DHFL seeks repayment moratorium, assures 'no haircut on principal'

Mumbai, In the matter of the company's resolution plan, mortgage lender Dewan Housing Finance Corporation Ltd (DHFL) on Tuesday sought a moratorium on repayment of its dues, also saying, however, that the lenders will not have to take haircuts on the principal amount of their loans.

A regulatory filing by DHFL said its board on Tuesday approved the submission of the company's draft resolution plan to its lenders.

The filing said that there "there will be no principal haircuts to any creditors", while adding that the proposed measures are towards aligning the asset-liability mismatch.

In its resolution plan, the company has also sought funding from banks and the

National Housing Bank for starting retail funding activity. DHFL has been one of the companies most severely hit by the ongoing liquidity crisis which came to light after the infrastructure lending major IL&FS first defaulted in its commercial papers last year. The housing lender's gross non-performing asset (NPA or bad loans) as on March 31, 2019, rose to 2.74 per cent, as against 0.96 per cent of the previous fiscal. Besides, DHFL had said on July 13 that it had defaulted on interest payments to the

tune of Rs 48 crore on non-convertible debentures (NCDs) that were due on July 6 and 8. In its quarterly earnings for the January-March quarter announced last month, the company reported a net loss of Rs 2,223 crore. However, following the announcement of its proposed resolution plan, DHFL stocks have surged. At 2.44 p.m on Tuesday, the DHFL stock was trading higher at Rs 46.65 a share, up Rs 4.70, or by 11.20 per cent, over its previous close on the BSE.

Govt calls for FPI meet today

New Delhi, Concerned over the non stop slide in the equity markets and the massive erosion in market capitalisation, the government has called for a crucial meeting at 4 p.m. on Friday with Foreign Portfolio Investor Representatives in North Block.

It is believed that Department of Economic Affairs (DEA) Secretary Atanu Chakravarty will be chairing the meeting.

It is clear that the government's decision to levy surcharge on portfolio investors will be the main item of discussion. The government has been grappling with the issue since budget day and while the finance bill has been passed, relentless and copious selling by FPIs has taken the sheen off Indian capital markets.

Further government seemed to have no ideas left as former DEA Secretary S.C.

Garg even calling it a collateral consequence of HNI surcharge.

In a major relief to Foreign Portfolio Investors (FPI) hit by budget proposal to levy higher surcharge on income tax, the government is considering a plan to grandfather all income generated by FPIs.

Though a temporary measure, the changes would help FPIs avoid paying higher tax for the period between April 1 and July 5 of current financial year when surcharge on super rich income tax was not applicable.

The government proposed raising surcharge on super rich in the budget which was presented by Finance Minister Nirmala Sitharaman on July 5. However, this surcharge also increased the tax burden on FPIs as most are organised as trusts, association where taxation is similar to individuals.

FPI: Nomura, Morgan Stanley, Citi, Fidelity may meet FM

New Delhi, Leading foreign investors, including Morgan Stanley, Nomura, Templeton, Fidelity, GIC (Singapore), CPDQ are likely to meet Finance Minister Nirmala Sitharaman, Finance Secretary Rajeev Kumar and DEA Secretary Atanu Chakravarty on Friday afternoon as the government reaches out to know their concerns over the surcharge on FPIs who are operating as trusts or association of persons (AoP) without being registered as companies.

The FPIs are likely to raise issues such as the recently-introduced tax surcharge and seek either full rollback or suitably tweaked to keep them out of the higher tax net.

Sources indicated that the discussions would throw up other issues like restricted access to foreign

investors in corporate bond markets and tighter know your client (KYC) norms. These issues have also dented institutional investors liking for the Indian market.

However, surcharge on tax for FPIs is the biggest concern that has impacted FPI inflows into the market since the budget announcement in July 5. It is learnt that meeting would also be attended by Citi, Deutsche Fidelity and Capital Group JP Morgan, Goldman Sachs, BoAML, UBS.

"The government is keen to get suggestions from foreign investors about the outflows in the past few weeks before taking any policy intervention steps. It may be pointed that the Budget for FY 20 which contains the surcharge on FPIs has already been passed by Parliament," said an official source.

Equity indices open in green; Sensex up 260

Mumbai, The key Indian equity indices opened on a positive note on Friday with the BSE Sensex trading over 260 points. The gains were led by healthy buying in banking and auto stocks. Rise in the global markets also supported the global sentiments.

At 9.29 a.m., the Sensex traded at 37,588.33, higher by 260.97 points or 0.70 per cent from the previous close of 37,327.36 points. It had opened at 37,521.30 and touched an intra-day high of 37,604.33 and a low of 37,406.26 points. The Nifty50 on the National Stock Exchange traded higher by 77 points or 0.70 per cent at 11,109.45 points. —IANS
