ANNEXURE TO NOTICE**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 IN RESPECT OF ORDINARY BUSINESSES AND SPECIAL BUSINESSES MENTIONED IN THE NOTICE OF 38TH ANNUAL GENERAL MEETING DATED 18TH JULY, 2022****In respect of Item No. 4: (Not Mandatory)**

This explanatory statement is in terms of Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), however, the same is strictly not required as per Section 102 of the Act.

The present Auditors of the Company, M/s. Arpit Patel and Associates, Chartered Accounts, Ahmedabad, will retire at the ensuing 38th Annual General Meeting.

In accordance with Sections 139, 141 and other applicable provisions of the Companies Act, 2013 and read with the Companies (Audit and Auditors) Rules, 2014 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) (including any statutory modification (s) or re-enactment(s) for the time being in force), M/s. Kantilal Patel and Co., Chartered Accountants, Ahmedabad (Firm Registration No. 104744W) have provided their consent and eligibility certificate to that effect that, their appointment, if made, would be in compliance with the applicable laws.

Pursuant to Section 139(2) of the Companies Act, 2013, the Company can appoint an Auditors firm for a term of five consecutive years. Accordingly, the Board of Directors at its meeting held on 18th July, 2022 based on recommendations of the Audit Committee, had approved the appointment of M/s. Kantilal Patel and Co., Chartered Accountants (Firm Registration No. 104744W) as the Statutory Auditors of the Company for a term of 5 (five) consecutive years i.e. from the conclusion of this AGM till the conclusion of the 43rd Annual General Meeting. The appointment is subject to approval of the shareholders of the Company.

The Board of Directors has approved a remuneration of Rs. 2,30,000/- for conducting the audit for the Financial Year 2021-22, excluding applicable taxes and reimbursement of out-of-pocket expenses on actuals in consultation with the outgoing Auditors. The remuneration proposed to be paid to the Statutory Auditors during the Financial Year 2022-23 would be in line with the remuneration paid to the outgoing Auditors and shall commensurate with the services to be rendered by the new Auditor during their tenure. There is no material change in the fees payable to such new Auditors from that paid to the outgoing auditor. The Board of Directors in consultation with the Audit Committee may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

None of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolution.

10. MANAGEMENT DISCUSSION AND ANALYSIS:**a. Industry Structure and Developments:**

The industry is dependent on performance of core sectors like agriculture, fertilizer, cement and exports. The policy changes in infrastructure and good monsoon during the year will lead towards the brighter future of the Company.

b. Segment wise Performance:

The Company is operating only in one segment. The production/ turnover/performance of the Company have been disclosed in the Directors' Report under the Head 'Production, Sales and Working Results'.

c. Recent Trend and Future Outlook:

The recent trend is quite favourable for the industry in view of good monsoon as the Company has sizable presence in fertilizer sector. The opening up of food grains sector will enable the Woven Sacks industry to see better times again.

d. Risks and Concerns:

The industry is plagued by intense competition due to major petrochemical manufacturers making available cheap raw material abundantly. Volatility in raw material price due to crude price.

e. Internal Control Systems and their Adequacy:

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. INDEPENDENT AUDITOR'S REPORT

To,
The Members of
GUJARAT CRAFT INDUSTRIES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Gujarat Craft Industries Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act"), in the manner so required, and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31 2022 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	Auditor's Response
<p>Inventory Existence and Valuation</p> <p>The Company recognised inventory of ₹ 3160.51 Lakhs at March 31, 2022. Inventory is held by Company's plants. We focused on this matter because of the:</p> <ul style="list-style-type: none"> - Significance of the inventory balance to the profit and statement of financial. - Complexity involved in determining valuation of Inventory 	<p>Our audit procedure in this area included:</p> <ul style="list-style-type: none"> - Testing the Company's controls by checking approvals over reviewing selling price, authorising and recording of costs and comparing that the subsequent selling price is higher than the amount at which inventory is accounted. - Testing of the valuation of inventory as per applicable Indian Accounting Standard -2 - Testing a sample of inventory items to assess whether they were recorded at a value higher than that for which they could be sold. - We attended inventory physical count on the reporting date. We performed following procedure at each locations: <ul style="list-style-type: none"> o selected a sample of inventory items and compared the quantities we counted with the quantities recorded

