TAMIL NADU BREACHES NEW HIGH, LOCKDOWN EXTENDED TILL JUNE 30

DRAVIDA THAMBI
Chennai

On a day Tamil Nadu for the first time crossed 1,000 COVID-19 cases in a single day, Chief Minister Edappadi K Palaniswami extended the lockdown till June 30 but offered many concessions. As many as 1,149 persons tested positive for novel coronavirus disease on Sunday taking the state's tally past the 22,000 mark — 22,333 to be precise. The State, which recorded 13 deaths on a day, presently has 9,400 active cases.

Classifying Tamil Nadu into eight zones, Palaniswami announced bus transport would resume from Monday with 50% fleet in operation at 60% seat occupancy but only outside Chennai and its three neighbouring districts of Kancheepuram, Chengalpattu and Tiruvallur. No relaxations shall be applicable in containment zones across Tamil Nadu.

With the new relaxation, people do not need e-passes to travel in districts within a zone. However, for inter-zone and inter-state travel they will require e-passes. To contain COVID-19, all those who travel from Chennai will be tested and likewise those entering the state with symptoms will be tested.

While cinemas, malls, amusement parks, beaches, tourist hill stations, educational institutions, will remain shut, non-AC restaurants will be permitted to offer dine-in facility with 50% seating from June 8. There shall, however, be no metro rail and suburban trains in Chennai. Nonetheless, autos can ply with two passengers and taxis with three passengers, the government announced. Hair salons and beauty parlours have been allowed in Chennai as well. E-commerce firms can operate outside Chennai.

WHAT OTHER STATES ARE DOING ...

UP OKs interstate travel but restrictions continue

LUCKNOW: The UP govt on Sunday allowed interstate travel but restrictions on movement of people into Ghaziabad and Noida from the adjacent national capital will continue. In guidelines on the next phase of the lockdown, which begins Monday and will last till June 30, the state govt left it to Gautam Buddh Nagar and Ghaziabad administrations to take a call on relaxing restrictions on travellers from Delhi.

Night curfew to stay; govt, pvt offices allowed in Raj

JAIPUR: Night curfew will continue in Rajasthan from 9 pm to 5 am till June 30, the state government said on Sunday. Additional Chief Secretary, Home, Rajeev Swarup said all places of worship, hotels, restaurants, clubs (excluding sports facilities), and other hospitality services and eating places (except home delivery and take-away, that already remain permitted) will remain closed in

Rajasthan till further orders. Full attendance in govt and private sectors is allowed.

Telangana extends shutdown till June 7

HYDERABAD: Telangana govt decided to extend the lockdown in areas outside containment zones till June 7. However, the lockdown in containment zones has been extended till June 30. CM K Chandrababhan Rao held a meet with officials. The announcement comes a day after the Centre decided to extend the lockdown in the areas inside containment zones till June 30.

Guj eases curbs on shops, travel; banks starting today

AHMEDABAD: Gujarat govt announced easing in lockdown from Monday and decided to allow shops and businesses located outside the containment zones to operate without any curb of the odd-even formula. It announced major relaxations in mobility, with STC buses allowed with 60% passenger capacity.

RLY OFFICER THROWS BISCUITS AT MIGRANTS, ABUSES THEM

LUCKNOW: A senior Railways officer in UP's Firozabad was suspended when he was caught on camera throwing biscuits at some migrants — passengers of a Shramik special train — along with his team members and shouting expletives at them, NDTV reported on Sunday. The 3-minute clip, shot on Monday, shows

Railways employees distributing packets of biscuits at a station in west UP's Firozabad, about 300 km from state capital Lucknow. DK Dixit, the chief inspector of ticket, is seen leading the team. The officials can be seen throwing biscuits at the passengers of a Shramik train, shouting abuses and mocking the migrants.

K'taka sets new Covid record

SHANKAR RAJ / Bangalore

Karnataka on Sunday lifted inter-state movement of people and goods even as the state reported 299 coronavirus cases — the highest single-day rise recorded in the state yet. With this, the total crossed 3,000, touching an alarming 3,221 cases. Two more Covid deaths were reported on Sunday, taking the total to 51.

Of the new cases on Sunday, 252 of the patients had returned from Maharashtra, while 7 are foreign returnees. The contacts of 19 patients, including 10 from Bengaluru Urban, are still being traced. In Bengaluru, 21 more Covid-19 cases were reported even as a slum in DG Hall is emerging as an area of concern.

