7. AUTHORITY FOR THE BUYBACK

The Buyback is in accordance with the provisions contained in the Article 32 of the Articles of Association of the Company, Section 68, 69 and 70 and all other applicable provisions, if any, of the Companies Act, 2013 as amended (“**Companies Act**”), the Companies (Share Capital and Debentures) Rules, 2014 as amended (“**Share Capital Rules**”) and in compliance with the Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018, (the “**Buyback Regulations**”) including any amendments, statutory modifications or re-enactments thereof, and such other approvals, permissions and sanctions, as may be required, from time to time, from the stock exchanges where the equity shares of the Company are listed and from any other statutory and /or regulatory authority, as may be required and which may be agreed to by the Board and/ or any other committee thereof.

The Board of Directors at their meeting on June 21, 2019 passed a resolution approving Buyback of Equity Shares of the Company.

8. NECESSITY OF THE BUYBACK

Share buyback is the acquisition by a Company of its own shares. The objective is to return surplus cash to the shareholders holding equity shares of the Company. The Board at its meeting held on June 21, 2019, considered all relevant factors, including the strategic and operational cash requirements in the medium term, present debt to equity ratio of the Company, the increase in accumulated free reserves and considering these, the Board decided to allocate a sum of Rs. 102,00,00,000/- (Rupees One Hundred Two Crores Only) for distributing to the shareholders holding equity shares of the Company through the Buyback.

After considering several factors and benefits to the shareholders holding equity shares of the Company, the Board decided to recommend Buyback of not exceeding 68,00,000 (Sixty Eight Lakhs Only) equity shares (representing 1.62% of the total number of shares in the present paid-up equity share capital of the Company) at a price of Rs. 150/- (Rupees One Hundred And Fifty Only) per equity share for an aggregate consideration of Rs. 102,00,00,000/- (Rupees One Hundred Two Crores Only). Buyback is a more efficient form of distributing surplus cash to the shareholders holding equity shares of the Company, inter-alia, for the following reasons:

- (i). The Buyback will help the Company to distribute surplus cash to its shareholders holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- (ii). The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of 15% of the outlay to small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit public shareholders, who would get classified as "Small Shareholder";
- (iii). The Buyback would help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- (iv). The Buyback gives an option to the shareholders holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment;
- (v). The Buyback will help in optimizing the capital structure.

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

9.1 The Company believes that the Buyback is not likely to cause any material impact on the profitability/earnings of the Company except a reduction in the investment income, which the Company could have otherwise earned on the amount distributed towards Buyback. Assuming there is full response to the buyback, the funds deployed by the Buyback would be Rs. 102,00,00,000/- (Rupees One Hundred Two Crores Only). This shall impact the investment Income earned by the Company, on account of the reduced amount of funds available for investments.

9.2 The buyback will not in any manner impair the ability of the Company in meeting to pursue growth opportunities or meet its cash requirements for business operations.

9.3 In terms of the Buyback Regulations, under the tender offer, the Promoter and Persons in Control have the option to participate in the Buyback. In this regard, the Promoter and Persons in Control vide their letters dated June 21, 2019 have expressed their intention to tender Equity Shares in the Buy-back.

As defined in the Buyback Regulations, a “small shareholder” is a shareholder who holds equity shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than Rs. 2,00,000/- (Rupees Two Lakhs only). As on Record Date i.e., July 05, 2019, the volume of Shares traded on NSE was 70,398 Shares and on BSE was 4,572 Shares. Accordingly, NSE being the stock exchange with highest turnover, the closing price was Rs. 118.25 and hence all Shareholders holding not more than 1,691 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
- d. Based on the above definition, there are 17,060 Small shareholders with aggregate shareholding of 35,12,705 shares as on the Record Date, which constitutes 0.84% of outstanding paid up equity share capital of the company and 51.66% of the equity shares which the Company proposes to Buyback as a part of this Buyback Offer.
- e. In compliance with Regulation 6 of the Buyback Regulations, the reservation for small shareholders will be equity shares which are higher of:
 - 15% of the number of equity shares which the company proposes to buyback i.e., 15% of 68,00,000 Equity shares which works out to 10,20,000 Equity shares;
 - The number of Equity shares entitled as per their holding as on the Record Date (i.e., $(35,12,705 / 41,92,28,997) \times 68,00,000$) which is 56,977 equity shares

Hence, out of the total buyback size of 68,00,000 shares, 10,20,000 Equity shares shall be reserved for the small shareholders.

