Notice of the 31st Annual General Meeting

NOTICE is hereby given that the **31st Annual General Meeting** of the Members of **DEEP ENERGY RESOURCES LIMITED (Formerly known as Deep Industries Limited)** (CIN: L63090GJ1991PLC014833) will be held on Friday, 17th September, 2021 at 11:00 A.M through Video Conferencing (“VC”) /Other Audio Visual Means (“OAVM”). The Venue of the AGM shall be deemed to be Registered Office of the Company to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the audited financial statements (including Audited Consolidated Financial Statements) of the company for the financial year ended 31st March, 2021 which includes the Balance Sheet, Statement of Profit & Loss, Cash Flow Statement as at the date, the Auditor’s Report and Board’s Report thereon.
2. To appoint a Director in place of Mr. Shail Manoj Savla (DIN:08763064), who retires by rotation and being eligible offers himself for re – appointment.
3. To re-appoint M/s Dhirubhai & Co. LLP, Chartered Accountants (Firm Registration No. 102511W/W100298) as Statutory Auditor of the Company for the term of period of Five (5) years:

Re-appointment of M/s Dhirubhai & Co. LLP, Chartered Accountants (Firm Registration No. 102511W/W100298) as Statutory Auditor of the Company whose term expires at the ensuing Annual General Meeting as the Statutory Auditors of the Company to hold office for the term of five years from the conclusion of this Annual General Meeting till the conclusion of the 36th Annual General Meeting of the Company and to authorize the Board of Directors to fix their fees in consultation with the Auditor.

The Company has received written consent from M/s Dhirubhai & Co. LLP, Chartered Accountants (Firm Registration No. 102511W/W100298) and also received certificate to the effect that they are eligible and qualified to be appointed as such and have not incurred any disqualification cited under Section 141(3) of the act.

In line with the requirements of the Act, the Audit Committee has proposed and the Board of Directors has recommended the appointment of M/s Dhirubhai & Co. LLP, Chartered Accountants (Firm Registration No. 102511W/W100298) as the statutory auditors of the Company to hold office for the term of five years from the conclusion of the ensuing Annual General Meeting till the conclusion of the 36th Annual General Meeting of the Company. Accordingly, the appointment of M/s Dhirubhai & Co. LLP, Chartered Accountants (Firm Registration No. 102511W/W100298) is being placed before the shareholders for their approval by way of an Ordinary Resolution.

“**RESOLVED THAT** pursuant to provisions of Section 139, 142 and other applicable provisions of the Companies Act, 2013, and the Companies (Audit and Auditors) Rules, 2014, as amended from time to time, including any statutory enactment or modification thereof, M/s. Dhirubhai Shah & Co, LLP (Firm Registration No. 102511W/W100298) be and is hereby accorded for re-appointed as the Statutory Auditors of the Company to hold office for the term of five years from the conclusion of the ensuing Annual General Meeting till the conclusion of the 36th Annual General Meeting of the Company on such terms and remuneration which may be mutually agreed between the Board of Directors of the company the recommendation of the Audit Committee in consultation with the said auditors from time to time.”

“**RESOLVED FURTHER THAT** any of the present Director and/or Company Secretary of the Company be and is hereby authorized to sign and file necessary e-forms and other relevant papers, documents with Registrar of the Companies and other applicable Statutory authorities if any, and do all such acts, matters, things and deeds as may be necessary to give effect to the aforesaid resolution and to do any matters consequential thereto.”

To Consider and, if thought fit, to pass the following resolution, with or without Modifications as a **“Special Resolution”**.

“RESOLVED THAT pursuant to the provisions of Section 62(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 (including any amendments thereto or re-enactment thereof, for the time being in force, the “Companies Act”), the provisions of the Memorandum and Articles of Association of the Company, Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and in accordance with the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (the “SEBI ICDR Regulations”), the provisions of the Foreign Exchange Management Act, 1999, (“FEMA”) and rules and regulations framed there under as amended from time to time and subject to other applicable rules, regulations and guidelines issued by the Securities and Exchange Board of India (“SEBI”), the Reserve Bank of India (“RBI”), the Government of India (“GOI”), the Stock Exchanges and / or any other competent authorities from time to time to the extent applicable, and subject to such required further approvals, permissions, consents and sanctions as may be necessary from members of the Company, SEBI, Stock Exchanges, RBI, GOI and any other authorities as may be required in this regard and further subject to such terms and conditions or modifications as may be prescribed or imposed by any of them while granting any

such approvals, permissions, consents and / or sanctions, which may be agreed to by the Board of Directors of the Company (hereinafter referred to as "the Board" which term shall be deemed to include any Committee thereof which the Board may have constituted or hereinafter constitute to exercise its powers including the powers conferred by this Resolution), consent of the members be and is hereby accorded to the Board to create, offer, issue and allot (including with provisions for reservation on firm and/or competitive basis, of such part of issue and for such categories of persons as may be permitted), with or without green shoe option, such number of equity shares of the Company of face value 10/- each ("Equity Shares"), by way of Preferential Issue/Private Placement, fully convertible debentures/partly convertible debentures, preference shares convertible into Equity Shares subject to the alteration of capital clause in Memorandum and Articles of Association of the Company, and/or any other financial instruments convertible into Equity Shares (including warrants, or otherwise, in registered or bearer form) and/or any security convertible into Equity Shares with or without voting/special rights and/or securities linked to Equity Shares and/ or securities with or without detachable warrants with right exercisable by the warrant holders to convert or subscribe to Equity Shares (all of which are hereinafter collectively referred to as "Securities") or any combination of Securities, in one or more tranches, whether Rupee denominated or denominated in foreign currency, in one or more domestic market, by way of one or more private offerings, Qualified Institutions Placement ("QIP") and/or on preferential allotment basis or any combination thereof, through issue of prospectus and /or placement document/ or other permissible/requisite offer document to any eligible person, including Qualified Institutional Buyers ("QIBs") in accordance with Chapter VIII of the SEBI ICDR Regulations, or otherwise, foreign/resident investors (whether institutions, incorporated bodies, mutual funds, individuals or otherwise), venture capital funds (foreign or Indian), alternate investment funds, foreign institutional investors, foreign portfolio investors, qualified foreign investors, Indian and/ or multilateral financial institutions, mutual funds, non-resident Indians, stabilizing agents, pension funds and/or any other categories of investors, whether they be holders of Equity Shares of the Company or not (collectively called the "Investors") as may be decided by the Board in its discretion and permitted under applicable laws and regulations, for an aggregate amount not exceeding ₹ 150 Crores (Rupees One Hundred Fifty Crores Only) or equivalent thereof, in one or more foreign currency and/or Indian rupees, inclusive of such premium as may be fixed on such Securities by offering the Securities at such time or times, at such price or prices, at a discount or premium to market price or prices permitted under applicable laws in such manner and on such terms and conditions including security etc. as may be deemed appropriate by the Board at its absolute discretion including the discretion to determine the categories of Investors to whom the offer, issue and allotment in tranches or otherwise shall be made to the exclusion of other categories of Investors at the time of such offer, issue and allotment considering the prevailing market conditions and other relevant factors and wherever necessary in consultation with lead manager(s) and/or underwriter(s) and/or other advisor(s) appointed and / or to be appointed by the Company (the "Issue")."

"RESOLVED FURTHER THAT in pursuance of the aforesaid resolutions: (a) the Securities to be so created, offered, issued and allotted shall be subject to the provisions of the Memorandum and Articles of Association of the Company; and (b) the Equity Shares that may be issued by the Company shall rank paripassu with the existing Equity Shares of the Company in all respects."

"RESOLVED FURTHER THAT if any issue of Securities is made by way of a QIP in terms of Chapter VIII of the SEBI ICDR Regulations (hereinafter referred to as "Eligible Securities" within the meaning of the SEBI ICDR Regulations), the allotment of the Eligible Securities, or any combination of Eligible Securities as may be decided by the Board shall be completed within twelve months from the date of this resolution or such other time as may be allowed under the SEBI ICDR Regulations from time to time."

"RESOLVED FURTHER THAT any issue of eligible Securities made by way of a QIP in terms of Chapter VIII of the SEBI ICDR Regulations shall be at such price which is not less than the price determined in accordance with the pricing formula provided under Chapter VIII of the SEBI ICDR Regulations (the "QIP Floor Price"), the Company may, however, in accordance with applicable law, also offer a discount of not more than 5% (Five Percentage) or such percentage as permitted under applicable law on the QIP Floor Price. "

"RESOLVED FURTHER THAT in the event that Equity Shares are issued to QIBs by way of a QIP in terms of Chapter VIII of the SEBI ICDR Regulations, the relevant date for the purpose of pricing of the Equity Shares shall be the date of the meeting in which the Board decides to open the proposed issue of Equity Shares."

"RESOLVED FURTHER THAT in the event of the issue of Securities as aforesaid by way of Preferential Issue in terms of Chapter VII of SEBI (ICDR) Regulations, as amended from time to time and the relevant provisions/ rules of/ under Companies Act, 2013:

- a) The relevant date for the purpose of determining the pricing of the Securities would, pursuant to Chapter VII of the SEBI (ICDR) Regulations, and/ or other applicable regulations, be, in case of issue of equity shares, the date thirty days prior to the date on which the meeting of shareholders is held to consider the proposed preferential issue, or in case of preferential issue of convertible securities, either the relevant date referred to above or a date thirty days prior to the date on which the holders of the convertible securities become entitled to apply for the equity shares;

- b) The tenure and pricing shall be determined in compliance with principles and provisions set out in the regulations 75 and 76 (including 76A and 76B), respectively, of Chapter VII of the SEBI (ICDR) Regulations, as amended from time to time;
- c) The Securities so issued would be locked-in as set out in regulation 78 of Chapter VII of the SEBI (ICDR) Regulations, as amended from time to time;
- d) The allotment of the Securities so issued shall be completed within a period of 15 days from the passing of the shareholders' resolution or from the date of receipt of any approval or permission by any regulatory authority.

"RESOLVED FURTHER THAT the Issue to the holders of the Securities, which are convertible into or exchangeable with equity shares at a later date shall be, inter alia, subject to the following terms and conditions: (a) in the event the Company is making a bonus issue by way of capitalization of its profits or reserves prior to the allotment of the Equity Shares, the number of Equity Shares to be allotted shall stand augmented in the same proportion in which the equity share capital increases as a consequence of such bonus issue and the premium, if any, shall stand reduced pro tanto; (b) in the event of the Company making a rights offer by issue of Equity Shares prior to the allotment of the Equity Shares, the entitlement to the Equity Shares will stand increased in the same proportion as that of the rights offer and such additional Equity Shares shall be offered to the holders of the Securities at the same price at which the same are offered to the existing shareholders; (c) in the event of merger, amalgamation, takeover or any other reorganization or restructuring or any such corporate action, the number of Equity Shares, the price and the time period as aforesaid shall be suitably adjusted; and (d) in the event of consolidation and/or division of outstanding Equity Shares into smaller number of Equity Shares (including by way of stock split) or re-classification of the Securities into other securities and/or involvement in such other event or circumstances which in the opinion of concerned stock exchange requires such adjustments, necessary adjustments will be made."

"RESOLVED FURTHER THAT for the purpose of giving effect to any offer, issue or allotment of Equity Shares, Securities or instruments representing the same, as described above, the Board be and is hereby authorised on behalf of the Company to seek listing of any or all of such Securities on one or more Stock Exchanges in India."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to appoint lead manager(s), underwriters, depositories, custodians, registrars, bankers, lawyers, advisors and all such agencies as are or may be required to be appointed, involved or concerned in the Issue and to remunerate them by way of commission, brokerage, fees or the like and also to reimburse them out of pocket expenses incurred by them and also to enter into and execute all such arrangements, agreements, memorandum, documents, etc., with such agencies."

"RESOLVED FURTHER THAT for the purpose of giving effect to the above, the Board be and is hereby authorized on behalf of the Company to take all actions and do all such acts, deeds, matters and things as it may, in its absolute discretion, deem necessary, desirable or expedient for the Issue and to resolve and settle all questions, difficulties or doubts that may arise in regard to such Issue, including the finalization and approval of the draft as well as final offer document(s), determining the form and manner of the Issue, finalization of the timing of the Issue, identification of the investors to whom the Securities are to be offered, determining the issue price, face value, premium amount on issue/conversion of the Securities, if any, rate of interest, execution of various transaction documents, signing of declarations, creation of mortgage/ charge, utilization of the issue proceeds, without being required to seek any further consent or approval of the members or otherwise to the end and intent that the members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

"RESOLVED FURTHER THAT the Board be and is hereby authorised to delegate all or any of the powers herein conferred to any committee of directors or any director(s) or any other officer(s) of the Company in such manner as they may deem fit in their absolute discretion."

NOTES:

1. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013, in respect of the businesses under Item no. 4 to 9 of the accompanying notice is annexed hereto. The relevant details of the persons seeking appointment / re-appointment as Director are also annexed to this Notice.
2. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 11, 2021 to Friday, September 17, 2021 (both days inclusive)
3. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its circular nos. 14/2020 and 17/2020 dated April 8, 2020 and April 13, 2020 respectively, in relation to “Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the Annual Report 2020-21 rules made thereunder on account of the threat posed by Covid-19”, Circular no. 20/2020 dated May 5, 2020 in relation to “Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)” and Circular no. 02/2021 dated January 13, 2021 in relation to “Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)” (collectively referred to as “MCA Circulars”) and Securities and Exchange Board of India (“SEBI”) vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 in relation to “Additional relaxation in relation to compliance with certain provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 – Covid-19 pandemic” and circular no. SEBI/HO/CFD/CMD2/ CIR/P/2021/11 dated January 15, 2021 in relation to “Relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 due to the COVID -19 pandemic” (collectively referred to as “SEBI Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars and SEBI Circulars, the AGM of the members of the Company is being held through VC/ OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
4. In line with the aforesaid MCA circulars and SEBI Circulars, the Notice of AGM alongwith Annual Report for the year 2020-21 is being sent only through electronic mode to those members whose email IDs are registered with the company/ depository participant(s). Member may note that Notice and Annual Report 2020-21 has been uploaded on the website of the Company at www.deepenergy.ooo Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com
5. Corporate Members are encouraged to attend the AGM through their Authorized Representatives. They are requested to send by email, a certified copy of the Board Resolution/ Authorisation Letter authorizing their representatives to attend and vote on their behalf in the Meeting. The said Resolution / Authorisation letter shall be sent to the Scrutinizer by email through its registered email address to cs@deepenergy.ooo with a copy marked to helpdesk.evoting@cdslindia.com
6. Since the AGM is being held through VC /OAVM in accordance with the aforesaid Circulars, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-Voting and the attendance of members attending AGM through VC/OAVM will counted for quorum under Section 103 of companies Act, 2013.
7. Members holding shares in physical form are requested to intimate any change of address and / or bank mandate to Link Intime India Pvt. Ltd or Secretarial Department of the Company immediately. In case shares held in dematerialized form, the information regarding change of address and bank particulars should be given to their respective Depository Participant.
8. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the register of contracts or arrangements in which directors are interested under Section 189 of companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode.
9. The Members can join the AGM through the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc., who are allowed to attend the AGM without restriction on account of first come first served basis.
10. Transfer of Unclaimed and/or Unpaid Amounts to the Investor Education Protection Fund (IEPF).
 - a. In accordance with the provisions of Sections 124, 125 and other applicable provisions, if any, of the Companies Act, 2013 read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (hereinafter referred to as “IEPF Rules”) (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), the amount of dividend remaining unclaimed or unpaid for a period of 7 (seven) years from the date of transfer to the unpaid dividend account is required to be transferred within 30 days of becoming due to IEPF maintained by the

Central Government.

- b. Accordingly, during the financial year 2020-21, the Company will transferred unclaimed final dividend amount for the financial year ended 31st March, 2014, within 30 days of 12thOctober, 2021 to IEPF.
- c. The members also informed that, in accordance with Section 124(6) of the Companies Act, 2013 read with the IEPF Rules, all the shares in respect of which dividend has remained unclaimed or unpaid for 7 (seven) consecutive years or more are required to be transferred to the Demat Account of the IEPF Authority.
- d. In view of above provisions, members are requested to kindly ensure update of their bank details and also encash their dividend warrants. the Members who are yet to encash the earlier dividend(s) warrants are advised to send requests for duplicate dividend warrants in case they have not received/ not encashed the Dividend Warrants for any of the above mentioned financial years and/ or send for revalidation the unencashed Dividend Warrants still held by them to the Registrars and Transfer Agents of the Company.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
2. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. September 10, 2021, shall be entitled to avail the facility of remote e-Voting as well as e-Voting system on the date of the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
3. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e September 10, 2021, shall be entitled to exercise his/her vote either electronically i.e. remote e-Voting or e-Voting system on the date of the AGM by following the procedure mentioned in this part.
4. The remote e-Voting will commence on Tuesday, September 14, 2021 at 9.00 a.m. and will end on Thursday, September 16, 2021 at 5.00 p.m. During this period, the Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting thereafter. Once the vote on the resolution is cast by the Member, he/she shall not be allowed to change it subsequently or cast vote again.
5. Shareholders who have already voted prior to the meeting date would not be entitled to vote during the meeting
6. The voting rights of the members shall be in proportion to their share in the paid up equity share capital of the Company as on the Cut-off date.
7. The Company has appointed CS Shilpi Thapar, Practising Company Secretary (Membership No. FCS: 5492; CP No: 6779), to act as the Scrutinizer for conducting the remote e-Voting process as well as the e-Voting on the date of the AGM, in a fair and transparent manner.
8. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

securities in Demat mode with **NSDL** a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

- (i) Login method for e-Voting and joining virtual meeting for shareholders other than individual shareholders holding in Demat form & physical shareholders.
- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
 - 2) Click on “Shareholders” module.
 - 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
 - 4) Next enter the Image Verification as displayed and Click on Login.
 - 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
 - 6) If you are a first-time user follow the steps given below:

For Shareholders holding shares in Demat Form other than individual and Physical Form	
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none">• Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none">• If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ii) After entering these details appropriately, click on “SUBMIT” tab.
- (iii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (iv) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (v) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (vi) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (vii) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (viii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (ix) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (x) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xii) Facility for Non – Individual Shareholders and Custodians –Remote Voting

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; cs@deepenergy.ooo, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 SETTING OUT ALL MATERIAL FACTS RELATING TO SPECIAL BUSINESSES MENTIONED IN THE ACCOMPANYING NOTICE:

Item No.4

Re-designate Mr. Shail Manoj Savla (DIN: 08763064) as Managing Director of the Company

The Board of Directors (based on the recommendation of Nomination and Remuneration Committee) has re-designated Mr. Shail Savla (DIN: 08763064) as Managing Director, with effect from 10th June, 2021 for a period of five (5) years at remuneration of upto 350,000 per month and perquisites which are permissible under Schedule V of the Companies Act, 2013 for the of three years.

The material terms of remuneration of Mr. Shail Savla as approved by both Nomination and Remuneration Committee and Board of Directors in their respective meeting held on 10th June, 2021 have been set out in the resolution.

