Total comprehensive income for the year	(1,22,91,118)	(3,11,54,731)

➤ **Financial Highlights**

Revenue from operations (including other income) for the year ended 31st March, 2019 stood at Rs. 126 lakhs as against Rs. 117 lakhs for the previous year ended 31st March, 2018.

The Profit for the year ended 31st March, 2019 stood at Rs. 21.79 lakhs as against a profit of Rs. 2.50 lakhs for the previous year. The increase in Income from Operations contributed to the Company generating an increase in Profit in the current year. Other Comprehensive Income which was a Loss as a result of restatement of investments, stood at Rs.1.45 crores as against Rs. 3.14 crores.

There were no material changes and commitments affecting the financial position of the Company which occurred between and at the end of the financial year to which this financial statement relate on the date of this report.

➤ **Operations**

During the year under review your Company's revenue was generated from vessel repairs.

➤ **Future Outlook**

The Company's earnings continue to be dependent on repair of vessels. As such, its fate is based on the fortunes of Offshore and Shipping industries. However, in view of statutory requirement of dry docking the Company's main clients Vessels during the year, the Company has been able to generate a higher Turnover, and subsequently a better profit. There has also been an increase in competition from other workshops. However, the Company has been able to withstand the same by providing its clients excellent service "24/7".

While charter rates for Customers vessels has seen some improvement, this is not yet translating into increase in expenditure on Repairs of Vessels and nor has it led to "laid up" Vessels being reactivated. As a result the Company has only been able to increase its customer base marginally.

The Company will continue to face the present market circumstances. However, it is making all efforts to improve its "bottom-line" by securing new clients and providing support to its existing clients by deputing its technicians at the location where the vessel is situated on an "immediate basis".

➤ **Dividend**

In view of the insufficient profit and in an attempt to conserve resources for the future, your Directors have not recommended any dividend for the financial year ended 31st March, 2019.

➤ **Subsidiary / Wholly Owned Subsidiary**

The Company does not have any Subsidiary or Wholly-owned Subsidiary.

➤ **Loans, Guarantees or Investments**

During the year under review, the Company has not granted any loan, not made any investment nor has it given any guarantee u/s 186 of Companies Act, 2013 and thus required details are not applicable.

➤ **Deposits**

No Deposits covered under Chapter V of the Companies Act, 2013 were invited by the Company from public during the year under review.

➤ **Directors**

The following persons make up the Board of Directors of the Company:

Sr. No.	Name of Director	Designation

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRIAL STRUCTURE & DEVELOPMENT:**

Your Company continues to operate its Ship Repair Division.

OPPORTUNITIES:

The repair division continues to help defray the Company's existing costs. Charter rates for customer vessels has seen some improvement, as a result the Company has only been able to increase its customer base marginally. The Company continues to look to widen its "client base".

THREATS:

Comparatively low charter rates and increased number of lay ups of Vessels continue to have an adverse effect on the Company's ability to widen its Customer base, and in turn improve revenues since most owners are being extremely conservative on repairs and maintenance as charter rates prevalent do not cover the operating costs of the vessels, in some cases. The business of the Company is solely dependent on repair of vessels, which in turn is greatly dependent on the fortunes of the Offshore and Shipping sector.

The Company continues to face competition from newly created repair "outfits" which have "mushroomed" as a result of loss of jobs in view of the conditions in the industry.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company has single segment, operating in ship repair business.

OUTLOOK:

The Company's earnings continue to be dependent on repair of vessels. As such, its fate is based on the fortunes of Offshore and Shipping industries. However, in view of statutory requirement of Dry dock of the Company's main clients Vessels during the year the Company has been able to generate a higher Turnover, and subsequently a better profit. There has also been an increase in competition from other workshops. However, the Company has been able to withstand the same by providing its clients with excellent service 24/7.

While charter rates for Customers vessels has seen some improvement, this is not yet translating into increase in expenditure on Repairs of Vessels and nor has it led to laid up Vessels being reactivated. As a result the Company has only been able to increase its customer base marginally.

The Company will continue to face difficult times. However, it is making all efforts to improve its "bottom-line" by securing new clients and providing support to its existing clients during Dry Docking of their Vessels by deputing its technicians at the location of the Dry Dock and at economic prices.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY:

Your Company has an Internal Control System commensurate with the business of the Company to mitigate all types of unforeseen risks effectively.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Revenue from operations (including other income) for the year ended 31st March, 2019 stood at Rs. 126 lakhs as against Rs. 117 lakhs for the previous year ended 31st March, 2018.

The Profit for the year ended 31st March, 2019 stood at Rs. 21.79 lakhs as against a profit of Rs. 2.50 lakhs for the previous year. The increase in Income from Operations contributed to the Company generating an increase in Profit in the current year. Other Comprehensive Income – Loss as a result of restatement of investments stood at Rs.1.45 crores as against Rs. 3.14 crores.

There were no material changes and commitments affecting the financial position of the Company which occurred between and at the end of the financial year to which this financial statement relate on the date of this report.

Financial Ratios :

Pursuant to the Provisions of Schedule V – Part B, Clause I, Sub-Clause (i) & (j), the details of the significant changes in the financial ratios (i.e. change of 25% or more as compared to the immediately previous financial year) are as follows :

- 1] The Interest coverage ratio is higher by 32%, as there is reduction in interest and increase in earnings before interest.
- 2] The Net Profit Margin has been improved by 707%, in view of fact that in FY 2017-18, prior period expenses of Rs. 27.82 lakhs were provided (which is not the case in FY 2018-19).
- 3] Return on Net Worth has been improved by 943%. as a result of comprehensive loss on investment of Rs. 144.75 lakhs in the FY 2017-18 affected adversely, the return on net worth ratio.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT:

Cordial relations were maintained at all the levels.

