Message to Stakeholders

My sincere regards to all,

We are pleased to introduce ourselves engaged in the business of integrated logistics solutions. Our key expertise include NVOCC, Freight Forwarding, Custom Clearance, Transportation handlings locally as well as globally and Advisory on MEIS License Trading. As on the date of this Prospectus, we primarily provide services to our clients countries namely India, China, Middle East, Sri Lanka, Singapore and Malaysia.

Our Company realizes that clients have specific requirements with regards to their shipments. We therefore spend considerable time with clients individually to understand their specific requirements. In line with the global trend the company had already taken sufficient initiatives long ago to outsource business partners and vendors, thereby being able to provide a wide range of services at economical costs.

Our Company is consistent in quality of services round the year. Our Company is committed to providing customers value added services. We strive to develop a long-term business relationship with our customer by offering high quality and value-added service while maintaining the industry ethical standards, which is founded on our ability to help identify and recommend the best solution for each customer's business environment. We strive for continuous improvement in our relationships with customers and our ability to provide quality services and solutions to our customers requirements without losing focus of our 'Right-on-Time' delivery system. We respect our relationship with each one of them and try to strive for a little extra in everything we do for them.

To turn now to the performance in FY 2022-23, your company has achieved commendable results on Standalone Basis;

- Our Total revenue for the year is Rs. 1252.60 lakhs against the previous year's revenue of Rs. 502.99 lakhs.
- Our Profit before tax was Rs. 81.25 lakhs as compared to Rs. 78.77 lakhs in the previous year.
- Our Profit after tax was Rs. 61.64 lakhs as compared to Rs. 57.91 lakhs in the previous year.

We are submitting herewith brief about our company details for your information and reference, and request you to register over-selves with your esteemed organization and forward existing and future enquiries.

Further I am pleased to present the 08th Annual Report of Your Company for FY 2022-23.

As we continue in our Endeavour to aspire to be a respected and responsible enterprise, we commit to being focused on our core positioning of value-retail and remain accountable to all our stakeholders and society at large. We will constantly pursue to delight and surprise our customers with good products at great value every single day.

I, on behalf of our team assure you of our singular commitment to the growth of Company with ethics and integrity. I would express my gratitude to our diverse stakeholders, our customers, vendors, bankers, all the team members and the board of Directors for their continued support in the growth journey of "TRANSVOY LOGISTICS INDIA LIMITED."

I solicit your continued cooperation in materializing this vision.

Best Regards,

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL ECONOMY

At the outset of 2023, encouraging developments in the global economy encompass the easing of inflation and energy costs from their apex levels, along with China's decision to terminate its zero-COVID strategy, which is projected to provide a stimulus to economic growth. While the complete impact of these changes is yet to be fully realized, emerging markets and developing economies are already experiencing a substantial upswing in growth rates, reaching 3.6% this year compared to 2.8% in 2022. Inflation expectations are presently stable, with a predicted decrease from 7.0% this year to 4.9% in 2024, due to major central banks communicating the necessity for a more stringent monetary policy stance. Moderating demand and escalating interest rates globally will further erode inflationary pressures throughout 2023. The tightening of monetary policy by the majority of central banks is anticipated to drive inflation back toward its targets leading it toward the recovery path.

INDIAN ECONOMY:

Indian economy has increased in size from being 10th to 5th largest in the world in the past nine years. According to Economic Survey 2022-23, Indian economy has staged a broad based recovery across sectors and positioning to ascend to pre-pandemic growth path in FY23 driven by several measures taken by the Government and RBI – the Central Bank of India. According to Second Advanced Estimates of National Income 2022-23, the growth in real GDP is estimated at 7.0% during the financial year 2022-23. Multiple agencies worldwide projects India to be the fastest growing economy in the world with a growth forecast expected in the range of 6.5 to 7.0% in FY23.

