Dear Sirs,

Sub: Castrol India unveils Carbon Neutral sustainability solutions for customers

Castrol India Limited, the leading automotive and industrial lubricant manufacturing company in the country, has launched an industry first 'Castrol Certified Carbon Neutral' programme in India to help automotive dealerships reduce their carbon footprint. Pratham Motors - one of Bengaluru's leading automotive dealerships will become the first 'Castrol Certified Carbon Neutral' car dealership for this industry-leading initiative. It will offset 100% of its operating emissions across all its 12 sales and service locations. In addition to this, Pratham Motors will offer its customers the option to drive carbon neutral for 10,000 kilometres by neutralizing their vehicular carbon footprint. Castrol India Limited has offered this programme with support from BP Target Neutral (www.bptargetneutral.com).

The 'Castrol Certified Carbon Neutral' programme will help Castrol India Limited to support automotive dealerships to offset emissions and run their operations carbon neutral.

This is for your information and dissemination.

Yours faithfully,
For **Castrol India Limited**
