In the matter of Brightcom Group Limited

Background:

1. SEBI received complaints dated October 06, 2022 and May 12, 2023 in respect of the preferential allotments made by Brightcom Group Limited (hereinafter referred to as "BGL" or "Brightcom" or "the Company") in the Financial Years (FY) 2019-20 and 2020-21, alleging *inter alia* that BGL had raised money through preferential issue of shares to entities that were directly or indirectly connected to it and that the money raised in the preferential issues was given as loans and advances to its subsidiaries. It was further alleged that proper disclosures were not made in the Annual Report of the Company in respect of utilization of the proceeds of the preferential issues.
2. SEBI decided to conduct a detailed investigation in the matter. The preliminary findings of the investigation *prima-facie* indicated irregularities in the preferential allotments by BGL which included circulation of funds to create false impression of receipt of warrant / share application money, partial return of warrant / share application money, allotment of warrants / shares without receipt or partial receipt of warrant / share application money, diversion of proceeds of preferential allotments of warrants / shares, submission of false/ fabricated documents (bank accounts statements) to SEBI, etc. These actions of BGL resulted in significant misstatements / misrepresentations in the financial statements of the Company and its subsidiaries. The preliminary findings of the investigation are detailed below:

Preferential issues by BGL:

3. It was observed that during FY 2020-21 & 2021-22, BGL had issued warrants / share on preferential basis on four occasions and raised Rs. 867.78 Crore from a total of 82 allottees. A summary of the four preferential issues is given below:

Table 1

Sl. No.	No. of Allottees	No. of Equity Shares	Allotment price (Rs.) [FV Rs. 2/-]	Amount Received (Rs. Crores)	Allotment dates	Remarks
1	3	3,14,00,000	10	31.40	27/05/2020	Issue of equity shares
2	50	32,56,55,000	7.70	250.75	01/07/2021 to 12/08/2021	Conversion of warrants into equity shares
3	28	14,00,50,000	37.77	528.97	23/01/2022 to 25/01/2022	Issue of equity shares

Total	82	51,21,05,000		867.78		

4. It was observed that during the first preferential issue, the Company allotted 3,14,00,000 equity shares to three non-promoter entities at Rs.10 per share on May 27, 2020, which were subsequently listed on the exchanges on July 24, 2020.
5. During the second preferential issue, the Company allotted warrants to 50 entities, who were required to pay 25% of the issue price at the time of issuance of warrants and 75% at the time of conversion. Such Warrants were to be converted to equity within 18 months by the warrant holders. These warrant holders subsequently converted 32,56,55,000 warrants into equity shares, which were listed on BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). Their details of the allotments are as under:

Table 2

6. During the third preferential issue, the Company, during the period January 23-25, 2022, allotted 14,00,50,000 equity shares to 28 non-promoters at Rs.37.77 per share, which were subsequently listed on the exchanges on April 01, 2022.
7. In the fourth and last preferential issue, 1,50,00,000 warrants were allotted to Mr. Shankar Sharma at Rs.37.77 per warrant, which were converted into equity shares on March 09, 2022 and listed on the Exchanges on April 19, 2022.

Non-receipt of warrant / share application money by the Company

8. During the investigation, SEBI delved into the receipt of warrant / share application money from some of the preferential allottees. It was observed that in respect of 22 allottees who were allotted 25,76,50,000 equity shares for Rs.245.24 Crore, the Company had received only Rs.52.51 Crore and the remaining amount of Rs.192.73 Crore was either not received by the Company or was routed back to the said allottees through multiple layering of transactions involving subsidiaries and conduits. A summary of the said shortfall, entity-wise, is provided below:

Fictitious receipts from 4 allottees subsequently classified as promoter entities:

9. It was found that out of the abovementioned 22 allottees, who were non-promoter entities, four allottees were subsequently categorized as promoter entities. The Company, in an announcement dated April 05, 2022 to the stock exchanges, stated that Mr. M. Suresh Kumar Reddy, Promoter and Chairman & Managing Director of BGL, was inducted as a partner in four LLPs on March 31, 2022 and consequently those four LLPs were re-classified as Promoter & Promoter Group entities effective from March 31, 2022. It was noted that all

four LLPs (viz. Aradhana Commosales LLP, Sarita Commosales LLP, Kalpana Commosales LLP and Shalini Sales LLP) were preferential allottees of BGL, which are appearing at serial nos. 1 to 4 in the Table under previous paragraph.

10. It was observed that the abovementioned four LLPs were allotted 14.50 Crore shares (approximately 30% of the total shares allotted on preferential basis during FY 2020-21 & 2021-22) for a total consideration of Rs.111.65 Crore. However, it was *prima facie* observed that only Rs.1.41 Crore was actually received from these 4 LLPs, out of the abovementioned agreed consideration.
11. The Company was asked to provide the details of receipt of consideration money for the preferential allotment of warrants / shares from the said four LLPs. The company in its reply dated December 19, 2022 provided the details of receipt of share application money and submitted its bank statements as documentary evidence.
12. SEBI independently sought Company's bank account statements for the same bank accounts from the concerned banks. On comparison of the bank account statements received from the Company with those received directly from the banks, it was observed that the credit entries appearing in the bank account statements submitted by the company, which were purported to be the receipts of share application money from the said 4 LLPs, did not appear in the bank account statements obtained directly from the banks. The said mis-matches are detailed below:
 - (i) **Aradhana Commosales LLP (Aradhana):**
13. It was observed that Aradhana was allotted 5,00,00,000 warrants (subsequently converted into shares), each having face value of Rs.2, on July 30, 2021 at the rate of Rs.7.70 each, for a total consideration of Rs.38.50 Crore. As per the bank statements submitted by the Company, it had received Rs.38.50 Crore from Aradhana between 03.04.2021 to 12.07.2021. However, the bank account statements obtained directly from the banks did not reflect the said transactions. The details are as under:

Table 4

Date	Bank account No. (Company)	Bank name	Amount as per statement submitted by the company (Rs.)	Amount as per the statement directly obtained from bank
03-04-2021	22522412345678	DCB Bank	1,00,00,000	No such transaction
05-04-2021	22522412345678	DCB Bank	8,62,50,000	No such transaction
21-05-2021	22522412345678	DCB Bank	10,00,00,000	No such transaction
06-07-2021	22522412345678	DCB Bank	9,00,00,000	No such transaction
12-07-2021	16050200002993	Federal Bank	9,87,50,000	No such transaction
Total			38,50,00,000	

14. Further, the bank account statements obtained directly from the banks showed that the Company had received Rs.2.41 Crore only from Aradhana's ICICI Bank Account into its DCB Bank Account during the abovementioned period, details of which are as under:

Table 5

Allottee Name	Date of credit in the bank of the company	Bank Name and A/c No. of BGL	Bank and A/c. No. of Allottee	Amount (Rs.)
Aradhana Commosales LLP	06-04-2021	DCB BANK 22522412345678	ICICI Bank Ltd 641505000604	79,00,000
	07-04-2021			75,00,000
	08-04-2021			87,00,000
Total receipt by BGL				2,41,00,000

15. The bank statements obtained directly from the banks showed that apart from the abovementioned receipt of Rs.2.41 Crore from Aradhana, the Company did not receive any other payment from Aradhana towards the allotment of 5 Crore shares of BGL. It is, therefore, clear that the Company did not receive the remaining amount of Rs.36.09 Crore (i.e. Rs.38.50 Crore – Rs.2.41 Crore) from Aradhana.
16. It was further observed that Mr. M. Suresh Kumar Reddy, had transferred Rs.76 Lakh to the ICICI Bank Account of Aradhana on March 31, 2022 from his Axis Bank Account No. 914010002169010. This payment was claimed to have been made towards becoming partner in Aradhana.

