The IEPF Rules mandate companies to transfer shares of Members whose dividends remain unpaid / unclaimed for a continuous period of seven years to the demat account of IEPF Authority. The Members whose dividend / shares are transferred to the IEPF Authority can claim their shares / dividend from the Authority.
8. Voting through electronic means Pursuant to provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended, the Company is pleased to offer Remote e-voting facility to the members to cast their votes electronically as an alternative to participation at the Annual General Meeting (AGM) to be held on Thursday, 30th September, 2021 at 10:00 am at the registered office of the Company. Please note that remote e-voting through electronic means is optional. The company is also providing the facility of poll at the meeting by way of ballot. The Company has engaged the services of Central Depository Services India Ltd (CDSL) to provide remote e-voting facilities. The remote e-voting facility is available at the link <https://www.evotingindia.com>. The Company had fixed on Thursday 23rd September, 2021 as the cut off date for determining voting right of shareholders entitled to participating in the remote e-voting process. The remote e-voting facility will be available from 9:00 a.m. onwards on Monday, 27th September, 2021 and will be up to 5:00 p.m. on Wednesday, 29th September, 2021. During this period, members of the company may cast their vote electronically. The remote e-voting module shall be disabled for voting thereafter. Once the vote(s) on a resolution is cast by the member, the member shall not be allowed to change it subsequently, as well as not be allowed to vote at the meeting. The voting rights of the members shall be in proportion to their shares of the paid up equity share capital of the company as on Thursday, 23rd September, 2021. A person, whose name is recorded in the Register of members or in the Register of beneficial owners maintained by the Depositories as on the cut off date only shall be

entitled to avail the facility of remote e-voting and voting at AGM through ballot. Any person who acquires shares of the company and becomes member of the company after dispatch of the Notice and holding shares as on cut off date i.e. Thursday, 23rd September, 2021. may obtain the sequence number by sending a request at rnt.helpdesk@linkintime.co.in. The instructions for shareholders voting electronically are as under:

- i. The voting period begins on Monday, 27th September, 2021 at 9:00 am. onwards and will be up to 5:00 pm. on Wednesday, 29th September, 2021. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, 23rd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS

A) INDUSTRY STRUCTURE AND DEVELOPMENT:

The Company continues to remain one of the best market leaders in the Starch industry. The products of the Company are very well accepted in local and international markets due to its quality and applications. Your Company has entered 48th year of operation and is a leading Producer of Starch based Products in India and having a plant at Rawal Industrial Estate, Dada Nagar, Dondaicha, Dist. Dhule. M/s. Universal Starch-Chem Allied Ltd., has achieved remarkable milestones during the history of last 20 years since its incorporation in 1973. The Company has successfully enhanced the production capacity of Maize Refining.

The efforts have been put to enlarge the product portfolio of the Company by including the high value products to ensure that the bottom line is improved. Efforts are also on to further improve the technical efficiency of the Company with the help of the consultants and experts in the field. It follows a balanced fair business policy for dealing with all stakeholders including its vendors and customers. The Management works with a vision to maximize shareholders' value by following fully transparent and most ethical business practices. We work closely with our customers through every stage of our innovation process to move ideas quickly from concept to commercial launch. At present, India's agricultural exports predominantly consist of raw materials, which are then processed in other countries, again indicating the space to move up the value chain. Despite India being one of the largest producers of agricultural commodities in the world, Food processing provides an opportunity to utilize excess production efficiently. The process of new product development has been accomplished through the instantaneous efforts of different teams like Marketing, R & D, Engineering & Production.

The day to day operations of the Company is looked after by Executive Chairman & Managing Director along with other whole Time Executive Directors assisted by team of competent, Technical and Commercial Professionals. Further details of the company can be obtained by visiting the website www.universalstarch.com.

B) OPPORTUNITIES, THREATS, RISKS AND CONCERNS:

Opportunity: The food processing sector in India encompasses manufacturing enterprises in all the segments from micro to large industries. With population growing steadily, the demand for food is increasing. With disposable income rising steadily the food sector has been witnessing a marked change in consumption pattern. Food and global starch industry continue to be one of the biggest long term sustainable business opportunities that India offers and starch industry has seen through the pandemic that demand for food has remained fairly robust. India produced all varieties of food products namely Oil Seeds, Sugar cane, Maize, Cereals & Millets, Cotton,

Pulses, Medicinal Plants, Tea, Fruits, Spices, Dry Fruits, Vegetables, Coffee etc. India's food ecosystem offers huge opportunities for investments with stimulating growth in the food retail and starch manufacturing sectors, favorable economic policies and attractive fiscal incentives. Like any other sector of the economy, only happy and rewarded employees will be productive employees. After making handsome profit from the starch and animal feed this year, farmers will invest more money in new technologies and hybrid seeds to grow more maize. In the next two years, we expect 30% more farmers will grow maize or will switch from other crops to maize. Since the industry is in expansion mode, there will be huge demand for maize over the next three years.

