to remain steady, indicating its focus on diversifying revenue streams.

4. **Restructured Book Management:** CBI maintains stability in its restructured book and has a strong grip on MSME collections. This initiative involves actively managing and monitoring the restructured assets to ensure timely repayments and minimize credit risks.
5. **Cost-to-Income Ratio Optimization:** CBI aims to improve operational efficiency by targeting a cost-to-income ratio of below 50% in the next fiscal year. This initiative involves streamlining processes, optimizing resource allocation, and implementing cost-saving measures to enhance profitability.
6. **Reduction in Gross NPA:** CBI projects a reduction in gross non-performing assets (NPA) through planned initiatives. By actively managing and resolving stressed assets, your Bank aims to strengthen its balance sheet and improve overall asset quality.

Emerging Business

Co-Lending

During the fiscal year 2021-22, Central Bank of India (CBI) strategically implemented several initiatives to enhance its lending capabilities and support the growth of Retail, Agriculture, and MSME (RAM) sectors. These initiatives aimed to maximize your Bank's reach, improve access to credit, and foster economic development in line with the RBI guidelines.

Establishment of Emerging Business Vertical: Central Bank of India (CBI) has introduced a dedicated vertical, called Emerging Business, to strengthen its focus on advancing loans in the Retail, Agriculture, and MSME sectors (RAM), to facilitate the growth of advances in these key sectors through multiple avenues, including co-lending, pool buyout, and trade receivables discounting of MSME units on the TReDS platform. By leveraging these mechanisms, CBI aims to bolster its presence in the RAM sectors and effectively address the diverse financing needs of its customers.

Co-Lending Partnerships: In line with RBI guidelines and to bolster lending activities in the Retail, MSME, and Agriculture segments under the Priority Sector, CBI forged strategic co-lending partnerships with seven leading Non-Banking Financial Companies (NBFCs) and Housing Finance Companies (HFCs) in the country. These partnerships enable CBI to extend credit to a wider range of borrowers and leverage the expertise of these specialized entities. Through the co-lending model, your Bank aims to optimize resource utilization, enhance risk management, and ensure the availability of credit to deserving borrowers in priority

sectors. During the fiscal year 2022-23, Central Bank of India expanded its co-lending partnerships by collaborating with seven leading NBFCs/HFCs in the country. This brought the total count of partnerships to 14 as of March 31, 2023. These partnerships aim to increase lending in the Retail, MSME, and Agriculture sectors, both within the priority sector and non-priority sector, in accordance with the guidelines provided by the Reserve Bank of India (RBI). These co-lending partnerships have enabled Central Bank of India to further support the development and expansion of Retail, MSME, and Agriculture sectors, contributing to the overall economic growth and fulfilling the bank's commitment to meeting the diverse financing needs of its customers.

The impact of these co-lending initiatives on advances growth during the fiscal year is as follows:

(₹ in crore)

Segment	Sanctions during 2023	Outstanding as on 31.03.2023
	Amount sanctioned	Amt. O/S as on 31.03.2022
RETAIL	3694.32	4383.71
MSME	198.63	1916.22
Agriculture	4.72	3.75
Total	5619.27	6303.67

The growth in advances during the year due to Pool Buyout is as under:

(₹ in crore)

Segment	Sanctions during 2023	Outstanding as on 31.03.2023
	Amount sanctioned	Amt. O/S as on 31.03.2022
RETAIL	1500.00	3516.81
MSME	200	161.97
Total	1700	3678.78

These collaborative efforts have significantly contributed to the growth and diversification of CBI's loan book. By joining forces with established NBFCs and HFCs, your Bank has harnessed synergies, expanded its customer base, and improved access to credit for individuals and businesses operating in the RAM sectors.

Moving forward, CBI remains committed to further strengthening its collaboration with co-lending partners, exploring innovative lending models, and proactively supporting the financing needs of Retail, Agriculture, and MSME segments. These initiatives align with your Bank's strategic vision, regulatory obligations, and its continued dedication to fostering inclusive growth and financial empowerment.

Performance Highlights of TReDS Platform - As of March 31, 2023

The TReDS platform has demonstrated remarkable growth and achievements during the fiscal year 2022-23. The performance highlights are as follows:

- 1. Total Turnover:** The total turnover achieved for FY 2022-23 amounted to INR 6098.94 crore, showcasing a substantial increase compared to the turnover of INR1972.10 crore in FY 2021-22. This significant growth reflects the growing acceptance and adoption of the TReDS platform by corporates and public sector undertakings (PSUs).
- 2. Turnover by Category:** Out of the total turnover of INR 6098.94 crore, INR 3338.79 crore was generated through transactions in the corporate category, while INR 2760.15 crore was facilitated under the PSU category. These figures indicate the diverse participation and widespread utilization of the TReDS platform by both corporate entities and PSUs.
- 3. Total Outstanding:** As of March 31, 2022, the total outstanding amount on the TReDS platform stood at INR1205.03 crore. This reflects the ongoing business activity and the strength of the platform in facilitating trade receivables financing.

The performance of the TReDS platform underscores its effectiveness in enabling seamless transactions and providing much-needed liquidity to businesses. The substantial increase in turnover compared to the previous fiscal year demonstrates the growing confidence and reliance on this innovative platform for efficient management of trade receivables.

Credit Highlights

The total gross advances of the Bank increased to ₹ 217,779 crore as of March 31, 2023, representing a growth of 14.79% compared to the previous year. During the financial year, fresh corporate credit of ₹ 42,579.24 crore was sanctioned. The Bank updated its loan policy and master circulars to improve asset quality and manage credit risks, ensuring more effective systems and controls and faster decision-making. Interest rates were rationalized to enhance the Bank's competitiveness in the market. All borrowal accounts were brought under the regulatory limits of the Large Exposure Framework. The Bank also sanctioned the Corporate Credit Guarantee Enhancement Line (CGECL) to eligible corporate accounts and invoked the regulatory framework of the One Time Restructuring (OTR) for eligible corporate accounts. The introduction of the Green Channel provided centralized access for corporate customers at the Central Office, streamlining their relationship with the Bank. The Bank realigned its portfolio with an increased exposure to AAA-rated borrowers and implemented a standard operating procedure for downgrades in external credit ratings. The

EBLR linked ROI product was extended for tenors ranging from more than 2 years up to 15 years. Internet banking services were made available to all corporate customers and other CC/OD account holders. Guidelines and SOPs were established to provide financial assistance for the enhancement of ethanol distillation projects. Additionally, the Bank revised NBG guidelines and takeover norms to facilitate the ease of obtaining fresh loans.

Credit Monitoring & Policy

Central Bank of India has established a dedicated vertical called Credit Monitoring & Policy, led by a General Manager, with the objective of improving the quality of its credit portfolio. The department is actively engaged in various activities to ensure effective credit monitoring and policy implementation. Some of the major activities undertaken by the department include:

- The credit monitoring activities of your Bank encompass several key practices and processes. This includes the establishment of Credit Monitoring Committees at controlling offices and large branches, conducting monthly meetings to discuss credit monitoring matters. Additionally, your Bank evaluates the exercise of delegated lending powers at different levels on a monthly basis. Root-cause analysis of Special Mention Accounts (SMA) is conducted to identify underlying issues and proactively address them. Your Bank also monitors the coverage and closure status under the Loan Review Mechanism. Ensuring the accuracy of inventory valuation and verification is done through the conduct of stock audits in borrowed CC/OD accounts ₹ 5 crore and above.
- Accounts are regularly reviewed and renewed to ensure timely updates and appropriate risk assessment. Periodic inspections of securities are conducted to validate their existence and market value. Your Bank verifies the completeness and enforceability of collateral documentation to ensure the perfection of securities. Early Warning Signals (EWS) of borrowal accounts are monitored through a dedicated portal to identify potential financial distress and facilitate early resolution. Upon observing EWS, accounts are red-flagged for further investigation, following RBI guidelines.
- Specialized Monitoring Agencies (ASM) are engaged to monitor the operations and transactions of large-value borrower accounts continuously. Credit Processing and Approval Centres (CPAC) are established in regional offices to empower branches in credit decisions and facilitate streamlined verification of pre-disbursal activities. A War Room at the Central Office is operated to monitor and follow up on all SMA accounts with exposure up to ₹1.00 crore, where as accounts above ₹ 1 crore are being monitored by Credit monitoring department itself. A system for quarterly review of loan

accounts, including listed companies, is implemented to monitor actual business performance.

- Timely submission of loan account details to Credit Information Companies and NeSL (Information Utility) is ensured, along with the submission of default reports and main reports of borrowal accounts to CRILC. Various regulatory returns and Management Information System (MIS) related to advances are also submitted on time. Your Bank actively monitors the registration of security interest with CERSAI. Lastly, credit-related policies are regularly updated in accordance with notifications from RBI and the Government of India. These practices collectively contribute to effective credit monitoring within the bank.

These activities undertaken by the Credit Monitoring & Policy vertical play a crucial role in enhancing credit quality, mitigating risks, and ensuring compliance with regulatory requirements.

PRIORITY SECTOR

In accordance with RBI directives, Central Bank of India (CBI) is mandated to allocate 40% of its Adjusted Net Bank Credit (ANBC) or an equivalent credit amount of off-balance sheet exposure, whichever is higher, to the Priority Sector. For FY2023, the Bank's Total Priority Sector Advances accounted for 54.48% of its ANBC, surpassing the regulatory norm of 40%. This highlights CBI's strong commitment to meeting the credit needs of priority sectors as identified by the RBI. By exceeding the mandated allocation, your Bank demonstrates its dedication to supporting economic growth, fostering financial inclusion, and addressing the specific needs of sectors such as agriculture, micro, small, and medium enterprises (MSMEs), education, housing, and more.

The performance of the Bank under various segments of priority sector as on 31.03.2023 is as under:

S I. No.	Particulars	Mar-20	Mar-21	Mar-22	Mar-23	Growth (%)

During the financial year 2022-23, Central Bank of India witnessed an increase in credit deployment under the priority sector, reaching ₹ 103,513.76 Crore. This represents a significant increase of ₹ 9,627.26 Crore compared to the previous year. In order to capitalize on the excess lending over Adjusted Net Bank Credit (ANBC) in the priority sector, your Bank engaged in sale transactions involving Priority Sector Lending Certificates (PSLCs). Your Bank successfully sold PSLCs worth ₹ 4,650.00 Crore under the Priority Sector, with ₹ 1,000 Crore under General PS, ₹ 2,950 Crore under Small and Marginal Farmers, and ₹ 700 Crore under Micro Enterprises. Furthermore, your Bank holds an outstanding Rural Infrastructure Development Fund (RIDF) amounting to ₹ 2,072.18 Crore under the Priority Sector, with ₹ 1,556.74 Crore specifically allocated to the Agriculture sector as of March 31, 2023. These initiatives and accomplishments reflect the bank's commitment to meeting priority sector lending targets and supporting crucial sectors of the economy.

(Amt in Rupee Crore)

Agriculture

In the fiscal year under consideration, the total Agriculture credit witnessed a significant increase of ₹ 3,474.95 crores, rising from ₹ 38,635.40 crores as of March 31, 2022, to ₹ 42,110.35 crores as of March 31, 2023. This growth demonstrates the bank's commitment to supporting the agricultural sector and meeting the financing needs of farmers. Moreover, the net percentage of agriculture credit to adjusted net bank credit (ANBC) stood at 21.98%, surpassing the stipulated target of 18% set by regulatory authorities. This achievement highlights the bank's dedication to fulfilling its priority sector lending obligations and contributing to the development of the agriculture industry.

Your Bank offers a range of schemes to cater to the diverse needs of the agricultural and allied sectors. These schemes include:

- **Cent Kisan Credit Card:** This scheme provides a single window credit facility for various agricultural expenses such as cultivation of crops, post-harvest expenses, marketing of produce, and working capital for farm asset maintenance.

 - **Cent PMFME Scheme:** Financial support is provided for setting up and modernizing Micro Food Processing Enterprises.
 - **Cent Cold Storage:** The scheme meets the financial needs of cold storage and warehouse units, with a maximum limit of ₹ 50.00 crores.
- Initiatives taken to accelerate the flow of credit to the Agriculture sector included various special credit campaigns. All rural and semi-urban branches organized monthly mega credit camps to promote and sanction new agricultural loans. Additionally, special credit camps were organized for SHGs bank linkage, facilitating access to credit for self-help groups. Your Bank also ensured crop insurance coverage for eligible farmers under the "Pradhan Mantri Fasal Bima Yojana" (PMFBY) by submitting the opt-in option for crop insurance coverage. Focus was given to investment credit and financing for self-help groups in the agricultural sector, with an emphasis on extending credit to small and marginal farmers. To enhance credit flow and increase coverage under social security schemes, village-level weekly camps were organized by all rural and semi-urban branches to create awareness among farmers. These efforts aimed to promote financial inclusion and support the growth of the agricultural sector.

Financial Inclusion (FI)

Central Bank of India is dedicated to promoting financial inclusion and empowering individuals from diverse backgrounds. Your Bank has implemented various initiatives to ensure equal access to financial services and support the overall well-being of its customers. The Cent Grah Laxmi Scheme specifically caters to women customers, allowing them to become property owners, thereby fostering economic independence and empowerment. In line with Sustainable Development Goals (SDGs), CBI has established Financial Literacy and Counselling Centres (FLCC) to provide comprehensive financial education and guidance to individuals, aiming to achieve greater financial inclusion. Additionally, your Bank recognizes the valuable contributions of retired personnel and has brought them on board as consultants, leveraging their experience and knowledge for the benefit of customers. CBI celebrates "Samman Divas" to honour senior citizens and retired bank employees, acknowledging their significant contributions to your Bank's growth. To cater to the needs of children, your Bank has introduced the Cent yuva product, which provides insurance coverage under the Pradhan Mantri Jeevan Jyoti Bima Yojana, with your Bank bearing the premium cost. CBI also prioritizes the well-being of its employees by offering regular health check-ups under the staff welfare scheme. Moreover, in alignment with the National Apprenticeship Promotion Scheme (NAPS) initiated by the Government of India, CBI has appointed more than 17% of its total

workforce as apprentices, fostering skill development and creating opportunities for young individuals to gain valuable work experience. Through these initiatives, CBI remains committed to promoting financial inclusivity, recognizing the contributions of various stakeholders, and nurturing the overall welfare of its customers and employees.

Central Bank of India has extended its banking services to 24,311 villages by deploying 13,142 Business Correspondent (BC) agents. This initiative aims to bring banking facilities to rural areas and promote financial inclusion. Additionally, your Bank has also opened 997 Urban Financial Inclusion centers, further expanding its reach to urban communities.

Your Bank has witnessed a substantial number of transactions during the reporting period, as follows:

Transactions in Financial Inclusion (FI) accounts opened through Business Correspondents (BCs) have shown a significant increase, from 563.35 lakh transactions in FY 2022-23 to 675.88 lakh transactions, representing a year-on-year growth of 19.97%. This growth reflects the rising utilization and adoption of FI accounts by customers, highlighting the effectiveness of the bank's efforts in expanding financial inclusion and providing accessible banking services to underserved communities.

The business conducted through Business Correspondents (BCs) witnessed a notable increase, with the value rising from ₹ 3285.77 Crores as of 31st March 2022 to ₹ 4001.86 Crores as of 31st March 2023. This represents a year-on-year growth

of 21.79%. The significant growth in business through BCs highlights the success of the bank's strategy in expanding its reach and delivering financial services to unbanked and underserved areas.

The number of accounts opened through Business Correspondents (BCs) experienced a growth of 9.54% year-on-year. The count of accounts increased from 150.09 Lacs on 31 March 2022 to 164.41 Lacs as of 31 March 2023. This increase reflects the bank's efforts in promoting financial inclusion and reaching out to the unbanked population through the BC model. By leveraging the services of BCs, Central Bank of India has been successful in expanding its customer base and providing access to banking services to a larger segment of the population.

Under the **Pradhan Mantri Jan Dhan Yojana (FI-PMJDY)** initiative during the fiscal year 2022-23, Central Bank of India achieved significant milestones. The major achievements are as follows:

1. Business through Business Correspondent (BC) outlets witnessed a substantial growth of 21.79%. The business volume increased from ₹ 3285.77 Crores to ₹ 4001.86 Crores. This growth reflects the effectiveness of the BC model in expanding the bank's reach and providing financial services to underserved areas and populations.
2. The total Financial Inclusion (FI) business recorded a growth of 18.62%. The business volume increased from ₹ 5641.06 Crores to ₹ 6691.59 Crores. This growth demonstrates the bank's commitment to promoting financial inclusion and catering to the diverse banking needs of individuals and communities.
3. The percentage of Aadhaar seeding in PMJDY (Pradhan Mantri Jan Dhan Yojana) accounts witnessed a positive trend. It increased to 88.59% from 86.24% in PMJDY accounts and improved to 94.96% from 93.15% in all operative PMJDY accounts. Aadhaar seeding plays a crucial role in enhancing the efficiency and effectiveness of financial inclusion by enabling seamless transactions and identification verification.

