PERFORMANCE HIGHLIGHTS

CHAIRMAN'S ADDRESS

Dear Shareholders,

Rules are being rewritten!

As the country is reeling under pandemic Covid-19, it has disrupted our collective sense of the 'normal'. It continues to overturn many of the assumptions we had been living with and has highlighted a greater need for pragmatism and resilience while dealing with a pandemic of this scale. We have started the current Financial Year with a strong sense of hope and optimism. This is not just because of the success in speedy development of the vaccine. It is also to celebrate, for having endured, survived, and overcome the challenge of a grave pandemic.

On the business front, your company weathered the pandemic well. It adapted quickly and embraced a new operating model that prioritized the health and wellbeing of its employees, while continuing with its business operations. Your company has been guided by a set of strong beliefs, right from the time it was founded. Belief in our core values, belief in customer centricity, belief in empowering people, belief in doing ethical business. ***Your Company remained true to its brand statement- 'Adding Values to Value'!***

Investment Banking continues to be the focus area for the Company as a one –stop solution for major value added services. The services covered include merchant banking, loan syndication, financial restructuring, resolution of stressed assets, merger amalgamation, and placement of securities. Income therefrom was Rs. 652.43 lacs as against Rs. 1185.76 lacs during the previous year, registering a decline of 44.97% due to the

repercussions of ongoing pandemic. The Income from Capital Market activities stood at Rs. 826.33 Lacs as against Rs. (776.53) Lacs in the previous year, registering an increase of 206.41% due to the upsurge in capital market and financial variables becoming even more volatile in these unusual times.

During the year under review, your Company's Total Income stood at Rs. 1993.17 Lacs as against Rs. 1801.18 Lacs in the previous year. While Net Profit for the year under review stood at Rs. 833.02 Lacs as against Net Loss of Rs. 354.85 Lacs in the previous year, the Earnings Per Share for the Financial Year 2020-21 was Rs. 10.43 as against Rs. (4.44) in the previous year.

The Company's principal sources of liquidity are cash, cash equivalents and the cash flow that is generated from operations. The Company continues to focus on operating cash flows, has no outstanding borrowings and it believes that the working capital is sufficient to meet its current requirements.

We are entering FY 2022 with growth momentum and with much better visibility for future growth than we did last year. Together, we will continue to innovate, remain alert and consistent, and sustain our record of success. On behalf of the Board of Directors, I thank you for your perseverance and support and wish you all safety and good health.

Warm Regards,

R. L. Gaggar

Chairman

Date: 24th June, 2021

Notes:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (the “MCA”) vide its General Circulars No. 14/2020, No. 17/2020 and No. 20/2020 dated April 8, 2020, April 13, 2020 and May 5, 2020 respectively and by General Circular No. 02/2021 dated January 13, 2021 (hereinafter, collectively referred as the “MCA Circulars”) read with the SEBI Circulars No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 and No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated May 12, 2020 and January 15, 2021 respectively (hereinafter, collectively referred as the “SEBI Circulars”) have allowed companies to conduct their annual general meetings through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), thereby, dispensing with the requirement of physical attendance of the members at their AGM and accordingly, the 32nd Annual General Meeting (the “AGM” or the “32nd AGM” or the “Meeting”) of Sumedha Fiscal Services Limited (the “Company”) will be held through VC or OAVM in compliance with the said circulars and the relevant provisions of the Companies Act, 2013 (as amended) (the “Act”) and the rules made thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (the “Listing Regulations”). Members attending the AGM through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

- 2. IN TERMS OF THE MCA CIRCULARS AND THE SEBI CIRCULARS, THE REQUIREMENT OF SENDING PROXY FORMS TO HOLDERS OF SECURITIES AS PER PROVISIONS OF SECTION 105 OF THE ACT READ WITH REGULATION 44(4) OF THE LISTING REGULATIONS, HAS BEEN DISPENSED WITH. THEREFORE, THE FACILITY TO APPOINT PROXY BY THE MEMBERS WILL NOT BE AVAILABLE AND CONSEQUENTLY, THE PROXY FORM AND ATTENDANCE SLIP ARE NOT ANNEXED TO THIS NOTICE CONVENING THE 32ND AGM OF THE COMPANY (THE “NOTICE”).**

However, in pursuance of Section 113 of the Act and Rules framed thereunder, the corporate members are entitled to appoint authorized representatives for the purpose of voting through remote e-Voting or for the participation and e-Voting during the AGM, through VC or OAVM. Institutional Shareholders (i.e., other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF / JPG Format) of the relevant Board Resolution / Power of Attorney / appropriate Authorization Letter together with attested specimen signature(s) of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer through e-mail at investors@sumedhafiscal.com.

- 3.** Since the 32nd AGM will be held through VC or OAVM, no Route Map is being provided with the Notice. The deemed venue for the 32nd AGM shall be the Registered Office of the Company.
- 4.** In case of Joint-holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
- 5.** Necessary information of the Director retiring on rotation, as required under Regulation 36(3) of the Listing Regulations and the Revised Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) is appended to the Notice. Since there is no Special Business to transact, Statement pursuant to Section 102 of the Act and the rules made thereunder setting out the material facts and the reasons for resolutions therein has not been provided.
- 6.** Dispatch of Annual Report through E-mail:
In accordance with the MCA Circulars and the SEBI Circulars, the Notice alongwith the Annual Report of the Company for the financial year ended March 31, 2021, will be sent only through e-mail, to those Members whose e-mail addresses are registered with the Company or the Registrar and Share Transfer Agent (the “RTA”), i.e., **Maheshwari Datamatics Pvt. Ltd.** or the Depository Participant(s). The Notice and the Annual Report for the financial year ended March 31, 2021 shall be available on the websites of the Company viz., www.sumedhafiscal.com and the Stock Exchanges where Equity Shares of the Company are listed. The Notice shall also be available on the e-Voting website of the agency engaged for providing e-Voting facility, i.e., Central Depository Services (India) Limited (CDSL), viz., www.evotingindia.com
- 7.** The **Register of Members** and Share Transfer Books of the Company **will remain closed from Saturday, September 11, 2021 to Friday, September 17, 2021** (both days inclusive).
- 8.** Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL. The Board has appointed Mr. Ashit Kumar Labh, Company Secretary in Practice (Membership No. 32891; C.P. No. 14664), to act as the Scrutinizer, to scrutinize the entire e-voting process in a fair and transparent manner.
- 9. Remote e-voting will commence at 9.00 a.m. on Tuesday, 14th September, 2021 and will end at 5.00 p.m. on Thursday, 16th September, 2021**, when remote e-voting will be blocked by CDSL.
- 10.** Voting rights will be reckoned on the shares registered in the name of the Members on **10th September, 2021 (cut-off date)**. Only those Members whose names are recorded in the Register of Members of the Company or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date will be entitled to cast their votes by remote e-voting or e-voting during the AGM. A person who is not a Member on the cut-off date should accordingly treat this Notice as for information purposes only.

11. The dividend, as recommended by the Board, if approved at the AGM, in respect of equity shares held in electronic form will be payable to the beneficial owners of shares as on Friday, September 10, 2021 (Record date) as per the downloads furnished to the Company by Depositories for this purpose. In case of shares held in physical mode, the dividend will be paid to the shareholders, whose names shall appear in the Company's Register of Members as on Friday, September 10, 2021. The final dividend will be paid on and from September 23, 2021.
12. Pursuant to the Income-tax Act, 1961 ("the IT Act") read with the Finance Act, 2020, dividend income is taxable in the hands of the Members with effect from 1st April, 2020 and the Company is required to deduct tax at source from such dividend at the prescribed rates. A communication providing information and detailed instructions with respect to tax on dividend for the financial year ended 31st March, 2021 is being sent separately by the Company to the Members.
13. Unclaimed dividend for the financial year ended 31st March, 2014 and the shares in respect of which dividend entitlements remain unclaimed for seven consecutive years will be due for transfer to the Investor Education and Protection Fund of the Central Government on 20th October, 2021, pursuant to the provisions of Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016. Members are requested to claim the said dividend, details of which are available on the Company's corporate website www.sumedhafiscal.com under the section <COMPLIANCE>. The Company will not be able to entertain any claim received after 5th October, 2021 in respect of the same.
14. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of 32nd AGM, i.e. September 17, 2021. Members seeking to inspect such documents can send an email to investors@sumedhafiscal.com.

