Financial Results

Q2 FY22

November 10, 2021

Environment

Global recovery continues, but the momentum has weakened with increasing inequality among nations. Rapid spread of Delta and the threat of new variants have increased uncertainty about how quickly the pandemic can be overcome. Policy choices have become more difficult, with limited room to maneuver (IMF)

India's GDP growth is expected to rebound to 9.5% in 2021 despite impact of the second wave of the pandemic. Formal and organized parts of economy gaining at expense of unorganized and informal

Trend of outsourcing L&D to training specialists expected to continue as spends recover.
Immersive Digital Technologies continue to see strong adoption across learner categories

North America Real Estate Market seeing some stabilization although sales velocity is down from its high last year. Demand for real estate career remains robust

Net addition in IT companies at multi year high driven by growth in Digital and transformational orders. Banks starting to hire for replacements in demand recovery

Large opportunity in global corporate training and digital learning attracting interest from PE and strategic investors (GPX-LTG, edX - 2U, Simplilearn – Blackstone, Great Learning –Byju's)