Performance under Lead Bank

As the Lead Bank, Central Bank of India holds the responsibility in 53 districts across eight states, namely Madhya Pradesh, Bihar, Maharashtra, Uttar Pradesh, West Bengal, Rajasthan, Chhattisgarh, and Sikkim. These districts account for approximately 25% of our branches. To ensure the effective implementation of the Lead Bank Scheme, our Lead District Managers' offices have been equipped with adequate staffing, infrastructure, and resources, including independent premises, vehicles, computers, printers, telephones, internet connections, and email IDs. In an effort to raise awareness about our bank's products among the public, particularly in rural areas, we have displayed information on products such as Kisan Credit Card, Central Artisan Credit Card, Swabhiman, and Aadhaar on the vehicles provided to our Lead District Managers.

We actively engage in various developmental activities, including the full implementation of Financial Literacy and Financial Inclusion Programmes, training unemployed rural youth through RSETIs (Rural Self Employment Training Institutes), and promoting the formation of Self Help Groups (SHGs) and farmers' groups. These initiatives demonstrate our commitment to driving development and financial inclusion in the regions where we hold the Lead Bank responsibility.

Financial Literacy and Credit Counselling Centre (FLCC)

Central Bank of India has established 48 Financial Literacy and Credit Counselling Centres (FLCCs) in seven states, including Madhya Pradesh, Bihar, Maharashtra, Uttar Pradesh, West Bengal, Rajasthan, and Chhattisgarh. Additionally, we have set up four FLCCs at the block level in Kerala and five CFLs at the block level in Darbhanga District, Bihar. These centres serve as platforms for mass campaigns

and individual counseling sessions, enabling us to reach and educate a wide range of individuals. To enhance our outreach efforts, we have equipped the FLCCs with vehicles fitted with Public Address Systems and LCD screens to display information about various banking products and schemes. This enables us to create awareness among the masses and provide them with opportunities to uplift their economic status and improve their standard of living. Furthermore, we provide literacy materials, kits, books, and other resources during counselling sessions and village visits, ensuring that individuals have access to the necessary information and support to make informed financial decisions.

Rural Self Employment Training Institutes (RSETIs)

Central Bank of India has established 46 Rural Self Employment Training Institutes (RSETIs) in nine states across the country, including Madhya Pradesh, Bihar, Maharashtra, Uttar Pradesh, West Bengal, Chhattisgarh, Rajasthan, Orissa, and Assam. These RSETIs play a crucial role in providing skill development and entrepreneurial training to individuals from rural areas. During the fiscal year 2022-23, the RSETIs conducted a total of 960 training programs, successfully imparting training to 27,428 candidates. Out of these candidates, a significant number of 21,036 individuals, accounting for 77% of the trainees, were able to secure employment or establish their own ventures with the support of bank credit, wage settlement, or self-financing options. Moreover, the credit linkage for the settled candidates reached a commendable figure of 12,045, representing 57% of the individuals who received training. This achievement highlights the effectiveness of our efforts in promoting self-employment and fostering financial independence among individuals in rural communities. Through our RSETIs, we remain committed to empowering aspiring entrepreneurs with the necessary skills and resources to succeed in their chosen ventures, contributing to the overall socio-economic development of the regions we serve.

Central Bank of India has taken additional initiatives to support and streamline the operations of its Rural Self Employment Training Institutes (RSETIs) and Financial Literacy and Credit Counselling Centres (FLCCs). To ensure effective management and oversight of these institutions, your Bank has established a dedicated society/trust called "Central Bank of India Samajik Utthan Avam Prashikshan Sansthan" (CBI-SUAPS). This society/trust serves as the controlling body, responsible for supervising the functioning and activities of the RSETIs and FLCCs.

Furthermore, your Bank has set up a Governing Council at the apex level to provide overall guidance and supervision. The council comprises the Managing Director and CEO of your Bank as the Patron, the Executive Director as the President, and General Managers as members. This council

plays a vital role in ensuring the effective management and coordination of the RSETIs and FLCCs, fostering their growth and success.

MSME Department

MSME Central Bank of India has shown remarkable performance in the Micro, Small, and Medium Enterprises (MSME) sector, underscoring your Bank's commitment to supporting the growth and development of these crucial businesses. The following highlights and initiatives demonstrate your Bank's proactive approach in addressing the financing needs of MSMEs and driving their success.

Performance Highlights: Your Bank's dedication to microcredit is evident in the impressive 58.68% share of Microcredit to MSE (Micro and Small Enterprises) without considering Priority Sector Lending Certificates (PSLC). This demonstrates your Bank's focus on serving the needs of microenterprises, which form a significant part of the MSME segment.

Central Bank of India has achieved a notable year-on-year growth rate of 28.75% under the Micro category, showcasing its commitment to supporting the growth and expansion of microenterprises. This growth signifies your Bank's effective lending strategies and initiatives tailored to the specific requirements of microenterprises.

Under the Pradhan Mantri Mudra Yojana (PMMY), your Bank has achieved a commendable accomplishment of 73.39% of the target set by the Department of Financial Services, Ministry of Finance, Government of India. While the disbursement target was set at ₹6,350 crore, Central Bank of India achieved disbursements amounting to ₹4,660.24 crore as of March 2023. This achievement reflects your Bank's proactive efforts in providing accessible and affordable credit to micro and small businesses.

Initiatives: Central Bank of India has implemented various initiatives to further support the MSME sector and enhance their access to financial services. Your Bank extended the Emergency Credit Line Guarantee Scheme (ECLGS), providing much-needed financial assistance to MSMEs during challenging times.

To facilitate seamless fiscal management for businesses, your Bank introduced the Cent GST scheme, which is based on GST return data. This initiative allows businesses to leverage their GST records to access tailored financial solutions, streamlining their financial operations and enhancing their growth prospects.

Central Bank of India has established partnerships with Corporate Direct Selling Agents (DSA) to generate new MSME business. These collaborations enable your Bank to

leverage corporate networks and reach a wider audience of potential MSME borrowers, fostering business growth and expansion.

Way Forward: Looking ahead, Central Bank of India has outlined a clear roadmap to further strengthen its support to the MSME sector. Your Bank aims to provide cluster-based finance through customized products, recognizing the unique needs and challenges faced by specific MSME clusters. This approach ensures targeted financial solutions that align with the requirements of different industries and geographic concentrations. To enhance lead generation and expand its reach, Central Bank of India plans to collaborate with Fintech companies. These partnerships will leverage technological advancements to identify potential MSME borrowers and streamline the loan application process, facilitating quicker access to credit for businesses.

Recognizing the significant potential in the Hotels and Tourism industry, your Bank is developing a new scheme specifically designed to cater to the financial requirements of this sector. This initiative aims to unlock the growth potential of businesses operating in the tourism ecosystem, contributing to the overall development of the sector. Central Bank of India is actively working towards launching a platform for Supply Chain Finance, which will provide an integrated and efficient solution for financing the supply chains of MSMEs. This platform will enhance operational efficiency and strengthen the financial ecosystem for MSMEs, enabling smoother and faster transactions.

Your Bank is committed to digitalization and automation of loan processing, streamlining the lending process for MSMEs. By leveraging technology, Central Bank of India aims to improve operational efficiency, reduce processing time, and provide a seamless experience for MSME borrowers. Through these initiatives and future plans, Central Bank of India remains dedicated to empowering and supporting the growth of MSMEs, facilitating their vital role in driving economic development and creating employment opportunities.

Retail Credit

The retail sector has been a significant contributor to the growth of Central Bank of India, demonstrating robust performance in the analysed period. Your Bank aims to empower individuals and fulfil the aspirations of retail customers across various segments by offering a wide range of retail lending products and services. From March 2022 to March 2023, the retail sector witnessed a remarkable year-on-year growth rate of 20.10%, with the total retail advances increasing from ₹52,226 crore to ₹62,726 crore. This substantial growth highlights your Bank's success in capturing market opportunities and meeting the evolving needs of retail customers.

Central Bank of India continues to focus on the retail sector's growth, leveraging its strong market position, customer-centric approach, and technological advancements. By offering innovative products and services, strengthening customer relationships, and maintaining prudent credit risk management practices, your Bank aims to sustain its growth momentum in the retail sector while ensuring optimal asset quality and profitability.

In March 2022, your Bank sanctioned loans to 201,616 retail accounts, amounting to ₹11,579 crore. By March 2023, the number of sanctioned accounts increased to 224,769, with a total amount of ₹19,730 crore. This represents a significant year-on-year growth of 11.48% in the number of accounts and 70.39% in the sanctioned loan amount. Furthermore, the outstanding balance in the retail sector increased from ₹52,226 crore in March 2022 to ₹62,726 crore in March 2023, indicating a growth rate of 20.10% year-on-year.

Within the retail sector, housing loans constituted a major portion, amounting to ₹38,793 crore, highlighting your

Bank's active participation in providing financial support for home ownership. Auto loans, with a total value of ₹3,248 crore, demonstrate efforts to facilitate vehicle ownership, while personal loans, totalling ₹3,644 crore, play a crucial role in meeting individual financial needs. Education loans, amounting to ₹3,625 crore, underline your Bank's commitment to supporting the educational aspirations of students and their families. The retail segment also includes other retail loans, totalling ₹13,416 crore, catering to diverse needs such as consumer durables, lifestyle expenses, and small-ticket personal financing.

Central Bank of India has achieved notable accolades, including being recognized as the Best Performer for the PMAY(U)-CLSS scheme by HUDCO for two consecutive years. Your Bank's focus on cross-selling and upselling to existing customers has resulted in a significant increase in retail loans sanctioned and disbursed amounts. The retail portfolio experienced a year-on-year growth of 21.78%, surpassing education loan targets with a 100% achievement rate. Launching the "Pre-Approved Personal Loan" (PAPL) digital lending module has streamlined the process of providing personal loans to existing customers. Leveraging the Account Aggregator platform, your Bank successfully generated retail lending business. Strengthening intermediaries such as DSAs has played a vital role in generating leads for mortgage-based retail loans. The utilization of digital lending platforms and data mining techniques has further enhanced business generation. Through strategic tie-up arrangements with M/s TATA Motors and M/s Maruti Suzuki Ltd., your Bank facilitated financing for a significant number of four-wheelers. Special campaigns conducted on occasions resulted in substantial business growth and exclusive benefits for customers. Your Bank has also reviewed and improved various retail lending schemes, making them more appealing, competitive, and customer-friendly.

These initiatives highlight Central Bank of India's commitment to the retail sector's growth and its dedication to providing exceptional service and customer-centric solutions. By adapting to the changing ecosystem, leveraging technology, and maintaining a robust risk management framework, your Bank aims to ensure sustainable growth, profitability, and customer satisfaction in the retail lending segment.

WAY FORWARD:

Looking ahead, Central Bank of India has a positive outlook for the growth of retail advances in the current fiscal year, FY 2023-24. The department is committed to closely monitoring customer demand and reviewing products to align them with market trends and customer requirements. Embracing the digital lending space is a key focus to meet the expectations of the Nextgen customers. Several initiatives have already been initiated to ensure the bank's retail loan portfolio grows in line with anticipated market growth and peer banks.

- Existing retail loan products are continuously revisited to enhance their attractiveness and align them with potential borrowers' requirements. Your Bank aims to reduce costs and offer competitive rates of interest, matching the products offered by peer banks.

- The scope of the Pre-Approved Personal Loan, initially available only for ETB customers maintaining a salary account, will be expanded to cater to other customers as well.
- Your Bank will prioritize vehicle loans and further leverage tie-up arrangements with companies such as M/s TATA Motors and M/s Maruti Suzuki Ltd. It also intends to enter into partnerships with other companies such as Honda, Mercedes Benz, and Hyundai Motors.
- Building on the successful utilization of customer databases in FY 2022-23, your Bank will extensively leverage its existing data mining capabilities to generate business through analytical and behavioral models.
- Data analytics reports will be analyzed to identify opportunities for cross-selling and upselling, with leads communicated through platforms such as WhatsApp, SMS, and the call centre. Your Bank aims to promote various retail products to customers.
- Digital marketing strategies will be explored to leverage the extensive digital footprint of customers and enhance the visibility of the bank's retail products through digital portals.
- In FY 2023-24, your Bank plans to establish specific tie-up arrangements with reputed builders such as Godrej and Piramal to capture housing loans directly through the builder network. Integration with these builders for end-to-end lead generation will also be considered.
- Your Bank will actively participate in exhibitions and programs organized by builder associations and aim to organize dedicated bank exhibitions in Tier II, Tier III, and Tier IV cities to promote home loan business.
- Strategic partnerships with major four-wheeler car manufacturers will be pursued to facilitate lending in the four-wheeler segment. Your Bank has already entered an MOU with M/s Maruti Suzuki Ltd and is in advanced discussions with other leading car manufacturing companies.
- Your Bank will initiate end-to-end integration with fintech companies, a step towards lending in the retail asset segment through digital platforms. An MOU with a leading fintech company in the four-wheeler segment for end-user lending is currently in progress.
- Aggressive efforts will be made to establish tie-ups for customized retail asset products with various state governments, central government departments, institutions, , among others, specifically targeting lending to employees of these institutions.

Through these strategic initiatives, Central Bank of India aims to sustain its growth momentum, expand its retail loan portfolio, and provide tailored solutions to meet the diverse needs of its retail customers.

International Division

Foreign exchange business at Central Bank of India is conducted through 64 Authorized Dealer ('B' category) Branches nationwide, along with an Integrated Treasury Branch in Mumbai serving as an 'A' Category Branch. To ensure operational efficiency, your Bank maintains a centralized Dealing room in Mumbai for effective funds management and operational convenience. Additionally, a centralized SWIFT cell operates in the Integrated Treasury Branch, Mumbai, to ensure compliance.

Your Bank offers a comprehensive range of trade finance products and services to its exporter and importer customers. The International Division at the Integrated Treasury Branch facilitates foreign inward remittances to India, enabling direct credit of up to USD 10,000 to savings account holders. Various exporters' meets were conducted across India to enhance awareness about the bank's facilities and products among exporters. In FY 2022-23, special campaigns were arranged for NRIs, especially during festive occasions.

Central Bank of India also deploys foreign currency funds through interbank placements with the foreign branches of various scheduled commercial banks. As of March 31, 2023, your Bank has deployed foreign currency funds equivalent to ₹ 16,426 Crore through such placements.

The Export Credit portfolio of your Bank stood at ₹4,176 Crore as of March 31, 2023, compared to ₹4,389 Crore as of March 31, 2022, representing a decrease of 4.85% over the previous year. Merchant trade foreign exchange turnover during FY 2022-23 amounted to ₹52,661 Crore, reflecting a significant increase of 51.70% compared to ₹34,715 Crore in FY 2021-22.

As of March 31, 2023, NRE Deposits in your Bank amounted to ₹5,275 Crore, a decrease of 3.18% from ₹5,448 Crore as of March 31, 2022. FCNR Deposits as of March 31, 2023, stood at USD 226.02 million, with no major change compared to USD 226.24 million as of March 31, 2022.

Treasury, Funds and Investment

The composition of the investment portfolio of the Bank is as under:

(₹ in Crores)			
S. no	Composition	31.03.2023	31.03.2022
1	SLR	103203.62	105841.66
2	Non – SLR	39449.27	40917.60
TOTAL		142652.89	146759.26

To manage the impact of the rising interest rate scenario, Central Bank of India has maintained its investment portfolio

at ₹142,653 crore as of March 31, 2023, which includes Non-SLR and Non-Transferable Govt. of India Recapitalization bonds worth ₹19,580 crore. This reflects a slight decrease compared to ₹146,759 crore as of March 31, 2022.

The year saw a significant increase in CPI inflation, reaching 7.79% in April 2022, driven by higher food and commodity prices as well as disruptions in the global supply chain. Throughout the year, inflation remained above the Reserve Bank of India's (RBI) upper tolerance level of 6%.

In response to the inflationary pressures, the RBI implemented a series of key policy rate hikes, totaling 250 basis points since May 2022. The Introduction of the Standing Deposit Facility (SDF) at a rate 40 basis points higher than the fixed rate reverse repo resulting into effective rate hike of 290 basis points since April of the previous year.

As a result of these developments, government security (Gsec) yields increased across the curve, with the 10-year benchmark reaching a peak level of 7.69% in June 2022, compared to the closing level of 6.84% on March 31, 2022. These adjustments reflect the bank's efforts to manage its investment portfolio and navigate the challenging interest rate environment.

Snapshot of Treasury Income (₹ in Crores)

Particulars	FY2021 - 22	FY 2022 - 23
Profit on Sale of Investment	491	273
Profit on Exchange Transaction	199	303
Dividend Income	8	8
Profit/Loss on Revaluation on Investment	(277)	2
Treasury Income	421	586

Due to the hardening of yield, with the ten-year benchmark yield closing at 7.31% as of March 31, 2023, compared to 6.84% on March 31, 2022, the Treasury Profit of Central Bank of India decreased from ₹491 crores to ₹273 crores. However, Treasury Income increased from ₹421 crores to ₹586 crores. The yield on investment (excluding trading profit) remained relatively stable, with a marginal change from 6.27% in 2021-22 to 6.26% in 2022-23.

To minimize the impact of the yield hardening, your Bank successfully reduced the Modified Duration and PV01 (₹ in crores) of the Available-for-Sale (AFS) portfolio. As of March 2023, the Modified Duration and PV01 stood at 1.53 and 4.40 respectively, compared to 1.62 and 6.38 as of March 2022. This reduction was achieved by increasing investments in Fixed Rate Bonds (FRB), Treasury Bills (T-Bill),

and hedging of the AFS portfolio.

Furthermore, Bank shifted Central and State Government securities worth ₹15,037 crore from Held-to-Maturity (HTM) to AFS, and ₹14,913 crore from AFS to HTM during the fiscal year 2022-23. This strategic adjustment allowed for better portfolio management and alignment with regulatory requirements.

