NOTICE

Notice is hereby given that the 34th Annual General Meeting of the members of Phoenix International Limited will be held on Wednesday, the 29th day of September, 2021 at 04.00 P.M. (IST) through Video Conferencing (VC) /Other Audio Visual Means (OAVM) to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company (including Audited consolidated financial statements) for the financial year ended March 31, 2021 together with the Reports of the Board of Directors and the Auditors thereon.
2. To appoint a Director in place of Mr. Narender Kumar Makkar (DIN: 00026857), who retires by rotation Section 152(6) of the Companies Act, 2013 and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS

3. Appointment of and payment of remuneration to Mr. Narender Kumar Makkar as Chief Finance Officer of the Company

To consider and if thought fit, to pass with or without modification, the following resolution as Special Resolution:

“RESOLVED THAT pursuant to the provisions of Section 196, 197, 203 and all other applicable provisions, of the Companies Act, 2013 (the “Act”) and rules made there under (including any statutory modification(s) from time to time or any reenactment thereof for the time being in force) read with Schedule V to the said Act, and subject to the requisite approval of the Central Government and such other authorities as may be necessary, approval of the Members be and is hereby given to the appointment of and payment of remuneration to Mr. Narender Kumar Makkar as Chief Financial Officer of the Company as agreed between them.”.

RESOLVED FURTHER THAT the Board of Directors (which term shall always be deemed to include any Committee constituted or to be constituted to exercise the powers including its powers conferred under this resolution) be and is hereby authorised to vary or increase the remuneration specified above from time to time to the extent the Board of Directors may deem appropriate, provided that such variation or increase, as the case may be, is within the overall limits specified in Schedule V & the relevant provisions of the Act.

RESOLVED FURTHER THAT in the event in any financial year during the tenure of the Chief Financial Officer, the Company does not earn any profits or earns inadequate profit as contemplated under the provisions of Section 197 read with Schedule V of the Companies Act 2013, the Company may pay to the Chief Finance Officer, the above remuneration as the minimum remuneration by way of salary and allowances as specified above and subject to receipt of the requisite approvals, if any.

RESLOVED FURTHER THAT for the purpose of giving effect to this Resolution, the Board, be and is hereby authorized to do all such acts, deed, matters and things and execute all such documents, instruments and writing as may be required and to delegate all or any of its powers herein conferred to any Committee of Directors or Director(s) and to seek approvals and settle any questions, difficulties or doubts that may arise in this regard.”

NOTES

A Statement pursuant to Section 102(1) of the Companies Act, 2013 relating to the Special Business to be transacted at the Meeting forms part of this Notice.

General instructions for accessing and participating in the 34th AGM through VC/OAVM Facility and voting through electronic means including remote e-Voting:

- a) In view of the outbreak of Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circular dated January 13, 2021 read with General Circulars dated April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as 'MCA Circulars') permitted the holding of the Annual General Meeting ('AGM') through Video Conferencing ('VC') facility or other audio visual means ('OAVM'), without the physical presence of the Members at a common venue. Further, the Securities and Exchange Board of India ('SEBI') vide its Circulars dated May 12, 2020 and January 15, 2021 ('SEBI Circulars') has also granted certain relaxations. In compliance with the applicable provisions of the Companies Act, 2013 ('the Act'), Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC/OAVM on **Wednesday, 29.09.2021 at 04.00 p.m. (IST)**.
- b) The Explanatory Statement pursuant to Section 102 of the Act setting out material facts concerning the business under Item Nos. 3 to 4 of the Notice is annexed hereto. The Board of Directors have considered and decided to include Item Nos. 3 to 4 as given above, as Special Business in the forthcoming AGM as they are unavoidable in nature. The relevant details pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standards - 2 on General Meetings issued by the Institute of Company Secretaries of India in respect of Directors seeking re-appointment at this AGM are also annexed to this Notice.
- c) Since the AGM is being held pursuant to the MCA circulars through VC / OVAM, physical attendance of members has been dispensed with. **Accordingly, the Facility for appointment of proxies will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.**
- d) Corporate Members are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution / Authorization, etc authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting to the scrutinizer by email through its registered email address to narendermakkar@yahoo.com with a copy marked to evoting@cDSL.co.in.
- e) In Compliance with the aforesaid MCA Circulars, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those members whose e-mail addresses are registered with the Company or CDSL/NSDL (Depositories). Members may note that the Notice and Annual Report 2020 -21 will also be available on the company's website www.phoenixindia.com, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com
- f) Members holding shares in electronic form are requested to register / update their postal address, email address, telephone/mobile numbers, Permanent Account Number (PAN) mandates, nominations, power of attorney , bank details such as name of bank and branch details, bank account number, MICR Code, IFSC Code etc, to their Depository Participants, with whom they are maintaining Demat Accounts.
- g) Members holding shares in physical form are requested to register / update their postal address, email address telephone/mobile numbers, PAN, mandates, nominations, power of Attorney, bank details such as name of the bank and branch details, bank accounts number, MICR code, IFSC code, etc., with the Registrar and Transfer Agent i.e. MAS Services Limited by sending an email to info@masserv.com.
- h) Non – Resident Indian members are requested to inform MAS Services Limited immediately on :
 - a. The Change in the residential status on return to India for permanent settlement; and
 - b. The particulars of the bank account(s) maintained in India with complete name branch, and account type, account number and address of the bank, if not furnished earlier.
- i) The Company has engaged the services of Central Depository Securities Limited (CDSL) as the authorised agency for conducting the e- AGM and providing e-voting facility.
- J) Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- K) Since the AGM will be held through VC/ OAVM, the Route Map is not annexed in this Notice.
- L) As mandated by SEBI, effective from April 1, 2019 that securities of listed Companies Shall be transferred only in dematerialized form. In order to facilitate transfer of share(s) in view of the above and to avail various benefits of dematerialization, Members are advised to dematerialize share(s) held by them in physical form.
- M) SEBI vide its circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated April 20, 2018 with a view to Protect the interest of shareholders, has mandate to all the members who holds securities of the company in physical form, to furnish to the company/ its registrar and transfer agent, the details of their valid PAN and bank account. To support the SEBI's initiative, the Members are requested to furnish the details of PAN and bank account to MAS Services Limited, the Company's Registrar and Transfer Agent.
- N) SEBI has mandated the submission of PAN by every participant in securities market. Member holding shares in electronic form are therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to MAS Services Limited.

PHOENIX INTERNATIONAL LIMITED

- O Members can avail the facility of nomination in respect of shares held by them in physical form pursuant to the provision of Section 72 of the Act. Members desiring to avail this facility may send their nomination in the prescribed form SH 13 duly filled with MAS Services Limited, T-34, 2nd Floor, Okhla Industrial Area, Phase – II, New Delhi – 110020 Tel.: 011-26387281/82/83 Email : info@masserv.com. viii. Now, Kindly click on 'Run a temporary application', after which a Webex driver will get downloaded. After downloading webex driver, run the application and you will be directed to the AGM.

Thank you.

Directors' Report

To,
The Members,

Your Directors have pleasure in presenting their 34th Annual Report on the business and operations of the Company along with the Audited Accounts for the Financial Year ended March 31, 2021.

We draw attention to the financial results with related to COVID19 that has caused significant disruptions in the business operations of companies across India and has caused significant accounting and auditing challenges. One such challenge being inability for the Company to verify inventories physically since Government imposed restrictions during the lockdown on account of health, travel and safety concerns. The extent to which the COVID-19 pandemic will impact the Company's assets and future results will depend on the future developments, which are highly uncertain. Hence the impact of the pandemic may be different from that estimated as at the date of approval of these financial results.