- f. Accordingly, General Category shall consist of 57,80,000 Equity shares.
- g. Based on the above the entitlement ratio of Buyback for both categories is decided as below:

Category	Entitlement ratio of buyback
Reserved Category	9 equity shares out of every 31 fully paid up equity shares as on record date i.e., July 05, 2019.
General Category	1 equity share out of every 72 fully paid up equity shares as on record date i.e., July 05, 2019.

*** The above ratio of Buyback is approximate and provides an indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above ratio may provide a slightly different number due to rounding off. The actual Buyback Entitlement for Reserved Category for Small Shareholders is 0.290322580645161 and General Category for all other than eligible Shareholders is 0.0138888888888889.**

19.5 Fractional Entitlement

If the entitlement under Buyback, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Shareholders.

On account of ignoring the fractional entitlement, those small shareholders who hold 3 or less equity shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

19.6 Basis of acceptance of equity shares validly tendered in the Reserved Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Full acceptance of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b) Post the acceptance as described in paragraph 19.6 (a), in case, there are any Shares left to be bought back in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and one Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described in paragraph 19.6 (a) and (b), in case there are any validly tendered unaccepted shares in the Reserved Category ("**Reserved Category Additional Shares**") and shares left to be bought back in the Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.6 (b), shall be reduced by one.
- d) Adjustment for Fractional results in case of proportionate acceptance, as described in Paragraph 19.6 (c), will be made as follows:
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiples of 1 and the Fractional acceptance is less than 0.50, then the Fraction shall be ignored.

19.7 Basis of acceptance of equity shares validly tendered in the General Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the shares tendered in the Buyback Offer by shareholders (other than the small shareholders) in the General category in the following order of priority:

- a. Full acceptance of shares from shareholders in the General Category who have validly tendered their shares, to the extent of their Buyback entitlement, or the number of shares tendered by them, whichever is less.

- b. Post the acceptance as described in paragraph 19.7(a), in case there are any validly tendered unaccepted shares in the General Category (“**General Category Additional Shares**”) and shares left to be bought back in General Category, the General Category shares will be accepted in a proportionate manner and the acceptances shall be made in accordance with Buyback Regulations, i.e., valid acceptances per shareholders shall be equal to General Category additional shares by the shareholders divided by the total General Category Additional shares and multiplied by the total number of additional shares remaining to be bought back in the General Category.
- c. Adjustment for Fractional Results in case of proportionate acceptance as described in paragraph 19.7(b) will be made as follows:
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to next higher integer.
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than equal to 0.50, then the fraction shall be ignored.

19.8 Basis of acceptance of equity shares between the two Categories

- a. After acceptance of tenders, as mentioned in paragraph 19.6 and 19.7, in case there are any shares left to be bought back in one category (“**Partially Filled Category**”) and there are additional unaccepted validly tendered shares (“**Further Additional Shares**”) in the second category (“**Over Tendered Category**”), then the further additional shares in the over tendered category shall be accepted in a proportionate manner i.e., valid acceptances per shareholder shall be equal to further additional shares validly tendered by the shareholder in the over tendered category divided by the total further additional shares in the over tendered category and multiplied by the total shares left to be bought back in the partially filled category.
- b. If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 19.8(a) out of the Shares left to be bought back in the Partially Filled Category provided no acceptance could take place from such Shareholder in accordance with paragraph 19.6.
- c. Adjustment for Fractional Results in case of proportionate acceptance as described in paragraph 19.8(b) will be made as follows:
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to next higher integer.
 - For any shareholder, if the number of additional shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than equal to 0.50, then the fraction shall be ignored.

19.9 For avoidance of doubt, it is clarified that:

- a) the Equity Shares Accepted under the Buyback from each Eligible Shareholder, in accordance with paragraphs above, shall not exceed the number of Equity Shares tendered by the respective Eligible Shareholder;
- b) the Equity Shares Accepted under the Buyback from each Eligible Shareholder, in accordance with paragraphs above, shall not exceed the number of Equity Shares held by respective Eligible Shareholder as on the Record Date; and
- c) the Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of Acceptance in accordance with the paragraphs above.