Risk Management

Risk Management System/Organizational Set Up

Risk Management systems are now well established in the Bank. The Risk Management Committee of the Board of Directors regularly oversees the Bank's Risk Management policies/practices under Credit, Market and Operational risks & Pillar II risks. The Committee reviews the policies and procedures for pricing of products and assesses the risk models so as to remain in sync with the market developments and also identifies and controls new risks. The committee also regularly monitors compliance of various risk parameters by the concerned departments at the corporate level.

Risk Management Structure

At The operational level, various Committees such as Asset Liability Management Committee (ALCO) for Market Risk, Credit Risk Management Committee (CRMC) for Credit Risk and Operational Risk Management Committee (ORMC) for Operational Risk have been constituted comprising of members from the top management team. These Committees meet at regular intervals throughout the year to assess and monitor the level of risk under various Bank operations and initiate appropriate mitigation measures wherever necessary.

The Bank has identified officers in the rank of Chief Manager/Senior Managers/Managers to act as 'Risk Managers' at all the Regional/Zonal Offices. The Risk Managers act as the 'Extended Arms' of the Risk Management Department of the Central Office at the Zonal Level. The Bank has also identified officers at the senior level in various functional departments of Central Office to act as 'Nodal Officer' to look into various aspect of control & management of risk in the Bank.

Bank has a well-documented Integrated Risk Management Policy.

Market Risk Management

The Mid Office plays a crucial role in the Central Bank of India by conducting regular reviews of the market position, funding patterns, and ensuring compliance with exposure limits, duration limits, counterparty limits, and other sensitive parameters. These reviews provide valuable insights and are presented to the top management at regular intervals.

To effectively manage risk, your Bank utilizes tools such as

Value-at-Risk (VaR) and Duration gap analysis. These tools are employed on an ongoing basis to measure and mitigate potential risks to the bank's profitability in the short term and equity value in the long term.

In line with Basel III guidelines for Market Risk, your Bank has developed a model to estimate the capital charge on the trading portfolio. This model is continuously implemented to comply with regulatory requirements and effectively manage market risk.

To ensure comprehensive risk management, your Bank has a board-approved Market Risk Management Policy in place. This policy serves as a framework to monitor and control market risk within the bank's portfolio. Counterparty limits for treasury operations are regularly reviewed and adjusted as necessary.

The Asset & Liability Committee, chaired by the MD & CEO, is responsible for overseeing the developments in market risk. This committee monitors and assesses the bank's exposure to market risk and takes necessary actions to mitigate potential risks.

Credit Risk Management

The Central Bank of India has implemented a comprehensive Rating Model for assessing the creditworthiness of borrowers across various sectors such as large corporates, infrastructure, NBFCs, SMEs, and agriculture. These rating models play a crucial role in evaluating the credit risk associated with each borrower and ensuring prudent lending practices.

In addition to the rating models for corporate borrowers, your Bank has also developed Rating Models, known as scorecards, specifically designed for grading retail loans. These models enable your Bank to assess the creditworthiness of individual retail borrowers and determine appropriate risk ratings for their loans.

The Credit Risk Management Committee, led by the MD & CEO, oversees and monitors the developments in credit risk management within the bank. This committee plays a key role in setting policies, reviewing credit risk management practices, and making informed decisions to mitigate credit risk exposure.

Furthermore, your Bank has successfully implemented advanced approaches for capital computation using a SAS solution. This implementation enables your Bank to enhance its capital adequacy calculations and align with regulatory requirements, ensuring robust risk management practices.

Operational Risk Management

The Central Bank of India has implemented a robust

Operational Risk Management framework guided by a Board-approved Operational Risk Management Policy. This policy ensures that your Bank has a comprehensive system in place to manage and measure operational risks aligned with its risk profile and risk appetite.

The Operational Risk Management Committee (ORMC) oversees the implementation of the Operational Risk Management framework and ensures its regular monitoring. The committee reviews and approves the methodologies and tools used for operational risk assessment, including risk identification, assessment, and reporting methods. It also analyzes frauds, near misses, non-compliance events, breaches, and systemic improvements, presenting suitable controls and mitigations for managing operational risks.

To mitigate risks associated with new products, processes, or activities, your Bank has established a New Product Approval Policy Framework. This framework provides guidelines for evaluating and managing the risks associated with introducing new products or activities, ensuring prudent risk management practices.

Your Bank has also developed a Business Continuity Plan to ensure the uninterrupted delivery of products and services in the event of disruptions. This plan outlines the operating procedures and predefined capacities to respond to and recover from disruptions, aligning with the bank's business continuity objectives.

In terms of data collection and reporting, your Bank has implemented an Incident Management Module (IMM) under the Integrated Risk Management Solution (IRMS) for the collection of loss event data and near miss events related to operational risk. This allows your Bank to track and analyze operational risk incidents for proactive risk management.

The Operational Risk Management Committee, led by the MD & CEO, plays a vital role in overseeing the developments in operational risk management. The committee ensures that the bank's operational risk management practices are effective, aligned with regulatory requirements, and support the bank's overall risk management objectives.

Capital Planning

Bank has a robust ICAAP (Internal Capital Adequacy Assessment Process) policy in place. Bank has framed its risk appetite framework and intends to maintain capital ratios over and above the minimum requirements as per Basel III norms. Review of the capital vis a vis the estimates are undertaken on a quarterly basis.

Asset & Liability Management systems (ALM)

The Asset and Liability Management (ALM) function in the

Central Bank of India plays a crucial role in measuring and managing the liquidity and interest rate risk of the bank. The primary objective of ALM is to maximize profitability while ensuring effective risk management.

The Asset and Liability Committee (ALCO) meets regularly to review the bank's liquidity position and other market-related matters. During the fiscal year 2022-23, the ALCO convened 17 times to assess and monitor the bank's liquidity and interest rate risk profile.

In addition to regulatory reporting, the ALM function is responsible for determining interest rates on deposits, as well as fixing the base rate, Marginal Cost of Funds Based Lending Rate (MCLR), Repo Rate Linked Rate (RBLR), and External Benchmark Linked Rate (EBLR). Throughout the year 2022-23, your Bank made revisions in deposit interest rates, base rate, RBLR, EBLR, and MCLR multiple times to align with market dynamics.

Your Bank adheres to the Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR) guidelines set by the Reserve Bank of India (RBI). The LCR, which measures the bank's ability to meet short-term liquidity requirements, remained above the threshold limit of 100% for the fiscal year 2022-23, with an average LCR of 302.34%. Similarly, the NSFR, which assesses the long-term stability of the bank's funding sources, also remained above the minimum requirement of 100%, with an NSFR of 161.50% as of March 31, 2023.

The Asset and Liability Committee, headed by the MD & CEO, is responsible for overseeing the developments in managing liquidity and interest rate risk. The committee ensures that your Bank maintains an optimal balance between profitability and risk management, while complying with regulatory guidelines and maintaining a strong liquidity position.

Implementation of Basel III guidelines

The Central Bank of India has implemented the New Capital Adequacy Framework as per the guidelines issued by the Reserve Bank of India (RBI) in July 2015. Your Bank has adopted Basel III norms and follows the Standardized Approach for Credit Risk, Basic Indicator Approach for Operational Risk, and Standardized Duration method for Market Risk to determine its capital adequacy.

To ensure effective risk management, your Bank has established various policies such as the Credit Risk Management Policy, Operational Risk Management Policy, Market Risk Management Policy, Credit Risk Mitigation Policy, Collateral Management Policy, Asset and Liability Management Policy, Model Risk Policy, Model Validation Policy, Credit Review Policy, Intragroup Transactions and Exposures Policy, Integrated Risk Management Policy,

Business Continuity Planning (BCP) Policy, and Internal Capital Adequacy Assessment Process (ICAAP). These policies have been duly approved by the board and provide a comprehensive framework for managing different types of risks.

Sam and Recovery

The Bank has implemented a well-defined Recovery Policy to effectively manage non-performing assets (NPAs). This policy encompasses various aspects, including monitoring NPAs, implementing follow-up measures, exploring compromise settlements, adhering to the SARFAESI Act, appointing enforcement agencies, allocating portfolios for recovery, facilitating the sale of assets to ARCs through the Swiss Challenge Method, and addressing cases of willful default.

During the financial year 2022-23, the Bank achieved notable success in NPA recovery and upgradation.

	31-03-2023	31-03-2022]
Cash Recovery	4213	3617]
Upgradation	658	1337]
Gross NPA	18386	28156]
Net NPA	3592	6675]
Gross NPA%	8.44	14.84]
Net NPA%	1.77	3.97]

To further aid NPA resolution, the Bank implemented two One Time Settlement (OTS) Schemes. The Special OTS Scheme was applicable to NPAs/OD in SB & CD (DA3/Loss) with customer exposure up to ₹2.00 lakh as of March 31, 2022, and to all accounts classified as NPA as of the same date, including PWO/TWO accounts with customer exposure up to ₹10 crore. Additionally, an OTS Scheme under the Net Present Value (NPV) Approach was introduced for all NPA accounts, regardless of security. Under these schemes, proposals amounting to ₹2915 Crore were settled for ₹2129 Crore during FY 2022-23.

The Bank also successfully sold 4 NPA accounts to ARCs through the Swiss Challenge Method on a 100% cash basis, resulting in a cash recovery of ₹165 Crore and reducing the NPAs by ₹314 Crore. Moreover, 97 accounts were declared as willful defaulters, and under the SARFAESI Act, the Bank conducted auctions for 1373 properties, selling 191 properties and generating ₹367.22 Crores.

The Bank signed Inter-Creditor Agreements (ICA) in 21 accounts with a total outstanding amount of ₹6525.60 Crore as of March 31, 2023. The Bank has set aside a total provision of ₹4963.56 Crore for these accounts.

Furthermore, the Bank approved and implemented resolution plans in 10 accounts in compliance with the RBI circular dated 07.06.2019. These accounts had an outstanding amount of ₹1930.09 crore as of March 31, 2023. The Bank has made a total provision of ₹686.05 crore for these accounts.

To strengthen NPA resolution efforts, the Bank signed Inter-Creditor Agreements (ICA) for accounts with banking exposure of ₹1500 Crore and above, following RBI guidelines. Resolution Plans were duly approved and implemented in compliance with the RBI circular dated 07.06.2019. The Bank maintained close daily monitoring of NPAs and conducted regular reviews of legal actions and SARFAESI-based recovery initiatives. Additionally, as the sponsor bank for two Regional Rural Banks (RRBs), Central Bank of India ensures that the RRBs benefit from technological advancements and core banking functionalities.

For comprehensive fund management and payment monitoring, your Bank has implemented the Digi Funds Management Solution. Furthermore, the existing Data Warehouse Solution is being upgraded to a best-in-class solution that can handle data growth and meet your Bank's MIS/analytical requirements effectively.

Under its business strategy, Central Bank of India is undertaking a major initiative known as "Digital Transformation." This initiative aims to seamlessly transition traditional business models into digital ones through a Universal App that offers comprehensive products and services such as deposits, advances, payments, and wealth management. Your Bank is in the process of procuring a Digital Banking Platform, Digital Lending Platform, and revamping its customer care and insurance platforms to support these digital services. As an initial step, your Bank has introduced Customer on-boarding Journey through Video KYC, enhancing the onboarding experience for customers.

IT Governance

Central Bank of India recognizes the importance of effective IT governance and has established dedicated committees to ensure proper oversight and governance of IT activities. The Board has formed IT Strategy and Risk Management Committees, which play a crucial role in ensuring that robust IT governance practices are in place. These committees oversee the implementation of IT

strategies, evaluate IT risks, and provide guidance on IT-related matters.

To support your Bank in making informed IT decisions, an IT Steering Committee has been constituted. This committee comprises top executives from various business verticals, bringing together diverse perspectives and expertise. The IT Steering Committee assists your Bank in identifying and implementing appropriate IT initiatives that align with your Bank's objectives and business requirements.

The IT organizational structure of Central Bank of India is designed to meet the demands of its size, scale, and business activities. It encompasses key functional areas such as Technology and Development, IT Operations, IT Assurance, and Supply and Resource Management. Each functional vertical within the IT department is headed by experienced and trained senior officials who provide leadership and guidance.

The IT department is led by a top executive in the rank of General Manager, supported by Deputy General Managers and Assistant General Managers. This leadership team ensures effective management and execution of IT strategies, policies, and projects. They oversee the day-to-day operations of the IT department and drive the implementation of IT initiatives across the organization.

Marketing

The marketing department of our Bank has demonstrated exceptional performance and achieved remarkable milestones throughout the fiscal year. With a strategic focus on the Retail, MSME, and CASA segments, the department has successfully driven customer engagement and contributed to the Bank's growth and market presence. To enhance lead management and monitoring, a state-of-the-art Marketing Portal was developed, providing Marketing Officers, Branch Managers, and Admin offices with robust tools and capabilities. This user-friendly platform facilitated efficient tracking and optimization of leads, ensuring no opportunity was missed.

The efforts of our dedicated marketing team yielded impressive results, as they mobilized an impressive total of 11,690 leads, amounting to a substantial ₹ 6,193 crore during the fiscal year 2022-23. This exceptional achievement is a testament to their unwavering commitment and expertise in identifying and converting prospects into valuable business relationships. In fact, out of the total leads generated, an impressive 8,800 were successfully converted, resulting in a significant business value of ₹ 3,447 crore.

Furthermore, the introduction of the Missed Call Facility proved to be a valuable addition to our lead generation initiatives. Since its launch in July 2021, this service has garnered remarkable response, with 859 leads forwarded to branches. These promising leads amounted to ₹ 292 crore, and through meticulous follow-up and nurturing, 545 of them were successfully converted into tangible business, totaling ₹ 226 crore. Embracing the power of digital marketing, our marketing team launched impactful campaigns that resonated with our target audience. By leveraging various digital channels, they effectively reached and engaged prospective customers, further expanding our market reach and opening doors to new business opportunities.

Continuous learning and development were prioritized within the marketing department. Online training sessions were conducted to equip field functionaries, especially Marketing Officers, with the latest tools, techniques, and strategies. This investment in their professional growth not only enhanced their capabilities but also ensured they were well-equipped to meet the evolving needs of our customers and the market.

Acknowledging outstanding performance, your Bank celebrated the top 10 quarterly performers within the marketing team. Letters of Appreciation were issued to recognize their

exceptional contributions, and monetary incentives were provided to reward their hard work and dedication. Accurate and timely performance monitoring played a crucial role in guiding the marketing team’s efforts. Through informative slides and comprehensive data on missed calls, the team closely monitored daily performance and shared key metrics with Regional Offices and Marketing Officers. This real-time information facilitated prompt decision-making and enabled targeted actions to optimize performance.

Looking ahead, your Bank has set ambitious goals for the next fiscal year. A target of ₹ 4,500 crore has been established, building upon the remarkable achievements of the previous year. The marketing department is committed to surpassing this milestone and continuing to play a pivotal role in driving the Bank’s success and market leadership.

Digital Marketing Department

In today’s fast-paced and highly competitive business landscape, staying ahead of the competition is paramount. One key strategy that has proven to be a game-changer is digital marketing. With the ability to reach a vast audience and leverage the power of the internet, businesses can connect with customers such as never before. Unlike traditional advertising methods, digital marketing offers a cost-effective approach to reaching and engaging potential customers. The expenses associated with print ads, TV commercials, or billboards can be significantly higher compared to the more streamlined and targeted digital marketing campaigns. This cost efficiency allows businesses, regardless of their size, to allocate their marketing budget more effectively and achieve better ROI.

Digital marketing encompasses a range of strategies and tactics that are executed through electronic devices or the internet. It empowers businesses to connect with their target audience in many ways, including search engine optimization (SEO), social media marketing, email marketing, content marketing, and paid advertising, among others. By utilizing these digital channels, businesses can establish a strong online presence, engage with their customers, and drive conversions. One of the core advantages of digital marketing is its ability to track and measure the effectiveness of campaigns in real-time. Through analytics and data-driven insights, businesses can gain valuable information about their target audience’s preferences, behaviours, and engagement levels. This data-driven approach allows for continuous optimization and improvement, ensuring that marketing efforts are aligned with customer expectations and business goals.

There are various methods under the spectrum of digital marketing, which are as follows-

- Search Engine Optimization (SEO)
- Search Engine Marketing (SEM) & Pay-Per-Click (PPC)
- Social Media Marketing (SMM)
- Blogging
- Video Marketing
- Email Marketing
- Influencer Marketing , among others,

Digital Marketing and how it impacts the way businesses operate

- **Customer Connect** – Digital platforms has enabled easy and instant communication between the brand and the audience. It also helps to connect with the global audience.
- **Content Distribution** – Every day organization can share huge content with the audience via social media, emails, applications, newsletters and so on. This way organization can easily spread their message to a large audience.
- **Customer Information** – With the help of the technology, organization can track the data of the customers. The analysis of the data can help us to know customer likes and preferences. Based on which, we can make vital business decisions.
- **Encourage Innovations** – Digital marketing offers a platform to reach customers in an innovative way. When there is a stiff competition in the market, having an innovative approach helps brands to stand out.

The Corporate Communications Department is responsible for overseeing your Bank's initiatives in branding, product marketing, and corporate communications. The Department has made significant efforts to strengthen the branding process across the country and has established an effective framework for initiating branding activities.

