LETTER FROM THE CHAIRMAN

Dear Shareholders,

It is with a great sense of pride that I write to you after being appointed as the Chairman of this exceptional Company. Since 2010, I had the privilege of leading this organization in an executive capacity; it has been an exhilarating journey.

The commitment and passion of a diverse, global employee base helped your Company exhibit strong leadership during this period, against the backdrop of immense volatility in our key markets and the world economy. Amidst the rise of new technologies, your Company remained focused on staying relevant to customers, employees, and the society at large.

Since October 2010, our Promoters - Directors have been involved in the field of BPO services. Your Company is led by a strong management team with sound experience and expertise in the industry. Their combined skills and understanding of the business has been instrumental in building a sustainable business model. Our experienced directors have in-depth knowledge of the products and industry in which we operate. The key managerial personnel consist of persons qualified in their respective fields and provide complementary support to the successful implementation of management strategies. We believe that our strong business practices and reputation in the industry has not only enabled us to meet the expectations of our customers but also helped us to sustain in the competitive business environment. We benefit from the experience of the individual Promoters-Directors and core management team which has enabled us to successfully implement our growth strategies.

Your company has developed a comprehensive range of service issuing in order to address the varied and expanding requirements of clients. Our service to cater the needs of Telecommunication and Banking Sector, Data Management, Storage And Retrieval Of Data, Handling Of Customer Application Forms ("CAF") including Address and Credit verification (CV) and (AV) of information as mentioned in such forms and others activities incidental or ancillary thereto etc.. We believe that our comprehensive range of Issuing helps clients to achieve their business objectives and enable us to obtain additional business from existing clients as well as address a larger base of potential new clients.

With the huge opportunities ahead, I am very excited about the future and sincerely believe that RCSPL's best days are yet to come. On behalf of the entire Board of Directors of RIDDHI CORPORATE SERVICES LIMITED, I would like to thank you - our valued stakeholders - for the continuing confidence you have placed in the organization.

Warm regards,

PRAVINCHANDRA GOR
CHAIRMAN & MANAGING DIRECTOR
DIN: 03267951

NOTES:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at-least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.riddhincorporate.co.in. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTEE-VOTING AND E-VOTING DURING AGM AND JOININGMEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on 26th September, 2021 at 09.00 A.M. and ends on 28th September, 2021 at 05.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22th September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS:

ECONOMIC SCENARIO:

The COVID-19 pandemic has affected every industry, and has disrupted trade, supply chains, work and business models, employment and consumer behaviors. During the pandemic, companies across the world accelerated their digital transformation initiatives to address these disruptions and secure their businesses. While some companies have now set up advanced business continuity measures, others have embarked on new innovative services and products. As companies focused on protecting employees from the pandemic, technology enabled a seamless transition to remote working by shifting to digital channels and digital customer engagement models. Various stay at home orders resulted in large scale adoption of models such as buy-online-pick up in-store in retail, tele-medicine and virtual care in healthcare, touch less experiences in finance and virtual solutions for online learning.

According to the Strategic Review 2021 published by NASSCOM (the "NASSCOM Report"), India's technology industry is forecasted to grow at 2.3% to reach approximately \$194 billion in fiscal year 2021 (excluding e-commerce). According to the NASSCOM Report, exports are estimated to grow at 1.9% to reach approximately \$150 billion in fiscal year 2021 and the

domestic sector is forecasted to reach approximately \$45 billion in fiscal year 2021, growing at 3.4%. According to the NASSCOM Report, the growth is driven by increased demand for digital transformation and infrastructure modernization. As per the NASSCOM Report, digital revenues account for 28-30% of total industry revenues for fiscal year 2021, growing at five times the overall services growth. Share of digital services in new contracts is up by 90% from fiscal year 2020, driven by cloud, collaboration and cyber security.

