MANAGEMENT DISCUSSION AND ANALYSIS

The company performed well in its business and posted an impressive profit after tax of Rs. 14,325.12 million and excellent revenues of Rs. 33,96,895.05 million in comparison to previous year revenue Rs. 2,431,279.37 million, in spite of the challenges brought by post-Covid 19 scenario and economic turmoil due to war in Europe.

Company is concentrating its efforts towards increasing its presence in the retail space to ensure increased profitability, this has yielded results. We are confident that Company will emerge as a dominant retail force in the jewellery sector in the times to come. The team of the Company will keep working towards further growth of profit margins by aggressively expanding its retail foot print and by adding more and better value added products to its global design portfolio. With its global positioning and with its innovative and relentless efforts Company will aggressively grow in the coming years both in terms of revenue and profit. We have also been launching new products across different lines and at different price points in the retail segment, regularly, so that our customers have a wide range of products to select from to suit their price points.

REL is consistently working towards its goal of being the first and the only global company, which would be seamlessly integrated from mining to consumer in a sizeable manner. Currently REL is a seamlessly integrated company with a small front end and a large middle end of the operations. REL is working towards strengthening its front end operations, wherein it would be growing its retail presence by increasing the number of its showrooms globally and by launching an E-commerce platform for global distribution of its product.

Opportunities & Threats

There is a huge opportunity to move the gold business from unorganized to organized space in many countries including India and China. The organized segment has tremendous growth prospects. Growing consciousness of branded jewellery, increasing purchasing power in the Tier I & II locations, and increasing demand for diamond jewellery are major opportunities for the next 10 to 15 years. The major threat could be changes in government policy with regard to import and export of gold products.

Risk & Concern

The Company has successfully been in gold business for more than three decades and has developed systems to mitigate most of the perceivable risks. The Company has ambitious expansion plans in retail to increase its profitability, these plans require large scale and meticulous execution capabilities. Even though the company has planned its execution strategy, there would always be a concern and risk of execution.

Yes. The policy extends to the whole Group.

RAJESH EXPORTS LIMITED

2. **How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved? If so, provide details thereof, in about 50 words or so.**

No complaint has been received in the past financial year.

Principle 2 - Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

1. **List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

- **Non cadmium jewellery:** We have developed laser soldered jewellery which ensures that the jewellery is free from cadmium soldering. Removing the usage of cadmium has resulted in better environment and better health of the workers working on the jewellery.

- **No Making Charges No Wastage:** We have introduced Real Rate Per Gram to retail consumers by which we are not charging Wastage and Making Charges to the consumers, which is ensuring the stoppage of the age old practice wherein the consumers were made to pay for non existent costs like wastage and making charges. This has ensured a saving of 10 to 15% to the retail consumer.

- **Exact 22 Cts purity:** We have introduced gold jewellery of exact 22 Cts purity even upon melting the jewellery. Each one of the pieces of our jewellery is hall marked as per BIS standards, which ensures that the consumers get the correct purity of gold which they are buying. This has ensured that the customers do not pay for 22 Cts and get inferior quality.

2. **For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**

- i. **Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?**

All the three products which are mentioned above have resulted in savings to the consumers, better working environment for the workers and have negated the harmful effect of cadmium on the environment. It is not feasible to measure the reduction of resource use in these products.

- ii. **Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

Our products are gold products which are for consumer usage and investment hence there is no usage of energy or water by the consumers in our products.

3. **Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof.**

Yes. 100% of the inputs were sourced sustainably.

4. **Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?**

Yes. Other than the basic raw material (Gold) REL procures a large part of its requirements of goods and services from local and small producers. We constantly advice and guide the local and small producers for improving their capacity and capability.

5. **Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof.**

We do not produce any significant waste and all our products are recyclable because they are gold products.

RAJESH EXPORTS LIMITED

INDEPENDENT AUDITOR'S REPORT

To,

The Members,
M/S. RAJESH EXPORTS LIMITED, Bangalore

Report on audit of financial statements

Opinion

We have audited the accompanying standalone financial statements of Rajesh Exports Limited ("the company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information. (herein after referred to as "Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that professional judgement, where of most significant in our audit of the standalone financial statement of the current period. These matters were addressed in the context of our audit of standalone financial statement as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholders Information but does not include the standalone financial statements and our auditors' report thereon. The Boards' Report is expected to be made available to us after the date of this auditor' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it is made available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the company in accordance with the Indian accounting standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern

basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing (SAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31ST MARCH 2023.