(ii) Sarita Commosales LLP (Sarita)

17. It was observed that Sarita was allotted 5,00,00,000 Warrants (subsequently converted into shares), each having face value of Rs.2, on July 28, 2021 at the rate of Rs.7.70 each, for a total consideration of Rs.38.50 Crore. As per the bank statements submitted by the Company, it had received Rs.38.50 Crores from Sarita. However, the bank account statements directly obtained from the banks did not reflect the said transactions. The details are as under:

Table 6

Date	Bank account No.	Bank name	Amount as per statement submitted by the company (Rs.)	Amount as per the statement directly obtained from bank
16-07-2021	16050200002993	Federal Bank	10,00,00,000	No such transaction
27-07-2021	16050200002993	Federal Bank	10,00,50,000	No such transaction
05-04-2021	22522412345678	DCB Bank	9,62,50,000	No such transaction
02-06-2021	22522412345678	DCB Bank	8,87,00,000	No such transaction
Total			38,50,00,000	

18. Further, the bank account statements obtained directly from the banks showed that the Company had received Rs.4.10 Crore from Sarita, details of which are as under:

Table 7

Allottee Name	Date of credit in the bank of the company	Bank Name and A/c No. of BGL	Bank and A/c. No. of Allottee	Amount (Rs.)
Sarita Commosales LLP	09-04-2021	DCB BANK 22522412345678	Catholic Syrian Bank 033104307892195001	80,00,000

	12-04-2021			90,00,000
Total receipt by BGL				4,10,00,000

19. Sarita paid Rs.4.10 Crore only to BGL, as against the required payment of Rs.38.50 Crore. On the other hand, SEBI's investigation has *prima facie* revealed that Sarita received a total of Rs.4.07 Crore from BGL, which reached Sarita through circuitous transactions involving BGL's subsidiaries, viz. LIL Projects Pvt. Ltd. and Yreach Media Pvt. Ltd., and other conduit

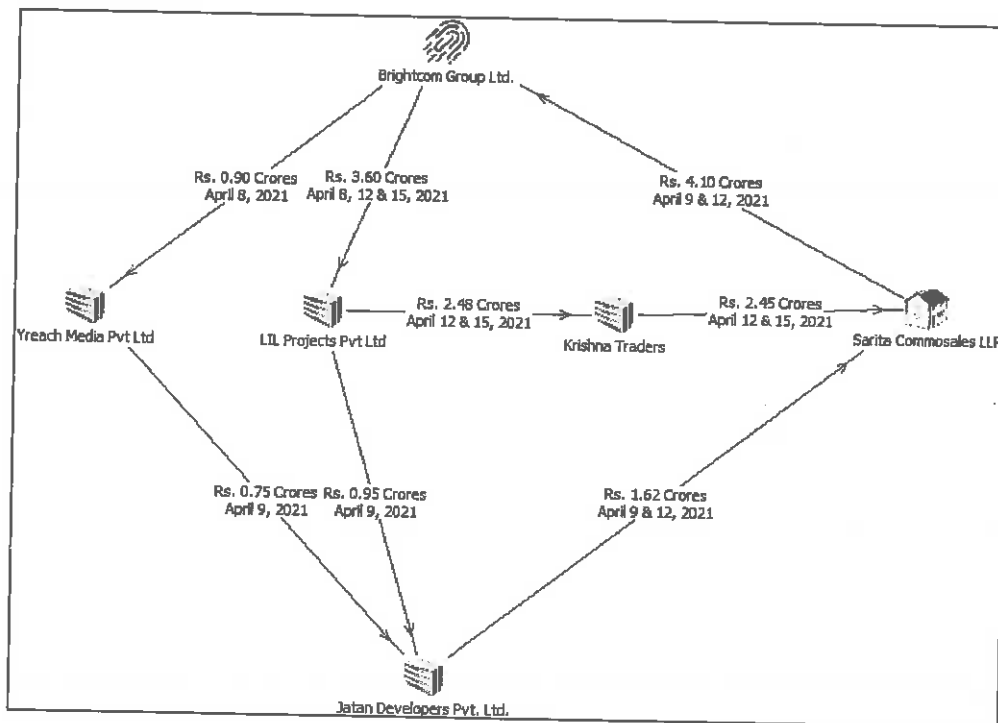

entities, viz. Krishna Traders, Jatan Developers etc. The table below details the aforementioned circuitous fund transactions.

Total	Allottee to BGL				4,10,00,000

20. The diagrammatic representation of the table above, is shown below.

21. From the above observations, it is clear that there was no real receipt of share application money by BGL from Sarita for the shares allotted in the preferential issue. In fact, Sarita paid only Rs.3 lakh on net basis (Rs.4.10 Crore-Rs.4.07 Crore) from BGL, and received shares without actually paying the remainder of the consideration.
22. It was further observed that Mr. M. Suresh Kumar Reddy had transferred Rs.1.15 Crore to Sarita on March 29 & 31, 2022 from his Axis Bank Account No. 914010002169010, which was purportedly done towards becoming partner in Sarita.

(iii) Kalpana Commosales LLP (Kalpana)

23. It was observed that Kalpana was allotted 2,50,00,000 Warrants, each having face value of Rs.2, at the rate of Rs.7.70 each, for a total consideration of Rs.19.25 Crore, which were subsequently converted into shares on July 28, 2021. The Company claimed that it had received the total consideration of Rs.19.25 Crore. In this regard, the Company submitted bank statements showing two credit transactions purported to be the receipts of Rs.8.81 Crore from Kalpana in two bank accounts. However, the bank account statements directly obtained from the banks did not reflect the said transactions. The details are as under:

Table 9

Date	Bank account No.	Bank name	Amount as per statement submitted by the Company (Rs.)	Amount as per the statement directly obtained from bank
06-04-2021	22522412345678	DCB bank	4,81,25,000	No such transaction
15-07-2021	50200058179886	HDFC Bank	4,00,00,000	No such transaction

24. Further, the bank account statements obtained directly from the banks showed that the Company had received Rs.4.8125 Crore from Kalpana on April 08, 2021. It was thus observed that as against receipt of Rs.19.25 Crore to be paid by Kalpana for the shares allotted in the preferential issue, BGL received Rs.4.8125 Crore only, leaving a shortfall of Rs.14.44 Crore. Further, as per preliminary findings of investigation, similar to the case of Sarita, out of Rs.4.8125 Crore paid by Kalpana, Rs.4.81 Crore had originated from BGL itself, which reached Kalpana through circuitous transactions involving BGL's

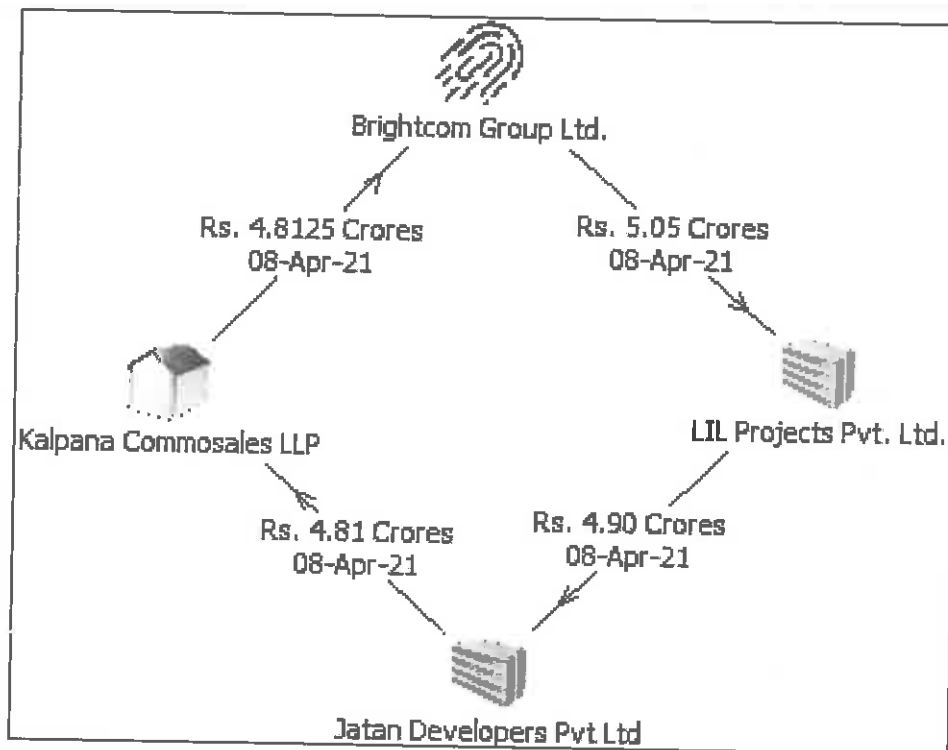

subsidiary, viz. LIL Projects Pvt. Ltd. and another conduit entity, viz. Jatan Developers. Interestingly, all these transactions happened on the same date, i.e. April 08, 2021. The table below details the aforementioned circuitous fund transactions.

Total	Allottees to BGL				4,81,25,000

25. The abovementioned circuitous funds movement is diagrammatically shown below.

26. From the above observations, it is apparent that Kalpana was allotted shares worth Rs.19.25 Crores (at the issue price) against an actual receipt of merely Rs.25000 by BGL.

27. It was further observed that Mr. M. Suresh Kumar Reddy, had transferred Rs.57 Lakh to Kalpana on March 31, 2022 from his Axis Bank Account No. 914010002169010, which was purportedly done towards becoming partner in Kalpana.

