NOTE:

1. In view of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. Further, for the purpose of technical compliance of the provisions of Section 96(2) of the Act, we are assuming the place of meeting as the place where the Company is domiciled, i.e., the Registered Office of the Company.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since, the AGM is being conducted through VC/OAVM pursuant to MCA Circular No. 14/2020 dated April 08, 2020, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Institutional/Corporate members are requested to send a duly certified copy of the Board Resolution pursuant to Section 113 of the Companies Act, 2013/Power of Attorney authorizing their representative(s) to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to gk.sons@hotmail.com with a copy marked to evoting@nsdl.co.in
4. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.

7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.nagreeka.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
8. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
9. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
10. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (the "Act") setting out material facts concerning the business under Item Nos. 3 to 6 of the accompanying Notice, is annexed hereto and forms part of the notice.
11. Brief details of the Directors, who are seeking appointment/re-appointment, are annexed thereto as per the requirements of Regulation 36(3) of the SEBI (LODR) Regulations, 2015 and clause 1.2.5 of Secretarial Standard 2 issued by ICSI.
12. SEBI vide its Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8th June, 2018 & Notification No. SEBI/LAD-NRO/ GN/2018/49 dated 30th November, 2018 amended Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which provides that from 1st April, 2019 transfer of securities would not be processed unless the securities are held in the dematerialized form with a depository. In view of the same, now the shares cannot be transferred in the physical mode. Hence, Members holding shares in physical form are requested to dematerialize their holdings immediately. However, Members can continue to make request for transmission or transposition of securities held in physical form. In addition to transferability, dematerialization provides other benefits including easy liquidity, ease of trading and transfer, savings in stamp duty and elimination of any possibility of loss of certificates and bad deliveries.
13. Pursuant to the provisions of the Section 124 and 125 of the Companies Act, 2013, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") read with the relevant circulars and amendments thereto, dividend which remain unpaid/unclaimed for a period of 7 years from the date of transfer of the same to the Company's unpaid dividend account is required to be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. The Company had, accordingly, transferred dividend remaining unpaid and unclaimed dividend, upto the financial year 2012-13, to the IEPF. The following are the details of dividends paid by the Company and respective due dates for claim by the shareholders:

Financial year Ended	Date of declaration of Dividend	Last date for claiming unpaid	Due date for transfer to IEPF
31/03/2014	10/09/2014	30/09/2021	16/10/2021

14. Details of the unpaid/ unclaimed dividend are also uploaded on the website of the Company at www.nagreeka.com. Members who have not encashed their Dividend Warrants for the aforesaid financial year are requested to make their claims to the Company at compsect.nel@nagreeka.com or to the Registrar & Transfer Agents, Maheshwari

Datamatics (P) Ltd., 23, R.N. Mukherjee Road, 5th Floor, Kolkata - 700 001. Phone Nos. 2248-2248, 2243-5809 E-mail-mdplc@yahoo.com

15. SEBI vide its Circular No. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20th April, 2018 has mandated that for making dividend payments, companies whose securities are listed on the stock exchanges shall use electronic clearing services (local, regional or national), direct credit, real time gross settlement, national electronic funds transfer etc. The Company and its Registrar and Share Transfer Agent are required to seek relevant bank details of shareholders from depositories/ investors for making payment of dividends in electronic mode. Further, pursuant to recent General Circular 20/2020 dated 5th May, 2020 companies are directed to credit the dividend of the shareholders directly to the bank accounts of the shareholders using Electronic Clearing Service. Accordingly, Members are requested to provide or update (as the case may be) their bank details with the respective depository participant for the shares held in dematerialized form and with the Registrar & Share Transfer Agent in respect of shares held in physical form. The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the Shareholders/ Depositories for depositing of dividends.
16. Pursuant to the provisions of IEPF Rules, all shares in respect of which dividend has not been paid or claimed for seven consecutive years shall be transferred by the Company to the designated Demat Account of the IEPF Authority ("IEPF Account") within a period of thirty days of such shares becoming due to be transferred to the IEPF Account.
17. In case valid claim is not received, the Company will proceed to transfer the respective shares to the IEPF Account in accordance with the procedure prescribed under the IEPF Rules.
18. Pursuant to the provisions of Section 91 of the Companies Act, 2013 and Regulation 42 of the SEBI (LODR) Regulations, 2015, the register of members and share transfer books of the Company will remain closed from 18th September, 2021 to 25th September, 2021, both days inclusive.
19. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in their address or demise of any Member as soon as possible.
20. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or M/s. Maheshwari Datamatics Pvt. Ltd., Registrar and Share Transfer Agents of the Company.
21. Members holding shares in same name under different folios are requested to apply for the consolidation of such Folios and send the relevant share certificates to Maheshwari Datamatics Pvt. Ltd, Registrar and Share Transfer Agent of the Company.

