ANNEXURE – IV

Form No. MR- 3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule no. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members
Shree Rama Newsprint Limited

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shree Rama Newsprint Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Due to current COVID pandemic situation, we have verified the soft copies of records maintained by the Company. Based on our online verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 and verified the provisions of the following acts and regulations and also their applicability as far as the Company is concerned during the period under audit:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent of their applicability to the Company;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulation, 2015
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with clients;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;

We have also examined compliance with applicable clauses of the following:

1. Secretarial Standards issued by the Institute of Company Secretaries of India.
2. Provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except in following:

The Company was required to make disclosure with the Stock Exchange(s) within 24 hours from the receipt of order of Gujarat Pollution Control Board ("GPCB") dated June 25, 2020. However, Company has made disclosure with the Stock Exchange(s) on August 8, 2020 i.e. upon actual closure of operations of paper division of the Company and to that extent Company has not complied with the provisions of Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"). In this matter SEBI has issued warning letter to the Company for such non-compliance and in turn Company vide its letter dated 7th January, 2021 has provided an assurance to both the stock exchanges that Company will make all necessary disclosures as required under SEBI LODR.

Shree Rama Newsprint Limited

We further report that:

- i) The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The Changes took place in the composition of the Board of Directors during the period under review were carried out in compliance with the provisions of the Act.
- ii) Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii) All decisions at Board Meetings & Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or the Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there are no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above except as provided in the report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A] INDUSTRY STRUCTURE AND DEVELOPMENTS

There are about 750 – 800 paper mills (organized & unorganized sector) in the country with Installed capacity of 20.65 million tonnes with the domestic demand for all varieties of paper in India is estimated at around 18.60 million tonnes in FY 2018-19 which is about 4% of global demand even though population of 121 crores as per 2011 census is 17% of world population.

Wood based industry accounts for 21% of production while waste paper and agri residue accounts for 71% & 8 % respectively. Capacity-wise industrial Paper accounts for about 53%, Printing & Writing Paper 29%, Speciality Paper 5% and Newsprint 13% of total production.

The demand writing & printing paper accounts for approx. 5.4 Million tonnes, packaging grades for approx. 9.8 Million tonnes and newsprint about 2.5 Million tonnes apart from speciality grade about 0.9 Million tones based on data for FY 2018-19

There are about 79 units manufacturing newsprint with installed capacity of 2.6 million tonnes in our country whereas demand of newsprint is presently estimated at around 2.20 Million tonnes in FY 2018-19 (production 0.70 Million tonnes – Imports 1.50 Million tonnes. The per capita consumption is about 2 kg and it is expected to grow in line with GDP growth

The global capacity is estimated to 23 million tonnes per annum [down from peak of 32 million tonnes per annum] with surplus capacity due decline in demand caused by trends in advertising, electronic data transmission and storage, and the Internet with adverse effects on the demand for traditional print media Neither the timing nor the extent of those trends can be predicted with certainty. The aging population and declining birth rate also affected demand of newsprint. This sector is to compete with, other forms of media and advertising and electronic data transmission and storage, such as television, electronic readers and websites which has reduced consumption of newsprint.

Some of the leading newsprint manufactures have either closed capacity or converted machines to produce LWC container board etc. The decline in newsprint worldwide is estimated to be 22 % in year 2020.

The consumption of newsprint was 4.0 million tonnes in Europe 1.7 million tones in North America whereas it was 6.7 million tones in Asia and Oceania in year 2020 totaling to 12.4 million tons

B] OPPORTUNITIES & THREATS

The low per capita consumption of paper/paperboard in the country is bound to increase with the growth in the GDP, rising income of middle class, increasing demand for computer stationery and spending by Government on education sector and ban on plastic packaging starting with Gutka manufacturing units. The consumption of newsprint is also expected to raise on lines of GDP growth irrespective of decline worldwide which also appears to have bottomed out.

The Import duty on paper & paper board for ASEAN countries has been reduced from 2.50% to 0% with effect from 01.01.2014 vide notification No.57/2013 dated 31.12.2013 which had implications in terms of cheaper imports . Newsprint is subject to 5 % import duty only which has led to dumping of newsprint by overseas suppliers. Newsprint is subject to 5 % GST wef 1.7.2017

The company has swing facility to manufacturer writing & printing paper as per market conditions.