(iv) Shalini Sales LLP (Shalini)

28. It was observed that Shalini was allotted 2,00,00,000 Warrants, each having face value of Rs.2, at the rate of Rs.7.70 each, for a total consideration of Rs.15.40 Crore, which were subsequently converted into shares on July 28, 2021. The Company claimed that it had received the total consideration of Rs.15.40 Crore. In this regard, the Company submitted bank statements showing three credit transactions purported to be the receipts of Rs.11.85 Crore from Shalini. However, the bank account statements directly obtained from the banks did not reflect the said transactions. The details are as under:

Table 11

Date	Bank account No.	Bank name	Amount as per statement submitted by the company (Rs.)	Amount as per the statement directly obtained from bank
03-04-2021	22522412345678	DCB Bank	3,85,00,000	No such transaction
12-07-2021	22522412345678	DCB Bank	4,00,00,000	No such transaction
19-07-2021	22522412345678	DCB Bank	4,00,00,000	No such transaction

29. Further, the bank statements obtained directly from the bank did not reflect any other payment from Shalini to BGL. It was therefore, observed that Shalini was allotted shares in preferential allotment without any actual consideration.
30. It was further observed that Mr. M. Suresh Kumar Reddy, had transferred Rs.95 Lakh to Shalini on March 31, 2022 from his Axis Bank Account No. 914010002169010, which was purportedly made towards becoming partner in Shalini.

Summary of observations in respect of allotment to 4 LLPs

31. The observations in the preceding paragraphs show that BGL, in reality, received only partial or no consideration from the abovementioned four allottees, who were subsequently categorized as promoter entities, pursuant to Mr. M. Suresh Kumar Reddy becoming a partner in the said four allottee LLPs. The round tripping of funds by BGL through its subsidiaries and conduit entities, which was done to falsely portray the receipt of warrant / share application money from the allottees of the preferential issues, as detailed above, *prima facie* indicates diversion of Company's assets for the benefit of

allottees, in which Mr. Suresh Kumar Reddy, the promoter cum CMD of BGL, became a partner in the very next financial year.

32. Further, the mis-match in the credit entries reflected in the bank account statements submitted by the Company and those obtained directly from the banks indicate that the Company has submitted forged and fabricated bank account statements to SEBI with a deliberate intent of misleading the investigation.

Violation of lock-in norms

33. As per Regulation 167 of (SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 (ICDR Regulations, 2018), the shares allotted on preferential basis to the promoters or promoter group entities are subject to lock-in for a period of three years and shares allotted to persons other than the promoters and promoter group entities are subject to lock-in for a period of one year from the date of allotment.
34. Since the abovementioned four LLP allottees, who were allotted shares in August 2021 as non-promoter allottees, were subsequently categorized as promoter entities in March 2022, the shares allotted to them were required to be under lock-in for 3 years. However, it was observed that the lock-in on the shares held by the said 4 LLPs was vacated on September 30, 2022, i.e. before the expiry of three years.
35. It thus *prima facie* appeared that Mr. M Suresh Kumar Reddy devised a scheme to bypass the three-year lock-in prescribed under the ICDR Regulations, 2018 by first allotting shares of BGL to the abovementioned four LLPs identified as non-promoters and then subsequently reclassifying them as promoters by becoming partners in those LLPs. Through the above method, the shareholding of the promoter group increased from 4.12% as of December 31, 2021 to 18.47% as of March 31, 2022.
36. It was also noted that Mr. Subrato Saha, a Director of BGL between August 24, 2015 to October 25, 2017, was one of the designated partners of 3 LLPs, viz. Kalpana, Sarita and Shalini, at the time of preferential allotment. He continues to be so in Sarita and Kalpana as on date. The same also shows the close connection between the four LLPs and BGL.

Prima facie findings with respect to receipt of warrant / share application money from other allottees:

37. As already mentioned above, the preferential allotment of warrants / shares by BGL was done to 82 entities, out of which the analysis of receipts from four allottees, which became promoter entities after induction of Mr. M. Suresh Kumar Reddy as partner, has already been discussed above. Out of the remaining 78 entities, details of receipts from another 17 allottees have been examined and *prima facie* findings are as under:

(i) Subrato Saha:

38. As stated earlier, Subrato Saha was earlier a director in BGL and he was also a partner in 3 LLPs that later became promoter entities. He had also directly subscribed in the preferential issue and was allotted 2,20,00,000 Warrants (subsequently converted into shares on July 30, 2021), each having face value of Rs.2, for a total consideration of Rs.16.94 Crore.
39. The Company had claimed to have received the entire amount of Rs.16.94 Crore from Mr. Subrato Saha in its bank account with DCB Bank and had submitted copies of bank account statements as documentary evidence. However, when this bank account statement was compared with the bank account statement directly obtained from DCB Bank, it was observed that credit entries shown in the bank account statement submitted by BGL either did not exist or there was a mis-match in the amount. The details are as under:

Table 12

Date	Bank account No. (Company)	Bank name	Amount as per bank statement submitted by the company (Rs.)	Amount as per the statement directly obtained from bank (Rs.)
13-04-2021	22522412345678	DCB Bank	4,23,50,000	No such Transactions
17-06-2021	22522412345678	DCB Bank	6,00,00,000	No such Transactions

Total			16,94,00,000	83,70,000

40. From the above, it is apparent that BGL had received only Rs.83.70 Lakh from Mr. Subrato Saha, as against Rs.16.94 Crore. Investigation had *prima facie* revealed that even the said amount of Rs.83.70 Lakh had come from

BGL itself. Further, the following transactions were observed in the bank account of Mr. Subrato Saha:

Table 13

41. From the abovementioned transactions, it was observed that while Mr. Subrato Saha had paid a total sum of Rs.8.65 Crore to BGL, he had received a total of Rs.5.7483 Crore from BGL and LIL Projects Pvt. Ltd, which was a subsidiary of BGL. It was thus found that Mr. Subrato Saha had actually paid only Rs. 2.9017 Crore (i.e. Rs.8.65 Crore – Rs.5.7483 Crore) to BGL, as

against Rs.16.94 Crore required to be paid as warrant / share application money.

42. The abovementioned transactions are diagrammatically shown below.

43. It was further observed that Mr. Subrato Saha had received a total sum of Rs.8.57 Crore from the bank account (No. 914010002169010, Axis Bank) of Mr. M Suresh Kumar Reddy, the MD of BGL, during FY 2021-22. The related entries appearing in the bank account statement of Mr. M Suresh Kumar are as under:

44. As the source of funds for majority of the abovementioned transfers appeared to be either BGL or its subsidiaries, LIL Projects Pvt. Ltd. (LIL) and Yreach Media (Yreach), as seen from the above table, it is likely that even the abovementioned amount of Rs.2.9017 Crore, paid by Mr.Subrata Saha to BGL, belonged to/originated from BGL or its subsidiaries.

(ii) Palace Heights Avenues LLP (PHAL)

45. PHAL was one of the allottees which was allotted 45,00,000 shares at Rs.7.70 per share during the financial year 2021-22. The total consideration payable by PHAL was Rs.3,46,50,000. An analysis of PHAL's bank account statements showed that it had made payments to BGL during the period July 16 to 22, 2021 from its Bank account no. 3332000100060801 held with Karnataka Bank Limited. The details are as under:

Table 15

22/07/2021				Equitas Bank	209885713229	2,00,000			
Total									3,46,50,000

46. However, PHAL's bank account statements showed that it did not have sufficient funds in its bank account for the abovementioned transfers to BGL and that it had received funds from two subsidiaries of BGL viz., LIL Projects Pvt. Ltd (LIL) and Yreach Media Pvt. Ltd., prior to fund transfers to BGL. The bank account statements of LIL and Yreach revealed that these entities had received the said funds from BGL. It was thus observed that BGL did not receive any consideration against shares allotted to PHAL and the funds received from PHAL actually belonged to BGL itself, which were routed to PHAL through circular transactions, as may be seen from the transactions summarized in the table below.

Interim Order in the matter of Brightcom Group Ltd.

47. A diagrammatic representation of the transactions is provided below:

48. From the above, it was observed that money was circulated in small amounts, on various dates, to fictitiously create an impression of payment of share application money by PHAL to BGL.
49. Apart from the above, it was further observed that hat PHAL was owned and controlled by P. MuraliMohana Rao, a partner of M/s. P. Murali & Co, the Statutory Auditor of BGL. Specific findings in this regard are mentioned later in this Order while discussing the role of auditor.

(iii) Sahitay Commosales LLP (Sahitay)

50. Sahitay was allotted 2,50,00,000 warrants (subsequently converted into shares on July 28, 2021), with a face value of Rs.2 each, at Rs.7.70 per share during the financial year 2021-22, for a total consideration of Rs.19.25 Crore. The Company claimed that it had received the total consideration of Rs.19.25 Crore. In this regard, the Company submitted bank account statements showing four credit transactions purported to be the receipts of Rs.19.25 Crore from Sahitay. As in other cases, the bank account statements obtained directly from the banks did not show the said transactions. The details are as under:

Table 17

58. A diagrammatic representation of the above transactions is placed below.

59. As Bhuvanewari Ponna, along with Ajay Babu Ponna, received Rs.39 Lakh from BGL through LIL and Yreach, while she paid only Rs.23.66 Lakh to BGL against allotment of shares, it appears that Bhuvanewari, through her husband, had actually received an amount of Rs.15.33 Lakh from BGL, apart from getting shares for free.

