New Delhi, November 14

IN A MORALE booster for the Narendra Modi government, the Supreme Court on Thursday dismissed the review petitions against its December verdict in the Rafale deal for lack of merit and also refused to direct registration of a FIR into the ₹58,000-crore deal. Reiterating its stand, the SC said it "did not consider it appropriate to

embark on a roving and fishing enquiry". "We decline to, once again, embark on an elaborate exercise of analysing each clause, perusing what may be the different opinions, then taking a call whether a final decision should or should not have been taken in such technical matters," it said.

Central Bank of India clarified in an exchange filing the divergence in gross NPAs was ₹2,565 crore while for net NPAs, it was ₹1,777 crore. RBI assessed the lender's gross NPAs at ₹34,921 crore and net NPAs at ₹13,110 crore.