1. Financial summary or highlights/Performance of the Company

(Amount in Rs/Lacs)

Table with 5 columns: Particulars, Standalone (Year Ended 31.03.2021, Year Ended 31.03.2020), Consolidated (Year Ended 31.03.2021, Year Ended 31.03.2020). Rows include Sales & Other Income, Profit/(Loss) before Depreciation, Less Depreciation, Profit/(Loss) after Depreciation but before Extra Ordinary Items, Add: Extra Ordinary Items, Profit/(Loss) after Extra Ordinary Items - but before Tax, Less: Provision for Income Tax/ Deferred Tax Liability, Profit/(Loss) After Tax.

2. Dividend

To implement the plans and to expand the business activities, your Directors do not recommend any dividend for the financial year ended March 31, 2021.

3. Reserves

The Board has not proposed any amount to carry to any reserves

4. Performance

On Standalone basis, revenue from operations for FY 2020-21 were Rs.25.22 Crore as compared to Rs. 46.33 Crore in FY 2019-20. Profit after tax for the year was Rs. 99.38 lacs as compared to Rs 81.53 lacs in FY 2019-20

5. Brief description of the Company's working during the year/State of Company's affair

The division wise working details are as under

Table with 4 columns: Sr. No., Particular, Rental Figures in Lakh, Shoes Figures In Lakhs. Rows for Sales and Profit.

6. Change in the nature of business, if any

There were no changes in the nature of business of the Company.

7. Material changes and commitments, if any, affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report

There are no material changes and commitments which have occurred between the end of the financial year of the company to which the financial statement relate and the date of the report, which may affect the financial position of the company.

8. Details of significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future

There were no significant and material orders passed by any regulators or courts or tribunals which may impact the going concern status and company operation in future.

9. Details in respect of adequacy of internal financial controls with reference to the Financial Statements.

The company has identified and documented all key financial controls which impact the financial statements, as part of its standing operating procedures (SOPs). The SOPs are designed for all critical processes across office where financial transactions are undertaken. The SOPs cover the standard processes, risks, key controls and each process is identified to

PHOENIX INTERNATIONAL LIMITED

process owner. The financial controls are tested for effectiveness through management ongoing monitoring and review and independently by the internal audit. In our view the internal financial controls, effecting financial statements are adequate and operating effectively.

(1) CORPORATE GOVERNANCE:

Sound Corporate Governance practices are guided by culture, conscience and mindset of an organization and are based on Principles of openness, fairness, professionalism, transparency and accountability with an aim to building confidence of its various stakeholders and paving way for its long-term success. In Phoenix International Limited, Corporate Governance is defined as a systematic process by which companies are directed and controlled keeping in mind the long-term interests of all their stakeholders. Achievement of excellence in good Corporate Governance practices requires continuous efforts and focus on its resources, strengths and strategies towards ensuring fairness and transparency in all its dealings with its stakeholders including society at large. Corporate Governance has indeed assumed greater significance as the world has moved towards closer integration and free trade.

COMPANY'S PHILOSOPHY ON GOVERNANCE:

Your Company's philosophy on the Corporate Governance is founded upon a rich legacy of fair and transparent governance Practices which are essentially aimed at ensuring transparency in all dealings and hence seeks to focus on enhancement of Long-term shareholder value without compromising on integrity, social obligations and regulatory compliances. Your Company has continued its pursuit of achieving these objectives through the adoption and monitoring of corporate strategies and prudent business plans, thereby ensuring that the Company pursues policies and procedures to satisfy its legal and ethical responsibilities. The Company's comprehensive written code of conduct serves as a guide for your company and its employees on the standards of values, ethics and business principles, which should govern their conduct. Your company operates within accepted standards of propriety, fair play and justice and aims at creating a culture of openness in relationships between itself and its stakeholders. Even in a fiercely competitive business environment that the Company is operating in, the management and employees of your Company are committed to uphold the core values of transparency, integrity, honesty and accountability, which are fundamental to the Company and for achieving Corporate Excellence.

CORPORATE GOVERNANCE PRACTICES:

The Company's Corporate Governance practices seek to go beyond the regulatory requirements and with a view to ensuring Commitment to transparent, law abiding behavior and good Corporate Governance, the Company has put in place the following practices:-

a) Code of Conduct:

The Company's Code of Conduct is based on the principle that business should be conducted in a professional manner with Honesty, integrity and law abiding behavior and thereby enhancing the reputation of the Company. The Code ensures lawful and ethical conduct in all affairs and dealings of the Company.

b) Business Policies:

The Business Policies of Company ensures transparency and accountability to its stakeholders. The policies provide motivation and support for professional development of employees, fair market practices and high level of integrity in financial reporting. The policies recognize Corporate Social Responsibility of the Company and also seek to promote health, safety and quality of environment.

c) Prohibition of Insider Trading:

The Code on prevention of Insider Trading, which applies to the Board Members and all officers and employees, seeks to prohibit trading in the securities of the Company based on unpublished price sensitive information. Trading window remains closed so long unpublished price sensitive information is not made public.

d) Risk Management:

The Company has developed and implemented a comprehensive risk management policy for risk identification, assessment and minimization procedure. The risk management procedures are clearly defined and periodically reviewed by the Board of Directors with a view to strengthening the risk management framework and to continuously review and reassess the risk that the Company may confront with.

e) Environment Policy:

The Company is committed to conducting its business in a manner that values the environment and helps to ensure the safety and health of all its employees and society at large. The policy is aimed towards strengthening pollution prevention and control measures.

f) Equal Employment Opportunity:

The employment policy of the Company assure that there shall be no discrimination or harassment against employee n the grounds of race, color, religion, sex, age, marital status, disability, national origin, or any other factor made unlawful by applicable laws and regulations. The policy also ensures fair and respectful treatment of all fellow employees.

g) Disclosure Policy

In line with requirements under Regulation 30 of the Listing Regulations, the Company has framed a policy on disclosure of material events and information as per the Listing Regulations, which is available on our website. The objective of this policy is to have uniform disclosure practices and ensure timely, adequate and accurate disclosure of information on an ongoing basis.

PHOENIX INTERNATIONAL LIMITED

h) Policy for Preservation of Documents

Pursuant to the requirements under Regulation 9 of the Listing Regulations, the Board has formulated and approved a Document Retention Policy prescribing the manner of retaining the Company's documents and the time period up to certain documents are to be retained. The policy percolates to all levels of the organization who handle the prescribed categories of documents. A brief report on Corporate Governance for the year ended on 31st March 2021 is given below:

(2) Board of Directors

(A) Composition and Category of Directors

(e) Share Transfer System:

The Board has out sourced share transfer function to M/s Mas Services Limited, which is registered with SEBI as a Category-I Registrar and Transfer Agent During the year under review, the share transfers were processed within a period of fifteen days from the date of receipt, subject to documents being valid and complete in all respects. RTA of your Company ensured compliance with all the procedural requirements with respect to transfer, transmission and transposition of shares and formalities with respect to name deletion, sub-division, consolidation, renewal, exchange and endorsement of share certificates. Further, as stipulated under Regulation 40(9) of the SEBI Listing Regulations, the RTA also obtained half-yearly certificates in that regard from M/s. Balika Sharma & Associates, Company Secretaries and the same were duly filed with the stock exchanges.

