Encl.: As above

PRESS RELEASE

Inox Green Energy Services Ltd's (IGESL) subsidiary I-Fox Windtechnik receives LoA from NLC India for the restoration of 33 WTGs

Noida, March 19, 2024: Inox Green Energy Services Ltd (IGESL), India's leading wind power operations and maintenance ("O&M") service provider, announced today that its subsidiary I-Fox Windtechnik India Private Limited (I-Fox) has won an order from NLC India Ltd. (NLCIL), a Navratna PSU of Govt of India, for the restoration of 33 wind turbine generators (each 1.5 MW) of NLCIL's wind power plant located in Tenkasi District in the state of Tamil Nadu. The scope of the contract comprises supplies of materials/spares and other activities for the restoration of the 33 WTGs within a period of 8 months, with a revenue realisation of ~ INR 39.5 crores (inclusive of taxes) during the contract period.

Mr. SK Mathu Sudhana, CEO of IGESL, on this occasion, remarked, "We are delighted to receive another order from NLC India, a Navratna PSU, after securing the contract for comprehensive O&M of 51MW WTGs for 5 years during the last year. This order demonstrates the faith which our clients have shown in our diversified service offerings and is a testament to the capabilities which we have built over the years. This is another important landmark in the growth journey of IGESL as well as of our subsidiary I-Fox Wind, and we are progressing well on our targets on all fronts."

ABOUT INOX GREEN ENERGY SERVICES LIMITED:
