**NOTES:**

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“the Act”), which sets out details relating to Special Business at the meeting, is annexed hereto.
2. The Ministry of Corporate Affairs, Government of India (the “MCA”) in terms of the General Circular No.14/ 2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20 2020 dated May 5, 2020 and General Circular No. 02/2021 dated January 13, 2021 (the “MCA Circulars”) in view of the current extraordinary circumstances due to COVID-19 pandemic requiring social distancing and the continuing restriction on movement of persons at several places in the country, has allowed Companies to conduct their Annual General Meeting through Video Conferencing (VC) or other audio visual means (OAVM), without the physical presence of the Members at a common venue, subject to the fulfilment of conditions as specified in the MCA Circulars. In compliance with the provisions of the Companies Act, 2013 and MCA Circulars, the AGM of the Company is being held through VC/OAVM.
3. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 112 and 113 of the Act, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/ OAVM and cast their votes through e-voting.
4. Institutional/Corporate Shareholders (i.e., other than individuals/HUF/NRI, etc.) are required to send a scanned copy (PDF/JPG format) of its Board or governing body resolution/authorization etc., authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the Scrutinizer by email through its registered email address to [abhishekwalwaikar@gmail.com](mailto:abhishekwalwaikar@gmail.com) & [info@abhinavcapital.com](mailto:info@abhinavcapital.com) with a copy marked to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com), at least 48 hours before the commencement of AGM.
5. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act and the Register of Contractor Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e., 30th September 2021. Members seeking to inspect such documents can send an e -mail to [info@abhinavcapital.com](mailto:info@abhinavcapital.com).
6. Pursuant to Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and Secretarial Standard on General Meetings issued by The Institute of Company Secretaries of India, details of Director seeking re-appointment at the Annual General Meeting, forms part of this notice and is appended to the notice.
7. The Register of Members and the Transfer Books in respect of the Equity Shares will remain closed from Thursday, 23rd September 2021 to Thursday, 30th September 2021 (both days inclusive) for the purpose of AGM.
8. In case of joint holders attending the Meeting, the member whose name appears as the first holder in the order of names as per Register of Members will be entitled to vote.
9. Members are requested to make all correspondence in connection with shares held by them by addressing letters directly to the Company’s Registrar & Transfer Agents(“RTA”) viz. Adroit Corporate Services Private Limited, at their Registered office Address by quoting their Folio number or their DPID and Client ID number, as the case maybe.

10. Members are requested to intimate immediately any change in the Residential Address of the Company.
11. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Registrar and Transfer Agents.
12. To support the green initiative of the Government, electronic copy of the Annual report for the year ended 31<sup>st</sup> March, 2021 is being sent to the members whose mail IDs are available with the Company/ Depository Participant(s) for communication purposes unless any member has requested for a physical copy of the same. For members who have not registered their email address, physical copies of the Annual Report 2021 are being sent in the permitted mode. Please note that the annual report and the notice of the Annual General Meeting are also posted on the website "www.abhinavcapital.com" for download and copy of the Annual Report shall be provided to the shareholder at the Annual General Meeting, if required.
13. Since the AGM will be held through VC/ OAVM, the Route Map is not annexed in this Notice.
14. Voting through electronic means:

**THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

- (i) The voting period begins on 27th September 2021 at 09:00 AM and ends on 29th September 2021 at 05:00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

To increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts to access e-Voting facility.

**Annexure B****Management Discussion and Analysis Report**

Non-Banking Finance Companies (“NBFC”) are an integral part of the Indian financial system, enhancing competition and diversification in the financial sector and complementing the banking system. NBFCs play a vital role in furthering the objective of financial inclusion by serving the credit demand of the small and medium scale and retail sectors.

Finance is the most critical lubricant for accelerating economic growth. . Non-Banking Finance Companies (NBFCs) continue to play a critical role in making financial services accessible to a wider set of India’s population and are emerging as strong intermediaries in the retail finance space.

**Global**

It is over a year since the COVID-19 pandemic hit us hard through public health crisis and economic disruption. Though the accumulating human toll continues to raise concerns, the growing vaccine coverage is lifting sentiments.

The Covid-19 pandemic has impacted most countries, including India. This resulted in countries announcing lockdown and quarantine measures that sharply stalled economic activity. Several countries took unprecedented fiscal and monetary actions to help alleviate the impact of the crisis. Government of India had announced various measures to support the economy during this period. The Reserve Bank of India had also announced several measures to ease the financial system stress, including enhancing system liquidity, reducing interest rates, moratorium on loan repayments for borrowers, asset classification standstill benefit to overdue accounts where a moratorium had been granted amongst others to alleviate the economic stress induced by the pandemic which had an impact across sectors that were already showing signs of a slowdown even before the outbreak.

**Outlook**

According to International Monetary Fund (IMF), the global economy is projected to grow at 6% in 2021 and 4.4% in 2022. Going forward, the extent of global recovery is expected to be uneven. The severity of the health crisis in each country, the degree of interruptions to economic activities, exposure to cross-border spill overs and the efficiency of policy support to limit the damage will decide the rate of recovery.

**India**

The Indian economy registered a GDP growth (YoY) of 0.4% in Q3 2020-21, after recording negative growth of 24.4% and 7.3% in the previous two quarters. The positive growth during the third quarter is indicative of slow resumption of economic activities, higher consumption and activity across sectors.

In even with high uncertainty about the path of the pandemic, a way out of this health and economic crisis is increasingly visible. Thanks to the ingenuity of the scientific community, we have multiple vaccines that can reduce the severity and frequency of infections. In parallel, adaptation to pandemic life has enabled the global economy to do well despite subdued overall mobility, leading to a stronger-than-anticipated rebound, on average, across regions.

The Indian economy grew by 1.6% in the fourth quarter recording a minor pickup in growth amidst the COVID-19 second wave hitting the economy hard. For the full fiscal year, the economy shrunk by -7.3% as the COVID-19 pandemic ruined the economy.

**Outlook**

International Monetary Fund (IMF), in its World Economic Outlook April 2021 has projected a stronger global recovery, with global growth projected to be 6 percent in 2021 and 4.4 percent in 2022. IMF expects India to see a GDP growth of 12.5% in 2021. These projections are further backed by independent rating agencies like CRISIL, which expects India's gross domestic product (GDP) growth to rebound to 11% in fiscal 2022, after an estimated 8% contraction this fiscal. Going by these projections, India is expected to be one of the spearheads of global economic recovery through fiscal 2022.

With the economic activity gaining momentum post COVID-19 lockdown and rollout of coronavirus vaccines, the Indian economy is likely to do better. Monetary and fiscal support will remain crucial. Thanks to unprecedented policy response, the COVID-19 recession is likely to leave smaller scars than the 2008 global financial crisis.

**Indian Financial Services Industry**

India's financial services sector plays a critical role in driving the country's economic growth by providing a wide spectrum of financial and allied services to a large consumer cross-section. In India, the market for financial services sector is still largely untapped. Digital technology, which has transformed the way business is conducted across the world, is projected to be one of the major drivers for the growth of this sector in India as well. An extensive range of financial products are increasingly being sold and delivered using the electronic platform to millions of customers in India

NBFCs especially those catering to the urban and rural poor namely NBFC-MFIs and Asset Finance Companies have a complimentary role in the financial inclusion agenda of the country. Financial services sector is poised to grow on the back of rising incomes, significant government attention and the increasing pace of digital adoption. A key measure taken by the Reserve Bank and Government of India to ameliorate the liquidity constraints faced by NBFCs, was to set up a Special Purpose Vehicle (SPV) to purchase short-term papers from eligible NBFCs/ HFCs, which could then utilize the proceeds to extinguish their existing liabilities. The special securities issued by the SPV were guaranteed by the Government of India and would be purchased by the Reserve Bank. Additionally, the scope of the Government scheme on partial credit guarantee (PCG) was expanded to cover the borrowings of lower-rated NBFCs, HFCs and MFIs.

The Reserve Bank of India's Financial Stability Report (FSR) in January estimated that gross bad loans of banks in India would rise to 13.5 per cent by September from 7.5 per cent in the year-ago month under the baseline scenario. Asset quality may still pose some challenges in the first half of fiscal 2022 with the uncertainty around the economic fallout of the second wave induced localized restrictions being placed in various parts of the Country. However, these challenges are expected to taper as we move towards the second half of fiscal 2022. The uneven recovery being currently observed is expected to be more broad-based later on in the fiscal as well.

**Opportunities & Threats**

NBFCs have also taken various steps to navigate through the pandemic induced headwinds, stricter and strengthened underwriting norms, use of alternate data sources for underwriting, quickening the pace of digitalization through use of UPI handles, Bots, IVR's, strengthening of collection teams and focus on safer asset classes amongst others.