SEBI has mandated that securities of listed companies can be transferred only in dematerialized form w.e.f. April 1, 2019. Accordingly, the Company / it's RTA has stopped accepting any fresh lodgment of transfer of shares in physical form. Members holding shares in physical form are advised to avail of the facility of dematerialization. However, investors are not barred from holding shares in physical form. Transfers in electronic form are much simpler and quicker as the shareholders have to approach their respective depository participants and the transfers are processed by NSDL/ CDSL, as the case may be, with no requirement of any separate communication to be made to the Company.

(f) Reconciliation of share capital audit:

As stipulated under Regulation 76 of SEBI (Depositories and Participants) Regulations, 2018, as amended, M/s. Balika Sharma & Associates, Company Secretaries, carry out a quarterly audit for the purpose of reconciliation of the total issued capital, listed capital and the capital held by the depositories in dematerialized form, the details of changes in the share capital during each quarter and the in-principle approval pending from stock exchanges with respect to such further issued capital, if any. Further, an audit report issued in that regard is submitted to the stock exchanges, NSDL and CDSL on quarterly basis and the same is also placed before the Board.

(g) Investor service and grievance handling mechanism:

A robust mechanism is established by your Company which ensures efficient service to the investors, pro-active handling of investor correspondences and Redressal of grievances in an expeditious manner. This mechanism is handled by the Compliance Officer of your Company and the RTA..

Quarterly review by the Board and Audit Committee

The Board of your Company and its Audit Committee review the status of investor complaints on a quarterly basis.

Six-monthly/annual review by the Stakeholders Relationship Committee ("SRC")

SRC has been constituted specifically to look into various aspects of interest of Shareholders; The SRC meets once/twice in a year to deliberate on various matters with respect to stakeholders of the Company.

Details of complaints received during the financial year 2019-20 alongwith their status as on March 31, 2021, have been disclosed separately in the Corporate Governance Report forming part of this Annual Report.

(h) Dematerialization of Shares:

The process of conversion of shares from physical form to electronic form is known as dematerialization. For dematerializing the shares, the shareholders should open a demat account with a Depository Participant (DP). He/ She is required to submit a Demat Request Form duly filled up along with the share certificates to his/her DP. The DP will

PHOENIX INTERNATIONAL LIMITED

allocate a demat request number and shall forward the request physically as well as electronically, through NSDL/CDSL, to the Registrar and Share Transfer Agent. On receipt of the Demat request both physically and electronically and after verification, the shares are dematerialised and an electronic credit of shares is given in the account of the shareholder. The Company has entered into agreement with NSDL and CDSL for the purpose. The Company ISIN No. is INE245B01011.

AUDITOR’S REPORT ON CORPORATE GOVERNANCE

To,

THE MEMBERS OF PHOENIX INTERNATIONAL LIMITED

We have examined the compliance of conditions of Corporate Governance by Phoenix International Limited (“Company”) for the year ended on March 31, 2021 as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub regulation (2) of regulation 46 and para C , D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as “SEBI Listing Regulations, 2015). The compliance of conditions of corporate governance is the responsibility of the Company’s management. Our examination was limited to review the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements and records of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015. .

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency and effectiveness with which the management has conducted the affairs of the Company.

Ref: Certification by CEO/CFO for Financial Year 2020-2021

We, the undersigned, in our respective capacities of **PHOENIX INTERNATIONAL LIMITED** (“the Company”) to the best of our knowledge and belief certify that:

- (a) We have reviewed the financial statements and the cash flow statement for the financial year 2020-2021 and that to the best of our knowledge and belief:
- i. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the Company’s affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- (b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or in violation of the Company’s code of conduct.
- (c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken and/or propose to take to rectify these deficiencies.
- (d) We have indicated to the auditors and the Audit committee, wherever applicable, the following:
- i. significant changes in internal control over financial reporting during the year;
 - ii. significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - iii. instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company’s internal control system over financial reporting.

ANNEXURE 4

Criteria for determining qualifications, positive attributes and independence of a director

The Board shall comprise of individuals who have demonstrated significant achievements in business, education, professions, financial sector and public service. They must have the requisite intelligence, education and experience to make a significant contribution to the deliberations of the Board of Directors.

I. **QUALIFICATION CRITERIA** The Nomination and Remuneration Committee of the Board (the "Committee") is responsible for evaluating the qualifications of each director candidate and of those directors who are to be nominated for election by shareholders at each annual general meeting, and for recommending duly qualified director nominees to the full Board for election. The overall ability and experience of individual candidates should determine their suitability. The qualification criteria set forth herein to describe the qualities and characteristics are desired for the Board as a whole and for Board members individually.

A. Director Qualification Review Procedure

The Board shall determine the director's qualifications to serve on the Board, upon the recommendation of the Committee, prior to nominating said director for election at the Company's next annual general meeting. In addition, with respect to each director candidate considered for election to the Board between annual meetings, prior to such election, the Committee shall evaluate each director candidate and recommend to the Board any duly qualified director candidates for recommendation by the Board. The Director candidate shall be evaluated by the Committee as per the criteria set forth herein.

B. General Director Qualification Criteria

The Board has not established specific minimum age, education, years of business experience or specific types of skills for Board members, but, in general, expects a candidate to have extensive experience and proven record of professional success, leadership and the highest level of personal and professional ethics, integrity and values. In its evaluation, the Committee shall consider the Board size and composition of the Board according to the following guidelines: – With respect to Board composition as a whole and the Board Committees, the required number of directors who qualify as "independent" pursuant to applicable rules and the Independence Standards as per the provisions of Companies Act, 2013 and the Listing Agreement with the Stock Exchanges (as may be amended from time to time) shall be maintained.

C. Additional Review Criteria

The Committee shall also consider the personal qualities of each director candidate to be able to make a substantial active contribution to Board deliberations. The director candidate must be willing to commit, as well as have, sufficient time available to discharge the duties of Board membership. The director candidate should be able to develop a good working relationship with other Board members and contribute to the Board's working relationship with the senior management of the

PHOENIX INTERNATIONAL LIMITED

Company. The Committee shall also consider its policies with respect to retirement age, change in employment status, as well as all other relevant facts and circumstances in making its recommendations to the Board.

II. INDEPENDENCE STANDARDS

The following would be the independence review procedure and criteria to assist the Committee evaluate the independence of Directors for recommending to the Board for appointment. A Director is independent if the Board affirmatively determines that the Director does not have a direct or indirect material relationship with the Company, including its affiliates or any member of senior management. "Affiliate" shall mean any company or other entity that controls, is controlled by, or is under common control with the Company.

Also, the candidate shall be evaluated based on the criteria provided under the applicable laws including Companies Act, 2013 read with Rules thereon and the Listing Agreement with the Stock Exchanges. In addition to applying these guidelines, the Board will consider all relevant facts and circumstances in making its determination relative to a director's independence.

A. Independence Review Procedures

1. Annual Review The director's independence for the independent director will be determined by the Board on an annual basis upon the declarations made by such Directors as per the provisions of the Companies Act, 2013 read with Rules thereon and the Listing Agreement.

2. Individual Director Independence Determinations

If a director nominee is considered for appointment to the Board between annual general meetings, a determination of independence, upon the recommendation of the Committee, shall be made by the Board prior to such appointment. All determinations of independence shall be made on a case-by-case basis for each director after consideration of all the relevant facts and circumstances and the standards set forth herein. The Board reserves the right to determine that any director is not independent even if he or she satisfies the criteria set forth by the provisions of the Companies Act, 2013 read with Rules thereon and the Listing Agreement.

3. Notice of Change of Independent Status

Each director has an affirmative obligation to inform the Board of any change in circumstances that may put his or her independence at issue.

