Our Business Model

22nd February, 2025

COCO / Leased - Company owns or operates leased hotels and restaurants, under its brand VITS and Kamats.

We identify existing running under performing assets not requiring major Capex.

Brand : Booked in our Company .

Expenses : Booked in our Company.

Advantage : Turnover and potential profits all captured by us in our books.

Disadvantage : Risk is with our company. Losses / expenses are in our company's books, if any.

Managed / Franchised - Company leverages its strong brand value of VITS and Kamats to lend use of its brand name under guidelines to third parties.

Revenue : All sales are booked in third party books. Our company receives Fees and Royalty from the sales, which is typically 5% to 7% of the turnover of the Hotel/ Restaurant asset.

Expenses : All expenses are of the owner of asset / third party; not in company books.

Advantage : Entire risk is with the owner of asset that helps us grow visibility with minimum funds.

Disadvantage : Fees received are small and do not help our company's topline significantly.

Our Business Model – Asset Light Model

22nd February, 2025
