Dear Shareholder,

DESPATCH OF DOCUMENTS TO YOU THROUGH THE ELECTRONIC MODE

The Ministry of Corporate Affairs (“MCA”) has now expressly permitted companies to effect service of documents of shareholders through the electronic mode by giving each shareholder an opportunity to register with the Company his / her e – mail address.

We, therefore, plan to send documents such as the Annual Report, Notices of General Meetings, Circulars and Postal Ballot Notices by e – mail to those shareholders whose e-mail IDs are available with us.

The MCA has clarified that service of documents on shareholders through e – mail will constitute sufficient compliance with the provisions of the Companies Act, 2013.

In view of the above, should you desire to receive documents from the company through the electronic mode, please send us an e – mail at investors@indiantoners.com stating either your Folio No. or your DPID and Client ID Numbers. Shareholders holding shares in the dematerialized form should ensure that their e–mail ids appear in the records of their Depository Participant (“DP”) also. You may, however, change your instructions at any time and request us to send you documents in the physical form only.

The documents that we propose e – mailing you, will also be available for ready access on our website www.indiantoners.com

We trust as a responsible citizen you will join us in our initiative to conserve the environment through the curtailment of consumption of paper.

Thanking You,

Yours faithfully,
for **INDIAN TONERS & DEVELOPERS LTD.**

OPERATIONS

During the Financial Year ended March 31, 2023, your Company recorded a standalone turnover of Rs. 15517 Lacs as compared to turnover of Rs.11899 Lacs during the previous Financial Year ended March 31, 2022. Out of this, 19% of revenue was from Exports and rest from Domestic Sales. Revenue from operations for the year ended 31 March, 2023 has increased by 30.41% over the corresponding period of last year. During the year, the production and sales in quantity was also higher by 20.91% and 19.10% respectively as compared to last year.

The net profit of your Company for the Financial Year ended March 31, 2023 stood at Rs.2631 Lacs as against the net profit of Rs. 1894 Lacs for the Financial Year ended March 31, 2022, which was higher by 38.91% than the previous year.

The all time high performance of your Company was the result of :

1. Overall growth in demand of compatible toners which resulted in higher production and sales
2. Anti-Dumping Duty imposed on imports from some countries
3. End of lockdown
4. Full revival of the severely impacted manufacturing and marketing activities
5. Focus on exercising better control over fixed cost.
6. Steps taken to improve efficiencies to make the operations more profitable.

Your Company continued to be India's leading and most preferred compatible TONER brand. Your Company keeps on investing in understanding customer needs through intensive customer interactions and research and uses the knowledge in effectively delivering customer need based solutions.

UTILISATION OF SURPLUS FUNDS

For the last 3 years, the company is regularly utilizing the surplus funds for the benefit of the shareholders of the company and in the expansion plans to increase the production capacity. Two years back, the company rewarded the shareholders with an offer of buy back and during the last 2 years, your company is continuously investing in

expansion with a goal to increase the production capacity to 5400 MT. This is in addition to the uninterrupted dividend of 30% every year since financial year 2017-18 which has now been increased to 35% in the financial year ended 31.03.2023.

The production capacity of your company increased to 4800 MT as on 31.03.2023 which will further increase to 5400 MT during the current year with the installation of one more line in Unit I which will start production by the end of second quarter, 2023.

The year by year increase in the production capacity of your company is as under:-

Year ended	Unit I	Unit II	Total
31.03.2021	1200 MT	2400 MT	3600 MT
31.03.2022	1200 MT	2400 MT	3600 MT
31.03.2023	2400 MT	2400 MT	4800 MT

Apart from the expansion, the Management of your Company is in touch with various agencies to explore opportunities to invest in some new projects and other activities as part of diversification plan.

YEAR OF SUCCESS

In our last Directors Report for the year ended 31.03.2022, we mentioned how your company went through period of crises which resulted in overall down turn in the performance of the company.