The growth of cloud, artificial intelligence (“AI”), machine learning (“ML”), internet of things (“IoT”), analytics, automation and collaboration software were accelerated during the COVID-19 pandemic, led by remote working and transformation engagements for contactless activities and customer experience. It is expected that the IT services industry will move to hybrid work models, with implications on hiring, team structures, compliance and cyber security. Global IT service providers offer a range of end-to-end software development, digital services, IT business solutions, research and development services, technology infrastructure services, business process services, consulting and related support functions. The conditions caused by the COVID-19 pandemic continue to evolve as new variants of the virus are emerging in some of our markets, leaving the recovery outlook varied and uncertain. Despite demand stability being high and ongoing large scale vaccination drives, economic outlook remains uncertain. However, companies will continue to invest in digital transformation to address new pandemic driven consumer behaviors with the support of technology

➤ **INDUSTRY REVIEW:**

The IT & BPM industry’s revenue is estimated at ~US\$ 194 billion in FY21, an increase of 2.3% YoY. The domestic revenue of the IT industry is estimated at US\$ 45 billion and export revenue is estimated at US\$ 150 billion in FY21. According to Gartner estimates, IT spending in India is estimated to reach US\$ 93 billion in 2021 (7.3% YoY growth) and further increase to US\$ 98.5 billion in 2022. The BPM sector in India currently employs >1.4 million people, while IT and BPM together have >4.5 million workers, as of FY21.

Indian software product industry is expected to reach US\$ 100 billion by 2025. Indian companies are focusing to invest internationally to expand global footprint and enhance their global delivery centres. In line with this, in February 2021, Tata Consultancy Services announced to recruit ~1,500 technology employees across the UK over the next year. The development would build capabilities for TCS to deliver efficiently to the UK customers.

The data annotation market in India stood at ~ US\$ 250 million in FY20, of which the US market contributed ~ 60% to the overall value. The market is expected to reach ~ US\$ 7 billion by 2030 due to accelerated domestic demand for AI.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RIDDHI CORPORATE SERVICES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of RIDDHI CORPORATE SERVICES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS"), of the state of affairs (financial position) of the Company as at March 31, 2021 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1	Revenue Recognition	
	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances based on Contracts with Customers.</p> <p>The revenue recognition involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>We assessed the Company's process to identify the impact of Contracts with Customers. Our audit approach consisted of studying the internal system and IT platform used regarding the implementation and also testing of the design and operating effectiveness of the internal controls and substantive testing.</p> <p>We evaluated the design of internal controls relating to implementation of the new revenue accounting standard.</p> <p>We selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation. Samples in respect of recording and recognition of revenue were tested by checking the invoices and performance.</p> <p>Conclusion Our procedures did not identify any material exceptions.</p>
2	Corporate deposit to companies under same management	
	<p>During the year, the Company has granted loan to the companies under same management. We consider granting loan to these companies as a key audit matter as it constitutes significant percentage of loan given.</p> <p>The rate of interest charged is at par with rate charged for outsiders.</p>	<p>We have verified the relevant records and found the interest charges are in accordance with company policy. Based on the above procedure and, in our opinion the management's determination is considered to be reasonable.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also;

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimate and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit's report to the related disclosures in the standalone financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall, presentation, structure and content of the standalone financial statements, including the disclosures and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify, during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charge with governance, we determine those matter that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in paragraph 3 and 4 of the Order.

16. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the statement of Profit & Loss including Other comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of the written representation received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the opening effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act (as amended):
In our opinion and according to the information and explanation given to us, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by provision of Sec.197 read with Schedule V to the Act.
- h) With respect to the other matter to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us;
 1. The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 2. The Company did not have any Long Term Contracts including derivative contracts for which there were any material foreseeable losses.
 3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to Independent Auditors' Report

Referred to in paragraph 16(f) of the Independent Auditors' Report of even date to the members of RIDDHI CORPORATE SERVICES LIMITED on the Standalone Ind AS financial statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of RIDDHI CORPORATE SERVICES LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting, were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO ACCOUNT:**Significant Accounting Policies and Notes on Accounts:****Nature of Operations:**

The Company's principal activity is providing solutions under document management, inbound and outbound contact centre, data entry, software development, verification services and recruitment services.