19.10 Clubbing of Entitlements

In order to ensure that the same Eligible Shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder

or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the depositories.

21.1 GENERAL

The basis of charge of Indian Income-Tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 (hereinafter referred as Income Tax Act).

A person who is treated as non-resident for Indian Income-Tax purposes is generally subject to tax in India only on such person's income which is accrued or has been received in India. Any gains arising to a nonresident on transfer of Equity Shares should be taxable in India under the Income Tax Act. Further, as per the provisions of the Income Tax Act, the non-resident can avail the beneficial provisions of the Double Taxation Avoidance Agreements (DTAA) between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.

The Income Tax Act also provides for different tax regimes / rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary of tax implications on buyback of listed equity shares on the stock exchange is set out below. All references to equity shares in this note refer to listed equity shares unless stated otherwise.

21.2 CLASSIFICATION OF SHARES AND SHAREHOLDERS

a) Based on the provisions of the Income Tax Act, shares can be classified under the following two categories:

- i. Shares held as investment (Income from transfer taxable under the head "Capital Gains")
- ii. Shares held as stock-in-trade (Income from transfer taxable under the head "Profits and Gains from Business or Profession")

b) Based on the provisions of the Income Tax Act, shareholders can be classified under the following categories:

- i) Resident Shareholders being:**
 - Individuals, HUF, AOP and BOI
 - Others

- ii) **Non- Resident shareholders being:**
 - NRIs
 - FIIs
 - Others: Company; other than company

21.2.1 CLASSIFICATION OF INCOME

Shares can be classified under the following 2 (two) categories:

- a) Shares held as investment (income from transfer taxable under the head “Capital Gains”)
- b) Shares held as stock-in-trade (income from transfer taxable under the head “Profits and Gains from Business or Profession”)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterization of income arising from sale of shares has been a subject matter of litigation with the tax authorities. The apex body of Income-tax has issued Circular no. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months, and if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same shall not be put to dispute by the Tax Officer.

Further, investments by FII in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the Income Tax Act.

21.2.2 SHARES HELD AS INVESTMENT

As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares are governed by the provisions of Section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per provisions of Section 48 of the Income Tax Act. The provisions of buy back tax under Section 115QA in Chapter XII-DA of the Income Tax Act do not apply for shares listed on the stock exchange and accordingly, the exemption provided under section 10(34A) of the Income Tax Act shall not be applicable.

21.2.3 Period of holding

Depending on the period for which the shares are held, the gains would be taxable as “short term capital gain” or “long term capital gain”:

- In respect of equity shares held for a period of less than or equal to 12 months prior to the date of transfer, the same shall be treated as a short-term capital asset , and the gains arising there from shall be taxable as “short term capital gains” (“STCG”).
- Similarly, where equity shares are held for a period of more than 12 months prior to the date of transfer, the same shall be treated as a long-term capital asset , and the gains arising there from shall be taxable as “long term capital gains” (“LTCG”).

21.2.4 Buyback of shares through a recognized stock exchange.

Since the buyback is undertaken on the stock exchange, such transaction is chargeable to Securities Transaction Tax (“STT”). STT is a tax payable in India on the value of securities on every purchase or sale of

securities that are listed on the Indian Stock Exchange. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security.

Where transaction for transfer of such equity shares (i.e. buyback) is transacted through a recognized stock exchange and subjected to STT then the taxability will be as under (for all categories of shareholders):

a) Long Term Capital Gains

Prior to the introduction of Finance Act, 2017, section 10(38) of the Income Tax Act provided that the income arising from a transfer of long term capital asset, being equity share in a company is exempt from tax if the transaction is subjected to STT.

Vide Finance Act, 2017 section 10(38) of the Income Tax Act was amended to provide that the exemption under section 10(38) shall not be applicable in scenarios where the equity shares sold is purchased on or after 1st October, 2004 without payment of STT. However, vide Notification No. 60/2018 dated 1st October 2018, an exemption from the requirement of STT being paid at the time of acquisition of shares provided to certain modes of acquisition including acquisition of shares by a non-resident under the FDI policy. If acquisition is made in such specified modes, the exemption under section 10(38) shall continue to apply, even if no STT was paid at the time of acquisition of the shares.

