NOTES

1. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 in respect of the Special Resolutions under Item No. 5 to 7, is annexed hereto. The relevant details of the Directors seeking appointment/re-appointment under Item No. 3 to 6, pursuant to Regulations 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and as required under Secretarial Standards - 2 on General Meetings issued by The Institute of Company Secretaries of India, are annexed.
2. Considering the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has, vide its circular dated January 13, 2021 read together with circulars dated April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as "MCA Circulars"), permitted convening the Annual General Meeting ("AGM") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the AGM of the Company is being held through VC / OAVM. Hence, Members can attend and participate in the AGM through VC/OAVM only.
3. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form and Attendance Slip are not annexed to the Notice.
4. In compliance with the MCA Circulars and SEBI Circular dated January 15, 2021 read with Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose e-mail address is registered with the Company/ Depository Participants. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2020-21 will also be available on the Company's website www.choksiworld.com; websites of the Bombay Stock Exchange at www.bseindia.com and on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.
5. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
7. The Register of Members and Share Transfer Books of the Company will remain closed from September 18, 2021 to September 25, 2021 (both days inclusive), for determining the names of members eligible for dividend on Equity shares, if declared at the AGM.
8. The Board has recommended a final dividend @25% i.e. Rs.2.5/- per share (Rupee Two and Fifty Paise only) on 39,00,000 fully paid up equity share capital of Rs. 10/- each of the Company for the financial year ended March 31, 2021. Dividend, if approved by the members at the Annual General Meeting will be paid within a period of 30 days from the date of declaration, to the Members whose names appear on the Register of Members and Register of Beneficial Owners as on September 17, 2021.
9. All unclaimed dividends up to the final dividend for FY 2012-13 paid by the Company have been transferred to Investor Education and Protection Fund (IEPF) of the Central Government. Pursuant to the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company has uploaded the details of the unpaid and unclaimed amounts lying with the Company on the website of the Company www.choksiworld.com, and also on the website of the Ministry of Corporate Affairs www.mca.gov.in. The Company had not declared any dividend for the year 2013-14 hence there is no unclaimed dividend due for transfer to IEPF this year.
10. Members holding shares in Electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or bank mandates immediately to the Company or the Company's Share Registrars and Transfer Agents.
11. As per the provisions of the Companies Act, 2013 facility for making nomination is available for the Members in respect of the shares held by them. Nomination forms can be obtained from the Company's Share Registrar and Transfer Agent by Members holding shares in physical form. Members holding shares in electronic form may obtain Nomination forms from their respective Depository Participant.

12. All documents referred to in the accompanying Notice and the Explanatory Statement can be obtained for inspection by writing to the Company at its email ID rishi.dave@choksiworld.com till the date of AGM.
13. Members may note that pursuant to the Finance Act, 2020, dividends paid or distributed by a Company after April 1, 2020 shall be taxable in the hands of the Members. The Company shall therefore be required to deduct tax at source at the time of making payment of the said Final Dividend. Shareholders are requested to furnish appropriate declarations and documents by 5:00 p.m. (IST) on September 10, 2021 to RTA at RNT@adroitcorporate.com. All documents are available on website of the Company at www.choksiworld.com.
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company and Company's Share Registrars and Transfer Agents.

15. VOTING THROUGH ELECTRONIC MEANS:

- i) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the Listing Regulations and Circulars, the Company is providing facility of remote e-voting to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with CDSL for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system during the AGM will be provided by CDSL.
- ii) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. However, this number does not include the large Shareholders i.e. Shareholders holding 2% or more shareholding, Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- iii) Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- iv) Any person who becomes a member of the Company after dispatch of the Notice of the Meeting and holding shares as on the cut-off date i.e. September 18, 2021 may obtain the login details in the manner as mentioned below.

16. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on September 22, 2021 at 9:00 a.m. and ends on September 24, 2021 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the record date of September 18, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retailshareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

REPORT ON MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure and Developments

Your Company is in the business of trading of Healthcare products, mainly Medical X-Ray Films and supply of other products to the Healthcare Industry. The products of the Company include medical consumables and equipments. Your Company's growth is directly linked to the growth of the Healthcare Services Delivery business in India.

Healthcare has become one of India's largest sector, both in terms of revenue and employment. Healthcare comprises hospitals, medical devices, clinical trials, outsourcing, telemedicine, medical tourism, health insurance and medical equipment. The Indian healthcare sector is growing at a brisk pace due to its strengthening coverage, services and increasing expenditure by public as well private players. There is a significant scope for enhancing healthcare services considering that healthcare spending as a percentage of Gross Domestic Product (GDP) is rising. Rural India, which accounts for over 70 per cent of the population, is set to emerge as a potential demand source.