(vi) **MLS Sudheer (Sudheer)**

60. MLS Sudheer was allotted 6,00,000 warrants, (subsequently converted into shares on July 23, 2021), with a face value of Rs.2 each, at Rs.7.70 per share during the financial year 2021-22, for a total consideration of Rs.46.20 Lakh. The Company claimed that it had received full consideration of Rs.46.20 Lakh. In this regard, the Company submitted bank account statements showing two credit transactions (one each in Equitas bank and DCB Bank) purported to be the receipts of Rs.46.20 Lakh from Sudheer. However, the bank account statement of BGL, directly obtained from Equitas Bank did not show the credit transaction of Rs.34.65 Lakh. The details are as under:

Table 23

Date	Bank account No. (Company)	Bank name	Amount as per bank statement submitted by the company (Rs.)	Amount as per the statement directly obtained from bank
15-04-2021	22522412345678	DCB Bank	11,55,000	11,55,000

Total			46,20,000	11,55,000

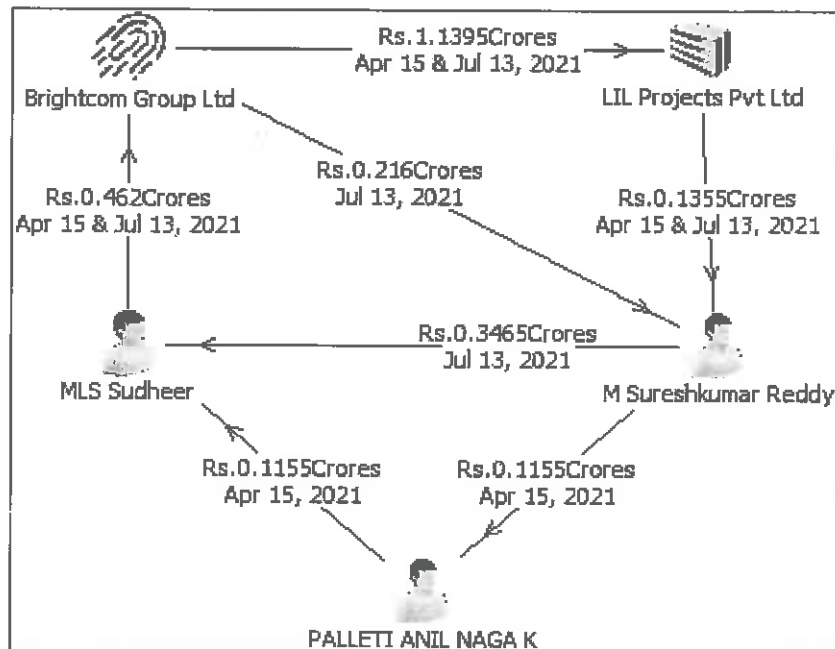

61. It was further observed that on July 13, 2021, Sudheer had paid Rs.46.20 Lakh to BGL's bank account with Equitas Small Finance Bank. However, the trail of bank transactions indicated that the said amount of Rs.46.20 Lakh as including the amount of Rs.11.55 Lakh received on April 15, 2021 (total amount of Rs.46.20 Lakh) belonged to / originated from BGL itself, which routed the funds to Sudheer through LIL (subsidiary of BGL), M Suresh Kumar Reddy (MD of BGL) and Palletti Anil Naga. The details are as under:

62. The fund flow is depicted in the following diagram.

63. As there was clear round-tripping of funds that originated from BGL and related entities, it emerged that as in the previous cases, shares were allotted without actually receiving the declared consideration .

(vii) Kishan Prakash (Kishan) and Ishan Prakash (Ishan)

64. Kishan and Ishan were allotted 48,00,000 and 28,00,000 warrants / shares respectively, on May 27, 2020. Their names are appearing at sl. nos. 11 and 12 in the list of allottees mentioned in Table 3 above. BGL was to receive Rs.4.80 Crore and Rs.2.80 Crore as warrant / share application money from Kishan and Ishan respectively.

65. It was observed that Kishan paid Rs.1.115 Crore and Ishan paid Rs. 2.2955 Crore to BGL. However, it was observed that part of the share application money received by BGL was returned to Kishan (Rs. 0.6301 Crore in his Bank Account No. 100064276550 with Indusind Bank Ltd.) and Ishan (Rs.1.1901 Crore in his Bank Account No 100074680035 with Indusind Bank Ltd.) through LIL, a subsidiary of BGL. Total	Allottees to BGL				3,41,05,000

66. A pictorial representation of the above transactions is as under:

67. From the above, it was observed that Kishan and Ishan paid Rs.1.59 Crore only as share application money for the shares allotted, as against the total consideration of Rs.7.60 Crore, leaving a shortfall of Rs.6 Crores.

(viii) Allotment to 9 other allottees:

68. BGL had made allotment to nine other allottees, viz. Manju Shivkrishna Damani, Varun Shiv Krishna Damani, Prerna Varun Damani, Pooja Rajendra Prasad Poddar, Rajendra Prasad Poddar, Sushila Devi Poddar, Ankit Kumar Alya, Sanjib Hirendra Chakraborty and Shivkrishna Harakchand Damani. Who are appearing at sl. nos. 13 to 21 in Table 3 provided above. BGL was to receive a total consideration of Rs.10,39,50,000 as warrant / share application money from the said nine allottees.

69. It was observed that BGL had claimed to have received the total consideration money of Rs.10,39,50,000 from the abovementioned allottees. However, preliminary findings of investigation revealed that BGL itself had funded these allottees through its subsidiaries (LIL and Yreach) and another conduit entity, viz. Sonal Styles Pvt. Ltd. (Sonal). It was found that LIL and Yreach had first made payments to Sonal, which then transferred funds to four allottees, viz. Ankit Kumar Alya, Sanjib Hirendra Chakraborty, Pooj Rajendra Prasad Poddar and Varun Shivkrishna Damani. Subsequently, Varun Shivkrishna Damani transferred part of the received funds to remaining five allottees, viz. Manju Shivkrishna Damani, Prerna Varun Damani, Rajendra Prasad Poddar, Sushila Devi Poddar, and Shivkrishna Harakchand Damani. Later, all nine allottees transferred funds to BGL as subscription money for the warrants / shares allotted. Thus, the money was rotated in a circular fashion to falsely portray that subscription money had been received by BGL from the abovementioned nine allottees. The details of the transactions are provided below:

(ix) Shankar Sharma

71. Mr. Shankar Sharma was allotted 1,50,00,000 warrants (subsequently converted into shares on March 09, 2022), with a face value of Rs.2 each, at Rs.37.70 per share during the financial year 2021-22, for a total consideration of Rs.56.65 Crore. The Company claimed that it had received the total consideration of Rs.56.65 Crore, as per the following details:

72. However, even after repeated reminders, BGL failed to provide documentary evidence of receipts of warrant / share application money from Mr. Shankar Sharma in its bank accounts.
73. On examination of BGL's bank accounts where the proceeds of preferential issue were collected, it was observed that following payments were made by Mr. Shankar Sharma from his bank account with IndusInd Bank to the BGL's accounts with Equitas Finance Bank Ltd. and HDFC Bank Ltd.:

74. From the above, it was observed that BGL had received Rs.25.7936 Crore from Mr. Shankar Sharma. Subsequently, Mr. Shankar Sharma vide emails dated July 25 & 26, 2023 informed SEBI that he paid Rs.14.19 Crore towards warrant application money to BGL's HDFC Bank Account. In this regard, he submitted copy of his bank account statement. However, in the said statements, all the particulars of the transaction, except the amount, were concealed by redaction. Due to the same, the above payment could not be verified and the same is still under examination. Therefore, it appears that BGL has only received Rs.39.98 Crore (including Rs.14.19 Crore which could not be verified) as against total consideration due of Rs.56.6555 Crores and has not received the entire share application money from Mr. Shankar Sharma and that BGL's claims in this regard are false.
75. Further, while BGL claimed that total consideration of Rs.56.6555 Crore had been received from Mr. Shankar Sharma between 29/10/2021 to 09/03/2022, BGL's bank statements showed that Rs.25.7936 Crore was transferred by Mr. Shankar Sharma to BGL between 11/07/2022 to 28/11/2022.
76. SEBI has also repeatedly tried to obtain information and supporting documents from Mr. Shankar Sharma regarding payments made by him to BGL in respect of the warrants / shares allotted. However, Mr. Shankar Sharma is yet to provide complete information and documents to SEBI. The

details of communication with Mr. Shankar Sharma are provided in the Table below:

Table 29

77. From the above, it is clear that ample opportunities have been given to Mr. Shankar Sharma to provide the correct position of payments made to BGL. However, he has failed to provide the same. Interestingly, one of the reasons for non-submission of payment details, cited by Mr. Shankar Sharma in his email dated August 15, 2023 is that the *"We have been constrained by the delay on part of the company to reconcile all the remittances."*

Remaining allottees under examination:

78. Apart from the abovementioned 22 allottees, the payments for the preferential allotments by remaining 60 allottees is still under examination. The details of the said allottees are as under:

Utilization of proceeds of Preferential Issues:

79. BGL was asked to furnish the statement of utilization / application of funds raised through preferential issues, reviewed by its Audit Committee, as specified in Schedule II, Part C read with Regulation 18(3) of LODR Regulations, 2015. However, BGL responded by merely stating that its Audit Committee had approved the release of funds, as and when required, to both LIL and YReach. Further, BGL did not furnish copies of the Audit Committee approvals/resolutions. Instead, BGL furnished a copy of the resolution passed at the meeting of the Board of Directors of BGL on June 28, 2021.