The combined efforts of the management and the entire team in cutting cost and introduction of cost saving projects started giving wonderful results. It motivated everyone to do more and more which not only recovered the lost shortfall of the previous years but also went ahead to prove that joint and combined efforts can do miracle. The production was high, costs were under control, sales crossed it's previous targets to surpass the all top and bottom line figures. There was a sigh of relief all over and a smile on the face of every member of ITDL family clearly indicating a sense of achievement and an assurance to do more and more in future. The figures for the year ended 31.03.2023 are before you and speak for themselves of the success.

DIVIDEND

The Board had recommended an interim dividend of **Rs. 3.50/-** per equity share (**35%** of face value of Rs. 10), which is also the final dividend for the year under review.

PUBLIC DEPOSITS

During the year under review, your Company has neither invited nor accepted any fixed deposits from the public within the meaning of Section 73 of the Companies Act, 2013, read with the Companies (acceptance of Deposits) Rules, 2014.

FUTURE OUTLOOK AND PLANS

Business in imaging industry should remain stable in the long term. However, in the short term there may be some concern because of the time taken for the commercial activities to resume fully after lock down. India still remains a largely under-penetrated market as compared to the developed countries giving us the visibility for long term growth With 120+ Distributors and 60+ dealers spread throughout the country we are at the fore-front to satisfy this huge gap. We are also working on the development of compatible copier color toner. Post covid, the export market also looks more robust as most customers are looking for alternate suppliers to strengthen their supply chain.

WHOLLY OWNED SUBSIDIARY

As informed earlier, the Wholly Owned Subsidiary (WOS) Indian Toners USA Company has been closed. RBI has introduced new regime in the month of August, 2022 accordingly disinvestment approval for WOS by automatic route via Authorized Dealer Bank is prescribed and we submitted all requisite documents and forms to Authorized Dealer Bank and the Letter of Disinvestment is awaited from State Bank of India, Specialized ODI-FDI Cell, Mumbai.

RESEARCH AND DEVELOPMENT ACTIVITIES

Your Company continued the research and development activities during the year in the key areas of product, process and material development. Your Company has always given prime importance to Research & Development which is the basis of your Company's success. With the help of the Pilot Plant, your Company has successfully developed new quality products at competitive prices to face the global competition and is very optimistic to develop many more products in the times to come.

Continuing recognition by the Department of Scientific and Industrial Research, Ministry of Science & Technology to your In – House R & D Unit is a moral boosting and an encouraging feature for the team of your Research & Development Centre.

During the year the Company has incurred R & D expenses of Rs. 82.37 Lacs in various heads in addition to Rs. 35.66 Lacs for purchase of capital items. Your Company has exhaustive programme of R & D activities in the coming years.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
INDIAN TONERS AND DEVELOPERS LIMITED
10.5 KM MILESTONE, RAMPUR-BAREILLY ROAD,
RAMPUR. UP New Delhi UP 000000

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **INDIAN TONERS AND DEVELOPERS LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to me and the representations made by the Management, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

ANNEXURE - 3 TO DIRECTORS' REPORT

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

INDUSTRY AND OUTLOOK

The Company manufactures Compatible Toners for Photocopiers, Laser Printers and Digital Multi-function printers. The Company has two manufacturing plants in Rampur (U.P.) and Sitarganj (Uttarakhand) and caters to the needs of both the domestic and export markets.

The long term aim of the Company is to strengthen its established brand image by offering customers quality products at reasonable prices. The aim of the Quality Policy of the Company is to provide satisfaction to its customers. To achieve this, the Company is committed to develop, produce and market products that cater continuously to the need and expectations of customers and giving the Company competitive advantage. The R & D team of the Company is giving good results as the Company has developed several new products at competitive prices which helps in facing competition and boosting export.

KEY STRENGTHS:

ITDL - SUPREMO the flagship brand of the Company for toner products has a strong presence in the market and a high recall among customers. The products have a reputation of being highly superior quality.

