**NOTES :**

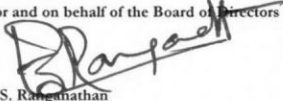

- 1 The standalone financial results of Indraprastha Gas Limited ('IGL' or the 'Company') for the year and quarter ended 31 March 2019 and consolidated financial results for the year ended 31 March 2019 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 24 May 2019. The statutory auditors of the Company have expressed an unmodified audit opinion on these results.
- 2 Delhi Development Authority (DDA) had raised a total demand of ₹155.64 crores during 2013-14 on account of increase in license fees in respect of sites taken by the Company on lease from DDA for setting up compressed natural gas (CNG) stations in Delhi. The increase in license fees was related to the period 1 April 2007 to 31 March 2014. The Company had filed a writ petition on 11 October 2013 before the Hon'ble High Court of Delhi against the demand raised by DDA as the revised license fees had been increased manifold and made applicable retrospectively from financial year 2007-08. Further, DDA vide communication dated 29 August 2016 had revised the total demand to ₹330.73 crores for the period upto 31 March 2016. The same was also reported in the previous years as a contingent liability. The matter is pending in the Hon'ble High Court of Delhi and the Company is of the view that such demand is not tenable and accordingly no provision has been made for this aforementioned demand raised by DDA in the books of accounts.
- 3 Post the applicability of Ind AS 115 'Revenue from Contracts with Customers' from 1 April 2018, the revenue from operations are now required to be disclosed net of facility charges. Such expenses were earlier grouped under 'other expenses' in accordance with the requirements of Ind AS upto 31 March 2018. However, the Company has applied full retrospective approach in adopting the new standard and has accordingly restated the previous period(s) numbers, as disclosed in the results, which have been tabulated below:

Particulars	Standalone				Consolidated			
	Three months ended 31 March 2019	Three months ended 31 December 2018	Corresponding three months ended 31 March 2018	Year ended 31 March 2019	Previous year ended 31 March 2018	Year ended 31 March 2019	Previous year ended 31 March 2018

There is no impact on the Earning per share (EPS) as result on the adoption of aforementioned adjustment of Ind AS 115.

- 4 Figures for the quarters ended 31 March 2019 and 31 March 2018 represent the balancing figures between the audited figures for the full financial year and published year to date figures upto the third quarter of the years ended 31 March 2019 and 31 March 2018 respectively.
- 5 The Company's business falls within a single segment in terms of the Indian Accounting Standard 108, 'Operating Segments' and hence no additional disclosures are being furnished.
- 6 The Board of Directors have recommended a final dividend of 120% i.e. ₹2.40 (previous year ₹2.00) on equity shares of ₹2 (previous year ₹ 2) each for the year ended 31 March 2019 subject to approval of shareholders at the ensuing annual general meeting.