	<p>and for the differences found during physical verification, if any, we have verified that the same has been accounted</p> <ul style="list-style-type: none"> o Made enquiries regarding non-moving inventory items and inspected the conditions of items counted. <p>There were no significant exceptions noted from these procedures.</p>
<p>Recoverability of Trade receivable balances</p> <p>The Company has outstanding receivable of ₹ 2,378.93 Lakhs (net of provision as per ECL of ₹ 102 Lakhs) as on March 31, 2022.</p> <p>Year-end outstanding trade receivables represent balance outstanding from domestic and export customers.</p> <p>Trade receivables by nature carry certain risks in general which include overdue balances, customer in weaker economic and geopolitical environment, customer's ability to pay, provision in relation to expected credit loss, assessment of recovery process and compliance with risk management controls. Procedures to mitigate such risks includes element of management judgment and are important to assess recoverability of trade receivables.</p> <p>Due to the above factors, we have identified testing of recoverability of trade receivables as a key audit matter.</p> <p>Our audit procedure in this area included: We obtained an understanding, evaluated the design and tested the operating effectiveness of the controls related to Trade receivable process where we tested on a sample basis control over the customer acceptance process, collection and the assessment of the recoverability of receivables;</p> <ul style="list-style-type: none"> - Analysed the ageing of trade receivables at year end; - In respect of material trade receivables balances outstanding as on March 31, 2022, we have rolled out for third party balance confirmations of which few has been received up to the date of signing of financials by Board of Directors and for others subsequent clearance of balances has been verified on sample basis; - In respect of material trade receivables balances, inspected relevant documents and correspondence with customers, wherever applicable; - In respect of material trade receivables balances which are past due, additional procedures were performed to evaluate the historical payment trends, terms & conditions of contract with customers, and assessed management's assessment of customers' expected credit loss assessment provided and impact considered by management; 	

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to the Board's Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditors' responsibilities relating to other Information'.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including total comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act and the rules thereunder, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions

of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management or Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAS, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the financial statements comply with the Ind AS specified under section 133 of the Act and the Rules thereunder, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to the financial statements and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B' to this report.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of sub-section (16) of Section 197 of the Act, as amended, we report that to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - (h) With respect to the other matters to be included in the auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure A to the Independent Auditor’s Report of even date on the Financial Statements of Gujarat Craft Industries Limited

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report of even date to the members of Gujarat Craft Industries Limited)

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and the records examined by us in the normal course of audit, we state that:

- (i) In respect of the Company’s Property, Plant and Equipment:
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company does not have intangible assets during the year and hence, reporting under Clause 3(i)(a)(B) is not applicable.
- (b) The Company has a program of physical verification of Property, Plant and Equipment, so as to cover all the assets every year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, Property, Plant and Equipment due for verification during the year were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the property tax receipts, registered sale deed/ transfer deed/ conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties, disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

- (d) The Company has revalued the following Property, Plant and Equipment during the year and the revaluation is based on the valuation by a Registered Valuer. The amount of change of the net carrying value of the class of Property, Plant and Equipment is as under:

Class of PPE or intangible assets revalued during the year	Registered Valuer Name	Registered Valuer Registration No.	Date of Valuation Report	Original net carrying value (Amount in ₹ Lakhs)	Revalued net carrying value (Amount in ₹ Lakhs)	Amount of change (Amount in ₹ Lakhs)	Change (%)
Freehold Land	Vikram Shah	IBBI/RV/07/2019/10805	March 5, 2022	1825.00	2568.60	743.60	40.75%

- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification.
- (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks on the basis of security of current assets. The quarterly returns/statements filled by the Company with such banks are in agreement with the books of account of the Company except for the following:-

Period	Security Provided	Return Amount (₹ In lakhs)	Amount as per Books (₹ In lakhs)	Difference (In ₹ lakhs)
Quarter ended June 30, 2021	Trade Receivables	2791.66	2809.01	(17.35)
	Inventories	2017.54	1742.33	275.21
Quarter ended September 30, 2021	Trade Receivables	2207.00	2224.32	(17.34)
Quarter ended December 31, 2021	Trade Receivables	2814.06	2830.87	(16.81)