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over Financial Reporting of M/S. Rajesh Exports Limited, ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1	<p>Note: 2 :- Lease Classification</p> <p>Assumption and Estimation Uncertainties</p> <p>Information about assumptions and estimations uncertainties that have a risk significant of resulting in material adjustments in the year ended 31st March 2023 is included in the following notes:</p> <p>Note 1 and 2: Depreciation and amortization method and useful life of items of properties, Plant & Equipments and Investment properties</p> <p>Note 1 & 23: Measurement of defined benefit obligations: Key actuarial assumptions</p> <p>Note 1, 19 & 26: Reorganization and measurement of provisions and contingencies: Key assumptions about the likelihood and magnitude of an outflow of resources.</p> <p>E. Measurement of Fair Value</p> <p>Some of the company's accounting policies and disclosures required the measurement of fair values, for both financial and non-financial assets and liabilities.</p> <p>The Company uses valuation techniques that are appropriate in the circumstances and for which significant data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>Significant valuation issues are reported to the Company's audit committee. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <ul style="list-style-type: none">- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs). <p>When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.</p> <p>For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.</p> <p>iii. Significant accounting Policies:</p> <p>a) Property, Plant and Equipments</p> <p>Reorganization and Measurement</p> <p>Fixed assets are stated at historical cost less accumulated depreciation and impairment loss if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and includes financing cost if any, relating to borrowed funds attributable to construction or acquisition of fixed assets, up to the date when the asset is ready for intended use, any trade discounts and rebates are deducted in arriving at the purchase</p>

1	<p>On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment property recognised as at 1 April 2015, measured as per the previous GAAP and use that carrying value as the deemed cost of such investment property.</p> <p>c) Impairment of Assets</p> <p>Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.</p> <p>When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward- looking information.</p> <p>iv. Inventories</p> <p>Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost, calculated on weighted average basis, and net realizable value. Cost of raw materials and stores comprise of cost of purchases. Cost of work-in- progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also includes all other cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Items held for use in the production of inventory are not written below cost if the finished products in which these will be incorporated are expected to be sold at or above cost.</p> <p>v. Revenue Recognition</p> <p>Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, sales tax, value added taxes, Goods & Service Tax (GST) and amounts collected on behalf of third parties.</p> <p>a) Revenue from sale of Goods</p> <p>Revenue from sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, revenue can be measured reliably, the cost incurred can be measured reliably, it is probable that the economic benefits associated to the transaction will flow to the entity and there is no continuing management involvement with the goods. Transfer of risks and rewards vary depending on the individual terms of contract of sale.</p> <p>b) Dividend Income</p> <p>Dividend income on investments is accounted for when the right to receive the payment is established, which is generally when shareholders approve the dividend.</p>

RAJESH EXPORTS LIMITED

Note No.	
1	<p>c) Interest Income</p> <p>For all financial instruments measured at amortised cost, interest income is recognized using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in Other Income in the Statement of Profit and Loss.</p> <p>d) Rental income</p> <p>Rental income from property leased under operating lease is recognised in the statement of profit and loss on an actual basis over the term of the lease since the rentals are in line with the expected general inflation. Lease incentives granted are recognised as an integral part of the total rental income.</p> <p>vi. Leases</p> <p>At inception of an arrangement, company determines whether the arrangement is or contains a lease.</p> <p>1. Assets Held under lease</p> <p>Lease or property, plant and equipment that transfer to the company substantially all the risk and rewards of ownership are classified as finance lease.</p> <p>The assets held under lease don't transfer the company sustainably all risks and rewards of ownership (Operating Lease) are not considered in company's balance sheet.</p> <p>2. Lease Payments</p> <p>Payments made under operating leases are generally recognized in profit or loss on straight line basis over the term of lease. Minimum lease payment made under financial leases is apportioned between finance charge and deduction of the outstanding liability.</p> <p>3. Lease Income</p> <p>Lease income from operating leases where the group is a lessor is recognized in income on actual basis over the lease term. Since, the lease receipts are in line with general inflation rate.</p> <p>vii. Financial Instruments</p> <p>a) Financial Assets :</p> <p>Recognition and Initial Measurement:</p> <p>Trade Receivables and debt securities issued are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the company become the party to the contractual provisions of the instruments.</p> <p>Classification and Subsequent Measurement</p> <p><i>Financial assets at FVTPL -</i></p> <p>These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.</p> <p><i>Financial assets at amortized cost -</i></p> <p>These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.</p>

