28. Instructions for members for attending the AGM through VC/OVAM are as below:

Process for E-voting:

The Company has signed an agreement with Central Depository Services (India) Limited ("CDSL") for facilitating e-voting to enable the Members to cast their vote electronically.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on **Thursday, September 23, 2021 at 10.00 A.M.** and ends **on Sunday, September 26, 2021, at 05.00 P.M.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Monday, September 20, 2021** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OVERVIEW:

The operating and financial review in this discussion pertains to the management's perspective on the financial condition as well as the operating performance of the Company for the FY2020-21. The following discussion of the Company's financial performance result and operating results should be read in conjunction with the Company's Financial Statements and Notes thereto and other information included elsewhere in the Annual Report. The Company's Financial Statements were prepared in compliance with the requirements of the Companies Act, 2013.

Industry structure and developments

The manufacturing or any other business in the India except essential services had negative impact on them due to Coronavirus pandemic but after unlock stages when business started to boost again India's manufacturing sector recorded improvement from 3quarter onwards, no doubt economy of India stepped down a little but it will grow again. At the end of the financial year 2019-20 the world had witnessed the global pandemic COVID-19 which has shaken the economy not only of the India but also of the whole world in just few months and this also continued in the Financial year 2020-21 and continuously impacting every business. The losses this year were majorly due to the pandemic people at large suffer from the financial crisis and due to this there were lesser sales than the earlier year, pandemic impacted the stability, growth and profitability of the Company and increased the losses as fixed expenses cannot be reduced or skipped. The businesses and free movement of everyone was closed by the order of the State/Central Government to contain the spread of Corona Virus for several months and restarted all the operations and movements slowly by unlocking the country in stages with restrictions and guidelines to be followed.

The Management Discussion & Analysis Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India. The report herein presents the Company Overview, SWOT Analysis, Initiatives by the Company and overall outlook of the Company for the future. This outlook is based on the assessment of the current environment which may vary due to future economic and other developments in the universal arena.

COMPANY STRUCTURE AND DEVELOPMENTS

The Company adopted series of measures to boost its activities. But, due to non availability of strategic or financial partner, the unit cannot be yet revived in a full fledged way. In comparison to previous year, the sales of the Company was decreased in the year 2020-21 to Rs. 157,509/- as compare to previous year Rs. 2,037,788/- due to high manufacturing expenses, the Company had a loss of Rs. (2,255,759)/- in Financial Year 2020-2021

whereas during Financial Year 2019-2020, the Net Loss of the Company was Rs. (2,763,895)/-.

The Company is suffering from losses and even could not able to afford the fixed expenses of the factory unit but it's just trying its best to cope up everything with small amount of sales.

In spite of the above, the Company has not lost its hope to get a financial partner and our assiduous efforts continue for the same. The Company is looking for a strong future ahead and targeting the significant growth in the next year. Its future aim is to improve its financial position.

Independent Auditor's Report

To
The Members of High Street Filatex Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of High Street Filatex Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter paragraph

Attention has to be drawn to Note No. 39 to the standalone financial statements regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and the assessment made by the management on its business and financials, including valuation of assets, policy liabilities and solvency for the year ended 31st March, 2021, this assessment and the outcome of the pandemic is as made by the management and is highly dependent on the circumstances as they evolve in subsequent periods.

Our opinion is not modified on the above matter.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not

include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- Due to the nation-wide lockdown imposed, we were unable to participate in the physical verification of inventory and fixed assets that were carried out by the management subsequent to the closure of the financial year. Consequently, we have carried out alternate audit procedures in order to verify the existence of the same as per the guidance provided in SA 501, "Audit evidence - Specific considerations for selected items" and have obtained sufficient and appropriate audit evidence to issue an unmodified opinion on these standalone financial results.