15. CDSL e-Voting System – For e-Voting and joining AGM

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
5. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.sumedhafiscal.com. The Notice can also be accessed from the website of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
6. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

In continuation, Ministry's General Circular No. 20/2020, dated 05th May, 2020 has allowed companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:

- (i) The voting period begins on Tuesday, 14th September, 2021 at 9.00 a.m. and ends on Thursday, 16th September, 2021 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, 10th September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

The details of this policy have been posted on the website of the Company http://www.sumedhafiscal.com/remuneration_policy.pdf.

The Remuneration Policy has also been outlined in the Corporate Governance Report forming part of this Annual Report.

Particulars of Contract or Arrangements made with Related Parties

Particulars of contracts or arrangements with related parties referred to in Section 188(1) of the Companies Act, 2013, in the prescribed Form AOC-2, is appended as **Annexure IV** to the Board's Report. There have been no other materially significant related party transactions, monetary transactions or relationships between the Company and its directors, the Management, subsidiaries or relatives during the year, except as appended aforesaid which was approved by the shareholders.

The Company has formulated a policy on materiality of related party transactions and also on dealing with related party transactions. The policy is available on the Company's website - http://www.sumedhafiscal.com/policy_on_rpt.pdf. The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties.

All Related Party Transactions are placed before the Audit Committee (for approval) as well as the Board of Directors, on a quarterly basis. There has not been any Omnibus approval for such transactions pursuant to Regulation 23 of the Listing Regulations, 2015.

Risk Management Policy and Internal Financial Control

The Company has a risk management policy, the objective of which is to lay down a structured framework for identifying potential threats to the organisation on a regular basis, assessing likelihood of their occurrence, designate risk owners to continually evaluate the emergent risks and plan measures to mitigate the impact on the Company, to the extent possible. The framework and the system are reviewed from time to time to enhance their usefulness and effectiveness. The policy recognizes that all risks in the business cannot be eliminated but these could be controlled or minimised through effective mitigation measures, effective internal controls and by defining risk limits.

A comprehensive Risk Management Framework has been put in place for each of the businesses segments of the Company which is stringently followed for the management of risks, including categorisation thereof based on their impact on the organisation. Such categorisation gives highest weightage to the risks which have the potential to threaten the existence of the Company. The risks with higher severity receive more attention and management time and it is the endeavour of the Company to strengthen internal controls and other mitigation measures on a continuous basis to improve the risk profile of the Company.

Risk Management System has been integrated with the requirements of internal controls as referred to in Section 134(5)(e) of the Companies Act, 2013 to evolve risk related controls.

A detailed note on risk management along with the measures taken by the Company under the current COVID-19 global pandemic is given in Management Discussion & Analysis/Integrated Report section forming part of this Annual Report.

MANAGEMENT DISCUSSION & ANALYSIS

GLOBAL ECONOMY

A crisis like no other. FY 2020-21 has been an unprecedented year in modern times, with the pandemic impacting human life extensively across the globe. The COVID-19 pandemic has led to a severe global recession that is unique in many ways. The contraction in 2020 was very sudden and deep compared with previous global crises. The slowdown across economies witnessed in 2019 exacerbated further in 2020 by the shock delivered by the pandemic. As a result, the global GDP is believed to have contracted by ~3.3% in 2020, with all major economies moving into negative territories. China was the only exception amongst the major economies to have posted a positive growth in 2020, albeit at a much lower rate of 2.3%. The pandemic crisis also stands out for its differential impacts across sectors and countries, complex channels of transmission, and high uncertainty about the recovery path, given that it depends on the fate of the virus itself. Lockdown measures designed to contain COVID-19 (for example, social distancing and closing down non-essential local business) have led the global economy into one of its most severe recessions since 1900, however the economic upheaval could have been much more severe had it not been for the quick and synchronised response from central banks and governments globally, although this too varied across countries.

INDIAN ECONOMY

The carnage continues. The second wave of the Covid-19 pandemic has taken a vicious toll on India's health, but the economic toll has also been heavy, though nothing like the carnage seen in the first quarter of the last fiscal year, when GDP growth crashed drastically in response to the Centre's no-notice lockdown. An accommodative monetary policy from the Reserve Bank of India (RBI) and fiscal policy interventions by the central government, coupled with the gradual reopening of the economic activities from June 2020, have led to a sequential recovery in economic output. Data from the Central Statistical Office (CSO) reveals sequential improvement in quarterly GDP growth- (-24.4%/-7.3%/0.4%/1.6% in 1Q/2Q/3Q/4Q FY 2020-21). Nevertheless, India's GDP shrank 7.3 per cent in 2020-21 (in real terms adjusted for inflation).

Almost all the sectors have been adversely affected as domestic demand and exports sharply plummeted with some notable exceptions where high growth was observed. Economists are downgrading their estimates as a range of data – from the rate of cheques bouncing to the amount of mortgaged gold jewellery up for sale - shows the extent of the economic damage from the ongoing devastating second wave of the disease. The economy, which was facing a slowdown even before the pandemic, now confronts a crash of consumer demand - constituting over 55% of the economy - as household incomes and jobs have declined.

The second wave of COVID-19 infections and new virus variants pose uncalculated repercussions and remain the key downside risk to growth assumptions which so far have been retained by the Reserve Bank of India at 10.5% YoY for 2021 (IMF projects growth at +12.5% in 2021).

INFLATION

The next big worry. Higher global inflation, rising commodity prices, a weaker rupee and local lockdowns could bring in higher prices and worsen the pandemic situation in India. As COVID-19 cases surge and deaths rise, collapsing health systems could push state and city governments to impose curfews and restrictions on movement. Local lockdowns and supply disruptions are likely to stay for a while. Even though the government and businesses are better prepared than they were last year, the preparation is unlikely to suffice for the kind of surge being seen now. It appears that no one expected a second wave of this magnitude.

Inflation remained above the Reserve Bank of India's target band of 4% +/- 2% for the first eight months of FY2020-21 till Nov'2020 reaching its highest peak since 2014 of 7.6% in October 2020 mainly on account of high food

inflation. Though retail inflation fell back under the RBI's target band post Nov'2020, it gained pace again in Feb'2021/March'2021 reaching 5%YoY/ 5.5% YoY. Overall, retail inflation in FY2020-21 stood at 6.2% YoY, 1.4ppts above FY 2019-20 retail inflation. Wholesale inflation on the other hand came off by 1.1ppts to 0.6% YoY in FY 2020-21 (till Feb 2021) vs. FY2019-20.

Fuel prices in India continued to inch towards the Rs 100-mark. The spike in diesel prices have contributed to a growth in freight rates across ways of transport. High transport cost shall lead to increase in higher inflation, impacting industries further. The rise in commodity prices is worrisome as it could stoke retail price inflation in the coming months when the increased fuel, power and raw material costs are passed on by companies to consumers.

The expectation of a normal monsoon and the accommodative RBI stance provide comfort at this juncture as the country battles the second wave and attempts to overcome it with minimal damage to lives and livelihood. The central bank believes that a normal monsoon predicted by the India Meteorological Department (IMD) is expected to sustain rural demand and overall output in 2021-22, while also having a soothing impact on inflation pressures. However, whilst India is still reeling from the unprecedented impact of second wave of the pandemic and with the prospect of a third wave looming large, concerns and consequences of rising inflation are likely to stay for a long time.

MONETARY MEASURES

Mitigating pandemic woes. In response to the ongoing crisis, the Indian Government announced stimulus measures worth INR 17trn- (8% of FY 2019-20 GDP), directed primarily towards the poor, migrants and rural areas. The Reserve Bank of India cut the repo rate by 40bps to 4.0% and reverse repo rate by 45bps to 3.35%. The Reserve Bank of India also announced the liquidity measures worth INR 13.6trn (7% of FY 2019-20 GDP). The Bank for the first time in history committed its balance sheet for the conduct of monetary policy by announcing the Government Securities Acquisition Programme (G-SAP).

Small businesses and financial entities at the grassroot level are bearing the brunt of the second wave of infections. Against this backdrop, and based on continuing assessment of the macroeconomic situation and financial market conditions, the RBI proposed to take more measures including a liquidity facility of Rs 50,000 crore to ease access to emergency health services, special long-term repo operations (SLTRO) for small finance banks (SFBs), credit to MSME entrepreneurs, and resolution Framework 2.0 for COVID related stressed assets of individuals, small businesses and MSMEs.