The company imports waste paper for sustained production of newsprint and depreciation of rupee against US dollar may lead to increase in input cost.

C] SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The company is operating in a) paper segment b) Packaged drinking water but turnover being less than 10% hence segment wise reporting is not applicable

D] OUTLOOK

India is the fastest growing paper market in the world with expected CAGR of 6 to 7 % due to thrust on education, urbanization and growth in economy. Newsprint sector is also expected to grow in line with GDP growth.

E] RISK & CONCERNS

The Company has derived 95% of revenue from paper business in 2020-21 hence may be affected due to import of newsprint/paper. Further absence of organized collection of waste paper and therefore reliance on imported waste paper may affect it with deprecation of rupee against US dollar. However, plant is located near to Hazira port which gives it advantage over competitors in the segment both for import and export .

F] INTERNAL CONTYROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate system of internal control to safeguard and protect from loss, unauthorized use or disposition of its assets. All the transactions are properly authorized, recorded and reported to the Management. The Company is following all the applicable Accounting Standards for properly maintaining the books of accounts and reporting financial statements. The Company has engaged Earnst & Young for Internal Audit and yearly audit programme is submitted to the audit committee of the Board. The audit reports are reviewed by the management and the Audit Committee of the Board from time to time. Implementation of SAP ERP has also strengthened the internal control systems of the company

G] DISCUSSION ON FINANCEIL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE AND KEY FINANCIAL RATIO

This has been dealt with in the Directors' Report and key financial ratio are not comparable from previous year for want of orders due to COVID-19 and shutdown of PM I for rebuilding which is also dealt with in the Directors' Report

H] MATERIAL DEVELOPMENT IN HUMAN RESOURCES /INDUSTRIAL RELATIONS FRONT INCLUDING NO OF PEOPLE EMPLOYED

The Company had entered into bipartite long term wage revision settlement with the recognized union on 11th July 2015 for period of 7 years from July 2013 to June 2020 which has now expired. The Company's industrial relations are by & large cordial. Your Directors acknowledge the support and co-operation from employees at all levels.

The Company has drawn specific programme to improve the skills of the workers. Further, it is providing necessary training as part of TPM. There is continuous interaction among the Management, Union and Labour for improving the knowledge and training of the workers.

The Company employs 378 people as on 31.03.2021 as against 417 people employed as on 31.03.2020.

I) CAUTIONARY STATEMENT

INDEPENDENT AUDITORS' REPORT

**To the Members of Shree Rama Newsprint Limited
Report on the Audit of the Standalone Financial Statements**

Opinion

We have audited the standalone financial statements of Shree Rama Newsprint Limited ("the Company"), which comprise the Balance Sheet as at March 31 2021, and the statement of Profit and Loss, (statement of changes in equity) and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and loss (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

We refer note no. 34 to the Standalone Financial Statements of the Company, wherein financial impact of COVID-19 on the operations of the Company has been disclosed and the statement describes Management's assessment of impairment of carrying values of its Property, Plant & Equipment. Based on such assessment Management expects the carrying amount of Property, plant and Equipment as at March 31, 2021 will be recovered. Future operations of the Company will be subject to developments on COVID-19 front together with stability in the economy which are currently uncertain.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing these financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
4. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Shree Rama Newsprint Limited

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
3. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
4. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
5. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
6. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
7. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28 to the financial statements
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Other Matter

Due to COVID-19 related lockdown we were not able to participate in physical verification of cash and inventory that was carried out by Management subsequent to the year end. Consequently, we have performed alternate audit procedures to audit the existence of cash and inventory as per the guidance provided in SA 501 "Audit Evidence- Specific Consideration for selected items" and have obtained sufficient appropriate audit evidence to issue our unmodified opinion on these standalone financial results.

