NOTES TO NOTICE

- i. The Statement as required under Section 102 of the Companies Act, 2013 ("the Act") is annexed to the Notice.
- ii. In view of the current extraordinary circumstances caused by the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated 05th May, 2020 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" read with General Circular No. 14/ 2020 dated 08th April, 2020, the General Circular No. 17/ 2020 dated 13th April, 2020, No. 33/2020 dated 28th September, 2020 and General Circular No. 39/2020 dated 31st December, 2020 and General Circular No.02/2021 dated 13th January, 2021 (collectively referred to as "MCA Circulars") permitted the Companies to hold their Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the current AGM of the Company is being held through VC / OAVM. The deemed venue for the 30th AGM will be the registered office of the Company. The procedure for joining the AGM through VC/ OAVM is mentioned in this Notice.
- iii. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
- iv. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
- v. Members shall have the option to vote electronically ("e-voting") either before the AGM ("remote e-voting") or during the AGM.

In compliance with the provisions of Section 108 of the Act and Rule 20 of the Companies (Management and

- Administration) Rules, 2014 and any amendments thereto, Secretarial Standard on General Meetings ("SS-2"), Regulation 44 of the SEBI Listing Regulations and MCA Circulars, the facility for remote e-voting and e-voting in respect of the business to be transacted at the AGM is being provided by the Company through Central Depository Services (India) Limited ("CDSL"). Necessary arrangements have been made by the Company with CDSL to facilitate remote e-voting and e-voting during the AGM.
- vi. The Company has appointed Mr. Nishant Bajaj (Practicing Company Secretary), having COP no. 21538, as the scrutinizer for scrutinizing the entire e-voting process i.e. remote e-voting and e-voting during the AGM, to ensure that the process is carried out in a fair and transparent manner.
 - vii. The attendance of the Members joining the AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Act.
 - viii. Members attending the AGM through VC / OAVM should note that those who are entitled to vote but have not exercised their right to vote by remote e-voting, may vote during the AGM through e-voting for all businesses specified in the Notice. The Members who have exercised their right to vote by remote e-voting may attend the AGM but cannot vote during the AGM.
 - ix. Voting rights shall be reckoned on the paid-up value of the shares registered in the name of the Member / Beneficial Owner list maintained by the depositories as on the cutoff date i.e. Thursday, 23rd September, 2021 ("cut-off date").
 - x. A person who is not a member as on Wednesday, 22nd September, 2021 should treat this Notice for information purposes only.
 - xi. A person, whose name is recorded in the Register of Members / Beneficial Owners list maintained by the depositories as on Thursday, 23rd September, 2021 only shall be entitled to avail the facility of remote e-voting or e-voting during the AGM.
 - xii. Register of Members and Share Transfer Books will remain closed from Thursday 23rd September, 2021 to Thursday, 30th September, 2021 (both days inclusive).
 - xiii. In case of joint holders, only such joint holder who is higher in the order of names will be entitled to vote during the AGM.
 - xiv. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which includes easy liquidity since trading is permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents. Further, with effect from 01st April 2019, requests for transfer of securities are not permitted unless the securities are