A dedicated team of engineers and scientists always strive to improve existing products or create new products. They also ensure quality control.

A wide distribution network of more than 120 distributors and retail dealers.

A dedicated customer care team for prompt and quality after-sales service, informing customers about new technologies and helping them choose products based on their specific needs through scientific analysis.

A team of highly qualified professionals and top management who tirelessly work to maintain quality and enhance customer satisfaction.

Cost saving projects in every field to control costs.

RISKS & CONCERNS

Risk of heightened competitive activity from existing players at home and overseas.

Since substantial raw materials of the Company is imported, Foreign Exchange fluctuations, increase in oil prices and international freight etc. may have

adverse impact on the cost of manufacture of the Co.'s products. The Company's ability to pass on the cost increase by corresponding increase in the selling prices of its products is a constraint due to tough competition. However, our imports and exports are almost equal and therefore, we are more or less naturally hedged and are not much affected.

MITIGATION

The Company has been regularly assessing the threats, risks and concerns it is exposed to as well as keeping adequate strategy in place to mitigate the same.

The top management has extensively monitored, involved and continuously evolved effective strategies for mitigation of above mentioned risks.

The Company invests in technology to ensure it stays ahead of competition.

Continuous focus on R&D has led to development of innovative products and use of scientific analysis to assist customers in choosing right products.

The Company procures its key raw materials in bulk quantity leveraging its huge scale of operations. This helps it to source the raw materials at most competitive rates.

The Company enjoys long-standing relationship with large suppliers ensuring unhindered supply of materials at competitive rates

OPPORTUNITIES & THREATS

Exports present a big opportunity for the Company for increasing the capacity utilisation and improving profitability. The Company has taken several steps to increase its presence in many countries.

On the domestic front also, there is an opportunity to further increase the market share because of the well-established brand image and support due to anti-dumping duty.

The Company has increased its production capacity to 5400 MT as planned.

Risk of imports of low priced toners coming into the domestic market has always been there. Imposition of Anti-Dumping Duty by the Govt. on black toner in powder form during the year has covered the risk to some extent.

The company is expected to keep up the current momentum in terms of its business projections.

No major threats are envisaged and the company is quite optimistic on future growth opportunities.

QUALITY:

ITDL has continuously invested in processes, people, training, information systems, quality standards, frameworks, tools and methodologies to mitigate the risks associated with Toner Trade. Adoption of quality models and practices for processes have ensured that risks are identified and mitigated at various levels in the planning and execution process.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

There is only one segment in the company i.e. manufacturer of toner.

DISCUSSION ON FINANCIAL PERFORMANCE

The revenue from operations for the year were Rs. 15517 Lacs. The Company earned a profit before tax of Rs. 3410 Lacs. The nearly debt free status of the Company and improved liquidity resulted in significantly lowering the finance cost.

As informed earlier, the Wholly Owned Subsidiary (WOS) Indian Toners USA Company has been closed and the final communication is awaited from State Bank of India, Specialized ODI-FDI Cell, Mumbai.

For the Financial Year 2022-23, the Board had recommended an interim dividend of Rs. 3.50/- per equity share (35% of face value of Rs. 10), which is also the final dividend for the year.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has proper and adequate Internal Control System to ensure that its assets are safeguarded and that transactions are properly authorized, reported and recorded. The Company has also a system of internal audit and management reviews to ensure compliance with the prescribed procedures and authority levels and compliance with all rules, regulations and guidelines of the various Authorities.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES/INDUSTRIAL RELATION FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

Industrial relations remained cordial during the year. The total number of employees as on 31.03.2023 was 227 nos.

DISCLOSURE OF ACCOUNTING TREATMENT

The financial statements of the Company have been prepared to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. The management accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present the state of affairs, profits and cash flows for the year.