The healthcare industry in India is instrumental in providing quality and inexpensive medical facilities to the vast population of India, creates huge employment opportunities for people of all calibers. Indian healthcare delivery system is categorized into two major components - public and private. The private sector provides majority of secondary, tertiary and quaternary care institutions with a major concentration in metros, tier I and tier II cities.

India's competitive advantage lies in its large pool of well-trained medical professionals. India is also cost competitive compared to its peers in Asia and Western countries. The cost of surgery in India is about one-tenth of that in the US or Western Europe.

Year at a Glance:

The turnover of the company for the year under review has decreased to Rs. 1116.13 lakh from Rs. 1600.04 lakh. The Company has profit of Rs.270.58 lakh for the year 2020-2021 as compared to loss of Rs. 53.14 lakh for the 2019-2020. The profit for the year 2020-2021 has increased due to non-operational items.

Product Wise Performance:

During the year, the Company has decided to discontinue manufacturing activity at its Silvassa factory by the end of first quarter of 2021-2022. The trading products consist of other consumables and equipments for the Healthcare Industry. During the year manufacturing goods turnover decreased from Rs.1305.75 to Rs. 859.02 lakh (Gross) and the trading goods turnover has decreased from Rs.281.12 lakh to Rs.242.71 lakh (Gross).

Outlook:

Indian healthcare sector, being one of the fastest growing industries, there is immense scope for enhancing healthcare services penetration in India, thereby presenting ample opportunity for development of the healthcare industry. The healthcare market can increase three-fold to Rs.8.6 trillion (US\$ 133.44 billion) by 2022. In Budget 2021, India's public expenditure on healthcare stood at 1.2% as a percentage of the GDP.

This growth is likely to be driven by improving healthcare facilities, medical diagnostic and pathological laboratories, private-public projects, and the health insurance sector.

Opportunities:

Indian healthcare sector is much diversified and is full of opportunities in every segment, which includes providers, payers, and medical technology. With the increase in the competition, businesses are looking to explore for the latest dynamics and trends which will have positive impact on their business. The hospital industry in India is forecast to increase to Rs. 8.6 trillion (US\$ 132.84 billion) by Financial Year 2022 from Rs.4 trillion (US\$ 61.79 billion) in Financial Year 2017 at a CAGR of 16–17%. The Government of India is planning to increase public health spending to 2.5% of the country's GDP by 2025.

India's competitive advantage also lies in the increased success rate of Indian companies in getting Abbreviated New Drug Application (ANDA) approvals. India also offers vast opportunities in R&D as well as medical tourism. To sum up, there are vast opportunities for investment in healthcare infrastructure in both urban and rural India.

Risks, Concerns and threats:

Today, it is one of the leading sectors in terms of revenue and employment, creating both high – low skills job. However, with that being said it has its own set of challenges. The existing healthcare infrastructure of India is not sufficient to meet the needs of the rising population. Further the Healthcare costs in India are currently very low. In continuation the government should take into consideration quality of the healthcare products at the time of standardizing cost of the same.

Further, the insurance coverage is insignificant as compared to vast population of the country, which plays pivotal role in quality treatment as well as affordability.

Lastly over the last one year, the commodity costs have increased significantly worldwide which has reduced the profitability of the products. This has lead to reduced margins for many Healthcare products.

Taking into consideration of above factors, the management of the Company is cautiously looking into new products.

COVID-19 Consequence

While public policy measures have been implemented to contain the spread of COVID - 19, the measures have resulted in significant operational disruption for many companies including those in the Indian healthcare industry. Staff quarantine, supply-chain failures, and sudden reductions in customer demand have generated serious complications for companies across a wider range of sectors than initially anticipated. For most, the revenue lost in this period represents a permanent loss and has put sudden, unanticipated pressure on working capital lines and liquidity.

Despite the current crisis being a healthcare issue, the private healthcare system in the country continues to reel under the negative impact of COVID-19. There has been a significant drop in both in-patient and out-patient footfall for private hospital chains, be it a single speciality, multi-speciality, tertiary-care hospitals or even diagnostics businesses, during this lockdown.

This sudden decline in business has had an immediate effect on Company's ability to sustain fixed costs.