22. It is observed that few members have still not claimed their new certificate for Equity Shares of Rs. 5/- each. They are once again requested to claim the new certificates for Equity Shares at the Registered Office of the Company or to Maheshwari Datamatics Pvt. Ltd., who are the Company's Registrar and Share Transfer Agent, so as to enable the Company to do the needful.
23. In line with the aforesaid MCA Circulars and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 read with SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 ("SEBI Circular"), the Notice of the 32nd AGM inter-alia, indicating the process and manner of voting through electronic means along with the Annual Report for the financial year 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories/ Registrar and Share Transfer Agent (RTA) of the Company. Members may note that the Notice of 32nd AGM and Annual Report for the financial year 2020-21 will be available on the website of the Company at www.nagreeka.com, on the website of the stock exchanges i.e. BSE at www.bseindia.com, on the website of NSE at www.nseindia.com. Notice of 32nd AGM will also be available on the website of NSDL at www.evoting.nsdl.com. Any Member, whose email address is not registered with the Company or RTA or with their respective Depository Participant/s, and who wish to receive the Notice of the 32nd AGM and the Annual Report for the financial year 2020-21, can get the same writing an email to compsect.nel@nagreeka.com.
24. In compliance with the aforesaid Circulars, the Company shall publish a public notice by way of an advertisement in Business Standard and in Arthik Lipi, both having a wide circulation in Kolkata, where the registered office of the Company is situated and having electronic editions, inter alia, advising the Members whose e-mail ids are not registered with the Company, its Registrar and Share Transfer Agent (RTA) or Depository Participant(s) (DPs), as the case may be, to register their e-mail ids with them. To receive shareholders' communications through electronic means, including annual reports and notices, members are requested to kindly register/ update their email address with their respective depository participant, where shares are held in electronic form. COVID-19 – IMPACT AND MEASURES TAKEN TO COMBAT

The world saw an unusually big economic contraction globally. Economies witnessed significant demand slowdown and increased protectionism. Global prospects remained highly uncertain for more than a year into the Pandemic. Economic recoveries are diverging across countries and sectors.

The Company has taken stringent steps to implement and follow various guidelines, directions, advisories and protocols to safeguard company's workforce and their family members from Covid 19 Impact. Proactive timely measures/steps taken by the Central Government, State Government and the Local Authorities have helped the country in managing and flattening the Covid-19 curve remarkably better than many other countries of the world including the developed countries. Government has also supported business by giving huge stimulus packages.

With the whole hearted support of all stakeholders, bankers, employees, suppliers and the government, the Company managed to serve its domestic as well as international customers to the maximum extent possible with limited disruptions. Now with the dilution of impact of Covid19, the Company expect to achieve normalcy in its operations in the near future.

The Global impact of Covid 19 on logistics, consumptions, trade, industry and business is still visible. It is hoped that with fast vaccination normalcy will be restored in the different parts of the world.

COVID-19 hit the world hard to say the least, and unprecedented lockdowns disrupted economies, businesses and society in a manner that we have never seen in our lives. India was no exception, but our country has managed to flatten the COVID-19 curve remarkably better than many other economies. This was made possible by the government's timely and consistent interventions to enforce stringent health and safety guidelines. Additionally, the government's huge stimulus package supported businesses and vulnerable communities. We have the capability and the commitment to help build the India of tomorrow. However, India is currently experiencing a massive second wave of COVID-19 infections. We expect no major changes in the economic activity as the nation is preparing to face the Pandemic with vaccines and preparedness.