PHOENIX INTERNATIONAL LIMITED

BACKGROUND

Phoenix International Limited (hereinafter referred as the 'Company') practices a corporate culture that is based on the tenets of trusteeship, empowerment, accountability, control and ethical practices with transparency at its core for creation of maximum value for the stakeholders.

BRIEF OVERVIEW UNDER COMPANIES ACT 2013

{Section 178 and Companies [Meetings of Board and its Powers] Rules 2014}

- Constitution of the Nomination and Remuneration Committee consisting of three or more non-executive directors out of which not less than one-half shall be independent directors
- The Nomination and Remuneration Committee shall identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal and shall carry out evaluation of every director's performance.
- The Nomination and Remuneration Committee shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and senior management personnel i.e. employees at one level below the Board including functional heads.
- The Nomination and Remuneration Committee shall, while formulating the policy ensure that:—
the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully; relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.
- Such policy shall be disclosed in the Board's report.

BRIEF OVERVIEW OF THE REVISED CLAUSE 49 OF LISTING AGREEMENT

IV. Nomination and Remuneration Committee

A. The company shall set up a Nomination and Remuneration committee which shall comprise at least three directors, all of whom shall be non-executive directors and at least half shall be independent. Chairman of the committee shall be an independent director.

B. **The role of the committee shall, INTER-ALIA, include the following:**

Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration of the directors, key managerial personnel and other employees;

Formulation of criteria for evaluation of Independent Directors and the Board;

Devising a policy on Board diversity;

Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal. The company shall disclose the remuneration policy and the evaluation criteria in its Annual Report.

PRESENT POSITION OF DIRECTORS and KMP OF THE COMPANY

- The Company has constituted a Nomination and Remuneration Committee of the Board of Directors (Board).
- At present there are total Five Directors on the Board of which three (3) are Non-Executive and Independent, and the remaining One (1) is Executive Director. Director draws remuneration from the Company.
- Key Managerial Personnel (KMP) consists of Chief Executive Officer, Chief Finance Officer and Company Secretary who are employees.

TERMS OF REFERENCE OF NOMINATION AND REMUNERATION COMMITTEE

- Formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
- Act as Selection and Compensation Committee to evaluate suitability of candidates for various senior positions and determine appropriate compensation package for them. Selection of related persons whether or not holding place of profit in the Company to be carried out strictly on merit and where applicable, be subjected to review by the Audit Committee of and/or the Board with approval at each stage being obtained by disinterested Independent Directors only.
- Identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal.
- Removal should be strictly in terms of the applicable law/s and in compliance of principles of natural justice.
- Formulation of criteria for evaluation of Independent Directors and the Board.
- Devising a policy on the Board diversity.
- Recommend to the Board, remuneration including salary, perquisite and commission to be paid to the Company's Executive Directors on an annual basis or as may be permissible by laws applicable.
- Recommend to the Board, the Sitting Fees payable for attending the meetings of the Board/Committee thereof, and, any other benefits such as Commission, if any, payable to the Non- Executive Directors.
- Setting the overall Remuneration Policy and other terms of employment of Directors, wherever required.

PHOENIX INTERNATIONAL LIMITED

CRITERIA FOR DETERMINING THE FOLLOWING:-

Qualifications for appointment of Directors (including Independent Directors):

- Persons of eminence, standing and knowledge with significant achievements in business, professions and/or public service.
- Their financial or business literacy/skills. Their consumer durable / consumer Goods / FMCG industry experience.
- Appropriate other qualification/experience to meet the objectives of the Company.
- As per the applicable provisions of Companies Act 2013, Rules made there under and Clause 49 of Listing Agreement. The Nomination and Remuneration Committee shall have discretion to consider and fix any other criteria or norms for selection of the most suitable candidate/s.

Positive attributes of Directors (including Independent Directors):

- Directors are to demonstrate integrity, credibility, trustworthiness, ability to handle conflict constructively, and the willingness to address issues proactively.
- Actively update their knowledge and skills with the latest developments in the consumer durable / consumer Goods / FMCG industry, market conditions and applicable legal provisions.
- Willingness to devote sufficient time and attention to the Company's business and discharge their responsibilities
- To assist in bringing independent judgment to bear on the Board's deliberations especially on issues of strategy, performance, risk management, resources, key appointments and standards of conduct.
- Ability to develop a good working relationship with other Board members and contribute to the Board's working relationship with the senior management of the Company.
- To act within their authority, assist in protecting the legitimate interests of the Company, its shareholders and employees
- Independent Directors to meet the requirements of the Companies Act, 2013 read with the Rules made there under and Clause 49 of the Listing Agreement as amended from time to time

Criteria for appointment of KMP/Senior Management:

- To practice and encourage professionalism and transparent working environment.
- To build teams and carry the team members along for achieving the goals/objectives and corporate mission.
- To adhere strictly to code of conduct

POLICY RELATING TO REMUNERATION OF DIRECTORS, KMP and SENIOR MANAGEMENT PERSONNEL:

- To ensure that the level and components of remuneration is reasonable and sufficient to attract, retain and motivate Directors, KMP and other employees of the quality required to run the Company successfully.
- No director / KMP/ other employee is involved in deciding his or her own remuneration.
- The trend prevalent in the similar industry, nature and size of business is kept in view and given due weightage to arrive at a competitive quantum of remuneration.
- It is to be ensured that relationship of remuneration to the performance is clear and meets appropriate performance benchmarks which are unambiguously laid down and communicated.
- Improved performance should be rewarded by increase in remuneration and suitable authority for value addition in future.
- Remuneration packages should strike a balance between fixed and incentive pay, where applicable, reflecting short and long term performance objectives appropriate to the Company's working and goals.
- Following criteria are also to be considered:
 - Responsibilities and duties;
 - Time and efforts devoted;
 - Value addition;
 - Profitability of the Company and growth of its business;
 - Analyzing each and every position and skills for fixing the remuneration yardstick;
 - Standards for certain functions where there is a scarcity of qualified resources. Ensuring tax efficient remuneration structures.→
 - Ensuring that remuneration structure is simple and that the cost→ to the Company (CTC) is not shown inflated and the effective take home remuneration is not low. Other criteria as may be applicable.→
- Consistent application of remuneration parameters across the organisation.
- Provisions of law with regard making payment of remuneration, as may be applicable, are complied.
- Whenever, there is any deviation from the Policy, the justification /reasons should also be indicated / disclosed adequately.

REVIEW

The policy shall be reviewed by the Nomination and Remuneration Committee and the Board, from time to time as may be necessary

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL ENDED 31ST MARCH 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Phoenix International Limited
3rd Floor, Gopala Tower,
25, Rajendra Place, New Delhi-110008

We have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **M/s PHOENIX INTERNATIONAL LIMITED (CIN No. L74899DL1987PLC030092)** (hereinafter **called the Company**). Sir,

Our Secretarial Audit Report for the financial year 2020-2021 of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records, labour laws records, personal records of employee(s) and Books of Accounts of the company as these do not fall under specific applicable laws.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other specific applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the company nor of the efficacy effectiveness with which the management has conducted the affairs of the Company.

