MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. *Economic Overview and Indian Pharmaceutical market:*

One year into the COVID-19 pandemic, economic recoveries continue to diverge across countries and sectors, reflecting variation in pandemic-induced disruptions and the extent of policy support. According to the Indian Economic Survey 2021, the domestic pharmaceutical market is expected to grow three times in the next decade to US\$ 42 billion in 2021 and US\$ 65 billion by 2024 and may reach ~US\$ 120-130 billion by 2030.

The Indian pharma market (IPM) grew at 4.3% over the April 2020 - March 2021 period, with a turnover of ₹1,56,797 Crore. The growth was primarily driven by price, which contributed 4.3% to the total, followed by new products at 3.6% and volume at -3.6%. Multinational companies hold about 20% share in the market and have grown at 2.6%.

IPM grew faster in March 2021 due to the base effect of lockdown beginning March 25, 2020. IPM growth declined to 4.3% in 2021 as compared to 10.5% growth last year.

2. *Industry Structure and Development:*

With more than 500 formulations to choose, a strong formulation development base and coveted WHO-cGMP certificate to its credit, Bharat Parenterals Limited has already made an export presence across the globe. The large scale modern production facility at Haripura, Savli is WHO-cGMP certified and abides by its stringent norms. Its processes are ISO 9001:2000 certified as well over years, Bharat Parenterals Limited has sharpened its production expertise, built modern production lines and consolidated manufacturing processes, which conform to international standards.

3. *Opportunities and Threats:*

The Indian pharmaceutical environment is evolving rapidly with government involvement which may impact the development of the Indian Pharmaceutical Market. Factors like government mandated price controls, patent scenario, weakening of rupee, stringent quality standards, etc. are some of the major issues that need consideration in the current scenario. Bharat Parenterals Limited will be able to place itself in a strong position by expanding strategically, increasing its manufacturing capacities and enhancing capacities across the organization. With the state of the art and regulatory compliant manufacturing facilities Bharat Parenterals Limited is geared up to encase the business opportunities available.

4. *Risk and Concerns:*

Dynamic business environment of modern times throws several challenges from time to time. Threats include:

- Growing competition both from domestic and global players
- Preference of some customers towards MNC suppliers over Indian suppliers
- High dependence on imported raw material.
- Volatility in raw and packing material prices and fluctuations in Foreign Exchange

- Rising cost of utilities.
- Cyclic demand changes in some market sectors.

Your company focuses on continual expansion of its products and customer base, while systematically strengthening its quality, innovation and cost competence in order to mitigate the potential impact of some of the above threats.

5. Segment-Wise Performance

- a) The Company is only in one line of business- Pharmaceuticals.
- b) The Segment Revenue in the Geographical Segment considered for disclosures are as follow:
 - Revenue with India includes sales to customers located within India -10880.53 (Rs. In lakhs)
 - Revenue outside India includes sales to customers located outside India – 9444.9 (Rs. In lakhs)

6. Outlook:

The Company is focusing on its core business of manufacturing and marketing of formulations. Research and development has been put on fast track for cost competitiveness and to comply with the regulatory market. Cost rationalization and management control at all levels are practiced to ensure operational efficiency in the sphere of manufacturing and marketing. Armed with strong resources base and a vision to be a leading manufacturer of formulations, the company is poised to unleash its true potentials to meet the challenges and exploit growth opportunities ahead.

World economic overview:

The year 2020 posed significant challenges for economies across the globe with lockdowns posing a threat of deep recession. However, sizeable, swift and unprecedented fiscal, monetary and regulatory responses by most Governments helped to maintain disposable income for households, protect cash flow for firms, and support credit provision. The global contraction for 2020 is estimated at 3.5%, led by China's quick recovery and better than expected GDP out turns in large advanced economies. New large economies have raised hope sofa turn around in 2021 with growth expectations of 5.5% followed by 4.2% in 2022. Across countries, recovery levels may vary significantly depending on access to medical interventions, effectiveness of policy support, exposure to cross-country spill overs, and structure

7. Internal Control System and their adequacy:

The Company has in place adequate internal control mechanism to ensure proper and stringent compliance of all policies, procedures and statutes, applicable to the company, nationally as well internationally. The company undergoes periodical review and a report thereon is provided to the management for taking further actions.