After the pandemic struck and lockdown was imposed towards end March 2020, the company started implementing changes to protect its employees through appropriate health and safety protocols, which included canceling travel and eliminating person meetings, working from home wherever possible and establishing safety protocols at its offices and factories. The safety procedures included temperature measurements, personal protective equipment, mandatory use of masks, social distancing, frequent cleaning and disinfecting and implementation of daily check sheets to ensure team members are highly focused on the new procedures. The above measures still continues to be implemented.

ANNEXURE 'B'**MANAGEMENT DISCUSSION AND ANALYSIS****(1) Economic Scenario****(a) Global Economy**

The world has experienced and is experiencing one of the most severe Pandemic in history resulting in worst economic contractions. Business across sectors came to a sudden standstill and the entire demand supply mechanism was disrupted almost instantaneously. Global economy contracted by 3.3% in CY 2020 (Source World Economic Outlook April-2021). The widespread, synchronous and deep impact on economic activity was unprecedented. This will have long lasting impact on the growth. To counter the effect of the Pandemic the Indian Government and RBI announced a Covid19 relief Package to the tune of 29.287 Lakh Crores in aggregate touching all spaces of the economy this stimulus package has prevented the worse economic outcomes and helped industries to mitigate the losses to certain extent.

Global economic output is expected to expand in current financial year. Overall global market is expected to strengthen as confidence, consumption and trade improves gradually. After sharp contraction in FY 2020-21 global trade is expected to experience a modest pick in FY 2021-22.

(b) Indian Economy

The Indian economy contracted by 6% during the financial year ending March 2021. The Indian economic growth like major world economies has been muted in FY 2020-21. Lower consumption across sectors, slower economic activities across regions and lockdown measures for curbing the ongoing Pandemic across the country hold the blame for these.

The economy which had fell off the cliff in Q1, started to show V-shaped recovery primarily powered by government expenditure and exports. 15+% contraction in the first half was offset by 3% growth in the second half. Consumer demand also showed spikes in limited pockets in specific time windows.

Aided by an accommodative monetary policy, and a stable fiscal policy and outlook laid out in the budget, asset markets continued to be strong as the fiscal 2021 drew to a close. Before the plunge caused by the 2nd wave, it was widely estimated that the Indian economy will clock a strong 12%+ growth in FY22. The developments in April 2021 have created a huge uncertainty around this outlook.

The overall economy however, is likely to witness, stress, despite expectations of a V-shaped recovery.

(2) Industry Scenario and Development

The onset of the COVID-19 pandemic brought economic activities to a near standstill at the beginning of FY 2020-21 as a nationwide lockdown was imposed to contain the virus spread. As a result, India's GDP contracted by 23.4% in Q1 FY 2020-21. However, with the gradual unlocking from June 2020, the economy recorded a sharp rebound, fuelled by the synchronised relief and revival measures undertaken by the Central Government and the RBI. with a clarion call to make India self-reliant under the Aatmanirbhar Bharat Abhiyan.

The Production-Linked Incentive (PLI) scheme aimed to uplift MSMEs and enhance manufacturing GVA from the current 16.5% is likely to unlock ~\$520 billion in the country's output in the medium term. Further, India is being increasingly seen as a viable alternative sourcing destination by MNCs adopting a 'China + 1' to de-risk their supply chain. However, the more intense second wave of COVID-19 hit India hard at the end of FY 2020-21, necessitating the imposition of new localised lockdowns, With mass vaccination underway in full steam and the element of surprise being minimal, we believe the economy is now much better placed to absorb external shocks than it was a year earlier.

Center has also revised eligibility criteria for Industries to be classified as MSME by increasing threshold limit of investment in Plant and Machinery and the Turnover resulting in more and more industries to be categorised as MSME and avail various benefits of the government schemes and incentives such as interest subvention under interest equalization scheme has helped thousands of industries resulting in improvement of financial health and profitability.

The government withdrew the Merchandise Export Incentive Scheme (MEIS) & this has made exports un competitive, however the Center (Government) announced the scheme of RoDTEP. With the announcement of the scheme Textile Sector expects to boost the exports. The Scheme will substantially help in increasing competitiveness of our exports globally and it will also improve the liquidity position of the exporters. Industries awaits the new rates to be declared by the centre.