The RBI's relief measures are centred on the small borrowers and entities in the unorganised sector. In an additional welcome move, the central bank has taken steps to address the credit needs of the healthcare sector too. However, in general, banks have turned cautious in lending and have indicated that they will calibrate their loan growth based on evolving conditions. The cautious outlook of banks could limit the uptake of the measures announced by the RBI.

OUTLOOK

Vaccine injects hope. The rollout of the vaccination drive across the major economies, including India, in the last quarter of FY 2020-21 has accorded a much-needed boost to sentiments around a sustained recovery of economic activity across the globe. Almost all major central banks have pledged to continue an accommodative monetary stance to reinforce the economic green shoots. Coupled with the base effect, economic growth is expected to bounce back strongly in FY 2021-22 on the global as well as the domestic front. However, a lot would hinge on how the pandemic plays out, given the resurgence of the virus and the spread of infections.

Thanks to unprecedented policy response, the COVID-19 recession is likely to leave smaller scars than the 2008 global financial crisis. However, emerging market economies and low-income developing countries have been hit harder and are expected to suffer more significant medium-term loss. A high degree of uncertainty surrounds these projections, with many possible downside and upside risks. Much still depends on the race between the virus and vaccines. Greater progress with vaccinations can uplift the forecast, while new virus variants that evade vaccines, can lead to a sharp downgrade.

The challenges to business posed by inflationary pressure and the uncertain market conditions, would place strong emphasis on managing the business in a dynamic manner and altering operational priorities to suit the changing market conditions.

Sumedha Fiscal Services Limited is one of the country's leading merchant bankers with specialization in debt syndication, financial restructuring and corporate advisory, managing private placement as well as public issues of both equities and debt. The Company has evolved over a period of time to a leading diversified financial services firm and today is acknowledged for its unmatched management consultancy and advisory services. The Company is primarily engaged in providing various fee based services such as fund mobilization through issue of debt, quasi-equity, structured hybrid instruments etc., corporate restructuring, trading and loan syndications. Its vast clientele includes India's premier public and private corporates. The Company continually fulfills its objective of serving clients in an integrated manner and relentlessly strives to accomplish its vision of '**adding values to value**' in each of its deliverables.

INVESTMENT BANKING BUSINESS

One of the oldest businesses of the Company, Investment Banking remains a prime focus of the Company. The business segment has contributed Rs 652.43 lacs, for the year under review which is approx. 50% decline when compared with Financial Year 2019-20.

Before the pandemic hit, the Company's performance in investment banking was well set on its growth trajectory. But the COVID-19 crisis has posed an unprecedented challenge which will take some time to overcome. Complete lockdown, partial ease in lockdown and thereafter the second wave of COVID-19 have deeply scarred the Company's businesses. Challenges in conducting in person engagements are not only adversely affecting the due-diligence processes but also impacting the turnaround time and revenue prospects of the future and present clients. Furthermore, given that most of the workforce is working remotely, investment banks are also facing hindrances in effectively monitoring trading, processing key performance indicators (KPIs) and managing trade exceptions. Any instability or prolonged periods of unfavorable market or economic conditions as a result of the ongoing pandemic could lead to a significant decrease in the volume and value of the Company's businesses. In light of the ongoing crisis, the Company shall continually evaluate strategy to grow the investment banking division as a sustainable franchise.

RISK MANAGEMENT

In a rapidly changing political, economic, regulatory and financial environment, the Company continued to leverage on its strong risk management capabilities during FY 2020-21. The approach to risk management is to proactively look at emerging risks in the context of the overall economic environment.

The Company is having a system of risk management commensurate with its size and nature of activities to address the consequent vulnerability. Quarterly reports on relevant areas are placed before the Audit Committee and the Board of Directors of the Company. All major risks are identified, monitored and acted upon within the internal framework. However the Company is not yet required to constitute a Risk Management Committee pursuant to Regulation 21 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Against the backdrop of this credit environment and general macro factors playing out across sectors, we remain confident of our integrated risk and governance approach, which has demonstrated the capability to withstand economic and credit cycles, as well as dynamically adopt new scenarios and learnings into the risk and governance framework. We are well positioned to accelerate our growth across all lines of business, given to our strong risk

architecture, coupled with our strong management capability, robust capital and liquidity management and high governance standards.

RISKS AND CONCERNS

The company is subject to following broad risks:

● Operational Risk

The Company's business is largely dependent upon people and processes. Any shortcomings in internal processes and system shall result into material adverse impacts on the operation and financial position of the Company.

The Company regularly conducts audits of internal processes and system and has well defined internal control firmly in place. Its workforce in terms of key management team consists of professionals having high level of commitment and expertise and is equipped in handling the affairs of the Company thereby mitigating such risks arising out of operational mismanagements.

● Market Risk

The Company is exposed to potential changes in value of financial instruments. Any decline in the price of investment in quoted securities may affect the financial performance and position. Market Risks may pertain to interest bearing securities (interest rate risk), equities (equity price risk) and foreign exchange ratio risk (currency risk).

The Company continually monitors its portfolio and securities and the usage of derivatives to minimize such risks.

● Liquidity Risk

Any lack of liquidity in the market which adversely impacts the ability of the Company to pay out its short-term financial obligations, to sell its assets quickly in a market without loss, to access funds at competitive rates, shall inevitably bear material impact on its financials. Severe liquidity crunch in the market and associated market disruptions shall also withhold the clients from honoring their commitment towards the Company which would indirectly lead to the Company's inability to perform its financial obligations.

The Company has got strong business strategies in place to maintain a long-term orientation despite rocky short term performances. Its businesses are adequately capitalized. Further, the Company also maintains a portion of Capital in liquid assets to address any unforeseen liquidity crisis. Its main focus remains upon planning well in advance and building financial buffers which shall go a long way towards mitigating the effects of a coordinated economic downturn.

● Regulatory and Compliance Risk

While the ostensible purpose of the legislation was to reduce systemic financial risk and protect consumers, it also strained the business/revenues/profitability of corporates. New laws or regulations or changes in the enforcement of existing laws and regulations could invite inadvertent non compliances with the regulations leading to strictures/penalties and even punitive action from the Regulators.

The Company operates in a strict regulatory compliant environment. It has dedicated teams of professionals looking after the compliance with applicable laws, rules, regulations and guidelines involving the businesses of the Company. External advises and professional services are sought when needed to remove any iota of non-compliance. Internal Audit is also carried out regularly to monitor the compliances with the Company's policies and the applicable statutory regulations.

● Reputation Risk

Company's reputation is a vital ingredient to business success, whether in regards to customer trust or employee loyalty. While key ingredients for acquiring a good corporate reputation, such as high quality, outstanding service, and competitive prices, are relatively well understood, there are seemingly countless ways in which a brand might be damaged. Reputation Risk is a very high risk factor and cause long term or irreparable loss to the business or profitability.

The Company takes pride in the enormous goodwill and brand value that it has built due to decades of providing exemplary services guided by the sole principle of customer centricity. It has built a truly dedicated workforce which share the same responsibility of delivering utmost good services whilst safeguarding the interest of the stakeholder and the reputation of the Company.

● **Risk yet to be gauged of the ongoing pandemic**

The COVID-19 pandemic is a global stress event that is testing all businesses' financial, operational and commercial resilience. It has triggered off not only all the risks explained above but many other unforeseen and uncalculated ones. Against this backdrop, the financial services sector is having to adapt rapidly and at scale to current constraints and market conditions. The Company has prioritized immediate financial and operational measures such as protecting liquidity and cash flows, and ensuring that it shall be able to keep core business activities going. It is regularly monitoring all the critical operational and financial aspects of the businesses along with examining the potential financial stability risks that may lie ahead due to the impact of pandemic.

INTERNAL CONTROL SYSTEMS

The Company currently operates in areas related to Investment Banking and is having all the required regulatory approvals with clear demarcation of operational and compliance responsibilities. Quarterly status thereof are reviewed by the Internal Auditors (external) and placed before the Audit Committee and the Board for remedial measures, if any.

There has been no material developments in the area of Human Resources.

The Company had 47 permanent employees during the year under review.

CORPORATE GOVERNANCE REPORT

A report on Corporate Governance is set out in compliance with the Corporate Governance requirements as stipulated in Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance is a reflection of a company's value system, encompassing its culture, policies and its relationship with various stakeholders. It encompasses laws, procedures, practices and implicit rules that determine the management's ability to take sound and informed decisions. Your Company is of the belief that good governance helps in conducting the affairs of the Company in an ethical manner, bringing transparency and fairness in the widest sense and is vital to enhance and retain stakeholders' trust.