The remuneration as set out in the resolutions is appropriate in the terms of the size of the company and as compared to persons of his qualifications, cadre and knowledge and experience in the industry.

The specified information while seeking approval/consent of the shareholders as required under Schedule V is listed out herein below:

1. General Information

The Company is in the operations with business interests of both conventional and unconventional Oil and Gas Exploration and Production. The Company was incorporate in the year 1991 and has been commercially known in the Oil and Gas segment since quite a long time. Our subsidiary has been selected as a strategic partner to carry out development of world class CBM property, North karanpura CBM block jointly with consortium partners ONGC and IOC. Based on our Audited financial results for the year ended on 31st March, 2021, the total income was Rs. 78.59 lakhs. The Company has reported profit of Rs. 0.96 for the year at PBT level compared to loss of Rs (7.59) in the year 2020. The foreign holding including Non Resident Indian (NRIs) 6.92% holding of equity capital of the company.

2. Information about the appointee:

Mr. Shail Savla is Mechanical Engineer and MBA. He has experience of over 5 years in the Oil and Gas Industries. He was associated with the Company as Non Executive Director. The Company has benefitted a lot on account of his sharp insight and analytical ability. His dynamic approach and leading business an initiative has given company new direction. Therefore Board of Director proposes to re-designate Mr. Shail Savla as Managing Director with approval granted by shareholders in ensuing Annual General Meeting with a monthly remuneration of upto upto 350,000 along with perquisites in accordance with Schedule V of the Companies, Act.

The Board, based on the performance evaluation and as per the recommendation of the Nomination and Remuneration

Committee, considers that, given his background and experience and contributions made by him during his tenure, the continued association of Mr. Shail Savla would be beneficial to the Company and is best suited for the responsibilities assigned to him as Managing Director of the company.

The proposed remuneration and other perquisites as recommended by Nomination and Remuneration Committee and Approved by the board of directors of the company are full set out in the resolution. The remuneration proposed is within limits the maximum permissible as per Schedule V of the Companies Act, 2013. Considering the size of the company and nature of its operations the remuneration proposed to be paid to him is commensurate with the remuneration packages paid to similar appointees in the other companies. Besides remuneration and perquisites proposed, Mr. Shail Savla does not have any pecuniary relationship with the company. He holds 727801 shares in the share capital of the company

3. Other Information

a) Reason for loss or inadequate profits:

The Company's commercial production of its main business activity i.e. exploration and production of natural gas is expected to begin in coming financial year. Therefore by then the company would reflect less or inadequate profit or may be loss.

b) Steps taken or proposed to be taken for improvement

All economic measures are being adopted to maintain profitability, once the company gets into production.

c) Expected increase in productivity and profits in measurable terms:

Continuous efforts are made to start production as soon as possible and field development is going on.

4. Disclosures:

The disclosures in respect of remuneration package and other details of all Directors are given at appropriate places in the Director's report.

The Board Recommends ordinary resolutions set out in item no. 4 of notice for approval by members.

No Director, Key Managerial Personnel or their relatives, except Mr. Shail Savla to whom the resolution relates, is in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 5

Salary payable to Mr. Shail Manoj Savla with regards of an Office or place of profit from Subsidiary Company i.e. Prabha Energy Private Limited with effect from 1st August, 2021.

The provisions of section 188(1) of the Companies Act, 2013 Act that govern the Related Party Transactions require a Company to obtain prior approval of the Board of Directors and in certain cases approval of the shareholders also required.

Section 188(1)(f) of the Companies Act, 2013 provides for the related party's appointment to any office or place of profit. The Board of Directors of the Company on the recommendation of the Nomination and Remuneration Committee, at their meeting held on 14th August, 2021 had approved the salary payable to Mr. Shail Savla in subsidiary company i.e. Prabha Energy Private Limited subject to approval of the Shareholders by way of an Ordinary Resolution. Item No. 6

Appointment of Mr. Premsingh Mangatsingh Sawhney (DIN: 03231054) as Chairman and Non Executive Non Independent Director with effect from 10th June, 2021.

Mr. Premsingh Mangatsingh Sawhney (DIN: 03231054) was appointed as an Chairman & Additional Non-executive, Non-Independent Director of the Company by the Board of Directors in its meeting dated 10th June, 2021 with effect from 10th June, 2021 up to ensuing Annual General Meeting.

The Nomination and Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation, has recommended appointment of Mr. Premsingh Mangatsingh Sawhney as a Non-executive, Non-Independent Director.

In terms of Section 161(1) of the Companies Act, 2013 read with other applicable provisions of the Companies Act, 2013, Mr. Premsingh Mangatsingh Sawhney holds office as an Additional Director only up to the date of the forthcoming Annual General Meeting. Mr. Premsingh Mangatsingh Sawhney, being eligible has offered himself for appointment as a Non Executive Non Independent Director. The Company received a notice from the Member under Section 160 of the Companies Act, 2013, signifying her intention to propose the candidature of Mr. Premsingh Mangatsingh Sawhney for the office of Director of the Company.

The other details of Mr. Premsingh Mangatsingh Sawhney in terms of Regulation 36(3) of the Listing Regulation and Secretarial Standard 2 are annexed to this Notice. The Board of Directors is of the opinion that Mr. Premsingh Mangatsingh Sawhney's knowledge and varied exposure will be of great value to the Company and has recommended the Resolution at Item No. 6 of

this Notice relating to his appointment as a Director, liable to retire by rotation as Ordinary Resolution for your approval. The Board re-recommends the Ordinary Resolution set out at Item No. 6 of the Notice for approval by the members. No Director, Key Managerial Personnel or their relatives, except Mr. Prem Singh Mangatsingh Sawhney to whom the resolution relates, is in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 7

Appointment of Mr. Ajay Kumar Singhania (DIN: 05135968) as Executive Director of the Company.

The Board of Directors (based on the recommendation of Nomination and Remuneration Committee) has appointed Mr. Ajay Kumar Singhania (DIN: 05135967) as Additional Executive Director, with effect from 10th June, 2021 for a period of five (5) years at remuneration of ₹ 15000 per month which is permissible under Schedule V of the Companies Act, 2013 for the of three years (3 Years).

The material terms of remuneration of Mr. Ajay Kumar Singhania as approved by both Nomination and Remuneration Committee and Board of Directors in their respective meeting held on 10th June, 2021 have been set out in the resolution.

The remuneration as set out in the resolutions is appropriate in the terms of the size of the company and as compared to persons of his qualifications, cadre and knowledge and experience in the industry.

The specified information while seeking approval/consent of the shareholders as required under Schedule V is listed out herein below:

1. General Information

The Company is in the operations with business interests of both conventional and unconventional Oil and Gas Exploration and Production. The Company was incorporate in the year 1991 and has been commercially known in the Oil and Gas segment since quite a long time. Our subsidiary has been selected as a strategic partner to carry out development of world class CBM property, North karanpura CBM block jointly with consortium partners ONGC and IOC. Based on our Audited financial results for the year ended on 31st March, 2021, the total income was Rs. 78.59 lakhs. The Company has reported profit of Rs. 0.96 lakhs for the year at PBT level compared to loss of Rs (7.59) in the year 2020. The foreign holding including Non Resident Indian (NRIs) holding of 6.92 % equity capital of the company.

2. Information about the appointee:

Mr. Ajay Kumar Singhania is a Chemical Engineering Graduate with MBA in General Management. He has 47 years of work experience in upstream Oil industry for Oil and Gas field production operations, Contract Management, Corporate Management and Legal-commercial corporate affairs etc. He served ONGC for more than 36 years in various onshore geographical locations in India in the areas of operations and development of Oil and Gas field installations, Artificial Lift, well services, Enhance Oil Recovery, Gas Marketing, Project Management, Data base Management and planning & acquisition of Oil field related goods and services. He superannuated as General Manager (Production) from ONGC in year 2010. Therefore Board of Director proposes to appoint Mr. Prem Singh Sawhney as Executive Director with approval granted by shareholders in ensuing Annual General Meeting with a monthly remuneration of ₹ 15000 in accordance with Schedule V of the Companies, Act.

The Board, based on the performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, considers that, given his background and experience of Mr. Ajay Kumar Singhania would be beneficial to the Company and is best suited for the responsibilities assigned to him as Executive Director of the company.

The proposed remuneration as recommended by Nomination and Remuneration Committee and Approved by the board of directors of the company are full set out in the resolution. The remuneration proposed is within limits the maximum permissible as per Schedule V of the Companies Act, 2013. Considering the size of the company and nature of its operations the remuneration proposed to be paid to him is commensurate with the remuneration packages paid to similar appointees in the other companies. Besides remuneration proposed, Mr. Ajay Kumar Singhania does not have any pecuniary relationship with the company.

3. Other Information

a) Reason for loss or inadequate profits:

The Company's commercial production of its main business activity i.e. exploration and production of natural gas is expected to begin in coming the next financial year. Therefore by then the company would reflect less or inadequate profit or may be loss.

b) Steps taken or proposed to be taken for improvement

All economic measures are being adopted to maintain profitability, once the company gets into production.

c) Expected increase in productivity and profits in measurable terms:

Continuous efforts are made to start production as soon as possible and field development is going on.

4. Disclosures:

The disclosures in respect of remuneration package and other details of all Directors are given at appropriate places in the Director's report.

The Board Recommends ordinary resolutions set out in item no. 7 of notice for approval by members.

No Director, Key Managerial Personnel or their relatives, except Mr. Ajay Kumar Singhania to whom the resolution relates, is in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 8

Appointment of Mr. Navin Chandra Pandey (DIN: 08252350) as Non Executive Independent Director of the Company.