- (iii) The Company has not made investments in provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms and limited liability partnerships or any other parties covered in the register maintained under section 189 of the Act. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company.
- (iv) The Company has complied with the provisions of sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Act, and are of the opinion that prime facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) In respect of statutory dues:
- (a) In our opinion, the Company has generally been regular in depositing the undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues, as applicable, to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

- (c) Details of dues of Income-tax which have not been deposited as on March 31, 2022 on account of disputes are given below:

Sr. No.	Name of the statute	Nature of the dues	Amount Involved (₹ in Lakhs)	Amount unpaid (₹ in Lakhs)	Period to which the amount related	Forum where dispute is pending
1	Income Tax Act, 1961	Income Tax	420.95	420.95	2012-13	Appeal in filled with Commissioner of Income Tax (Appeals)

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961 (43 of 1961).
- (ix) (a) The Company is regular in repayment of loans or other borrowings or in payment of interest thereon to lenders.
 (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or government authority.
 (c) The Company has utilised the money obtained by way of term loans during the year for the purpose for which they were obtained.
 (d) According to the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
 (e) The Company does not have subsidiaries, associates or joint ventures during the year. Hence, reporting under clause 3(ix)(e) of the Order is not applicable.
 (f) The Company does not have subsidiaries, associates or joint ventures during the year. Hence, reporting under clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer, further public offer (including debtinstruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable.
 (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence, reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 (b) No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
 (c) As represented to us by the management of the Company, there are no whistle blower complaints received by the Company during the year.
- (xii) In our opinion, the Company is not a Nidhi company. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion, the Company is in compliance with Section 177 and Section 188 of the Act with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
 (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and tilt date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, during the year, the Company has not entered into non-cash transactions with directors or persons connected with its directors, and hence, provisions of section 192 of Act are not applicable to the Company.

- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clauses 3(xvi)(a), (b), and (c) of the Order is not applicable to the Company.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Hence, reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the board of directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion, during the year, the Company is not covered under the criteria provided in sub-section (1) of Section 135 of the Act for applicability of provisions of corporate social responsibility (CSR), and hence, reporting under clause 3(xx)(a) and clause 3(xx) (b) of the Order is not applicable.

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of Gujarat Craft Industries Limited

Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Gujarat Craft Industries Limited)

Report on the internal financial controls with reference to the financial statements under section 143(3)(i) of the Act

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting '(the Guidance Note)' issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the SAS prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error,

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to the financial statements.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to financial statements for the year ended 31st March 2022**1.1 Company Information**

Gujarat Craft Industries Ltd (Company) is a Public Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. its shares are listed on BSE Ltd.. The Company is engaged in the manufacturing of HDPE / PP woven fabrics, sacks, PE tarpaulin. The company caters to both domestic and international Markets.

1.2 Basis of Preparation of Financial Statements:**(i) Compliance with Ind-AS**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iii) Rounding of amounts

The financial statements are presented in INR and all values are rounded to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

1.3 Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note 1.4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

1.4 Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgment are:

Estimation of Defined benefit obligation - refer note 1.14

Estimation of current tax expenses - refer note 1.7

1.5 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value as per Ind AS 113 at each balance sheet date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.6 Revenue recognition

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the company expects to receive in exchange for those products or services

GST is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from the sale of goods is recognised when control of the goods have passed to the buyer, usually on delivery of the goods. In determining the transaction price for the sale of goods, the company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any). Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

Dividends

Dividend income from investment is accounted for when the right to receive is established, which is generally when shareholders approve the dividend.

Other Income:

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

1.7 Taxes

Tax expenses comprise of current and deferred tax.

Current income tax

- a Current tax is measured at the amount expected to be paid on the basis of reliefs and deductions available in accordance with the provisions of the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- b Current tax items are recognised in correlation to the underlying transaction either in Profit & Loss, Other Comprehensive Income or directly in equity.

Deferred tax

- a Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

- b Deferred tax liabilities are recognised for all taxable temporary differences.
- c Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilized.
- d The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- e Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.
- f Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.
- g Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.
- h The Company recognizes tax credits in the nature of MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which tax credit is allowed to be carried forward. In the year in which the Company recognizes tax credits as an asset, the said asset is created by way of tax credit to the statement of profit and loss. The Company reviews such tax credit asset at each reporting date and writes down the asset to the extent, the Company does not have convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT credit.

