## 21. INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AS UNDER:

- i. The voting period begins on 21<sup>st</sup> September, 2021 at 9:00 a.m. IST and ends on 23<sup>rd</sup> September, 2021 at 5:00p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 17<sup>th</sup> September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

## AUDITORS AND AUDITORS' REPORT

### Statutory Auditor

At the 34<sup>th</sup> AGM held on May 24, 2017 the Members approved appointment of M/s. KRA & Associates, Chartered Accountants (Firm Registration No. 002352N) as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that AGM till the conclusion of the 39<sup>th</sup> AGM, subject to ratification of their appointment by Members at every AGM, if so required under the Act. The requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the ensuing AGM.

The Report given by the Auditors on the financial statements of the Company is part of the Annual Report. There has been no qualification, reservation, adverse remark or disclaimer given by the Auditors in their Report except a comment as stated below:

Due to the upheaval caused by the pandemic and the general environment prevailing due to it, the Company inadvertently delayed the payment of RS. 2530/-, required to be transferred, to the Investor Education and Protection Fund by the Company. However, on this coming to light, the process has been initiated by the Company for immediate deposit of the same.

### Board's Explanation

Due to situation created by the pandemic, the transfer of the said amount was inadvertently missed due to oversight. The same however, has since been transferred.

## CORPORATE GOVERNANCE REPORT

Pursuant to Regulation 34 read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Report on Corporate Governance is as follows:

Corporate Governance is essentially a system by which Companies are governed and controlled by the management under the direction and supervision of the Board in the best interest of all stakeholders. It is not mere compliance of laws, rules and regulations, but also the application of best management practices and adherence to the highest ethical principles in all its dealings, to achieve the objects of the Company, enhance stakeholder value and discharge its social responsibility. Above all, it is a way of life, rather than merely a legal compulsion.

Your Company's philosophy on the Code of Governance is based on the belief that effective Corporate Governance practices constitute a strong foundation on which successful commercial enterprises are built to last. Good Corporate Governance is indispensable to resilient and vibrant capital markets and is, therefore, an important instrument of investor protection. Your Company lays great emphasis on a corporate culture of conscience, integrity, fairness, transparency, accountability and responsibility for efficient and ethical conduct of its business.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### OVERVIEW

Futuristic Solutions Limited is engaged in the industry deals in debts/ claims/arbitration. Its main business is to provide futuristic solutions of arbitration cases, recovery of disputed debts, purchase, sale, discounting and dealing in actionable claims, disputed debts, recoverable debts etc.

This Management Discussion & Analysis Report presents the key performance highlights of the year 2020-21 pertaining to the Company's business. This review should be read in conjunction with the Integrated Report presented in the earlier sections of this Annual Report, the Company's financial statements, the schedules and notes thereto and the other information included elsewhere in this Annual Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), complying with the requirements of the Company's Act 2013 and the guidelines issued by Securities and Exchange Board of India (SEBI).

### OUTLOOK

The functioning of the Company/recovery of claims was badly hit by the existing Pandemic situation as large portion of the Company's recoveries are pending in executions in various courts of the country and the functioning of the courts had come to a grinding halt during this period.

As the Pandemic situation improves and the institutions start functioning at the normal pace the Company hopes to recover its pending dues/claims at a fast pace thereby improving the book profit situation at the earliest.

### OPPORTUNITIES AND THREATS

The growth of the Company is subject to opportunities and threats as are applicable to the industry from time to time. The Company has risk management policy in place for risk assessment and treatment of the same.

Growth of the Company's asset book, quality of assets and ability to raise funds depend significantly on the economy. The performance of capital market in India has a direct correlation with the prospect of economic growth and political stability. With the Indian growth declining in the past year or two, the level of confidence of corporate has gone down which in turn has an impact on their expansion plans with the result that investment activity is at one of its lowest. Lack of determined action from Government to jump-start investment cycle and carry on the reforms may continue to affect the financial services sector. Despite great opportunities, there are significant factors presenting threats to our businesses:-

- Uncertainty of political situation in the country leading to concerns of diffused focus on growth and reforms;
- Slowing economy, tight monetary policy and continued high inflation leading to decelerating investment demand;
- Regulatory changes across the world impacting the landscape of business;

The likely increase in capital mobilisation from the primary market, increase in resource mobilisation by mutual funds and phenomenal growth in secondary market volumes provide significant business opportunities for the Company.

### RISK AND CONCERN

The Company is mainly exposed to market risk (including liquidity risk), interest risk and credit risk.

While risk is an inherent aspect of any business, the Company is conscious of the need to have an effective monitoring mechanism and has put in place appropriate measures for its mitigation including business portfolio risk, financial risk, legal risk and internal process risk.

## INDEPENDENT AUDITOR'S REPORT

### To The Members of Futuristic Solutions Limited Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Futuristic Solutions Limited** ("the Company"), which comprise the Balance sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the **Loss** (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, but does not include the financial statements and our auditor's report thereon. The Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Board's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable under the applicable laws and regulations.

#### Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

# FUTURISTIC SOLUTIONS LIMITED

---

---

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Change in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in

terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. Due to the upheaval caused by the pandemic and the general environment prevailing due to it, the Company inadvertently delayed the payment of RS. 2530/-, required to be transferred, to the Investor Education and Protection Fund by the Company. However, on this coming to light, the process has been initiated by the Company for immediate deposit of the same.
3. With respect to the matter to be included in the Auditors' report under Section 197(16) :
- In our opinion and according to the information and explanation given to us, the Company has paid or provided managerial remuneration to director of Rs 9.47 Lakhs during the year.

## **Annexure B to Independent Auditors' Report**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of FUTURISTIC SOLUTIONS LIMITED of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls over financial reporting of FUTURISTIC SOLUTIONS LIMITED ("the Company") as of March 31<sup>st</sup>, 2021, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)." These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# FUTURISTIC SOLUTIONS LIMITED

---

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

## Notes to Accounts to the financial statements for the year ended March 31, 2021

### CORPORATE INFORMATION

Futuristic Solutions Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Futuristic Solutions Limited was incorporated on September 23, 1983 as a public limited company. Its shares are listed on the Bombay Stock Exchange. The Company is registered as a Non-Banking Financial Company (NBFC) with Reserve Bank of India. During the year the Company was mainly engaged in provided recovery of disputed debts and granting of personal/business loans. The Company also engaged itself in buying loan portfolios from other NBFCs.

#### A Significant Accounting Policies

##### 1. Basis of Preparation & Compliance with IndAs

###### Basis of Preparation

The Financial Statements have been prepared under historical cost basis and comply with the provisions of Companies Act, 2013 (The "Act") and the rules made there under and recognized accounting policies including applicable Indian Accounting Standards (Ind AS) referred to in Section 133 of the Companies Act 2013. The Company prepares the accounts on accrual basis in accordance with the Generally Accepted Accounting Principles in India and the guidelines issued by the Reserve Bank of India, wherever applicable.

All income and expenditure having a material bearing on the financial statements are recognized on an accrual basis except in case of Non-performing assets and Dividends, where income is recognized as and when realized.

Up to the year ended 31st March, 2019, the Company prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements. The Company has followed the provisions of Ind AS 101- "First Time adoption of Indian Accounting Standards" (Ind AS 101), in preparing its opening Ind AS Balance Sheet. The date of transition to Ind AS is 1st April, 2018. Details of the exceptions and optional exemptions availed by the Company and principal adjustments along with related reconciliations are detailed in Note 33 (First-time Adoption). The financial statements are prepared in accordance with the going concern basis using historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

**Functional and Presentation Currency** These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakhs with two decimals.

**Operating Cycle** All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

##### 2. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

##### 3. Revenue Recognition

Items of Income and Expenditure are accounted for on accrual basis, except as otherwise stated. Income from Disputed Claims is recognized after the expiry of the limitation period for Appeal or disposal of appeal whichever is earlier. Cost of claim is set off against first recovery of the claim amount. Interest on investment is booked on a time proportion basis taking into account the amounts invested and the rate of interest. Dividend income on investments is accounted on receipt basis.

##### 4. Expenses

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

##### 5. Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP. Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalised. Expenses capitalised also include applicable borrowing costs for qualifying assets, if any. All upgradation/ enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss

# FUTURISTIC SOLUTIONS LIMITED

---

---

arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

## 6. Depreciation

Depreciation is provided on pro-rata basis on written down value method over the estimated useful life of the assets as provided in schedule II of the Companies Act 2013. Leasehold improvements are amortized over the period of lease.

## 7. Investments

Investments are classified into current and long term investments. Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments.

## 8. Inventories

Debts/Claims against which agreed amount has been fully paid is considered as inventory in the books of accounts. Further quoted/unquoted shares of other companies in which company ordinarily trade is considered as inventory as the activity is the main object of the company. Inventories are valued at lower of cost and estimated net realizable value after providing for cost of obsolescence and other anticipated losses wherever considered necessary. Cost for the purpose of valuation of share & claims computed on the basis of cost of stock & claim and other related expenses.

## 9. Taxation

**Current income tax** Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred Tax** Deferred tax is recognized, subject to the consideration of prudence, on the timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are not recognized on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

**Minimum Alternate Tax (MAT)** paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

## 10. Financial Instruments, Financial assets and Financial Liabilities

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

### Financial Assets

**Recognition:** Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

**Classification:** Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently

# FUTURISTIC SOLUTIONS LIMITED

---

---

measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

## **Financial Liabilities**

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

## **Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

## **11. Provision for liabilities and charges, Contingent liabilities and contingent assets**

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate. In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

## **12. Earnings Per Share**

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

## **13. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

## **14. Classification and provisioning as per RBI Guidelines**

As per the guidelines given in the Prudential Norms for Non-Banking Financial Companies prescribed by the Reserve Bank of India, the Company makes adequate provisions against Non-Performing Assets in the following manner; a. Standard Assets: Provision against Standard Assets is made at the rate of 0.25% as required by Paragraph 9A of the Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions 2007 read with Notification No. DNBS.222/CGM(US)-2011 issued by Reserve Bank of India on January 17, 2011.