FORWARD-LOOKING STATEMENTS:

Statements in this Management Discussion and Analysis report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events. The Company's actual results could differ materially from those expressed or implied. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events. Further, important factors that could make a difference to the Company's performance are circumstances in the industry, tax regimes; and acts of God.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Garware Marine Industries Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Garware Marine Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not have any key audit matter to be disclosed.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our

opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2019.

Annexure - B to the Auditors' Report

To the Members of

Garware Marine Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Garware Marine Industries Limited** ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

1 General Information

Garware Marine Industries Limited is engaged in the repair of vessels. The Company's principal service is ship repair.

2 Statement of compliance

The financial statements (on standalone basis) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Accounting policies are consistently applied except where new issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use.

3 Summary of Significant Accounting Policies

3.1 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below :

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in the Schedule III to the Companies Act, 2013. Based on nature of services, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3.2 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

3.2.1 Sale of goods/Sales of services

Revenue is net of value added taxes/GST, rebates and other similar allowances. Revenue from the sale of service is recognised when the services are delivered, at which time all the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company;
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

3.2.2 Dividend and interest income

Dividend income from investments is recognised when the Company's right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.

3.3 Borrowing cost

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

or sale. All other borrowing costs are recognised as an expense in the year in which they are incurred.

3.4 Taxation**3.4.1 Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from "profit before tax" as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

3.4.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting year.

3.4.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income, in which case, the current and deferred tax are also recognised in other comprehensive income.

3.5 Property, plant and equipment

For transition to Ind AS, the Company has elected to continue with the carrying value of its property, plant and equipment recognised as at 1st April 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Cost includes purchase price, inward freight, taxes and expenses incidental to acquisition and installation, up to the point the asset is ready for its intended use.

Depreciation on fixed assets is provided under the SLM method over the useful life of the assets.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books and the resultant profit or loss (including capital profit), if any, is reflected in the statement of profit and loss.

The estimated useful life and residual value is reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

3.6 Inventories

Traded goods at lower of cost or net realisable value, whichever is lower.

3.7 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

3.8 Financial asset

All regular way purchases or sales of financial assets are recognised and de-recognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

3.8.1 Financial assets at Fair Value Through Profit and Loss (FVTPL):

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit and loss. The net gain or loss recognised in profit and loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other Income / Other expenses' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reliably.

3.8.2 Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

For trade receivables or any contractual rights to receive cash or another financial assets that results from transactions that are within the scope of Ind AS 115, the Company always measures their allowances at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivable, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

3.8.3 Derecognition of financial assets

The Company de-recognises a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

3.9 Financial liabilities:

Financial liabilities are subsequently measured at amortised cost or at FVTPL.

3.9.1 Financial liabilities at FVTPL

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognised in profit and loss. The net gain or loss recognised in profit and loss is included in the 'Other Income / Other expenses' line item.

3.9.2 Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost.

3.9.3 Derecognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

3.10 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 3, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

4 Leases

The Company determines whether an arrangement contains a lease by assessing whether the fulfilment of a

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the Company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease. Leases are classified as finance leases where the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases

Where Company is lessee

Operating lease - Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term except where scheduled increase in rent compensates the Company with expected inflationary costs.

Finance lease – Finance leases are capitalised at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the statement of profit and loss over the period of the lease.

Where Company is lessor

Assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straight-line basis except where scheduled increase in rent compensate the lessor for expected inflationary costs.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

19B (A) Defined benefit plans

The Company earmarks liability towards Gratuity and provides for payment under Group Gratuity Scheme administered by the Life Insurance Corporation of India (LIC).

(a) Characteristics of defined benefit plan

The Company has a defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy.

(b) Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the G. Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

(c) Characteristics of defined benefit plans

The company has the benefit scheme in line with Payment of Gratuity Act, 1972 for those employees who are getting benefit as per Payment of Gratuity Act, 1972. Change in liability (if any) due to this scheme change is recognised as past service cost.

(d) A separate trust fund is created to manage the Gratuity plan and the contributions towards the trust fund is done as guided by rule 103 of Income Tax Rules, 1962.

Delta Effect of -1% Change in Rate of Discounting	62,890	60,011
Delta Effect of +1% Change in Rate of Salary Increase	63,866	61,151
Delta Effect of -1% Change in Rate of Salary Increase	(56,971)	(54,413)
Delta Effect of +1% Change in Rate of Employee Turnover	10,979	12,145
Delta Effect of -1% Change in Rate of Employee Turnover	(12,079)	(13,419)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

29 Contingent liabilities and contingent assets

As reported in the last Annual Report, 2018, the Company had filed an application for setting aside the Ex parte Decree dated 15.06.2012 passed by the Hon'ble Madras High Court and in the matter of Integrated Finance Company Limited the said Hon'ble Court was pleased to set aside the Ex parte Decree by an Order dated 04.04.2017 upon condition of deposit of Rs. 30 lakh with the Court, which the Company has complied with. The company has thereafter filed its written statement and also filed an application for dismissal of the suit filed by Integrated Finance Company Limited (IFCL) on the grounds of limitation, both of which are pending before the Hon'ble Madras High Court.

During the year, the IFCL has filed an Appeal arising from an order dated 26.10.2018 whereby the Hon'ble Madras High Court has declined to entertain the disputes between the parties as "Commercial Suit" as originally argued by IFCL. As the order was passed in favour of the Company, IFCL has preferred an appeal against the said order. The hearing for the said Appeal is pending before the madras High Court, Chennai.

The Company has also filed a suit filed for an amount of Rs. 1.93 cr. together with interest @ 18% against Integrated Finance Company Limited (IFCL) for loss of profit.

- 30 Previous year's figures have been regrouped / reclassified, to correspond with the current year's classification / disclosure.