(3) Opportunities and Threat

The turnaround with positive growth is happening in the Indian Textile Industry with abundant arrival of raw material. Demand for textile product is increasing globally with dilution of impact of Covid 19 Pandemic. With the changes in MSME Policy and expectation of good incentives in RoDTEP Scheme prospects are bright. With the shift in work culture being practice through work from home the consumption of home textrile segment improved many fold. Organized markets along with the highly favourable demographics acts as a major opportunity.

The multifold growth of E-Commerce companies during pandemic provides opportunities for the Indian textile industry in the domestic as well as international market. Amazon, Flipkart, Jabong and Myntra are the major players in Indian E-Commerce Industry. The changing government policies at the state and central government levels are also helpful

The Indian textile industry is highly fragmented and is being dominated by the unorganized sector and Small and Medium Enterprises.

Important threat is rising cost of wages and salaries and availability of appropriate man power. The Other threats are The major threats envisaged by the company are

- Uncertainty due to Pandemic
- Volatility in Raw material prices
- Huge increase in overseas freights
- Availability of containers for exports resulting in Increased transit time and working capital requirement
- Maintaining a balance between price quality and demand supply.

Risk Management is an integral part of Company's management over the years. Company has identified key internal and external factors associated with the operations of the company alongwith the control process to mitigate such risks. Further the company regularly reviews the identified risks and control process.

(4) Outlook

As the world tries to vaccinate itself out of this pandemic, the mutations and pathways of the disease evolution are very much unknown, and will continue to cast shadow of uncertainty on the outlook. 2021 is expected to see a global GDP growth of 6% on the previous year's reduced base, and 2022 will likely grow by another 4.4%. The outlook forward is likely to be defined by the ability of countries and regions to respond to the pandemic challenge. The wide variation in success of this response, and incidence of multiple waves is likely to be reflected in the variations in the economic activity as well.

Consumer spend in recovering economies is expected to be strong as pent-up demand and inability to spend on services creates high discretionary spend on goods. A large portion of this is expected to be absorbed by durables, especially the automobiles sector. Global textiles and apparel manufacturing continued to trail at 10% below 2019 levels, and by some estimates lost 92% of economic profits in 2020.

(5) Management perception of Risk Concern

The prices of raw cotton play a vital role on the fortunes of the textile industry. Various strategies are adopted by the Management from time to time to hedge the said risk. With an established Currency Risk Management Policy, the foreign currency exposures are continuously monitored and hedged accordingly which helps mitigate risk arising from volatile and fluctuating currency exchange rates.

(6) Internal Control System

The Company has an effective and adequate internal control system and procedures which are commensurate with its size and nature of business. The Internal control systems are designed in such way that all the assets are safeguarded and protected against loss and all transactions are authorized, recorded and reported correctly. The Audit Committee monitors and evaluates and reviews the Internal Financial Control systems of the Company. Regular Internal Audits and checks are carried out to provide assurance that the responsibilities at various levels are discharged effectively and that adequate systems are in place.

(7) Human Resources / Industrial Relations

Employees are the cornerstone of our business success. The Company has a supportive work culture and the employees have a strong affinity to the Company. We have an experienced and qualified workforce across multiple disciplines. We are also led by a dedicated and experienced executive management team that has a median of about 20 years of experience across the trade. Performance management is the key word for the company. Your Company also conducts in house training program at various levels. Industrial relations have been very smooth throughout the year.

CERTIFICATE ON CORPORATE GOVERNANCE

**TO THE MEMBERS
NAGREEKA EXPORTS LIMITED
18, R. N MUKHERJEE ROAD 3RD FLOOR
KOLKATA WB 700001**

I have examined the compliance of conditions of corporate governance by **NAGREEKA EXPORTS LIMITED**, for the year ended on 31st March, 2021, as per the relevant provisions of Securities and Exchange Board (Listing Obligations and Disclosures Requirements) Regulation, 2015 [SEBI (LODR) Regulations, 2015].

The compliance of conditions of corporate governance is the responsibility of the Company's management. My examination was limited to the procedures and implementation adopted by the Company for ensuring compliance conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to Listing Agreement of the said Company with stock exchange(s).