Lactose (India) Limited

- held in a dematerialized form with a depository except in case of transmission or transposition of securities as per SEBI Listing Regulations. Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding at the earliest.
- xv. Members holding shares in dematerialized form are requested to update with their respective Depository Participants ("DP"), their bank account details (account number, 9 digit MICR and 11 digit IFSC), e-mail IDs and mobile number. Members holding shares in physical form may communicate details to the Company / Registrar and Transfer Agent viz. Bigshare Services Private Limited ("RTA") before Thursday, 23rd September, 2021 by quoting the Folio No. and attaching a scanned copy of the cancelled cheque leaf of their bank account and a self-attested scanned copy of the PAN card.
- xvi. Members can avail of the facility of nomination in respect of shares held by them pursuant to the provisions of Section 72 of the Act.
- xvii. Additional information of Directors seeking re-appointment at the ensuing AGM, as required under Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Clause 1.2.5 of the SS-2, is annexed to the Notice
- xviii. In line with MCA Circulars and SEBI circular dated 12th May 2020, the Notice calling the AGM along with the Annual Report for 2020-21 ("Annual Report") is being sent through electronic mode to those Members whose email addresses are registered with the Company / Depositories. Members may note that the Notice of AGM and Annual Report will also be available on the website of the Company at www.lactoseindialimited.com, and the website of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The Notice is also disseminated on the website of CDSL (agency providing the remote e-voting facility and e-voting during the AGM) at www.evotingindia.com. For the purpose of receiving the Notice of the AGM and the Annual Report through electronic mode in case the email address is not registered with the respective DPs / Company / RTA, Members may register the email IDs using the facility provided by the Company through the following link <https://bigshareonline.com/InvestorRegistration.aspx#AdvdTrack#> Members who have not yet registered their e-mail addresses are requested to register the same with their DPs in case the shares are held by them in dematerialized form and with Company/ RTA in case the shares are held by them in physical form.
- xix. All the documents referred in the Notice are available for inspection electronically from the date of dispatch of Notice upto 30th Annual General Meeting. Members seeking to inspect such documents are requested to write to the Company at lil@lactoseindialimited.com.
- xx. In case of any queries regarding the Annual Report, the Members may write to investor@bigshareonline.com to receive an email response.
- xxi. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated, 13th, January 2021.
- xxii. **Procedure for voting through electronic means:**
- (A) Procedure and instructions for remote e-voting**
- Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL
- The instructions for shareholders voting electronically are as under:
- For Members, whose e-mail addresses are registered with the Company/ Depositories:
- The instructions for members for voting electronically are as under:
- (i) The voting period begins on Sunday, 26th September, 2021 at 9.00 a.m. (IST) and ends on Wednesday, 29th September, 2021 at 5.00 p.m (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, 23rd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs,

thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

The Members

Lactose (India) Limited

Survey No. 6, Village Poicha (Rania),
Savli, Dist. Vadodara, Gujarat – 391780

I have examined the compliance of conditions of Corporate Governance by Lactose (India) Limited (“the Company”) for the year ended 31st March, 2021 as stipulated under Regulations 17 to 27, of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) as amended.

The compliance of conditions of Corporate Governance is the responsibility of the Company’s Management. My examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the provisions as specified in 17 to 27, of Regulation 46 and para C, D & E of Schedule V of the SEBI Listing Regulations during the year ended 31st March, 2021.

I further state that my examination of such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Pharmaceutical Industry:

Globally, the past 15 months were an unprecedented period with economies combating the extreme volatility, uncertainty and complexity presented by the COVID-19 pandemic. Governments and central banks initiated massive fiscal and liquidity measures to shore up countries and economies finances battered by widespread lockdowns imposed to contain the pandemic. The pandemic tested the resilience and agility of businesses to adapt to evolving consumer demand patterns, while tackling several challenges in the supply chain.

Market Size

The global pharmaceuticals market reached a value of nearly \$1,217.1 billion in 2019, having increased at a compound annual growth rate (CAGR) of 6.7% since 2015. The market is expected to decline from \$1,217.1 billion in 2019 to \$1,209.6 billion in 2020 at a rate of -0.6%. The decline is mainly due to lockdown and social distancing norms imposed by various countries and economic slowdown across countries owing to the COVID-19 outbreak and the measures to contain it. The market is then expected to recover and grow at a CAGR of 8.5% from 2021 and reach \$1,738.2 billion in 2023. The market is expected to reach \$2,050.9 billion in 2025 and \$3,206.3 billion in 2030. Technological advances, changes in lifestyles, new methods for drug discovery, large pool of undiagnosed population, and an increase in pharmaceutical drug usage due to the COVID-19 pandemic will drive the growth of the market. Factors that could hinder the growth of the pharmaceuticals market include reduction in free trade and high manufacturing costs of biologics.