Threats: - Government policies, trade restrictions, food safety regulations, and other regulations and mandates can impact the Company's ability to execute different strategies successfully. Other government policies also affect a variety of Businesses; and political instability could adversely affect the Company's operating results. Outbreak of Covid-19 Pandemic has changed the overall economic activity resulting in serious disruption of business operations. Since the situation is evolving continuously and the uncertainty prevails, it may significantly impact the operations in the coming months including the level of capacity utilization, demand scenario, sales, prices of raw material & finished products etc. The availability and price of Maize remain very volatile as its production/cultivation is subject to natural vagaries. The industry's raw material being agricultural in nature is subject to price fluctuations as well as production uncertainty. The industry is also faced with challenges like growing competition in the sector.

Risk and concern:- The Company's operating results could be affected by changes in other government policies, rules, regulations affecting the agricultural sector and related industries. Due to COVID-19 pandemic internal as well as external risks are affecting the business operations and business growth. A few reasons for dampened growth include volatile raw material supply, the competitive need for bio-energy as well as the relationship between oil prices and agricultural raw materials. The main reason why the good potential for corn starch in India remains untapped is because there is a legal restriction related to the use of modified starches in the country.

C) INTERNAL CONTROL SYSTEM:

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of its business. These systems and procedures provide reasonable assurance of maintenance of proper accounting records, reliability of financial information, protection of resources and safeguarding of assets against unauthorized use. The Company has appointed a firm of Chartered Accountant as Internal Auditors and has an effective internal control system to ensure that all the transactions are properly executed and recorded. The internal auditors conduct audits of various departments based on an annual audit plan. The planning and conduct of internal audits are oriented towards the review of controls

in management of the company's activities. The internal auditors report significant audit observations to the Audit Committee of the Board of Directors. The committee meets at regular intervals during the year to review audit observations and follow-up implementation of corrective actions. The committee also discusses with the company's statutory Auditors to ascertain their views of adequacy of internal control systems in the Company. The Committee submits its observations to the Board of Directors.

D) HUMAN RESOURCE & DEVELOPMENT.

It is your company's belief that the competence and commitment of its people are key drivers of competitive advantage enabling your company to deliver unique customer value and complete successfully in the market place. Your company's human resources management systems and processes aim to create a responsive, market focused, customer centric culture and enhance organizational vitality, so that each business is made more competitive and equipped to seize emerging market opportunities. The staff and executives of the company are sponsored for attending various seminars to upgrade their knowledge bank. The company's continuing focus on human resources will help it to create and retain critical skills and scale up to meet the market demand. During the year under review the industrial relations with the workman at various units of the company were by and large peaceful and cordial.

E) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

Your Company's Total Sales and Other Income for the year amounting to Rs. 29,739 Lacs as compared to Rs. 26,601 Lacs of last year. The profit before tax for the year under review stood at Rs. 723 Lacs as compared to profit of Rs. 41 Lacs in 2019-2020.

F) BUSINESS OUTLOOK:

The future for Maize Starch in India looks promising with the low per capita consumption in the country coupled with high and good quality of raw material. Awareness of the utility of Maize Starch in various industrial sectors is growing and it provides a lower cost option as to use in different sectors. The year 2020-2021 offers reasonably improved picture in terms of the growth in starch industry in comparison with previous years. Your company has entered into new export markets which will in turn increase the turnover further.

G) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company is engaged in developing, manufacturing and distribution of Maize Starch Powder, White Dextrin, Pregelatinized Starch, Modified Starch, Liquid Glucose, Dextrose Syrup, Dextrose Monohydrate, Dextrose Anhydrous, Maize Germ, Maize Glutten, Maize Husk as its by products in the market.

The Total Sales of the Main products and Bye products of the company is Rs. 29,636 Lacs as compared to Rs. 26,380 Lacs for the previous year.

H) CAUTIONARY STATEMENT:

The Management discussion and analysis report contains forward looking statements based upon the data available with the Company, assumptions with regard to economic conditions, the government policies etc. Particularly, the imposition of lockdown and curfew in some states due to outbreak of Covid-19 Pandemic has caused serious disruption of business operations across the country. The Company has taken necessary steps from time to time to contain the impact of pandemic following the statutory guidelines/advisories issued by the Central / State Governments. Owing to the uncertainty in the economic activity, post lifting the lockdown, the Company has carried out due assessment of the possible impact on its business results and its overall liquidity position. Since the situation is evolving continuously, the impact in future may be different from the estimates made on the date of approval of these results. Management continues monitoring of the material changes due to the said Pandemic and taking necessary measures accordingly to address the situation, the Company cannot guarantee the accuracy of assumptions and performance of the Company in future. Therefore, the actual results, performance or achievements could thus differ materially from those projected in any such forward looking statement. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statement, on the basis of any subsequent development, information or event.