Further vide Finance Act, 2018 section 10(38) of the Income Tax Act was further amended to withdraw the exemption contained therein on income arising from transfer of equity share in a company after 1st April, 2018.

A new section namely section 112A was inserted in the Income Tax Act vide Finance Act, 2018 to provide for the following:

- Tax @ 10% on LTCG, exceeding INR 1 Lac, arising from transfer of equity share in a company on or after 1st April, 2018 without considering the benefit of the first proviso and the second proviso to section 48 of the Income Tax Act.
- Capital Gains accrued on such equity shares till 31st January, 2018 have been grandfathered.
- Cost of acquisition in respect of equity shares in a company transferred on or after 1st April, 2018 shall be as follows:
 - In case where the equity share in a company is acquired before 1st February, 2018; higher of the following :
 - I. The actual cost of acquisition of such equity shares acquired before 1st February, 2018; or
 - II. The lower of the following :-
 1. The highest price of the equity share of the company quoted on a recognized stock exchange on 31st January, 2018; or
 2. The actual sale consideration received from transfer of such equity share in a company (The benefit of the first proviso and the second proviso to section 48 of the Income Tax Act will not be available)
 - In case where the equity share in a company is acquired on or after 1st February, 2018, the cost of acquisition shall be the cost of acquisition without considering the benefit of the first proviso and the second proviso to section 48 of the Income Tax Act

Section 115AD of the Income Tax Act has been amended to provide that tax @ 10% shall be applicable on income arising to FII from transfer of long term capital asset being equity shares in a company.

If STT is not paid at the time of acquisition of the shares being bought back, entire LTCG arising to the shareholder shall be subject to tax @ 10% under Section 112 of the IT Act (or 20% after claiming indexation benefit which is relevant in case of resident shareholders).

b) Short Term Capital Gains

STCG arising from such transaction would be subject to tax @ 15% under section 111A of the Income Tax Act.

In case of resident Individual or HUF, if the short term Capital Gain is below the maximum amount not chargeable to tax in that case such short term Capital Gain shall be reduced by the amount of shortfall. In addition to the above STCG tax, Surcharge, Health and education cess are leviable.

For non-residents, taxability of capital gains would be subject to taxability under the Income tax act or beneficial provisions of applicable Double Taxation Avoidance Agreement (“DTAA”), whichever is more beneficial but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.

21.3 SHARES HELD AS STOCK-IN-TRADE

If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the head “Profits and Gains from Business or Profession. In such a case, the provisions of Section 46A of the Income Tax Act will not apply.

21.3.1 Resident Shareholders.

- (a) For individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
- (b) Domestic Company having turnover or gross receipts not exceeding INR 250 crore of the previous year 2018- 19 would be taxable @ 25%.
- (c) For persons other than stated in (a) and (b) above, profits would be taxable @ 30%.

In addition to the above, Surcharge and Health and education cess are leviable. Further no benefit of indexation by virtue of period of holding would be available in any case.

21.3.2 Non-Resident Shareholders

- a) When DTAA provisions are applicable:

Non-resident shareholders can avail beneficial provisions of the applicable DTAA entered into by India with relevant country in which the shareholder is resident, but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.

- b) Where DTAA provisions are not applicable:

- For non-resident individuals, HUF, AOP, BOI, profits would be taxable at slab rates
- For foreign companies, profits would be taxed in India @ 40%
- For other non-resident shareholders, such as foreign firms, profits would be taxed in India @ 30%.

In addition to the above, Surcharge, Health and education cess are leviable.

21.4 TAX DEDUCTION AT SOURCE.

21.4.1 In case of Resident Shareholders.

In absence of any specific provision under the Income Tax Act, the Company is not required to deduct tax on the consideration payable to resident shareholders pursuant to the said Buyback.

21.4.2 In case of Non-resident Shareholders

Since the buy-back is through the Stock Exchange, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India (either through deduction at source or otherwise) in consultation with their custodians / authorized dealers / tax advisors / stock broker appropriately.

In the event, the Company is held liable for the tax liability of the Shareholder, the same shall be to the account of the Shareholder and to that extent the Company is entitled to be indemnified. The non-resident shareholders also undertake to provide the Company, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds arising on buyback of Equity Shares by the Company, copy of tax return filed in India, evidence of the tax paid etc.