1. Significant Accounting Policies:**1) Basis of Preparation of Financial Statements:-****(i) Compliance with IND AS**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on an accrual basis and under the historical cost convention except certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments).

(iii) Classification of assets and liabilities

The classification of assets and liabilities into current and non-current, wherever applicable, are based on normal operating cycles of business activities of the Company, which is twelve months.

2) Summary of Significant Accounting Policies:**a) Property, Plant and Equipment:**

All items of Property, plant and equipment except land are shown at cost, less accumulated depreciation and impairment, if any. The cost of an item of property, plant and equipment comprises its cost of acquisition inclusive of inward freight, import duties, and other nonrefundable taxes or levies and any cost directly attributable to the acquisition / construction of those items; any trade discounts and rebates are deducted in arriving at the cost of acquisition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably.

All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Gain or losses arising on disposal of property, plant and equipment are recognized in profit or loss.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2018 measured as per the previous GAAP (Indian GAAP) and use that carrying value as the deemed cost of property, plant and equipment.

(b) Depreciation and amortization:

Depreciation has been provided based on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

(c) Impairment of assets:

At the date of balance sheet, if there are indications of impairment and the carrying amount of the cash generating unit exceeds its recoverable amount (i.e. the higher of the fair value less costs of disposal and value in use), an impairment loss is recognised. The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the profit or loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

(d) Inventories:

The cost of various categories of inventory is determined as follows:

1. Raw material and Packing Materials: At Cost including local taxes (Net of setoff) or Net realisable value, whichever is lower.
2. Stock in Process : At Cost or Net realisable value, whichever is lower.
3. Stock of Finished Goods : At Cost or Net realisable value, whichever is lower.
4. Consumable Stores & Spares : At Cost or Net realisable value, whichever is lower.
5. Scrap : At Net realisable value

Cost of raw material and packing materials are determined using first in first out (FIFO) method. Costs of finished goods and stock in process include cost of raw material and packing materials, cost of conversion and other costs incurred in bringing the inventories to the present location and condition.

e) Revenue recognition:

In Contact Centre Activity, revenue is recognized as the related services are performed, based on actual utilization or minimum utilization level, as appropriate, specified in the agreements.

In Claim Processing Activity, revenue is recognized based on number of claims processed, at contractual rates and terms as specified in the agreements.
In respect of other services, revenue for services rendered is recognized as per the terms of specific contracts.

Interest income is accounted on accrual basis and dividend income is accounted on right to receipt basis.

In respect of other heads of income, the Company follows the practice of accounting of such income on accrual basis.

(f) Fair value measurement:

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statement are categorized within the fair value hierarchy.

(g) Financial Instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. All the financial assets and liabilities are measured initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial assets and liabilities carried at fair value through profit or loss) are added or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(h) Financial assets**Classification and Measurement**

All the financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial asset (other than financial assets carried at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

Subsequent measurement of a financial assets depends on its classification i.e., financial assets carried at amortised cost or fair value (either through other comprehensive income or through profit or loss). Such classification is determined on the basis of

Company's business model for managing the financial assets and the contractual terms of the cash flows.

The Company's financial assets primarily consists of cash and cash equivalents, trade receivables, loans to employees and security deposits etc. which are classified as financial assets carried at amortized cost.

Amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a financial assets that is subsequently measured at amortised cost is recognised in profit or loss when the asset is de-recognised or impaired. Interest income from these financial assets is recognised using the effective interest rate method.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. For trade receivables, the Company provides for lifetime expected credit losses recognized from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is de-recognized only when:

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

(i) Income recognition

Interest income:

Interest income is recognised at contracted rate of interest.

Dividends:

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

(j) Provision, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably.

All known Liabilities, wherever material, are provided for and Liabilities, which are disputed, are referred to by way of Notes on Accounts.

Contingent assets are not recognized in the financial statements.

