- Operating Cashflow stood at ₹ 12.89 Cr

**Commenting on the performance, Mr. Sanjay Harish Motiani, – Promoter, Chairman and Managing Director of Silicon Rental Solutions Limited said,** "The first half of FY24 has commenced on a highly encouraging note for us. We've witnessed robust demand for our products during this period, a testament to our exceptional financial performance.

Our enduring customer relationships have proven instrumental in positioning us as the primary choice for IT equipment rentals. This preference is driven by the consistently high quality of our services and our unwavering commitment to uptime.

As India experiences unprecedented growth and economic expansion, we've noticed a shift in corporate preferences towards renting IT equipment rather than purchasing. This shift underscores the confidence our clients have in our offerings.

The India growth story, coupled with our steadfast client relationships, will serve as the cornerstone of our future growth. We are excited about the opportunities that lie ahead and remain committed to delivering exceptional value to our customers."

### About Silicon Rental Solutions Limited:

Silicon Rental Solutions Limited (Silicon, The Company), a trailblazing name in Indian IT rentals since its establishment in 1993, initially specialized in the sales and services of IT equipment. Over the years, the company has evolved and expanded its services, with an unwavering commitment to customizing rental schemes that offer undeniable advantages to its clients. They take pride in being a one-stop shop for all IT rental needs.

The company's extensive product portfolio is designed to evolve with the ever-changing demands of its clients, ensuring businesses flourish with optimal efficiency and performance. The company consistently enhances its offerings, solidifying its role as a trusted partner. With a skilled team of engineers ensuring equipment support and maintenance, and a commitment to scheduling visits within 24-48 hours, in alignment with the client's specified Turnaround Time (TAT).

The company sources the majority of its products from all major brands like HP, Dell, Lenovo, Apple, Asus, Intel, AMD, Gigabyte, Sonicwall, Dlink, Cisco, etc.

For FY23, the Company has reported Total Revenues of ₹ 36.35 Cr, EBITDA of ₹ 30.04 Cr & Net

Profit of ₹ 10.67.