Efficient, transparent and impeccable Corporate Governance is vital for stability, profitability and desired growth of the business of the Company. Good Governance underpins the success and integrity of the organisation, institutions and markets. It is basically an approach of managing efficiently and prudently all the activities of a company, in order to make the business stable and secure, growth oriented, maximally profitable to its shareholders and highly reputed and reliable among its clients.

Your Company is committed to adopt the best governance practices and their adherence in the true spirit at all times in the right way which is not limited to compliance with its applicable statutory requirements but also includes a strict application of best management practices amid the contemporary and continually changing business environment.

THE COMPANY'S CORPORATE GOVERNANCE PRINCIPLES AND SYSTEM:

1. The Board of Directors of the Company periodically reviews its corporate strategies, annual budgets and sets, implements and monitors corporate objectives. It effectively monitors the Company's governance practices and ensures transparent Board processes. Further it appoints and compensates the key executives and monitors their performance. It strives to maintain overall integrity of the accounting and financial reporting system. As on the date of this report, the Independent & Non-Executive Directors form 50% of the Board of Directors.
2. The Board has constituted several Committees viz. Audit Committee, Corporate Social Responsibility Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, as required statutorily. The Board is empowered to constitute additional functional Committees depending upon the business needs. Accordingly, Management Committee of Directors has been formed to address routine decision-making in ordinary course of its business.
3. The Company has established a Code of Conduct for Directors and Senior Management of the Company.
4. Whistle Blower Policy wherein the Employees and Directors may have the direct access to the Chairperson of the Audit Committee.
5. Risk Management framework to identify the risk for its businesses, to assess the probability of its occurrence and its mitigation plans. The information about the updated status of risks is placed before the Board of Directors and the Audit Committee, on quarterly basis for taking suitable steps.

BOARD OF DIRECTORS

Size and composition of the board

In order to maintain independence of the Board, the Company has a judicious mix of Executive, Non-Executive and Independent Directors on the Board which is essential to separate the two main Board's function viz. governance and management. Out of the total strength of ten Directors as on date of this Report, five are Independent Directors, four

are Non-Executive Directors (including a Woman Director) and one is Executive Director. Mr. Vijay Maheshwari- Non Executive Director is a relative (father-in-law) of Mrs. Garima Maheshwari - Non Executive (Woman) Director. Save and except this, none of the Directors of the Company is related to other Directors. All the members of the Board are persons with professional expertise and valuable experience in their respective areas of specialisation and bring a wide range of skills and experience to the Board.

Independent Directors

The Board has received confirmation from the Independent Directors that they satisfy the conditions of their independence as laid down under Section 149(6) of the Companies Act 2013 read with rule 5 and rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014 and the regulation 16(1)(b) and regulation 25(8) of the Listing Regulations. Further, the Independent Directors have included their names in the data bank of independent directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the said Act and rules thereto.

Based on the confirmations received as above, the Board is of the opinion that all the Independent Directors of the Company fulfil the conditions specified under the said Act and Listing Regulations and are independent of the management.

DETAILED REASONS FOR THE RESIGNATION OF AN INDEPENDENT DIRECTOR WHO RESIGNS BEFORE THE EXPIRY OF HIS TENURE ALONG WITH A CONFIRMATION BY SUCH DIRECTOR THAT THERE ARE NO OTHER MATERIAL REASONS OTHER THAN THOSE PROVIDED:

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
Sumedha Fiscal Services Limited
6A Geetanjali, 8B Middleton Street,
Kolkata – 700 071, West Bengal.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sumedha Fiscal Services Limited** having its Registered Office at 6A Geetanjali, 8B Middleton Street, Kolkata – 700 071, West Bengal (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended 31.03.2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

Auditors' Responsibility

Maintenance of Secretarial Records is the responsibility of the management of the Company. Our responsibility is to express an opinion on existence of adequate Board process and compliance management system, commensurate to the size of the Company, based on these secretarial records as shown to us during the said audit and also based on the information furnished to us by the officers' and the agents of the Company during the said audit.

We have followed the audit practices and processes as were appropriate to the best of our understanding to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed, provide a reasonable basis for our opinion.

We have not verified the correctness, appropriateness and bases of financial records, books of accounts and decisions taken by the Board and by various committees of the Company during the period under scrutiny. We have checked the Board process and compliance management system to understand and to form an opinion as to whether there is an adequate system of seeking approval of respective committees of the Board, of the Board, of the members of the Company and of other authorities as per the provisions of various statutes as mentioned hereinafter.

Wherever required we have obtained the management representation about the compliance of the laws, rules and regulations and happening of events, etc.

We have relied upon the accuracy of the documents and information as shared by the Company with us through appropriate Information Technology tools to assist us in completing the secretarial audit work during lock down period due to unprecedented situation prevailing in the Country due to CoVID-19 virus pandemic and the same is subject to physical verification by us post normalization of the situation.

The Compliance of the provisions of Corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. Our examination was limited to the verification of compliance procedures on test basis.

Our report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness or accuracy with which the management has conducted the affairs of the Company.

We report that, we have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31.03.2021 according to the provisions of (as amended) :

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) Secretarial Standards as issued by The Institute of Company Secretaries of India;
- (iii) The Securities Contracts (Regulation) Act, 1956 and the rules made there under;
- (iv) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (v) Foreign Exchange Management Act, 1999 and the rules and regulation made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:

- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009.

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has specifically complied with the provisions of the following Act:

1. The Securities and Exchange Board of India (Merchant Bankers) Regulations, 1992; and
2. The Securities and Exchange Board of India (Depositories & Participants) Regulations, 1996;*
(* operations discontinued and surrendered licenses, approval awaited)

to the extent of its applicability to the Company during the financial year ended 31.03.2021 and our examination and reporting is based on the documents, records and files as produced and shown to and the information and explanations as provided to us by the Company and its management and to the best of our judgment and understanding of the applicability of the different enactments upon the Company. Further, to the best of our knowledge and understanding there are adequate systems and processes in the Company commensurate with its size and operation to monitor and ensure compliances with applicable laws including general laws, labour laws, competition law, environmental laws, etc.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

During the period under review, provisions of the following regulations/guidelines/standards were not applicable to the Company:

- (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;

INDEPENDENT AUDITOR'S REPORT

To the Members of **Sumedha Fiscal Services Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Sumedha Fiscal Services Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
<p><u>Property, Plant and Equipment</u></p> <p>There are areas where management judgement impacts the carrying value of property, plant and equipment, intangible assets, investment property and their respective depreciation rates. We do not consider this management judgement to be of high risk of significant misstatement or to be subject to significant level of judgment. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information but does not include the standalone financial statements and our Auditor's Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available, and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, we conclude based on the work we have performed, on the other information obtained prior to the date of this Auditor's Report, that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of the standalone financial statements that give a true and fair view of the financial position, financial performance including total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of more significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
 - e. on the basis of the written representations received from the directors as on 31st March, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;

- f. with respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in “**Annexure B**”;
- g. with respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act. The Company has complied with the provisions of Section 197 read with Schedule V to the Act, relating to Managerial Remuneration; and
- h. with respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company has no pending litigations on its financial position in its standalone financial statements;
 - ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii. there has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company in accordance with the relevant provisions of the Act and the Rules made there under.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph-2(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Sumedha Fiscal Services Limited on the Standalone Financial Statements for the year ended 31st March, 2021)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Sumedha Fiscal Services Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Standalone financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and

operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles including the Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statement for the year ended 31st March, 2021

Corporate Information

The Company was incorporated in the year 1989 as a Public Limited Company under the provisions of the Companies Act, 1956 and domiciled in India. The Company is Category -I Merchant Banker registered with Securities and Exchange Board of India with PAN India presence. The Equity Shares of the Company are listed on two Stock Exchanges i.e. Bombay Stock Exchange and The Calcutta Stock Exchange Limited. The registered office of the Company is situated at 6A, Geetanjali, 8B Middleton Street, Kolkata – 700071, West Bengal, India.

1. SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of Preparation

1.1.1 Compliance with Ind AS

The financial statements have been prepared in accordance with the applicable Indian Accounting Standards (Ind AS) under Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules and other relevant provisions of the Act and Rules thereunder, as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These Financial Statements are prepared in Indian Rupees (INR) which is also the Company’s functional currency.