1.8 Property, Plant and Equipment

Under the previous GAAP (Indian GAAP), fixed assets (including Capital work in progress) are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs, if capitalisation criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. The Company has elected to regard previous GAAP carrying values of property as deemed cost at the date of transition to Ind AS except in case of land which is carried at revalued amount.

Capital Work in progress included in PPE is stated at cost, net accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term constructions projects if the recognition criteria is met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

The net gain or loss on account of exchange rate differences either on settlement or on translation, of long term foreign currency monetary items recognised on or after 1st April, 2017, is recognised as income or expense in the Statement of Profit and Loss in the year in which they arise, except in case of foreign currency loans taken for funding of Property, Plant and Equipment, where such difference is adjusted to the cost of respective Property, Plant and Equipment. This is as per the exemption given under Ind AS 101 to defer / capitalize exchange differences arising on long-term foreign currency monetary items.

Borrowing cost relating to acquisition/construction of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for the assets mentioned

below for which useful lives estimated by the management. The identified component of fixed assets are depreciated over the useful lives and the remaining components are depreciated over the life of the principal assets.

Further, the Company evaluated the useful life of certain components of Plant and Machinery, the impact of which is not material. Assets costing Rs. 5,000 or less are fully depreciated in the year of purchase.

1.9 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

General borrowing costs are capitalised at the weighted average of such borrowings outstanding during the year.

1.10 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee:

(i) Right-of-use assets

Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Assets	Estimated useful life
Right-of-use of office premises, parlour premises, warehouses	Over the balance period of lease agreement

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in relating to Impairment of non-financial assets.

(ii) Lease Liabilities

At the commencement date of the lease, company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying

amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short-term leases and leases of low-value assets

Company applies the short-term lease recognition exemption to its short-term leases. (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases for which company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

1.11 Inventories

Inventories are valued as under:

a RAW MATERIALS, PACKING MATERIALS AND STORES & SPARES :

Raw materials and stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials and stores and spares is determined on First-in-First-out basis.

b FINISHED GOODS & WORK IN PROGRESS :

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

c WASTE

At net realizable value

d STOCK-IN-TRADE :

Valued at lower of cost or net realizable value and for this purpose cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

1.12 Impairment of financial assets & non-financial assets

a Financial asset

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the Statement of Profit and Loss.

b Non-financial assets

Intangible assets and Property, Plant and Equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior year.

1.13 Provisions, Contingent Liabilities and Contingent Assets:

- A Provisions are recognised when the Company has present obligation (legal or constructive) as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

Contingent Liabilities are disclosed by way of notes to Financial Statements. Contingent assets are not recognised in the financial statements but are disclosed in the notes to the financial statements where an inflow of economic benefits is probable. Provisions and contingent liabilities are reviewed at each Balance Sheet date.

- B If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

1.14 Employee benefits

- A Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensated absences etc., and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

- B Post-Employment Benefits:

- i) Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans.

The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

- ii) Defined Benefit Plans:

The Employee's Gratuity Fund Scheme and compensated absences is Company's defined benefit plans. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government Securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in rate to the net defined benefit liability or asset is charged or credited to 'Finance costs' in the Statement of Profit and Loss. Any differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or

experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Gains or losses on the curtailment or settlement of any defined benefits plans are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense on a straight-line basis over the average period until the benefits become vested.

C Long Term Employee Benefits:

The employees' long term compensated absences are company's defined benefit plans. The present value of the obligation is determined based on the actuarial valuation using the projected unit credit method as at the date of the balance sheet. In case of funded plans, the full value of plan assets is reduced from the gross obligation to recognise the obligation on the net basis.

1.15 Financial instruments

Initial recognition and measurement:

The company recognizes a financial asset in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss(FVTPL), transaction cost that are attributable to the acquisition of the financial asset.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that users data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 inputs as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain in the Statement of Profit and Loss only to the extent the such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

However trade receivables that do not contain a significant financing component are measured at transaction price.

Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

(1) Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

(2) Fair value through other comprehensive Income:

Assets that do not meet the criteria for amortised cost are measured at fair value through Other Comprehensive Income. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized(i.e.removed from the company's balance sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The company transfers its contractual rights to received cash flows of the financial assets and has substantially transferred all the risk and rewards of ownership of the financial assets;
- iii. The company retains the contractual rights to receive cash flows but assumes a contractual obligations to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial assets, the Company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On De-recognition of a financial asset, (except as mentioned in ii above for financial assets measured a FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Financial liabilities:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

1.16 Foreign Currency Translation

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the Company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

1.17 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.18 Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.19 Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

1.20 Recent Accounting Pronouncements issued but not yet effective

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated 23 March, 2022 to amend the following Ind AS which are effective from 01 April, 2022.

(i) Onerous Contracts – Costs of Fulfilling a Contract – Amendments to Ind AS 37

The amendments to Ind AS 37 specify which costs an entity needs to include when assessing whether a contract is onerous or loss-making. The amendments apply a “directly related cost approach”. The costs that relate directly to a contract to provide goods or services include both incremental costs for example direct labour and materials and an allocation of other costs directly related to contract activities for example an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling that contract. General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract.

The amendments are effective for annual reporting periods beginning on or after 1 April, 2022. The amendments are not expected to have a material impact on the Company.

(ii) Reference to the Conceptual Framework – Amendments to Ind AS 103

The amendments replaced the reference to the ICAI's “Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards” with the reference to the “Conceptual Framework for Financial Reporting under Indian Accounting Standard” without significantly changing its requirements.

The amendments also added an exception to the recognition principle of Ind AS 103 Business Combinations to avoid the issue of potential ‘day 2’ gains or losses arising for liabilities and contingent liabilities that would be within the scope of Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets or Appendix C, Levies, of Ind AS 37, if incurred separately.

It has also been clarified that the existing guidance in Ind AS 103 for contingent assets would not be affected by replacing the reference to the Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards.

The amendments are effective for annual reporting periods beginning on or after 1 April, 2022. The amendments are not expected to have a material impact on the Company.

(iii) Property, Plant and Equipment: Proceeds before Intended Use – Amendments to Ind AS 16

The amendments modified paragraph 17(e) of Ind AS 16 to clarify that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

The amendments are effective for annual reporting periods beginning on or after 1 April, 2022. The amendments are not expected to have a material impact on the Company.

(iv) Ind AS 109 Financial Instruments – Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf.

The amendments are effective for annual reporting periods beginning on or after 1 April, 2022. The amendments are not expected to have a material impact on the Company.

1.21 Amendment to Schedule III of the Companies Act, 2013

Ministry of Corporate Affairs (MCA) issued notifications dated 24th March, 2021 to amend Schedule III of the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021 and applied to the standalone financial statements:

- a. Lease liabilities separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- b. Certain additional disclosures in the standalone Statement of Changes in Equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- c. Additional disclosure for shareholding of promoters.
- d. Additional disclosure for ageing schedule of trade receivables, trade payables, capital work-in-progress.
- e. Specific disclosure such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in the name of the Company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties etc.
- f. Additional disclosures relating to undisclosed income.

33 Fair Value Measurement

Financial Instrument by category and hierarchy

The fair value of the financial assets and liabilities are included at the amount of which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair Value of Cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amount largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rate are evaluated by the company based on parameters such as interest rates and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair values of such instruments is not materially different from their carrying amounts:-
For the financial assets and liabilities that are measured at fair values, the carrying amount are equal to the fair value.

Fair value Hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets which are measured at fair value as at Balance Sheet date, the classification of fair value calculations by category is summarized below:

Particulars	(₹ in Lakh)					
	As at March 31, 2022			As at March 31, 2021

Significant Unobservable Inputs Used In Level 3 Fair Values

As at March 31, 2022	Significant unobservable inputs	Sensitivity of input to fair value measurement
Non-current investments in unquoted equity shares	Discounted Cash Flow Discount Rate : 11%	1 % increase in discount rate will have decrease in investment by ₹ 0.11 lakhs and 1% decrease in discount rate will have an equal but opposite effect.

34 Capital risk Management

Equity Share capital and other equity are considered for the purpose of company's capital management. The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The Capital structure of the company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

35 Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risks. The company's senior management has the overall responsibility for establishing and governing the company's risk management framework. The company has constituted a risk management committee, which is responsible for developing and monitoring the company's risk management policies. The company's risk management policies are established to identify and analyse the risks faced by the company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the company.

