## Annexure - B to Directors' Report

### Corporate Governance

Company continues to lay great emphasis on the broad principles of Corporate Governance. The Company views corporate governance in its widest sense, almost like trusteeship. The Company's philosophy on corporate governance is to enhance the long-term economic value of the company, sustainable return to its stakeholders i.e. the society at large, by adopting best corporate practices in fair and transparent manner and by aligning interest of the company with that of its shareholders/ other key stakeholders. Corporate governance is not merely compliance and not simply creating checks and balances, it is an ongoing measure of superior delivery of company's objects with a view to translate opportunities into reality.

### Company's Philosophy on Corporate Governance

Your company's philosophy on corporate governance is very crystal clear and your directors at the Board level assume great faith in managing the affairs of the company as per the prudent norms of corporate governance suggested by SEBI. The reports of Directors on the practices of Corporate Governance in the Company are as follows:

### Board of Directors:

In keeping with the commitment of the management for the principle of integrity and transparency in business operations for good corporate governance, the Company's policy is to have an appropriate blend of executive and independent directors to maintain the independence of the Board, and to separate the Board functions of governance and management.

### Composition of Board

The Company's policy is to maintain optimum combination of Executive Directors, Non-Executive Directors and Independent Directors.

The Board of Directors presently consists of 6 (Six) Directors out of which 3 (Three) are Executive and 3 (Three) are Non-Executive Director with 1 (One) Non-Independent Women Director. ### **MANAGEMENT'S DISCUSSION AND ANALYSIS**

#### **Disclaimer**

Statements in the Directors' Report & Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make difference to the Company's operations include raw material availability and its prices, cyclical demand and pricing in the Company's principle markets, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other ancillary factors.

#### **Overall Review**

The Textile Industry in India is one of the oldest industry and the second largest employment provider in Indian economy dating back several centuries. Today it is extremely varied, with the hand-spun and hand-woven Textiles Sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum. Also the Government recognized the importance of the Textile Industry in India and has come up with a number of export promotion policies. The future for the Textile Industry in India looks promising, held up by both strong domestic consumption as well as export demand.

#### **Outlook**

A couple of major issues have impacted the country's textile and clothing sector in the past years. Indian Market Textiles Industry has an overwhelming presence in the economic life of the country. Apart from providing one of the basic necessities of life, the textile industry also plays a pivotal role through its contribution to industrial output, employment generation and export earnings of the country. India is the largest producer of cotton & jute in the world.

The domestic textiles and apparel industry contributes 5% to India's GDP, 7% of the country's manufacturing production and 12% of the country's export earnings.

The textiles and apparel industry in India is the second-largest employer in the country providing employment to 45 million people. It is expected that this number will increase to 55 million by 2021.

- FDI in the textiles and apparel industry has reached up to \$3.75 billion as of March 2021.
- Exports in the textiles and apparel industry are expected to reach \$65 billion by 2025-26 resulting in a tripling of Indian market share from 5% to 15%

However, as per the recent developments, the Indian economy has been hit hard by the COVID-19 pandemic. Due to the lockdown various transport facilities including trains and flights have been suspended which is expected to hurt domestic operations in India.

With the virus now also affecting and disrupting global supply chains and economy for almost 3 to 6 months now, the situation is having a severe implication on the Indian economy as well.

#### **Future Prospects**

The current times are highly uncertain. The pandemic has lasted for more than the expected period as it is. With these uncertainties in hand, it is hard to provide an accurate projection of the future prospects of the company.

The areas that would face the crisis created by COVID 19 pandemic are:

- Labour Force and Employment.
- Import & Exports of raw material and readymade garment.
- Cash flow constraints.
- Supply Chain Disruption.

#### **Consumer Sentiment**

If nationwide lockdown continues and the situation persists, that will impact consumer sentiment on the higher side, due to closure of market and mall also to maintaining the social distancing, safety and health.

The extent of the outbreak and lockdown would directly impact the length of the recovery cycle. However, the company being fully devoted to the investors and its workforce intends to do its best to minimize the impact of the said pandemic.