To,

The Members of

INDIAN TONERS & DEVELOPERS LIMITED

1. We, **B.K. SHROFF & COMPANY, CHARTERED ACCOUNTANTS**, the Statutory Auditors of **INDIAN TONERS & DEVELOPERS LIMITED** (the "Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March, 2023, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Securities and Exchange Board of India (Listing obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Management's Responsibility

2. The Compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

3. Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of corporate governance as stated in paragraph 2 above. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (ICAI), and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the code of Ethics issued by the ICAI.
5. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control of Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

6. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended 31st March, 2023.
7. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

TO THE MEMBERS OF INDIAN TONERS AND DEVELOPERS LIMITED

I Report on the Audit of Financial Statements for the year ended 31st March, 2023

1. Opinion

- A. We have audited the financial statements of **INDIAN TONERS AND DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").
- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its Profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in

our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Major portion of the company's business i.e. both export and import, is transacted in foreign currency and consequently the company is exposed to foreign exchange risk. Foreign currency exchange rate exposure due to its imports is substantially balanced by export of goods. We assessed the foreign exchange risk management policies adopted by the company. The company manages risk through formulating risk management objectives and policies which are reviewed by the senior management, Audit Committee and Board of Directors. Our audit approach was a combination of test of internal controls and substantive procedures to evaluate chances of minimizing the risk involved.

4. Information Other than the financial Statements and Auditor's Report thereon

- A. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Responsibilities of Management and Those Charged with Governance for the financial statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of company Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error
- B. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are responsible for overseeing the Company's with reference to financial statements process.

6. Auditor's Responsibilities for the Audit of the financial statements

- A. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always

detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or

conditions may cause the Company to cease to continue as a going concern.

- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - vi) Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- C. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- D. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- E. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by

the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

- 2.(A) As required by Section 143(3) of the Act, Based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;
- d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).
- e. On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (B) With respect to the other matters to be included in the Auditor's Report in accordance

with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements - Refer note no. 27 (b) & (c) to the financial statements
 - ii) The Company did not have long-term contracts including a derivative contract which was outstanding as at 31st March 2023.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv) Omitted.
 - v) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
 - (c) Based on such audit procedures as considered reasonable and appropriate in the nothing has come to our notice that has caused us to believe that the representations under sub- clause (v) (a) and (v) (b) contain any material mis-statement.
 - vi) The dividend declared or paid during the year by the company is in compliance with section 123 of the Act.
- (C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (D) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph II point 1 under “Report on Other Legal and Regulatory Requirements” section of our report to the members of INDIAN TONERS AND DEVELOPERS LIMITED of even date)

- i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
- (b) The Company has maintained proper records showing full particulars of Intangible Assets
- (c) As explained to us, physical verification of property, plant and equipment has been carried out by the company and no material discrepancies were noticed on such verification. In our opinion, this periodicity and manner of physical verification is reasonable having regard to the size of the company and the nature of its assets.
- (d) According to the information and explanations given to us, title deeds of immovable properties of the company are held in the name of the Company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year, hence provisions of clause (i) (a) are not applicable to the company.
- (f) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii) (a) The inventories (except goods in transit) have been physically verified during the year by the management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital facility limits in excess of INR five crores from banks during the year, hence this clause is not applicable.
- iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, paragraph of 3(iii) (a) to 3(iii) (f) of the Order are not applicable to the Company.
- iv) According to the information and explanation given to us, the company has no Investment, Loans and guarantees or security which required compliance of provisions of section 185 and 186 of the Companies Act, 2013, and as such clause (iv) of the Order is not applicable to the Company.
- v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of section 73, 74, 75 & 76 of the Act & rules framed thereunder during the year and hence paragraph of 3 (i) of the Order is not applicable to the Company.
- vi) Pursuant to the rules made by the central government of India, the company is required to maintain cost records as specified under section 148(1) of the act in respect of its products. We have broadly reviewed the same, and are of opinion that prima facie, the prescribed accounts and records have been made and maintained. However we have not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii) (a) According to the records examined by us, the

Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Goods & Service Tax, Duty Of Custom, Duty Of Excise, Cess and other statutory dues wherever applicable.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Income Tax, Duty Of Customs, Goods and Service Tax, Cess and other material statutory dues were in arrears as at 31st March 2023 for a period of more than six months from the date they became payable.