The financial statements for the year ended 31st March, 2021 have been approved by the Board of Directors of the Company in their meeting held on 24th June, 2021.

1.1.2 Historical Cost Convention

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value through the Statement of Profit and Loss and amortised cost;
- ii) defined benefits plan – plan assets measured at fair value;

1.1.3 Classification of Current and Non-Current

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Ind AS 1 – Presentation of Financial Statements and Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.2 Foreign Currency Translation

Foreign currency transactions are translated into Indian Rupee (INR) which is the functional currency (i.e. the currency of the primary economic environment in which the entity operates) using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

1.3 Use of Estimates

The Preparation of the financial statements in conformity with the generally accepted accounting principles

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

in India requires the management to make estimates and assumptions that affects the reported amount of assets and liabilities as at the Balance Sheet date, the reported amount of revenue and expenses for the periods and disclosure of contingent liabilities at the Balance Sheet date. The estimates and assumptions used in the financial statements are based upon management's evaluation of relevant facts and circumstances as of the date of the financial statements. Actual results could differ from estimates.

1.4 Fair Value measurement

The Company measures financial instruments at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

1.5 Property, Plant and Equipment

Freehold Land is carried at historical cost. All other items of property, plant and equipment are stated at carrying value less accumulated depreciation. The carrying value includes expenditure that is directly attributable to the acquisition of the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which the same are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Act which are also supported by technical evaluation. Item of Property, Plant and Equipment for which related actual cost do not exceed Rs. 5,000 are fully depreciated in the year of purchase. In respect of the following assets, useful lives as per Schedule II to the Act have been considered, as under:-

- | | | |
|----------------------------|---|----------|
| ● Non-factory Buildings | : | 60 years |
| ● Electrical Installations | : | 10 years |
| ● Computers | : | 3 years |
| ● Office Equipment | : | 5 years |
| ● Furniture & Fixture | : | 10 years |
| ● Motor Vehicles | : | 8 years |
| ● Server & Network | : | 6 years |

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

1.6 Investment Property

Property that is held for long term rentals yields or for capital appreciation or both and that is not occupied by the company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance cost are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties are depreciated using the straight line method over their estimated useful lives. Investment properties generally have a useful life of 60 years.

1.7 Intangible Assets

1.7.1 Computer Software

Costs associated with maintaining of software programmes are recognised as an expense as incurred. Costs of purchased software are recorded as intangible assets and amortised from the point at which the asset is available for use.-

1.7.2 Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer Software : 3 years

1.8 Investments and other Financial Assets

1.8.1 Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

1.8.2 Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed as profit or loss.

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into the following categories:

- Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.
- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

Equity Instruments

The Company subsequently measures all equity investments (except subsidiary and associates) at fair value through the Statement of Profit and Loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains or losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses through the Statement of Profit and Loss.

1.8.3 Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

1.8.4 De-recognition of Financial Assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

1.9 Derivatives and Hedging Activities

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through the profit or loss and are included in other income/expenses.

1.10 Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

1.11 Basic Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of Equity Shares.

The number of Equity Shares is adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.12 Trade Receivables

Trade Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

1.13 Inventories

The Company makes trading in Equity Shares of companies listed over stock exchanges in India. Inventories of Equity Shares and securities are valued at fair value and the gain/ loss is recognised through the Statement of Profit and Loss.

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

1.13.1 Financial Liabilities

1.13.1.1 Initial recognition and measurement

The Company recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

1.13.1.2 Subsequent measurement

All the financial liabilities are classified as subsequently measured at amortised cost, except for those mentioned below.

1.13.1.3 Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

For liabilities designated as Fair Value through profit or loss, fair value gains/losses attributable to changes in own credit risks are recognized in Other Comprehensive Income. These gains/losses are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

1.13.2 Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

1.13.3 Trade and Other Payables:

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

1.13.4 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transactions cost) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that sum or all of the facility will be drawn down. In the case, the fees is deferred until the draw down occurs. To the extent there is no evidence that it is probable that sum or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability of at least 12 months after the reporting period. Where there is a breach of a material provisions for a long-term loan agreement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.14 Provisions, Contingent Liabilities and Contingent Assets, legal or constructive

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.15 Employee Benefits

1.15.1 Short-term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

1.15.2 Other Long-term Employee Benefits (Unfunded)

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

1.15.3 Post-employment Benefit & Plans

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

1.15.4 Bonus Plans

The Company recognizes a liability and an expense for bonuses. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

1.16 Equity Index/Stock- Futures

Initial margin and additional margin paid, for entering into contracts for equity index/stock futures, which are released on final settlement/squaring-up of underlying contracts, are disclosed under Current Assets, Loans and Advances.

Equity index/stock futures are marked-to-market on a daily basis. Debit or credit balance disclosed under Current Assets, Loans and Advances or Current Liabilities, respectively represents the net amount paid or received on the basis of movement in the prices of index/stock futures till the Balance Sheet date.

As on the Balance Sheet date, Gain/Loss on open positions in index/stock futures are accounted for as follow:

- Profit and loss on hedged transactions are recognized on net basis. In respect of other transactions, credit balance being anticipated profit is ignored and no credit for the same is taken in the Statement of Profit and Loss. Debit balance being anticipated loss is adjusted in the Statement of Profit and Loss.
- On final settlement or squaring-up of contracts for equity index/stock futures, the profit or loss is calculated as the difference between settlement/squaring - up price and contract price. Accordingly, debit or credit balance pertaining to the settled/squared - up contract is recognised in the Statement of Profit and Loss.

1.17 Equity Index/Stock – Options

Initial margin and additional margin paid for entering into contracts for equity index/stock options, which are released on final settlement/squaring-up of underlying contracts, are disclosed under Current Assets, Loans and Advances

As at the Balance Sheet date, the Statement of Profit and Loss on hedged transactions is recognized on net basis. In case of other transactions, in the case of long positions, provision is made for the amount by which the premium paid for those options exceeds the premium prevailing on the Balance Sheet date, and in the case of short positions, for the amount by which premium prevailing on the Balance Sheet date exceeds the premium received for those options. The premium paid or received as the case may be, after the aforesaid provision, is disclosed in Current Assets or Current Liabilities.

1.18 Impairment of Non-Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

1.19 Segment Reporting

1.19.1 Identification of segment

The Company has identified that its operating segments are the primary segments. The Company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit and offering different products and serving different markets.

1.19.2 Allocation of common costs

Common allocable costs are inter-se allocated to segments based on the basis most relevant to the nature of the cost concerned. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, are included under the head unallocated expense / income.

1.20 Borrowing Costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to the Statement of Profit and Loss.

1.21 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.22 Revenue Recognition

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The specific recognition criteria followed by the Company are described below:

1.22.1 Sale of Services

Timing of recognition: Revenue is recognised when no significant uncertainty as to its determination exists. The primary business of the Company is financial consultancy as Merchant banker and brokerage at NSE and BSE. The revenue in consultancy is recognised in terms of mandate and on completion of the assignment. The brokerage income is recognised when contract of sale/purchase of equity is completed.

Measurement of revenue: Estimates of revenues, costs or extent of progress towards completion are revised if circumstances change. Any resultant increases or decreases in estimated revenues or costs are reflected in the Statement of Profit and Loss in the period in which the circumstances that give rise to the revision become known by management.

1.22.2 Sale of Goods

Revenue is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods.

1.22.3 Insurance and other Claims / refunds

Insurance and Other claims are recognized when there is a reasonable certainty of recovery.

Notes forming part of the Financial Statement for the year ended 31st March, 2021 (Contd.)

1.22.4 Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.22.5 Dividend

Dividend is recognised when the right to receive the payment is established.

1.23 Income Tax

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Company has no dues to Micro and Small Enterprises as at 31st March, 2021 and 31st March, 2020 in the Financial Statements based on the information received and available with the Company.

35. BALANCE CONFIRMATION

Outstanding balances of Trade Receivables, Loans and Advances are subject to confirmation from the respective parties and consequential adjustments arising from reconciliation if any. The management, however, is of the view that there will be no material discrepancies in this regard.

36. EMPLOYEE BENEFITS

A. Defined Benefit Plans

Defined Benefit Plans expose the Company to actuarial risk such as: Interest Rate Risk, Liquidity Risk, Salary Escalation Risk and Demographic Risk.