8. Human Resource:

Your company knows and believes that the success in establishment of Bharat Parenterals Limited as an international player with core strengths of R&D and Quality has been achieved due to the hard work and commitment of the human resource. A happy organization is made by happy human resource and thus, the company ensures continuous development, work-life balance and high morale of its employees at all times. Recognizing that people are important part of the organization, a major exercise in development and training of employees is undertaken at all levels of the company. The industrial relations in all the units of the Company during the financial year 2020-21

were peaceful and harmonious. Experienced and motivated employees have been the backbone of the Company. There were 286 peoples employed in the Company as on 31.03.2021. Your Company puts special emphasis on team building and positive work culture. We train employees to understand and absorb the latest technological trends which in turn, prepare them to achieve higher efficiency levels in production, quality besides leading to higher customer satisfaction. There is a systematic identification of training needs. Training and development inputs are provided to all employees – in the areas of skill development and behavioral improvement so that individual development keeps pace with organizational development.

9. Formulation and Developments:

Company always considering Formulation and Development as crucial for sustain growth of the Company. Company always try to introduce newer and newer drugs delivery system for ensuring products available as regard to time and enhancing therapeutic value. To achieve this objective we have experienced and qualified pharmacists whose activity is to maintain and find out newer and newer delivery system as well as re-engineering innovative process. This will held the Company to maintain material consumption ration.

**INDEPENDENT AUDITOR'S REPORT****TO THE MEMBERS OF BHARAT PARENTERALS LIMITED
Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the accompanying Standalone Financial Statements of Bharat Parenterals Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

**Information other than the Standalone Financial Statement and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexures to that Board's Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

The Board of Directors are also responsible for overseeing the company's financial reporting process.

**Auditor's Responsibilities for the Audit of Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in Para 1 ‘Report on Other Legal and Regulatory Requirements’ in our Independent Auditor’s Report to the members of the Company on the Standalone Financial Statements for the year ended 31st March, 2021.

- I. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Fixed Assets;

(b) As informed to us, the company has a phased programme of physical verification of its fixed assets so as to cover all assets once in three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets;

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company;
- II. As per the information and explanations given to us, physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed on physical verification;
- III. According to the information and explanations given to us, the Company has granted unsecured loan to two companies covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which;
 - a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company’s interest.
 - b) The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
 - c) There is no overdue amount remaining outstanding as at the year-end.
- IV. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable;
- V. In our opinion and as explained to us, the Company has not accepted any deposits during the year and therefore, the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder are not applicable to the Company;
- VI. We have broadly reviewed the cost records maintained by the Company as prescribed by the Central Government under sub section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed

examination of the cost records with a view to determine whether they are accurate or complete;

VII. According to the information and explanations given to us, in respect of statutory dues:

- (a) According to the information and explanations given to us and the records examined by us, the Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, Goods and Service Tax (GST), custom duty, cess and other statutory dues and there are no undisputed statutory dues outstanding as at 31st March, 2021, for a period of more than six months from the date they became payable;
- (b) According to the information and explanations given to us and the records examined by us, there are no dues of income tax, sales tax, wealth-tax, service tax, duty of customs, duty of excise, value added tax or cess that has not been deposited on account of disputes except the following:

Name of the statute	Nature of dues	Amounts (Rs. In lakhs)	Period to which the amounts relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	52.69	2014-15	CIT Appeal
Finance Act, 1994	Service Tax	9.70	April 2012 to March 2015	CESTAT, Ahmedabad

VIII. Based on our audit procedure and according to the information and explanation given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions or banks, Government or dues to debenture holders;

IX. According to the information and explanations given to us, no moneys were raised by way of initial public offer or further public offer (including debt instruments) and the term loans were applied for the purpose for which the loan were obtained during the year;

X. During the course of our examination of the books of account and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any incidence of fraud on or by the Company noticed or reported during the year, nor we have been informed of any such case by the management;

XI. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the

requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act;

- XII. In our opinion and according to the information and explanation given to us, the provisions related to Nidhi Company are not applicable;
- XIII. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards;
- XIV. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review;
- XV. According to the information and explanation given to us and based on our examination of the records, the Company has not entered into non-cash transactions with the directors or persons connected with them. Hence, the provisions of Section 192 of the Act are not applicable;
- XVI. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **BHARAT PARENTERALS LIMITED** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements of the company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS****1. COMPANY OVERVIEW:****1.1 Description of Business**

The Company is a Public Limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on one recognised stock exchanges in India. The registered office of the Company is located at Vill.- Hariपुरa, Savli, Baroda – 389 330. The Company is dealing in Manufacturing of Pharmaceutical Formulations.