Certain statements in the Management Discussion and Analysis section may be forward-looking and are stated as required by applicable laws and regulations. Many factors may affect the actual results, which would be different from what the Directors envisage in terms of the future performance and outlook. Investors are cautioned that this discussion contains forward looking statement that involve risks and uncertainties including, but not limited to, risks inherent in the Company's growth strategy, dependence on certain businesses, dependence on availability of qualified and trained manpower and other factors discussed. The discussion and analysis should be read in conjunction with the Company's financial statements and notes on accounts.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

Universal Starch-Chem Allied Limited**REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS****OPINION**

We have audited the accompanying standalone financial statements of **Universal Starch-Chem Allied Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows ended on that date, and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit and total comprehensive income, changes in equity

and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Net realizable value of Finished Goods</p> <p>Finished goods inventory are valued at lower of cost and net realizable value (estimated selling price less estimated cost to sell). Considering that there is always a volatility in the selling price of maize starch ("commodities"), which is dependent upon various market conditions, determination of the net realizable value for these commodities involves significant management judgement and therefore has been considered as a key audit matter.</p> <p>The total value of finished goods (commodities) as at 31 March, 2021, is Rs.520.49 lakhs. Also refer to Note 2 (l) for the accounting policy on valuation of finished goods.</p>	<p>Principal Audit Procedures</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the determination of the net realizable values of the commodities and assessed and tested the reasonableness of the significant judgements applied by the management. 2. Evaluated the design of internal controls relating to the valuation of finished goods (including commodities) and also tested the operating effectiveness of the aforesaid controls. 3. Compared the actual realization after the year end / latest realization to assess the reasonableness of the net realisable value that was estimated and considered by the management. 4. Compared the actual costs incurred to sell after the year end / based on the latest sale transaction to assess the reasonableness of the cost to sell that was estimated and considered by the management. 5. Compared the cost of the finished goods with the estimated net realisable value and checked if the finished goods were recorded at net realisable value where the cost was higher than the net realisable value. 6. Assessed the appropriateness of the disclosure in the standalone financial statements in accordance with the applicable financial reporting framework.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Chairman's report Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact, we have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us.
- (d) In our opinion, the aforesaid standalone financial statements comply with the IndAS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 3(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Universal Starch-Chem Allied Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Universal Starch-Chem Allied Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. Management's Responsibility for Internal Financial Controls The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The company is one of the leading Starch Manufacturing Company, manufacturing different grades of Starch & Derivative Products for industries like Textile, Paper, Pharmaceutical, Food Grade, etc

2) SIGNIFICANT ACCOUNTING POLICIES

a) Basis for the preparation of accounts

The accounts have been prepared in accordance with IND AS and Disclosures thereon comply with requirements of IND AS, stipulations contained in Schedule- III (revised) as applicable under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014, Companies (Indian Accounting Standards) Rules 2015 as amended from time to time, other pronouncements of ICAI, provisions of the Companies Act and Rules and guidelines issued by SEBI as applicable. Up to the financial year ended on 31st March 2021, the company has prepared the accounts according to the Previous GAAP. Opening balance sheet as on 31st March 2020 have been presented as comparatives. The transition was carried out retrospectively as on the transition date which is 1st April 2016, and for any variation in the amounts represented in the comparative balance sheet vis-à-vis earlier presentation, reconciliation is given as part of notes. Assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in revised Schedule - III to the Companies Act, 2013.

b) Property, Plant, and equipment

Property, plant, and equipment are stated at cost, net of recoverable taxes, trade discount, and rebates less accumulated depreciation and impairment loss, if any. Such cost includes purchase price, and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent costs are included in the asset's carrying amount. Depreciation on property, plant, and equipment is provided based on the useful life of the assets prescribed in Schedule II to the Companies Act, 2013, and followed the policy to provide depreciation using half of the useful life of the asset on the second-hand assets purchased. During sales of fixed assets, any profit earned / loss sustained towards excess/shortfall of sale value vis-a-vis carrying cost of assets is accounted for in the statement of profit & loss.

c) Intangible Assets

Intangible Assets are stated at cost, net of recoverable taxes, trade discount, and rebates less accumulated

depreciation and impairment loss, if any. Such cost includes purchase price, and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent costs are included in the asset's carrying amount. Amortization policies applied to the companies' intangible assets namely Computer software is over a period of 6 years. Gains/Losses arising from derecognition of intangible assets are measured as a difference between the net disposal proceeds and the carrying amount of the assets are recognized in the statement of profit and loss account.