The Board of Directors (based on the recommendation of Nomination and Remuneration Committee) has appointed Mr. Navin Chandra Pandey (DIN: 08252350) as an Additional Independent Director of the Company with effect from 14th August, 2021. In terms of Section 161(1) of the Act, 2013 Mr. Navin Chandra Pandey holds office only upto the date of the ensuing AGM and is eligible for appointment as a Director. The Company has received a Notice under Section 160(1) of the Act from a Member signifying his intention to propose Mr. Navin Chandra Pandey's appointment as a Director.

The Board, based on the performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, considers that, given his background and experience of Mr. Navin Chandra Pandey would be beneficial to the Company and it is desirable to continue to avail his services as an Independent Director.

Accordingly, it is proposed to appoint Mr. Navin Chandra Pandey as an Independent Director of the Company, not liable to retire by rotation, w.e.f 14th August, 2021.

The Board recommends the Resolution for appointment of Mr. Navin Chandra Pandey as Ordinary Resolution of this notice for your approval.

Details of Mr. Navin Chandra Pandey is provided in the "Annexure" to the Notice pursuant to the provisions of 36(3) of the Listing Regulations and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.

No Director, Key Managerial Personnel or their relatives, except Mr. Navin Chandra Pandey to whom the resolution relates, is in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 9

To accord consent to the Board to create, Offer, issue and allot securities amounting to ` 150 crores (Rupees One Hundred and Fifty crores only) pursuant to section 62(1)(c) and other applicable provisions of the Companies Act, 2013 and other applicable laws:

This special resolution contained in the Notice under Item No. 9 relates to a resolution by the Company enabling the Board to create, issue, offer and allot Equity Shares by way of Preferential Allotment/Private Placement, Convertible Debentures, preference shares subject to amendment in capital clause of Memorandum and Articles of Association of the Company and such other securities as stated in the resolution (the "Securities"), including by way of a qualified institutions placement in accordance with Chapter VIII of the SEBI ICDR Regulations, in one or more tranches, at such price as may be deemed appropriate by the Board at its absolute discretion including the discretion to determine the categories of Investors to whom the issue, offer, and allotment shall be made considering the prevalent market conditions and other relevant factors and wherever necessary, in consultation with lead manager(s) and other agencies that may be appointed by the Board for the purpose of the Issue.

This special resolution enables the Board to issue Securities for an aggregate amount upto ` 150.00Crore (Rupees One Hundred Fifty Crores Only) or its equivalent in any foreign currency. The Board shall issue Securities pursuant to this special resolution or any further approvals required from members of the company, SEBI, Stock exchanges, GOI and other statutory authorities and utilize the proceeds to meet capital expenditure and working capital requirements of the Company and general corporate purposes. The special resolution also seeks to empower the Board to issue Eligible Securities by way of QIP to QIBs in accordance with Chapter VIII of the SEBI ICDR Regulations. The pricing of the Eligible Securities that may be issued to QIBs pursuant to SEBI ICDR Regulations shall be freely determined subject to such price not being less than the floor price calculated in accordance with Chapter VIII of the SEBI ICDR Regulations ("QIP Floor Price"). Further, the Board may also offer a discount of not more than 5% or such other percentage as permitted on the QIP Floor Price calculated in accordance with the pricing formula provided under SEBI ICDR Regulations. The "Relevant Date" for this purpose will be the date when the Board (including Committee thereof) decides to open the QIP for subscription. As the Issue may result in the issue of Equity Shares of the Company to investors who may or may not be members of the Company, consent of the members is being sought pursuant to Section 62(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 and any other law for the time being in force and being applicable and in terms of the provisions of the Securities Exchange

Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Copies of the documents referred in the proposed resolution shall be available for inspection by the members at the Registered Office of the Company during the normal business hours (9 am to 5 pm) on all working days (except Saturdays) upto the date of Annual General Meeting of the Company.

The Board accordingly recommends the Special Resolution set out at Item No.9 of the accompanying Notice for your approval.

None of the Directors, Manager, Key Managerial Personnel or their relatives are in any way concerned or interested in the proposed resolution except to the extent of their/related parties shareholdings in the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Deep Energy Resources Limited (Formerly known as “Deep Industries Limited”)
(CIN: L63090GJ1991PLC014833)
12A & 14, Abhishree Corporate Park,
Ambli Bopal Road, Ambli,
Ahmedabad- 380058.
Gujarat.

Dear Sir/Madam,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good Corporate Governance practices by **M/s. Deep Energy Resources Limited (Formerly known as “Deep Industries Limited”)** (hereinafter called the ‘Company’). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of Company’s books, papers, minute books, forms and returns filed with Regulatory authorities and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the financial year ended on March 31, 2021 (hereinafter referred to as ‘Audit Period’), generally complied with the statutory provisions listed hereunder and also the Company has proper board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined on test basis, the books, papers, minutes book, forms and returns filed and other records maintained by the company and produced before us for the financial year ended on 31st March, 2021, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and The Companies Act, 1956 (to the extent applicable during our Audit Period) and the Rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent the same was applicable to the company;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’) viz. :-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 to the extent applicable;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014-Not applicable during the review period;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008- to the extent if applicable;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009- Not applicable during the review period;
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998- Not applicable during the review period;
 - (i) The Securities and Exchange Board of India (Issue and Listing of Non- Convertible and Redeemable Preference shares) Regulations, 2013- Not applicable during the review period;
 - (j) The Securities and Exchange Board of India (Depositories and Participant) Regulations, 2018;
- (vi) The Company has not identified any other specific laws which are presently applicable to it.

- 2) We have also examined compliances with applicable clauses of the following:-
- Secretarial Standards 1 and 2 issued by The Institute of Company Secretaries of India under provisions of The Companies Act, 2013 w.e.f.1st July, 2015 amended from time to time and
 - SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 amended from time to time.

Based on the above said information provided by the company, we report that during the financial year under report, the company has generally complied with the provisions, as applicable of the above mentioned Acts including the applicable provisions of the Companies Act,2013 and Rules, Regulations, Guidelines, Standards, etc mentioned above except to the extent mentioned below:-

- 1) The disclosure required under Reg.30(2) of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations for the F.Y.2020-21 is required to be submitted within 7 working days i.e.8th April,2020 which got extended to 1st June,2020 by SEBI vide circular no. SEBI/HO/CFD/DCR1/CIR/P/2020/49 dated 27th March,2020.The said disclosure required under Reg. 30(2) of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) was submitted by the Company to BSE and NSE beyond extended due date i.e on 2nd June,2020.
- 2) The disclosure required under Regulation 31(4) of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations is required to be submitted within 7 working days i.e.8th April,2020 which got extended to 1st June,2020 by SEBI vide circular no. SEBI/HO/CFD/DCR1/CIR/P/2020/49 dated 27th March,2020. The said disclosure under regulation 31(4) of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) was submitted by the Company to BSE and NSE beyond extended due date i.e on 2nd June,2020. We further report that few compliances related e-forms were filed beyond prescribed time limit for which additional fees was not levied since the same were filed under Companies Fresh Start Scheme, 2020. However, the Company has duly filed Form CFSS and Certificate for grant of immunity from prosecution or imposition of penalty under Companies Fresh Start Scheme (CFSS), 2020 was also received from Registrar of companies, Ahmedabad.. We report further that the compliance of applicable Labour laws and financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit since the same has been subject to review by the Statutory Auditors and other designated professionals.

We further report that:

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the audit period were carried out in compliance with the provisions of the Act.
- b) Adequate notice is given to all directors to schedule the Board Meetings, agenda were sent in advance. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Based on the representation made by the company and its officers, majority decision is carried through and that there were no dissenting member's views on any of the matter during the year that were required to be captured and recorded as part of the minutes. The minutes of the meetings are prepared in concise manner.
- c) Based on general review of compliance mechanisms established by the Company and on basis of management representations and compliances certificates issued by department heads, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. As informed, the company has responded appropriately to notices/ letters received if any from any regulatory authorities.

We further report that during the audit period there were following specific events and actions having a major bearing on Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.:-

- (i) The Scheme of Arrangement in the nature of Demerger of Oil and Gas Services undertaking of Deep Energy Resources Limited (Formerly known as Deep Industries Limited) ('Demerged Company') into Deep Industries Limited (Formerly known as Deep CH4 Limited) ('Resulting Company') under Section 230 to 232 read with Section 66 and other applicable provisions of the Companies Act, 2013 ("Scheme") was sanctioned by Hon'ble National Company Law Tribunal ("NCLT"), Ahmedabad Bench vide its order dated 17th March, 2020.
- (ii) Accordingly, Fresh Certificate of Incorporation for change of name of the Company from "Deep Industries Limited" to "Deep Energy Resources Limited" pursuant to the Scheme of Arrangements in the nature of Demerger was received from Registrar of Companies, Gujarat on 11th Sepetmeber,2020.

Notes:

- a) A scheme of demerger of Oil and Gas Service Undertaking from Deep Energy Resources Limited (Formerly known as Deep Industries Limited) (Demerged Company) into Deep Industries Limited (Formerly known as Deep CH4 Limited) (Resulting Company) was undertaken in accordance with section 230-232 of the Companies Act, 2013 with effect from Appointed Date of 1 April 2017. Due to effect of the said demerger, all business pertaining to Oil & Gas services has been transferred to Deep Industries Limited (Formerly known as Deep CH4 Limited) (Resulting Company) and accordingly all employees relating to Oil and Gas Services business have also been transferred to resulting Company. The Demerged Company will continue to carry on Exploration and Production Business. Oil and Gas Services Business was major contributor to revenue of the Demerged Company and the Company did not have income from Exploration and Production Business. As a result, remuneration of KMPs, Directors, Employees and sitting fees of IDs has been treated as expense pertaining to Oil and Gas Service Business demerged from the Demerged Company.