- (b) There are no disputed dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax or goods and service tax outstanding as at 31st March 2023 except the following (refer note no 37(B) and (c) to the financial statements.

Name of the statute	Nature of the dues	Period to which the amount relates	Amount (Rs in Lacs)	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	2020-21	23.01	Commissioner appeals
Custom Tariff Act-1975	Custom Duty	November, 2018 to June, 2020	408.28 {Refer note no:37(b)}	High Court, New Delhi

viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

ix) (a) Based on our audit procedures and according to the information given by the management, the company has not taken any loans or borrowings from any financial institution, bank, and government. The company has not issued debentures during the year. Therefore paragraph 3(viii) of the Order is not applicable to the Company.

- (b) According to the information and explanations

given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

- (c) In our opinion and according to the information and explanations given to us, the Company has not obtained term loans during the year. Accordingly, clause 3(ix) (c) & (d) of the order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph II point 2 A (f) under “Report on Other Legal and Regulatory Requirements” section of our report to the members of INDIAN TONERS AND DEVELOPERS LIMITED of even date)

Report on the Internal Financial Controls With reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **INDIAN TONERS AND DEVELOPERS LIMITED** (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an

audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A company’s internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the

company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company

has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as of March 31, 2023, based on the internal financial controls with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023**1 ACCOUNTING POLICIES****i) General Corporate Information:**

Indian Toners & Developers Limited is a Company domiciled and incorporated in India under the Indian Companies Act, 2013 and is in the business of manufacturing of Compatible Toners only. The Company's manufacturing units are located at Rampur & Sitarganj.

ii) Basis of preparation of financial statements:

a) The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the provisions of section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 under historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value, the provision of Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Historical cost is the generally based on the fair value of the consideration given in exchange for goods & services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation.

Accounting policies have been consistently applied except where a newly issued Indian accounting standard is initially adopted or are in violation of an existing Indian accounting standard requires a change in the accounting policy hitherto in use.

b) Functional and Presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (upto two decimals), except as stated otherwise.

iii) Use of Estimates

The preparation of the Financial Statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgment and assumptions affect the application of accounting policies and the reported amount of Assets and Liabilities and disclosure of Contingent Liabilities on the date of the Financial Statements and reported amounts of revenues and expenses for the year. Accounting estimate & underlying assumption are reviewed on an ongoing basis. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to financial statements.

iv) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. deferred tax Assets & Liabilities are classified as Non Current. All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023

- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

v) **Property, Plant and Equipments**

a) **Initial recognition and measurement**

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Property, plant and equipment are considered cost or deemed cost less accumulated depreciation/ amortization and accumulated impairment losses, if any except Land which is recognized at Fair value. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Stores and Spares received alongwith the plant or equipment & those purchased subsequently for specific machines & having irregular use are being capitalised & impairment.

Expenditure related to & incurred during implementation of capital projects is included under "Capital work in Progress". The same is allocated in a systematic basis to the respective fixed assets on completion of construction of fixed assets.

The Company assesses at each balance sheet date whether there is any indication that a Property, plant and equipment may have been impaired. If any such indication exists, the Company estimates the recoverable amount of the Property, plant and equipment. If such recoverable amount of the Property, plant and equipment or the recoverable amount of the cash generating unit to which the Property, plant and equipment belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the Asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

b) **Subsequent costs**

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

c) **Impairment**

Property, Plant and Equipments are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023**d) Depreciation/amortization**

Depreciation is recognized in statement of profit or loss on a straight-line basis over the estimated useful lives of each part of an item of Property, Plant and Equipment. Leasehold lands are amortized over the lease term unless it is reasonably certain that the Company will obtain ownership by the end of the lease term.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on Revalued Assets is calculated on their respective revalued amounts and is computed on the basis of remaining useful life as estimated by the valuer on straight line method.