PHOENIX INTERNATIONAL LIMITED

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Phoenix International Limited

Opinion

We have audited the standalone financial statements of **Phoenix International Limited ("the company")**, which comprise the Balance Sheet as at 31 March, 2021, the Statement of Profit and Loss including Other Comprehensive Income, statement of changes in equity, the Statement of Cash Flow for the year then ended, and notes to the financial statement including a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified U/s. 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management's and those charged with Governance for the standalone financial statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified u/s 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

PHOENIX INTERNATIONAL LIMITED

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Sec. 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account ;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified u/s. 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Sec. 164(2) of the Act;

PHOENIX INTERNATIONAL LIMITED

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in '**Annexure - A**';
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigation which has impact on its financial position in its financial statements;
- ii. The Company has no material foreseeable losses on long-term contracts including derivative contracts to the financial statements, hence no provision has been made ;
- iii. There has been no amount to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in '**Annexure B**' a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Phoenix International Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

PHOENIX INTERNATIONAL LIMITED

ANNEXURE- B.

REFERRED TO IN PARAGRAPH '2' UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR AUDIT REPORT OF EVEN DATE TO THE MEMBERS OF PHOENIX INTERNATIONAL LIMITED

1. In respect of the Company's fixed assets
 - (a) According to the information and explanations given to us, the company is maintaining proper records of fixed assets, including the quantitative details and its situations;
 - (b) Physical verification of fixed assets has been made by the management during the year and no material discrepancies were noticed on such verification;
 - (c) According to the information and explanations given to us, and on the basis of records maintained by the company, the title deeds of immovable properties are held in the name of the company;
2. The management has conducted physical verification of inventories at reasonable interval during the period and no material discrepancies were noticed on physical verification;
3. The Company has not granted any loans, secured or unsecured to Companies, Firm, Limited Liability Partnership or parties covered in register maintained u/s 189 of Companies Act, 2013;
4. According to the information and explanations given to us, the company has complied with the provision of section 185 & 186 of Companies Act, 2013, with respect to loans & investment made;
5. According to the information and explanations given to us, the company has not accepted any deposits in terms of directives issued by Reserve Bank of India and the provisions of section 73 to 76 or any other provisions of the Companies Act and the rules framed there under, hence clause v of paragraph 3 of the Companies (Auditor's Report) Order, 2016 is not applicable;
6. According to the information and explanations given to us, maintenance of cost records have not been specified by the Central Government under sub-section (1) of Section 148 of Companies Act, 2013, hence clause vi of paragraph 3 of the Companies (Auditor's Report) Order, 2016 is not applicable;
7. (a) According to the information and explanations given to us, the company is generally regular in depositing with appropriate authorities undisputed statutory dues as applicable to the company;
According to the information and explanations given to us, undisputed statutory dues including amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Duty of Customs, Cess and any other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slightly delay in few cases, as at 31.03.2021 for a period of more than six months from the date they become payable;
(b) As per information and explanations provided to us, there is no dispute pending related to statutory dues;
8. According to the information and explanations given to us, the company has a Term Loan from Punjab National Bank but there is no default in repayment of principal and interest during the year;
9. According to the information and explanations given to us, the company has taken a Term Loan of Rs.29 Crore from Punjab National Bank and the amount raised from the same is applied for the purpose for which loan was raised;
10. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit;
11. According to information and explanations given to us and on the basis of records maintained by the company, the company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provision of section 197 read with schedule V to the Companies Act 2013;
12. In our opinion and according information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable to the Company;
13. According to information and explanations given to us, transactions with related parties are in compliance with sections 177 & 188 of the Companies Act, 2013 and details of which have been disclosed in the financial statements;
14. According to information and explanations given to us and based on our examinations of the records maintained by the Company, the Company has not made any preferential allotment/ private placement of share or fully or partly convertible debentures during the year. Hence clause 3 (xiv) is not applicable on the Company;
15. According to information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3 (xv) is not applicable on the Company;
16. According to information and explanations given to us, the Company is not required to be registered under section 45-IA of Reserve Bank of India Act, 1934, Hence clause 3 (xvi) is not applicable on the Company;

PHOENIX INTERNATIONAL LIMITED

PHOENIX INTERNATIONAL LIMITED

Notes to Financial Statements

1. CORPORATE AND GENERAL INFORMATION

Phoenix International Limited (“the Company”) is a Public Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) in India. The registered office of Company is situated at 3rd Floor, Gopala Tower, 25 Rajendra Place, New Delhi 110008, India.

The Company is in the business of leasing out buildings and is a manufacturer and supplier of Shoe Uppers in Chennai, India.

These financial statements were approved and adopted by board of directors of the Company in their meeting dated June 30, 2021.

2. SIGNIFICANT ACCOUNTING POLICIES :

(a) Basis of preparation of Financial Statements

The financial statement are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act')(to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(c) Revenue Recognition

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

(i) Sales of Goods

Revenue from the sale of goods is recognized, when all significant risks and rewards are transferred to the buyer, as per the terms of the contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of goods. It also includes excise duty and excludes value added tax / sales tax. It is measured at fair value of consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

(ii) Lease Income

Lease income from operating leases shall be recognized in income on a straight line basis over the lease term.

(iii) Interest Income

Interest income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(iv) Investment Income

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

(d) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current classification.

An asset is treated as Current when it is

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

PHOENIX INTERNATIONAL LIMITED

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(e) Employees Benefits

i. Short Term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

ii. Post-Employment Benefits

Defined Contribution Plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Defined Benefit Plans

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of the Company. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognized in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods.

(f) Property, Plant and Equipment

Property, plant and equipments are stated at cost, less accumulated depreciation and impairment, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The company depreciates property, plant and equipment using Straight line Method over their estimated useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other 'non-current assets' and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

(g) Inventories

Inventories of raw materials, stores and spares, trading goods, work-in-process and finished goods are valued at cost or net realizable value, whichever is lower. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

The cost in respect of the aforesaid items of inventory is computed as under:

In case of raw materials, at average cost plus direct expenses.

In case of stores & spares, at average cost plus direct expenses.

In case of work-in-process, at raw material cost plus conversion cost depending upon the stage of completion.

In case of finished goods, at raw material cost plus conversion cost, packing cost, excise duty and other overheads incurred to bring the goods to their present condition and location.

PHOENIX INTERNATIONAL LIMITED

(h) Earnings per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity share holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The weighted average number of ordinary shares outstanding during the period is the number of ordinary shares outstanding at the beginning of the period, adjusted by the number of ordinary shares bought back or issued during the period multiplied by a time-weighting factor. The time-weighting factor is the number of days that the shares are outstanding as a proportion of the total number of days in the period; a reasonable approximation of the weighted average is adequate in many circumstances.

(i) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the asset. Other borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(j) Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year. Tax benefits of deductions earned on exercise of employee share options in excess of compensation charged to income are credited to share premium.

(k) Foreign Currency Transactions

i. Functional and Presentation currency

The functional currency of the company is Indian rupee. These financial statements are presented in Indian Rupee (rounded off to lacs).

ii. Transaction and balances

The foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

The foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency shall be translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognized in profit or loss in the period in which they arise.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

(l) Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the statement of profit and loss over the lease term.

PHOENIX INTERNATIONAL LIMITED

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the company has substantially all of the economic benefits from use of the asset and has right to direct the use of identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment loss, if any and a adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset

(m) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition and measurement

On initial recognition, all the financial assets and liabilities are recognized at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except trade receivables which are recognized at transaction price.

(ii) Subsequent measurement

(a) Non-derivative financial instruments

(i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently measured at fair value through profit or loss.

(iv) Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(b) Equity Share capital

(i) Equity Shares

Equity shares issued by the company are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

(ii) De-recognition of financial instruments

A financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when the obligation specified in the contract is discharged or cancelled or expired.

(iii) Fair value measurement of financial instruments

The fair value of financial instruments is determined using the valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Based on the three level fair value hierarchies, the methods used to determine the fair value of financial assets and liabilities include quoted market price, discounted cash flow analysis and valuation certified by the external valuer.

