2. COMPANY'S PERFORMANCE AND FUTURE OUTLOOK:

• COMPANY'S PERFORMANCE

The Company's operations were impacted from the month of February, 2020 last year, due to spreading of COVID-19, a pandemic caused by the novel Corona virus globally. Because of COVID 19, export and import of most of countries were closed. Due to nationwide lockdown by the Government of India, the Company has shut its operations from 23rd March, 2020.

Further, during the year under review, the Company's revenue from operations stood at Rs 193.62 lacs (previous year Rs. 705.66 lacs) and the other income stood at Rs 109.62 lacs (previous year Rs. 107.58 lacs) and hence the total income stood at Rs 303.24 lacs (previous year Rs. 813.24 lacs). The company has incurred a net loss of Rs (22.60) lacs (previous year net loss of Rs. 90.74 lacs). The Other Comprehensive Income (OCI) for the year stood as Rs 10.21 lacs (previous year Rs. - 77.03 lacs). The total comprehensive income for the year stood at Rs 79.48 lacs (previous year Rs. - 167.78 lacs).

Your Board as usual continues to make its best possible efforts to improve the overall working and financial performance of your Company.

- **IMPACT OF THE COVID-19 PANDEMIC ON THE BUSINESS :**

On account of outbreak of Covid-19 pandemic and consequent lockdown imposed by the Government, the Exports of the Company were temporarily shut down during the start of the current year. These were opened in a phased manner in the months of June and July 2020 as the lockdown conditions were relaxed. Accordingly, sales volume of the current year is impacted. As at the year end, the country is again witnessing surge in Covid-19 cases referred to as second wave of pandemic. Although, the Government of India has ruled out a nationwide lockdown as of now, local and regional lockdowns / restrictions are implemented in certain areas. In these circumstances, safety of our employees continues to be our key priority.

Further, in view of such highly uncertain economic environment which is continuously evolving, the Company has considered the possible effects that may result from Covid-19 pandemic in the preparation of these standalone financial statement including the recoverability of carrying amounts of financial and non-financial assets. The Company has used internal and external sources of information for such assessment at the date of approval of these financial results and does not anticipate any challenge in the Company's ability to continue as a going concern. The impact of pandemic on the Company's financial results in subsequent periods is highly dependent on the situations as they evolve, and the eventual impact may differ from that estimated as at the date of approval of these financial Statements.

- **FUTURE OUTLOOK**

The catastrophic year 2020-21 after creating one of the greatest challenges of the century came to an end reversing the hopelessness with lots of positivity. The feel-good period, however, appears short-lived as the second wave of the pandemic is ravaging some parts of the country and threatens to spread at a supersonic speed to the remaining states of the country. Speed in vaccination covering the vulnerable sections, while maintaining all possible mandatory precautions against the disease remains the only solution left to fight the menace. Events that would take shape in the next fortnight would only tell if 2021-22 would be a better year than 2020-21.

The Indian steel industry like its global counterparts belongs to one of those core industries is looking forward for a steady growth in 2021 onwards.

Management's Discussion and Analysis of Results of Operations and Financial Condition

1. The following discussion and analysis should be read in conjunction with Ahmedabad Steel Craft Limited's audited standalone financial statements and related notes for the year ended March 31, 2021 included in this Annual Report.

The trading activities of the Company mostly comprises of export of Mild Steel Window Section (Non-Alloy) and other steel items which are subject to Government policies and other Global factor which has direct effect on the operational activities of trading. However the Company has good standing in global market and has enough capacity to face the uneven situation in the course of its operation which is within its control.

8. CRITERIA OF MAKING REMUNERATION TO NON-EXECUTIVE DIRECTORS

With changes in the corporate governance norms brought by the Companies Act, 2013 as well as the SEBI (Listing Obligation Disclosure Requirement) Regulation 2015, the role of Non-Executive Directors (NED) and the degree and quality of their engagement with the Board and the Company has undergone significant changes over a period of time. The Company is being hugely benefited from the expertise, advice and inputs provided by the NEDs. They devote their valuable time in deliberating on the strategic and critical issues in the course of the Board and Committee meetings of the Company and give their valuable advice, suggestion and guidance to the management of the Company from time to time. Levels of remuneration to the NEDs are determined such that they attract, retain and motivate directors of the quality and ability required to run the Company successfully.