Median remuneration calculated on the basis of number of employees who were in employment of the company through out the year for better comparison.

MANAGEMENT DISCUSSION AND ANALYSIS

Deep Energy Resources Limited (Formerly known as Deep Industries Limited) is engaged in the business of exploration and production of Oil and Gas resources and Coal Bed Methane and related engineering solutions.

OPPORTUNITIES AND THREATS

The Oil and Gas sector in India is full of opportunities across its value chain and sub sectors. This sector offers great future opportunities driven by factors such as vastly unexplored and under explored sedimentary basins, Unconventional hydrocarbon exploration activities gaining momentum in India.

The Oil and Gas sector has many opportunities but at the same time, some fundamental issues can hinder its progress and thwart the achievement of its growth objectives. Shortages of skilled manpower, technology and equipment in upstream sector and general low oil & gas price regime may throw some critical challenges for the sector. However DERL has been able to provide stellar growth in these difficult market conditions through its commitment to provide cost effective and timely solutions.

STRATEGY OF THE COMPANY

The Company is focused on exploring and developing the acreages that it has acquired in NELP and CBM rounds.

OIL AND GAS EXPLORATION AND PRODUCTION BUSINESS

The Company and its subsidiary companies are holding large acreage of onshore exploration & production assets in both conventional and unconventional category. Out of 10, 4 assets are in development phase, 3 assets are in exploration phase and 3 have been relinquished. DERL holds 25% stake in North Karanpura CBM block through its subsidiary Prabha Energy Private Limited. This asset is in development phase. PEPL is the joint operator of this asset along with ONGC and IOCL is the third partner. The Company has a strong management team with decades of experience in oil & gas and CBM development businesses.

OIL AND GAS BLOCKS

North Karanpura CBM Block:

North Karanpura CBM block was awarded to consortium of ONGC & IOCL during first CBM bid round in 2001. After successful exploration, ONGC through international competitive bidding process awarded its 25% participating interest and joint operatorship to Prabha Energy Private Limited (PEPL), a subsidiary of DERL. ONGC completed drilling of 9 core holes and 7 test wells during the Exploration Phase I & II. Exploration work by ONGC had indicated good CBM reservoir parameters like coal thickness, gas content, saturation levels and permeability. Gas-In-Place (GIP) for the development area is about 22.93 billion cubic meter (BCM) of gas. Field Development Plan has been approved by the Government of India in 2012. The statutory clearances like environmental clearance, mining lease and other approvals has been granted by the government. PEPL has already started development activities in the block wherein a total of 68 wells are planned to be drilled. The First stage of development work is in advance stage of completion. Some of the wells drilled and completed so far have shown good CBM gas production. Steps are being taken for commercial production from its assets.

2. AUDIT COMMITTEE

The Audit Committee of the Company is constituted in alignment with the provisions of Section 177 of the Companies Act, 2013 and Regulation 18 of the Listing Regulations.

The purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities of monitoring financial reporting processes, reviewing the Company's established systems and processes for Internal financial controls, governance and reviewing the Company's Statutory and Internal Audit activities.

Terms of reference:

The terms of reference of Audit Committee are wide enough to cover the matters specified for Audit Committee under Listing Regulations, as well as in Section 177 of the Companies Act, 2013. The terms of reference of the Audit Committee are broadly as under:

- 1) Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- 2) Recommendation for appointment, remuneration and terms of appointment of auditors of the Company;
- 3) Approval of payment to Statutory Auditors for any other services rendered by the Statutory Auditors;
- 4) Reviewing, with the management, the Annual Financial Statements and Auditor's Report thereon before submission to the Board for approval, with particular reference to:
 - a. Matters required being included in the Director's Responsibility Statement to be included in the Board's Report in terms of Clause (c) of Sub-Section 3 of Section 134 of the Companies Act, 2013;
 - b. Changes, if any, in accounting policies and practices and reasons for the same;
 - c. Major accounting entries involving estimates based on the exercise of judgment by management;
 - d. Significant adjustments made in the financial statements arising out of audit findings;
 - e. Compliance with listing and other legal requirements relating to financial statements;
 - f. Disclosure of any related party transactions; and
 - g. Modified opinion(s) in the draft Audit Report.
- 5) Reviewing, with the management, the quarterly financial statements before submission to the Board for approval;
- 6) Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
- 7) Reviewing and monitoring the Auditor's independence and performance, and effectiveness of audit process;
- 8) Approval or any subsequent modification of transactions of the Company with related parties;
- 9) Scrutiny of inter-corporate loans and investments;
- 10) Valuation of undertakings or assets of the Company, wherever it is necessary;
- 11) Evaluation of internal financial controls and risk management systems;
- 12) Reviewing, with the management, performance of Statutory and Internal Auditors, adequacy of the internal control systems;
- 13) Reviewing the adequacy of internal audit function, if any, Including the Structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- 14) Discussion with Internal Auditors of any significant findings and follow up there on;
- 15) Reviewing the findings of any internal investigations by the Internal Auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;
- 16) Discussion with Statutory Auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;

- 17) To look into the reasons for substantial defaults in the payment to the Depositors, Debenture Holders, Shareholders (in case of non-payment of declared dividends) and Creditors;
- 18) To review the functioning of the Whistle Blower mechanism;
- 19) Approval of appointment of CFO after assessing the qualifications, experience and background, etc. of the candidate;
- 20) Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.
- 21) To review the utilization of loans and/or advances from/investments by the holding company in the subsidiary exceeding rupees 100 crore or 10% of the assets size of the subsidiary, whichever is lower including existing loans/ advances/ investments existing as on the date of coming into force of this provision.

Review of information by Audit Committee:

- 1) Management discussion and analysis of financial condition and results of operations;
- 2) Statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
- 3) Management letters / letters of internal control weaknesses issued by the Statutory Auditors;
- 4) Internal Audit Reports relating to internal control weaknesses; and
- 5) The appointment, removal and terms of remuneration of the Chief Internal Auditor shall be subject to review by the Audit Committee;
- 6) To grant omnibus approval for related party transactions which are in the ordinary course of business and on an Arm's Length pricing basis and to review and approve such transactions subject to the approval of the Board;
- 7) Statement of deviations.

As on 31st March, 2021, the composition of the Audit Committee and the details of meetings attended by its members are given below:

Name of the Committee Members	Designation	Category in the Board	No. of Meeting held	No. of Meeting Attended
Mr. Hemendrakumar Shah	Chairman	Independent Director	4	4
Mr. Paras Savla	Member	Executive Director	4	4
Dr. Kirit Shelat	Member	Independent Director	4	2
Mr. Kirit Joshi	Member	Independent Director	4	2

Further Dr. Kirit Shelat has resigned from the Board of the Directors of the Company w.e.f 14th September, 2020 and consequently was no longer member of Audit Committee. Thus Audit Committee has been reconstituted as Mr. Kirit Joshi has appointed as member w.e.f 14th September, 2020.

During the year 2020-21, the Audit Committee met for the Four (4) times on 30th July, 2020, 14th September, 2020, 12th November, 2020 and 12th February, 2021 and the gap between two meetings did not exceed one hundred and twenty days.

All the members of the Audit Committee have the requisite qualification for appointment on the Committee and possess sound knowledge of accounting practices, financial and internal controls.

The Committee has freedom to invite executives, as it considers appropriate (particularly the head of finance function) the head of internal audit, Statutory Auditors and Chief Financial officer to be present at the meeting of the committee.

Mr. Hemendrakumar Shah, Chairman of the committee has attended the last Annual General Meeting held on 10th November, 2020.

Composition of the Committee is available on Company's website: <http://www.deepenergy.ooo/Pages/Committees%20of%20Board%20Of%20Directors.aspx>

3. STAKEHOLDERS RELATIONSHIP COMMITTEE

(n) Foreign exchange risk and hedging activities:

The Company has risk Management policy which primarily focus on identifying, assessing and managing foreign exchange risk.

In order to reduce the uncertainty arising on account of exchange rate movements and currency movement on foreign exchange exposures, Company has in place the hedging policy to secure forex exposures either naturally or otherwise so that the volatility does not impact the core business of the Company. The policy aims at monitoring the market condition for favourable development and minimising the risk arising out of forex fluctuations with minimum cost of hedging.

(o) Address for correspondence

The Shareholders may address their communication/grievances at the following address:-

Dixita Soni

Company Secretary & Compliance Officer

Deep Energy Resources Limited (formerly known as Deep Industries Limited)

Address : 12A & 14, Abhishree Corporate Park, Ambli-Bopal Road, Ambli, Ahmedabad-380058.

Phone No : 02717-298510, Fax No : 02717-298520 Email Id : cs@deepenergy.ooo info@deepenergy.ooo

Website of the Company : www.deepenergy.ooo

10. OTHER DISCLOSURES

(a) Disclosures on materially significant related party transactions that may have potential conflict with the interests of the Company at large.

There were no materially significant related party transactions that may have potential conflict with the interests of the Company at large. Suitable disclosures as per requirements of IND AS 24, are made in the notes to accounts annexed to the Financial Statements. All the related party contracts / arrangements and transactions are entered into by the Company on arm's length basis and are put forth for the approval of the Audit Committee and Board of Directors, as applicable, in compliance with the said policy. Omnibus approval from the Audit Committee has been obtained for the transactions which are within the prescribed limit.