A. Management of Liquidity Risk

Liquidity risk is the risk that the company will face in meeting its obligation associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this management considers both normal and stressed conditions.

Due to dynamic nature of the underlying businesses, company treasury maintains flexibility in funding by maintaining availability of under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

The following table shows the maturity analysis of the company's financial liabilities based on the contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

B. Management of Market Risk

The company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Foreign Currency risk
- Equity risk
- Interest rate risk

The above risks may affect the company's income and expenses, or the value of its financial instruments. The company's exposure to and management of these risks are explained below:

(i) Foreign Currency risk

Derivative Instruments and unhedged foreign currency exposure

(a) Derivatives outstanding as at reporting date

Management Policy

The company manages foreign currency exposures within the prescribed limits, through use of forward exchange contracts. Foreign currency exchange rate exposure is partly balanced by purchasing of goods/commodities in the respective currencies.

Sensitivity to Risk

A change of 5% in Foreign currency would have following Impact on profit before tax

Particulars	For the year ended 31st March, 2022		For the year ended 31st March, 2021	
	5% increase	5% decrease	5% increase	5% decrease
	USD	2.22	(2.22)	-
EURO	-	-	-	-
Increase/ decrease in profit & loss	2.22	(2.22)	-	-

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Exposure to interest rate risk

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on profit before tax

(₹ in Lakh)

Particulars	For the year ended 31st March, 2022	For the year ended 31st March, 2021
50 bp decrease would increase the profit before tax by	9.35	9.25
50 bp increase would decrease the profit before tax by	9.35	9.25

C Management of Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk, the company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Exposure to credit risk

The carrying amount of financial assets represents maximum credit exposures. The maximum credit exposure to credit risk was Rs. 2642.09 and Rs. 2422.14 as at March 31, 2022 and March 31, 2021 respectively being total of carrying amount of balance principally with banks, other bank balances, Trade receivable-billed and Trade receivables-unbilled and other financial assets.

The company's exposure to customers is diversified and except two customers, no single customer contributes to more than 10% and 10% of Trade receivable-billed and Trade receivable-unbilled as at March 31, 2022 and March 31, 2021.

No Significant changes in estimation techniques or assumptions were made during the year.

36 Earnings per Share (EPS) as per Indian Accounting Standard 33:

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

E. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans and post retirement medical benefits at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

Gratuity:	As at March 31, 2022	As at March 31, 2021
Financial Assumptions		
Discount rate	6.80%	6.87%
Salary Escalation Rate #	6.00%	6.00%
Attrition Rate	2.00%	2.00%

Demographic Assumptions

Published rates under the Indian Assured Lives Mortality (2006-08) Ult table.

F. Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted key assumptions are:
(₹ in Lakh)

Gratuity :	As at March 31, 2022			As at March 31, 2021		
	Change in assumption	Increase in present value of plan liabilities	Decrease in present value of plan liabilities	Change in assumption	Increase in present value of plan liabilities	Decrease in present value of plan liabilities
Discount rate	100 bps	(2.27)	2.69	100 bps	(2.28)	2.72
Salary Escalation Rate	100 bps	2.70	(2.32)	100 bps	2.71	(2.32)
Attrition Rate	100 bps	0.17	(0.21)	100 bps	0.06	(0.09)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

G. The defined benefit obligations shall mature after year end 31st March, 2021 as follows:

Gratuity :	(₹ in Lakh)	
	As at 31st March, 2022	As at 31st March, 2021
1st following year	7.85	6.18
2nd following year	0.53	2.22
3rd following year	1.30	1.06
4th following year	1.62	1.22
5th following year	1.32	1.46
Thereafter	7.95	7.26

Risk Exposure - Asset Volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk derivatives to minimize risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments % which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit.

(iii) Leave obligations

The leave obligations cover the Company's liability for sick and earned leave. The amount of the provision of ₹ 9.16 Lakh - [31st March, 21: ₹ 7.23 Lakh] is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations.

(iv) Defined contribution plans

The Company also has certain defined contribution plans. Contributions are made to provident fund in India for employees at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 4.16 Lakh (PY: ₹ 4.52 Lakh).