The aforementioned measures, coupled with greater focus on asset quality, digitalization across customer lifecycle, co-lending partnerships, effective utilization of structured financing and strengthening of capital base amongst others will hold NBFC's in good stead as they navigate towards a more benign economic environment that is expected in the latter part of fiscal 2022 and beyond.

In FY 2021-22, NBFCs can expect growth in the vehicle-financing space after a lull in FY 20-21 due to pandemic and reluctance of buyers due to increase in vehicle prices due to introduction of BS-VI norms. Overall, loan defaults have also reduced and are expected to drop further as the economy shows positive recovery. Gold loans has shown higher traction due to increase in gold prices in the 1st half of fiscal 21. NBFCs have also mobilized their on-ground recovery staff to ramp up their collection efforts.

**NBFC Sector**

Non-Banking Financial Companies (NBFC) are an integral part of the Indian Financial system, augmenting competition and diversification in the financial sector and complementing the banking system. The Indian NBFC sector has been providing credit to customers in the underserved and unbanked areas. Their channeling the savings and investments of customers and the subsequent capital formation is necessary for India's economic growth and development. Their ability to innovate products in conformity with the needs of their clients is well established.

Over the past few years, NBFCs have undergone a significant transformation and today they form an important component of India's financial system. Playing a critical role in the development of infrastructure, transport and employment generation, NBFCs are changing the business loan landscape in the country. Most NBFCs, leverage alternative and tech-driven credit appraisal methodologies to assess the credit worthiness of prospective Borrowers. With the introduction of e-KYC, making borrowing an instant and hassle-free experience, NBFCs are already offering the right financial products to consumers and small businesses in a customized manner. The use of technology to optimize business processes also keeps cost overheads to a minimum, enabling credit to be availed at highly competitive interest rates.

**Outlook**

NBFCs with robust business models, strong liquidity mechanisms and governance & risk Management standards are poised to reap the benefit of the market opportunity. NBFCs that are well prepared with their business continuity and contingency plans can quickly bounce back in the post COVID-19 era. With proper planning and strategic initiatives, NBFCs can limit and overcome the impact of this disruption India has a huge proportion of un-banked and under banked consumers and businesses. Hence, there is a lot of potential for NBFCs, which can still be tapped for future growth.

**INDEPENDENT AUDITOR'S REPORT ON IND AS FINANCIAL STATEMENTS**

To  
The Members of  
Abhinav Capital Services Limited

**Opinion**

**We have audited the standalone financial statements of Abhinav Capital Services Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit/loss, and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying standalone Ind AS financial statements.

Key Audit Matter	How our audit addressed the key audit matter
<p><b>1) Impairment of financial assets (expected credit losses) :-</b></p> <p>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortised cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ins AS 109 including :-</p> <p>Unbiased, probability weighted outcome under various scenarios;</p> <p>Time value of money;</p> <p>Impact arising from forward looking macro-economic factors and;</p> <p>Availability of reasonable and supportable information without undue costs;</p> <p>Applying these principles involves significant estimation in various aspects , such as; Grouping of borrowers based on homogeneity by using appropriate statistical techniques;</p> <p>Staging of loans and estimation of behavioral life;</p> <p>Determining macro-economic factors impacting credit quality of receivables;</p> <p>Estimation of losses for loan products with no/minimal historical defaults.</p> <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<p>We read and assessed the Company’s accounting policies for impairment of financial assets and their compliance with Ind AS 109</p> <p>We tested the criteria for staging of loans on their past due status to check compliance with requirements of Ind AS 109 . Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa.</p> <p>We have evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation ad tested the controls around data extraction and validation</p> <p>Tested the ECL model, including assumptions and underlying computation</p> <p>Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults Audited disclosure included in the Ind AS financial statements in respect of expected credit losses.</p>

**Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. (Refer appendix to our report of even date)

**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure - 1** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**Annexure – 1 to our report of even date****Re: Abhinav Capital Services Limited (“the company”)**

In our opinion, and on the basis of such checks of the books and records as we considered appropriate and according to the information and explanations given to us during the normal course of audit, which were necessary to the best of our knowledge and belief, we report that:

- (1)
  - (a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
  - (b) The Management has physically verified certain assets during the year in accordance with a program of verification, which in our opinion provides for physical verification of the fixed assets at reasonable intervals. According to the information and explanations given to us no material discrepancies were noticed on such verification. During the year, Company has not disposed of any substantial / major part of fixed assets.
  - (c) There is no immovable properties are held by the company hence this clause is not applicable.
- (2)
  - (a) The Company is registered non banking financial company and main business is to grant and obtain loans and advances and apart from this company invest surplus funds in shares and securities and in view of the same there is no trading activity carried on during the year, hence there is no closing stock as on 31<sup>st</sup> March 2021.
  - (b) As company does not deal in trading activity, therefore procedures of physical verification of inventory by the management is not required.
  - (c) As company does not deal in trading activity, therefore maintaining proper records of inventory is not required.
- (3) According to the information and explanation given to us, the company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. As the company is NBFC, Loan and advances given in the normal course of business have not been considered here for reporting. Accordingly, the provision of clause 3(iii)(a), (b) and (c) of the order are not applicable to company and hence not commented upon.
- (4) In our opinion and according to the information and explanations given to us, the company has wherever applicable complied the provisions of Section 185 and Section 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.
- (5) According to the records of the company and information and explanations given to us, the company has not accepted any deposit as per directive issued by Reserve Bank of India and the provision of the section 73 to 76 or any other relevant provision of the Companies Act 2013 and rules framed there under.
- (6) To the best of our knowledge and as explained, the company is engaged in Non Banking Financial Company and not dealt in any sale of goods, hence the Central Government has not prescribed the maintenance of cost records by the company under sub – section (1) of section 148 of the Companies Act, 2013 for any of its products.
- (7)
  - (a) According to the records of the company and information and explanations given to us in respect of statutory dues and other dues, the company has been generally regular in depositing undisputed statutory dues including Income Tax, sales tax, goods & services tax , wealth tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities during the year.
  - (b) According to the records of the company, there is no dues of income-tax, service-tax, or value added tax which have not been deposited on account of any dispute.
- (8) According to records of the company, the company has not borrowed funds from financial institutions, banks, government or issued debentures till 31<sup>st</sup> March 2021. Hence, in our opinion, the question of

reporting on default in repayment of dues to financial institutions or banks or debenture holders does not arise.

- (9) According to records of the company, the company has not raised money during the year by way of initial public offer or further public offer (including debt instruments) and term loans. Hence, in our opinion, this clause is not applicable in respect of reporting on delay or default made during the year.
- (10) Based upon the audit procedure performed for the purpose of reporting true and fair view of the financial statement and according to the information and explanations given by management, We report that no fraud on or by the officer or employees of the company has been noticed or reported during the year.
- (11) Based upon the audit procedure performed for the purpose of reporting true and fair view of the financial statement and according to the information and explanations given by management, we report that the company has not paid any managerial remuneration to key person during the year in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013, hence this clause is not applicable.

**Annexure – 2 to our report of even date****Re: Abhinav Capital Services Limited (“the company”)**

---

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Abhinav Capital Services Limited** (“the Company”) as of 31<sup>st</sup> March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls:**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility:**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting:**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

**Inherent Limitations of Internal Financial Controls over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion:**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Explanatory Paragraph:**

We also have audited, in accordance with the standard on Auditing issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act, the financial statement of Abhinav Capital Services Limited, which comprises the Balance Sheet as at 31<sup>st</sup> March 2021, and the related statement of Profit & Loss and Cash Flow Statement for the year then ended, and summary of significant accounting policies and other explanatory information, and our report dated 25<sup>th</sup> June 2021 and expressed an unqualified opinion thereon.

**Appendix to our report of even date****Re: Abhinav Capital Services Limited (“the company”)**

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ABHINAV CAPITAL SERVICES LIMITED****Notes to Financial Statements for the Year Ended 31<sup>st</sup> March 2021.****1. Corporate information**

ABHINAV CAPITAL SERVICES LIMITED is a company limited by shares, listed public company, incorporated on 8<sup>th</sup> December 1994 and domiciled in India. The Company is engaged in the business of lending and is a Non-Deposit Accepting Non-Banking Finance company (NBFC-ND-NSI) registered with the Reserve Bank of India (RBI) with effect 20<sup>th</sup> April 1998 from, with Registration No.13.00685 and having registered office at Athena House, Row House No 4, Gokul Dham Goregaon (E) Mumbai - 400063, Maharashtra, India.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 25<sup>th</sup> June 2021 the Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its annual general meeting.