In case of financial instruments where the carrying amount approximates fair value due to the short maturity of those instruments, carrying amount is considered as fair value.

(n) Impairment of Assets

a. Financial assets

The company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized as an impairment gain or loss in statement of profit or loss.

PHOENIX INTERNATIONAL LIMITED

b. Non-financial assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipments are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

o) Cash and cash equivalents

The Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity period of three months or less from the balance sheet date, which are subject to an insignificant risk of changes in value.

(p) Cash flow statement

The cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) - 7 “Statement of Cash flows” using the indirect method for operating activities.

(q) Provisions, Contingent liabilities, Contingent assets and Commitments:

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of the provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance

34. Disclosures as required by Indian Accounting Standard Ind AS 18: Lease:-

Operating Lease Commitments:

(i) Company as lessor:-

The Company's significant leasing arrangements are in respect of operating leases for premises. These leasing arrangements, which are non-cancellable with range from 11 months to 99 years and are usually renewable by mutual consent on mutually agreeable terms. The aggregate lease rentals receivable are charged as rent under 'Rental Income'.

Future minimum lease payments under non-cancellable operating leases are as follows:

Particulars	(INR in Lacs)	
	As at 31.03.2021	As at 31.03.2020
Not later than one year	819.12	1757.21
Later than one year but not later than five years	1004.50	7225.94
Later than five years	0	9699.74
	1823.62	18682.89

(ii) Company as lessee:-

The company evaluates if any arrangement qualifies to be a lease as per the requirements of Ind-AS 116. Identification of a lease requires significant judgment. The company uses judgment in assessing whether a contract (or part of contract) includes a lease, the lease term (including anticipated renewals), the applicable discount rate, variable lease payments whether are in- substance fixed. The judgment involves assessment of whether the asset included in the contract is a fully identifies asset based on the facts and circumstances, whether the lessee intends to opt for continuing with the use of the asset upon the expiry thereof, and whether the lease payments are fixed or variable or combinations of both.

All the lease is short term lease, hence Ind-AS has not been applied on Short Term Lease of Rs. 12,85,125/-

35. Earnings per Share

The calculation of Earnings per Share (EPS) as disclosed in the Statement of Profit and Loss has been made in accordance with Ind AS- 33 on "Earnings per Share".

The following is a reconciliation of the equity shares used in the computation of basic and diluted earnings per equity share: (Number of shares)

Particulars	Year Ended March 31, 2020	Year Ended March 31, 2021
Issued equity shares	16,789,560	16,789,560
Less: Buyback of Shares	-	-
Number of Shares at the end	16,789,560	16,789,560
Weighted average shares outstanding - Basic and Diluted – A	16,789,560	16,789,560

Net profit available to equity holders of the Company used in the basic and diluted earnings per share was determined as follows:

Particulars	Year Ended March 31, 2021	Year Ended March 31, 2020
Profit and Loss after Tax for EPS – B (In Lacs)	95.00	318.17
Basic Earnings per share (B/A)	0.57	1.90
Diluted Earnings per share (B/A)	0.57	1.90

The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity, if any.

36. Income Tax:

- Any change in the amount of deferred tax liability on account of change in the enacted tax rates and change in the quantum of depreciation allowable under the tax laws, is disclosed in the statement of profit and loss account as 'Deferred tax adjustment'.

PHOENIX INTERNATIONAL LIMITED

b) Reconciliation of Deferred tax liabilities (Net)

Adjustment of current tax of prior periods		
Income tax expense including items that are not reclassified to profit & loss	107.34	193.70
Income tax expense including items that are not reclassified to profit & loss(Round off)	107.00	194.00

37. Financial Risk Management

The financial assets of the company include investments, loans, trade and other receivables, and cash and bank balances that derive directly from its operations.

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The company is mainly exposed to the following risks that arise from financial instruments:

- (i) Market risk
- (ii) Liquidity risk
- (iii) Credit risk

The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

(i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk, foreign currency risk.

(a) Foreign currency risk

The company imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently the company is exposed to foreign currency risk and the results of the company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than company's functional currency.

The company measures the risk through a forecast of highly probable foreign currency cash flows and manages its foreign currency risk by hedging appropriately. The Company uses foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The Company's exposure to foreign currency risk was based on the following amounts as at the reporting dates:

PHOENIX INTERNATIONAL LIMITED

(FC in Lacs)

Particulars	As at 31 st March 2021	As at 31 st March 2020
Advance to suppliers		
-In GBP		
-In USD		
Net exposure to foreign currency risk (assets)		
-In GBP		
-In USD		
Trade Payables		
-In GBP	8.32	7.60

-Foreign Exchange Forward Contracts bought foreign Currency in GBP		
Net exposure to foreign currency risk (Liabilities)		
-In GBP	8.32	7.60
-In USD	4.54	4.65
Net exposure to foreign currency risk (Asset)		
-In GBP		
-In USD		

The following significant exchange rates applied during the year:

Particulars	2020-21 (Year end rates)	2019-20 (Year end rates)
INR/USD	75.32	75.33
INR/GBP	100.84	93.61

Foreign currency sensitivity analysis

Any changes in the exchange rate of GBP and USD against INR is not expected to have significant impact on the Company's profit due to the less exposure of these currencies. Accordingly, a 10% appreciation/depreciation of the INR as indicated below, against the GBP and USD would have increased/reduced profit by the amounts shown below. This analysis is based on the foreign currency exchange rate variances that the Company considered to be reasonably possible at the end of the reporting period. The analysis assumes that all other variable remains constant:

(INR in Lacs)

Particulars	As at 31 March 2021	As at 31 March 2020
10% Strengthening/weakening of USD against INR	-	-
10% Strengthening/weakening of GBP against INR	-	-

The following table gives details in respect of outstanding foreign currency forward held by the company to mitigate the risk of changes in exchange rates on foreign currency exposures.

(FC in Lacs)

Particulars	As at 31 st March 2021	As at 31 st March 2020
Contracts against export		
-In USD	-	-
Contracts against Import		
-In USD	-	-
-In GBP	-	-

(b) Interest Rate Risk

The company is also exposed to interest rate risk, changes in interest rate will affect future cash flows.

(ii) Liquidity Risk

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. Ultimate responsibility of liquidity risk management rests with board of directors.

The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash and marketable securities to meet the obligations as and when falls due.

The below is the detail of contractual maturities of the financial liabilities of the company at the end of each reporting period:

(INR in Lacs)

Particulars	Financial Year 2020-21	Financial Year 2019-20
Borrowings at effective rate of interest		
Within 1 Year	747.12	574.56
More than 1 Years	9585.76	7515.87
Trade Payables		
Within 1 Year	1719.28	1450.90
More than 3 Years	-	-
Other Financial liabilities at EIR		
Within 1 Year	-	-
More than 3 Years	-	-

(ii) Credit Risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the company. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities.

Write off Policy

The financials assets are written off in case there is no reasonable expectation of recovering from the financial asset.

38. Capital Management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's gearing ratio was as follows:

(INR in Lacs)

Particulars	Financial Year 2020-21	Financial Year 2019-20
Borrowing	10332.88	8090.43
Less: Cash and Bank Balance	620.55	5545.58
Net Debt (a)	9712.33	2544.85
Total Equity(b)	33566.44	33558.44
Gearing Ratio (C)=a/b	28.93	7.58

Further, there have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

There were no changes in the objectives, policies or processes for managing capital during the year ended 31 March 2020 and 31 March 2021.