“RESOLVED THAT consent of the Board of Directors be and hereby accorded to pay advances as and when required to the Wholly Owned Subsidiaries M/s. LIL Projects Private Limited and M/s. YReach Media Private Limited for extending support in product development initiatives of Brightcom Group Limited.

RESOLVED FURTHER THAT M/s. LIL Projects Private Limited and M/s. YReach Media Private Limited are authorized to outsource some part of product development activities to eligible contractors capable of executing the projects and make payments to such parties on behalf of Brightcom Group Limited.”

80. In response to SEBI’s query as to why BGL’s annual report for FY 2021-22 did not disclose the utilization of funds raised through preferential allotment, as required under Regulation 32(7A) of LODR Regulations, 2015, BGL merely stated that the funds received in the preferential allotment were fully utilized in that year and hence the same was not disclosed. However, as

elaborated in above paragraphs, part of payments for share allotments was received by BGL in FY 2022-23 and not entirely in FY 2021-22

Loans given by BGL to its subsidiaries:

81. As per information provided by BGL to SEBI, out of the preferential issue proceeds of Rs.867.78 Crores, an amount of Rs.824 Crores was given as loans to two of its wholly owned subsidiaries, as mentioned below:

Table 31

Particulars	Amount (Rs. Crores)
LIL Projects Private Ltd.	506
YReach Media Private Ltd.	318
Total	824

82. BGL had informed SEBI that payments were made to LIL in its ICICI Bank Account No. 007605004446 and to Yreach in its ICICI Bank Account No. 007605003641. From the examination of LIL's bank account statements for FY 2021-22, provided by LIL, it was noted that LIL received about Rs.200 Crores directly from BGL and Rs.57 Crore from Yreach. Even if the payment from Yreach to LIL is considered as payment from BGL, the total amount received by LIL from BGL comes to Rs.257 Crores only, as against BGL's claim of grant of loan of Rs.506 Crore to LIL.
83. Similarly, from the examination of Yreach's bank account statements for FY 2021-22, provided by Yreach, it was observed that Yreach had received Rs.150.75 Crore from BGL. Out of the said amount, Rs. 57 Crore was transferred to LIL, as pointed out above. Taking into account the same, the actual amount ultimately received by Yreach from BGL came to Rs.93.75 Crore only, as against BGL's claim of grant of loans of Rs.318 Crore to Yreach.
84. It was thus found that LIL and Yreach had together received only Rs.350.75 Crore from BGL as loans, out of the proceeds of the preferential issues, as against BGL's claim of loans of Rs.824 Crore. Since BGL had recorded in its books of accounts, grant of loans of Rs.506 crores and Rs. 318 Crore to LIL and Yreach respectively, the books of BGL and its subsidiaries, viz. LIL and Yreach, appeared to be overstated.

BGL's claims regarding utilization of loans by subsidiaries

85. BGL submitted the details of utilization of the abovementioned loans by its subsidiaries, LIL and Yreach. However, examination of the bank account statements of LIL and Yreach (as provided by BGL) vis-à-vis BGL's claims of utilization of loans by subsidiaries revealed the following:

86. From the above, it was *prima facie* observed that BGL's claims were false and that funds had been diverted from BGL and its subsidiaries.

Fund transfers to Shri M Suresh Kumar Reddy:

87. It was observed that funds amounting to Rs.25.12 Crore were transferred by BGL and its subsidiaries, LIL and Yreach, in FY 2021-22 to Mr. M Suresh Kumar Reddy (CMD and Promoter of BGL), out of the proceeds of preferential issues, though such payments to the promoter were never the objective of the said preferential issues. The details of the said transactions are as under:

88. The abovementioned transactions indicate that Rs.25.12 Crore was siphoned-off from the proceeds of preferential issues. Further, instances of Mr. M Suresh Kumar Reddy having used his account for ploughing back the share application money to some of the allottees of preferential allotments have already been brought out earlier in this Order.

Fund transfers to Shri Manohar Mollamma, Company Secretary

89. It was observed that funds collected on account of proceeds of preferential issues was also transferred to Shri Manohar Mollama, who was the company secretary and compliance officer of the Company during the period of preferential issues of BGL. The funds were first transferred from LIL's account to the bank account (with SBI) of Ms. Bindusree Mollama, wife of Shri Manohar Mollama. The Details of such transfers are provided below:

90. After funds were transferred to Ms. Bindusree Mollama by LIL, part of said funds were immediately transferred to bank account of Shri Manohar Mollama. The details are under:

91. From the above, it was found that a total of Rs.57.75 Lakh was received in the bank account of Ms. Bindusree Mollama and immediately thereafter, about Rs.58 Lakh was transferred to Shri Manohar Mollama.

92. Mr. Manohar Mollama was summoned to appear before the Investigating Authority (IA) of SEBI, to explain the aforementioned transactions, but he failed to do so. It thus appeared that funds transferred to Shri Manohar Mollama were siphoned off from the proceeds of preferential issues.

Fund transfers to M Shreedhar Reddy

93. As per BGL's email dated June 30, 2023, Shri M Shreedhar Reddy was a key person of BGL and was responsible for the preferential issues. It was observed that many fund transfers were made from the subsidiaries of BGL to Shri M Shreedhar Reddy, which appeared suspicious. Some of the identifies transactions are reproduced below.

94. Further, Shri M Shreedhar Reddy was also found to have received funds from YReach Media Pvt. Limited, the details of which are as under:

Table 37

Bank Name	Customer Name	Account Number	IFSC Code	Date of transaction	Transaction type	Narration	Debit amount (Rs.)

95. It thus appeared that funds transferred to Shri M Shreedhar Reddy were siphoned off from the proceeds of the preferential issues.

Summary of findings pertaining to preferential allotments:

96. From the observations and findings mentioned in the above paragraphs, it *prima facie* emerges that:

- BGL itself had financed its abovementioned preferential issues by round-tripping / circuitous movement of funds to certain allottees through its subsidiaries, promoter cum CMD and other conduit entities.
- BGL allotted warrants / shares to certain allottees against partial receipts or no receipt of warrant / share application money, even though it claimed to have received the full amount from the allottees. In case of

certain allottees, BGL had refunded to the allottees the share application money received from them.

- (c) BGL had submitted forged and fabricated bank account statements as documentary evidence in order to falsely portray that the receipt of warrant / share application money from the allottees.
- (d) Section 67 of the Companies Act, 2013 imposes certain restrictions on the purchase of its own shares by the company or giving of loans by it for the purchase of its shares. As per Clause 2 of the said Section, *no public company shall give, whether directly or indirectly and whether by means of a loan, guarantee, the provision of security or otherwise, any financial assistance for the purpose of, or in connection with, a purchase or subscription made or to be made, by any person of or for any shares in the company or in its holding company.* The abovementioned funding by BGL to the allottees of the preferential issues was in violation of Section 67(2) of the Companies Act, 2013.
- (e) Since the receipt of the warrant / share application money from allottees was accounted in a fictitious manner, and the Company's standalone and consolidated books reflected such fictitious receipts, the books of accounts of the Company were, *prima facie*, inflated.
- (f) In case of 4 allottees, which were later categorized as promoter entities, the lock-in on shares was vacated before the expiry of the prescribed lock-in period applicable to promoter entities.
- (g) The proceeds of preferential issues were not utilized as per the declared objects of the preferential issues. BGL claimed to have advanced loans to the tune of Rs.824 Crore to its subsidiaries, LIL and Yreach. However, as per preliminary findings, BGL had transferred only Rs.350.75 Crore to LIL and Yreach. The remaining amount appeared to have been siphoned off from the Company / is unaccounted for.
- (h) Further, as BGL had recorded in its books of accounts, grant of loans of Rs.506 crores and Rs. 318 Crore to LIL and Yreach respectively, which were found to be false, the books of BGL and its subsidiaries, viz. LIL and Yreach, appeared to be overstated.