Raichur reported 83 new cases, 82 of them being returnees from Maharashtra while 1 had returned to the district from Bengaluru. This takes the total cases reported in Raichur to 217 — a dis-

trict that was Covid-free till May 18.

Despite the numbers going up, an unfazed state government issued orders for phase-wise relaxation of the lockdown along the lines of the guidelines issued by the Union government.

The government has lifted restrictions on the inter-state and intra-state movement of people. There shall be no restriction on inter-state and intra-state movement of persons and goods. No separate permission/ approval/ e-permit will be required for such movements," said a government order.

However, people coming from Maharashtra will have to undergo a Covid test and go for mandatory quarantine. People coming from other states would be screened.

The government order said religious places and places of worship for public, hotels, restaurants and other hospitality services and shopping malls will be allowed to function from June 8.

Contribute to PM Cares, will get bail

LAW KUMAR MISHRA
Patna

The Patna High Court on the instructions of the Supreme Court is taking a liberal approach on the bail petitions of the accused arrested for violation of Bihar Excise and Prohibition Act 2015.

Justice Anjami Kumar Sharma, who is conducting the court functioning through video conference, ordered the release of two accused arrested for violation of the Act with a condition they contribute to the PM's Cares Fund. They were directed to deposit security deposits before the special excise courts at Khagaria and Siwan.

In one of the judgments ordering release of Prafulla Kumar, the court said he would be released after depositing Rs10,000 to the PM Cares fund for Covid-19. The trial court was directed to ensure the receipt to the Fund at its Delhi SEI account. Prafulla agreed to deposit the money to the PM Cares Fund immediately. He was arrested for possessing 52 litres of beer, 9 litres of foreign liquor and 1,848 litres of Jharkhand made liquor from his SUV in February this year. He was sent to jail on February 24 and has been behind bars since then.

In another case of Barhariaiya in Siwan, Mumma Miya has been languishing in jail since February 22 for possessing 208.8 litres of foreign liquor in his Marshall vehicle.

The court ordered Mumma should be released on bail after he submitted the receipt of his contribution of Rs5,000 to the PM Cares Fund in SEI account in Delhi. In addition, he has been asked to deposit Rs20,000 as security in the special excise court. Over 46,000 people are lodged in jails for violating the prohibition law in Bihar.

Bengal Minister hits out at BJP MP

KOLKATA: At a time when people in West Bengal are inconvenienced due to the lockdown and in the aftermath of cyclone Amphan, with many not getting basic necessities like food, TMC and BJP are attacking each other to garner people's support, ahead of the 2021 Assembly election. Labour and law minister in the Banerjee cabinet Moly Ghatak attacked BJP MP Babul Supriyo, questioning why he has not stood by people in the time of Corona crisis. "So much has happened during the corona time, yet he could catch a flight and come to Kolkata, but he could not visit his people in Asansol. He is not concerned about Asansol. He is un-

aware of what the people are Asansol are doing. The Centre too has done nothing for people," said Ghatak.

Ghatak was elected as MLA from the Asansol North Assembly constituency while Supriyo is the MP from Asansol Lok Sabha constituency. Ghatak was giving a speech at a gathering in Asansol on Sunday while distributing relief material to people. On May 23, 3 days after Amphan hit Bengal, BJP MP Dilip Ghosh was stopped by police while going to South 24 Parganas, the worst-hit district from Kolkata. Police said Ghosh wasn't permitted to move due to lockdown curbs. TMC and BJP have been in war of words. —*Prema Rajaram*

Delhi seeks ₹5K crore from Centre to pay salaries to staff

NEW DELHI: Owing to revenue loss due to the coronavirus lockdown, the Delhi government on Sunday demanded an immediate aid of Rs 5,000 crore from the Centre.

CM Arvind Kejriwal urged the Union government to help the people of Delhi in this hour of crisis, as his government suffered major revenue loss due to the lockdown and is finding it difficult to even pay salaries to its employees. Kejriwal, in a tweet, requested the Centre to help the people of Delhi in this hour of disaster.

Earlier in the day Delhi Deputy Chief Minister Manish Sisodia said the Delhi government needs help of Rs 5,000 crore from the Centre. Sisodia, also Delhi's Finance Minister, said other states have received financial help from Disaster relief funds and the national capital should get it too.

Sisodia has written to the Union Finance Minister Nirmala Sitharaman seeking the financial help.

