SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 and Circular no. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 (collectively referred to as "SEBI Circulars") has provided relaxation to the listed entities from the requirement of sending physical copies of the Annual Report to its shareholders. Further, in accordance with the abovementioned MCA and SEBI circulars, the AGM of the Bank shall thus be held through VC/OAVM and the electronic copies of the Notice and Annual Report will be dispatched to all the Members whose email addresses are registered with the Bank. The deemed venue for the 80th AGM will be the Registered Office of the Bank.  
  
The Bank has availed the services of Central Depository Services (India) Limited (CDSL) for providing VC facility and e-voting on the matters as listed in the AGM Notice.
3. A proxy is allowed to be appointed under Section 105 of the Companies Act, 2013 to attend and to vote at general meeting on behalf of a Member who is not able to attend personally. However, in compliance with the MCA Circulars and SEBI Circulars, there is no requirement of appointment of proxy for this AGM, since for the AGM under this framework, physical attendance of the Members in any case has been dispensed with.

Hence, instructions related to proxy and proxy form are not provided in this Notice. However, pursuant to Section 112 and Section 113 of the Companies Act, 2013, the representatives of the Corporate Members may be appointed for the purpose of voting through remote e-voting or for participation and voting at the AGM held through VC or OAVM. Corporate Members intending to authorise their representatives to participate and vote at the AGM are requested to send a duly certified copy of

the Board resolution authorising their representative(s) to Scrutinizer at email id [alwyn.co@gmail.com](mailto:alwyn.co@gmail.com) with a copy marked to CDSL at [evoting@CDSL.com](mailto:evoting@CDSL.com) and to the Bank at [investorgrievances@rblbank.com](mailto:investorgrievances@rblbank.com) authorising its representative(s) to attend through VC or OVAM and vote on their behalf during the AGM.

4. In case of Joint holders attending the AGM, only such joint holder whose name appears first in order of names will be entitled to vote.
5. The Bank's Registrar and Share Transfer Agent is M/s. Link Intime India Private Limited ("Link Intime" / "RTA"), C-101, 247 Park, 1st floor, L.B.S. Marg, Vikhroli (West), Mumbai – 400083.
6. M/s. CNK & Associates LLP, Chartered Accountants (firm Registration No. 101961 W/W100036) were appointed as one of the joint Statutory Auditors of the Bank at the 78th Annual General Meeting held on September 21, 2021, to hold office for a period of three (3) years from the conclusion of the 78th Annual General Meeting till the conclusion of 81st Annual General Meeting.

Further, M/s G. M. Kapadia & Co., Chartered Accountants (firm Registration No. 104767W) were appointed as other Joint Statutory Auditors of the Bank at the 79th Annual General Meeting held on September 21, 2022, for a period of three (3) years to hold office from the conclusion of the 79th Annual General Meeting until the conclusion of 82nd Annual General Meeting.

The Joint Statutory Auditors have given a confirmation to the effect that they are eligible to continue with their appointment and that they have not been disqualified in any manner from continuing as Joint Statutory Auditors. Audit Fees allocated between the Joint Statutory Auditors for the financial year ended March 31, 2023 was ₹ 1.50 crore. Pursuant to the approval of the Members of the Bank at 79th AGM, the audit fees and fees for other assignments including various certificates etc. plus out of pocket expenses (with such taxes as may be applicable) & other terms & conditions shall be as may be determined & recommended by the Audit Committee in consultation with the Statutory Auditors & approved by Board of Directors of the Bank.

7. **DIVIDEND:** The dividend for the financial year ended March 31, 2023, as recommended by the Board of Directors at the rate of ₹ 1.50 per equity (ordinary) share, if approved at the AGM, would be paid subject to deduction of tax at source, as may be applicable to those members or their mandates whose name appear on the Register of Members / List of Beneficial owners to be received from the Depositories as on the close of business hours on the Record date i.e. August 18, 2023.