- (i) As regards the utilization of loan amounts provided by BGL to LIL and Yreach, BGL's claims in this regard were found to be false and misleading and it appeared that money had been siphoned off.
- (j) Further, BGL had also transferred funds to Mr. M Suresh Kumar Reddy (promoter-cum-CMD of BGL), Mr. Manohar Mollama (then Company Secretary) and Mr. M Shreedhar Reddy (key employee), out of the proceeds of the preferential issues, which appeared to be an act of siphoning off of funds of the Company. Further, instances of Mr. M Suresh Kumar Reddy having used his account for ploughing back the share application money to some of the allottees of preferential allotments were also found.

Statutory Auditors, PCN & Associates and P. Murali & Co.

97. BGL had made preferential issues in the FYs 2020-21 & 2021-22. As observed earlier, BGL had transferred the preferential allotment proceeds to its two unlisted Indian Subsidiaries viz., LIL & Yreach. The details of the Statutory Auditors of BGL, LIL & Yreach for the FYs 2020-21 & 2021-22 are:

98. As per requirements prescribed by the exchanges, a listed company that issued shares on preferential allotments has to submit a Certificate from its Statutory Auditors in the prescribed format *inter-alia* stating that they have verified the relevant records and documents of the company with respect to

the preferential allotment and certify that the company has realized the Application/Allotment Money from the allottee(s) against the allotment of equity shares and there is no circulation of funds or mere passing of book entries while making the allotment. The certificate also has to state that consideration paid in cash, has been received from the respective allottees' bank account and the relevant documents thereof are maintained by the company.

99. It was observed that BGL had submitted such certificates, issued by its statutory auditors, to BSE and NSE as part of its application for the listing of equity shares issued pursuant to preferential allotments.
100. As per Section 143(1)(b) & (f) of the Companies Act, 2013, the Statutory Auditor of a company is *inter-alia* required to inquire into the following matters:
- whether transactions of the company which are represented merely by book entries are prejudicial to the interests of the company [143(1)(b)];
 - where it is stated in the books and documents of the company that any shares have been allotted for cash, whether cash has actually been received in respect of such allotment, and if no cash has actually been so received, whether the position as stated in the account books and the balance sheet is correct, regular and not misleading[143(1)(f)].
101. Section 143(12) of the Companies Act 2013 read with Rule 13 of the Companies (Audit and Auditors) Rules, 2014 specifies that if an auditor of a company in the course of the performance of his duties as auditor, has reason to believe that an offence of fraud involving an amount or rupees one crore and above, is being or has been committed in the company by its officers or employees, the auditor shall report the matter to the Central Government. However, in case of a fraud involving lesser amount, the auditor shall report the matter to the audit committee.
102. Further, the Companies (Auditor's Report) Order, 2016 ("CARO 2016") (applicable up to FY 2020-21) issued by the Central Government under Section 143(11) required that the auditor's report shall also include a statement on certain matters. Paragraphs 3(x) and 3(xiv) of the said Order provided for the following:

- Paragraph 3(x) - Whether any fraud by the company or any fraud on the company by its officers or employees has been noticed or reported during the year; If yes, the nature and the amount involved is to be indicated;
- Paragraph 3(xiv) - Whether the company has made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and if so, as to whether the requirement of Section 42 of the Companies Act, 2013 have been complied with and the amount raised have been used for the purposes for which the funds were raised. If not, provide the details in respect of the amount involved and nature of non-compliance;

103. Further, the Companies (Auditor's Report) Order, 2020 ("CARO 2020") (applicable w.e.f. FY 2021-22) issued by the Central Government under Section 143(11) requires that the auditor's report shall also include a statement on certain matters. Paragraph 3(x)(b) of the said Order provides for the following:

- Paragraph 3(x)(b) - Whether the company has made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and if so, whether the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised, if not, provide details in respect of amount involved and nature of non-compliance;
- Paragraph 3(x)(b) - whether any fraud by the company or any fraud on the company has been noticed or reported during the year, if yes, the nature and the amount involved is to be indicated;

104. Section 143(3)(j) of the Companies Act 2013 read with Rule 11(e) of Companies (Audit and Auditors) Rules, 2014 (Applicable w.e.f FY 2021-22) provides for reporting by auditors on lending or receiving funds through pass-through entities marked for the ultimate beneficiary. The text of this rule is reproduced below:

(j) Whether the management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign

entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) Whether the management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

105. As explained above, the investigation revealed that BGL resorted to the structured circulation of funds where the preferential allotment proceeds were transferred to its subsidiaries, which in turn were transferred back to preferential allottees. Thus, such transactions were merely book entries as they did not result in net cash flow. In view of the same, the following lapses were found against PCN & Associates, the Statutory Auditor of the Company, which was also the auditor of two of its subsidiaries, viz. LIL and Yreach:

- (a) The Statutory Auditor, in its certificates on the basis of which the shares allotted pursuant to the preferential issue were listed on stock exchanges, had misrepresented that the Company had realized the Application/Allotment Money from the allottee(s) against the allotment of equity shares and there was no circulation of funds or mere passing of book entries in this regard.
- (b) The Statutory Auditor failed to report that the entries w.r.t receipt of preferential allotment proceeds were merely book entries, as they did not result in net cash flow.
- (c) The Statutory Auditor also failed to report that cash was not received against the allotment of shares and therefore the position of Equity

Share Capital and the securities premium represented in the Balance Sheet of BGL for the financial years 2020-21 & 2021-22 was incorrect, irregular and misleading.

- (d) The Statutory Auditor also failed to report the fraud involving the structured circulation of funds where the preferential allotment proceeds were transferred to the Company's subsidiaries, which in turn were transferred back to preferential allottees, which did not result in cash flow to BGL.
 - (e) The Statutory Auditor in its CARO reporting for the FYs 2020-21 & 2021-22 misrepresented that the BGL had complied with provisions of the Companies Act, 2013 w.r.t preferential issues and also misrepresented that funds raised therefrom were used for the purposes for which the same were raised and also failed to provide the details with respect to the amount involved and nature of non-compliance.
 - (f) The Statutory Auditor in its report for the FY 2021-22 of BGL had also failed to report that the funds were advanced or loaned by BGL to its two subsidiaries viz., LIL & Yreach with the intention to directly or indirectly fund the preferential allottees.
 - (g) Further, the Statutory Auditor in its report for the FY 2021-22 of LIL & Yreach failed to report that the funds were received by LIL and Yreach from their holding company, BGL, with the intention to directly or indirectly fund the preferential allottees.
106. As per the provisions related to the rotation of statutory auditors under Rule 6(3) of the Companies (Audit and Auditors) Rules, 2014 read with Section 139 of Companies Act, 2013, the incoming auditor or audit firm shall not be eligible if such auditor or audit firm is associated with the outgoing auditor or audit firm under the same network of audit firms.
107. It was observed that immediately prior to the appointment of PCN & Associates as the Statutory Auditor of BGL in FY 2017-18, P. Murali & Co. was the Statutory Auditor of BGL since FY 1999-2000 to 2015-16. It was

however found that PCN & Associates was associated with P Murali & Co in the following manner:

- (a) As per the statement of Chandra Babu M, Partner of PCN & Associates recorded before IA, he was associated with P Murali & Co as consultant between 2011-2015.
 - (b) As per the website of PCN and Associates <https://pcnassociates.com/resource/Partners.aspx>, the following partners of PCN & Associates were associated with P. Murali & Co:
 - a. CA Naveen Madivada, Partner, PCN and Associates did his CA articleship with M/s. P. Murali & Co.
 - b. CA Lakshmi Prasanthi S, Partner, PCN and Associates did her CA articleship in M/s. P.Murali & Co.
108. It was observed that after the introduction of provisions for mandatory rotation of auditors in the Companies Act 2013, PCN & Associates, which had close association with P. Murali & Co., was appointed as Statutory Auditor of BGL for FYs 2017-18 to 2021-22 and subsequently P. Murali & Co., was again appointed as the Auditor of BGL for a term of five consecutive years commencing from the conclusion of the 23rd Annual General Meeting i.e. of FY 2021-22 held on September 30, 2022 up to the conclusion of the 28th Annual General Meeting.
109. It was also observed that after the introduction of provisions for mandatory rotation of auditors in the Companies Act 2013, PCN & Associates, which had close association with P. Murali & Co., was also appointed as Statutory Auditor of at least 18 companies during the FYs 2017-18 to FY 2021-22. Interestingly in 12 out of these 18 listed companies, P. Murali & Co., was appointed as Statutory Auditors in the FY 2022-23.
110. Further, As per Section 141(3)(e) of the Companies Act, 2013 dealing with the eligibility, qualifications and disqualifications of auditors, *a person or a firm who, whether directly or indirectly, has business relationship (any transaction entered into for a commercial purpose) with the company, or its*

subsidiary, or its holding or associate company or subsidiary of such holding company or associate company shall not be eligible for appointment as an auditor of a company.