Under the SEBI (Listing Obligation Disclosure Requirement) Regulation 2015, requires every company to publish its criteria of making payments to NEDs in its annual report. Alternatively, this may be put up on the company's website and reference may be drawn thereto in its annual report. Section 197 of the Companies Act, 2013 and Regulation 17(6)(a) of SEBI (Listing Obligation Disclosure Requirement) Regulation 2015 require the prior approval of the shareholders of a company for making payment to its NEDs. In keeping with the above, any fee/remuneration payable to the NEDs of the Company shall abide by the following:

- **Sitting Fee:**
Such director(s) may receive remuneration by way of fee for attending meetings of the Board or Committee thereof or any other meeting as required by Companies Act, 2013, SEBI (Listing Obligation Disclosure Requirement) Regulation 2015 or other applicable law or for any other purpose whatsoever as may be decided by the Board;
- **Commission:**
Under the Companies Act, 2013, Section 197 allows a company to pay remuneration to its NEDs either by way of a monthly payment or at a specified percentage of the net profits of the company or partly by one way and partly by the other. Further, the section also states that where the company has either managing director or whole-time director or manager, then a maximum of 1% of its net profits can be paid as remuneration to its NEDs. In case there is no managing director or whole-time director or manager, then a maximum of 3% of

net profit can be paid. Thus, the basis of payment to the NEDs is the net profit of the Company.

Within the parameters prescribed by law, the payment of sitting fees and commission will be recommended by the NRC and approved by the Board. However the Company is however not obligated to remunerate its NEDs.

- **Payment to Independent Directors:**

An independent director shall not be entitled to any stock option and shall receive Sitting fees for attending meetings of the Board or Committee thereof or any other meeting as required by Companies Act, 2013, SEBI (Listing Obligation Disclosure Requirement) Regulation 2015 or other applicable law as amended from time to time. Further they may also be paid / reimbursed such sums incurred as actuals for travel, incidental and / or actual out of pocket expenses incurred by such Director / Member for attending Board / Committee Meetings.

Independent Auditor's Report

To

The Members of Ahmedabad Steel Craft limited,

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Ahmedabad Steel Craft Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements:

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on

the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

3. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

3.1. Basis of preparation and presentation

The financial statements have been prepared and presented under the historical cost convention on an accrual basis of accounting except for the following material items which have been measured at fair value.

- Investments in mutual funds & equity investments
- Derivative financial instrument

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if the market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value measurement and/or disclosure purposes in the financial statements is determined on such a basis except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

3.2. Functional and presentation currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

3.3. Use of Estimates

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

- Useful lives of property, plant and equipment (refer note no. 4.1)
- Valuation of deferred tax assets (refer note no. 4.8)
- Valuation of inventories (refer note no. 4.3)
- Provisions & contingent liabilities (refer note no. 4.6)

3.4 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle; or
- Held primarily for the purpose of trading; or
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities respectively.

Borrowing cost attributable to financing of acquisition or construction of the qualifying fixed assets is capitalized to respective assets when the time taken to put the assets to use is substantial.

When major items of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment. The cost of replacement of any property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefit associated with the item will flow to the Company and its cost can be measured reliably.

The Estimated Useful Lives of assets are in accordance with the Schedule II of the Companies Act, 2013.

4.1.A Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. The useful lives of intangible assets are assessed as either finite or indefinite.

A summary of the policies applied to the Company's intangible assets is as follows:

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to disposal and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent.

If the obligation is expected to be settled more than 12 months after the end of reporting date or has no definite settlement date, the provision is recorded as non-current liabilities after giving effect for time value of money, if material.