The company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

• Leasehold Land	Lease Period
• Plant Buildings	30 years
• Plant & Equipment	20 years
• Furniture	10 years
• Office Equipment	5 years
• Computers	3 years
• Motor Vehicles	8 years
• Electric Installation	12 years
• RTU (Right to use)	5 years

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty to obtain ownership at the end of the lease term.

vi) Intangible Assets

Intangible Assets are recorded at the consideration paid for acquisition less accumulated amortization and accumulated impairment, if any. Amortization is recognized at Straight Line Basis over their estimated useful life's. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquire separately are carried at cost less accumulated impairment losses.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of profit and loss within other income/ expenses.

Depreciation

Intangible assets that are acquired by the company are measured initially at cost. After initial recognition, intangible assets are carried at its cost less any accumulated amortization and any accumulated impairment loss. Intangible assets are amortized on Straight Line Basis over a period of 3 years.

vii) Financial Instrument

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023**A Financial Assets****I Initial recognition and measurement**

All financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs are attributable to the acquisition or issue of the financial asset, otherwise charged to Statement of Profit & Loss.

II Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVTOCI).

b) Trade Receivables

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses wherever applicable. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

c) Debt instruments**i) Measured at amortized cost**

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the EIR method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the Statement of profit or loss.

ii) Measured at FVTOCI (Fair Value through OCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to profit and loss. Interest earned while holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii) Measured at FVTPL (Fair value through profit or loss)

Debt instruments does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023

The Company elects to classify the debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

III Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

IV Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit & Loss other than financials assets in FVTPL category.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition.

B Financial liabilities**I Initial recognition and measurement**

All financial liabilities are recognized at fair value . Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

II Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

III Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

viii) Revenue Recognition

Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products are transferred to the buyer, recovery of the consideration is reasonably assured and the amount of revenue can be measured reliably. Revenues are shown net of discounts.

Dividend income is recognized when the right to receive the income is established. Income from interest on deposits is recognized on time proportionate basis.

ix) Employee Benefits

The company's contribution to provident fund and pension fund, are charged on accrual basis to Statement of Profit & Loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023

- a) Expenses and Liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19 - Employee Benefits issued by the ICAI.
- b) Short-term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.
- c) Post employment and other long term employee benefits are recognised as an expense in the Statement of Profit and Loss for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account.

Defined benefit costs which are recognized in the statement of profit and loss are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements); and
- Net interest expense or income; and

Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. Leave Encashment payable at the end of the employment is also a post employment defined benefit plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

The retirement benefit obligation recognized in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reduction in future contributions to the plans.

The liability for termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023**x) Valuation of Inventories**

Inventories are stated at lower of cost or net realisable value. The cost for the purpose of valuation is computed on the basis of weighted average price. The cost of work-in-progress and finished goods comprises of raw materials, direct labour, other direct costs, cost of conversion and appropriate portion of variable and fixed production overheads and such other costs incurred as to bring the inventory to its present location and condition. Net realisable value is the estimate of the selling price in the ordinary course of business, less the estimated costs of completion/reprocessing and the estimated cost necessary to make the sale. The Allowance is estimated and made for defective and obsolete items wherever necessary based on the past experience of the company.