Internal Control Systems and their adequacy:

The Company has instituted internal control systems to commensurate with nature of its business. An Internal Audit is conducted at all the branches of your Company as well as the factory at Silvassa by an independent qualified Chartered Accountant. Your company also has an Audit Committee having Independent Directors as its members in place. The Internal Audit Reports are placed before the audit committee at every meeting of such committee which are reviewed and scrutinized by the committee.

Human Resources:

Total number of employees as on March 31, 2021 stood at 32, who form the experienced, educated and hardworking pool of Human resources. Your Company's industrial relations continued to be cordial during the year under review. Your Company conducts regular in- house training programs for employees at various levels. Employees are also sent for selected external training programs. Your Company has constituted Vigil Mechanism policy for Director and employees to report genuine concerns.

INDEPENDENT AUDITORS' REPORT

To the Members of Choksi Imaging Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M/s CHOKSI IMAGING LIMITED which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as "the standalone financial statements") In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act , of the state of affairs of the Company as at March 31, 2021, and profit/loss, (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How our audit addressed the key audit matter
Litigation Matter- Claims against company not acknowledged as Debt	Our procedures included, but were not limited to the following:
<p>Refer note no 2.27 to the accompanying financial statements.</p> <p>As at 31st March 2021, the contingent liability reported in notes accompanying financial statements is on account of order passed by Commissioner of Customs for the levy of SAD & penalty thereon amounting to Rs 15.74 crores and further penalty on executives/director of the company amounting to Rs 75 lacs.</p> <p>The Company has filed an appeal before the Honorable Tribunal of Customs against the said order and management is expecting a favorable order based on the legal advisory's opinion.</p> <p>Considering the materiality of the amount involved this matter has been identified as a key audit matter for the current year audit.</p>	<p>Obtained an understanding of management's stance on the said matter based on the provisions of the law prevailing at that period of time.</p> <p>Assessed the professional competence and capabilities of the legal adviser engaged by the management.</p> <p>Based on our procedures, we also considered the adequacy of disclosures in respect of the said litigation as a contingent liability in the notes to the standalone financial statements.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors' is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our Auditors' Report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A; statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- a. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books [and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.]
- b. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- c. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- d. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- e. With respect to the adequacy of the internal financial controls over financial reporting (ICFR) of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note accompanying the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2021.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Annexure B to the Independent Auditor's Report of even date on financial statement of M/s CHOKSI IMAGING LIMITED on the standalone financial statements for the year ended on MARCH 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Choksi Imaging Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date which includes a jointly controlled operation.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS.

Background

Choksi Imaging Limited is a company limited by shares, incorporated and domiciled in India. The company is engaged in the business primarily dealing in manufacturing of x-ray films & trading into specialty x-ray films & medical equipment.

Note 1: Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

- (i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

- (ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- I. Defined benefit plans – plan assets measured at fair value.

- (iii) Current versus non-current classification

All the assets and liabilities have been classified as current/non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in Division II to Schedule III of the Companies Act, 2013.

(b) Use of Estimates & Judgments

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the accounts and reported amounts of income and expenses during the year. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Actual results could differ from those estimates. The most significant techniques for estimation are described in the accounting policies below. Critical accounting judgments and the key sources of estimation or uncertainty in applying the Company's accounting policies arise in relation to property, plant and equipment, impairment of assets, current asset provisions, deferred tax, retirement benefits and provisions.

Estimation of uncertainties relating to the global health pandemic from COVID-19:

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian Government, to stem the spread of COVID-19. The Covid-19 pandemic has developed rapidly in 2020, with a significant number of cases globally.

The management has exercised due care, in concluding on significant accounting judgements and estimates, recoverability of receivables and inventory based on the information available as on date, while preparing the financial results as of and for the year ended March 31, 2021.

Choksi Imaging Ltd manufactures and supplies essential products such specialty x-rays, medical equipments etc. and the entire Choksi's portfolio is considered essential to consumer requirements in these challenging times. In light of these circumstances, the Company has considered that there are no major possible implications/effects that may result from COVID-19 pandemic.

(c) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates. The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific

criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Choksi Imaging Limited is a company limited by shares, incorporated and domiciled in India. The company is engaged in the business primarily dealing in manufacturing of x-ray films & trading into specialty x-ray films & medical equipment.

Sale of goods

Timing of recognition: Sales are recognised when products are delivered to the customer, the customer has full discretion over the channel and price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specified location, the risks of obsolescence and loss have been transferred to the customer, and either the wholesaler has accepted the products in accordance with the sales contract, the acceptance provisions have lapsed, or the company has objective evidence that all criteria for acceptance have been satisfied.