- i. Interest Rate Risk:** The Plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liquidity (as shown in financial statements)
- ii. Liquidity Risk:** This is the risk that the Company is not able to meet the short-term benefit payouts. This may arise due to non-availability of enough cash/ cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.
- iii. Salary Escalation Risk:** The Present Value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine present value of obligation will have a bearing on the plan's liability.
- iv. Demographic Risk:** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

GRATUITY PLANS

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favorable than The Provisions of Gratuity Act, 1972. The above Scheme is funded.

B. Fair Value Hierarchy (Contd.)

(ii) Fair value disclosure of financial assets and financial liabilities measured at carrying value and amortised cost: (Contd.)

Level 2-hierarchy includes financial instruments that are not traded in active market. This includes OTC derivatives and debt instruments valued using observable market data such as yield etc. of similar instruments traded in active market. All derivatives are reported at discounted values hence are included in level 2. Borrowings have been fair valued using market rate prevailing as on the reporting date.

Level 3-if one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

(iii) Fair Value measurements using significant unobservable inputs (Level 3)

The following table presents the changes in level 3 items for the period 31st March 2021 and 31st March 2020.

	Subsidiary- Unquoted	Associates- Unquoted	Unquoted Equity Instruments	Unquoted Debt Instruments

(iv) Valuation techniques used for valuation of instruments categorised as level 3.

For valuation of investments in equity shares of associates which are unquoted, peer comparison has been performed wherever available. Valuation has been primarily done based on the cost approach where in the net worth of the Company is considered and price to book multiple is used to arrive at the fair value. In cases where income approach was feasible valuation has been arrived using the earnings capitalisation method. For inputs that are not observable for these instruments, certain assumptions are made based on available information. The most significant of these assumptions are the discount rate and credit spreads used in the valuation process. For valuation of investments in debt securities categorised as level 3, market polls which represent indicative yields are used as assumptions by market participants when pricing the asset.

(v) Financial Instrument- Financial Risk Management.

The Company's activity exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

A. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange risk rates, interest rates and equity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company's main business activity financial consulting has no or limited entry barrier. Entry of Banks and large consulting firms has increased competition.

B. Fair Value Hierarchy (Contd.)

(v) Financial Instrument - Financial Risk Management. (Contd.)

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk on financial liabilities such as long-term borrowings.

The Company is also exposed to interest rate risk on its financial assets that include fixed deposits.

Impact of increase/decrease in the benchmark interest rates on the Company's equity and the Statement of Profit and Loss for the year is given below:

Interest Rate Risk	Change in Rate	31st March, 2021		31st March, 2020	
		Change in statement of Profit and Loss	Change in Other components of equity	Change in statement of Profit and Loss	Change in Other components of equity
Interest Rate	50 bps	-	-	-	-
- Borrowings	-	9 %	-	9 %	-
- Other Financial Assets	-	8 %	-	8 %	-

(ii) Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the Balance Sheet as fair value through Profit or Loss. The majority of the Company's equity investments are publicly traded.

Sensitivity analysis- Equity price risk

The table below summarises the impact of increase/decrease of the market price of the listed instruments on the Company's equity and profit for the period. The analysis is based on the assumption that market price had increased by 2% or decreased by 2 %.

(₹ in '00)

Particulars	Impact on Profit or Loss		Impact on other components of equity	
	31st March, 2021	31st March, 2020	31st March, 2021	31st March, 2020
Market Price increases by 2 %	572.04	278.14	-	-
Market Price decreases by 2 %	(572.04)	(278.14)	-	-

b. Liquidity Risk

The Company determines its liquidity requirements in the short, medium and long term. This is done by drawing up cash forecast for short and medium term requirements and strategic financing plans for long term needs.

The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalents position. This is generally carried out in accordance with practice and limits set by the Company.

Other Financial Liabilities	34,835.99	-	-	-	34,835.99

c. Credit Risk

Credit risks is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligation, and arises principally from the Company's receivables from customers, stock exchanges and clearing members. The carrying amount of financial assets represents the maximum credit exposure. Security deposits with stock exchanges and clearing members

mainly represents the margin money to cover the regular trading exposure in stock exchanges backed by margin collected from clients and has very insignificant credit risk.

The Company exposure to credit risk is influenced mainly by the individual characteristics of each client. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

Financial assets are written off when there is no expectation of recovery such as debtors failing to engage in a repayment plan with the Company. Where loans and receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where necessary, the Company has adopted the policy of creating expected credit loss where recoveries are made, these are organised as expense in the Statement of Profit and Loss.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the Members of **Sumedha Fiscal Services Limited**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Sumedha Fiscal Services Limited (hereinafter referred to as "the Holding Company") and its Subsidiary (collectively referred to as "the Group") and its Associates, comprising of the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Equity for the year ended on that date and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiary and associates as referred to in the "Other Matter" Paragraph," the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended and the accounting principles generally accepted in India, of the consolidated state of affairs (financial position) of the Group and its associates as at 31st March, 2021, consolidated Profit (financial performance including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred in Other Matters paragraph below is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
<p>Property, Plant and Equipment</p> <p>There are areas where management judgement impacts the carrying value of property, plant and equipment, intangible assets, investment property and their respective depreciation rates. We do not consider this management judgement to be of high risk of significant misstatement or to be subject to significant level of judgment. However, due to their materiality in the context of the Balance Sheet of the Holding Company, this is considered to be an area which had the significant effect on the overall audit strategy and allocation of resources in planning and completing our audit.</p>	<p>We assessed the controls in place over the Property, Plant & Equipment, evaluated the appropriateness of capitalisation process, performed tests of details on costs capitalised, the timeliness of the capitalisation of the assets and the de-recognition criteria for assets retired from active use. In performing these procedures, we reviewed the judgements made by management including the nature of underlying costs capitalised; determination of realizable value of the assets retired from active use; the appropriateness of assets lives applied in the calculation of depreciation; and the useful lives of assets prescribed in Schedule II to the Act and as per significant accounting policies of the Holding Company.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our Auditor's Report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, we conclude, based on the work we have performed, and report of the other auditors as furnished to us (refer other matter para below) on the other information obtained prior to the date of Auditor's Report, that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated Changes in Equity and consolidated Cash Flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its Associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associates are also responsible for overseeing the financial reporting process of the Group and its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associates has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remains responsible for the direction, supervision and performance of the audits carried out by them we remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the subsidiary included in the consolidated financial statements of the Holding Company, whose financial statements reflect total assets of Rs. 2,10,15,161/- and net assets of Rs. 2,08,34,894/- as at 31st March, 2021, total revenues of Rs. 17,83,528/- and net cash outflows/(inflows) amounting to (Rs. 60,15,67/-) for the year ended on that date, as considered in the financial statements of the Holding Company. ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph-1(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Sumedha Fiscal Services Limited on the Consolidated Financial Statements for the year ended 31st March, 2021)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements as of and for the year ended 31st March, 2021, we have audited the internal financial controls with reference to consolidated financial statements of Sumedha Fiscal Services Limited (“the Holding Company”) and its subsidiary company (collectively referred to as “the Group”) and its associate companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company its subsidiary company and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Group and its associates, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing issued by ICAI, and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists & testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary, its associates, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Holding Company, its subsidiary company and its associate companies which are incorporated in India, have in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March, 2021, based on the internal financial controls with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to subsidiary Company is based on the corresponding report of the auditor of such Company, and of associate companies incorporated in India are based on the financial information certified by the management.

1. SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

The Consolidated Financial Statements comprise Financial Statements of Sumedha Fiscal Services Limited (“hereinafter referred to as the Holding Company”), and its subsidiary (collectively referred to as the Group) and its associates for the year ended 31st March, 2021.

The Company was incorporated in the year 1989 as a Public Limited Company under the provisions of the Companies Act, 1956 and domiciled in India. The Company is Category -I Merchant Banker registered with Securities and Exchange Board of India with PAN India presence. The Equity Shares of the Company are listed on two stock Exchanges i.e. Bombay Stock Exchange and The Calcutta Stock Exchange Limited. The registered office of the Company is situated at 6A, Geetanjali, 8B Middleton Street, Kolkata – 700071, West Bengal, India.

The Consolidated Financial Statements were approved for issue in accordance with a resolution of the Board of Directors on 24th June, 2021.

This note provides a list of the significant accounting policies adopted in the preparation of the consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of Preparation/Consolidation

1.1.1 Compliance with Ind AS

These consolidated financial statements have been prepared in accordance with the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules and other relevant provisions of the Act and Rules thereunder, as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These consolidated financial Statements are prepared in Indian Rupees (INR) which is also the Company’s functional currency.