I state that no investor grievance is pending for a period exceeding one month against the Company as per the records maintained by the Shareholders' grievance Committee.

I further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF NAGREEKA EXPORTS LIMITED
Report on the Audit of the Standalone Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of Nagreeka Exports Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter (KAM)	Auditor's Response
1.	<ul style="list-style-type: none"> The Company is subject to a number of legal and tax related claims which have been disclosed / provided for in 	Our audit procedures included the following:- <ul style="list-style-type: none"> Gained an understanding of the process of identification of

	<p>the financial statements based on the facts and circumstances of each case</p> <ul style="list-style-type: none"> • Taxation and litigation exposures have been identified as a key audit matter due to the complexities involved in these matters, timescales involved for resolution and the potential financial impact of these on the financial statements. Further, significant management judgement is involved in assessing the exposure of each case and thus a risk that such cases may not be adequately provided for or disclosed. 	<p>claims, litigations and contingent liabilities and identified key controls in the process. This requires assumptions regarding future profitability, which is inherently uncertain. Accordingly, the same is considered as a key audit matter 	<p>Our audit procedures included the following:-</p> <ul style="list-style-type: none"> • Obtained and analysed the future projections estimated by management, assessing the key assumptions used, including the analysis of the consistency of the actual results obtained by the various segments with those projected in the previous year. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's

Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as stated in Note No 30 to the Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

We have audited the internal financial controls over financial reporting of Nagreeka Exports Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1(b). BASIS OF PREPERATION OF FINANCIAL STATEMENT:

The financial statements are prepared as a going concern under historical cost convention on accrual basis, except those with significant uncertainty and in accordance with the Companies Act, 2013 Accounting policies not stated explicitly otherwise are consistent with generally accepted accounting principles and Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013.

All assets and liabilities have been classified as current or non current as per the company's normal operating cycle and other criteria set out in the schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

The financial statements have been prepared on historical cost basis, except for financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/ or disclosures in these financial statements is determined on such a basis, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES :**2.1) Statement of compliance**

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

2.2) Fixed Assets

Fixed assets are stated at cost less accumulated depreciation. Cost of fixed assets is inclusive of pre-operative expenses (Net of revenue) incurred up to the date of Commissioning of project/plant, exchange losses or gains arising on specific foreign currency loan taken for acquiring the assets.

2.3) Capital Work in Progress

All pre-operative expenses incurred on Capital Work in Progress allocated to related fixed assets on Pro-rata Basis.

2.4) Depreciation and amortisation of property, plant and equipment and intangible assets

i) Depreciation on fixed assets is provided on depreciable value of assets using straight-line method on the basis of useful life specified in Schedule II to the Companies Act, 2013.

ii) Lease Hold Land is being amortized over the lease period.

iii) Intangible assets (computer softwares) are amortised on straight-line method at the rates determined based on estimated useful lives.

2.5) Impairment

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

2.6) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

i) Financial assets**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables
- Financial assets that are debt instruments and are measured as at FVTOCI
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cashflows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Derecognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

ii) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Derivative financial instruments

In the ordinary course of business, the Company uses certain derivative financial instruments to reduce business risks which arise from its exposure to foreign exchange and interest rate fluctuations. The instruments are confined principally to forward foreign exchange contracts and interest rate swaps. The instruments are employed as hedges of transactions included in the financial statements or for highly probable forecast transactions/firm contractual commitments.

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

2.7) Cash Flow

Cash Flows are reported using Indirect Method, where by profit / (Loss) before extraordinary items and its tax is adjusted for the effects of transaction of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the company is segregated based on the available information.

2.8) Valuation of Inventories

Raw Materials : Valued at Cost or Net Realisable Value whichever is lower (Cost is computed using "Weighted Average Cost Method").

Work-in-Progress : Valued at Cost or Net Realisable Value whichever is lower (Cost includes material Cost plus appropriate share of overhead) (Cost is computed Using "Weighted Average Cost Method").

Finished goods :

i) **Manufacturing goods** :At Cost or Net Realisable Value whichever is lower (Cost includes Cost of Purchase, Conversion Cost, and other Cost i.e. overhead) (Cost is computed using "Weighted Average Cost Method").

ii) **Trading goods** : At Cost or Net Realisable Value whichever is lower (Cost is computed using" Specific Identification Method").