The pharmaceuticals market consists of sales of pharmaceuticals and related services by entities that produce pharmaceuticals used in treating diseases. This industry includes establishments that produce biologics and pharmaceutical drugs. The pharmaceutical industry develops drugs to diagnose, cure, treat or prevent diseases, infections, and injuries. Pharmaceuticals are subjected to various laws and regulations that deal with patenting, testing, safety, efficacy and marketing. Pharmaceutical drug manufacturers produce pharmaceutical drugs made from active pharmaceutical ingredients (API) and excipients.

Indian Industry Structure and Development:

Learning from the challenges during the peak phases of the pandemic, the Indian regulatory authorities announced several landmark reforms to boost the India's exports as well as reduce dependency on API and key starting raw material imports. The regulatory authorities also sharpened their focus on other aspects of the healthcare value chain to ensure continuity of supply of medicines, affordability and long-term preparedness for combatting future pandemics.

Market Size

Indian pharmaceutical sector supplies over 50% of the global demand for various vaccines, 40% of the generic demand for US and 25% of all medicines for UK. India contributes the second-largest share of pharmaceutical and biotech workforce in the world. According to the Indian Economic Survey 2021, the domestic market is expected to grow 3x in the next decade. India's domestic pharmaceutical market is estimated at US\$ 42 billion in 2021 and likely to reach US\$ 65 billion by 2024 and further expand to reach ~US\$ 120-130 billion by 2030.

Globally, India ranks 3rd in terms of pharmaceutical production by volume and 14th by value. The domestic pharmaceutical industry includes a network of 3,000 drug companies and 10,500 manufacturing units.

India is the 12th largest exporter of medical goods in the world. The country's pharmaceutical sector contributes 6.6% to the total merchandise exports. As of May 2021, India supplied a total of 586.4 lakh COVID-19 vaccines, comprising grants (81.3 lakh), commercial exports (339.7 lakh) and exports under the COVAX platform (165.5 lakh), to 71 countries.

Indian drugs are exported to more than 200 countries in the world, with US being the key market. Generic drugs account for 20% of the global export in terms of volume, making the country the largest provider of generic medicines globally. It is expected to expand even further in the coming years. The Indian pharmaceutical exports, including bulk drugs, intermediates, drug formulations, biologicals, Ayush & herbal products and surgical, reached US\$ 24.44 billion in FY21.

India's medical devices market stood at US\$ 10.36 billion in FY20. The market is expected to increase at a CAGR of 37% from 2020 to 2025 to reach US\$ 50 billion.

'Pharma Vision 2020' by the Government's Department of Pharmaceuticals aims to make India a major hub for end-to-end drug discovery. The Indian drugs and pharmaceuticals sector has received cumulative FDI inflows worth US\$ 17.75 billion between April 2000 and December 2020.

To achieve self-reliance and minimize import dependency in the country's essential bulk drugs, the Department of Pharmaceuticals initiated a PLI scheme to promote domestic manufacturing by setting up greenfield plants with minimum domestic value addition in four separate 'Target Segments' with a cumulative outlay of Rs. 6,940 crore (US\$ 951.27 million) from FY21 to FY30. In June 2021, Finance Minister Ms. Nirmala Sitharaman announced an additional outlay of Rs. 197,000 crore (US \$26,578.3 million) that will be utilised over five years for the pharmaceutical PLI scheme in 13 key sectors such as active pharmaceutical ingredients, drug intermediaries and key starting materials.

Under Union Budget 2021-22, the Ministry of Health and Family Welfare has been allocated Rs. 73,932 crore (US\$

Lactose (India) Limited

10.35 billion) and the Department of Health Research has been allocated Rs. 2,663 crore (US\$ 365.68 billion). The government allocated Rs. 37,130 crore (US\$ 5.10 billion) to the 'National Health Mission'. PM Aatmanirbhar Swasth Bharat Yojana was allocated Rs. 64,180 crore (US\$ 8.80 billion) over six years. The Ministry of AYUSH was allocated Rs. 2,970 crore (US\$ 407.84 million), up from Rs. 2,122 crore (US\$ 291.39 million).