Note No.	
1	<p><i>Equity investments at FVOCI -</i></p> <p>These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are not reclassified to profit or loss.</p> <p><i>Debt investments at FVTPL-</i></p> <p>These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in statement of profit and loss.</p> <p>Derecognition</p> <p>The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.</p> <p>If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.</p> <p>b) Financial Liabilities :</p> <p>Recognition and Initial Measurement</p> <p>Financial Liabilities initially recognized at fair value less transaction cost, that are directly attributable and subsequently measured at amortized cost.</p> <p>Classification and Subsequent Measurement</p> <p>Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability atleast 12 months after the reporting period.</p> <p>Derecognition</p> <p>The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.</p> <p>viii. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.</p>

	5. Earnings and Expenditure in foreign currency				
	Major part of foreign exchange impact is notional, being arisen from consolidation of subsidiaries' financials in parent entity, without real conversion of currency. For the export receivables, arisen from exports from manufacturing and sourcing entities to the selling entities, there is a natural hedge available due to import of raw materials.				
	Further, the Company has managed the Foreign Exchange risk with appropriate hedging activities in accordance with the policies of the Company. The Company used Forward Exchange Contracts to hedge against its Foreign Currency exposures relating to firm commitments. There were no materially uncovered exchange rate risks in the context of the Company's Foreign Exchange exposures. For more detail, please refer Management Discussion and Analysis Report, form a part of this report.

26	b. Credit risk				
	<p>Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract leading to financial loss. The Company's exposure to credit risk arises from its operating and financing activities. The credit risk arises primarily from trade receivables, and the maximum exposure to credit risk is equal to the carrying value of financial assets.</p> <p>In order to mitigate the credit risk on receivables, credit quality of the customer is assessed based on the credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding receivables are monitored on an ongoing basis to ensure timely collections and to mitigate the risk of bad debts.</p> <p>An impairment analysis is performed at each reporting date for the outstanding trade receivables and expected credit loss if any are provided for. The Company's maximum exposure to counterparty credit risk at the reporting date is the carrying value of financial assets.</p>				
	c. Liquidity risk				
	<p>Liquidity risk is the risk that the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities in financial assets and liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility. The Company's treasury management team monitors on a daily basis the fund positions/requirements and identifies future mismatches in funds availability and reports the planned and current liquidity position to the top management and board of directors of the Company.</p> <p>The table below summarises the maturity profile of the Company's financial assets and liabilities at the end of the reporting period based on contractual undiscounted cash flows:</p>

RAJESH EXPORTS LIMITED

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

To,

The Members,
M/S. RAJESH EXPORTS LIMITED, Bangalore

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of M/s. Rajesh Exports Limited ("the holding company") which comprise the Consolidated Balance Sheet as at 31st March 2023, the Consolidated Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the statement of Consolidated Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the company's (Indian Accounting standard Rules) 2015, as amended and accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2023 of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI), and we have fulfilled our other ethical responsibilities in accordance with provision of the companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon:

The holding company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditors' report thereon. The Boards' Report is expected to be made available to us after that date.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above when it is made available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Boards' Report, if we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

The holding company's Board of Directors are responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the entities included in the financial statements in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies/entities whose financial statements/information is included in the holding company's are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of said entities and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies;

making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies/entities whose financial statements/information is included in the holding company are responsible for assessing the respective company's/entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the said companies/entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies/entities whose financial statements/information is included in the holding company's financial statement are also responsible for overseeing the financial reporting process of the companies/entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company and its subsidiary company which is incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the companies/entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the financial statements.

RAJESH EXPORTS LIMITED

We communicate with those charged with governance of the holding company of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE - I to the Independent Auditor's Report on the Consolidated Financial Statements for the year ended 31st March 2023.

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of Rajesh Exports Limited ("the holding company") for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the holding company and its subsidiary company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the holding company and its subsidiary company, which is a company incorporated in India, based on our audit of holding company. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the holding company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Holding company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us and based on the consideration of reports furnished by the management of the holding company, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1	<p>E. Measurement of Fair Value</p> <p>A number of the company's accounting policies and disclosures required the measurement of fair values, for both financial and non-financial assets and liabilities.</p> <p>The Company uses valuation techniques that are appropriate in the circumstances and for which significant data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>Significant valuation issues are reported to the Company's audit committee. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <ul style="list-style-type: none"> - Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities. - Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). - Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs). <p>When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.</p> <p>For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.</p> <p>iii. Significant accounting Policies:</p> <p>a) Property, Plant and Equipments</p> <p>Reorganization and Measurement</p> <p>Fixed assets are stated at historical cost less accumulated depreciation and impairment loss if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and includes financing cost if any, relating to borrowed funds attributable to construction or acquisition of fixed assets, up to the date when the asset is ready for intended use, any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditure on fixed assets after its purchase/completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.</p> <p>Intangible assets are stated at cost less accumulated amortization and impairment.</p> <p>Intangible assets are amortized over their respective individual estimated useful life on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on number of factors including the effects of obsolescence, demand, competition and other economic factors, and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful life are reviewed periodically including at each financial year end. Expenditure on research and development eligible for capitalization is carried as intangible assets under development where such assets are not yet ready for their intended use.</p> <p>Work in Progress</p> <p>Cost of fixed assets not ready for use before the balance sheet date is disclosed under capital work-in-progress. Advances paid towards the acquisition of fixed assets outstanding as of each balance sheet date is disclosed under long term loans and advances.</p>