Measurement of revenue: Revenue from sales is based on the price specified in the sales contracts, net of the estimated discounts and returns at the time of sale. Accumulated experience is used to estimate and provide for the discounts and returns. No element of financing is deemed present as the sales are made with a credit term of 45 days, which is consistent with market practice.

Revenue from services – Commission & AMC

Timing of recognition: Revenue from commission is recognised in the accounting period in which the services are rendered. For fixed-price contracts i.e. AMC, revenue is recognised based on the total amount of invoice raised for the service provided & to be provided in the financial year in which the invoice is raised.

Measurement of revenue: Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

(d) Foreign Currency Transactions

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Exchange differences arising on foreign currency transaction settled during the year are recognized in the statement of Profit and Loss. Monetary Assets and Liabilities denominated in foreign currency as at the Balance Sheet date are re-stated using the Foreign Exchange rates as at Balance Sheet date. The resultant exchange differences are recognized in the statement of Profit and Loss.

(e) Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the company operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. The company has not opted for the section 115BAA under the Income Tax Act, 1961 for the year under consideration.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(f) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, highly liquid investments with original maturities of six months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(g) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

(h) Valuation of Inventories

Items of inventories are measured at lower of cost and net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads, excluding depreciation incurred in bringing them to their respective present location. Cost of raw materials, stores and spares, packing materials, trading and other products are determined on First in First out method. Scraps are valued at net realizable value.

(I) Investments and other financial assets

(i) Classification

The company classifies its financial assets in the following measurement categories:

- i. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- ii. Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

(ii) Measurement

At initial recognition, the group measures a financial asset at its fair value plus. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

(j) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

(k) Intangible Assets

Computer Software

Items of expenditure that meets the recognition criteria are classified as intangible assets and are amortized over the period of economic benefits. Goodwill is amortized over a period of 10 years.

Software is stated at cost of acquisition and is amortized on straight line basis as per rates applicable.

(l) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying

amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of amortized historical cost.

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(n) Provisions

Provisions for legal claims, warranties, discounts and returns are recognised when the group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

(o) Employee Benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Post-employment obligations

The group operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity, and
- (b) Defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation or provided by LIC (Insurer). The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(p) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(q) Earnings per share**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- a. the profit attributable to owners of the group
- b. by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- a. The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- b. The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(r) Lease:

The company has consistently applied the accounting policies in respect of all periods presented in these financial statements. The company has changed its accounting policies for lease contracts as detailed below:

The company has applied Ind AS 116 using the modified retrospective approach with cumulative impact recognised on the date of initial application (1st April 2019). However there is no impact on the financials of the company as there are no such transactions for the current period which are covered under the ambit of this standard.

(s) Changes in accounting policies and disclosures**1. Amendments to Ind AS 1 and Ind AS 8: Definition of Material**

The amendments provide a new definition of material that states, "information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity." The amendments clarify that materiality will depend on the nature or magnitude of information, either individually or in combination with other information, in the context of the financial statements. A misstatement of information is material if it could reasonably be expected to influence decisions made by the primary users. These amendments had no impact on the standalone financial statements of, nor is there expected to be any future impact to the Company. These amendments are applicable prospectively for annual periods beginning on or after the 1 April 2020. The amendments to the definition of material are not expected to have a significant impact on the Company's standalone financial statements.

(t) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Note 5 Capital Management
(a) Risk Management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Group will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note 6 Fair Value measurement
Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Note 7 Financial Risk Management
Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of directors.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables and loans and borrowings excluding specific foreign currency payables. The Company manages market risk through the board, which evaluates and exercises independent control over the entire process of market risk management. The activities of this department include management of cash resources, borrowing strategies and ensuring compliance with market risk limits and policies.

Market Risk-Foreign Currency Risk

The Company operates domestically and portion of the business was transacted in foreign currency and consequently the Company was exposed to foreign exchange risk through its purchases from overseas suppliers in foreign currency.

Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss. The Company measures the expected credit loss of trade receivables and loan based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends.

Revenue from Operations

The Company derives revenues primarily from sale of X Ray films and other products.

Ind AS 115 "Revenue from Contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- Identify the contract(s) with a customer;
- Identify the performance obligations;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations;
- Recognize revenue when or as an entity satisfies performance obligation.

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

Revenue excludes amounts collected on behalf of third parties. The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in Note .1(C)"

CSR Disclosure

As per the provisions of section 135 of the Companies Act 2013, the company is not falling under any of the criteria's set out to undertake mandatory CSR expenditure, hence the said section is not applicable to the company.