In line with requirement of the Companies Act, 2013 and Listing Regulations, your Company has formulated Related Party Transactions Policy. The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties. The Related Party Transaction Policy is available on the website of the Company www.deepenergy.ooo

(b) Details of non-compliance by the Company, penalties and strictures imposed on the Company by the Stock Exchanges or SEBI or any other Statutory Authority on any matter related to the Capital Markets during the last three years:

During the year under review, there were no strictures or penalties imposed by either the Securities and Exchange Board of India or the Stock Exchanges or any statutory authorities for non-compliance of any matter related to the capital markets.

BSE Limited and National Stock Exchange of India Ltd vide their letter dated 27.11.2018 levied a penalty of Rs. 11,800/- each for delay in submission of scrutinizer's report of voting results of the court convened meeting dated 30.11.2018 to the Exchanges. Company paid the said fine and complied with requirements in the said BSE/NSE letters.

The reason/explanation for delay submission of scrutinizer's report of voting results to the Stock Exchanges is that the Scrutinizer itself has not provided Scrutinizer report of voting results within 48 hrs of the conclusion of the meeting and thus it was beyond the control of the Company.

Apart from above, during the last three years, there were no strictures or penalties imposed by either the Securities and Exchange Board of India or the Stock Exchanges or any statutory authorities for non-compliance of any matter related to the capital markets.

(c) Vigil Mechanism and Whistle Blower Policy

The Company has a Vigil Mechanism and whistle blower policy to deal with any instance of fraud and mismanagement. The employees of the Company are free to report violations of any laws, rules, regulations and concerns about unethical conduct to the Audit Committee under this policy. The policy ensures that strict confidentiality is maintained while dealing with concerns and also that no discrimination with any person for a genuinely raised concern. During the year under review, no employee was denied access to the Audit Committee.

The Vigil mechanism and Whistle Blower Policy is available on the website of the Company www.deepenergy.ooo

(d) Details of compliance with mandatory requirements and adoption of the non mandatory requirements:

The Company has complied with the Corporate Governance requirements specified in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) of SEBI Regulations.

The status on the compliance with the non-mandatory requirements of the SEBI Regulations is as under:

Board: The Chairman of the Board is Non Executive Chairman and hence the requirements of maintaining chairman office are not applicable.

Shareholder's Rights: The Company's financial results are published in the news papers and are also posted on website i.e. www.deepenergy.ooo. Hence, the financial results are not sent to the Shareholders of the Company.

Modified Opinion(s) in Audit Report: The financial statements presented for the year 2020-21 do not have any qualifications.

Separate posts of Chairperson and Chief Executive Officer: The Company does have separate post of Chairman and Managing Director / Chief Executive Officer.

Reporting of Internal Auditor: The Internal Auditor of the Company directly reports to the Audit Committee.

(e) Material Subsidiary

During the period under review the Company does not have any material non-listed Indian subsidiary companies.

The Company has also formulated Policy on determining Material Subsidiaries as required under Listing Regulations, which is uploaded on the website of the Company www.deepenergy.ooo

(f) Details of utilization of funds raised through preferential allotment or qualified institutions placement:

During the F.Y. 2020-21, the Company has not raised funds through preferential allotment or qualified institutional placement as specified under Regulation 32(7A) of Listing Regulations.

(g) A certificate from a Company Secretary in practice as per Schedule V Para C clause (10) (i) of the Listing Regulations:

Pursuant to Regulation 34(3) and Schedule V Para C clause (10) (i) of the Listing Regulations, a certificate from M/s. Shilpi Thapar & Associates, Company Secretary in Practice, certifying that none of Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as directors of companies by the SEBI / Ministry of Corporate Affairs or any such statutory authority has been obtained and is annexed to this report.

(h) Confirmation by the Board of Directors acceptance of recommendation of mandatory committees:

During the F.Y. 2020-21, the Board has accepted all the recommendation of various committees of Board and specifically those which are mandatorily required to be accepted by the Board.

(i) Fees paid to the Statutory Auditors

Total fees for all services paid by the company and its subsidiaries on the consolidated basis to the statutory Auditors and all entities in the network firm/network entity of which the statutory auditor is a part is given below:

in Lacs

Payment to Statutory Auditors	F.Y. 2020-21
Audit Fees	5000/-

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Deep Energy Resources Limited (Formerly known as Deep Industries Limited)
Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Deep Energy Resources Limited (Formerly known as Deep Industries Limited) ("the Company"), which comprises of the balance sheet as at 31st March 2021, and the statement of Profit and Loss (including other comprehensive income), and the Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profits, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 4 of the standalone financial statements regarding outbreak of COVID-19 and the impact assessment made by the management on its business, operations and assets of the Company. As stated in the said Note, the unfolding events could in fact may end up being different but it is anticipated the same are unlikely to materially affect the business of the Company. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our opinion, there are no reportable Key Audit Matters for the standalone financial statements of the Company.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its financial statements;
 - ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
4. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company, if any, to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act except as mentioned above. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us. Our opinion is not modified in respect of this matter

Annexure- A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March 2021, we report that:

- (i) a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. The Company has a regular program of physical verification of its fixed assets. In accordance with this program, fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) As explained to us, the inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. Discrepancies noticed on physical verification of inventory as compared to book records were not material.
- (iii) The Company has not granted any loans secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, and therefore, the provisions of clauses (iii)(a) & (iii)(b) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits covered by the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- (vi) In our opinion and according to the information and explanations given to us and based on books of account, maintenance of cost records under section 148(1) of the Companies Act, 2013 is not applicable to the company and hence paragraph 3(vi) of the Order is not applicable.
- (vii)(a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, Goods and Service Tax and any other statutory dues with the appropriate authorities.

According to the information and explanations given to us, in our opinion no undisputed amounts payable in respect of statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Value Added Tax, Central Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess, Goods and Service Tax and other statutory dues applicable to it were in arrears as at the balance sheet date for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and records of the company examined by us, the following dues of income tax and duty of excise as at March 31, 2021 which have not been deposited by the Company on account of any disputes.

Name of Statute	Nature of Dues	Amount (` Lakhs)	Related Period	From where the dispute is pending
Finance Act, 1994	Service tax	96.36	F.Y. 2006-07 to 2011-2012	CESTAT, Ahmedabad
Finance Act, 1994	Service tax	51.97	F Y 2012-13 to 30.09.2014	CESTAT, Ahmedabad
Finance Act, 1994	Service tax	1.70	F Y 2009-10	CESTAT, Ahmedabad
Income Tax Act, 1961	Income-Tax	6.14	F Y 2013-14	CIT(A)
Income Tax Act, 1961	Income-Tax	46.81	F Y 2015-16	CIT (A)
Income Tax Act, 1961	Income-Tax	2.29	F Y 2016-17	CIT (A)

- (viii) In our opinion and according to the information and explanation given to us, the Company has not defaulted in repayment of dues to a financial institution, banks, Government or debenture holder during the year.
- (ix) In our opinion and according to the information and explanation given to us, the term loans were applied for the purposes for which loans were raised.
- (x) Based upon the audit procedures performed and according to the information and explanations given by the management, we report that no fraud on or by the Company has been noticed or reported during the course of our audit.

- (xi) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the company has not paid any remuneration to its directors during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Standalone financial statements as required by the applicable AS.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made preferential allotment of shares during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Deep Energy Resources Limited (Formerly known as Deep Industries Limited) ("the Company") as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed

risk. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2021**

1. CORPORATE INFORMATION

Deep Energy Resources Ltd (DERL) is a well diversified oil & gas company serving the industry since 1991 with business interests in Air and Gas compression, Gas Dehydration, Work over, Drilling and Oil & Gas Exploration and Production. DERL is the first company in India to provide high pressure Air and Gas compressors on charter hire basis. DERL is the largest Natural Gas Compression services provider in India and has also diversified into providing of work-over & Drilling services to exploration and production (E&P) players through its fleet of rigs.

2. BASIS OF PREPARATION

The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Statement of Compliance

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The standalone financial statements were approved for issue by the Company's Board of Directors on 10th June, 2021

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2A. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation – Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4

- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies - 3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use, along with effects of foreign exchange contracts and adjustments, arising from exchange rate variations, attributable to the fixed assets, of those contracts for which option under notification of Ind AS 21 was exercised. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period are set off from the interest expense accounted for as expenditure during the construction period. All these expenses are transferred to fixed assets on commencement of respective projects.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures it on the basis of discounted cash flows of next five years' projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

In respect of the subsidiaries assets at each balance sheet date, the impairment testing is based on the realizable value of underlying assets as tested by the Board of Directors of the subsidiary.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the 'OCI'). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

3.3 Foreign Currency Transactions

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. In case of items which are covered by forward exchange contract, the difference between year end rate and rate on the date of the contract is recognised as exchange difference and premium paid on forward contracts and option contract is recognised over the life of the contract. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise, except of those contracts for which option under notification of Ind AS 21 was exercised where they relate to acquisition of Fixed Assets, the difference arising a result in which case they are adjusted to the term loan liabilities account.

The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that give rise to the translation difference (i.e. translation difference on items whose gain or loss is recognized in other comprehensive income or the statement of profit and loss is also recognized in other comprehensive income or the statement of profit and loss respectively).

3.4 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Goods & Service Tax (GST), Service Tax is not received by the Company on its own account. Rather, it is tax collected on value added to the services by the Company on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized.

(i) **Service income:**

Service income is recognised as per the terms of contracts with the customers when the related services are performed or the agreed milestones are achieved and are net of service tax or GST, wherever applicable.

(ii) **Interest Income:**

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.

(iii) **Dividend income:**

Dividend income from investments is recognized when the Company's right to receive payment is established which is generally when shareholders approve the dividend.

