This is to request to you that I have sent my physical share of Allahabad bank to Karvy Stock Broking Limited for dematerialising it.

There were some issues due to which it was sent back to my official address mentioned below, but somehow these original share document along with forms of Karvy etc. have been lost in transit.

I have tried my level best to find out, but unfortunately all my efforts have gone down. I am having the Xerox copies of the original shares sent to Karvy for Demat purpose.

I want to get these physical shares to Demat into my account, but since the original have been lost in transit, I am unable to do so.

Kindly guide as to how I can get a duplicate copy of these documents from Allahabad Bank again.

I am sharing the Folio & other details in the mail. Would request to please help me out ASAP.