**The Annexure A referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended March 31, 2021 we report that:**

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) As explained to us, the fixed assets have been physically verified by management at reasonable intervals under a phased programme of verification. In accordance with this program, a portion of the fixed assets has been physically verified by the management during the year and no material discrepancies have been noticed on such verification. In our opinion this periodicity of physical verification is reasonable having regard to the size of company and nature of its assets.
- c) The title deeds of the immovable properties as disclosed in schedule of fixed assets to the financial statements, are held in the name of the Company.

- (ii) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable. No material discrepancies have been noticed on such verification.

Due to COVID-19 related lockdown we were not able to participate in physical verification of inventory that was carried out by Management subsequent to the year end. Consequently, we have performed alternate audit procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence- Specific Consideration for selected items".

- (iii) In our opinion and according to the information and explanation given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii) (a), 3 (iii) (b) and 3 (iii) (c) of the order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans or provided any guarantees or security in respect of any loans to any party covered under Section 185 of the Act. The Company has made no investments which are covered under provision of Section 186 of the Act. Hence the clause is not applicable.
- (v) The Company has not accepted any deposits from the public within the meaning of Section 73 to 76 of the Act and Rules framed there under to extent notified.
- (vi) We have broadly reviewed the books of accounts maintained by the company pursuant to the order made by the Central Government for maintenance of cost records prescribed under sub-section 1 of section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us and the records of the Company examined by us, in our opinion,
- a) the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employee state insurance, income tax, sales tax, service tax, GST, duty of customs, duty of excise, value added tax, cess and any other material statutory dues as applicable, with the appropriate authorities.

Further no undisputed amounts payable in respect of provident fund, employee state insurance, income tax, sales tax, service tax, GST, duty of customs, duty of excise, value added tax, cess and any other material statutory dues were in arrears as at March 31 2021 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, and the records of the company examined by us, the dues in respect of sales tax, income-tax, duty of customs, service tax, GST, entry tax, value added tax, central sales tax, duty of excise, which have not been deposited with the appropriate authority on account of any disputes are as under:

(₹ In Lakhs)

Name of the Statute	Nature of the dues	Amount	Period	Forum where dispute is pending
Central Excise Act	Excise Duty	470.72	Various years	Commissioner of excise and Customs
Bombay Stamp Act	Stamp duty and registration fees including penalty	130.75	2000-01	High Court (Gujarat)
Sales Tax Act	GVAT	151.25	Various years	Joint Commissioner of Commercial Taxes (Appeal) Gujarat

- (viii) According to the records of the company examined by us and the information and explanation given to us, the company has not defaulted in repayment of loans or borrowings to any financial institution, bank or Government as at the Balance sheet date.

Shree Rama Newsprint Limited

- (ix) The Company did not raise any moneys by way of initial public offer or further public offer (including debt instruments) nor has obtained any term loans during the year, hence paragraph 3 (ix) of the order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanation given to us, we have neither come across any instances of material fraud by the Company or on the Company by its officers or employees noticed or reported during the year nor have we been informed of any such case by the Management.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required under Ind AS and Companies Act, 2013.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Therefore, paragraph 3(xiv) of the order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, the provisions of Clause 3(xvi) of the order are not applicable to the Company.

**Annexure - B to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Shree Rama Newsprint Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information & according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Differences between actual results and estimates are recognized in the year in which the results are known / materialized.

c. Revenue Recognition:

Revenue from Products: Revenue from sale of products and services are recognised at a time on which the performance obligation is satisfied over time or at a point in time. The period over which revenue is recognised is based on right to payment for performance completed. In determining whether an entity has right to payment, the entity shall consider whether it would have an enforceable right to demand or retain payment for performance completed to date if the contract were to be terminated before completion for reasons other than entity's failure to perform as per the terms of the contract. An asset is transferred when (or as) the customer obtains control of that asset.

Revenue is recognized at the transaction price (which excludes estimates of variable consideration that are constrained in accordance with paragraphs 56–58 of Ind AS 115) that is allocated to that performance obligation.

Transaction price is the amount of consideration to which a company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money

Interest and Dividend Income: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend income is recognized when the shareholders' right to receive dividend is established.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**

Export Incentive: Incentive on Export Income is recognized when certainty of receipts is established.

Insurance Claim: Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts.