In addition to traditional branding methods such as traffic barricades, no parking boards, police booths, wall paintings, buses, trains, local cable channels, and FM radio, the department has also ventured into digital marketing to promote various products and services through apps and websites.

The s team has conducted various major activities and sponsorship programs to promote the Bank's range of products and services, including home loans, vehicle loans, education loans, agriculture loans, MSME loans, and digital products. Different media channels such as print, electronic/digital/social media, outdoor media, and ATMs have been utilized for branding and promoting the Bank's offerings.

The department's focus is on constantly redefining and reinventing all branding efforts to ensure relevance and act as a catalyst for change, positioning your Bank as a dynamic and trusted brand. Throughout the year, numerous publicity activities were carried out nationwide to maximize visibility and create awareness of the Bank's products and services.

By engaging in strategic branding and publicity initiatives, the s Department aims to strengthen the Bank's market position, enhance its brand image, and build trust among its customers.

The Bank's marketing efforts encompass a wide range of sponsorships, advertising, and promotional activities, including:

Sponsorships:

- Sponsorship of various musical programs and cultural events
- Sponsorship of college festivals and sports tournaments
- Sponsorship of trade fairs and conferences
- Platinum sponsorship of the Subroto Cup football tournament
- Sponsorship of cancer screening and global music festivals

Advertising and Media:

- Advertising on prominent television channels and radio stations
- Print advertisements in newspapers and magazines
- Digital marketing campaigns on social media platforms
- Advertising in specialized publications and statistical data reports
- Promotion through jingles and banners at key locations

Community Engagement:

- Social awareness campaigns through street plays and murals
- Support for social causes and initiatives
- Celebrations of momentous events and anniversaries

Public Relation The Public Relation Department played a crucial role in maintaining effective communication and managing the Bank's image and reputation. Through these initiatives, the Public Relation Department played a vital role in fostering transparent communication, strengthening stakeholder relationships, and upholding the Bank's reputation and credibility in the industry. The department executed the following key activities:

Press Releases and Media Engagement: The department regularly issued press releases, ensuring that important updates and announcements from various departments were effectively communicated to the media and the public. It facilitated press meets and analyst meets during noteworthy events, such as the announcement of quarterly financial results, to provide insights and clarify queries.

Media Partnerships: To expand the reach of the Bank's messages, the Public Relation Department established

partnerships and licensing agreements with news channels, news agencies, and other media platforms. This enabled your Bank to disseminate information to a broader audience and enhance its visibility in the media landscape.

Corporate Social Responsibility

At our bank, Corporate Social Responsibility (CSR) is an integral part of our business philosophy. We believe in contributing to the economic development and improving the well-being of not only our workforce and their families but also the broader community and society. We are committed to making a positive impact through our CSR initiatives, focusing on various areas of social welfare.

Our CSR efforts primarily involve collaborating with trusted organizations and trusts dedicated to serving the underprivileged and marginalized sections of society. Through these partnerships, we channel our resources towards initiatives that promote education, healthcare, disaster relief, and overall social welfare.

We understand the importance of empowering individuals and communities to break the cycle of poverty and create a sustainable future. By supporting education programs, we aim to provide opportunities for underprivileged children to access quality education and build a brighter future. Additionally, we contribute to healthcare initiatives to improve the well-being and access to medical facilities for those in need.

In times of natural calamities, we extend our support to provide relief and assistance to affected communities, helping them recover and rebuild their lives. Furthermore, we are committed to addressing various social issues and contributing to the overall welfare of society through our CSR activities.

Through our CSR initiatives, we strive to make a meaningful difference, aligning our efforts with the needs and aspirations of the communities we serve. We remain dedicated to our responsibility of giving back to society and creating a positive impact on the lives of people in need.

Vigilance

During the Vigilance Awareness Week 2022, our bank diligently observed the directives received from the Central Vigilance Commission (CVC). The theme for this year's campaign was "Corruption-free India for a developed Nation." The week-long observance took place from October 31, 2022, to November 6, 2022.

The activities and initiatives undertaken during the Vigilance Awareness Week were focused on promoting integrity, transparency, and preventive measures. The following highlights summarize the various exercises and activities

Recruitment and Promotion

During the year 2022-23, the Bank conducted new recruitments to enhance its workforce. The following are the details of the new recruits:

- Specialist Officers:	The Bank hired 547 new Specialist Officers.
- Probationary Officers:	A total of 527 Probationary Officers were recruited.
- Appointment on Compassionate Grounds:	Additionally, the Bank appointed 85 Sub-staff and 137 Clerks on compassionate grounds, taking into consideration their personal circumstances.

In terms of promotions, the Bank conducted a comprehensive promotion process across all scales and disciplines during the year. This included inter-scale and inter-cadre promotions, enabling employees and officers to progress to higher cadres and scales. The promotion process resulted in 795 clerks being promoted to Scale-I officers and 2,779 officers being elevated to higher grades and scales. The Bank also considered transfer requests from 724 officers on a pan-India basis.

To meet the staffing requirements for the financial year 2022-23, the Bank initiated various recruitment processes. These include placing an indent for the recruitment of 2,100 Probationary Officers, 1,000 Clerical staff, and 358

Specialist Officers. In addition, the Bank began the lateral recruitment process for 50 Chief Managers and 200 Senior Managers in the Mainstream category. This initiative aims to bring in experienced professionals to fill key positions within the organization.

Furthermore, the Bank initiated recruitment processes for 136 Specialist Officers and 11 Mainstream Officers on a regular basis for the CENT-NEO Project, which is an important project the Bank is undertaking.

To support skill development and comply with the provisions of the Apprenticeship Act, 1961, and the Bank's approved apprenticeship policy, the Bank initiated the engagement of 5,000 apprentices pan-India. This initiative aims to provide training and opportunities for young individuals to gain practical experience in the banking sector.

Employee Benefits

Under the category of Employee Benefits, the Bank has implemented various schemes to ensure the well-being and satisfaction of its staff. Here is a summary of the key initiatives:

- Your Bank has prioritized the well-being of its employees by providing comprehensive medical facilities and insurance coverage. Medical facilities, including salaries for doctors and the cost of medicines, are available at Zonal Headquarters. Your Bank has renewed the Group Medical Insurance coverage for employees, along with the option of a Super Top-up facility. To address major ailment expenses, your Bank has implemented the Corporate Buffer scheme under the medical insurance program. Additionally, the Retirees' Group Health Insurance Policy has been renewed, ensuring continued coverage for retired employees.
- In terms of financial assistance and incentives, your Bank has taken various measures to support its employees. The relief amount for funeral expenses and ex gratia payments to the families of deceased employees has been enhanced. Canteen subsidy facilities for serving staff members have been increased, providing greater support for their daily needs. Financial assistance is available for employees who have children with special needs or disabilities. Your Bank also rewards employees whose children pass their 10th or 12th standard examinations with distinction. Furthermore, additional financial assistance is provided to pre-1986 retirees and their family pensioners. Incentives are also offered through performance-linked incentives (PLI) for all eligible employees, and bonus payments are made in accordance with the Payment of Bonus Act, 1965.
- Employee welfare and recreational activities are important aspects of the bank's initiatives. The Holiday Homes and Transit Homes have been upgraded,

ensuring improved quality of stay for employees. Your Bank has reintroduced the health check-up facility, allowing employees to undergo health check-ups at defined intervals. Funds have been allocated for conducting sports, cultural, and recreational activities for employees, promoting a healthy work-life balance. As a gesture of goodwill and appreciation, your Bank distributes sweets or dry-fruit packets to employees on festive occasions.

- Transfer policies and discussions with unions play a crucial role in maintaining a harmonious work environment. Joint discussions with unions have taken place regarding career paths, promotion policies, and transfer norms for officers. Your Bank has introduced a rent reimbursement facility for clerical staff and enhanced rent ceilings for officers to alleviate the financial burdens of securing suitable accommodation. Meetings with unions have also been held to finalize revised transfer norms and promotion policies for award staff employees.
- In response to natural disasters, your Bank has provided support to its employees affected by floods in the north-eastern regions. Through the Flood Relief Loan program, employees whose houses and household belongings have been damaged by floods receive financial assistance amounting to one month's gross salary, with a maximum limit of ₹1,00,000.

Overall, the bank's commitment to employee welfare and engagement is evident through its provision of medical facilities, insurance coverage, financial assistance, incentives, recreational activities, and support during challenging times. These initiatives reflect the bank's dedication to creating a conducive and supportive work environment for its employees.

Employee Development

The Bank has implemented various programs and initiatives to enhance performance management, learning and development, capacity building, and employee engagement. These comprehensive initiatives and programs reflect the bank's commitment to performance management, continuous learning and development, capacity building, employee engagement, and fostering a culture of growth and excellence within the organization. Here is a summary of these initiatives:

- Your Bank has implemented a Performance Management System (PMS) called the Central RISE Project for officers and clerks. This project includes various components such as role allocation, scorecards, and review utility in the PMS tool. Additionally, target setting has been completed for business metrics based on market growth data, and a manpower planning tool has been developed for the fiscal year 2023-24. Furthermore, a job family survey has been conducted specifically for officers.

- In terms of learning and development, your Bank has conducted training programs through its Officers' Training Colleges and CLDs (Centers for Learning and Development), covering a wide range of topics and job families. E-learning modules have been provided, offering a diverse selection of courses for employees. Moreover, your Bank has introduced video-based learning, where recorded training classes are accessible through the Cent Swadhyay App. The capacity utilization of training colleges and CLDs has reached an impressive 114.43%. As for staff training, 100% of officers and 71.39% of award staff have undergone training.
- Special training initiatives have been undertaken by your Bank to enhance leadership skills and professional development. These initiatives include programs conducted by reputable organizations such as McKinsey & Company, FSIB, IBA, IIM-A, IIM Indore, XLRI, ASCI, IIBF, and JBIMS. There has also been a focus on digital transformation training for IT officers and leadership training for women SMs (Senior Managers) and managers. Additionally, external training programs have been conducted in collaboration with institutions such as IIM, ASCI, NIBM, CAB, FEDAI, IIBF, CORDEX, SHRM, and FIMMDA.
- To further strengthen capacity building, your Bank has provided a provision for employees to choose their certifications, allowing them to pursue up to five certifications worth up to ₹60,000 in a fiscal year. Regional heads have been identified for the Advanced Management Program for Senior Bankers, conducted by NIBM (National Institute of Bank Management) and Kent Business School, U.K. Furthermore, certification exams have been conducted for auditors and CPAC (Credit Policy and Audit Cell) officers. Your Bank has also disseminated information through leaflets called "Information on the Run," which serve as a ready reckoner for employees.
- To enhance leadership skills and professional growth, your Bank has initiated a one-on-one executive coaching programme for regional heads and zonal heads, with sessions planned over a period of 6-9 months.
- Employee engagement and HRD (Human Resource Development) audit surveys have been conducted to evaluate the impact of HCM (Human Capital Management) policies and practices. These surveys have covered parameters such as HRD culture, employee engagement, performance management, learning and development, career development, and employee satisfaction. The results of these surveys will help identify areas of improvement and leverage strengths within the organization.
- A mentorship programme has been implemented for Scale VII and VI officers to facilitate knowledge transfer and continuous growth. Through this program, experienced officers mentor their colleagues, supporting their goals and skill development through one-on-one conversations and other learning activities.
- Your Bank has also introduced an internship policy approved by the Board of Directors, providing practical knowledge and stipend opportunities to candidates. Interns gain an overview of the banking industry and acquire practical experience in specific departments aligned with their educational specialization and preference.

Industrial Relations

Throughout the year, the industrial relations within your Bank remained harmonious and cooperative, fostering a positive and productive work environment.

Crisis Management Plan and Committee Formation:

To ensure preparedness for crisis situations, a Crisis Management Plan (CMP) was adopted by the bank. This plan, formulated by a working group consisting of representatives from public and private sector banks, outlines strategies for effectively managing industry-wide strikes lasting more than three days. As part of the CMP implementation, a Crisis Management Monitoring Committee comprising four General Managers was established at the Central Office.

Nodal Officers and Guidelines: To assess the impact of strikes, implement the Crisis Management framework, issue operational guidelines, establish a robust public information system, and coordinate with local authorities and police, your Bank appointed Assistant General Managers (Operations) at Zonal offices and Chief Managers (Operation) at Regional Offices as Nodal Officers. These Nodal Officers work under the guidance of the Crisis Management Monitoring Committee at the Central Office. Their role is to analyze the situation in their respective Zones/Regions, ensure the effective execution of the Crisis Management Plan, and minimize the impact of strikes on banking services.

Appointment of Nodal Officers: In addition to the Nodal Officers at the Zonal and Regional levels, dedicated Nodal Officers were appointed to coordinate crisis management efforts. These officers play a crucial role in monitoring and reporting strike-related developments and ensuring the smooth functioning of alternate delivery channels during crises. The appointment of Nodal Officers at various levels strengthens the bank's crisis management capabilities and reinforces its commitment to providing uninterrupted banking services even during challenging situations.

Staff Administration

Armed Forces Flag Day Fund: In a display of solidarity and commitment to the nation, Centralites contributed ₹3.90 Lacs to the Armed Forces Flag Day Fund (AFFDF). This contribution aims to support the welfare of ex-servicemen and war widows, demonstrating our concern for their well-being.

Compassionate Appointment and Ex-gratia Payment: Your Bank made payments of ex-gratia in lieu of compassionate appointments, providing financial assistance to deserving individuals. A total of 12 cases were settled, with an amount of ₹70,30,041/- disbursed.

Compassionate Appointment on Compassionate Grounds: Your Bank also facilitated compassionate appointments on compassionate grounds, recognizing the need to support individuals during challenging circumstances. A total of 137 clerks and 85 sub-staff members were appointed through this compassionate appointment process, totaling 222 appointments in FY 2023.

Prevention of Sexual Harassment (POSH) of Women at Workplace: Your Bank strictly prohibits sexual harassment in the workplace and has implemented the guidelines outlined in "The Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013." To ensure a safe and respectful work environment, internal complaint committees have been established at all administrative offices.

Position of Complaints related to Sexual Harassment: As of March 31, 2023, your Bank received a total of 11 complaints under the Sexual Harassment of Women (Prevention, Prohibition, and Redressal) Act, 2013. Out of these, 10 cases were successfully disposed of during the year, leaving one case pending at the end of the year. This pending case was subsequently resolved on April 20, 2023, ensuring appropriate action and resolution. Your Bank remains committed to addressing and redressing any instances of sexual harassment promptly and effectively.

Implementation of Reservation Policy

Your Bank diligently adheres to the Reservation Policy prescribed by the Government of India for SCs/STs/OBCs/EWSs/PWDs. The workforce of your Bank reflects the representation of SCs, STs, OBCs, and differently-abled individuals across all cadres. Your Bank has also implemented the reservation applicable to "Economically Weaker Sections" in direct recruitment since February 1, 2019, in line with the guidelines set by the government.

The SC/ST Cell within your Bank takes the responsibility to implement, monitor, and evaluate the reservation policy. This cell plans and executes measures to ensure the effective implementation of government policies and programs. The

SC/ST Cell at the Central Office, under the Chief Liaison Officer, handles the grievances of SC/ST/OBC employees. Your Bank maintains reservation rosters as per government guidelines, which are also uploaded on the bank's website. Periodical meetings are conducted with welfare associations and federations.

To oversee the regional level issues of SC employees and monitor the implementation of the reservation policy, Dr. Anju Bala, Hon'ble Member of the National Commission for Scheduled Castes, visited the regional offices at Chandigarh and Lucknow. A similar visit was made by Shri Vijay Sampla, Hon'ble Chairman of the National Commission for Scheduled Castes, and other members, who discussed and monitored the implementation of the reservation policy at the bank's central office. The liaison officers of the Department of Financial Services (DFS) verified the reservation rosters for the years 2020 and 2021, which were then uploaded on the bank's website. An amount of 7 lakhs was allotted to the Welfare Association/Federation to celebrate the Birth Anniversary of Dr. B. R. Ambedkar.

As of March 31, 2023, the representation of SC/ST/OBC employees in your Bank is as follows:

	SC	ST	OBC
Officers	3042	1482	4972
Clerical	1711	870	2404
Sub-Staff	1769	474	1399

It is important to note that the employees recruited on the basis of their own merit are also included in these numbers. Additionally, during the year, your Bank made new recruitments as follows:

	SC	ST	OBC
Officers	552	299	804

During the year, Pre-promotion training was also conducted for employees as follows:

	SC	ST	OBC
Officers	513	153	760

Implementation of IFRS Converged Indian Accounting Standards (Ind AS)

In a press release issued by the Reserve Bank of India (RBI) on March 22, 2019 (RBI/2018-19/146 DBR.BP.BC. No.29/21.07.001/2018-19), it was announced that the legislative amendments recommended by RBI were being considered by the Government of India. Consequently, RBI decided to defer the implementation of Indian Accounting Standards (Ind AS) in banks until further notice. However, in compliance with RBI's requirements, our bank continues

to submit Proforma Ind AS Financials to RBI on a half-yearly basis. To facilitate the implementation of Ind AS in the future, your Bank has engaged the services of an Ind AS consultant and established a dedicated Core Ind AS Team. This team is currently involved in the analysis of the necessary changes to our existing IT systems to ensure a seamless transition to Ind AS. While the implementation of Ind AS in banks has been deferred, we remain committed to preparing for its eventual adoption and complying with the regulatory requirements set by RBI. We will continue to monitor the updates and directives from RBI and the Government of India regarding the implementation of Ind AS in banks.