(k) Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Minimum Alternate Tax (MAT) Credit is recognized as assets only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the profit and loss account and shown as MAT credit entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

(l) Loans and Receivables

Trade receivables and loans are initially measured at transaction value, which is the fair value and subsequently retained at cost less appropriate allowance for credit losses as most loans and receivable of the Company are current in nature. Where significant, non-current loans and receivables are accounted for at amortized cost using effective

rate method less appropriate allowance for credit losses. Interest is accounted for on the basis of contractual terms, where applicable and is included in interest income. Impairment losses are recognized in the profit or loss where there is an objective evidence that the Company will not be able to collect all the due amounts.

(m) Investments

At initial recognition, the Company measures its investments at its fair value plus costs that are directly attributable to the acquisition of the financial asset. Investments are designated as subsequently measured at fair value through profit or loss. The transaction costs are expenses immediately in statement of profit or loss. Movements in fair value of these assets are taken in profit or loss.

(n) Segment reporting

Identification of segments:

The Company's operating businesses are organized and managed according to the nature of products and predominant source of the risk for the Company is business product, therefore business segment has been considered as primary segment. The analysis of geographical segments is based on the areas in which the Company operates.

Segment policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(o) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

(p) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(q) Leases:-**Policy applicable before April 1, 2019**

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

(i) Operating Lease:

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

(ii) Finance Lease:

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

Policy applicable after April 1, 2019

The Company has adopted Ind AS 116 effective from April 1 2019 using modified retrospective approach. For the purpose of preparation of Standalone Financial Information, management has evaluated the impact of change in accounting policies required due to adoption of Ind AS 116 for year ended March 31 2021.

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether: (i) the contact involves the use of an identified asset (ii) the Company

has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in substance fixed payments; The lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate. The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. The Company's leases mainly comprise land and building for office/warehousing use.

(r) Employee benefits

Retirement benefits in the form of Provident Fund contributed to Statutory Provident Fund is a defined contribution scheme and the payments are charged to the Profit and Loss Account of the year when the payments to the respective funds are due. There are no obligations for contribution payable to Provident Fund Authorities.

Superannuation Fund and Employees' State Insurance Corporation (ESIC) are defined contribution schemes and the contributions are charged to the Profit and Loss Account

of the year when the contributions to the respective funds are due. There are no other obligations for the contribution payable to the respective funds.

The company provides for gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. In accordance with the Payment of Gratuity Act, 1972, the Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company. The liability was provided only for those employees who are covered under Gratuity Act as determined by the management.

(s) Foreign Currency Transactions

Transactions in foreign currencies are accounted at the exchange rates prevailing on the date of transaction or at rates that closely approximate the rate at the date of the transaction.

	The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by Finance Department that advises on financial risks and the appropriate financial risk governance framework for the Company. The Finance department provides assurance to the Company's senior management that the Company's financial risk activities are appropriately governed.						
	(a) Market Risk						
	Market risk is the risk of loss of future earnings or fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Company is exposed to market risk primarily related to foreign exchange rate risk (currency risk), interest rate risk and the market value of its investments. Thus the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.						
	(i) Interest Rate Risk						
	Interest Rate Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.						
	(b) Liquidity Risk						
	Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company has current financial assets which the management believes is sufficient to meet all its liabilities maturing during the next 12 months. The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest.						
	(i) The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.						
	As at March 31, 2021	On demand	Less than 3 months	3 to 12 months	1-5 years	More than 5 years	Total

	Other Financial Liabilities	0	0	171,883	0	0	171,883
	(c) Credit Risk						
	Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.						
	(i) Trade Receivables						
	All outstanding customer receivables of the company are regularly monitored. Company has outstanding trade receivable which includes outstanding for more than 1 year . Accordingly, trade receivables are subject to high credit risk however management has assessed that no impairment of trade receivables is required.						
	(ii) Financial Instruments and Cash Deposit						
	Credit risk from balances with bank and financial institutions is managed by the Company's finance department under the supervision of company's senior management. All balances with banks and financial institutions is subject to low credit risk due to good credit ratings assigned to the Company. This being under the supervision of regulatory authority.