**2. Basis of preparation**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction– Non-Banking Financial Company–Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

**2.1 Presentation of financial statements**

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

**Critical accounting estimates and judgments**

In the application of accounting policy, the management is required to make judgement, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses, contingent liabilities and the accompanying disclosures that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant and are prudent and reasonable. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

The few critical estimations and judgments made in applying accounting policies are:

**i. Property, Plant and Equipment:**

Useful life of Property, Plant and Equipment and Intangible Assets are as specified in Specified in Schedule II to the Companies Act, 2013.

**ii. Income Taxes:**

Significant judgement is required in determining the amount for income tax expenses. There are many transactions and positions for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome is different from the amount that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

**iii. Impairment of Non-financial Assets:**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An assets recoverable amount is higher of assets or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other asset or group of assets. Where carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flow are discounted to their present value using pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

**iv. Impairment of Financial assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**v. Fair Value Measurement of Financial Instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

**3. Summary of significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**3.1 Revenue Recognition****(i) Interest income**

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other profit & loss account (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability.

The Company recognizes interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the Company recognizes interest income on the amortized cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis. Delayed payment interest (penal interest) levied on customers for delay in repayments/nonpayment of contractual cash flows is recognized on realization.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognized at the contractual rate of interest.

**(ii) Dividend income**

Dividend income on equity shares is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

**(iii) Other revenue from operations**

The Company recognizes revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

**(a) Fees and commission**

The Company recognizes service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery. Fees on value added services and products are recognized on rendering of services and products to the customer. Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognized on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery. Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognized on realization.

**(b) Net gain on fair value changes**

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognizes gains/losses on fair value change of financial assets measured as FVTPL and realized gains/losses on recognition of financial asset measured at FVTPL and FVOCI.

**(c) Sale of services**

The Company, on de-recognition of financial assets where a right to service the derecognized financial assets for a fee is retained, recognizes the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognized as service income and any decrease is recognized as an expense in the period in which it occurs. The embedded interest component in the service asset is recognized as interest income in line with Ind AS 109 'Financial instruments.

Other revenues on sale of services are recognized as per Ind AS 115 'Revenue from Contracts with Customers' as articulated above in 'other revenue from operations.

**(d) Recoveries of financial assets written off.**

The Company recognizes income on recoveries of financial assets written off on realization or when the right to receive the same without any uncertainties of recovery is established.

**(iv) Taxes**

Incomes are recognized net of the Goods and Services Tax (GST) wherever applicable.

**3.2 Expenditures****(i) Finance costs**

Borrowing costs on financial liabilities are recognized using the EIR

**(ii) Fees and commission expenses**

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognized in the Statement of Profit and Loss on an accrual basis.

**(iii) Taxes**

Expenses are recognized net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

### **3.3 Cash and cash equivalents**

Cash and cash equivalents include cash on hand, other short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### **3.4 Financial instruments**

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognized on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognizes the financial instruments on trade date.

#### **(I) Financial assets**

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

#### **Initial recognition and measurement**

All financial assets are recognized initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

#### **Subsequent measurement**

For the purpose of subsequent measurement, financial assets are classified into four categories:

- (a) Debt instruments at amortized cost
- (b) Debt instruments at FVOCI
- (c) Debt instruments at FVTPL
- (d) Equity instruments designated at FVOCI

#### **(a) Debt instruments at amortized cost:**

The Company measures its financial assets at amortized cost if both the following conditions are met:

The asset is held within a business model of collecting contractual cash flows; and Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding. To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are

realized in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortized cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortized cost on effective interest rate (EIR). The expected credit loss (ECL) calculation for debt instruments at amortized cost is explained in subsequent notes in this section.

**(b) Debt instruments at FVOCI**

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognized in other comprehensive income (OCI). The interest income on these assets is recognized in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long-term investments in Government securities to meet regulatory liquid asset. Requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified to profit or loss.

**(c) Debt instruments at FVTPL**

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognized on net basis through profit or loss.

The Company's investments into mutual funds, Government securities (trading portfolio) and certificate of deposits for trading and short-term cash flow management have been classified under this category.

**(d) Equity investments designated under FVOCI**

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognized in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

**Derecognition of Financial Assets**

The Company derecognizes a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognized, the Company does not have any continuing involvement in the same.