Independent Auditor's Certificate

On Compliance with Corporate Governance Requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Members of
Central Bank of India

1. This Certificate is issued in accordance with the terms of our engagement letter dated 2nd December 2022.
2. This certificate contains details of compliance of conditions of Corporate Governance by Central Bank of India ('the Bank'), for the year ended 31 March 2023, as stipulated in the regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and paragraphs C, D, E of schedule V of the Securities and Exchange Board of India (Listing Obligations and of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("Listing Regulations") as amended.

Management's Responsibility

3. The Board of Directors and Management of the Bank is responsible for ensuring that the Bank complies with the conditions of Corporate Governance including preparation of Corporate Governance report as stipulated in the Listing Regulations. This responsibility also includes the design, implementation and maintenance of internal controls and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditors' Responsibility

4. Our examination was limited to procedures and implementation thereof adopted by the Bank for ensuring the compliance of the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations. It is neither an audit nor an expression of opinion on the financial statements of the Bank.
5. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Bank has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended 31 March, 2023.
6. We have conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes [Revised 2016] ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

8. Based on our examination as above and to the best of the information and explanations given to us and representations provided by the management, we certify that the Bank has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Paragraphs C and D of Schedule V to the Listing Regulations during the year ended 31st March 2023 except that:

24. Overview of the entity's material responsible business conduct issues:-

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Tie-up with Fintech companies for delivering financial services.	Opportunity	Fintech is enabling and empowering the next generation of consumers who are highly tech-savvy and have greater financial literacy but had a paucity of time. These customers can avail the services on the go. With the enablers like the use of Artificial intelligence for credit decisions based on algorithms, APIs for e-documentation, and system integrations any bank can excel and deliver the desired services and can enhance its asset/liabilities portfolios.	Though the activity has inherent risks, however with appropriate risk mitigates in place, the risk can be reduced substantially.	The adoption of newer technology will help any bank to provide financial services across the ecosystem even without having a brick and mortar structure more swiftly and enhance its asset/liability portfolio.
2.	Sustainable Development Goals -“Green Fixed Deposits”	Opportunity	Green Deposits will help enhance Central Bank of India's participation in projects directly supporting United Nations' Sustainable Development Goals (SDGs) and empower our depositors to opt for financial products that have a positive impact on the environment, and the society at large.	Green deposit is offered at special rates which are above other fixed deposit rates.	Positive: Safeguarding our environment from climate change is the need of the hour. Hence there is immense scope to increase green deposits in the country.
3.	Green Financing	Opportunity	The government often employs SDGs as a framework to achieve a more sustainable future for all and companies are increasingly setting the corporate target to align with those SDGs. Encourage dealers to sell more electric vehicles by providing incentives to dealers and sales executives. Charging lower interest rates on electrical vehicle loans than fossil fuel vehicle loans to attract more customers.	Access to a diversified pool of green finance like water management, waste management, affordable green housing, green vehicle financing, etc.	Positive: Immense scope to build a larger green Portfolio.

SECTION B : MANAGEMENT AND PROCESS DISCLOSURES

The National Guidelines for Responsible Business Conduct (NGRBC) as prescribed by the Ministry of Corporate Affairs advocates nine principles referred as P1-P9 as given below:

PRINCIPLE 2 Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

Not Applicable

Given the nature of business of the Bank, the relevance of the above is largely restricted to information technology (IT) capex. In FY22, Capex incurred towards IT hardware and software, which facilitated the enhanced digital initiatives of the Bank was 1.68% of total revenue. Greater adoption of digital platforms not only brings in increased efficiencies of operations but also ensures substantially reduced consumption of paper.

Report on Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Central Bank Of India ('the Bank'), which comprise the Standalone Balance Sheet as at 31st March 2023, the Standalone Profit and Loss Account and the Standalone Cash Flow Statement for the year then ended, and notes to Standalone Financial Statements including a summary of significant accounting policies and other explanatory information in which are included the returns for the year ended on that date of the Head Office, 12 Zones and
 - i. 1 Specialized Integrated Treasury Branch audited by us
 - ii. 20 branches audited by us
 - iii. 1507 branches audited by respective statutory branch auditors.

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the Reserve Bank of India. Also incorporated in the Standalone Balance Sheet, the Standalone Profit and Loss Account and the Standalone Cash Flow Statement are the returns from 2966 branches which have not been subjected to audit. These unaudited branches account for 24.65 per cent of advances, 44.21 per cent of deposits, 29.45 per cent of interest income and 42.05 per cent of interest expenses.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Banking Regulation Act, 1949 (hereinafter referred to as "the Act") in the manner so required for the Bank and are in conformity with accounting principles generally accepted in India and:

- a) the Standalone Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31st March, 2023;
- b) the Standalone Profit and Loss Account, read with the notes thereon shows a true balance of profit for the year ended on that date; and
- c) the Standalone Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditors' Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the Standalone Financial Statements prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI, and provisions of section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ("RBI") from time to time and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

3. We draw attention to:

- a) Note no. 14 (h) of the Statement regarding amortization of additional liability on revision of family pension amounting to ₹ 821.95 crore. The Bank has charged an amount of ₹ 164.40 crore to

the Profit and Loss Account for the year ended 31st March 2023 and the balance unamortised expense of ₹ 113.03 crore has been carried forward pursuant to RBI circular no. RBI/2021-22/105 DORACC. REC.57/21.04.018/2021-22 dt.4th October,2021.

- b) Note no. 15 (g) of the Statement regarding deferred tax, wherein on the basis of tax review made by the Bank's management with respect to the possible tax benefits arising out of the timing difference, the net deferred tax asset of ₹ 5798.91 crore is recognised as on 31st March 2023(₹ 6862.05 crore as on 31st March 2022).
- c) Note no. 15 (a) of the Statement regarding accounting of Performance Link Incentive to employees on accrual basis during the year which was being done on cash basis in earlier years resulting in decrease of profit by ₹ 104.24 crore.

- d) Note No. 4 (h) of the Statement, which describes the uncertainties due to the COVID-19 pandemic and management's evaluation of impact on the Bank's financial performance which will depend on future developments, which are uncertain.

**Our opinion is not modified in respect of these matters.
Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended 31st March 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters

1. Identification and provisioning of non-performing advances made in accordance with the prudential norms prescribed by Reserve Bank of India on Income recognition, Asset Classification and provisioning pertaining to Advances (refer Schedule 9 read with Note 2 of Schedule 17 to the standalone financial statements)

Advances comprise substantial portion of the Bank's total assets. Identification of non-performing advances (NPAs) is carried out, based on system identification, by the Core Banking Solution (CBS) software in operation based on the various controls and logic embedded therein.

Provisions in respect of such NPAs and restructured advances are made based on management's assessment of the degree of impairment of the advances subject to and guided by the minimum provisioning levels prescribed under RBI guidelines, prescribed from time to time. The provisions on NPAs are also based on the valuation of the security available. In case of restructured accounts, provision is made in accordance with the RBI guidelines. We identified NPA identification and provision on loans and advances as a key audit matter because of the significant efforts involved by the management in identifying NPAs based on the RBI Guidelines, the level of management judgement involved in determining the provision (including the provisions on assets which are not classified as NPAs), the valuation of security of the NPAs and on account of the significance of these estimates to the standalone financial statements of the Bank.

Auditors' response

Our audit approach included assessment of the design, operating effectiveness of key internal controls over approval, recording and monitoring of loans and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances.

In particular:

- We have evaluated and understood the Bank's internal control system in adhering to the relevant RBI guidelines regarding income recognition, asset classification and provisioning pertaining to advances.
- We assessed and evaluated the process of identification of NPAs, and corresponding reversal of income and creation of provision.
- We have analyzed and understood key IT systems/ applications used operational effectiveness of relevant controls including involvement of manual process and manual controls in relation to income recognition, asset classification and provisioning pertaining to advances.

In order to ensure the effectiveness of the operation of the key controls and compliance to the directions of the RBI, we have verified whether both CBS system and the management have:

- timely recognized the depletion in the value of available security.
- made adequate provisioning based on such time-to-time monitoring and identification of asset classification including accounts which meet the criteria for asset classification benefit in accordance with the Reserve Bank of India COVID-19 Regulatory Package.

Key Audit Matters

Auditors' response

2. Investments

Investment portfolio of the Bank comprises of investments in government securities, bonds, debentures, shares, security receipts and other approved securities which are classified under three categories, Held to Maturity, Available for Sale and Held for Trading. Investments comprise a substantial portion of the Bank's total assets.

Valuation of Investments, identification of Non-Performing Investments (NPI) and the corresponding non-recognition of income and provision thereon, is carried out in accordance with the relevant circulars / guidelines / directions of RBI. (refer Schedule 8 read with Note 5 of Schedule 17 to the standalone financial statements)

The valuation of each type of aforesaid security is to be carried out as per the methodology prescribed in the circulars and directives issued by the RBI which involves collection of data/ information from various sources such as FBIL rates, rates quoted on BSE/ NSE, financial statements of unlisted companies, NAV in case of security receipts etc.

As per the RBI directions, there are certain investments that are valued at market price however certain investments are based on the valuation methodologies that include statistical models with inherent assumptions, assessment of price for valuation based on financial statements etc. The price discovered for the valuation of these Investments is only a fair assessment of the Investments.

Hence, the valuation of Investments requires special attention and further in view of the significance of the amount of Investments in the financial statements, the same has been considered as Key Audit Matter in our audit.

- We placed reliance upon the Independent Auditor's Report of the respective Branch Auditors with respect to income recognition, asset classification and provisioning as well as Memorandum of changes suggested both at the branches and at Head Office.

Our audit approach towards Investments with reference to the RBI circulars/ directives included the review and testing of the design, operating effectiveness of internal controls and substantive audit procedures in relation to valuation, classification, identification of Non-Performing Investments, provisioning/ depreciation related to Investments. In particular:

- We assessed and understood the system and internal control as laid down by the Bank to comply with relevant RBI guidelines regarding valuation, classification, identification of Non- Performing Investments, Provisioning and depreciation on Investments.
- Tested accuracy and compliance for selected sample of investments with the RBI Master circulars and directions by re-performing valuation for each category of security in accordance with the RBI guidelines.
- We assessed and evaluated the process of identification of NPIs, and corresponding reversal of income and creation of provision.
- We carried out substantive audit procedures to re-compute independently the provision to be created and depreciation to be provided.
- We assessed that the standalone financial statement disclosures appropriately reflected the Bank's exposure to investments valuation risks with reference to the requirements of the prevailing accounting standards and the RBI guidelines.

Key Audit Matters

Auditors' response

3. Information technology (IT) systems used in financial reporting process

The Bank's operational and financial reporting processes are dependent on IT systems run through Core Banking Solutions (CBS) and other integrated software with automated processes and controls large volume of transactions.

The process and controls are to ensure appropriate user access and management processes in use.

The Bank has an in-house Department of Information & technology (DIT) run under the supervision of the top management and with the support of expert consulting agencies, for maintaining IT services.

Accordingly, our audit was focused on key IT systems and controls due to the pervasive impact on the standalone financial statements and the same has been considered as Key Audit Matter in our audit.

We conducted an assessment and identified key IT applications, database and operating systems that are relevant to our audit and have identified CBS and Treasury System primarily as relevant for financial reporting. For the key IT systems pertaining to CBS and treasury operations used to prepare accounting and financial information, our areas of audit focus included Access Security (including controls over privileged access), application change controls, database management and network operations. In particular:

- We obtained an understanding of the Bank's IT control environment and key changes during the audit period that may be relevant to the audit.
- We tested the design, implementation and operating effectiveness of the Bank's General IT controls over the key IT systems that are critical to financial reporting including obtaining reports from independent experts. This included evaluation of Bank's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner.
- We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the standalone financial statements, information other than the standalone Financial Statements and Auditors' Report thereon.

4. Provisions, Contingent Liabilities and Claims:

Assessment of Provisions and Contingent Liability in respect of certain litigations on various claims filed by other parties not acknowledged as debt (Note No. 13 of Schedule 17 and Note No. 15. i. of Schedule 18).

There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgement, past experience, and advice from legal and independent experts wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in Balance Sheet.

Contingent Liability is a possible obligation, outcome of which is contingent upon occurrence or non-occurrence of one or more uncertain future events. In the judgement of the management, such claims and litigations including tax demands against the bank would not eventually lead to a liability.

However, unexpected adverse outcomes may significantly impact the Bank's reported financial results which is uncertain/ unascertainable at this stage.

Considering the uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law, this has been determined as a key Audit Matter.

We have obtained an understanding of Internal Controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances.

We broadly reviewed the underlying assumptions and estimates used by the management for provisioning but as the extent of impact is dependent on future developments which are highly uncertain, we primarily relied on those assumptions and estimates, which are subject matter of periodic review by the Bank.

We have relied upon the management note and legal opinions obtained by the bank regarding the claims and tax litigations and involved our internal team to review the nature of such litigations and claims, their current status, sustainability, examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up actions thereon and likelihood of claims/litigations materializing into eventual liability upon final resolution, from the available records and developments to date.

Information other than the Standalone Financial Statements and Auditors' report thereon

5. The Bank's Board of Directors is responsible for the other information. The other information comprises the Corporate Governance Report, which we obtained at the time of issuance of this auditors' report, and the Directors' Report including annexures, and Management Discussion and Analysis which is expected to be made available to us after that date but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and the Pillar 3 disclosures under Capital Adequacy Framework (Basel III disclosures) and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of auditors' report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Directors' Report including annexures, and Management Discussion and Analysis, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements

6. The Bank's Board of Directors is responsible with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards, and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ("RBI") from time to time ("RBI guidelines") and judicial pronouncements. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting

policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Bank's financial reporting process.

Auditors' responsibilities for the audit of the standalone financial statements

7. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the standalone financial statements that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the standalone financial statements.

We communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

8. We did not audit the financial statements/ information of 1507 branches included in the standalone financial statements of the Bank whose financial statements / financial information reflect total assets of ₹ 2,07,308 crore as at 31st March 2023 and total revenue of ₹ 6,763 crore for the year ended on that date, as considered in the standalone financial statements. These branches cover 34.16 per cent of advances, 51.10 per cent of deposits and 19.30 per cent of non-performing assets as at 31st March 2023 and 40.23 per cent of revenue for the year ended on that date. The financial statements/ information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors.
9. In the conduct of our audit, we have taken note of the unaudited returns in respect of 2966 branches certified by the respective branch's management whose financial statements/ information reflect total assets of ₹ 90,252 crore as at 31st March 2023 and total revenue of ₹ 5,393 crore for the year ended on that date. These unaudited branches cover 24.65 per cent of advances, 44.21 per cent of deposits and 13.43 per cent of non-performing assets as on 31st March 2023 and 32.08 per cent of revenue for the year then ended.

Our opinion is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

10. The standalone Balance sheet and the standalone Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949;

Subject to the limitations of the audit indicated in paragraphs 5 to 9 above and as required by the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970/1980, and subject also to the limitations of disclosure required therein, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory.
- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and

- c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.
11. As required by letter No. DOS.ARG.No. 6270/08.91.001/2019-20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:
- In our opinion, the aforesaid standalone financial statements comply with the applicable Accounting Standards issued by ICAI, to the extent they are not inconsistent with the accounting policies prescribed by RBI.
 - There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
 - As the Bank is not registered under the Companies Act, 2013 the disqualifications from being a director of the bank under sub-section (2) of Section 164 of the Companies Act, 2013 do not apply to the bank.
 - There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
 - Our audit report on the adequacy and operating effectiveness of the Bank's internal financial controls

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 11 (e) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting as required by the Reserve Bank of India (the “RBI”) Letter DOS. ARG. No.6270/08.91.001/2019-20 dated March 17, 2020 (as amended) (the “RBI communication”)

1. We have audited the internal financial controls over financial reporting of Central Bank of India (“the Bank”) as at March 31, 2023 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting of the Bank’s branches.

Management’s Responsibility for Internal Financial Controls

2. The Bank’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949 and the circulars and guidelines issued by the Reserve Bank of India.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Bank’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”) and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit

evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank’s internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

4. A Bank’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Bank’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

5. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

6. In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred to in the Other Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance

Other Matters

7. Our aforesaid report in so far as it relates to the operating effectiveness of internal financial controls over financial reporting of 106 (one hundred six) branches is based on the corresponding reports of the respective Central Statutory Auditors / Statutory Branch Auditors of those branches.

During our testing of the internal financial controls over financial reporting and based on the reports, certain matters were noticed by us where scope of improvement is there to further strengthen the process including but not limited to testing of Risk Control Matrix (RCM) at various departments of Head Office.

Our opinion is not modified in respect of this matter.

SCHEDULE 17 - SIGNIFICANT ACCOUNTING POLICIES

A. Background

Central Bank of India (the Bank) is a body corporate registered under the Banking Companies (Acquisition and Transfer of Undertaking) Act, 1970 and is regulated by Reserve Bank of India. The principal business is providing banking and financial services with wide range of products and services to individuals, commercial enterprises, large corporates, public bodies and institutional customers. The business is conducted through its branches in India. The equity shares of the Bank are listed at BSE Limited and National Stock Exchange of India Limited.

