Azad Engineering has inaugurated its **First Exclusive Lean Manufacturing Facility** at its new plant in **Tunikibollaram IP, Hyderabad for Mitsubishi Heavy Industries**. The facility was inaugurated by **Mr. Masahito Kataoka, Senior Vice President, GTCC Business Division, MHI, Japan**, in the presence of **Mitsubishi's senior leadership team from Japan and the USA**. This facility will serve and support the supply of **highly engineered and complex rotating and stationary Airfoils** for advanced gas and thermal power turbine engines, meeting MHI's global demand in the power generation industry.

On this momentous occasion, Azad Engineering has been honored with the prestigious global **'2024 Partner of the Year' Award** from Mitsubishi Heavy Industries—an exclusive recognition among **MHI's global network of over 1,000 suppliers**. This award underscores our over a **decade-long partnership** with MHI, which began in 2012 with just a few machines and has since evolved into a world-class manufacturing center, demonstrating our shared commitment to excellence.

A copy of the same will be available on the Company's website (www.azad.in).

This is for your information and record.

Thanking you,

Yours truly,

For Azad Engineering Limited