### Human Resources

The company is taking various initiatives to increase human resources for better productivity. To save on costs, the company is appointing non-experienced staff and taking initiatives for internal training and development of skills. This will help in enhancing their emotional and intellectual engagement with the company.

### Risk and Concerns

Business is exposed to external and internal risks. Some risks can be predicted and minimized with careful planning and implementing the measures to mitigate them, while some risks cannot be insured against.

Your company has been facing many risks including risk to run business due to shortage of working capital. The tight fund situation may affect company's plans to enlarge its business activities. Due to tight liquidity position, we are not able to lay hands on talented people in the industry.

The current COVID-19 pandemic poses a risk to the performance and the operations of the Company. However, your company is fully devoted towards mitigating and reducing its impact on the company.

### Internal Control Systems

Internal Controls in the Company have been designed to further the interest of all its stakeholders by providing an environment which is facilitative to conduct its operations. In doing so, the Company's Internal Control environment has evolved over a decade to take care of, inter alia, financial and operational risks. In-house independent Internal Audit team acts as a pillar to support the control objectives.

The Company also has a well-functioning Whistle Blower Policy in place to report any misdoing. Based on management's assessment and testing of controls, it is concluded that the Company has proper internal financial controls which are considered adequate and operating effectively.

### CAUTIONARY STATEMENT

Statement in Management Discussion and Analysis may be forward looking within the meaning of applicable securities laws and regulations. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. The Company assumes no responsibilities in respect of the forward looking statements herein, which may undergo changes in future on the basis of subsequent developments, information or events.

**Independent Auditor's Report**

**To**  
**The Members of**  
**Rotographics (India) Limited**

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the standalone financial statements of **Rotographics (India) Limited** ("the Company"), which comprise the standalone balance sheet as at 31 March 2021, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of the Auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

**Management's and Board of Directors' Responsibility for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of

the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.

Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of

most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. (A) As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.

## **Annexure-B to the Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the accompanying standalone financial statements of **Rotographics (India) Limited** ('the Company'), which comprise the balance sheet as at 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company, which is company incorporated in India, has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Significant Accounting Policies and Notes to Financial Statements

### 1. COMPANY OVERVIEW

Rotographics (India) Limited ("RGIL" or the company) is in the business of trading Industry sale and purchase of paper, steel, heavy machinery and fabric. The financial statements were authorised for issue in accordance with a resolution of the directors on 30<sup>th</sup> June, 2021.

### 2. BASIS OF PREPARATION AND USE OF ESTIMATES

#### 2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair Value Amount.

The Financial Statements of the Company have been prepared to comply with the Indian Accounting Standards (IND AS) including the rules notified under the relevant provision of the companies Act 2013.

### 3. SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### 3.2 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The fair value of plants and equipments as at transition date have been taken based on valuation performed by an independent technical expert. The Company used valuation techniques, which were appropriate in circumstances and for which sufficient data were available considering the expected loss/ profit in case of financial assets or liabilities.

#### 3.3 PROPERTY, PLANT AND EQUIPMENT

On transition to IND AS, the Company has adopted optional exception under IND AS 101 to measure Property, Plant and Equipment at fair value. Consequently the fair value has been assumed to be deemed cost of Property,

Plant and Equipment on the date of transition. Subsequently, Property, Plant and Equipment, other than land, are carried at cost less accumulated depreciation and accumulated impairment losses, if any. In case of land, it shall be carried at revalued amount, being its fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

## DEPRECIATION

Assets are depreciated to the residual values on a straight line basis over the estimated useful lives based on technical estimates which are different from one specified in Schedule II of the Companies Act, 2013. Asset's depreciation methods, residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Freehold land is not depreciated. Estimated useful lives of the assets are as follows:

Categories of Assets	Estimated useful life in years
Other equipment, operating and office equipment	
o Computer equipment	3-5
o Office furniture	5-8
o Office equipment	5-8

It is believed that the useful lives as given above represents the period over which management expects to use these assets.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

### 3.4 INVENTORIES

Inventories are valued at the lower of cost or net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods including freight, inventories recorded in the books as on 31<sup>st</sup> March, 2021 are based upon the physical verification done by management by actual count, weight or measurement.