39. In accordance with the Ind AS-36 on Impairment of Assets, the Company has assessed as on the balance sheet date, whether there are any indications with regard to the impairment of any of the assets. Based on such assessment, it has been ascertained that no potential loss is present and therefore, formal estimate of recoverable amount has not been made. Accordingly no impairment loss has been provided in the books of account.

40. The Company owes dues of Rs Nil (Previous Year Rs. Nil) towards Micro and Small Enterprises, which are outstanding for more than 45 days as at 31st March, 2021. This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the company.

PHOENIX INTERNATIONAL LIMITED

41. There are no material events after the reporting period having significant impact on financial statement.
42. Previous Year figures have been regrouped/ reclassified wherever considered necessary.
43. The Standalone Financial Statement has been approved by the Board of Directors as on 30th June, 2021

PHOENIX INTERNATIONAL LIMITED

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Phoenix International Limited

Opinion

We have audited the consolidated financial statements of **Phoenix International Limited ("the company")**, which comprise the consolidated Balance Sheet as at 31 March, 2021, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated statement of changes in equity, the consolidated Statement of Cash Flow for the year ended on that date, and a summary of the significant accounting policies and other explanatory information. (Hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified U/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work, we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management's and those charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified u/s 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in

PHOENIX INTERNATIONAL LIMITED

the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

3. As required by Sec. 143(3) of the Act, we report that:

- i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- j. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
- k. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- l. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified u/s. 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- m. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Sec. 164(2) of the Act;
- n. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in '**Annexure - A**';
- o. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended;

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

PHOENIX INTERNATIONAL LIMITED

- p. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- iv. The Company do not have any pending litigations which would impact on its consolidated financial position of financial statements;
- v. The Company do not have any material foreseeable losses on long-term contracts including derivative contracts to the consolidated financial statements, hence no provision has been made ;
- vi. There has been no amount required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE –A TO THE INDEPENDENT AUDITORS’ REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statement of the Company as of and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of Phoenix International Limited (‘the Holding Company’) and its subsidiary companies which are companies incorporated in India as of that date.

Managements Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conducts of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditors Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by/of the subsidiary, in terms of their reports referred to in the other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparations of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and director of company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

PHOENIX INTERNATIONAL LIMITED

Opinion

In our opinion to the best of our information and according to the explanations given to us, the holding company and its subsidiary companies have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financials reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by ICAI.

PHOENIX INTERNATIONAL LIMITED

PHOENIX INTERNATIONAL LIMITED

Notes to Financial Statements

1. CORPORATE AND GENERAL INFORMATION

Phoenix International Limited ("the Company") is a Public Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) in India. The registered office of Company is situated at 3rd Floor, Gopala Tower, 25 Rajendra Place, New Delhi 110008, India.

The Company is in the business of leasing out buildings and is a manufacturer and supplier of Shoe Uppers in Chennai, India.

These financial statements were approved and adopted by board of directors of the Company in their meeting dated June 30, 2021.

2. SIGNIFICANT ACCOUNTING POLICIES :

(a) Basis of preparation of Financial Statements

The financial statement are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013(' Act')(to the extent notified) and guidelines issued by the Securities and Exchange Board of India(SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(c) Revenue Recognition

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

(i) Sales of Goods

Revenue from the sale of goods is recognized, when all significant risks and rewards are transferred to the buyer, as per the terms of the contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of goods. It also includes excise duty and excludes value added tax / sales tax. It is measured at fair value of consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

(ii) Lease Income

Lease income from operating leases shall be recognized in income on a straight line basis over the lease term.

(iii) Interest Income

Interest income is recognized using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(iv) Investment Income

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

(d) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current classification.

An asset is treated as Current when it is

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

PHOENIX INTERNATIONAL LIMITED

(e) Employees Benefits

(i) Short Term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

(ii) Post-Employment Benefits

Defined Contribution Plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Defined Benefit Plans

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of the Company. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognized in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods.

(f) Property, Plant and Equipment

Property, plant and equipments are stated at cost, less accumulated depreciation and impairment, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The company depreciates property, plant and equipment using Straight line Method over their estimated useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other 'non-current assets' and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

(g) Inventories

Inventories of raw materials, stores and spares, trading goods, work-in-process and finished goods are valued at cost or net realizable value, whichever is lower. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The cost in respect of the aforesaid items of inventory is computed as under:

- In case of raw materials, at average cost plus direct expenses.
- In case of stores & spares, at average cost plus direct expenses.
- In case of work-in-process, at raw material cost plus conversion cost depending upon the stage of completion.
- In case of finished goods, at raw material cost plus conversion cost, packing cost, excise duty and other overheads incurred to bring the goods to their present condition and location.

(h) Earnings per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity share holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The weighted average number of ordinary shares outstanding during the period is the number of ordinary shares outstanding at the beginning of the period, adjusted by the number of ordinary shares bought back or issued during the period multiplied by a time-weighting factor. The time-weighting factor is the number of days that the shares are outstanding as a proportion of the total number of days in the period; a reasonable approximation of the weighted average is adequate in many circumstances.

(i) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the asset. Other borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(j) Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the

PHOENIX INTERNATIONAL LIMITED

financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year. Tax benefits of deductions earned on exercise of employee share options in excess of compensation credited to income are credited to share premium.

(k) Foreign Currency Transactions

(i) Functional and Presentation currency

The functional currency of the company is Indian rupee. These financial statements are presented in Indian Rupee (rounded off to lacs).

(ii) Transaction and balances

The foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

The foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency shall be translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognized in profit or loss in the period in which they arise.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statements of profit and loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

(l) Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the statement of profit and loss over the lease term.

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the company has substantially all of the economic benefits from use of the asset and has right to direct the use of identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment loss, if any and a adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset

(m) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition and measurement

On initial recognition, all the financial assets and liabilities are recognized at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except trade receivables which are recognized at transaction price.

(ii) Subsequent measurement

(a) Non-derivative financial instruments

(i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently measured at fair value through profit or loss.

(iv) Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(b) Equity Share capital

PHOENIX INTERNATIONAL LIMITED

(i) Equity Shares

Equity shares issued by the company are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

(ii) De-recognition of financial instruments

A financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when the obligation specified in the contract is discharged or cancelled or expired.

(iii) Fair value measurement of financial instruments

The fair value of financial instruments is determined using the valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Based on the three level fair value hierarchies, the methods used to determine the fair value of financial assets and liabilities include quoted market price, discounted cash flow analysis and valuation certified by the external valuer.

In case of financial instruments where the carrying amount approximates fair value due to the short maturity of those instruments, carrying amount is considered as fair value.

(n) Impairment of Assets

a. Financial assets

The company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized as an impairment gain or loss in statement of profit or loss.

b. Non-financial assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipments are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

o) Cash and cash equivalents

The Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity period of three months or less from the balance sheet date, which are subject to an insignificant risk of changes in value.

(p) Cash flow statement

The cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) - 7 "Statement of Cash flows" using the indirect method for operating activities.

(q) Provisions, Contingent liabilities, Contingent assets and Commitments:

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of the provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date

36. Disclosures as required by Indian Accounting Standard (Ind AS) 18 Lease:- Operating Lease Commitments:

(j) Company as Lessor:-

The Company's significant leasing arrangements are in respect of operating leases for premises

These leasing arrangements, which are non-cancellable with range from 11 months to 99 years and are usually renewable by mutual consent on mutually agreeable terms. The aggregate lease rentals receivable is charged as Rent under 'Rental Income'.