India plans to set up a nearly Rs. 1 lakh crore (US\$ 1.3 billion) fund to provide boost to companies to manufacture pharmaceutical ingredients domestically by 2023.

Opportunities and Threats:

There are very few manufacturers of API developed by the company worldwide, which has high demand in the market. A part from this, being in contract manufacturing business our clients has added new products to the existing product line.

While the underlying demand drivers for global markets continue to remain broadly intact, the operating environment has become significantly tougher for sub-scale business models, as sector profitability comes under pressure.

Segment-wise or product-wise performance:

The Company's business activity falls within a single business segment i.e. Pharmaceutical Business.

Outlook:

The company has focused on new product development. The outlook of the company remains positive during the financial year. The company enjoys cGMP approvals and all the facilities are built and operated according to the cGMP (current Good Manufacturing Practices).

Risk and Concerns:

The company is majorly dependent on contract manufacturing business for another few years, till the company achieves full capacity utilization for its own manufactured product.

Internal Control System and their adequacy:

Being a pharma company and ISO Certified the process parameters are fully documented and are in place. The role and responsibilities of various people are fully defined in all the functional level. There is continuous flow of information at all level and effective internal audit and internal checks are done at regular interval to ensure their adequacy and efficiency.

Additionally, the following measures are taken to ensure proper control:

- Budgets are prepared for all the operational levels.
- Any material variance from budget has to be approved by the Commercial director.

- Any major policy change is approved by the managing director.
- Any deficiency in not achieving target is reviewed at management meetings.

Discussion on financial performance with respect to operational performance:

The Company Return on Net Worth (RoNW) has gone down to **-6.90%** for financial year 2020-21 as compared to **0.11%** for financial year 2019-20. The drop in RoNW was primarily decreased in the revenue due to COVID-19 Social Distancing restriction imposed by Government of India.

INDEPENDENT AUDITOR'S REPORT

To the Members of Lactose India Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Lactose India Limited ("the Company"), which comprises the balance sheet as at 31st March 2021, and the statement of Profit and Loss (Including Other Comprehensive Income), statement of cash flows and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Indian Accounting Standards ('Ind AS) specified under Section 133 of the Act, of the state of affairs of the Company as at March 31, 2021, and its loss and other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with Companies (Indian Accounting Standard) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Lactose (India) Limited

Auditor's Responsibilities for the Audit of the Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended 31st March 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet , the Statement of Profit & Loss including the statement of other comprehensive income, the statement of changes in Equity, and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statement of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements (refer note no 31 of the Financial Statements)
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
3. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the act which are required to be commented upon by us

Annexure “B” to Independent Auditor’s Report

To the Independent Auditor’s Report of even date on the Financial Statements of Lactose India Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to the financial statement of Lactose India Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Financial Statements

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Financial Statements

A company’s internal financial control over financial reporting with reference to these Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Financial Statements and such internal financial controls over financial reporting with reference to these Financial Statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

**Summary of significant accounting policies and
other explanatory information for the year ended 31 March 2021**

1. Company Overview:

Lactose (India) Limited (“the Company”) is a listed public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company is a Pharmaceutical Company and engaged in the Business of Manufacturing, trading and carrying out job work and manufacturing of Pharmaceutical Products. The equity of the Company is listed on the Bombay Stock Exchange.

The financial statements of the Company for the year ended 31 March 2021 were authorized for issue in accordance with resolution of the Board of Directors on 21st June, 2021.

2. Statement of Significant Accounting Policies:

2.1 Basis of preparation of financial statements:

The Ind AS Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“Act”) read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Ind AS Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company’s financial statements are reported in Indian Rupees, which is also the Company’s functional currency, and all values are rounded to the nearest Rupees, except when otherwise indicated.

2.2 Use of estimates:

The preparation of the Ind AS financial statements of the Company in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the financial statements. These estimates are based upon management’s best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the financial statements in the period in which the estimates are revised in any future periods affected.

2.3 Fair Value Measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

2.4 Revenue Recognition

Revenue is recognized when it is earned and no significant uncertainty exists as to its realization and when the revenue can be reliably measured.

