# Reliance-Aramco talks for refinery stake said to stall

SAKET SUNDRIA, BAIJU **KALESH & ARCHANA NARAYANAN** Singapore/Mumbai/Dubai, July 23

**MUKESH AMBANI'S RELIANCE** Industries' talks to sell a minority stake in its refinery business to Saudi Arabian Oil have stalled on differences over the deal's structure. people with knowledge of the matter said.

Aramco is concerned about Reliance's proposal to shift some debt of the wider group to its refinery business ahead of the transaction, said the people, who asked not to be identified as the discussions are private. Reliance is working on alternatives and negotiations could still resume and lead to a compromise in the coming months, the people said.

Reliance's shares closed 0.5% lower at ₹1,273.55 in Mumbai after falling as much as 1.6% earlier. A representative for Aramco declined to comment, while a representative for Reliance didn't immediately respond to requests for comment.

Ambani, Asia's richest man, has been selling assets — from mobile-phone towers to energy assets — to pare debt. His Mumbai-based company is looking to sell as much as 25% of its refinery and petrochemicals business in the deal that could fetch at least \$10 billion, Bloomberg News reported in April. The sale would help pare the conglomerate's obligations that have risen to about \$42 billion, as it poured money into new sectors such as telecommunications.

Both sides have completed due diligence for the potential deal, the people said. Aramco has asked its financial adviser to update the due diligence report every quarter, one of the people said.

## NGT slaps penalty of ₹1 crore on Grasim **Industries**

PRESS TRUST OF INDIA New Delhi, July 23

THE NATIONAL GREEN Tribunal has imposed an interim penalty of ₹1 crore on Grasim **Industries Limited for storing** huge stock of the mercury, obtained as a by-product, in its premises in Sonbhadra district of Uttar Pradesh.

A bench headed by NGT chairperson Justice Adarsh Kumar Goel directed the company to shift the hazardous waste in accordance with the Hazardous Waste Management Rules, 2016. It also formed a joint committee comprising representative of the ministry of environment and forests, central pollution control board and IIT, Kanpur within a month.

"Pending such assessment, the applicant (Grasim) may deposit a sum of ₹1 crore towards the interim compensation with the CPCB to be spend for the restoration of the environment. CPCB will be the nodal agency for the purpose," the bench said.

The tribunal passed the order after perusing a report from a panel formed by it which said that a huge stock of the mercury bearing brine sludge/waste which was obtained as a by-product during the course of manufacturing prior to 2012, has been stored in the premises of the company.

The panel also suggested suggested a penalty of ₹1 crore as environment compensation. The NGT said that it is clear that activity of discharge of mercury in the environment by the industry has been found and storage of hazardous waste is illegally continuing for which it is liable to be dealt with as per law.

"In view of above, we are of the view that the applicant must forthwith shift the hazardous waste in accordance with the Rules and for the illegal storage as well as damage to the environment on account of contamination, the applicant is liable to pay environmental compensation and be dealt with as per rules," the NGT said.