Rent: Rent Income is recognized on the accrual basis based on agreement entered by the Company with the tenants.

d. Property, Plant and Equipments:

Property, plant & equipment are stated at cost less accumulated depreciation thereon. The cost of property, plant & equipment comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Project under commissioning and other capital work-in-progress are carried at cost, comprising direct cost, related incidental pre-operative expenses, and attributed interest.

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit or loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

e. Depreciation:

Depreciation on property, plant and equipment is provided on a Straight-Line Method. The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets is same as those prescribed in Schedule II to the Act, except for buildings, plant and machinery, vehicles and computers which based on an independent technical evaluation, is different from that prescribed in schedule II to the Act and the life ranges from 05 to 43 years.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

f. Intangible Assets and Amortisation:

Intangible assets are stated at cost of acquisition less accumulated amortization and accumulated impairment loss, if any. Intangible asset i.e., Software, is amortized over its estimated useful life of 5 years on straight line basis.

g. Borrowing Costs:

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

h. Foreign Currency Transactions:

(i) Functional and Presentation Currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Foreign Currency Transactions

Foreign Currency Current Assets and Current Liabilities are recorded at the actual transaction rate. The gain or loss arising out of settlement/ translation of the assets and liabilities at the closing rates due to exchange fluctuations is recognized as income/ expenditure in the Statement of Profit and loss.

Receipt or payment of advance consideration in a foreign currency is not restricted to revenue transactions. Accordingly, as per appendix B of Ind AS 21 the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when any amount is received or paid advance consideration in a foreign currency.

Premium or discount arising at the inception of forward exchange contract is amortized as expense or income over the life of the contract. Any gain or losses arising due to exchange difference at the end of the year on such contract are recognized in Statement of Profit & loss.

Foreign exchange differences regarded as an adjustment to borrowing cost are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis under other income/expenses.

i. Impairment Of Assets:

The carrying value of Company's assets / cash generating units are reviewed for impairment annually or more often if there is an indication of decline in value. If any indication of such impairment exists, the recoverable amounts of those assets are estimated and impairment loss is recognized, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price or their value in use, or value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor. Net selling price is the estimated selling price in the ordinary course of business, less estimated cost of completion and to make the sale. As per the assessment conducted by the Company at March 31, 2021, there were no indications that the fixed assets have suffered an impairment loss.

j. Taxation:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

k. Inventories:

Raw materials, work-in-progress, finished goods, packing materials, stores, spares, components, consumables and stock-in-trade are carried at the lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessary to make the sale.

In determining the cost of raw materials, packing materials, stock-in-trade, stores, spares, components and consumables, weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition. Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

l. GST:

GST payable on finished goods is accounted for on clearance of goods. Input Tax Credit on Capital Goods, inputs and Services is accounted in accordance with the input tax credit rules as defined under the GST Act.

m. Investments:

The Company's management has made an irrevocable choice, on initial recognition, to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the statement of profit and loss.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021****n. Research & Development Expenditure:**

Revenue expenditure on research & development is charged to Statement of Profit & Loss account and capital expenditure is added to the cost of fixed assets in the year in which it is incurred.

o. Bad Debts / Advances:

Bad debts or advances are written off in the year in which they become irrecoverable.

p. Cash Flow Statement:

The Cash Flow Statement is prepared by the "indirect method" set out in Indian Accounting Standard 7 (Ind AS 7) on "Statement of Cash Flows" and presents the cash flows by operating, investing and financing activities of the Company. Cash and cash equivalents presented in the Cash Flow Statements consist of cash on hand and balances with bank.

q. Derivative Contracts:

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

r. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding long term benefits) are not discounted to its present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to the Financial Statements. A contingent asset is not recognized but is disclosed when an inflow of economic benefits is probable.

s. Leases:**Company as a Lessee**

Recognition: At the commencement date, right-of-use asset and a lease liability are recognized.

Measurement:

Right of Use Asset

At the commencement date, right-of-use asset are measured at cost.