111. It was observed from the annual reports of the Company that M/s. Aarhi Consultants Private Limited was the registrar and share transfer agent (RTA) of BGL (i.e. there was business relationship), at least since 2000-2001. P Murali Mohana Rao, the partner of P Murali & Co., was found to be associated with M/s. Aarhi Consultants Private Limited in the following manner:

- (a) P Naga Nandini, wife of P Murali Mohana Rao, was one of the subscribers to memorandum & promoter of M/s. Aarhi Consultants Private Limited.
- (b) Ram Lakshmi Potukuchi and Vasantha Petasubba were the directors of M/s. Aarhi Consultants Private Limited from 27/03/1992 and 01/09/2018 respectively. Their email IDs registered with MCA are pmurali.cs@gmail.com which is same as email ID of Pluto Mines And Minerals LLP where P Murali Mohana Rao is a designated partner.
- (c) The registered address of M/s. Aarhi Consultants Private Limited is 1-2-285, Domalguda Hyderabad – 500 029 which is same as address of Pluto Mines And Minerals LLP, Palace Heights Avenues LLLP, A M N Hotels LLP where P Murali Mohana Rao is a designated partner.
- (d) Vasantha Petasubba was one of the Directors of P Murali Consultants Private Limited which is a consultancy firm in which P Murali Mohana Rao is also a director.
- (e) The shareholders of M/s. Aarhi Consultants Private Limited were found to be related to P Murali Mohana Rao.

112. Interestingly, in 16 out of 18 listed companies in which PCN & Associates was appointed as statutory auditors replacing P. Murali & Co., the RTA is Aarhi Consultants Limited. The pattern of appointment of auditors and RTA, observed in 18 listed companies, since 2013-14 is given below:

Table 39

113. It was thus observed that the appointment of PCN & Associates in FY 2017-18 and the subsequent appointment of P. Murali & Co., was aimed at defeating the provisions mandating the rotation of the statutory auditors, as laid down in the Companies Act, 2013.
114. It was also observed that PCN & Associates and P. Murali & Co. had followed a similar modus operandi of appointment and reappointment by taking turns, in a number of listed companies, in order to circumvent the provisions of mandatory rotation of auditors in the Companies Act 2013.
115. Apart from the above, it was also observed that a payment of Rs.31.28 Lakh and Rs.58.71 Lakh was made by LIL to P Murali & Co. and Aarthi Consultants Pvt. Ltd. respectively. The details are as under:

Table 40:

116. As per Section 141(3)(d) of the Companies Act, 2013 dealing with the eligibility, qualifications and disqualifications of auditors, a person who, or his relative or partner is holding any security of the company shall not be eligible for appointment as an auditor of a company. However, a relative of an auditor may hold securities in the company of face value not exceeding Rs. One Lakh.
117. It was observed that BGL had allotted 45,00,000 shares of face value Rs. 2 each at Rs.7.7 per share (including premium of Rs.5.7 per share) in preferential issue to M/s. Palace Heights Avenues LLP on July 23, 2021, for a total consideration of Rs. 3.465 Crore. As observed in earlier paras, the payment of the application money by Palace Heights Avenues LLP was fictitious, as the funds were merely rotated in a circuitous manner, resulting in allotment of shares without any actual payment to BGL.
118. From the Limited Liability Partnership Agreement Dated June 2020 it was seen that 10% and 90% of the Capital (i.e. total 100%) of Palace Heights Avenues LLP was contributed by P Murali Mohana Rao and his wife P Naganandini respectively. It was observed that the shareholders' approval for the preferential allotment in which PHAL was the allottee was obtained in the AGM of BGL held on December 28, 2020. The explanatory statement to the notice of said AGM included the identity of the natural persons who were the ultimate beneficial owners of the shares proposed to be allotted and/or who ultimately controlled the proposed allottees, as required under Regulation 163 of ICDR Regulations, 2018.

However, in respect of PHAL, contrary to its LLP agreement, one Mr.B.Ravi Kumar was shown as the beneficial owner.

119. In view of the business relationship between Aarthi Consultants Limited and BGL (as BGL's RTA) and P. Murali's shareholding in M/s. Palace Heights Avenues LLP, P Murali & Co *prima facie* appeared to be ineligible to be appointed as Statutory Auditors of BGL. However, M/s.P Murali & Co, who were the statutory auditors of BGL till FY2016-17, were re-appointed as the Statutory Auditors of the Company for a term of five consecutive years commencing from the conclusion of the 23rd Annual General Meeting held on September 30, 2022 up to the conclusion of the 28th Annual General Meeting.

120. Regulation 36(5) of LODR Regulations, 2015 provides that:

The notice being sent to shareholders for an annual general meeting, where the statutory auditor(s) is/are proposed to be appointed/re-appointed shall include the following disclosures as a part of the explanatory statement to the notice:

(a) Proposed fees payable to the statutory auditor(s) along with terms of appointment and in case of a new auditor, any material change in the fee payable to such auditor from that paid to the outgoing auditor along with the rationale for such change.

(b) Basis of recommendation for appointment including the details in relation to and credentials of the statutory auditor(s) proposed to be appointed.

121. As per the above regulation, BGL was required to disclose the proposed audit fee payable to the statutory auditor, basis of recommendations and credentials. BGL has neither disclosed the remuneration proposed to be paid to M/s. P. Murali & Co., Chartered Accountants, nor the credentials. Accordingly, BGL is non-compliant w.r.t. above stated Regulation.

122. The abovementioned observations lead to the inference that the Statutory Auditor failed to perform its duties and colluded with the management/promoters of the Company.

123. It is further concluded that PCN & Associates, which was the statutory auditor of BGL at the relevant time, gave false certificate that it had verified the relevant records and documents of the Company with respect to the preferential allotment

and falsely certified that the Company had realized the Application/Allotment Money from the allottee(s) against the allotment of equity shares and there was no circulation of funds or mere passing of book entries in this regard. The certificate also falsely stated that the consideration paid in cash, was received from the respective allottees' bank account and the relevant documents thereof were maintained by the Company.

124. Considering the above observations, it was evident that PCN & Associates was aiding and abetting BGL in covering up the act of share allotment by BGL without any actual receipt of share application money. Further, it was also evident that M/s. P Murali & Co, which became the statutory auditor of BGL after replacing PCN & Associates and has informed BGL about its resignation vide letter dated August 03, 2023, was also involved in facilitating the fraud and manipulation by BGL. One of the reasons cited by the statutory auditor while resigning was "Our decision has been prompted by the ongoing SEBI inquiries and other regulatory matters that have come to our attention."

Role of Noticees:

Shri M Suresh Kumar Reddy, Promoter and CMD

125. As Shri M Suresh Kumar was the CMD of the Company and various documents filed with the exchanges in relation to the preferential issues were under his signature, it is evident that he played a key role in the issuance of securities without adequate consideration in a fraudulent manner. Further, it was also *prima facie* found that Shri M Suresh Kumar Reddy was a direct beneficiary of the allotments without adequate consideration, since he was a partner in 4 LLP allottees which received 18% shares in the preferential allotments without any consideration. Further, he also received funds of the proceeds of the preferential issues. He also played an active role in the fraud by using his own accounts and other conduit entities to funnel back the share application money to the allottees, as already discussed above. Further, as CMD of the Company, Shri M Suresh Kumar Reddy was also responsible for non-submission / partial submission of information and documents and submission of forged and fabricated bank account statements to SEBI.

126. Further, as the financial statements of BGL appear to have mis-statements and mis-representations, Shri M Suresh Kumar, as CMD was also responsible for the same, since he was responsible for ensuring that the books of accounts and financial statements are true and fair.

Shri Narayana Raju, CMA, Chief Financial Officer (CFO)

127. SEBI vide letter dated December 27, 2022 had *inter alia* sought the Bank Account Statements of BGL, LIL Projects Private Limited and Yreach Media Private Limited. In response, Shri Narayana Raju, the CFO, vide email dated January 04, 2023 forwarded letter dated January 03, 2023, signed by him, enclosing therewith the bank account statements, as Annexure E & C to the said letter. The following details of Bank Accounts were submitted along with the letter:

Table 41

Name of the Account holder	Bank name	Bank Account No.
Brightcom Group Limited	DCB Bank	22522412345678
	Equitas Small Finance Bank	209885713229
	Federal Bank	16050200002993
	HDFC Bank	50200058179886
LIL Projects Pvt Ltd	ICICI Bank	007605004446
YReach Media Private Limited	ICICI Bank	007605003641

128. As already stated above, on comparing the bank account statements submitted by BGL with those directly obtained from respective banks, it was observed that the transactions appearing in the bank statements submitted by BGL were either missing or were not matching with the transactions appearing in the statements submitted by the respective banks.