B. Basis of preparation:

The financial statements have been prepared following the going concern concept and under historical cost convention except in respect of revaluation of premises and conform, in all material aspects, to the Generally Accepted Accounting Principles (GAAP) in India, which encompasses applicable statutory provisions, regulatory norms prescribed by Reserve Bank of India (RBI) including those prescribed by the Banking Regulation Act 1949, Accounting Standards (AS) and pronouncements issued by The Institute of Chartered Accountants of India (ICAI) and the prevailing practices within the banking industry in India.

C. Use of estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses for the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Differences between the actual results and estimates are recognised in the year in which the results are known/ materialised.

D. Significant accounting policies:

1. Cash and Cash equivalents:

Cash and cash equivalents include cash in hand and ATMs, balances with the Reserve Bank of India, balances with other banks and money at call and short notice.

2. Revenue recognition:

2.1 General

Income/ expenditure is generally accounted for on accrual basis except for income accounted on cash basis as per regulatory provisions.

2.2 Income from investments

- a) The Profit or loss on sale of investments is recognised in the Profit and Loss Account. In accordance with the guidelines issued by the Reserve Bank of India, profit on sale of investments in the Held to Maturity (HTM) category is appropriated (Net of applicable taxes and amount required to be transferred to "Statutory Reserve Account") to the "Capital Reserve Account".
- b) Income (other than interest) on investments in "Held to Maturity (HTM)" category acquired at a discount to the face value, is recognised as follows:
 - (i) on interest bearing securities, it is recognised only at the time of sale/ redemption.
 - (ii) on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- c) Dividend income is recognized when right to receive the dividend is established.
- d) Upside on security receipts is recognised on realisation as 'Other income'.

2.3. Sale of financial assets

Financial Assets sold are recognized as under:

- a) The sale of NPA is accounted as per guidelines prescribed by RBI. When the Bank sells its financial assets to Securitisation Company (SC)/ Reconstruction Company (RC), the same is removed from the books.
- b) In case the sale to SC/ARC is at a price lower than the Net Book Value (NBV) the shortfall is charged to the Profit and Loss Account in the year of sale.
- c) In case the sale is at a price higher than the NBV on cash basis, the surplus is taken to the credit of Profit and Loss Account.

2.4. Fee based income

Commission on letters of credit, bank guarantee and deferred payment guarantee are recognised on accrual basis proportionately over the period. All other commission and fee income are recognised on their realisation.

2.5 Others

- a) Interest on income tax refund is accounted on receipt of refund order(s)/ intimation from Income Tax Department and acceptance by the Bank.
- b) Provision for interest payable on overdue deposits is made as per Reserve Bank of India guidelines.

3. Advances:

- 3.1 Based on the guidelines/ directives issued by the RBI, loans and advances are classified as performing and

non-performing, as follows:

- a) The term loan is classified as a non-performing asset, if interest and/ or instalment of principal remains overdue for a period of more than 90 days.
 - b) An overdraft or cash credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days, or if the credits are not adequate to cover the interest debited during the previous 90 days period.
 - c) The bills purchased/ discounted are classified as non-performing asset if the bill remains overdue for a period of more than 90 days.
 - d) The agricultural advances are classified as a non-performing if, (i) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (ii) for long duration crops, where the principal or interest remains overdue for one crop season.
- 3.2 Non-performing assets are classified into sub-standard, doubtful and loss Assets, based on the following criteria stipulated by RBI:
- a) Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
 - b) Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
 - c) Loss: A loan asset where loss has been identified but the amount has not been fully written off.
- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Sub-standard assets:

- i. A general provision of 15% on the total outstanding.
- ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio).
- iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.

Doubtful Assets:

- Secured portion:	
Up to one year	25%
One to three years	40%
More than three years	100%

- Unsecured portion	100%
Loss Assets	100%

- 3.4 Advances are shown net of provisions (in case of NPA), Unrealised Interest, amount recovered from borrowers held in Sundries and claims received from CGTSI/ ECGC, etc.
- 3.5 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which inter alia require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The provision for diminution in fair value and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.6 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 Additional provisions higher than regulatory norms are made in specific assets in view of the identified weakness and/ or prevailing economic situation.
- 3.10 Partial recoveries in non-performing account (including partially written off accounts) are appropriated in the following order:
 - i. Principal Overdues / Irregularities
 - ii. Unrealised interest
 - iii. Partial Written Off principal
 - iv. Uncharged Interest
 - v. Unrealised charges

In case of suit filed/SARFAESI/ recalled accounts, recovery is appropriated in the following order:

- i. Ledger outstanding balance
- ii. Unrealised interest
- iii. Partial Written Off principal
- iv. Uncharged Interest
- v. Unrealised charges

However, where any borrower account is required to be classified as non-performing from an earlier date, any recovery till the account was classified as Standard is first credited to Interest on Loans and Advances [viz. Scheme for sustainable Structuring of Stressed assets (S4A), Strategic Debt Restructuring, Flexible Structuring of Long-Term Project Loan (5/25), Change of Ownership

of Borrowing Entities (outside Strategic Debt Restructuring Scheme)].

4 Provision for country exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

5. Investments:

Investments are accounted for in accordance with the extant guidelines of investment classification and valuation, as given below:

5.1 Classification:

In accordance with the guidelines issued by the Reserve Bank of India, Investments are classified into "Held to Maturity (HTM)", "Held for Trading (HFT)" and "Available for Sale (AFS)" categories.

For disclosure in the Balance Sheet in Schedule 8, investments are classified as Investments in India and outside India.

Under each category, the investments in India are further classified as

- Government Securities
- Other Approved Securities
- Shares
- Debentures and Bonds
- Subsidiaries, joint ventures and sponsored institutions; and
- Others (Commercial Papers and units of Mutual Funds etc.)

The investments outside India are further classified under 3 categories

- Government Securities
- Subsidiaries and Joint Ventures
- Other Investments

5.2 Basis of Classification:

Classification of an investment is done at the time of purchase into the following categories:

- Held to Maturity:** Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)".
- Held for Trading:** Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)".

- Available for Sale:** Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- Transfer of Securities between categories:** An investment is classified as HTM, HFT or AFS at the time of purchase and subsequent shifting amongst categories is done in conformity with the regulatory guidelines.
- Investments in subsidiaries, joint ventures and sponsored institutions are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. Such investments are classified as AFS.

5.3 Valuation:

The transactions in all securities are recorded on a Settlement Date and cost is determined on the weighted average cost method.

- Incentive, front-end fees etc., received on purchase of securities are reduced from the cost of investments.
- Expenses such as brokerage, fees, commission or taxes incurred at the time of acquisition of securities are charged to the Profit and Loss Account as revenue expenses.
- Broken Period interest paid/ received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.

- Valuation of investments classified as Held to Maturity:** The investments classified under this category are carried at acquisition cost. The excess of acquisition cost / book value over the face value is amortised over the remaining period of maturity. Such amortisation of premium is accounted as expense.

Investments (in India and abroad) in subsidiaries, joint ventures and associates are valued at historical cost. A provision is made for diminution, other than temporary in nature, for each investment individually.

Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).

- Valuation of investments classified as Available for sale and Held for Trading:** Investments classified as Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation if any, of each group for each category (viz.(i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored.

- Valuation policy in event of inter category transfer of investments:**

- i) Transfer of securities from HFT/ AFS category to HTM category is carried out at the lower of acquisition cost/ book value/ market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- ii) Transfer of securities from HTM category to AFS category is carried out on acquisition price/ book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, is provided, in the Profit and Loss Account.

d) Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR):

- i) The investment in security receipts obtained by way of sale of NPA to SC/ RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
- ii) SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

- e) Treasury Bills and Commercial Papers are valued at carrying cost.

5.4 Investments (NPI):

Investments are classified as performing and non-performing, based on “Classification, Valuation and Operation of Investment Portfolio of Commercial Banks (Directions), 2021” (as amended) and “Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances”, as under:

- a) Interest/ instalment (including maturity proceeds) is due and remains unpaid for more than 90 days. The same is applied to preference shares where the fixed dividend is not paid.
- b) In the case of equity shares, in the event the investment in shares of any company is valued at Re. 1 per company on account of non-availability of the latest balance sheet, those equity shares would be reckoned as NPI.
- c) The Bank also classifies an investment as a non-performing investment, in case any credit facility availed by the same borrower/ entity has been classified as a non-performing asset and vice versa.
- d) The investments in debentures/ bonds, which are deemed to be advance, are also subjected to NPI

norms as applicable to investments.

5.5 Accounting for Repo/ Reverse Repo transactions

The Bank enters into repurchase and reverse repurchase transactions with RBI under Liquidity Adjustment Facility (LAF) and also with market participants. Repurchase transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse repurchase transactions on the other hand represent lending funds by purchasing the securities.

- a) The securities sold and purchased under Repo/ Reverse Repo are accounted as overnight Tri-party Repo (TREPS) dealing and settlement.
- b) However, securities are transferred as in the case of normal outright sale/ purchase transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries.
- c) The above entries are reversed on the date of maturity. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at call & short notice).
- d) Interest expended/ earned on Securities purchased/ sold under LAF with RBI is accounted for as expenditure/ revenue.

6. Derivatives:

The Bank enters into derivative contracts, such as interest rate swaps, currency swaps and cross currency swaps in order to hedge on balance sheet/ off-balance sheet assets and liabilities or for trading purposes.

6.1 Derivatives used for hedging are accounted as under:

- a) In cases where the underlying assets/ liabilities are marked to market, resultant gain/loss is recognised in the Profit and Loss Account.
- b) Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/ liabilities are also marked to market.
- c) Gain or losses on the termination of Swaps are recognised over the shorter of the remaining contractual life of the swaps or the remaining life of the assets/ liabilities.

6.2 Derivatives used for trading are accounted as under:

- a) Currency futures and interest rate futures are marked to market on daily basis as per exchange guidelines of MCX-SX and NSE.
- b) Mark to market profit or loss is accounted by credit/ debit to the margin account on daily basis and the same is accounted in the Bank's profit and loss account on final settlement.
- c) Trading swaps are marked to market at frequent intervals. Any mark to market losses are booked

and gains, if any, are ignored on net basis.

- d) Gains or losses on termination of swaps are recorded immediately as income/ expense under the above head.

7. Transactions involving foreign exchange:

7.1 Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency.

7.2 Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India ("FEDAI") closing (spot/ forward) rates and the resultant profit or loss is recognised in the Profit and Loss Account.

Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.

Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.

7.3 Outstanding foreign exchange spot and forward contracts are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.

7.4 Foreign exchange forward contracts which are not intended for trading and are outstanding at the balance sheet date, are valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.

7.5 Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.

7.6 Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the profit and loss account.

8. Fixed assets and depreciation:

8.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation.

Cost includes cost of purchase and all expenditure such as site preparation, installation costs, taxes and professional fees incurred on the asset before it is put to use.

8.2 Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability.

8.3 Fixed Assets are depreciated under 'Written Down Value Method' at the following rates (other than computers which are depreciated on Straight Line Method):

- a) Premises At varying rates based on estimated life
b) Furniture, Lifts, Safe Vaults 10%

- c) Vehicles, Plant & Machinery 20%
d) Air conditioners, Coolers, Typewriters etc. 15%.
e) Computers including Systems Software 33.33%

(Application Software is charged to the Revenue during the year of acquisition.)

8.4 Other fixed assets are depreciated on Straight Line Method on the basis of estimated useful life of the assets.

8.5 Land acquired on lease for over 99 years is treated as freehold land and those for 99 years or less is treated as leasehold land. Cost of leasehold land is amortized over the period of lease.

8.6 Where it is not possible to segregate the cost of land and premises, depreciation is charged on the composite cost.

8.7 In case of assets, which have been revalued, the depreciation/ amortization is provided on the revalued amount and is charged to the Profit and Loss Account. Amount of incremental depreciation/ amortization attributable to the revalued amount is transferred from 'Revaluation Reserve' and credited to 'Revenue and Other Reserves'.

8.8 Depreciation on additions to assets, made upto 30th September is provided for the full year and on additions made thereafter, is provided for the half year.

No depreciation is provided on assets sold before 30th September and depreciation is provided for the half year on assets sold after 30th September.

8.9 The Bank considers only immovable assets for revaluation. Properties acquired during the last three years are not revalued. Valuation of the revalued assets is done every three years thereafter.

8.10 The increase in net book value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account.

Additional depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to Other Revenue Reserve.

8.11 The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

9 Leases:

Leases where risks and rewards of ownership are retained by lessor are classified as Operating Lease as per AS-19 (Leases). Lease payments on such lease are recognised in Profit and Loss account on a straight-line basis over the lease term in accordance with AS 19.

10 Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net discounted cash flows expected to be

generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

11. Employee Benefits:

11.1 Employee benefits are accrued in the year services are rendered by the employees.

11.2 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

11.3 Defined benefit plans:

The Bank operates Gratuity and Pension schemes which are defined benefit plans.

- a) The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation.
- b) The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- c) The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/ losses are immediately recognised in the Profit and Loss Account and are not deferred.
- d) When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

Liability for long term employee benefit under defined benefit scheme such as contribution to gratuity, pension fund and leave encashment are

determined at close of the year at present value of the amount payable using actuarial valuation technique.

- e) Actuarial gain/losses are recognised in the year when they arise.

11.4 Defined Contribution Plan:

Provident fund is a defined contribution as the bank pays fixed contribution at predetermined rates. The obligation of the bank is limited to such fixed contribution. The contributions are charged to Profit and Loss account.

National Pension Scheme which is applicable to employees who have joined bank on or after 01.04.2010 is a defined contribution scheme. Bank pays fixed contribution at pre-determined rate. The obligation of the bank is limited to such fixed contribution. The contribution is charged to Profit and Loss Account

12. Accounting for Taxes on Income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The provision for tax for the year comprises of current tax liability computed in accordance with the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income" respectively.

Deferred tax is recognized on timing differences between taxable income and accounting income that originate in one period and is capable of reversal in one or more subsequent periods. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets will be realised.

Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess its realization. Disputed tax liabilities are accounted for in the year of finality of assessment/ appellate proceedings and till such times they are shown as contingent liability. The impact of changes in deferred tax assets and liabilities is recognised in the Profit and Loss Account.

13. Provisions, Contingencies and Contingent assets:

13.1 In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation as a result of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

13.2 No provision is recognised for:

- a) any possible obligation that arises from past events and the existence of which will be confirmed only by

the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or

- b) any present obligation that arises from past events but is not recognised because:
- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as contingent liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

13.3 Provision for reward points in relation to the debit card holders of the Bank is made on estimated basis.

3.4 Contingent assets are neither recognised nor disclosed in the Financial Statements.

14 Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

15 Segment Reporting

The Bank recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 – “Segment Reporting” issued by The Institute of Chartered Accountants of India.

16 Earnings per Share:

- The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the Institute of Chartered Accountants of India. Basic Earnings per Share is computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.
- Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per equity share is calculated by using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

A. The main drivers of the LCR results and the evolution of the contribution of inputs to the LCR's calculation	<p>The main drivers of LCR results are :</p> <ol style="list-style-type: none"> 1) High Quality Liquid Asset (HQLA) is one of the major drivers of LCR; the major portion of HQLA consists of facility to avail liquidity under Marginal Standing Facility (MSF), FALLCR & excess SLR investments. 2) Cash Outflow is another major driver of LCR. The main components of cash outflows are less stable retail deposit, funding from other legal entity and net derivative cash outflow. 3) Another major driver of LCR is Cash Inflow. The main components of cash inflows are inflows by counterparty and net derivative cash inflow.
B Intra-period changes as well as changes over time	Not Applicable

Line items significant to Explanatory Notes
LCR

F	Currency mismatch in the LCR	To capture potential currency mismatches, the LCR in each significant currency is monitored. A currency is considered as "significant" if the aggregate liabilities denominated in that currency amount to 5 per cent or more of the bank's total liabilities. Bank doesn't have currency mismatch in LCR as bank does not have exposure in 'significant' currency.
G	Degree of centralization of liquidity management and interaction between the group's units	Liquidity management in the bank is centralized and monitored by ALM & Treasury team. Interaction between treasury, ALM team & other functional units are seamless.
H	Other inflows and outflows in the LCR calculation that are not captured in the LCR common template but which the institution considers to be relevant for its liquidity profile.	None
I	Other Information	Other contingent liabilities including undrawn credit and liquidity commitments are also suitably addressed.

The average LCR for the quarter ended March 31, 2023 was at 285.51% as against 311.32% for the quarter ended March 31, 2022 and well above the regulatory prescribed minimum requirement of 100%. The average HQLA for the quarter ended March 31, 2023 was ₹ 106,207.00 crore as against ₹ 1,28,085.00 crore for the quarter ended March 31, 2022.

The average LCR for the year ended March 31, 2023 was at 302.34 % as against 360.81% for the year ended March 31, 2022.

c) Net Stable Funding ratio (NSFR): (This has not been audited by Statutory Central Auditor)

Reserve Bank of India vide its circular no. BR.BP.BC.No.106/21.04.098/2017-18 May 17, 2018 had issued guidelines on "Basel III Framework on Liquidity Standards – Net Stable Funding Ratio (NSFR)". The guidelines for NSFR were effective from October 1, 2021.

The objective of NSFR is ensure reduction in funding risk over a longer time horizon extending to one year by requiring banks to fund their activities in relation to the composition of their assets and off balance sheet activities, with sufficiently stable sources of funding on an on-going basis. A sustainable funding structure is intended to reduce the probability of erosion of a bank's liquidity position due to disruptions in the regular sources of funding. NSFR limits over-reliance on short term wholesale funding, encourages better assessment of funding risk across all on and off balance sheet items, and promotes funding stability.