Our opinion is not modified in this respect.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013 we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on

its financial position in financial statement. Refer note 29 to the Financial Statements

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure- B To the Independent Auditor's Report of even date to the members of High Street Filatex Limited., on the financial statements for the year ended 31 March 2021

Independent Auditor Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

1. In conjunction with our audit of the financial statements of **High Street Filatex Limited** ('the Company') as at and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of Internal financial controls over financial reporting, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of Internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over

Financial Reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls

Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Notes to the Financial Statements for the Year ended March 31, 2021

1.1. Corporate and General Information's

High Street Filatex Limited is incorporated in India on May 24, 1994. The company is engaged in the business of manufacturing and trading of Knitted socks, head band and wrist band and trading in yarn and commodities.

These financial statements were approved and adopted by Board of Directors of the company in the Board Meeting dated June 24, 2021.

1.2. Basis of Preparations

These financial statements have been prepared Indian Accounting Standard (Ind AS) as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) rules as amended from time to time.

The preparation of the financial statements requires management to make estimates, judgements and assumptions. Actual results could vary from these estimates. The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Notes on critical accounting estimates, assumptions and judgements). The management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

1.3. Statement of Compliance

The financial statements comprising of the Balance Sheet, Statement of Profit and Loss, Statement of changes in equity, Statement of Cash Flow together with notes comprising a summary of Significant Accounting Policies and Other Explanatory Information for the year ended 31st March 2021 and comparative information in respect of the preceding period have been prepared in all material aspects in accordance with IND AS as notified and duly approved by the Board of Directors and audit committee, along with proper explanation for material departures.

1.4. Summary of Significant Accounting Policies

The financial statements have been prepared using the significant accounting policies and measurement basis summarized below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions.

The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are in Rupee, except as stated otherwise.

a. Current versus non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a.) Expected to be realised or intended to be sold or consumed in normal operating cycle,
 - b.) Held primarily for the purpose of trading
 - c.) Expected to be realised within twelve months after the reporting period, or
 - d.) Cash or cash equivalent unless restricted from being exchanged or used to settle liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is classified as current when it is:

- a.) Expected to be settled in normal operating cycle
- b.) Held primarily for the purpose of trading,
- c.) Due to be settled within twelve months after the reporting period, or
- d.) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

Accordingly, Project related assets & liabilities have been classified in to current & noncurrent based on operating cycle of respective projects.

All other assets and liabilities have been classified into current and noncurrent on a period of twelve months.

Deferred tax assets and liabilities are classified as non-current assets and liabilities."

b. Inventories

Finished goods:

Finished goods are valued at lower of cost or net realizable value. Cost includes direct materials and labor and a portion of manufacturing overhead based on normal operating capacity. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Finished Goods are measured at average cost.

WIP and Stores & Spares:

Raw materials, components, stores and spares and work-in progress are valued at cost.

c. Statement of cash flows

Cash flows are reported using the method as prescribed in IND AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

d. Prior period errors

Prior period errors include omissions and misstatements arising from a failure to use reliable information that was available or could have been obtained when financial statements for those periods were approved for issue.

Prior period errors relating to the last comparative period will be shown by restating the comparative figures of Balance sheet and Profit and loss, wherever necessary. Thus, it will be disclosed in the comparative financial statements as if the error had not even occurred.

e. Revenue recognition and other income

Revenue on sale of Products

- The Company recognizes revenues on accrual basis and measured it at the fair value of the consideration received or receivable, net of discounts, volume rebates, GST.
- Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers'
- Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.
- The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Other income

• Interest

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of financial asset to that asset's net carrying amount on initial recognition.

• Dividend

Dividend income is recognized when the right to receive dividend is established.

f. Property, plant and equipment

Property, plant and equipment are tangible items that:

- (a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and
- (b) are expected to be used during more than one period.

On transition to IND AS, the Company has adopted optional exemption under IND AS 101 for carrying amount of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Capital work-in-progress includes cost of assets at sites, construction expenditure and interest on the funds deployed.