xi) Foreign Currency Transactions and Translations

- a) Initial Recognition: Foreign currency transactions are recorded in the reporting currency i.e Indian Rupee by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on/or closely approximating to the date of the transaction.
- b) Conversion: Foreign currency monetary items, if any are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- c) Exchange Difference: Exchange differences arising on the settlement / re-translation of monetary items, if any or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.
- d) Foreign Exchange Forward Contracts: Monetary Assets and Liabilities, if any are restated at the rate prevailing at the period end or at the spot rate at the inception of forward contract where forward cover for specific asset/liability has been taken and in respect of such forward contracts the difference between the contract rate and the spot rate at the inception of the forward contract is recognized as income or expense in Statement of Profit and Loss over the life of the contract. All other outstanding forward contracts on the closing date are mark to market and resultant loss is recognized as expense in the Statement of Profit and Loss. Mark to market gains, if any, are ignored. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense for the period.

xii) Contingent Liabilities & Contingent assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that may arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

xiii) Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of less than three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of cash in hand and balance with banks including margin money.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023

Others bank balance:- which include balances and deposit with banks that are restricted for withdrawal and usage.

xiv) Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

xv) Income Tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current Tax

Current tax expenses is based on the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at the Balance Sheet date and takes into consideration various deductions and exemptions to which the Company is entitled to as well as the reliance placed by the Company on the legal advices received by it. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the current year and reversal of timing differences for earlier years. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized. Deferred tax assets and deferred tax liabilities are offsets when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing tax laws.

xvi) Leases

- a) The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.
- b) The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the period of lease term.
- c) The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the incremental borrowing rate of the company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2023

- d) For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

xvii) Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

xviii) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the company. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

xix) Cash Flow Statement

Cash Flow are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the company are segregated.

xx) Key accounting estimates and judgements

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future Year.

B) Defined Benefit Plan

Gratuity

The company has a defined benefit gratuity plan. Every employee who has rendered continuous service of 5 years or more is entitled to gratuity at 15 day salary (15/26 * last drawn basis salary plus dearness allowances) for each completed year for five years or more subject to maximum of rupees 20 lakhs on superannuation, resignation, termination, disablement, or on death. The gratuity plan is a funded plan administered by a separate Fund that is legally separated from the entity and the Company makes contributions to the insurer (LIC). The Company does not fully fund the liability and maintains a target level of funding to be maintained over period of time based on estimations of expected gratuity payments.

Leave encashment

The company has a policy to pay leave encashment. Every employee is entitled to claim leave encashment after his/her retirement/termination which is calculated based upon no. of leaves taken. The company pays leave encashment on normal retirement for a maximum of 54 days or actual accumulation whichever is less.

Notes to the Financial Statements For The Year ended 31st March, 2023**B) Financial Risk management****Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the company's risk management framework.

The Company through three layers of defence namely policies and procedures, review mechanism and assurance aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit committee of the Board with top management oversee the formulation and implementation of the risk management policies. The risk are identified at business unit level and mitigation plan are identified, deliberated and reviewed at appropriate forums.

The Company has exposure to the following risks arising from financial instruments:

- **credit risk (see(i));**
- **liquidity risk (see(ii); and**
- **market risk (see(iii)).**

i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, Loan and investments.

a) The carrying amount of financial assets represents the maximum credit risk as on reporting date**Trade receivables and other financial assets**

The Company has established a credit policy under which new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

b) Provision for Expected credit loss:**(i) Financial assets for which loss allowance is measured using 12 month expected credit losses.**

With regard to all financial assets with contractual cash flows, other than trade receivables, management believes these to be high quality assets with negligible credit risk. The management believes that the parties from which these financial assets are recoverable, have strong capacity to meet the obligations and where the risk of default is negligible and accordingly no provision for excepted loss has been provided on these financial assets.

(ii) Financial assets for which loss allowance is measured using life time expected credit losses

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

Based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the credit risk for trade receivables is considered low. The Company estimates its allowance for trade receivable using lifetime expected credit loss.

ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to the Company's reputation.

The Company's treasury department is responsible for managing the short-term and long-term liquidity requirements. Short term liquidity situation is reviewed daily by the treasury department. Longer term liquidity position is reviewed on a regular basis by the Company's Board of Directors and appropriate decisions are taken according to the situation.