The financial statements for the year ended 31st March, 2021 have been approved by the Board of Directors of the Company in their meeting held on 24th June, 2021.

1.1.2 Basis of Consolidation:

1.1.2.1 Subsidiary:

The Consolidated Financial Statements comprise the Financial Statements of Sumedha Fiscal Services Limited and its subsidiary as at 31st March 2021. The control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if it has:

- Power over the investee
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above. The Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

The Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The Financial Statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March, 2021. The following consolidation procedure is followed:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with its subsidiary. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in subsidiary and the parent's portion of equity of the subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiary to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Change in the Group's ownership interests in existing subsidiaries

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary,
- Derecognises the carrying amount of any non-controlling interests,
- Derecognises the cumulative translation differences recorded in equity,
- Recognises the fair value of the consideration received,
- Recognises the fair value of any investment retained,
- Recognises any surplus or deficit in profit or loss,
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

1.1.2.2 Investment in Associates

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. Investments in associates are accounted for using the equity method of accounting.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Group's investment in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associates since the acquisition date. Goodwill relating to the associates is included in the carrying amount of the investment and is not tested for impairment individually.

The Statement of Profit and Loss reflects the Group's share of the results of operations of the associates. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associates, the Group recognises its share of any changes, when applicable, in the Statement of Changes in Equity. Unrealised gains and losses resulting from transactions between the Group and the associates are eliminated to the extent of the interest in the associates.

If an entity's share of losses of an associate equals or exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Group's net investment in the associate), the entity then discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The financial statements of the associate is prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the Profit as 'Share of Profit of an Associate' in the Statement of Profit and Loss.

Upon loss of significant influence over the associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognized as profit or loss.

1.1.3 Historical Cost Convention

These consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) Certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value through the Statement of Profit and Loss at amortised cost;
- ii) Defined Benefit Plans – plan assets measured at fair value;

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

1.2 Foreign Currency Translation

Foreign currency transactions are translated into Indian Rupee (INR) which is the functional currency (i.e. the currency of the primary economic environment in which the entity operates) using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

1.3 Use of Estimates

The Preparation of Consolidated Financial Statements in conformity with the generally accepted accounting principles in India requires the management to make estimates and assumptions that affects the reported amount of assets and liabilities as at the Balance Sheet date, the reported amount of revenue and expenses for the periods and disclosure of contingent liabilities at the Balance Sheet date. The estimates and assumptions used in the consolidated financial statements are based upon management's evaluation of relevant facts and circumstances as of the date of the financial statements. Actual results could differ from estimates.

1.4 Fair Value measurement

The Group measures financial instruments at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

1.5 Property, Plant and Equipment

Freehold Land is carried at historical cost. All other items of property, plant and equipment are stated at Carrying Value less accumulated depreciation. The Carrying Value includes expenditure that is directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which the same are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Act which are also supported by technical

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

evaluation. Item of Property, Plant and Equipment for which related actual cost do not exceed Rs. 5,000 are fully depreciated in the year of purchase. In respect of the following assets, useful lives as per Schedule II to the Act have been considered, as under:-

- Non-factory Buildings : 60 years
- Electrical Installations : 10 years
- Computers : 3 years
- Office Equipment : 5 years
- Furniture & Fixture : 10 years
- Motor Vehicles : 8 years
- Server and Network : 6 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

1.6 Investment Property

Property that is held for long term rentals yields or for capital appreciation or both and that is not occupied by the group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance cost are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties are depreciated using the straight line method over their estimated useful lives. Investment properties generally have a useful life of 60 years.

1.7 Intangible Assets

1.7.1 Computer Software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Costs of purchased software are recorded as intangible assets and amortised from the point at which the asset is available for use.

1.7.2 Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer Software : 3 years

1.8 Investments and other Financial Assets

1.8.1 Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortised cost

The classification depends on the Group's business model for managing the financial assets and the contractual terms of cash flows.

1.8.2 Measurement

At initial recognition, the Group measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed as profit or loss.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

Debt Instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. The Group classifies its debt instruments into the following categories:

- Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.
- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity Instruments

The Holding Company subsequently measures all equity investments (except subsidiary and associates) at fair value through the Statement of Profit and Loss. However, where the Holding Company's management makes an irrevocable choice on initial recognition to present fair value gains or losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses through the Statement of Profit and Loss.

1.8.3 Impairment of Financial Assets

The Group measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

1.8.4 De-recognition of Financial Assets

A financial asset is derecognised only when

- The Group has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset.

1.9 Derivatives and Hedging Activities

The Holding Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through the profit or loss and are included in other income/expenses.

1.10 Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

1.11 Basic Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of Equity Shares.

The number of Equity Shares is adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.12 Trade Receivables

Trade Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

1.13 Inventories

The Holding Company makes trading in Equity Shares of companies listed over stock exchanges in India. Inventories of Equity Shares and securities are valued at fair value and the gain/ loss is recognised through the Statement of Profit and Loss.

1.13.1 Financial liabilities

1.13.2 Initial recognition and measurement

The Group recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

1.13.3 Subsequent measurement

All the financial liabilities are classified and subsequently measured at amortised cost, except for those mentioned below.

1.13.4 Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

For liabilities designated as Fair Value through profit or loss, fair value gains/losses attributable to changes in own credit risks are recognized in Other Comprehensive Income. These gains/losses are not subsequently transferred to the Statement of Profit and Loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

1.13.5 Financial Guarantee Contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

1.13.6 Trade and Other Payables:

These amounts represent liabilities for goods and services provided to the group prior to the end of financial year which are unpaid. The amounts are unsecured and usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

1.13.7 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transactions cost) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that sum or all of the facility will be drawn down. In this case, the fees is deferred until the draw down occurs. To the extent there is no evidence that it is probable that sum or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability to atleast 12 months after the reporting period. Where there is a breach of a material provision for a long-term loan agreement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.14 Provisions, Contingent Liabilities and Contingent Assets, legal or constructive

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.15 Employee Benefits

1.15.1 Short-term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

1.15.2 Other Long-term Employee Benefits (Unfunded)

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefits obligation recognised in the Balance Sheet represents the present value of related obligation.

1.15.3 Post-employment Benefits & Plans

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

1.15.4 Bonus plans

The Holding Company recognizes a liability and an expense for bonuses. The Holding Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

1.16 Equity Index/Stock- Futures

Initial margin and additional margin paid, for entering into contracts for equity index/stock futures, which are released on final settlement/squaring-up of underlying contracts, are disclosed under Current Assets, Loans and Advances.

Equity index/stock futures are marked-to-market on a daily basis. Debit or credit balance disclosed under Current Assets, Loans and Advances or Current Liabilities, respectively represents the net amount paid or received on the basis of movement in the prices of index/stock futures till the Balance Sheet date.

As on the Balance Sheet date, Gain/Loss on open positions in index/stock futures are accounted for as follow:

- Profit and loss on hedged transactions are recognized on net basis. In respect of other transactions, credit balance being anticipated profit is ignored and no credit for the same is taken in the Statement of Profit and Loss. Debit balance being anticipated loss is adjusted in the Statement of Profit and Loss.
- On final settlement or squaring-up of contracts for equity index/stock futures, the profit or loss is calculated as the difference between settlement/squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/squared-up contract is recognised in the Statement of Profit and Loss.

1.17 Equity index/stock – Options

Initial margin and additional margin paid for entering into contracts for equity index/stock options, which are released on final settlement/squaring-up of underlying contracts, are disclosed under Current Assets, Loans and Advances.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

As at the Balance Sheet date, the Statement of Profit and Loss on hedged transactions is recognized on net basis. In case of other transactions, in the case of long positions, provision is made for the amount by which the premium paid for those options exceeds the premium prevailing on the Balance Sheet date, and in the case of short positions, for the amount by which premium prevailing on the Balance Sheet date exceeds the premium received for those options. The premium paid or received as the case may be, after the aforesaid provision, is disclosed in Current Assets or Current Liabilities.

1.18 Impairment of Non-Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.19 Segment Reporting

1.19.1 Identification of segment

The Holding Company has identified that its operating segments are the primary segments. The Holding Company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit and offering different products and serving different markets.

1.19.2 Allocation of common costs

Common allocable costs are inter-se allocated to segments based on the basis most relevant to the nature of the cost concerned. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, are included under the head unallocated expense / income.