India's economic growth in FY23 has been driven primarily by a rebound in private consumption, a significant increase in capital expenditure (CAPEX) by Government and a sustained growth in private CAPEX due to the strengthening of their balance sheet. The rebound in consumption was mainly driven by an increase in consumer confidence due to universal vaccination and an overall improvement in labour market conditions. This was reflected by ramp-up in infrastructure and construction activity on the back of an increase in Capex by the Government. The growth in credit offtake, buoyant direct tax collections in FY23, retail inflation back within RBI's target range in November 2022 and increase in employment generation in urban markets also signaled the strength in the broad-based recovery of the economy.

India's GDP growth is expected to remain healthy in FY24 backed by infrastructure led growth model by the Government with an emphasis on transportation, housing, logistics and last mile connectivity. This is further supported by crowd-in private investments, improvement in consumption level and enhance affordability.

BUSINESS OVERVIEW:

The year FY 22-23 was a challenging year for the entire Logistics industry. Ocean freight levels were dropping constantly from Q2 onwards until Q4 with some sectors plunging upto 75% in comparison to FY 21-22. To overcome these challenges, CLL took several measures viz. aggressive marketing, addition of new customers, handling flight charters under our GSA division, doubling the container inventory pool of our NVO division, additional of commercial vehicle to the existing fleet, to achieve overall growth of 15% in the volume of shipments.

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

Inspite of cut-throat competitions in the industry and drop in margin levels, we managed to retain most of our esteemed clients with the constant efforts and committed services rendered by the company.

ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATIONS:

The Financial Statements have been prepared in accordance with the requirements of the Act, Indian Generally Accepted Principles (Indian GAAP) and the Accounting Standards as prescribed by the Institute of Chartered Accountants of India. The Management believes that it has been objective and prudent in making estimates and judgments relating to the Financial Statements and confirms that these Financial Statements are a true and fair representation of the Company's Operations for the period under review.

OPPORTUNITIES & THREATS

Opportunities:

1. Strong Economic Scenario:

India has emerged as one of the world's fastest growing major economies. The overall macro-economic scenario in the country is positive with low inflation, reduced key interest rates, low commodity prices, rising foreign investments and improved global confidence in the region various structural reforms and government initiatives.

2. Regulatory Changes:

The major regulatory changes by the Government in the area of Logistics Development, and Urban Development Policy enhance the positive atmosphere among the people and Industries as whole.

3. Government's Outlook to Investing in the Indian Logistic Sector:

Logistic is a key driver for the Indian economy. Increased spending in this sector has a multiplier effect on overall economic growth as it necessitates industrial growth and manufacturing. This in turn boosts aggregate demand by improving living conditions.

Threats:

1. Economy slowdown: Economic slowdown and changes in regulatory environment may impact the construction industry or real estate market, adversely affecting the Company's operations.

2. Fund Crunch:

The Logistics Industry demands huge long-term investments in projects. Lack of cheap funds or foreign investments may lead to delays in the project resulting in losses. As a government contracting company it requires certain deposits with government department which leads to Blocking of Fund and less working capital.

3. Decline in Bank Credit:

The rising non-performing assets (NPAs) and cases of fraud have resulted in banks getting stringent on its credit approval leading to a decline in their credit line for all the industries. This is likely to create liquidity issues for the logistic sector as well.

4. Shortage of Labor, supply and Technology:

The Logistic sector in India, being highly dependent on manual labor, is facing a major challenge in terms of availability of manpower which in turn leads to project delays even more due to certain policy of Government Company regarding supply of goods from their side and quality measurement certification leads to delay in work.

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

RISK AND CONCERNS:

Geopolitical risk - The Company operates in numerous geographies and is exposed to risks on account of protectionist policies, political dynamics, trade barriers, sanctions, and geopolitical conflicts.

The recent geopolitical event – Russia-Ukraine – conflict has impacted the world directly or indirectly in terms of supply chain disruptions and inflation.

Competition - It has been observed that competition from foreign and domestic players has considerably increased in the last few years. Removal of Bid Bond and relaxation of Performance Bank Guarantee in Government contracts has led to increased competition, especially in Road Projects.

Underperformance in key sectors - Sectors such as Power, Nuclear, Defence - Shipbuilding, continued to show slow growth and underutilization of their capacities.