The NSFR is defined as the amount of available stable funding relative to the amount of required stable funding. "Available Stable Funding" (ASF) is defined as the portion of capital and liabilities expected to be reliable over the time horizon considered by the NSFR, which extends to one year. The amount of stable funding required ("Required Stable Funding") (RSF) is a function of the liquidity characteristics and residual maturities of the various assets held by the Bank as well as those of its off-balance sheet (OBS) exposures. The Available Stable Funding (ASF) is primarily driven by the total regulatory capital as per Basel III Capital Adequacy guidelines stipulated by RBI and deposits from retail customers, small business customers and non-financial corporate customers. Under the Required Stable Funding (RSF), the primary drivers are unencumbered performing loans with residual maturities of one year or more.

The runoff factors for the stressed scenarios are prescribed by the RBI, for various categories of liabilities (viz., deposits, unsecured and secured wholesale borrowings), undrawn commitments, derivative-related exposures, and offset with inflows emanating from assets maturing within the same time period. The minimum NSFR requirement set out in the RBI guideline is 100% on an on-going basis.

The Liquidity Risk Management of the Bank is governed by the Asset Liability Management (ALM) Policy approved by the Board. The Asset Liability Committee (ALCO) is a decision-making unit responsible for implementing the liquidity and interest rate risk management strategy of the Bank in line with its risk management objectives and ensures adherence to the risk tolerance/limits set by the Board.

Central Bank of India on standalone basis maintained Available Stable Funding (ASF) of ₹ 3,44,387.62 Crore against the RSF requirement of ₹ 2,13,238.27 Crore as on 31st March 2023. The NSFR for the quarter ended Mar 2023 is at 161.50%.

c) Disclosures on risk exposure in derivatives:

l) Qualitative Risk Exposure

- The Bank currently deals in over the counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives. Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps and foreign currency interest rate swaps. Currency derivatives dealt by the Bank are USD/INR currency swaps and cross currency swaps. The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items.
- Derivative transactions carry market risk i.e., the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greeks limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness and suitability of policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering into derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honor obligations and the Bank enters into ISDA agreement with each counter party.

- iii. The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- iv. Interest Rate Swaps are mainly used for hedging of the assets and liabilities.
- v. Majority of the swaps were done with First class counterparty banks.
- vi. Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorized as trading or hedging.
- vii. Derivative deals are entered with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanctions terms on a case-by-case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

 - unaudited financial statements of one joint venture-- Indo-Zambia Bank Limited.

The above entities together with the Parent Bank are referred to as "the Group".

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements of subsidiaries, the unaudited financial statements and other financial information of the associates as furnished by the

management, the aforesaid consolidated financial statements give the information required by the Banking Regulation Act, 1949 (hereinafter referred to as "the Act") in the manner so required and are in conformity with accounting principles generally accepted in India and:

- the consolidated Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31st March, 2023;
- the consolidated Profit and Loss Account, read with the notes thereon shows a true balance of profit for the year ended on that date; and
- the consolidated Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

Basis for Opinion

- We conducted our audit in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditors' responsibilities for the audit of the consolidated financial statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the consolidated financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

- We draw attention to:
 - Note no. 5.11 of Schedule 18 to the consolidated financial statements regarding amortization of additional liability on revision of family pension

amounting to ₹ 821.95 crore. The Parent Bank has charged an amount of ₹ 164.40 crore to the Profit and Loss Account for the year ended 31st March 2023 and the balance unamortised expense has been carried forward pursuant to RBI circular no. RBI/2021-22/105 DORACC. REC.57/21.04.018/2021-22 dt.4th October,2021.

- b) Note no. 4.8 of Schedule 18 to the consolidated financial statements regarding deferred tax, wherein on the basis of tax review made by the Parent Bank's management with respect to the possible tax benefits arising out of the timing difference, the net deferred tax asset of ₹ 5798.91 crore is recognised as on 31st March 2023 (₹ 6862.05 crore as on 31st March 2022).
- c) Note no. 4.1 of the Statement regarding accounting of Performance Link Incentive to employees on accrual basis during the year which was being done on cash basis in earlier years resulting in decrease of profit by ₹ 104.24 crore.

- d) Note No. 5.15 of Schedule 18 to the consolidated financial statements, which describes the uncertainties due to the COVID-19 pandemic and management's evaluation of impact on the Group's financial performance which will depend on future developments, which are uncertain.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended 31st March 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters

Auditors' response

1. Identification and provisioning of non-performing advances made in accordance with the prudential norms prescribed by Reserve Bank of India on Income recognition, Asset Classification and provisioning pertaining to Advances (refer Schedule 9 read with Note 2 of Schedule 17 to the consolidated financial statements)

Advances comprise substantial portion of the Group's total assets. Identification of non-performing advances (NPAs) is carried out, based on system identification, by the Core Banking Solution (CBS) software in operation based on the various controls and logic embedded therein.

Provisions in respect of such NPAs and restructured advances are made based on management's assessment of the degree of impairment of the advances subject to and guided by the minimum provisioning levels prescribed under RBI guidelines, prescribed from time to time. The provisions on NPAs are also based on the valuation of the security available. In case of restructured accounts, provision is made in accordance with the RBI guidelines. We identified NPA identification and provision on loans and advances as a key audit matter because of the significant efforts involved by the management in identifying NPAs based on the RBI Guidelines, the level of management judgement involved in determining the provision (including the provisions on assets which are not classified as NPAs), the valuation of security of the NPAs and on account of the significance of these estimates to the financial statements of the Group.

Our audit approach included assessment of the design, operating effectiveness of key internal controls over approval, recording and monitoring of loans and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances. In particular:

- » We have evaluated and understood the Parent Bank's internal control system in adhering to the relevant RBI guidelines regarding income recognition, asset classification and provisioning pertaining to advances.
- » We assessed and evaluated the process of identification of NPAs, and corresponding reversal of income and creation of provision.
- » We have analyzed and understood key IT systems/applications used operational effectiveness of relevant controls including involvement of manual process and manual controls in relation to income recognition, asset classification and provisioning pertaining to advances.
- » In order to ensure the effectiveness of the operation of the key controls and compliance to the directions of the RBI, we have verified whether both CBS system and the management have:
 - » timely recognized the depletion in the value of available security.
 - » made adequate provisioning based on such time-to-time monitoring and identification of asset classification including accounts which meet the criteria for asset classification benefit in accordance with the Reserve Bank of India COVID-19 Regulatory Package.
 - » We placed reliance upon the Independent Auditor's Report of the respective Branch Auditors with respect to income recognition, asset classification and provisioning as well as Memorandum of changes suggested both at the branches and at Head Office.

Key Audit Matters

Auditors' response

2. Investments

Investment portfolio of the Group comprises of investments in government securities, bonds, debentures, shares, security receipts and other approved securities which are classified under three categories, Held to Maturity, Available for Sale and Held for Trading. Investments comprise a substantial portion of the Bank's total assets.

Valuation of Investments, identification of Non-Performing Investments (NPI) and the corresponding non-recognition of income and provision thereon, is carried out in accordance with the relevant circulars / guidelines / directions of RBI. (refer Schedule 8 read with Note 5 of Schedule 17 to the consolidated financial statements)

The valuation of each type of aforesaid security is to be carried out as per the methodology prescribed in the circulars and directives issued by the RBI which involves collection of data/ information from various sources such as FBIL rates, rates quoted on BSE/ NSE, financial statements of unlisted companies, NAV in case of security receipts etc.

As per the RBI directions, there are certain investments that are valued at market price however certain investments are based on the valuation methodologies that include statistical models with inherent assumptions, assessment of price for valuation based on financial statements etc. The price discovered for the valuation of these Investments is only a fair assessment of the Investments.

Hence, the valuation of Investments requires special attention and further in view of the significance of the amount of Investments in the financial statements, the same has been considered as Key Audit Matter in our audit.

3. Information technology (IT) systems used in financial reporting process

The Group's operational and financial reporting processes are dependent on IT systems run through Core Banking Solutions (CBS) and other integrated software with automated processes and controls large volume of transactions.

The process and controls are to ensure appropriate user access and management processes in use.

The Bank has an in-house Department of Information & technology (DIT) run under the supervision of the top management and with the support of expert consulting agencies, for maintaining IT services.

Accordingly, our audit was focused on key IT systems and controls due to the pervasive impact on the financial statements and the same has been considered as Key Audit Matter in our audit.

Our audit approach towards Investments with reference to the RBI circulars/ directives included the review and testing of the design, operating effectiveness of internal controls and substantive audit procedures in relation to valuation, classification, identification of Non-Performing Investments, provisioning/ depreciation related to Investments. In particular:

- » We assessed and understood the system and internal control as laid down by the Parent Bank to comply with relevant RBI guidelines regarding valuation, classification, identification of Non-Performing Investments, Provisioning and depreciation on Investments.
- » Tested accuracy and compliance for selected sample of investments with the RBI Master circulars and directions by re-performing valuation for each category of security in accordance with the RBI guidelines.
- » We assessed and evaluated the process of identification of NPIs, and corresponding reversal of income and creation of provision.
- » We carried out substantive audit procedures to re-compute independently the provision to be created and depreciation to be provided.
- » We assessed that the financial statement disclosures appropriately reflected the Bank's exposure to investments valuation risks with reference to the requirements of the prevailing accounting standards and the RBI guidelines.

We conducted an assessment and identified key IT applications, database and operating systems that are relevant to our audit and have identified CBS and Treasury System primarily as relevant for financial reporting. For the key IT systems pertaining to CBS and treasury operations used to prepare accounting and financial information, our areas of audit focus included Access Security (including controls over privileged access), application change controls, database management and network operations. In particular:

- » We obtained an understanding of the Parent Bank's IT control environment and key changes during the audit period that may be relevant to the audit.
- » We tested the design, implementation, and operating effectiveness of the Bank's General IT controls over the key IT systems that are critical to financial reporting including obtaining reports from independent experts. This included evaluation of Bank's controls to evaluate segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner.

Key Audit Matters

Auditors' response

4. Provisions, Contingent Liabilities and Claims:

Assessment of Provisions and Contingent Liability in respect of certain litigations on various claims filed by other parties not acknowledged as debt (Note No. 14 of Schedule 17 and Note No. 4.10 of Schedule 18).

There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgement, past experience, and advice from legal and independent experts wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in Balance Sheet.

Contingent Liability is a possible obligation, outcome of which is contingent upon occurrence or non-occurrence of one or more uncertain future events. In the judgement of the management, such claims and litigations including tax demands against the bank would not eventually lead to a liability.

However, unexpected adverse outcomes may significantly impact the Bank's reported financial results which is uncertain/ unascertainable at this stage.

Considering the uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law, this has been determined as a key Audit Matter.

» We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements, information other than the Financial Statements and Auditors' Report thereon.

We have obtained an understanding of Internal Controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances.

We broadly reviewed the underlying assumptions and estimates used by the management for provisioning but as the extent of impact is dependent on future developments which are highly uncertain, we primarily relied on those assumptions and estimates, which are subject matter of periodic review by the Bank.

We have relied upon the management note and legal opinions obtained by the bank regarding the claims and tax litigations and involved our internal team to review the nature of such litigations and claims, their current status, sustainability, examining recent orders and/ or communication received from various tax authorities/ judicial forums and follow up actions thereon and likelihood of claims/ litigations materializing into eventual liability upon final resolution, from the available records and developments to date.

Information other than the consolidated financial statements and Auditors' report thereon

5. The Parent Bank's management and Board of Directors are responsible for the other information. The other information comprises the Corporate Governance Report, which we obtained at the time of issuance of this auditors' report, and the Directors' Report including annexures, and Management Discussion and Analysis which is expected to be made available to us after that date but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and the Pillar 3 disclosures under Capital Adequacy Framework (Basel III disclosures) and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of auditor's report, we conclude that there is a material misstatement of this information, we are required to report that fact. We have nothing to report in this regard.

When we read the Directors' Report including annexures, and Management Discussion and Analysis, if we conclude that there is material misstatement therein, we are required to communicate the matter to those

charged with governance and determine the actions under the applicable laws and regulations.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

6. The Parent Bank's management and Board of Directors are responsible with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards issued by ICAI, and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ('RBI') from time to time ("RBI guidelines") and judicial pronouncements. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of

users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision,

and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of the misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

8. Incorporated in these consolidated financial statements are the:

- (a) We did not audit the financial statements / information of 1507 branches included in the standalone financial statements of the Parent Bank whose financial statements / financial information

reflect total assets of ₹ 2,07,308 crore as at 31st March 2023 and total revenue of ₹ 6,763 crore for the year ended on that date, as considered in the standalone financial statements. The financial statements / information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors.

- (b) In the conduct of our audit, we have taken note of the unaudited returns in respect of 2966 branches included in the standalone financial statements of the Parent Bank certified by the respective branch's management whose financial statements / information reflect total assets of ₹ 90,252 crore as at 31st March 2023 and total revenue of ₹ 5,393 crore for the year ended on that date.
- (c) We did not audit the financial statements / information of one subsidiary whose financial statement reflects total assets of ₹ 47.36 crore as at 31st March 2023 and total revenues of ₹ 3.52 crore for the year ended on that date as considered in the consolidated financial statements. These financial statements / information have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the report of the other auditors.
- (d) We did not audit the financial statements / information of one subsidiary whose financial statement reflects total assets of ₹ 1504.11 crore as at 31st March 2023 and total revenues of ₹ 140.93 crore for the year ended on that date as considered in the consolidated financial statements. These financial statements / information are unaudited and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on such unaudited financial statements certified by the management.
- (e) The consolidated financial statements include the Group's share of net profit of ₹ 31.63 crore for the year ended 31st March 2023 in respect of 2 associates, whose financial statements / financial information have not been audited by us. These financial statements are audited by other auditors and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates is based solely on such audited financial statements certified by the other auditors. In our opinion and

according to the information and explanations given to us by the management, these financial statements are not material to the Group.

- (f) The consolidated financial statements include the Group's share of net profit of ₹ 47.43 crore for the year ended 31st March 2023 in respect of one joint venture, whose financial statements/ financial information have not been audited by us. These financial statements are unaudited and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates is based solely on such unaudited financial statements certified by the management. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

9. The consolidated Balance sheet and the consolidated Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949.
10. Subject to the limitations of the audit indicated in paragraphs 6 to 8 above and as required by the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970/1980, and subject also to the limitations of disclosure required therein, we report that:

SCHEDULE 17 - SIGNIFICANT ACCOUNTING POLICIES

A. Background

Central Bank of India (the Bank) is a body corporate registered under the Banking Companies (Acquisition and Transfer of Undertaking) Act, 1970 and is regulated by Reserve Bank of India. The principal business is providing banking and financial services with wide range of products and services to individuals, commercial enterprises, large corporates, public bodies and institutional customers. The business is conducted through its branches in India. The equity shares of the Bank are listed at BSE Limited and National Stock Exchange of India Limited.

B. Basis of preparation:

The financial statements have been prepared by following the going concern concept on the historical cost basis except in respect of the revaluation of premises and conform, in all material aspects, to Generally Accepted Accounting Principles (GAAP) in India, which encompasses applicable statutory provisions, regulatory norms prescribed by Reserve Bank of India (RBI) including those prescribed by the Banking Regulation Act 1949, National Housing Bank Act 1987, the Housing Finance Companies (NHB) Directions 2010, Companies Act 2013, Accounting Standards (AS) and pronouncements issued by The Institute of Chartered Accountants of India (ICAI) and the prevailing practices within the Banking industry in India.

C. Basis of Consolidation

Consolidated financial statements of the Group (comprising of 2 Subsidiaries, 2 Associates [including 2 RRBs]) and 1 JV have been prepared on the basis of:

- Audited financial statements of Central Bank of India (Parent)
- Line by line aggregation of like items of assets, liabilities, income and expenses of the subsidiaries with the respective item of Parent and after eliminating all material intra-group balances/ transactions, unrealized profit/ losses as per Accounting Standard 21 "Consolidated Financial Statement" issued by the ICAI.
- Investments in associates, where the group holds 20% or more of the voting power has been accounted by using the equity method in terms of Accounting Standard – 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI. The financial statements of the Indo Zambia Bank Limited, an Associate, have been prepared in accordance with the local regulatory requirements/ International Financial Reporting Standards. Financial statements received from these associates form the sole basis for their incorporation in these consolidated financial statements.

- The Accounting year of the Associate, viz. Indo Zambia Bank Ltd. is calendar year. In case accounting year of Associates are different than that of Parent Bank, proportionate share of profit/ loss is taken based on audited figures of audited period and for unaudited period proportionate share of profit/ loss is taken based on unaudited figures.
- The consolidated financial statements are prepared using uniform accounting policies for like transaction and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate Financial Statements except as otherwise stated.

Minority interest in the net assets of consolidated subsidiaries consist of:

- The amount of equity attributable to the minority as at the date on which investments in a subsidiary is made, and
- The minority share of movements in equity since date of parent-subsidiary relationship came into existence.

D. Use of estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses for the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Differences between the actual results and estimates are recognised in the year in which the results are known/ materialised.