Packing Materials , : At Cost or Net Realisable Value whichever is lower (Cost is Computed Using "FIFO Method")

Stores & Spare Parts : At Cost or Net Realisable Value whichever is lower (Cost is Computed Using "FIFO Method")

Waste : At Realisable Value

2.9) Revenue Recognition**Sale of Goods**

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods.

Sale of Services

Revenue is recognised when it is earned and no significant uncertainty exists as to its realisation or collection.

2.10) Provision, Contingent Liabilities & Contingent Assets

Provision involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statement.

2.11) Retirement Benefits To Employees**i) Leave Encashment:**

Accrued liability for leave encashment has been provided for as per management valuation.

ii) Gratuity:

Accruing liability for gratuity to employees is covered by the Group Gratuity-Cash – Accumulation Scheme of LIC of India and annual contribution due there under are paid /provided in accordance therewith.

2.12) Foreign Currency Transactions

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Nonmonetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences arising on translation of long term foreign currency monetary items recognised in the financial statements before the beginning of the first Ind AS financial reporting period in respect of which the Company has elected to recognise such exchange differences in equity or as part of cost of assets as allowed under Ind AS 101-“First time adoption of Indian Accounting Standard” are recognised directly in equity or added/deducted to/ from the cost of assets as the case may be. Such exchange differences recognised in equity or as part of cost of assets is recognised in the statement of profit and loss on a systematic basis.

Exchange differences arising on the retranslation or settlement of other monetary items are included in the statement of profit and loss for the period.

Loans in foreign currency for financing the fixed assets are converted at the prevailing exchange rate on the transaction dates. Liabilities payable in foreign currencies on the date of Balance Sheet are restated and all exchange rate differences arising from such restatement are adjusted with the fixed asset.

2.13) Borrowing Costs

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

2.14) Provision For Current And Deferred Tax

Provision for Current Tax is made on the basis of taxable income for the current accounting period and in accordance with the provisions as per Income Tax Act, 1961.

Deferred Tax resulting from “timing difference” between book and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be adjusted in future.

2.15) Government Grants / Subsidies / Insurance Claim

Government grants / subsidies / Insurance Claims are recognized when there is reasonable certainty that the same will be received. Revenue grants are recognized in the Profit & Loss Account either as income or deducted from related expenses. Capital grants / subsidies are credited to respective fixed assets where it relates to specific fixed assets. Other grants / subsidies are credited to the Capital Reserve.

2.16) Critical accounting judgment and estimates

The preparation of the financial statements require the use of accounting estimates which, by definition, will seldom equal the actual result. Management also needs to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a high degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates and judgments are:

i) Taxation

The Company is engaged in manufacturing & Trading activities and also subject to tax liability under MAT provisions. Significant judgment is involved in determining the tax liability for the Company. Also there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain. Further judgment is involved in determining the deferred tax position on the balance sheet date.

ii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

iii) Employee Benefits

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

iv) Provisions and Contingencies

Provisions and contingencies are based on Management's best estimate of the liabilities based on the facts known at the balance sheet date.

2.17) Onerous contracts

A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

2.18) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.19) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

b) Defined Benefit Plan - Gratuity

The Gratuity scheme is a final salary defined benefit plan, that provides for lumpsum payment at the time of separation; based on scheme rules, the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lumpsum. There is a vesting period of 5 years.

Associated Risks :

The design entitles the following risks that affect the liabilities and cash flows:

Interest Rates Risk:

- i) The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yield fall, the defined benefit obligation will tend to increase. Thus the plan exposes the company to the risk of fall in interest rates. Some times, the fall can be permanent, due to a paradigm shift in interest rate scenarios because of economic or fiscal reasons. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements). Even for funded schemes, a paradigm downward shift in bond yields may affect the reinvestment yields and may increase ultimate costs.

Salary Inflation Risk:

- ii) The present value of the defined benefit plan is calculated with the assumption of salary escalation rate(SER), which is applied to find the salary of plan participants in future, at the time of separation Higher than expected increase in salary will increase the defined benefit obligation and will have an exponential effect.