129. The bank account statements of the abovementioned six accounts submitted by BGL were forwarded to respective banks to confirm their authenticity. The following were the responses received from the banks:

- a. Equitas Small Finance Bank vide email dated April 01, 2023 informed that the **bank statement was fabricated.**

- b. Federal Bank Vide email dated April 01, 2023 confirmed that the bank statements submitted by the Company was fabricated and manipulated.
- c. HDFC Bank vide email dated July 05, 2023 informed that the Bank Statement of BGL was manipulated.
130. The submission of the abovementioned forged Bank statements appeared to be an attempt to cover up the fact that the Company did not collect adequate consideration while making the preferential allotments as well as to camouflage the round-tripping of funds to the allottees through subsidiaries and conduit entities and the diversion of Company's funds to Shri M Suresh Kumar Reddy and others.
131. Further, as the books of accounts of BGL appear to have mis-statements and mis-representations, Shri Narayana Raju, as CFO and Compliance Officer was also responsible for the same, since he was responsible for ensuring that the books of accounts and financial statements are true and fair.

Role of noticees 4 to 25

132. As already discussed above, Noticees 4 to 25 appeared to have received shares in preferential allotment without making any or partial payments as application money.

Provisions of Laws *prima facie* violated:

133. Based on the abovementioned *prima facie* observations and findings, it is alleged that BGL, Mr. M. Suresh Kumar Reddy (BGL's promoter-cum CMD), Mr. Narayan Raju (CFO), were involved in round-tripping of BGL's own funds in a circular fashion to falsely portray receipt of consideration from allottees of preferential allotments and siphoning off of proceeds of preferential allotments, as already detailed above. Further, BGL, Mr. M. Suresh Kumar Reddy and Mr. Narayan Raju were responsible for submission of forged and fabricated bank account statements to SEBI with an intent to mislead the investigation and cover-up the irregularities. In view of the above, the Noticees are alleged to have violated the provision of Section 12A(a), (b) and (c) of the SEBI Act, 1992 and Regulations 3(a), (b), (c) (d), 4(1), 4(2)(c) & (f) of the PFUTP Regulations, 2003.

134. BGL, by financing its own preferential allotment by channeling its own funds to the allottees through layers of conduit entities including two of its wholly owned subsidiaries, is alleged to have violated Section 67 read with Section 24 of the Companies Act, 2013. Further, by failing to ensure that all equity shares allotted by way of preferential issues were fully paid up at the time of allotment, BGR has allegedly violated Regulation 160 of the ICDR Regulations, 2018.
135. Additionally, Mr. M Suresh Kumar Reddy, by circumventing the lock-in norms applicable to four LLP allottees subsequent to their categorization as promoter entities, is alleged to have violated Regulation 167 of ICDR Regulations, 2018.
136. Further, Noticee nos. 4 to 25, by participating in the allotment of shares without payment of adequate consideration, have benefitted themselves in a fraudulent manner, thereby violating the provisions of Section 12A(a), (b) and (c) of the SEBI Act, 1992 and Regulations 3(a), (b), (c) (d) and 4(1) of the PFUTP Regulations, 2003

Details of correspondence made by SEBI seeking information and documents

137. SEBI sent multiple letters / emails to Noticees 1 to 3 seeking information and documents in connection with the abovementioned preferential allotments. However, the said Noticees have failed to provide the required information and documents or have provided incomplete information. The details of the correspondence with them are as under:

Need for interim order:

138. The *prima facie* observations and findings, as discussed in above paragraphs, clearly show the manipulations carried out by BGL and other Noticees, in respect of BGL's preferential allotments, which *inter alia* involve fictitious receipts of share application money from allottees and siphoning of funds from BGL. However, BGL has brazenly attempted to cover-up its misdeeds by submitting forged and fabricated bank statements to SEBI. The blatant acts of the Company and other Noticees raise serious concerns about the affairs of the Company and also raise doubts as to whether the financial statements prepared by the Company and various disclosures made on Stock Exchange platform or in Annual Reports in the past are correct or not.
139. It is pertinent to mention that recently, an investigation by SEBI has found *inter alia* several instances of accounting irregularities and mis-statements in the financial statements of the Company. As per the findings of investigation, BGL attempted to camouflage accounting entries in excess of Rs.1280 Crore during FYs 2018-19 and 2019-20 to give a distorted picture of the Company's financial position. SEBI has already issued an Interim Order-cum-Show Cause Notice dated April 13, 2023 to BGL and other persons, including Mr. M. Suresh Kumar Reddy, who is a Noticee in this Order also.
140. Considering the new findings as brought out in this Order, it is imperative that the matter is probed thoroughly. Though the investigation has been able to examine receipts of consideration from only 22 allottees out of 82 allottees, there is a real possibility that the remaining allottees may have received shares in the preferential allotment against payment of no or partial consideration in a similar

manner as the abovementioned 22 allottees. While a detailed investigation is going on in this matter to unravel the extent of fraud committed, the Company and its KMPs during the relevant time have not co-operated in the investigation. While the Investigating Authority had issued summonses to the Company and its directors for personal appearance and submission of information / documents, they have failed to appear before the Investigating Authority or submit information / documents on one pretext or the other. Moreover, the Company and its CMD have resorted to submission of forged and fabricated bank account statements to mislead SEBI.

141. The fabricated bank account statements have been submitted as late as June 2023 and the Noticees 2 and 3 responsible for doing the same continue to be in charge of the Company even today. Thus, there is a real apprehension that the Noticees 2 and 3, if allowed to continue to be at the helm of affairs, may make every effort to derail SEBI's investigation to unravel the truth in this matter by further forging and fabricating records and misleading SEBI.
142. Further, while payments by 60 allottees to BGL are still under examination, there is a *prima facie* case that Noticees 4 to 25 were allotted shares against partial or no consideration in the abovementioned preferential allotments. There is a real possibility that once this Interim Order is issued, Noticees 4 to 25 may sell the shares allotted to them and make an exit. Thus, they need to be restrained from doing so. In case of remaining 60 allottees, suitable action would follow after the examination in respect of them is completed.
143. In view of the above observations and considering the gravity of the *prima facie* findings, I am of the opinion that urgent intervention by SEBI, by way of issuance of interim directions, is warranted in this matter to safeguard the interests of investors and uphold the integrity of the financial system. Accordingly, I deem it to be a fit case to issue appropriate directions, pending a detailed investigation.
144. SEBI in the past has issued supplementary SCNs after the issue of an earlier Interim Order or SCN. It is perhaps for the first time that SEBI is resorting to issuing a second Interim Order for the same entity. This has been done with much thought and deliberation, considering the scale and gravity of manipulation. The modus operandi adopted suggested a pattern that was repeated multiple times

in the preferential allotment. Further, while the auditors are *prima facie* found to be involved in the irregularities committed by BGL, action, as deemed fit, in respect of them would follow after conclusion of detailed investigation.

Directions:

145. Keeping in view the *prima facie* observations and findings recorded in the preceding paragraphs and in order to protect the integrity of the securities market, I, in exercise of the powers conferred upon me under Sections 11(1), 11(4) and 11B(1) read with Section 19 of the SEBI Act, 1992 hereby issue the following interim directions, which shall be in force until further orders: -

The Noticee is permitted to settle the pay-in and pay-out obligations in respect of transactions, if any, which have taken place before the close of trading on the date of this order.
- d) Noticees 3 to 25 are hereby prohibited from disposing off shares of BGL held by them, directly or indirectly, in any manner whatsoever, until further order.

- f) The preferential allottees, mentioned in Table No. 30 under para 78 above, are hereby directed to co-operate in the ongoing investigation by SEBI with respect of the preferential allotments.
146. The foregoing *prima facie* observations and findings contained in this Order are made on the basis of material available on record. The Noticees may, within 21 days from the date of receipt of this Order, file their reply/objections, if any, to this Order and may also indicate whether they desire to avail an opportunity of personal hearing on a date and time to be fixed in that regard.
147. This Order shall take effect immediately and shall remain in force until further orders.
148. A copy of this Order shall be served upon the Noticees, Stock Exchanges, Registrar and Transfer Agents and Depositories for necessary action and compliance with the above directions. A copy of this Order shall also be served on the entities mentioned in Table No. 30 under para 78 above.