Energy Transition - There is a renewed focus on Energy Transition across the world, with most of the Governments supporting Climate Action Plan. This transition involves risks in the form of switching to a new business model. Stakeholder activism on ESG has increased over the years demanding that corporations pursue sustainable business models.

Inequitable Terms of Trade - The Company partners with multiple stakeholders in executing projects and the terms agreed upon with these parties have become more stringent over the years. Joint & several liabilities, long defects liability period, cost overruns, back-ended payment structure, working capital challenges, and claim management challenges will influence the performance and cash flows.

Execution Challenges - The Company faces inherent risks throughout the execution phase of the project. Project challenges include employee / workmen mobilization, adverse geological surprises, unavailability of work front, land acquisition and Right-of-Way (ROW), delay in approval and clearances, visa issues, etc.

There have been additional challenges due to pandemic like supply chain disruptions, scarcity of raw materials, inflation, counter party risk, etc. Some of the businesses like Financial Services, Hyderabad Metro, Realty were affected in varying degrees due to the pandemic.

Cyber Security - Vulnerabilities like targeted attacks, ransom ware threats, and phishing have enhanced the importance of protecting the information technology infrastructure and data of the Company.

Climate Risk - The world has seen high amount of climate variability and extreme weather events over the years due to Global warming. The Company's primary operations in the construction and engineering sector may be impacted by climate change. Some of the major concerns include:

- a. The weather of a location cannot be predicted accurately based on the meteorological data.
- b. Climate change is a risk multiplier and has also enhanced the instances of natural calamities, which cause problems in site operations, logistics of equipment/materials and safety of resources.
- b) Extremely high daytime temperatures have a negative impact on health and safety of construction

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

workers and impact productivity.

- c) High precipitation or high flooding of rivers pose significant risk to operations and movement of plant and machinery.
- d) Extreme weather events cause significant disruptions in operations and supply chain and thereby have a direct impact on the costs.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

One of the important pillars of governance is a robust internal controls framework that assists the Corporation to achieve predictable and desired outcomes. It helps in aligning controls with the dynamics of constant challenges and changes in risk profile, arising due to varying internal and external factors. The internal controls framework established by the Company is commensurate with the size of operations and complexity of its businesses. All internal controls are well aligned with the evolving business needs, objectives, and overall strategic direction.

The Company ensures integrity in conducting its business, safeguarding of its assets, timely preparation of reliable financial information, accuracy and completeness in maintaining accounting records, and prevention and detection of frauds and errors through a set of detailed policies and procedures.

The Board of Directors and Management at all levels exhibit the right tone at the top through their actions, behavior, and directives. The 'Code of Conduct' emphasizes the corporate culture and values of the Company which serves as a beacon for the employees and inculcates the importance of integrity and ethical values. Suppliers must conform to a separate 'Code of Conduct' as a part of the registration process to ensure that they align to the Company's commitment to seek sustainable growth. The 'Code of Conduct' and the 'Whistle-blower / Vigil Mechanism' policies are available to both employees and business partners, to enable them to raise genuine concerns about any actual or suspected ethical / legal violations or misconduct or fraud, with adequate safeguards against victimization, fear of punishment or unfair treatment.

Independent Auditor's Report

To the Members of **TRANSVOY LOGISTICS INDIA LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of TRANSVOY LOGISTICS INDIA LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1.	NIL	NIL

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure-B

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TRANSVOY LOGISTICS INDIA LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

SIGNIFICANT ACCOUNTING POLICIES & NOTES ON FINANCIAL STATEMENTS

A. Significant Accounting Policies

1. Basis of accounting: -

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the Accounting Standards notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

The financial statements have been prepared under the historical cost convention on accrual basis.

2. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

3. Revenue Recognition: -

Expenses and Income considered payable and receivable respectively are accounted for on accrual basis.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

4. Property, Plant & Equipment :-

Property, Plant & Equipment including intangible assets are stated at their original cost of acquisition including taxes, freight and other incidental expenses related to acquisition and installation of the concerned assets less depreciation till date.

Company has adopted cost model for all class of items of Property Plant and Equipment.