**Impairment of financial assets**

ECL are recognized for financial assets held under amortized cost, debt instruments measured at FVOCI, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12-month ECL is recognized. Financial assets that are considered to have significant increase in credit risk is considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognized for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

**Treatment of the different stages of financial assets and the methodology of determination of ECL**

(a) Credit impaired (stage 3)- Put as per RBI

The Company recognizes a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days.
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months– post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognized by applying the EIR to the net amortized cost amount i.e., gross carrying amount less ECL allowance.

b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioral trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioral trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognized for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioral trends witnessed for each homogenous portfolio using application/behavioral score cards and other performance indicators, determined statistically.

**(d) Measurement of ECL**

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

The Company has calculated ECL using three main components: probability of default and amount of default.

**(ii) Financial liabilities**

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

**Initial measurement**

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

**Subsequent measurement**

After initial recognition, all financial liabilities are subsequently measured at amortized cost using the EIR.

**Derecognition**

The Company derecognizes a financial liability when the obligation under the liability is discharged, cancelled or expired. Any gains or losses arising on derecognition of liabilities are recognized in the Statement of Profit and Loss.

**Offsetting of financial instruments**

Financial assets and liabilities are offset and net amount is reported if there is currently enforceable legal right to offset the recognised amounts and there is intention to settle on a net basis, to realise assets and settle the liabilities simultaneously.

**3.5 Taxes****(i) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**(ii) Deferred tax**

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets, if any, are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**3.6 Property, plant and equipment**

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

**Depreciation on property, plant and equipment**

(a) Depreciation is provided on a pro-rata basis for all tangible assets on written down value method over the useful life of assets.

(b) Depreciation is charged so as to allocate the cost of assets less their residual values, if any, over their estimated useful lives, using the written down value method except intangible assets. Depreciation on intangible assets is provided on straight line basis. The following useful lives are considered for the depreciation of property, plant and equipment:

Description of the Asset	Estimated Useful Life
Furniture & fixtures	10 Years
Vehicles	8 Years
Office Equipment	5 Years
Computers	3 Years

(c) Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II - Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.

(d) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.

(e) An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized as income or expense when the asset is derecognized.

(f) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### **3.7 Provisions and contingent liabilities**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources, and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

### **3.8 employee benefits**

Liabilities for salaries and wages, including non-monetary benefits if any, are recognized as liabilities (and expensed) and are measured at the amounts expected.

### **3.9 Fair value measurement**

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

**Statement of Cash Flows**

Statement of Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The statement of cash flows from operating, investing and financing activities of the Company are segregated.

**Earnings Per Share (EPS)**

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**3.12 Nature and purpose of other equity****(i) Retained earnings**

Retained earnings represent the surplus in profit and loss account and appropriations.

**(ii) Reserve fund in terms of section 45-IC (1) of the Reserve Bank of India Act, 1934**

Reserve fund is created as per the terms of section 45-IC (1) of the Reserve Bank of India Act, 1934 as a statutory reserve. Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

**(iii) Other comprehensive income****On equity investments**

The Company has elected to recognize changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated in the FVOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognized.

**On debt investments**

The Company recognizes changes in the fair value of debt instruments held with a dual business objective of collect and sell in other comprehensive income. These changes are accumulated in the FVOCI debt investments reserve. The Company transfers amounts from this reserve to profit or loss when the debt instrument is sold. Any impairment loss on such instruments is reclassified to Profit or Loss.

**25. Events after reporting date**

There have been no events after the reporting date that requires adjustment/disclosure in these financial statements.

**26. Fair values**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

To show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

This note describes the fair value measurement of both financial and non-financial instruments.

**Valuation framework**

The Company has an internal fair value assessment team which assesses the fair values for assets qualifying for fair valuation.

The Company's valuation framework includes:

- Benchmarking prices against observable market prices or other independent sources.
- Development and validation of fair valuation models using model logic, inputs, outputs, and adjustments.

These valuation models are subject to a process of due diligence and validation before they become operational and are continuously calibrated.

**Valuation methodologies adopted.**

Fair values of financial assets, other than those which are subsequently measured at amortized cost, have been arrived at as under:

- Fair values of investments held for trading under FVTPL have been determined using quoted market prices of the underlying instruments.
- Fair values of strategic investments in equity instruments designated under FVOCI have been measured.

The Company has determined that the carrying values of cash and cash equivalents, bank balances, trade receivables, short term loans, floating rate loans, investments in equity instruments designated at FVOCI, trade payables, short term debts, borrowings, bank overdrafts and other current liabilities are a reasonable approximation of their fair value and hence their carrying value are deemed to be fair value.