D. Significant accounting policies:

1. Cash and Cash equivalents:

Cash and cash equivalents include cash in hand and ATMs, balances with the Reserve Bank of India, balances with other banks and money at call and short notice.

2. Revenue recognition:

I Parent Bank

2.1 General

Income/ expenditure is generally accounted for on accrual basis except for income accounted on cash basis as per regulatory provisions.

2.2 Income from investments

- The Profit or loss on sale of investments is recognised in the Profit and Loss Account. In accordance with the guidelines issued by the Reserve Bank of India, profit on sale of investments in the Held to Maturity (HTM) category is appropriated (Net of applicable taxes and amount required to be transferred to "Statutory Reserve Account") to the "Capital Reserve Account".

- b) Income (other than interest) on investments in "Held to Maturity (HTM)" category acquired at a discount to the face value, is recognised as follows:
 - (i) on interest bearing securities, it is recognised only at the time of sale/ redemption.
 - (ii) on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- c) Dividend income is recognized when right to receive the dividend is established.
- d) Upside on security receipts is recognised on realisation as 'Other income'.

2.3. Sale of financial assets

Financial Assets sold are recognized as under:

- a) The sale of NPA is accounted as per guidelines prescribed by RBI. When the Bank sells its financial assets to Securitisation Company (SC)/ Reconstruction Company (RC), the same is removed from the books.
- b) In case the sale to SC/ARC is at a price lower than the Net Book Value (NBV) the shortfall is charged to the Profit and Loss Account in the year of sale.
- c) In case the sale is at a price higher than the NBV on cash basis, the surplus is taken to the credit of Profit and Loss Account.

2.4. Fee based income

Commission on letters of credit, bank guarantee and deferred payment guarantee are recognised on accrual basis proportionately over the period. All other commission and fee income are recognised on their realisation.

2.5 Others

- a) Interest on income tax refund is accounted on receipt of refund order(s)/ intimation from Income Tax Department and acceptance by the Bank.
- b) Provision for interest payable on overdue deposits is made as per Reserve Bank of India guidelines.

II Subsidiaries

- a) In case of Cent Bank Home Finance Ltd., the subsidiary, income recognition on Loans and Advances are made on the basis of Prudential norms laid down by National Housing Bank (NHB).
- b) In case of Cent Bank Home Finance Ltd., the subsidiary, income from fee and other charges viz. login fee, penal interest on overdue, prepayment charges, interest on income tax refunds and other income etc. are recognized on receipt basis.
- c) In case of Centbank Financial Services Ltd., the subsidiary, income in relation to

Executor Trusteeship business is accrued on occurrence of transactions relating to trust account. Revenue from debenture and security trusteeship services is recognized on period basis and accounted on accrual basis except the income from debenture trusteeship business of suit filed and/or BIFR companies, which is accounted on receipt basis.

3. Advances:

I Parent bank

3.1 Based on the guidelines/ directives issued by the RBI, loans and advances are classified as performing and non-performing, as follows:

- a) The term loan is classified as a non-performing asset, if interest and/ or instalment of principal remains overdue for a period of more than 90 days.
- b) An overdraft or cash credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days, or if the credits are not adequate to cover the interest debited during the previous 90 days period.
- c) The bills purchased/ discounted are classified as non-performing asset if the bill remains overdue for a period of more than 90 days.
- d) The agricultural advances are classified as a non-performing if, (i) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (ii) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 Non-performing assets are classified into sub-standard, doubtful and loss Assets, based on the following criteria stipulated by RBI:

- a) Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- b) Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- c) Loss: A loan asset where loss has been identified but the amount has not been fully written off.

3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Sub-standard assets:

- i. A general provision of 15% on the total outstanding.
- ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio).

- iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.

Doubtful Assets:

- Secured portion:

Up to one year	25%
One to three years	40%
More than three years	100%

- Unsecured portion 100%

Loss Assets 100%

- 3.4 Advances are shown net of provisions (in case of NPA), Unrealised Interest, amount recovered from borrowers held in Sundries and claims received from CGTSI/ ECGC, etc.
- 3.5 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which inter alia require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The provision for diminution in fair value and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.6 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 Additional provisions higher than regulatory norms are made in specific assets in view of the identified weakness and/ or prevailing economic situation.
- 3.10 Partial recoveries in non-performing account (including partially written off accounts) are appropriated in the following order:
- Principal Overdues / Irregularities
 - Unrealised interest
 - Partial Written Off principal
 - Uncharged Interest
 - Unrealised charges
- In case of suit filed/SARFAESI/ recalled accounts, recovery is appropriated in the following order:
- Ledger outstanding balance
 - Unrealised interest
 - Partial Written Off principal
 - Uncharged Interest
 - Unrealised charges

However, where any borrower account is required to be classified as non-performing from an earlier date, any recovery till the account was classified as Standard is first credited to Interest on Loans and Advances [viz. Scheme for sustainable Structuring of Stressed assets (S4A), Strategic Debt Restructuring, Flexible Structuring of Long-Term Project Loan (5/25), Change of Ownership of Borrowing Entities (outside Strategic Debt Restructuring Scheme)].

II Subsidiaries

- In case of Cent Bank Home Finance Ltd., the subsidiary, provisions on Loans and Advances are made on the basis of Prudential norms laid down by National Housing Bank.
- In case of Cent Bank Home Finance Ltd., the subsidiary, Interest income is recognized on accrual basis except in case of Non-Performing Assets (NPA) where interest is accounted on realization. In loans, the repayment is received by the way of Equated Monthly Instalments (EMIs) comprising principal and interest. Interest is calculated on the outstanding balance at the beginning of the month. EMI commences once the entire loan is disbursed. Pending commencement of EMI, pre-EMI monthly interest is charged. Recovery in case of NPA is appropriated first towards interest portion of overdue EMIs and thereafter towards principal portion of overdue EMIs.

4 Provision for country exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

5. Investments:

I Parent bank

Investments are accounted for in accordance with the extant guidelines of investment classification and valuation, as given below:

5.1 Classification:

In accordance with the guidelines issued by the Reserve Bank of India, Investments are classified into "Held to Maturity (HTM)", "Held for Trading (HFT)" and "Available for Sale (AFS)" categories.

For disclosure in the Balance Sheet in Schedule 8, investments are classified as Investments in India and outside India.

Under each category, the investments in India are further classified as

- a) Government Securities
- b) Other Approved Securities
- c) Shares
- d) Debentures and Bonds
- e) Subsidiaries, joint ventures and sponsored institutions; and
- f) Others (Commercial Papers and units of Mutual Funds etc.)

The investments outside India are further classified under 3 categories

- a) Government Securities
- b) Subsidiaries and Joint Ventures
- c) Other Investments

5.2 Basis of Classification:

Classification of an investment is done at the time of purchase into the following categories:

- a) Held to Maturity: Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)".
- b) Held for Trading: Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)".
- c) Available for Sale: Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- d) Transfer of Securities between categories: An investment is classified as HTM, HFT or AFS at the time of purchase and subsequent shifting amongst categories is done in conformity with the regulatory guidelines.
- e) Investments in subsidiaries, joint ventures and sponsored institutions are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. Such investments are classified as AFS.

5.3 Valuation:

The transactions in all securities are recorded on a Settlement Date and cost is determined on the weighted average cost method.

- a) Incentive, front-end fees etc., received on purchase of securities are reduced from the cost of investments.
- b) Expenses such as brokerage, fees, commission or taxes incurred at the time of acquisition of securities are charged to the Profit and Loss Account as revenue expenses.
- c) Broken Period interest paid/ received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.
- a) Valuation of investments classified as Held to Maturity: The investments classified under this

category are carried at acquisition cost. The excess of acquisition cost / book value over the face value is amortised over the remaining period of maturity. Such amortisation of premium is accounted as expense.

Investments (in India and abroad) in subsidiaries, joint ventures and associates are valued at historical cost. A provision is made for diminution, other than temporary in nature, for each investment individually.

Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).

- b) Valuation of investments classified as Available for sale and Held for Trading: Investments classified as Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation if any, of each group for each category (viz.(i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored.
- c) Valuation policy in event of inter category transfer of investments:
 - i) Transfer of securities from HFT/ AFS category to HTM category is carried out at the lower of acquisition cost/ book value/ market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
 - ii) Transfer of securities from HTM category to AFS category is carried out on acquisition price/ book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, is provided, in the Profit and Loss Account.
- d) Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:
 - i) The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
 - ii) SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
- e) Treasury Bills and Commercial Papers are valued at carrying cost.

5.4 Investments (NPI):

Investments are classified as performing and non-performing, based on "Classification, Valuation and Operation of Investment Portfolio of Commercial Banks (Directions), 2021" (as amended) and "Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances", as under:

- a) Interest/ instalment (including maturity proceeds) is due and remains unpaid for more than 90 days. The same is applied to preference shares where the fixed dividend is not paid.
- b) In the case of equity shares, in the event the investment in shares of any company is valued at Re. 1 per company on account of non-availability of the latest balance sheet, those equity shares would be reckoned as NPI.
- c) The Bank also classifies an investment as a non-performing investment, in case any credit facility availed by the same borrower/ entity has been classified as a non-performing asset and vice versa.
- d) The investments in debentures/ bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.

5.5 Accounting for Repo/ Reverse Repo transactions

The Bank enters into repurchase and reverse repurchase transactions with RBI under Liquidity Adjustment Facility (LAF) and also with market participants. Repurchase transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse repurchase transactions on the other hand represent lending funds by purchasing the securities.

- a) The securities sold and purchased under Repo/ Reverse Repo are accounted as overnight Tri-party Repo (TREPS) dealing and settlement.
- b) However, securities are transferred as in the case of normal outright sale/ purchase transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries.
- c) The above entries are reversed on the date of maturity. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at call & short notice).
- d) Interest expended/ earned on Securities purchased/ sold under LAF with RBI is accounted for as expenditure/ revenue.

II Subsidiaries

In case of Subsidiaries, the Investments are classified as current and non-current Investments. Current Investments are carried at lower of cost or market value and non-current investments are carried at cost. Provision for diminution, if any, in the value of the non-current investment is made only, if the diminution in the

value is of permanent nature.

6. Derivatives:

The Bank enters into derivative contracts, such as interest rate swaps, currency swaps and cross currency swaps in order to hedge on balance sheet/ off-balance sheet assets and liabilities or for trading purposes.

6.1 Derivatives used for hedging are accounted as under:

- a) In cases where the underlying assets/ liabilities are marked to market, resultant gain/loss is recognised in the Profit and Loss Account.
- b) Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/ liabilities are also marked to market.
- c) Gain or losses on the termination of Swaps are recognised over the shorter of the remaining contractual life of the swaps or the remaining life of the assets/ liabilities.

6.2 Derivatives used for trading are accounted as under:

- a) Currency futures and interest rate futures are marked to market on daily basis as per exchange guidelines of MCX-SX and NSE.
- b) Mark to market profit or loss is accounted by credit/ debit to the margin account on daily basis and the same is accounted in the Bank's profit and loss account on final settlement.
- c) Trading swaps are marked to market at frequent intervals. Any mark to market losses are booked and gains, if any, are ignored on net basis.
- d) Gains or losses on termination of swaps are recorded immediately as income/ expense under the above head.

7. Transactions involving foreign exchange:

7.1 Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency.

7.2 Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India ("FEDAI") closing (spot/ forward) rates and the resultant profit or loss is recognised in the Profit and Loss Account.

Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.

Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.

7.3 Outstanding foreign exchange spot and forward contracts are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.

7.4 Foreign exchange forward contracts which are not intended for trading and are outstanding at the balance sheet date, are valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.

7.5 Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.

7.6 Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the profit and loss account.

8. Fixed assets and depreciation:

I Parent bank

8.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation.

Cost includes cost of purchase and all expenditure such as site preparation, installation costs, taxes and professional fees incurred on the asset before it is put to use.

8.2 Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability.

8.3 Fixed Assets are depreciated under 'Written Down Value Method' at the following rates (other than computers which are depreciated on Straight Line Method):

- a. Premises At varying rates based on estimated life
 - a) Furniture, Lifts, Safe Vaults 10%
 - b) Vehicles, Plant & Machinery 20%
 - c) Air conditioners, Coolers, Typewriters etc. 15%.
 - d) Computers including Systems Software 33.33%

(Application Software is charged to the Revenue during the year of acquisition.)

8.4 Other fixed assets are depreciated on Straight Line Method on the basis of estimated useful life of the assets.

8.5 Land acquired on lease for over 99 years is treated as freehold land and those for 99 years or less is treated as leasehold land. Cost of leasehold land is amortized over the period of lease.

8.6 Where it is not possible to segregate the cost of land and premises, depreciation is charged on the composite cost.

8.7 In case of assets, which have been revalued, the depreciation/ amortization is provided on the revalued amount and is charged to the Profit and Loss Account. Amount of incremental depreciation/ amortization attributable to the revalued amount is transferred from

'Revaluation Reserve' and credited to 'Revenue and Other Reserves'.

8.8 Depreciation on additions to assets, made upto 30th September is provided for the full year and on additions made thereafter, is provided for the half year.

No depreciation is provided on assets sold before 30th September and depreciation is provided for the half year on assets sold after 30th September.

8.9 The Bank considers only immovable assets for revaluation. Properties acquired during the last three years are not revalued. Valuation of the revalued assets is done every three years thereafter.

8.10 The increase in net book value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account.

Additional depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to Other Revenue Reserve.

8.11 The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

II Subsidiaries

a) Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost includes all expenses incidental to expenses to the acquisition of fixed assets.

b) Depreciation on fixed assets has been provided on straight line method at the rates specified in Schedule II to the Companies Act, 2013 except in case of Centbank Financial Services Ltd., the subsidiary, intangible assets have been amortized considering the economic life of the asset to be 5 years by the Management and amortized accordingly.

9 Leases:

Leases where risks and rewards of ownership are retained by lessor are classified as Operating Lease as per AS-19 (Leases). Lease payments on such lease are recognised in Profit and Loss account on a straight-line basis over the lease term in accordance with AS 19.

10 Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net discounted cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

11. Employee Benefits:

11.1 Employee benefits are accrued in the year services are rendered by the employees.

11.2 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

11.3 Defined benefit plans:

The Bank operates Gratuity and Pension schemes which are defined benefit plans.

- a) The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation.
- b) The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- c) The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/ losses are immediately recognised in the Profit and Loss Account and are not deferred.
- d) When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

Liability for long term employee benefit under defined benefit scheme such as contribution to gratuity, pension fund and leave encashment are determined at close of the year at present value of the amount payable using actuarial valuation technique.

- e) Actuarial gain/losses are recognised in the year when they arise.

11.4 Defined Contribution Plan:

Provident fund is a defined contribution as the bank pays fixed contribution at predetermined rates. The obligation of the bank is limited to such fixed contribution. The contributions are charged to Profit and Loss account.

National Pension Scheme which is applicable to employees who have joined bank on or after 01.04.2010 is a defined contribution scheme. Bank pays fixed contribution at pre-determined rate. The obligation of the bank is limited to such fixed contribution. The contribution is charged to Profit and Loss Account

12. Accounting for Taxes on Income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The provision for tax for the year comprises of current tax liability computed in accordance with the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively.

Deferred tax is recognized on timing differences between taxable income and accounting income that originate in one period and is capable of reversal in one or more subsequent periods. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets will be realised.

Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess its realization. Disputed tax liabilities are accounted for in the year of finality of assessment/ appellate proceedings and till such times they are shown as contingent liability. The impact of changes in deferred tax assets and liabilities is recognised in the Profit and Loss Account.

13. Sundry Unallocated Income and Proceeds

In case of Centbank Financial Services Ltd., the subsidiary, the amounts received on behalf of beneficiaries of whom details about the beneficiaries cannot be ascertained, such amounts have been accounted in nominal account “Sundry Party Unclaimed Dividend / Interest” and “Unallocated / Unclaimed Proceeds on Redemption of Securities”.

As and when the details are received from the payer about the beneficiaries, the amount is transferred to the respective beneficiary account.

14. Provisions, Contingencies and Contingent assets:

14.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation as a

result of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

14.2 No provision is recognised for:

- any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- any present obligation that arises from past events but is not recognised because:
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as contingent liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

14.3 Provision for reward points in relation to the debit card holders of the Bank is made on estimated basis.

13.4 Contingent assets are neither recognised nor disclosed in the Financial Statements.

15 Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

16 Segment Reporting

The Bank recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 – “Segment Reporting” issued by The Institute of Chartered Accountants of India.

17 Earnings per Share:

- The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the Institute of Chartered Accountants of India. Basic Earnings per Share is computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.
- Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per equity share is calculated by using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

4. Compliance with Accounting Standards

The following information is disclosed in terms of Accounting Standards issued by The Institute of Chartered Accountants of India.

4.1 Accounting Standard – 5 “Net Profit or Loss for the period, Prior Period Items, and Changes in Accounting Policies”

The financial statements for the year ended March 31, 2023 have been prepared following the Accounting Policies and practices as those followed in the annual financial statements for the year ended March 31, 2022 except for accounting of Performance Linked Incentives (PLI). Until the financial year 2021-22, PLI was accounted for on cash basis and from financial year 2022-23 the PLI is accounted for on accrual basis. This change in accounting policy has resulted in decrease in profit before tax by ₹ 104.24 crore for year ended March 31, 2023.

4.2. Accounting Standard 9 – Revenue Recognition

Certain items of income are recognized on realization basis as per significant accounting policy no.9. However, the said income is not considered to be material.