1	<p>Depreciation : The Company has provided depreciation on straight line method over the useful lives of the assets estimated by the management as per Schedule II of the Companies Act, 2013. Depreciation on additions or extensions to existing assets is provided so as to co-terminate with the life of the original asset if it becomes internal part of the existing asset or on the useful life of the asset if it is capable of independent use.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">Asset</th> <th style="text-align: center;">Management Estimate of useful life</th> <th style="text-align: center;">Useful life as per Schedule II</th> </tr> </thead> <tbody> <tr> <td>Building</td> <td style="text-align: center;">30-60 years</td> <td style="text-align: center;">30-60 years</td> </tr> <tr> <td>Plant and Machinery</td> <td style="text-align: center;">15 years</td> <td style="text-align: center;">15 years</td> </tr> <tr> <td>Generator</td> <td style="text-align: center;">15 Years</td> <td style="text-align: center;">15 years</td> </tr> <tr> <td>Furniture and Fixtures</td> <td style="text-align: center;">10 Years</td> <td style="text-align: center;">10 Years</td> </tr> <tr> <td>Office Equipment</td> <td style="text-align: center;">05 Years</td> <td style="text-align: center;">05 Years</td> </tr> <tr> <td>Weighing Scale</td> <td style="text-align: center;">15 years</td> <td style="text-align: center;">15 years</td> </tr> <tr> <td>Borewell</td> <td style="text-align: center;">30-60 years</td> <td style="text-align: center;">30-60 years</td> </tr> <tr> <td>Technical Knowhow</td> <td style="text-align: center;">8 Years</td> <td style="text-align: center;">8 Years</td> </tr> <tr> <td>Motor Vehicles</td> <td style="text-align: center;">8 Years</td> <td style="text-align: center;">8 Years</td> </tr> <tr> <td>Lease hold land</td> <td style="text-align: center;">Lease Term</td> <td style="text-align: center;">Lease Term</td> </tr> </tbody> </table> <p>Depreciation on additions (disposals) provided on prorata basis, i.e from (up to) the date on which asset is ready for use (Disposed of)</p> <p>b) Investment Property Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of the business, use in the production or supply of goods or services or for administrative purposes. upon initial reorganization, investment property is measured at cost. Subsequent to initial reorganization, investment property is measured at cost less accumulated depreciation and accumulated impairment losses,if any On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment property recognised as at 1 April 2015, measured as per the previous GAAP and use that carrying value as the deemed cost of such investment property.</p> <p>c) Impairment of Assets Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward- looking information.</p> <p>iv. Inventories Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost, calculated on weighted average basis, and net realizable value. Cost of raw materials and stores comprise of cost of purchases. Cost of inventories also includes all other cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Items held for use in the production of inventory are not written below cost if the finished products in which these will be incorporated are expected to be sold at or above cost.</p> <p>v. Revenue Recognition</p> <p>Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, sales tax, value added taxes, Goods & Service Tax (GST) and amounts collected on behalf of third parties.</p> <p>a) Revenue from sale of Goods</p> <p>Revenue from sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, revenue can be measured reliably, the cost incurred can be measured reliably, it is probable that the economic benefits associated to the transaction will flow to the entity and there is no continuing management involvement with the goods. Transfer of risks and rewards vary depending on the individual terms of contract of sale.</p> <p>b) Dividend Income</p> <p>Dividend income on investments is accounted for when the right to receive the payment is established, which is generally when shareholders approve the dividend.</p> <p>c) Interest Income</p> <p>For all financial instruments measured at amortised cost, interest income is recognized using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in Other Income in the Statement of Profit and Loss.</p> <p>d) Rental income</p> <p>Rental income from property leased under operating lease is recognised in the statement of profit and loss on an actual basis over the term of the lease since the rentals are in line with the expected general inflation. Lease incentives granted are recognised as an integral part of the total rental income.</p> <p>vi. Leases</p> <p>At inception of an arrangement, company determines whether the arrangement is or contains a lease</p> <p>1. Assets Held under lease</p> <p>Lease or property, plant and equipment that transfer to the company substantially all the risk and rewards of ownership are classified as finance lease. The assets held under lease don't transfer the company's sustainably all risks and rewards of ownership (Operating Lease) are not considered in company's balance sheet.</p> <p>2. Lease Payments</p> <p>Payments made under operating leases are generally recognized in profit or loss on straight line basis over the term of lease. Minimum lease payment made under financial leases is apportioned between finance charge and deduction of the outstanding liability.</p> <p>3. Lease Income</p> <p>Lease income from operating leases where the group is a lessor is recognized in income on actual basis over the lease term. Since the lease receipts are in line with general inflation rate.</p>