1.20 Borrowing costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to the Statement of Profit and Loss.

1.21 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.22 Revenue Recognition

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The specific recognition criteria followed by the Group are described below:

1.22.1 Sale of Services

Timing of recognition: Revenue is recognised when no significant uncertainty as to its determination exists. The primary business of the Holding Company is financial consultancy as Merchant banker and brokerage at NSE and BSE. The revenue in consultancy is recognised in terms of mandate and on completion of the assignment. The brokerage income is recognised when contract of sale/purchase of equity is completed.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

Measurement of revenue: Estimates of revenues, costs or extent of progress towards completion are revised if circumstances change. Any resultant increases or decreases in estimated revenues or costs are reflected in the Statement of Profit and Loss in the period in which the circumstances that give rise to the revision become known by management.

1.22.2 Sale of goods

Revenue is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods.

1.22.3 Insurance and other claims / refunds

Insurance and Other claims are recognized when there is a reasonable certainty of recovery.

1.22.4 Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.22.5 Dividend

Dividend is recognised when the right to receive the payment is established.

1.23 Income Tax

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets/liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiary and associates where in case of assets it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary differences can be utilised and in case of liabilities the group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Group has no dues to Micro and Small Enterprises as at 31st March, 2021 and 31st March, 2020 in the Financial Statements based on the information received and available with the Company.

35. BALANCE CONFIRMATION

Outstanding balances of Trade Receivables, Loans and Advances of the Group are subject to confirmation from the respective parties and consequential adjustments arising from reconciliation if any. The management of the Holding Company and its Subsidiary, however, are of the view that there will be no material discrepancies in this regard.

36. EMPLOYEE BENEFITS

A. Defined Benefit Plans

Defined Benefit Plans expose the Holding Company to actuarial risk such as: Interest Rate Risk, Liquidity Risk, Salary Escalation Risk and Demographic Risk.

- i. Interest Rate Risk:** The Plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liquidity (as shown in financial statements)
- ii. Liquidity Risk:** This is the risk that the Company is not able to meet the short-term benefit payouts. This may arise due to non-availability of enough cash/ cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.
- iii. Salary Escalation Risk:** The Present Value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine present value of obligation will have a bearing on the plan's liability.
- iv. Demographic Risk:** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

GRATUITY PLANS

The Holding Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favorable than The Provisions of Gratuity Act, 1972. The above Scheme is funded.

Level 1 - hierarchy includes financial instruments valued using quoted market prices. Listed equity instruments and traded debt instruments which are traded in the stock exchanges are valued using the closing price at the reporting date. Mutual funds are valued using the closing NAV.

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

40. FINANCIAL INSTRUMENT- FAIR VALUE MEASUREMENT (Contd.)

B. Fair Value Hierarchy (Contd.)

(ii) Fair value disclosure of financial assets and financial liabilities measured at carrying value of the Group: (Contd.)

Level 2 - hierarchy includes financial instruments that are not traded in active market. This includes OTC derivatives and debt instruments valued using observable market data such as yield etc. of similar instruments traded in active market. All derivatives are reported at discounted values hence are included in level 2. Borrowings have been fair valued using market rate prevailing as on the reporting date.

Level 3 - if one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

(iii) Fair Value measurements using significant unobservable inputs (Level 3)

The following table presents the changes in level 3 items for the year ended 31st March 2020 and 31st March 2021.

	Associates- Unquoted	Unquoted Equity Instruments	Unquoted Debt Instruments

(iv) Valuation techniques used for valuation of instruments categorised as level 3.

For valuation of investments in equity shares and associates which are unquoted, peer comparison has been performed wherever available. Valuation has been primarily done based on the cost approach where in the net worth of the Company is considered and price to book multiple is used to arrive at the fair value. In cases where income approach was feasible valuation has been arrived using the earnings capitalisation method. For inputs that are not observable for these instruments, certain assumptions are made based on available information. The most significant of these assumptions are the discount rate and credit spreads used in the valuation process. For valuation of investments in debt securities categorised as level 3, market polls which represent indicative yields are used as assumptions by market participants when pricing the asset.

(v) Financial Instrument- Financial Risk Management.

The Group's activity exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Group is exposed to and how it manages the risks.

A. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange risk rates, interest rates and equity prices which will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Holding Company's main business activity financial consulting has no or limited entry barrier. Entry of Banks and large consulting firms has increased competition.

40. FINANCIAL INSTRUMENT- FAIR VALUE MEASUREMENT (Contd.)

B. Fair Value Hierarchy (Contd.)

(v) Financial Instrument - Financial Risk Management. (Contd.)

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is exposed to interest rate risk on financial liabilities such as long-term borrowings.

The Group is also exposed to interest rate risk on its financial assets that include fixed deposits.

Impact of increase/decrease in the benchmark interest rates on the Holding Company's equity and the Statement of Profit and Loss for the year is given below:

Interest Rate Risk	Change in Rate	31st March, 2021		31st March, 2020	
		Change in statement of Profit and Loss	Change in Other components of equity	Change in statement of Profit and Loss	Change in Other components of equity
Interest Rate	50 bps	-	-	-	-
- Borrowings	-	9 %	-	9 %	-
- Other Financial Assets	-	8 %	-	8 %	-

(ii) Price Risk

The Group's exposure to equity securities price risk arises from investments held by the Group and classified in the Balance Sheet as fair value through Profit or Loss. The majority of the Group's equity investments are publicly traded.

Sensitivity analysis- Equity price risk

The table below summarises the impact of increase/decrease of the market price of the listed instruments on the Group's equity and profit for the period. The analysis is based on the assumption that market price had increased by 2% or decreased by 2%.

(₹ in '00)

Particulars	Impact on Profit or Loss		Impact on other components of equity	
	31st March, 2021	31st March, 2020	31st March, 2021	31st March, 2020
Market Price increases by 2%	572.04	278.14	-	-
Market Price decreases by 2%	(572.04)	(278.14)	-	-

b. Liquidity Risk

The Group determines its liquidity requirements in the short, medium and long term. This is done by drawing up cash forecast for short and medium term requirements and strategic financing plans for long term needs.

The Group manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. This is generally carried out in accordance with practice and limits set by the Group.

(v) Financial Instrument - Financial Risk Management. (Contd.)

(i) Maturity Analysis

The Group's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities and net settled derivative financial instruments. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

c. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligation, and arises principally from the Group's receivables from customers, stock exchanges and clearing members. The carrying amount of financial assets represents the maximum credit exposure. Security deposits with stock exchanges and clearing members mainly represents the margin money to cover the regular trading exposure in stock exchanges backed by margin collected from clients and has very insignificant credit risk.

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each client. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

Financial assets are written off when there is no expectation of recovery such as debtors failing to engage in a repayment plan with the Group. Where loans and receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where necessary, the Group has adopted the policy of creating expected credit loss where recoveries are made, these are organised as expense in the Statement of Profit and Loss.

44) Capital Advance

Capital Advances represent an amount of Rs.62,56,000/- towards booking of two flats at Mumbai against total consideration of Rs. 84,50,000/- in the Financial Year 2008. The Company is yet to receive the possession and therefore due to abnormal delay, the company has filed the case at RERA court, Mumbai against builder in Financial Year 2019-20.

- 45)** The Board of Directors has recommended a dividend at the rate of Re. 1/- per share (face value Rs.10/-) (previous year Re. 0.60/-) for the year ended 31st March, 2021 subject to approval of the shareholders at the ensuing Annual General Meeting.

As per requirements of Ind AS, the Company is not required to provide for proposed dividend declared after the Balance Sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the year ended 31st March, 2021. Had the company continued with the creation of the provision of the proposed dividend as at the Balance Sheet date, its surplus in the Statement of Profit and Loss would have been lower by Rs 79.84 lacs (Previous Year Rs. 47.90 Lacs) on account of dividend and and the short term provision would have been higher by the said amount of Rs. 79.84 lacs (Previous Year Rs. 47.90 Lacs).

Notes forming part of the Consolidated financial statements for the year ended 31st March, 2021 (Contd.)

- 46)** During the year, unclaimed dividend amounting to Rs.1,06,222/- relating to financial year 2012-13 has been transferred to IEPF Account as per section 124(5) of the Companies Act, 2013.
- 47)** Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.
- 48)** Figures have been rounded off to nearest Hundred.