d) Investment Property

Properties held to earn rentals or/and for capital appreciation but not for sale in the ordinary course of business, are categorized as investment properties. The fair value of investment properties under each category are disclosed in the notes. Fair values are determined on the estimation based on available sources from the market.

e) Use of Estimates and Judgements

In preparation of the financial statements, the Company makes judgments, estimates, and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant, and equipment and intangible assets, impairment of property, plant, and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

f) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and IndAS 1 - Presentation of Financial Statements, based on the nature of products and the time between the acquisition for processing and their realisation in cash and cash equivalents.

g) Borrowing/Finance Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. All other borrowing costs are charged to the statement of profit

and loss for the period for which they are incurred.

h) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of goods and service tax, trade allowances, rebates, value-added taxes, and amounts collected on behalf of third parties.

The company recognizes revenue when the amount of revenue can be reliably measured, and it is probable that the future economic benefits will flow to the entity. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

The sale of goods is recognized on the transfer of significant risks and rewards of ownership which is generally on dispatch of goods. Revenue on rendering of services is recognized when the performance of the agreed contractual task has been completed. Interest income from the financial asset is recognised at contractual interest rate method. Dividend is recognised when the company's right to receive the payment has been established.

i) Government Subsidy /Grant

Government Grant is recognized only when there is a reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received. Grants related to income are treated as other income in statement of profit & loss .

j) Cash & Cash Equivalent

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

k) Income tax and deferred tax

The liability of company on account of Income Tax is computed considering the provisions of the Income Tax Act, 1961. Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax asset is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive

income or in equity). Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

l) Inventories

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport & handing costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition. The basis of determination of cost remains as follows: a) Raw material, FIFO Basis. b) Stores & spares: FIFO Basis. c) Work-in-progress: Cost of input plus overhead upto the stage of completion. d) Finished Goods: Cost of input plus appropriate overhead.

With the company at the time of resignation/ superannuation. The gratuity is paid @26 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The scheme is funded with Life insurance corporation in the form of qualifying insurance policy with premium determined through actuary.

m) First time adoption of Ind -AS

The company has adopted Ind-As with effect from 01st April 2017 with comparatives being restated. Accordingly, the impact of transition has been provided in the opening reserves as on 01st April 2016. The figures for the previous period has been restated, regrouped, reclassified wherever required to comply with the requirement of Ind As and Schedule III.

Exemptions from retrospective application:

- Fair value as deemed cost exemption: The company has elected to measure items of property, plant, equipment and intangible assets at its carrying value at the transition date except for certain class of asset (Land) which are measured at fair value as deemed cost

n) Employee benefits

- Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when employees render the services.

- Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognised as an expense in the

Statement of Profit and Loss during the period in which the employee renders the related service.

- Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service

o) Foreign Currency Transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss. The functional currency of the company is in Indian Rupees.

p) Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

q) Provisions, Contingent Liability and Contingent Assets

Disputed liabilities and claims against/by the company including claims raised by fiscal authorities (e.g. Sales Tax, Income Tax Excise etc.) pending in appeal / court for which no reliable estimate can be made, contingent asset/Liability are recognized as required .

r) Earning Per share

Basic Earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the number of equity shares

outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributed to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares. There is no any dilutive potential equity share holders, Basic earning per share would be same as of diluted earnings per share.

s) Financial Assets and Liabilities

(i) Financial Assets :

Initial Recognition and measurement :

All financial assets are recognized initially at fair value, transaction cost that are directly attribute to the acquisition or issue of financial asset , which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition . Purchase and sale of financial assets are recognised using trade date accounting.

Subsequent Measurement:

- a) Financial assets carried at amortised cost :A financial asset is measured at amortised cost if it is held within the business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- b) Financial assets at fair value through other comprehensive income (FVTOCI) A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets

Note 31 Employee Benefits
(a) Defined Contribution Plan

Employee Benefits in the form of employee state insurance and provident fund are considered as defined contribution plan and contribution are charged to the Profit and Loss A/c for the year when the contribution to the respective funds are due.

(b) Defined Benefits Plan:
(i) Gratuity

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on death or resignation or retirement at 26 days salary (last drawn) for each completed year of service. The Scheme is funded with Insurance Corporation in the form of qualifying insurance policy with premium determined through actuarial valuation. Due to Covid Impact the actuarial report is not available at the balance sheet date till the approval of accounts Hence provision for gratuity for the period ending has been made as per the management estimation based upon the data of employees and previous report available with The Company.

(ii) Leave Wages

The leave wages are payable to all eligible employees at the rate of daily salary for each day of accumulated leave on death or on resignation or upon retirement on attaining superannuation age. The computation is made on the basis of actual leave outstanding of the employee on the valuation date.