1	<p>vii. Financial Instruments</p> <p>a) Financial Assets :</p> <p>Recognition and Initial Measurement: Trade Receivables and debt securities issued are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the company becomes the party to the contractual provisions of the instruments.</p> <p>Classification and Subsequent Measurement</p> <p><i>Financial assets at FVTPL -</i> These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss</p> <p><i>Financial assets at amortized cost -</i> These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.</p> <p><i>Equity investments at FVOCI -</i> These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are not reclassified to profit or loss.</p> <p><i>Debt investments at FVTPL-</i> These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in statement of profit and loss.</p> <p>Derecognition The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.</p> <p>b) Financial Liabilities :</p> <p>Recognition and Measurement Financial Liabilities initially recognized at fair value less transaction cost, that are directly attributable and subsequently measured at amortized cost</p> <p>Classification and Subsequent Measurement Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability atleast 12 months after the reporting period.</p> <p>Derecognition The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.</p> <p>viii. Employee Benefits Provident Fund contributions are charged to the Statement of profit and loss of the period as and when the contribution to the respective fund is due. The Company has no obligation,</p>

1	<p>other than the contribution payable under the respective scheme. Company's employees are not participated in Superannuation Schemes/ Plan.</p> <p>The company provides for gratuity a defined benefit retirement plan (the Gratuity plan) covering eligible employees. The gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on respective employee salary and tenure of employment with the company.</p> <p>Liabilities with regard to the gratuity plan or determined by actuarial valuation, performed by independent actuary, at each balance sheet date using the projected unit credit method.</p> <p>The Company does not provide leave encashment and carry forward of accumulated leave to next year to its employees.</p> <p>ix. Foreign Currency Transactions :</p> <p>For its import and export transactions the company is exposed to currency fluctuations on foreign currency transactions, the company hedges its foreign exchange transactions against its own imports and exports and also by way of forward contracts with banks.</p> <p>Premium paid on forward contracts is recognized over the life of the contracts.</p> <p>The Company enters into derivative contracts in the nature of foreign currency options, forward contracts with an intention to hedge its existing assets and liabilities, firm commitments and highly probable transactions.</p> <p>x. Income Tax</p> <p>The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.</p> <p>The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities</p> <p>Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.</p> <p>Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.</p> <p>Deferred tax assets are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilized.</p> <p>Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.</p> <p>Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively</p>

Bank overdrafts are shown within borrowings in current liabilities in the balance sheet</p> <p>Statement of cash flow is prepared in accordance with the indirect method prescribed in Ind AS-7 'Statement of cash flows.</p> <p>xiii. Earning Per Share :</p> <p>Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.</p>

	5. Earnings and Expenditure in foreign currency				
	<p>Major part of foreign exchange impact is notional, being arisen from consolidation of subsidiaries' financials in parent entity, without real conversion of currency. For the export receivables, arisen from exports from manufacturing and sourcing entities to the selling entities, there is a natural hedge available due to import of raw materials. Further, working capital from banks in foreign currencies also provides a natural hedge against export receivables.</p> <p>Further, the Company has managed the Foreign Exchange risk with appropriate hedging activities in accordance with the policies of the Company. The Company used Forward Exchange Contracts to hedge against its Foreign Currency exposures relating to firm commitments. There were no materially uncovered exchange rate risks in the context of the Company's Foreign Exchange exposures. For more detail, please refer Management Discussion and Analysis Report, form a part of this report.</p> <p>The details of foreign currency exposure are disclosed in Notes to the Annual Financial Statements.</p>