The cost of the right-of-use asset shall comprise:

- (a) the amount of the initial measurement of the lease liability.
- (b) any lease payments made at or before the commencement date, less any lease incentives received;
- (c) any initial direct costs incurred by the lessee; and
- (d) an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories. The lessee incurs the obligation for those costs either at the commencement date or as a consequence of having used the underlying asset during a particular period.

Lease Liability:

The lease liability is measured at the present value of the lease payments that are not paid. The lease payments are discounted using the incremental borrowing rate of the Company.

At the commencement date, the lease payments included in the measurement of the lease liability comprise the following payments for the right to use the underlying asset during the lease term that are not paid at the commencement date:

- (a) fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- (b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- (c) amounts expected to be payable by the lessee under residual value guarantees;

- (d) the exercise price of a purchase option if the lessee is reasonably certain to exercise that option; and
- (e) payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease.

Short term lease:

Company has not recognized operating lease accounting and not recognize lease assets and lease liabilities for leases with a lease term of 12 months or less (i.e., short-term leases).

Subsequent measurement & depreciation:

Lessees accrete lease liability to reflect interest and reduce the liability to reflect lease payments made.

The depreciation requirements in Ind AS 16, Property, Plant and Equipment is applied, in depreciating the right-of-use asset, subject to the requirements. If the lease transfers ownership of the underlying asset to the lessee by the end of the lease term or if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, the lessee shall depreciate the right-of-use asset from the commencement date to the end of the useful life of the underlying asset. Otherwise, the lessee shall depreciate the right-of-use asset from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

Right-to-use asset are subject to impairment testing under IND-AS 36 Impairment of Assets.

t. Borrowings:

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost.

The fair value of zero coupon optionally non-convertible debentures is determined using a base interest rate for other bank borrowing. This amount is recorded as a liability on an amortised cost basis until extinguishment on conversion or redemption of debentures. The remainder of the proceed is booked as other income.

The fair value of the liability portion of zero coupon optionally convertible debentures is determined using a market interest rate for an equivalent debenture. This amount is recorded as a liability on an amortised cost basis until extinguishment on conversion or redemption of debentures. The remainder of the proceed is attributable to the equity portion of the compound instrument. This is recognised and included in the shareholders' equity and is not subsequently remeasured.

u. Other Financial Assets:

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

v. Employee Benefits:

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

**(iii) Post-employment obligations**

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity; and
- (b) Defined contribution plans such as provident fund & employees' state insurance.

Gratuity obligations:

The liability recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans:

Defined Contribution Plans such as Provident Fund and Employees' State Insurance are charged to the Statement of Profit and Loss as incurred. The Company has no further payment obligations once the contributions have been paid.

w. Earnings Per Equity Share:

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e., the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

x. Contributed Equity:

Equity Shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

y. Critical Estimates and Judgements:

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also needs to exercise judgment in applying the accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

25. EMPLOYEE BENEFITS:

Defined Benefit Plans

The Company offers the following employee benefit schemes to its employees.

Gratuity: The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded.

Risk Exposure: The defined benefit plans exposes the Company to actuarial risk, such as longevity risk, interest rate risk and market (investment) risk. The Company actively monitors how the duration and the expected yield of investments are matching the expected cash outflows arising from the employee benefit obligations. The Company has not changed the processes used to manage its risks from previous periods and monitors such obligation on regular basis.

Principal actuarial assumptions

Principal actuarial assumptions used to determine the present value of the defined benefit obligation are as follows:

Actuarial Assumptions	2021	2020
Discount Rate	6.85	6.83
Expected rate of salary increase	5.00	5.00
Expected Return on Plan Assets	6.85	6.83
Rate of Employee Turnover	2%	2%
Retirement Age (Years)	58	58

Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted key assumptions are:

(₹ in Lakhs)

Significant Assumptions	As at 31 st March 2021			As at 31 st March 2020		
	Change in assumption	Increase in present value of plan liabilities	Decrease in present value of plan liabilities	Change in assumption	Increase in present value of plan liabilities	Decrease in present value of plan liabilities
Discount rate	1%	(26.55)	29.77	1%	(28.65)	32.20

Attrition Rate	1%	2.86	(3.17)	1%	3.54	(3.96)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV and listed equity instruments are being valued at the closing prices on recognised stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

31. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

The Company's financial risk management policy is set by the management. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company manages market risk which evaluates and exercises independent control over the entire process of market risk management. The management recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

a. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk arises from cash held with banks as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. An impairment analysis is performed at each reporting date on an individual basis for major customers. The Company also hold security deposits for outstanding trade receivables. The history of trade receivables shows a negligible provision for bad and doubtful debts.

b. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Maturities of financial liabilities

Borrowings	37,695.06	27,538.57	2,455.69	2,792.41
Trade Payables	6,734.11	6,734.11	-	-
Other Financial Liabilities	3,266.57	3,069.25	197.31	-
Total	47,695.74	37,341.93	2,653.00	2,792.41

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities.

d. Foreign exchange risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The Company's foreign exchange risk arises from its foreign currency borrowings (primarily in USD). As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in Indian rupees may decrease.

The following table sets forth information relating to foreign currency exposure (other than risk arising from derivatives disclosed below):

(₹ in Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	USD (In Lakhs)	INR	USD (In Lakhs)	INR
Foreign Currency Exposures (USD)	15.58	1,145.10	9.39	705.38
Foreign Currency Exposures (GBP)	-	-	-	-
Total		1,145.10		705.38

The above foreign currency exposures are not hedged by the derivative instruments.

The sensitivity of profit or loss due to changes in the exchange rates arises mainly from non-derivative foreign currency denominated financial instruments (mainly financial instruments denominated in USD). The same is summarized as below:

(₹ in Lakhs)

Particulars	Impact on Profit	
	As at 31.03.2021	As at 31.03.2020
USD Sensitivity		
INR / USD – Increase by 10%	(114.51)	(70.54)
INR / USD – Decrease by 10%	114.51	70.54

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However the company's exposure to foreign currency loan is of fixed interest rate.

The Company's investments in term deposits (i.e., margin money) with banks are for short durations, and therefore do not expose the Company to significant interest rates risk.

(i) Interest rate risk exposure

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Variable rate borrowings

(₹ in Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	Balance O/s.	Weighted Average Interest Rate	Balance O/s.	Weighted Average Interest Rate
Working Capital Loan	3,773.56	9.70	5,496.97	9.50
Term Loan	5,942.86	8.05	6,866.32	9.25
Total	9,716.42	8.69	12,363.29	9.36

(ii) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

(₹ in Lakhs)

Particulars	Impact on Profit after tax	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Interest rates – increase by 10%	(84.44)	(115.73)
Interest rates – decrease by 10%	84.44	115.73

32. The Company is mainly engaged in Paper and package drinking water bottling business for which commercial production started w.e.f July 01, 2019. Indian Accounting Standard 108 "Operating Segment" is applicable to the company and accordingly the segment reporting and disclosure will be presented as per Para 12 & 13 of Ind AS 108 once the Quantitative threshold are met for the said plant.

**33. CAPITAL MANAGEMENT:****a) Risk Management:**

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

b) Dividends:

The Company has not recommended any dividend during the year.

- 34.** COVID 19 outbreak related restrictions were earlier relaxed in phased manner whereby demand picked up in the quarter under review though it was subdued in earlier quarters of the financial year ended March 31, 2021. The situation has however worsened in second wave with restrictions reimposed, which is being keenly observed by the Management.

The Management has considered the possible effects from COVID 19 in the preparation of these financial results including the impact on recoverability of carrying amounts of financial and non-financial assets, more particularly assessment of impairment of the carrying values of Property, Plant and Equipment. In developing the forecasts and estimates for testing Property, Plant and Equipment for impairment, the Management has considered possible future uncertainties in the global and domestic economic conditions because of COVID 19 and used Internal and external sources of information to the extent relevant and available as of the date of these financial statements/results. Based on this assessment, the Management expects the carrying amount of these assets, as at March 31, 2021, will be recovered. The Management will continue to monitor any changes to the future economic conditions and will recognize the Impact if any, prospectively in future periods.

- 35.** Figures for the previous year have been regrouped / rearranged, wherever necessary, to conform to current year's classification.