Demographic risks:

- iii) Demographic assumptions are required to assess the timing and probability of a payment taking place. This is the risk of volatility of results due to unexpected nature of decrements that include mortality, attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less compared to long service employees.

Assets Liability Mismatch:

- iv) This will come into play unless the funds are invested with a term of the assets replicating the term of the liability.

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value (In Rs.)

37 CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

38 FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company has exposure to the following risks from financial instruments.

- Market Risk
- Liquidity Risk
- Credit Risk
- Other risk related with COVID-19 Pandemic

Market risk:

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates & prices such as interest rates, foreign currency exchange rates or in the price of market risk-sensitive financial instruments. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus the company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

Interest Rate Risk :

Interest rate risk refers that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movement on its earning and cash flows and to minimise counter party risks.

The Following table demonstrate the gross value of variable rate borrowings and its sensitivity to a reasonably possible change in the interest rate on the portion of borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows

	Variable rate borrowings (Rs.)	Increase / (Decrease) in basis points	Effect on profit before tax	Effect on Post-tax equity
31st March, 2021	44,03,29,823

Amount in Rs.		+100	13,01,240	9,10,868
Amount in Rs.		-100	-13,01,240	-9,10,868

a) Currency Risk:

The company is exposed to currency risk to the extent that there is a mismatch between the currencies in which Export sales, Import purchase, other expenses and borrowings in foreign currency are denominated and the functional currency of the company. The functional currency of the company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated are Euro and USD.

At any point in time, the Company generally hedges its estimated foreign currency exposure in respect of its forecast sales over the following 12 to 18 months. The company uses forward exchange contracts to hedge its currency risk. Such contracts are generally designated as cash flow hedges.

The Company as per its risk management policy uses foreign exchange forward contract and cross currency forward contracts primarily to hedge foreign exchange. The Company does not use derivative financial instruments for trading or speculative purposes.

Liquidity risk:

Liquidity risk is the risks that Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The company has obtained fund and non-fund based working capital loans from various banks. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

Trade Payable	-	2,585.10	-	-	2,585.10
Other Financial Liabilities	-	1,727.30	-	-	1,727.30

CREDIT RISK:

Credit risk is the of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade & Other receivables:

In case of sales, for major part of the sales, customer credit risk is managed by requiring domestic and export customers to open Letters of Credit before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk where credit is extended to customers.

The aging of trade and other receivables that were not impaired is as below.

Particulars	Rs. (In lacs)
As at 31st March, 2021	
Upto 6 Months	2,100.73
Beyond 6 Months	126.49
Total	2,227.22
As at 31st March, 2020	
Upto 6 Months	2,050.50
Beyond 6 Months	145.65
Total	2,196.15

Management believes that the unimpaired amounts that are past due by more than 6 months are still collectible in full based on historical payment behaviour.

Loans to Others:

The credit worthiness of the counter party is evaluated by the management on an ongoing basis and is considered to be good.

Investment in mutual funds:

The investment in mutual funds, are entered into with credit worthy fund houses. The credit worthiness of these counter parties are evaluated by the management on an on-going basis and is considered to be good. The Company does not expect any losses from these counter parties.

Cash and Cash equivalents:

Credit risk from balances with banks is managed by the Company in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and within approved credit ratings.

Unquoted Investments:

The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

iv) Other risk related with COVID-19 pandemic

The Company has assessed and considered the impact of the ongoing Covid-19 pandemic on carrying amounts of Property, Plant & Equipment, Investments, trade receivables, inventories, other assets and its business operations including all relevant internal and external information available up to the date of approval of these financial results. Basis of such evaluation, the management does not expect any adverse impact on its future cash flows, its liquidity position and shall be able to continue as a going concern. However, the eventual outcome of the impact of the Covid-19 pandemic may be different from those estimated as on the date of approval of these financial results owing to the nature and duration of the pandemic.

39 Advances, Trade Payable and Trade Receivables are subject to confirmation from respective parties and consequential reconciliation / adjustment arising there from, if any. The management, however, does not expect any material variation. Provisions, wherever considered necessary, have been made.