1.2 Basis of Preparation of Financial Statements**i. Compliance with Ind AS**

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plans – plan assets measured at fair value.

iii. Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency, and all values are rounded to the nearest lakhs, except otherwise indicated.

iv. Composition of Financial Statements

The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Changes in Equity
- Statement of Cash Flow
- Notes to Financial Statements

1.3 Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2. Significant Accounting Policies and Other Explanatory Notes**A. Property, Plant and Equipment:****i. Recognition and measurement**

Freehold land is carried at cost and not depreciated. All other items of property, plant and equipment are measured at cost less accumulated depreciation and any

accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognized in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

An Item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is recognised so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives, using the Written Down Value Method on the basis of useful lives specified in part C of Schedule II to the Companies Act, 2013. The Estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in the estimated accounted for on a prospective basis.

B. Capital Work-in-Progress

Plant and properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and borrowing costs (for qualifying asset) capitalized in accordance with the Company's accounting policies. Such plant and Properties are classified and capitalized to the appropriate categories of Property, Plant and Equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the asset are ready for their intended use.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under "Other Non Current Assets" and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

C. Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. The Company has used government registration rates for the purpose of determining fair value of Land and Buildings.

**D. Impairment:****i. Non - financial assets**

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair valueless costs of disposal and value in use. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in statement of Profit and Loss.

E. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee**(A) Lease Liability**

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement**(A) Lease Liability**

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease:

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments

associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognised in the statement of profit and loss on straight line basis over the lease term.

F. Inventories:

Inventories are measured at the lower of Cost and Net Realizable Value. The cost of inventories includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. In the case of manufactured inventories and work in progress, costs include an appropriate share of fixed production overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The Net realisable value of work in progress is determined with reference to the selling prices of related finished products.

Raw materials, components and other supplies held for use in the production of finished products are not written down value below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

G. Investments and Other Financial Assets:**i. Classification:**

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

ii. Measurement

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial

assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

(a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.

(b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/ losses. Interest income from these financial assets is included in other income using the effective interest rate method.

(c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

iii. Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognized in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognized in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

iv. Derecognition

A financial asset is derecognized only when

(a) The Company has transferred the rights to receive cash flows from the financial asset or

(b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

H. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the company segregated.

In the Cash-flow statement, cash and cash equivalents are shown net of bank overdrafts, which are included as current borrowings in liabilities on the balance sheet

I. Financial Liabilities:**i. Measurement**

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

ii. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the Effective Interest rate (EIR) amortization process.

J. Foreign Currency Translation:**Initial Recognition:**

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

K. Revenue recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component and consideration payable to the customer like return and trade discounts.

Sales are disclosed excluding net of sales returns and Goods and Service Tax (GST).

**i. Interest income**

Interest income from the financial assets is recognized on a time basis, by reference to the principle outstanding using the effective interest method provided it is probable that the economic benefits associated with the interest will flow to the Company and the amount of interest can be measured reliably. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

ii. Export Benefits

Export incentives are recognized when the right to receive them as per the terms of the entitlement is established in respect of exports made.

The benefits accrued under the duty drawback scheme and Merchandise Export from India Scheme (MEIS) as per the Import and export Policy in respect of exports under the said scheme are recognised when there is a reasonable assurance that the benefit will be received and the company will comply with all attached conditions. The above benefits has been included under the head 'Export Incentives.'

iii. Dividend income:

Revenue is recognised when the Company's right to receive the payment is established

iv. Income from Wind Operated Power generators

Income from Sale of Wind Operated Power is accounted on accrual basis on confirmation of units generated and supplied to the State Electricity Board as per the agreement.

v. Rent Income

Income is recorded on accrual basis per terms of agreement,

vi. Other Income:

Other income is accounted for on accrual basis except where the receipt of income is uncertain in which case it is accounted for on receipt basis.

Claims/Insurance Claim etc are accounted for when no significant uncertainties are attached to their eventual receipts.

L. Employee benefits:**i. Short-term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Provident Fund:

Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

iii. Gratuity:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity

Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to ICICI Prudential life insurance under its Company's Gratuity Scheme. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of the year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Past-service costs are recognised immediately in profit or loss.

iv. Compensated Absences:

Entitlement of employees accumulating earned leave and eligibility of compensation or encashment of the same is also a defined benefit obligation and is treated as long term in nature in terms of the policies of the Company for the same. The value of obligation towards the same is provided for on the basis of actuarial valuation using projected unit credit method as at the balance sheet date. Actuarial gain / losses are immediately taken to the Statement of Profit and Loss and are not deferred.

v. Share based Payment

The grant date fair value of options granted to employees is recognised as an employee expense, with a corresponding increase in equity, on a straight line basis, over the vesting period, based on the Company's estimate of equity instruments that will eventually vest. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserves.