5. Depreciation :-

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the SLM method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on assets acquired/sold during the year is recognised on a pro-rata basis to the statement of profit and loss till the date of acquisition/sale.

6. Foreign currency Transactions: -

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Liabilities and receivables in foreign currency are restated at the year-end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss.

7. Investments :-

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

**TRANSVOY LOGISTICS INDIA LIMITED
(Formerly Known as Transvoy Logistics India Pvt. Ltd.)**

8. Inventories :-

Inventories are valued as under:-

- 1. Inventories : Lower of cost or net realizable value
- 2. Scrap : At net realizable value.

9. Borrowing cost:-

Borrowing costs that are attributable to the acquisition or construction of the qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that necessarily takes a substantial period of time to get ready for its intended uses or sale. All other borrowing costs are charged to revenue in the year of incurrence.

10. Retirement Benefits:-

The retirement benefits are accounted for as and when liability becomes due for payment.

11. Taxes on Income:-

Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961. The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted by the balance sheet date. Deferred tax assets arising from timing differences are recognized to the extent there is virtual certainty with convincing evidence that these would be realized in future. At each Balance Sheet date, the carrying amount of deferred tax is reviewed to reassure realization.

12. Provisions, Contingent Liabilities and Contingent Assets:- (AS-29)

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:-

- (i) Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- (ii) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

General:

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.

(B) Notes on Financial Statements

- 1. The SSI status of the creditors is not known to the Company; hence the information is not given.
- 2. Trade receivables, Trade payables, Loans & Advances and Unsecured Loans have been taken at their book value subject to confirmation and reconciliation.
- 3. Loans and Advances are considered good in respect of which company does not hold any security other than the personal guarantee of persons.
- 4. No provision for retirement benefits has been made, in view of accounting policy No. 11. The impact of the same on Profit & Loss is not determined.
- 5. Advance to others includes advances to concerns in which directors are interested:

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

3. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure-B

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TRANSVOY LOGISTICS INDIA LIMITED - CONSOLIDATED ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those

TRANSVOY LOGISTICS INDIA LIMITED (Formerly Known as Transvoy Logistics India Pvt. Ltd.)

policies and procedures that

4. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
5. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
6. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES & NOTES ON FINANCIAL STATEMENTS

B. Significant Accounting Policies

13. Basis of accounting:-

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the Accounting Standards notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

The financial statements have been prepared under the historical cost convention on accrual basis.

14. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

15. Revenue Recognition:-

Expenses and Income considered payable and receivable respectively are accounted for on accrual basis.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

16. Property, Plant & Equipment :-

Property, Plant & Equipment including intangible assets are stated at their original cost of acquisition including taxes, freight and other incidental expenses related to acquisition and installation of the concerned assets less depreciation till date.

Company has adopted cost model for all class of items of Property Plant and Equipment.

17. Depreciation :-

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the SLM method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on assets acquired/sold during the year is recognised on a pro-rata basis to the statement of profit and loss till the date of acquisition/sale.

18. Foreign currency Transactions:-

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Liabilities and receivables in foreign currency are restated at the year-end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss.

19. Investments :-

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

20. Inventories :-

Inventories are valued as under:-

3. Inventories : Lower of cost or net realizable value

TRANSVOY LOGISTICS INDIA LIMITED
(Formerly Known as Transvoy Logistics India Pvt. Ltd.)

4. Scrap : At net realizable value.

21. Borrowing cost:-

Borrowing costs that are attributable to the acquisition or construction of the qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that necessarily takes a substantial period of time to get ready for its intended uses or sale. All other borrowing costs are charged to revenue in the year of incurrence.

22. Retirement Benefits:-

The retirement benefits are accounted for as and when liability becomes due for payment.

23. Taxes on Income:-

Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961. The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted by the balance sheet date. Deferred tax assets arising from timing differences are recognized to the extent there is virtual certainty with convincing evidence that these would be realized in future. At each Balance Sheet date, the carrying amount of deferred tax is reviewed to reassure realization.

24. Provisions, Contingent Liabilities and Contingent Assets:- (AS-29)

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:-

- (iii) Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- (iv) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

General:

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.