Future minimum lease payments under non-cancellable operating leases are as follows:

Particulars	(INR in Lacs)	
	As at 31.03.2021	As at 31.03.2020
Not later than one year	819.12	1757.21
Later than one year but not later than five years	1004.5	7225.94
Later than five years	0	9699.74
	1823.62	18682.89

(ii) Company as lessee:-

The Group evaluates if any arrangement qualifies to be a lease as per the requirements of Ind-As 116. Identification of a lease requires significant judgment. The Group uses judgment in assessing whether a contract (or part of contract) includes a lease, the lease term (including anticipated renewals), the applicable discount rate, variable lease payments whether are in- substance fixed. The judgment involves assessment of whether the asset included in the contract is a fully identifies asset based on the facts and circumstances, whether the lessee intends to opt for continuing with the use of the asset upon the expiry thereof, and whether the lease payments are fixed or variable or combinations of both.

37. Earnings per Share

The calculation of Earnings per Share (EPS) as disclosed in the Statement of Profit and Loss has been made in accordance with Ind AS- 33 on "Earnings per Share".

The following is a reconciliation of the equity shares used in the computation of basic and diluted earnings per equity share:
(Number of shares)

Particulars	Year Ended March 31, 2021	Year Ended March 31, 2020
Issued equity shares	16,789,560	16,789,560
Less: Buyback of Shares	-	-
Number of Shares at the end	16,789,560	16,789,560
Weighted average shares outstanding - Basic and Diluted – A	16,789,560	16,789,560

Net profit available to equity holders of the Company used in the basic and diluted earnings per share was determined as follows:

Particulars	Year Ended March 31, 2021	Year Ended March 31, 2020
Profit and loss after tax for EPS – B(In Lacs)	76.55	303.08
Earnings per share (B/A)	0.46	1.81
Diluted Earnings per share (B/A)	0.46	1.81

The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity, if any.

38. Income Tax:

a) Any change in the amount of deferred tax liability on account of change in the enacted tax rates and change in the quantum of depreciation allowable under the tax laws, is disclosed in the statement of profit and loss account as 'Deferred tax adjustment'.

b) Reconciliation of Deferred tax liabilities (Net)

(INR in Lacs)

Particulars	As at 31 st March 2020	As at 31 st March 2019
Balance at the beginning of the year	(314.74)	(375.78)
Deferred tax income/expenses during the year recognized in Statement of Profit and loss	57.74	61.04
Deferred tax income/expenses during the year recognized in Other Comprehensive income	-	-
Deferred tax income/expenses during the year recognized directly in equity	-	-
Balance at the end of the year	(372.48)	(314.74)

39. Financial Risk Management

The financial assets of the company include investments, loans, trade and other receivables, and cash and bank balances that derive directly from its operations.

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The company is mainly exposed to the following risks that arise from financial instruments:

- i. Market risk
- ii. Liquidity risk
- iii. Credit risk

The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

(1) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market prices comprise two types of risk: interest rate risk, foreign currency risk.

a) Foreign Currency Risk

The company imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently the company is exposed to foreign currency risk and the results of the company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than company's functional currency.

PHOENIX INTERNATIONAL LIMITED

The company measures the risk through a forecast of highly probable foreign currency cash flows and manages its foreign currency risk by hedging appropriately. The Company uses foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The Company's exposure to foreign currency risk was based on the following amounts as at the reporting dates:

(FC in Lacs)

Particulars	As at 31 st March 2021	As at 31 st March 2020
Advance to suppliers		
-In GBP	-	-
-In USD	-	-
Net exposure to foreign currency risk (assets)	-	-
-In GBP	-	-
-In USD	-	-
Trade Payables		
-In GBP	8.32	7.60
-In USD	4.54	4.65
-Foreign Exchange Forward Contracts bought foreign Currency in GBP		-
Net exposure to foreign currency risk (Liabilities)		7.60
-In GBP	8.32	4.65
-In USD	4.54	
Net exposure to foreign currency risk (Asset)	-	-
-In GBP	-	-
-In USD		

The following significant exchange rates applied during the year:

Particulars	2020-21 (Year end rates)	2019-20 (Year end rates)
INR/USD	75.32	75.33
INR/GBP	100.84	93.61

Foreign Currency Sensitivity Analysis

Any changes in the exchange rate of GBP and USD against INR is not expected to have significant impact on the Company's profit due to the less exposure of these currencies. Accordingly, a 10% appreciation/depreciation of the INR as indicated below, against the GBP and USD would have increased/reduced profit by the amounts shown below. This analysis is based on the foreign currency exchange rate variances that the Company considered to be reasonably possible at the end of the reporting period. The analysis assumes that all other variable remains constant:

(INR in Lacs)

Particulars	As at 31 March 2021	As at 31 March 2020
10% Strengthening/weakening of USD against INR	-	-
10% Strengthening/weakening of GBP against INR	-	-

The following table gives details in respect of outstanding foreign currency forward held by the company to mitigate the risk of changes in exchange rates on foreign currency exposures.

(FC in Lacs)

Particulars	As at 31 st March 2021	As at 31 st March 2020
Contracts against export		
-In USD	-	-
Contracts against Import		
-In USD	-	-
-In GBP	-	-

PHOENIX INTERNATIONAL LIMITED

b) Interest Rate Risk

The company is also exposed to interest rate risk, changes in interest rate will affect future cash flows.

ii. Liquidity Risk

The financial liabilities of the group, other than derivatives, include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. Ultimate responsibility of liquidity risk management rests with board of directors.

The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash and marketable securities to meet the obligations as and when falls due.

The below is the detail of contractual maturities of the financial liabilities of the company at the end of each reporting period:

(INR in Lacs)

Particulars	Financial Year 2020-21	Financial Year 2019-20
Borrowings at effective rate of interest		
Within 1 Year	747.12	574.56
More than 1 Year	9585.76	7515.87
Trade Payables		
Within 1 Year	1745.00	1468.02
More than 3 Years	-	-
Other Financial liabilities at EIR		
Within 1 Year	-	-
More than 3 Years	-	-

(iii) Credit Risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the company. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities.

Write off policy

The financials assets are written off in case there is no reasonable expectation of recovering from the financial asset.

40. Capital Management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's gearing ratio was as follows:

(INR in Lacs)

Particulars	Financial Year 2020-21	Financial Year 2019-20
Borrowing	10332.88	8090.43
Less: Cash and Bank balance	667.51	5590.06
Net Debt (a)	9665.37	2500.00
Total Equity(b)	33784.45	33795.15
Gearing Ratio (C)=a/b	28.61	7.40

Further, there have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period. There were no changes in the objectives, policies or processes for managing capital during the year ended 31 March 2021 and 31 March 2020.

PHOENIX INTERNATIONAL LIMITED

41. In accordance with the Ind AS-36 on Impairment of Assets, the Group has assessed as on the Balance sheet date, whether there are any indications with regard to the impairment of any of the assets. Based on such assessment it has been ascertained that no potential loss is present and therefore, formal estimate of recoverable amount has not been made. Accordingly no impairment loss has been provided in the books of account.
42. The Group owes dues of Rs Nil (previous year Rs. Nil) towards Micro and Small Enterprises, which are outstanding for more than 45 days as at 31st March, 2021. This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the company.
43. There are no material events after reporting period having significant impact on financial statements.
44. Previous Year figures have been regrouped/ reclassified wherever considered necessary.
45. The Consolidated Financial Statement has been approved by the Board of Directors as on 30th June, 2021.