"We have reviewed Delhi Government's minimum expenses. According to that, we would need around Rs 3,500 crore every month to pay salaries to our employees and to meet other office expenses. The GST collections in the past two months have only been Rs 500 crore per month and after combining it with other sources, we have managed to collect Rs 1,735 crore. But we actually need at least Rs 7,000 crore for two months," said Sisodia.

Forcing spouse to separate from parents ground for divorce: Kerala HC

NEW DELHI: Compelling a man to live separately from his old parents would amount to cruelty on the part of his wife and it may become a ground to seek divorce, the Kerala HC has held, 'News18' reported on Sunday.

A bench of Justices AM Shafiq and Mary Joseph underscored it would certainly be "torturous" and "unbearable" for a man to be forced to choose between his ageing parents on one hand and his wife and child on the other, and any such compulsion without justified reasons could form a reason to get divorced under the law.

The HC was adjudicating a petition for dissolution of marriage by a man, who stated that it was impossible for him to continue in the marriage because of the hatred that his wife had for his mother, and the doggedness by her to have a matrimonial house without his mother's

presence. According to him, she would also threaten him with committing suicide and naming him and his mother as responsible.

The wife had claimed the man was ill-treating her under influence of his mother and had become a drunkard, often misbehaving with her and their daughter that left her with no choice but to go back to her parents.

The woman, in her statement, also stated that she was willing to join her husband but only when the mother-in-law is gone while pointing out that the latter was culpable for all the problems between the couple. She had further testified that her mother-in-law would

make her to do all domestic work even during the convalescent period after a surgical operation and was thus cruel towards her.

The HC, allowing the decree of divorce, noted her statement was a corroboration she never liked her mother-in-law and would persist that she would live with the husband to the exclusion of his mother, which in turn created troubles in paradise.

"The respondent (wife) was very particular to have a more comfortable and happy life to the exclusion of petitioner's mother who, according to her, was the root cause for problems to originate in her matrimonial life... Evidence indicates the respondent and the petitioner's mother were not cordial and clashes were frequent. Therefore, it is natural for the petitioner to be a scapegoat of the differences," held the bench.

Casteist remarks during phone call, away from public view, not an offence under SC/ST Act: HC

CHANDIGARH: The Punjab and Haryana High Court has ruled that the use of casteist words during a phone call, away from public view, does not constitute an offence under the SC/ST Act. Justice Harnarain Singh Gill passed the order on May 14 on a plea challenging the framing of charges against two persons from Kurukshetra who allegedly made casteist remarks over mobile phone against their village head.

"Merely uttering such wrong words in the absence of any public view does not show any intention or mens rea (the intention or

knowledge of wrongdoing that constitutes part of a crime) to humiliate the complainant who besides being Sarpanch, belongs to Scheduled Caste community.

"It would not thus, ipso-facto, constitute acts of commission of offence, which are capable of being taken cognizance under the SC and ST Act, 1989," said the judge.

Lawyers desirous of sharing important judgments, with a word count of up to 200, can send them to fpjcitydesk@gmail.com. Newswires that meet all the requisite criteria, as per the editor's discretion, will be published in The Free Press Journal.

FAMILY CREMATES BODY, LATER TOLD HE IS ALIVE

AHMEDABAD: Ahmedabad Civil Hospital has been at the receiving end of criticism for its handling of the novel coronavirus outbreak. In yet another appalling case of negligence that has come to light from the premier hospital in the state capital of Gujarat, family members of a Covid patient were led to believe that he had succumbed when in fact, the patient's health is improving, 'India Today' reported on Monday.

The woes of the patient's kin worsened after they were handed the corpse of a Covid-19 patient and told it was the body of Devrambhai Bhisikar, their family member. Abiding by the rules and precautionary measures pre-

scribed by the Ministry of Health and Family Welfare, the family did not unseal the body bag and cremated the same without confirming the identity of the deceased. It was only after they had cremated the body handed over to them Devrambhai's kin were informed by Ahmedabad civil hospital he was responding to the treatment being given to him for Covid-19.

Devrambhai Bhisikar was admitted to the Covid-19 wing of the Ahmedabad civil hospital on May 28 after he displayed symptoms of the infection. Family members were informed of his demise on the afternoon of May 29 and rushed to the hospital. At the time, the report for Devrambhai's samples sent for Covid-19 test was yet to return. However, it was deemed necessary to cremate the body while taking into account precautionary measures such as to refrain from opening the body bag.

It was on May 30 the family who had cremated their loved one the previous day received a call from the hospital, informing them of improvement in Devrambhai's health.