(iv) **Other income** is recognised when no significant uncertainty as to its determination or realisation exists.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Company settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement~ and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- ii. the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the company to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company

in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

Inventories of spare parts and oil are valued at the lower of cost or net realizable value. The cost is determined by Moving Average method (eg: FIFO, WAM etc). The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

3.8 Employee benefits

- a. Short Term employee benefits are recognized as expense at undiscounted amount in the statement of profit and loss for the year in which the related service is rendered.
- b. Post employment and other long term benefits are recognised as an expense in the statement of profit and loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques at the end of Financial Year. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the statement of profit and loss.
- c. Payments to defined contribution retirement benefit scheme, if any, are charged as expense as they fall due.

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Company operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the company will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is "realized or the liability is settled, based on tax rates [and tax laws] that have been enacted or substantively enacted at the" reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes it down to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period and utilize the MAT Credit Entitlement.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the company during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

3.15 Trade Receivables

Trade Receivables are recognized initially at carrying value and subsequently re – measured at amount that would be actually received.

3.16 Leases:

The Company as a lessee

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has

substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straightline basis over the term of the relevant lease.

4. Impact of COVID – 19.

In March 2020, the World Health Organisation declared COVID-19 a global pandemic. Consequent to this, Government of India declared a nation-wide lockdown from 24th March 2020. Subsequently, the nationwide lockdown was lifted by the Government of India, but regional lockdowns continue to be implemented in areas with significant number of COVID - 19 cases. Although, the Company's operations remained stagnant during year, the Company remains watchful of the potential impact of COVID - 19 pandemic, particularly the current "second wave", on resuming normal business operations on a continuing basis. Accordingly, the Company has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available up to the date of approval of these financial statements, to determine the impact on the Company's revenue from operations for foreseeable future and the recoverability and carrying value of certain assets such as property, plant and equipment, investments, inventories, trade receivables and deferred tax assets. The impact of COVID - 19 pandemic on the overall economic environment being uncertain may affect the underlying assumptions and estimates used to prepare Company's financial statements. The Company continues its business operations, in line with the guidelines issued by the Government authorities and does not anticipate any challenge in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, the Company is closely monitoring the situation as it evolves in the future.

5. Scheme of arrangement.

- a. Deep Energy Resources Limited ('DERL') (Formerly Known as Deep Industries Ltd) and Deep Industries Ltd ('DIL') (Formerly Known as Deep CH4 Ltd) filed an application for sanctioning scheme of arrangement ("the Scheme") under section 230-232 of the Companies Act, 2013. Pursuant to the scheme for demerger, Oil and Gas Service Undertaking of DERL has been transferred to DIL with the appointed date of 1 April 2017. The Scheme was sanctioned by the National Company Law Tribunal ("NCLT") at Ahmedabad vide its order dated 17 March, 2020.
- b. The Scheme has accordingly been given effect to in the accounts effective from the Appointed Date being opening of business hours on 01st April 2017.
- c. Upon the Scheme coming into effect, the Demerged Company shall reduce the carrying value of assets and liabilities pertaining to the Oil and Gas Services Undertaking, transferred to and vested in the Resulting Company from the carrying value of assets and liabilities as appearing in its books.
- d. Loans and advances, receivables, payables and other dues outstanding between the Oil and Gas Services Undertaking and the Resulting Company, if any, will stand cancelled and there shall be no further obligation/ outstanding in that behalf.
- e. The difference, being the excess / shortfall of carrying value of assets over the carrying value of liabilities of the Oil and Gas Services Undertaking shall be debited / credited to Goodwill or Capital Reserve account, as the case may be.

- f. Upon the Scheme coming into effect, the Demerged Company (DERL) shall reduce the carrying value of assets and liabilities pertaining to the Oil and Gas Services Undertaking, transferred to and vested in the Resulting Company (DIL) from the carrying value of assets and liabilities as appearing in its books.

The particulars of assets and liabilities remained in DERL and remaining assets and liabilities has been transferred to DIL.

- (ii) The details of guarantees and collaterals extended by the related parties in respect of borrowings of the Company have been given at the respective notes.

Note: The above transactions excludes changes due to exchange rate fluctuation.

* These include Provident Fund paid / payable by the employer.

31. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

III. Description of significant unobservable inputs to valuation:

The following table shows the valuation techniques and inputs used for the financial instruments

	As at 31-03-21	As at 31-03-20
Other Non-Current Financial Assets Borrowings (Non-Current)	Discounted Cash Flow method using the risk adjusted discount rate	

No, financial instruments have been routed through Other Comprehensive Income and hence separate reconciliation disclosure relating to the same is not applicable.

32. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the specified reporting date.

Refer Note 19 for interest rate profile of the Company's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Company operates locally, however, the nature of its operations requires it to transact in INR and USD and consequently the Company is exposed to foreign exchange risk in USD.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies. Being net forex gainer Company is having natural hedge position in USD currency.

I. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

(₹ In lakhs)

Currency	2020-21		2019-20	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	-	-	-	-
Total	0.00	0.00	0.00	0.00

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. Almost all customers of the Company are either public sector undertakings or multinational Companies.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

I. Financial assets for which loss allowance is measured using 12 months Expected Credit Losses (ECL)

(₹ In lakhs)

Particulars	As at 31-03-2021	As at 31-03-2020
Non-current financial assets - Loans	-	-
Current financial assets - loans	-	-
Total (A)	-	-

II. Financial assets for which loss allowance is measured using 12 months Life Time Expected Credit Losses (ECL)

Trade Receivables	15.85	-
Total (A)	15.85	-

Grand Total (A+B)

Balances with banks are subject to low credit risks due to good credit ratings assigned to these banks.

III. The ageing analysis of these receivables (gross of provision) has been considered from the date the invoice falls due

Up to 3 months	10.61	-
3 to 6 months	5.24	-
More than 6 months	-	-
Total	15.85	-

IV. Provision for expected credit losses again "II" and "III" above

The company has assets where the counter- parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Company believes that, no impairment allowance is necessary in respect of above mentioned financial assets.

Liquidity Risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

Particulars	As at 31-03-2021			As at 31-03-2020		
	Less than 1 year	1 to 5 years	Total	Less than 1 year	1 to 5 years	Total
Non-current financial liabilities - Borrowings	-	-	-	-	-	-
Non-current financial liabilities - Others	-	-	-	-	-	-
Current financial liabilities - Borrowings	-	-	-	-	-	-
Current financial liabilities - Trade Payables	0.38	-	0.38	-	-	-
Current financial liabilities - Others	4.20	-	4.20	4.49	-	4.49
Total	4.58	-	4.58	4.49	-	4.49

Capital management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

ANNUAL REPORT 2020-21
DEEP ENERGY RESOURCES LIMITED
(Formerly known as Deep Industries Limited)

The company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

Particulars	As at 31-03-2021	As at 31-03-2020
Total Debt	-	-
Equity	3,200.00	3,200.00
Capital and net debt	3,200.00	3,200.00
Gearing ratio	0.00%	0.00%

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Deep Energy Resources Limited (Formerly known as Deep Industries Limited)
Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Deep Energy Resource Limited (Formerly known as Deep Industries Limited) ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2021, and its consolidated profit (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We further draw attention to Note - 4 of the Consolidated Financial Statements, which describes the uncertainties and the impact of COVID – 19 pandemic on the Company's operations and results as assessed by the management. Our opinion is not modified in respect of this matter.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors /management of the companies included in the Group, covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and

detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of utmost significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include unaudited financial statements of Deep Energy LLC, USA whose financial statements reflects total assets of ₹ 15.99 lakhs as at March 31, 2021, total revenue of ₹ Nil, net profit ₹ Nil for the year ended on that date, as considered in the financial results. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the statement, in so far it relates to the amount and disclosures included in respect of this subsidiary, is based on solely on such unaudited financial statements certified by the Management.

In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Report on Other Legal and Regulatory Requirements

1. As required by Section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 15, on separate financial statements of the subsidiaries, we report that the Holding Company and the subsidiaries, paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
2. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies, none of the directors of the Group companies, its associate companies and joint venture companies covered under the Act, are disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, and its subsidiary companies, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and also the other financial information of the subsidiaries:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group;
 - ii. Provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies, during the year ended 31 March 2021;
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company, if any, to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act except as mentioned above. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us. Our opinion is not modified in respect of this matter

Annexure-A to the Auditors' report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Deep Energy Resource Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls over Financial Reporting

Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

The internal financial controls over financial reporting in so far as it relates to Deep Energy LLC, USA, has not been audited and have been furnished to us by the Management and our opinion on the statement, in so far it relates to the adequacy and operating effectiveness of the internal financial control over financial reporting included in respect of this subsidiary, is based on solely on representations by the management.

In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

**NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2021**

1. GROUP OVERVIEW

The consolidated financial statements comprise financial statements of Deep Energy Resources Limited (DERL) [“the Parent”] and its Subsidiaries [collectively, “the Group”] for the year ended March 31, 2021. The Group operates as an integrated Group with business encompassing to serve the oil & gas industry. The service portfolio of the Group includes Oil & Gas Exploration and Production. The Parent’s shares are listed on the National Stock Exchange of India Limited [NSE] and BSE Limited. The registered office of the Parent is located at 12A & 14, Abhishree Corporate Park, Ambli Bopal Road, Ambli, Ahmedabad - 380058. These financial statements were authorized for issue in accordance with a resolution of the directors on June 10, 2021.