## **15. Cash Flow Statement**

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Due to the nature of business of dealing in claims it is not possible to ascertain the net realizable value of the claims as these are purchased at discounted price and are generally under litigation. The inherent risk of losing the litigation /non-recovery of claim is a part of business risk. However, based upon past track record of the company and the due diligence done by the management at the time of takeover, the management considers that the net realizable value of the claims will be higher than the cost.

The company is dealing in quoted/ unquoted shares of other company as business activity permissible by main object clause of the MOA of the company. The share are treated as inventory and correspondingly previous year figure is also reclassified/ regrouped.

### Note 31 Financial Risk Management Objective And Policies

The company is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

#### a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings. The company is exposed to interest rate risk on variable rate bank overdraft facility. The company has elaborate risk management systems to inform Board members about risk management and minimization procedures.

The sensitivity analyses in the following sections relate to the position as at March 31, 2021 and March 31, 2020.

#### i. Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company is not exposed to any foreign currency risk as there is no transaction in foreign currency. Particulars of un-hedged foreign currency exposures as at the Balance Sheet date are NIL (previous year NIL). Hence, no further disclosure is required under this section.

#### ii. Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any changes in the interest rates environment may impact future rates of borrowing. The Company mitigates this risk by maintaining a proper blend of Fixed & Floating Rate Borrowings.

- Fixed Rate	-	-
- Floating Rate	-	198.72
<b>Total</b>	-	<b>198.72</b>

The Company regularly scans the Market & Interest Rate Scenario to find appropriate Financial Instruments & negotiates with the Lenders in order to reduce the effect Cost of Funding.

**Interest Rate Sensitivity:** The following table demonstrates the sensitivity to a reasonably possible change in interest rates on financial assets affected. With all other variables held constant, the Company's profit / (Loss) before tax is affected through the impact on finance cost with respect to our borrowing, as follows:

Particulars	As at March 31, 2021 (Rs. In Lakhs)	As at March 31, 2020 (Rs. In Lakhs)
Change(+) in basis points	25	25
Effect on profit before tax	-0.32	-0.48
Change(-) in basis points	25	25
Effect on profit before tax	0.32	0.48

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

### iii. Price Risk

The company is not exposed to any price risk as there is no investment in equities outside the group and the company does not deal in commodities.

### iv. Other Risk

The Company basis their assessment believes that the probability of the occurrence of their forecasted transactions is not impacted by COVID-19 pandemic. The Company has also considered the effect of changes, if any,

### b) Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments. To manage this, the Company periodically assesses the financial reliability & credibility of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company has well defined policy and expertise to minimize its risk of credit defaults. Outstanding customer receivables and advances are regularly monitored and assessed to assess the risk.

### Fair value hierarchy

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation techniques,

**Level 1:** Quoted prices (unadjusted) in the active markets for identical assets or liabilities.

**Level 2:** Other techniques for which all the inputs which have a significant effect on the recorded fair values are observable, either directly or indirectly

**Level 3:** techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

## Assumptions and valuation technique used to determine fair value

The following methods and assumptions were used to estimate the fair values

- a. Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b. Long-term variable-rate borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.

### B. Ind AS optional exemptions

#### 1. Deemed cost for property, plant and equipment and intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets. Accordingly, the Company has elected to measure all of its property, plant and equipment, and intangible assets at their previous GAAP carrying value.

#### 2. Designation of previously recognized financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI on the basis of the facts and circumstances at the date of transition to Ind AS. The Company has elected to apply this exemption for its investment in equity instruments other than investments in subsidiaries, associates and joint ventures.

### C. Ind AS mandatory exemptions

#### 1. Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 01, 2018 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP: **a)** Investment in equity instruments carried at FVTPL or FVOCI **b)** Impairment of financial assets based on expected credit loss model.

## 2. Classification and measurement of financial assets and liabilities

Classification of financial asset is required to be made on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Further, if it is impracticable for the Company to apply retrospectively the effective interest method in Ind AS 109, the fair value of the financial asset or the financial liability at the date of transition to Ind AS shall be the new gross carrying amount of that financial asset or the new amortised cost of that financial liability at the date of transition to Ind AS.

### Note 34 Segment Information

The Company was mainly engaged in provided recovery of disputed debts and granting of personal/business loans. The Company also engaged itself in buying loan portfolios from other NBFCs. Considering the nature of Company's business and operations, there are no separate reportable segments (business or geographical) in accordance with the requirements of Indian Accounting Standard 108 'Segment Reporting'. The Chief Operational Decision Maker(CODM) monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment. Hence, there are no additional disclosures to be provided.

## Note 45: Subsequent Event Disclosure

In March 2020, the World Health Organisation declared COVID 19 to be a pandemic. Consequent to this, Government of India declared a national lockdown on 25 March 2020, which has impacted the business activities of the Industry and accordingly the Company has also assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, tangible and intangible assets and other assets / liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has considered internal and external information available till the date of approval these financial statements and has assessed its situation. In that context and based on the current estimates, the Company believes that COVID 19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID 19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at the date of approval of these financial statements. The Company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant periods.