### 3.5 FINANCIAL INSTRUMENTS – INITIAL RECOGNITION, SUBSEQUENT MEASUREMENT AND IMPAIRMENT

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### FINANCIAL ASSETS

##### (i) Initial recognition and measurement:

All financial assets are recognised initially at fair value and, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

##### (ii) Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

: Financial assets at fair value

: Financial assets at amortised cost

##### (iii) Classification:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

**(iv) Financial Assets measured at amortised cost:**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely for payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of profit and loss. This category generally applies to trade and other receivables.

**(v) Financial Assets measured at fair value through other comprehensive income (FVTOCI):**

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

**(vi) Financial Assets measured at fair value through profit or loss (FVTPL):**

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

**(vii) Investment in Equity Instruments:**

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income. There is no recycling of the amounts from other comprehensive income to profit or loss.

## **FINANCIAL LIABILITIES**

**(i) Initial recognition and measurement:**

All financial liabilities are recognised initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

**(ii) Classification & Subsequent measurement:**

If a financial instrument that was previously recognised as a financial asset is measured at fair value through profit or loss and its fair value decreases below zero, it is a financial liability measured in accordance with IND AS. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

## **3.6 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents in the balance sheet comprise cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management

## **3.7 PROVISIONS, CONTINGENT LIABILITIES, CONTINGENT ASSETS AND COMMITMENTS**

**(i) General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the

obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, the amount of a provision shall be the present value of expense expected to be required to settle the obligation. Provisions are therefore discounted, when effect is material, The discount rate shall be pre-tax rate that reflects current market assessment of time value of money and risk specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

## **(ii) Contingencies**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, Contingent assets are not recognised, but are disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

## **3.8 REVENUE RECOGNITION**

### **Sale of goods**

Revenue from the sale of goods is recognised, when the significant risks and rewards of ownership of the goods have passed to the buyer, as per the terms of Company and no significant uncertainty exists regarding the amount of consideration that will be derived from the sale of goods, usually on delivery of the goods. Revenue is recognized at the fair value of consideration received or receivable, net of returns and allowances trade discounts, volume rebates and outgoing sales tax and is recognized either on delivery or on transfer of significant risk and rewards of ownership of the goods.

## **3.9 EMPLOYEE BENEFITS**

No Contribution to Provident Fund and no provision for gratuity has been made since there is no employee covered under the Provident Fund Act and Payment of Gratuity Act.

## **3.10 TAXES**

### **(i) Income tax**

Income tax expense comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognised amounts; and
- Intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

### **(II) Deferred tax**

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilised.

Deferred tax relating to items recognised in other comprehensive income and directly in equity is recognised in correlation to the underlying transaction.

Deferred tax assets and liabilities are offset only if:

- Entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- Deferred tax assets and the deferred tax liabilities relate to the income taxes levied by the same taxation authority.

## EARNING PER SHARE

As per Ind AS 33, Earning per Share, Basic earnings per share are computed by dividing the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is receivable (generally the date of their issue) of such instruments.

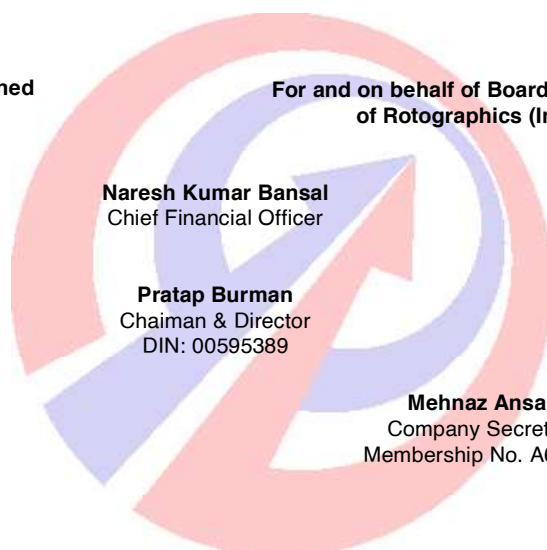

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

Previous Year Figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.