2. BASIS OF PREPARATION

The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Statement of Compliance

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The consolidated financial statements were approved for issue by the Company’s Board of Directors on 10th June, 2021.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3. BASIS OF CONSOLIDATION:

The consolidated financial statements comprise the financial statements of the Parent and its Subsidiaries as at March 31, 2021. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- a. Power over the investee [i.e. existing rights that give it the current ability to direct the relevant activities of the investee]
- b. Exposure, or rights, to variable returns from its involvement with the investee and
- c. The ability to use its power over the investee to affect its returns and

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- a. The contractual arrangement with the other vote holders of the investee.
- b. Rights arising from other contractual arrangements.
- c. The Group’s voting rights and potential voting rights.
- d. The size of the group’s holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Group, i.e., year ended on March 31. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary.

2A. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results.

Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies -3.1
- c) Estimation of defined benefit obligation – Refer accounting policies -3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies -3.12
- e) Recognition of revenue - Refer accounting policies - 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies -3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 &3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use, along with effects of foreign exchange contracts and adjustments, arising from exchange rate variations, attributable to the fixed assets, of those contracts for which option under notification of Ind AS 21 was exercised. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress

Capital work-in-progress represents directly attributable costs of Plant and Machinery installation including civil and foundation cost till the time project put to use. All other expenses including interest incurred during installation period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the installation as per Ind AS-23 "Borrowing Costs". All these expenses are transferred to fixed assets on commencement of respective projects.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Group measures it on the basis of discounted cash flows of next five years' projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

In respect of the subsidiaries assets at each balance sheet date, the impairment testing is based on the realizable value of underlying assets as tested by the Board of Directors of the subsidiary.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the 'OCI'). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

3.3 Foreign Currency Transactions

The Group's financial statements are presented in INR, which is also the Group's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. In case of items which are covered by forward exchange contract, the difference between year end rate and rate on the date of the contract is recognized as exchange difference and premium paid on forward contracts and option contract is recognized over the life of the contract. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Group's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise, except of those contracts for which option under notification of Ind AS 21 was exercised where they relate to acquisition of Fixed Assets, the difference arising a result in which case they are adjusted to the term loan liabilities account.

3.4 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Goods & Service Tax (GST), Service Tax is not received by the Group on its own account. Rather, it is tax collected on value added to the services by the Group on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized.

(i) **Service income:**

Service income is recognized as per the terms of contracts with the customers when the related services are performed or the agreed milestones are achieved and are net of service tax or GST, wherever applicable.

(ii) **Interest Income:**

For all deposit instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.

(iii) **Dividend income:**

Dividend income from investments is recognized when the Group's right to receive payment is established which is generally when shareholders approve the dividend.

(iv) **Other income** is recognized when no significant uncertainty as to its determination or realization exists.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Group settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest"[SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate[EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c. Derecognition:

A financial asset is primarily derecognized when:

- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement~ and either [a] the Group has transferred substantially all the risks and rewards of the asset, or [b] the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- The Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Group applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Group follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the group to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

Inventories of spare parts and oil are valued at the lower of cost or net realizable value. The cost is determined by Moving Average method (eg: FIFO, WAM etc). The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

3.8 Employee benefits

- a. Short Term employee benefits are recognized as expense at undiscounted amount in the statement of profit and loss for the year in which the related service is rendered.

- b. Post employment and other long term benefits are recognized as an expense in the statement of profit and loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amounts payable determined using actuarial valuation techniques at the end of Financial Year. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the statement of profit and loss.
- c. Payments to defined contribution retirement benefit scheme, if any, are charged as expense as they fall due.

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Group operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the group will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates [and tax laws] that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Group will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Group reviews the "MAT Credit Entitlement" asset at each reporting date and writes it down to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period and utilize the MAT Credit Entitlement.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, installation of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the group during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Group has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes a grouping to the financial statements.

3.15 Trade Receivables

Trade Receivables are recognized initially at carrying value and subsequently re – measured at amount that would be actually received.

3.16 Leases:

The Company as a lessee

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease

4. Impact of COVID – 19.

In March 2020, the World Health Organisation declared COVID-19 a global pandemic. Consequent to this, Government of India declared a nation-wide lockdown from 24th March 2020. Subsequently, the nationwide lockdown was lifted by the Government of India, but regional lockdowns continue to be implemented in areas with significant number of COVID - 19 cases. Although, the Company's operations remained stagnant during year, the Company remains watchful of the potential impact of COVID - 19 pandemic, particularly the current "second wave", on resuming normal business operations on a continuing basis. Accordingly, the Company has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available up to the date of approval of these financial statements, to determine the impact on the Company's revenue from operations for foreseeable future and the recoverability and carrying value of certain assets such as property, plant and equipment, investments, inventories, trade receivables and deferred tax assets. The impact of COVID - 19 pandemic on the overall economic environment being uncertain may affect the underlying assumptions and estimates used to prepare Company's financial statements. The Company continues its business operations, in line with the guidelines issued by the Government authorities and does not anticipate any challenge in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, the Company is closely monitoring the situation as it evolves in the future.

5. Scheme of arrangement.

- a. Deep Industries Limited ('DIL') and Deep CH4 Limited ('DCL') filed an application for sanctioning scheme of arrangement ("the Scheme") under section 230-232 of the Companies Act, 2013. Pursuant to the scheme for demerger, Oil and Gas Service Undertaking of DIL has been transferred to DCL with the appointed date of 1 April 2017. The Scheme was sanctioned by the National Company Law Tribunal ("NCLT") at Ahmedabad vide its order dated 17 March, 2020.
- b. The Scheme has accordingly been given effect to in the accounts effective from the Appointed Date being opening of business hours on 01st April 2017.
- c. Upon the Scheme coming into effect, the Demerged Company shall reduce the carrying value of assets and liabilities pertaining to the Oil and Gas Services Undertaking, transferred to and vested in the Resulting Company from the carrying value of assets and liabilities as appearing in its books.
- d. Loans and advances, receivables, payables and other dues outstanding between the Oil and Gas Services Undertaking and the Resulting Company, if any, will stand cancelled and there shall be no further obligation/ outstanding in that behalf.
- e. The difference, being the excess / shortfall of carrying value of assets over the carrying value of liabilities of the Oil and Gas Services Undertaking shall be debited / credited to Goodwill or Capital Reserve account, as the case may be.
- f. Upon the Scheme coming into effect, the Demerged Company (DIL) shall reduce the carrying value of assets and liabilities pertaining to the Oil and Gas Services Undertaking, transferred to and vested in the Resulting Company (DCL) from the carrying value of assets and liabilities as appearing in its books.

The particulars of assets and liabilities remained in DIL and remaining assets and liabilities has been transferred to DCL.

Assets	Amount (Rs. in Lacs)
Plant & Machinery	173.32
Capital Work In Progress	1,189.58
Investment	4,561.46
Current Assets	1,065.36
Other Assets	4,001.85
Total	10,991.57
Liabilities	
Equity Share Capital	3,200.00
Reserves & Surplus	34,627.44
Other Liability	4,985.86
Deferred Tax Liability	30.83
Total	42,844.13
Difference of Assets over Liabilities	31,852.56

Pursuant to the Scheme, the surplus of the assets over liabilities, appearing as Goodwill in DIL

Note: The above transactions excludes changes due to exchange rate fluctuation.

* These include Provident Fund paid / payable by the employer.

37. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

During the reporting period ending March 31, 2021, there were no transfers between Level 1 and Level 2 fair value measurements.

III. Description of significant unobservable inputs to valuation:

The following table shows the valuation techniques and inputs used for the financial instruments

	As at 31-03-21	As at 31-03-20
Other Non-Current Financial Assets Borrowings (Non-Current)	Discounted Cash Flow method using	the risk adjusted discount rate

No, financial instruments have been routed through Other Comprehensive Income and hence separate reconciliation disclosure relating to the same is not applicable.

38. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the specified reporting date.

Refer Note 19 for interest rate profile of the Company's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Company operates locally, however, the nature of its operations requires it to transact in INR and USD and consequently the Company is exposed to foreign exchange risk in USD.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies. Being net forex gainer Company is having natural hedge position in USD currency.

I. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	(` In lakhs)			
	2020-21		2019-20	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	0.00	-	0.00	-
Total	0.00	0.00	0.00	0.00

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. Almost all customers of the Company are either public sector undertakings or multinational Companies.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

(` In lakhs)

Particulars	As at 31-03-2021	As at 31-03-2020
I. Financial assets for which loss allowance is measured using 12 months Expected Credit Losses (ECL)		
Non-current financial assets - Loans	-	-
Current financial assets - loans	-	-
Total (A)	-	-
II. Financial assets for which loss allowance is measured using 12 months Life Time Expected Credit Losses (ECL)		
Trade Receivables	42.21	-
Total (A)	42.21	-
Grand Total (A+B)		
Balances with banks are subject to low credit risks due to good credit ratings assigned to these banks.		
III. The ageing analysis of these receivables (gross of provision) has been considered from the date the invoice falls due		
Up to 3 months	36.29	-
3 to 6 months	5.92	-
More than 6 months	-	-
Total	42.21	-
IV. Provision for expected credit losses against "II" and "III" above		

The company has assets where the counter- parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Company believes that, no impairment allowance is necessary in respect of above mentioned financial assets.

Liquidity Risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

Maturity profile of financial liabilities

Total	5,094.96	318.00	5,412.96	7,168.78	282.84	7,451.61

Capital management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

The company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

Particulars	As at 31-03-2021	As at 31-03-2020
Total Debt	292.98	333.84
Equity	3,200.00	3,200.00
Capital and net debt	3,492.98	3,533.84
Gearing ratio	8.39%	9.45%