Depreciation on Property, Plant and equipments

Assets are stated at cost less accumulated depreciation/amortization /deletion and impairment loss, if any. Depreciation is charged on the basis of Straight Line Method over the estimated useful lives based on technical estimates. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Freehold land and land exceeding 90 years lease are not depreciated. Estimated useful lives of the assets are as follows:

Categories of Assets	Estimated of useful life (in years)
- Office Building	30
- Plant and Machinery	15
- Office equipment, operating and others	5
- Computer equipment	3-6
- Office furniture and equipment	10
- Vehicles	10

Other Assets

- (i) Cost of leasehold Improvements is amortized over the lease period,
- (ii) Other Tangible assets - Useful lives as specified in Schedule II of Companies Act 2013,
- (iii) Buildings being used for project purpose are amortized over the expected period of project completion.
- (iv) Assets costing up to Rs.5000/- are fully depreciated in the year of purchase only.
- (v) Intangible assets are amortized over a period of five years.

g. Leases

The company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment in assessing the lease term (including the anticipated renewals) and the application discount rate.

The company determines the lease term as the non-cancellable period of lease, together with both period of lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the company is reasonably certain to exercise an option to extend lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the company to exercise an option to extend lease, or not to exercise an option to terminate the lease. The company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

h. Employee benefits

Short - term Employee Benefits:-

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognised in the period in which the employee renders the related services. The Company recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability after deducting any amount already paid.

Post-employment Benefits:-

Defined Benefit Plan and Other Long-Term Benefits: Retirement benefits in the form of gratuity is determined on the basis of an actuarial valuation using the projected unit credit method as at Balance Sheet date.

Other long-term benefits in the form of leave encashment is provided based on the percentages notified by Government guidelines.

Provision for gratuity is made on the basis of actual accrued liability if any.

i. Borrowing cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing cost are charged to revenue.

j. Earnings Per Share

Basic earnings per share are computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.

Diluted Earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity share which could have been issued on conversion of all dilutive potential equity shares.

k. Impairment of non-financial assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

l. Provisions and contingencies

(i) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

(ii) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the books of the accounts but are disclosed in Board Report. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset and the corresponding income is booked in the Statement of Profit and Loss.

m. Taxation

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or other comprehensive income, in such cases the tax is also recognized directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognized in equity or other comprehensive income is also recognized in equity or other comprehensive income, such change could be for change in tax rate.

(i) Current Tax

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

(ii) Deferred Tax

Deferred tax is recognized on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilized. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

n. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

o. Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the instruments.

(i) Financial Assets

Financial Assets are measured at amortized cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivable are measured at amortized cost using the effective interest methods, less any impairment. Interest income is recognized by applying the effective interest rate, except for short-term receivable when the recognition of interest would be immaterial.

Subsequent measurements of financial assets are dependent on initial categorization. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

(ii) Financial Liabilities

At initial recognition, all financial liabilities other than fair valued through profit and loss are recognized initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss.

• Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

• Financial liabilities measured at amortized cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate method ("EIR") except for those designated in an effective hedging relationship. The carrying value of borrowings that are designated as hedged items in fair value hedges that would otherwise be carried at amortized cost are adjusted to record changes in fair values attributable to the risks that are hedged in effective hedging relationship.

1) Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

2) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) De-recognition of financial Assets and Financial liability

A Financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other income or finance costs.

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires, or when it transfer the financial asset and substantially all the risks and rewards of ownership of the assets to another entity.