M. Borrowing costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

N. Income tax:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax

regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

O. Provisions and Contingencies:

i. Provisions

Provisions for legal claims, product warranties and make good obligations are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Long-term provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money. Short term provisions are carried at their redemption value and are not offset against receivables from reimbursements.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

ii. Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**iii. Contingent Assets**

Contingent Assets are not recognised as but are disclosed in the notes to the financial statements.

P. Earnings per Share:**i. Basic earnings per share**

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company, excluding any costs of servicing equity other than ordinary shares.
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

ii. Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional ordinary shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Q. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting to the Chief Operating Decision Maker "CODM" of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segment. The Company has monthly review and forecasting procedure in place and CODM reviews the operations of the Company as a whole.

R. Exceptional items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2.1 Recent pronouncements

Recent pronouncements On 24th March, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.

- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.
- The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes Mutual Fund that have quoted price. These are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis (if any).

50 Financial Risk Management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments. Credit risk is managed through continuous monitoring of receivables and follow up for overdue.

(i) Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

(ii) Trade Receivables

The Company has used Expected Credit Loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data to credit losses from various customers.

Changes in loss allowance		
Balance at the end of the year	96.12	66.12

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(i) Maturities of financial liabilities

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

(i) Price Risk

The company is mainly exposed to the price risk due to its investments in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. The above instruments risk are arises due to uncertainties about the future market values of these investments.

Management Policy

The company maintains its portfolio in accordance with the framework set by the Risk management Policies.

(ii) Foreign Currency Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company’s income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The risk is measured through a forecast of foreign currency for the Company’s operations.

The Company's exposure to foreign currency risk at the end of the reporting period expressed in Indian Rupee, are as follows:

**INDEPENDENT AUDITOR'S REPORT****TO THE MEMBERS OF BHARAT PARENTERALS LIMITED****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying Consolidated Financial Statements of Bharat Parenterals Limited ("the Company"), its subsidiary company (the Company and its subsidiary together referred to as "the Group") which comprise the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2021, the consolidated profit and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained by us is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Consolidated Financial Statement and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for other information. The other information comprises the information included Board's Report including Annexures to that Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so;

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

**Auditor's Responsibilities for the Audit of Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of

the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditor. For the other entities included in the Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion;

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements;

We communicate with those charged with governance of the company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of two subsidiaries companies, whose financial statements reflect total assets of Rs. 278.74 Lakhs as at 31st March 2021, total revenues of Rs. 280.18 Lakhs, total profit after tax of Rs. 10.59 Lakhs, total comprehensive profit of Rs. 10.59 Lakhs and net cash outflows of Rs. 13.68 Lakhs for the year then ended, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our report on the consolidated financial results, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditors;

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Group so far as it appears from our examination of those books and the reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Company as on 31st March, 2021 taken on record by the Board of Directors of the company and the report of the statutory auditors of its subsidiary company, incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

**ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **BHARAT PARENTERALS LIMITED** (“the Company”) and in respect of its subsidiary wherein such audit of internal financial controls over financial reporting was carried out by other Auditors whose reports have been forwarded to us and have been appropriately dealt with by us in making this report as on 31st March, 2021 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary company, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, its subsidiary company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Control and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements of the Company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company, its subsidiary company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and the operating effectiveness of the internal financial controls over financial reporting in so far as it relates to subsidiary company, which are incorporated in India, are based on the corresponding reports of the auditors of such companies incorporated in India.

Our Opinion is not modified in respect of above matter.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes Mutual Fund that have quoted price. These are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis (if any).

48 Financial Risk Management

The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

(A) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers, loans and investments. Credit risk is managed through continuous monitoring of receivables and follow up for overdues.

(i) Investments

The Group limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Group does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

(ii) Trade Receivables

The Group has used Expected Credit Loss (ECL) model for assessing the impairment loss. For the purpose, the Group uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data to credit losses from various customers.

Changes in loss allowance		
Balance at the end of the year	96.12	66.12

Other than trade and other receivables, the Group has no other financial assets that are past due but not impaired.

(B) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Group's short-term, medium-term and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(i) Maturities of financial liabilities

The tables herewith analyse the Group's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

**(C) Market risk****(i) Price Risk**

The Group is mainly exposed to the price risk due to its investments in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. The above instruments risk are arises due to uncertainties about the future market values of these investments.

Management Policy

The Group maintains its portfolio in accordance with the framework set by the Risk management Policies.

(ii) Foreign Currency Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Group’s income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The risk is measured through a forecast of foreign currency for the Group’s operations.

The Group's exposure to foreign currency risk at the end of the reporting period expressed in Indian Rupee, are as follows:

(i) Trade receivable and other Receivable
