Summer vacation cut short, West Bengal schools to reopen on June 10

Kolkata The West Bengal government on Thursday reduced the duration of the summer vacation in state-run schools. Earlier, the schools were scheduled to reopen on June 30 after the vacation. However, following the amendment, schools will reopen on June 10.State Education Minister Partha Chatterjee in a Facebook post said, “Summer vacation as notified has been amended. The schools — primary, secondary will reopen on June 10, 2019. P.S. Necessary notice will be issued by the education department, secondary cell.”

Following the announcement, the School Education Department issued the necessary notification in this regard.

Earlier, the state government was criticised by a section of the people and teachers’ associations for announcing a two-month summer vacation. They were of the view that such a long summer vacation will pose a hurdle to complete the syllabus in schools on time. On May 3, the state government had announced a prolonged summer vacation till June 30 keeping in view the progress of super cyclone Fani and extreme heat weather.

Kolkata: 50-year-old BJP worker killed in Burdwan, party blames Trinamool

Kolkata A 50-year-old man was stabbed to death at Ketugram in East Burdwan district on Thursday. The BJP claimed that Shushil Mondal was its party worker.

According to police, the incident took place in Pandugram village when Mondol was preparing for a BJP victory rally and was heard shouting ‘Jai Shree Ram’, which angered a few Trinamool Congress supporters. This led to a scuffle between them and was then stabbed to death.

Ketugram falls under Bolpur Lok Sabha constituency, which was won by TMC. However, the BJP got a lead of about 100 votes from Pandugram village.

“Mondal was chanting ‘Jai Shree Ram’ and was putting up BJP flags on a wall when Trinamool Congress supporters attacked him,” said Anil Datta, a BJP East Burdwan district committee member.Local leaders of Trinamool Congress, however, claimed that they were not responsible for the murder, and added that it was fallout of a personal dispute.“TMC is not involved, the incident is a result of personal rivalry. BJP is opportunist and blame Trinamool Congress for every death,” said Trinamool Congress leader Swapan Debnath.

Meanwhile, police officials have filed a complaint on the basis of which a case will be filed. Two people have been named in the complaint letter.“We have received a complaint. No arrest has been made yet,” said a Ketugram police official.

Police said they were making all efforts to trace the accused. The BJP claimed that it was the fifth incident, in which their party workers have been murdered due to political rivalry.

Multiple sclerosis clinic at AIIMS from next month

Chandigarh. Bathinda MP Harsimrat Kaur Badal on Wednesday said that vegetable processing would get a boost in Punjab with a renowned Spanish firm initiating work on a Rs 550-crore processing facility in Samrala in collaboration with IFFCO. Punjab CM will inaugurate start of work on the plant Thursday.

Harsimrat expressed satisfaction that a MoU signed between the firm and Invest India in Septemb, are also encouraged to set up their plants in Punjab.”Harsimrat said she was confident the project would open a new market for potato growers of Doaba with a processing capacity of 80,000 metric tonnes per annum. “It will also give a boost to vegetable cultivation. More than 5,000 farmers will be benefited directly as the company will procure vegetables locally. The company is also likely to provide one thousand jobs,” she added.So anytime that myelin sheath gets interrupted or it gets damaged at a place, that transfer of information does not happen,” said Dr Rohit Bhatia, department of neurology, AIIMS.

“Suppose it affects your optic nerve, what you’re seeing... gets interrupted so you perceive it as blindness,” he said.

At AIIMS, doctors are planning to provide treatment in the new clinic not just through prescriptions, but through comprehensive support systems where doctors can spend more time with patients. As MS diagnoses continue to rise, their main goal is to provide a space for understanding that patients need more innovative forms of care.The cause of MS is unknown, though it is generally believed to be a combination of genetic, immunological and environmental factors. Because it often takes many years for someone to be diagnosed.,