Offsetting financial assets and liabilities

There are no financial assets or financial liabilities which are subject to offsetting as at March 31, 2021 and March 31, 2020 since, the entity neither has enforceable right or an intent to settle on net basis or to realise the asset and settle the liability simultaneously. Further, the Company has no enforceable master netting arrangements and other similar arrangements as at March 31, 2021 and March 31, 2020.

p. Asset held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell. Any resulting impairment loss is recognized in the Statement of Profit and Loss. On classification as held for sale the assets are no longer depreciated.

q. Segment reporting

The Company identifies primary segments based on nature of products and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the managing board in deciding how to allocate resources and in assessing performance.

r. Fair value Measurement

The Company measures financial instruments, such as investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a nonfinancial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- (b) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- (c) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

s. Exceptional items

Exceptional items comprise items of income and expense, including tax items, that are material in amount and unlikely to recur and which merit separate disclosure in order to provide an understanding of the Group's underlying financial performance

1.5. Critical accounting estimates, assumptions and judgments

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectation of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

In the process of applying the accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements:

(i) Income taxes

"Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements."

(ii) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iii) Property, plant and equipment

Management assesses the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

1. Pursuant to Schedule 2 of Companies Act, 2013 and rules made thereunder, residual life of all depreciable assets has been worked out in line with recommended useful life. All assets except building are past their useful life and hence their carrying value has been considered Nil. For building salvage value is estimated at Rs. 399779 (@ 3% of original cost of the building. The total useful life of building is estimated as 30 years and hence, the remaining life as on 31st March, 2014 is 11.41 years and depreciation has been adjusted accordingly. Similarly the depreciation on revalued portion of building has also been recomputed and is reduced from revaluation reserve.

2. The Leasehold land was allotted on 99 year lease w.e.f. 4/10/1991 by RIICO.

3. In terms of decision of Board of Directors, revaluation of Land and Building of the company was got done during 2008-09 by approved valuer so as to represent the true realizable value of assets. The cost of acquisition in case of land and written down value in case of building was substituted with value arrived as per revaluation report and the difference was credited to Revaluation reserve. Accordingly depreciation is calculated on revalued portion of building, As per schedule 2 of Companies act 2013, as adjusted to write off the entire value in residual life and the same has been shown reduced from revaluation reserve.

25 Financial risk management

25.1 Financial risk factors

The Company's principal financial liabilities comprise unsecured borrowings and trade payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, and cash that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

i) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2021 and March 31, 2020.

(ii) Liquidity risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below provides amortised value of cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

(iii) Credit Risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to wholesale customers including outstanding receivables"

25.2 Capital risk management

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The primary objective of the Company's capital management is to maximize the shareholder value. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. No changes were made in the objectives, policies or processes during the year ended March 31, 2021 and March 31, 2020.

For the purpose of the Company's capital management, capital includes issued capital, and all other equity reserves. Net debt includes, interest bearing loans and borrowings less cash and short term deposits.

The Company monitors capital using gearing ratio, which is net debt divided by total capital plus total debt.

During 2020-21, the company's gearing ratios at March 31, 2021 and March 31, 2020 were as follows:

Particulars	As at March 31, 2021	As at March 31, 2020
Loans and borrowings	27,800,000	27,800,000
Less: Cash and cash equivalents	47,729	53,762
Net Debt (A)	27,752,271	27,746,238
Total Capital	(9,521,409)	(7,265,650)
Capital and net debt (B)	18,230,862	20,480,588
Gearing ratio (A/B)	1.52	1.35

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

26 Fair value measurement

28 Impairment of Assets

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the assets recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

39 COVID-19

Due to the outbreak of COVID-19 globally and in India, the company has made initial assessment of likely adverse impact on the economic environment in general and financial risks on account of COVID-19. The company is engaged in the manufacturing and trading of Knitted socks, head band and wrist band and trading in yarn and commodities. Despite the industry has effected due to the COVID-19 Outbreak, the company's management is of the view that it will not affect the going concern of the company, since the company has established reputation in the country and can serve the market. However, for the short term period the revenue is expected to be lower and accordingly, the company has to operate at such lower profits for some time.

The management has considered the possible effects that may result from the pandemic related to COVID-19 on carrying amount of trade receivables and inventories. In developing the assumption, estimates relating to the uncertainties at the balance sheet date in relation to the recoverable amount of these are set. The management has considered the global economic conditions prevailing at the date of approval of these financial results and has used the internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic.