Revenue from sale of goods is recognized when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred to the customers and no effective ownership is retained.

Revenue from the sale of goods is net-off returns, taxes or duties collected on behalf of the government and applicable trade discounts and rebates.

Revenue from services rendered, is recognised in the profit or loss as the underlying services are performed. Upfront non-refundable payments received under these arrangements are deferred and recognised as revenue over the expected period over which the related services are expected to be performed

**Summary of significant accounting policies and
other explanatory information for the year ended 31 March 2021**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Revenue in respect of export sales is recognized on the basis of dispatch of goods for exports. (i.e. on the date of Bill of Lading).

Dividend is recognized when right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reasonably.

Other Income is accounted for on accrual basis, when certainty of receipt is established.

2.5 Inventories

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Stores and Spares and Packing Materials, are valued at cost or net realizable value, whichever is lower. Materials-in-transit are valued at cost-to-date. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on FIFO basis. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

2.6 Property, Plant and Equipment (PPE):

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Spare parts which meet the definition of Property, Plant and Equipment are capitalized as Property, Plant and Equipment. In other cases, the spare part is inventorised on procurement and charged to the Statement of Profit and Loss on consumption.

An item of property, plant and equipment and any significant part initially recognised separately as part of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

2.7 Capital Work in Progress

Cost of assets not ready for use at the balance sheet date is disclosed under capital work-in-progress. Expenditure during construction period is included under Capital Work in Progress & the same is allocated to the respective PPE on the completion of its construction.

2.8 Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

2.9 Borrowing costs

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

**Summary of significant accounting policies and
other explanatory information for the year ended 31 March 2021**

2.10 Depreciation

Depreciation on Plant, Property and Equipment has been provided on the Straight - Line basis, over the estimated useful lives of assets. The Company provides pro-rata depreciation from the date of addition / up to the date of deletion made during the reporting period. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposal of the asset and the resultant gains or losses are recognized in the statement of Profit and Loss.

The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act.

2.11 Impairment of Non - financial Assets:

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

2.12 Government Subsidy

Grants and subsidies from the Government are recognized if the following conditions are satisfied,

- There is reasonable assurance that the Company will comply with the conditions attached to it.
- Such benefits are earned and reasonable certainty exists of the collection.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

2.13 Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a) **Current Tax**

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

**Summary of significant accounting policies and
other explanatory information for the year ended 31 March 2021**

b) Deferred tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

c) Minimum Alternate Tax

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

2.14 Financial Assets

a) Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the statement of Profit and Loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

b) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Asset at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Asset Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer

**Summary of significant accounting policies and
other explanatory information for the year ended 31 March 2021**

a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

2.15 Financial Liabilities

a) Initial recognition and measurement

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

(i) Financial Liabilities at fair value through profit or loss (FVTPL)

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

(ii) Financial Liabilities measured at amortised cost

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.16 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

2.17 Employee Benefits

a) Short-term employee benefit

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

b) Post-employment obligations

The Company operates the following post – employment schemes:

1. Defined benefit plans such as gratuity, and
2. Defined contribution plans such as provident fund.

Gratuity Obligation:

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report

Defined Contribution Plans

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions..

2.18 Foreign Exchange Translation and Accounting of Foreign Exchange Transaction

a) Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b) Conversion :

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c) Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

2.19 Provisions, Contingent Liabilities and Capital Commitments

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are disclosed in the financial statements.

2.20 Earnings per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

2.21 Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act

2.22 Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.23 Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

2.24 Trade Receivable

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

2.25 Trade payable

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

2.26 Leases

Company as a lessee

The Company, as a lessee, recognises a right of- use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The management assessed that fair value of cash and cash equivalents, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Note 35 : Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk.

a) Interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

Particulars	(₹ in lakhs)	
	As at 31 March 2021	As at 31 March 2020
Total Borrowings	4,578.73	3,880.11

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

c) Commodity and other price risk

The Company is not exposed to the commodity and other price risk.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies, financial condition, ageing of accounts receivable and the Company's historical experience for customers.
