Limited Review Report on unaudited quarterly financial results of Tasty Bite Eatables Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015(" Listing Regulation")

To Board of Directors of
Tasty Bite Eatables Limited

1. We have reviewed the accompanying Statement of unaudited financial results of Tasty Bite Eatables Limited ("the Company") for the quarter ended 30 June 2019 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2019 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

STATEMENT OF UNAUDITED FINANCIAL RESULTS FOR THE QUARTER ENDED 30 JUNE 2019

Notes to the Statement of Unaudited Financial Results for the quarter and year ended 30 June 2019:

- The above unaudited financial results have been reviewed by the Audit Committee and thereafter approved and taken on record by the Board of Directors in their respective meetings held on 07 August 2019.
- The statutory auditors of the Company have conducted a limited review of the above financial results of the Company for the quarter ended 30 June 2019. An unqualified conclusion has been issued by them thereon.
- A dividend of Rs. 2 per equity share of the face value of Rs. 10 each for the financial year 2018-19 has been proposed for approval at the annual general meeting to be held on 8 August 2019.
- The Company recognizes its sale of Prepared Foods activity as its only primary business segment since its operations predominantly consist of manufacture and sale of "Prepared Foods" to its customers. The 'Chief Operating Decision Maker' monitors the operating results of the Company's business as a single segment. Accordingly in the context of 'Ind AS 108 - Operating Segments' the principle business of the Company constitute a single reportable segment.
- The Company has adopted Ind AS 116 - Leases with modified retrospective approach with effect from April 1, 2019. Accordingly, the comparative periods have not been restated. There is no impact of Ind AS 116 adoption to the retained earnings as at April 1, 2019. The Company has recognized right to use assets of INR 30.77 million and a lease liability (net of advance payment) of INR 25.27 million on the date of transition i.e. April 1, 2019. In the results for the current quarter, the nature of expenses in respect of operating leases has changed from lease rent in previous period to depreciation for the right to use asset and finance cost for interest accrued on lease liability. The Company has applied practical expedient to grandfather the definition of a lease on the transition (i.e. it will apply Ind AS 116 to all contracts entered into before 1 April 2019 and identified as a lease in accordance with Ind AS 17).
- Consequent to clarifications published by the Institute of Chartered Accountants of India during August 2018 with respect to 'Ind-AS 115 Revenue from Customer Contracts' and 'Ind-AS 20 Government Grants':
 - Amount of export incentives relevant to Merchandise Exports from India Scheme (MEIS) and other export benefits, have been recognised as 'Other Income' with effect from 1 April 2018. In prior periods, these incentives were reported under 'Other Operating Revenue' in the Statement of Profit and Loss.
 - In certain cases, the Company makes transport arrangements for delivering its goods to the customers and with effect from 1 April 2018, the Company has presented the gross consideration received net off cost associated with respect to these arrangements within Revenue. Until 1 April 2018, the gross consideration received in respect of these arrangements were recognised and presented in Revenue from Operations and the cost associated with these arrangements was presented with Freight cost in Other Expenses.

This has no impact on reported Profit Before Tax (PBT) for the period. The following table summarizes reclassification to figures reported for the quarter ended 30 June 2018 on account of above:

Sl	Particulars	Notes	As reported during quarter ended 30 June 2018	Impact above	Amount after considering above impact and as reported
i	Revenue from operations	6 (a) + 6 (b)	832.70	(78.89)	753.82
ii	Other Income	6 (a)	5.12	43.46	48.58
iii	Other Expenses	6 (b)	171.46	(35.43)	136.03

- The Board of directors, pursuant to their meeting held on 12 July 2019, have approved a proposal of preferential allotment of 15,500 equity shares of face value of INR 10/- each for cash at a price of INR 9,030/- (including premium of INR 9,020) per equity share to Preferred Brands Foods (India) Private Limited (a promoter group company) for a total consideration of INR 139.97 Million. The company is in process of obtaining requisite approvals from the members.
- The figures for the three months period ended 31 March 2019 as reported in these financial results are the balancing figures between audited figures in respect of the previous financial year and the published year to date figures up to the third quarter of the previous financial year.
- Previous period's figures have been regrouped/ reclassified wherever necessary to correspond to the current period's classification / disclosure.