8. **ELECTRONIC CREDIT OF DIVIDEND:** SEBI has made it mandatory for all companies to use the bank account details furnished by the Depositories and the bank account details maintained by the Registrar and Transfer Agent for payment of dividend to Members electronically. The Bank has extended the facility of electronic credit of dividend directly to the respective bank accounts of the Member(s) through the Electronic Clearing Service (ECS)/ National Electronic Clearing Service (NECS)/ National Electronic Fund Transfer (NEFT)/Real Time Gross Settlement (RTGS)/Direct Credit, etc.

As directed by SEBI, the Members holding shares in physical form are requested to submit particulars of their bank account in Form ISR 1 alongwith the original cancelled cheque bearing the name of the Member to RTA / Bank to update their bank account details.

Members holding shares in demat form are requested to update their bank account details with their respective Depository Participant ("DP"). The Bank or RTA cannot act on any request received directly from the Members holding shares in demat form for any change of bank particulars. Such changes are to be intimated only to the Depository Participants of the Members. Further, instructions, if any, already given by them in respect of shares held in physical form will not be automatically applicable to shares held in the electronic mode.

Members are requested to ensure that their bank account details in their respective demat accounts are updated, to enable the Bank to provide timely credit of dividend in their bank accounts.

In case, the Bank is unable to pay dividend to any Member by the electronic mode, due to non-availability of the details of the bank account, the Bank shall dispatch the dividend warrant/demand draft to such Member by post/ courier in compliance with the SEBI Regulations. Where dividend is paid through electronic mode, intimation regarding such remittance will be sent separately to the Members.

9. **TDS ON DIVIDEND:** Members may note that pursuant to the Income-tax Act, 1961, as amended by the Finance Act, 2020, dividend income has become taxable in the hands of shareholders with effect from 1st April, 2020 and therefore, the Bank shall be required to deduct tax at source ("TDS") at the prescribed rates at the time of making the payment of the said dividend to shareholders. For the prescribed rates for various categories, shareholders are requested to refer to the Finance Act, 2023 and amendments thereof. In order to enable the Bank to determine the appropriate TDS rate as applicable, Members are requested to submit the documents as indicated in the succeeding paragraphs in accordance with the provisions of the Income Tax Act, 1961 and Rules thereto.

**For Resident Shareholders:** Tax shall be deducted at source under Section 194 of the Income-tax Act, 1961 @10% on the amount of Dividend declared and paid by the Bank during the Financial Year ('FY') 2023-24 subject to a valid PAN being provided by the shareholder. If a valid PAN is not registered, TDS would be deducted @20% as per Section 206AA of the Income-tax Act, 1961. The TDS rate would vary depending on the residential status of the shareholders and the documents submitted by them and accepted by the Bank.

- a. **For Resident Individual:** No TDS shall be deducted on the Dividend payable to a resident Individual if the total dividend payable to the resident individual during FY 2023-24 does not exceed ₹ 5,000.

In cases where the shareholder provides Form 15G (applicable to Individual) / Form 15H (applicable to an Individual above the age of 60 years), no tax at source shall be deducted provided that the eligibility conditions are being met. Further, if a Shareholder has obtained a lower or Nil withholding tax certificate from the tax authorities and provides a copy of the same to the Bank, tax shall be deducted on the dividend payable to such shareholder at the rate specified in the said certificate.

As per Section 139AA(2) of the Income-tax Act, 1961 read with Rule 114AAA of the Income tax Rules, 1962, shareholders who are required to link Aadhar number with PAN should compulsorily link the same as per the due date stated by the Income Tax Authorities. If as required under law, any PAN is found to not linked with Aadhar number, then such PAN will be deemed inoperative and tax at source will be required to be deducted at higher rates under Section 206AA of the Act.

- b. **For Resident Non-Individual:** Nil / lower tax shall be deducted on the dividend payable to the following resident non-individuals where they provide relevant details and documents:
- i. **Insurance Companies:** Self declaration that it qualifies as 'Insurer' as per Section 2(7A) of the Insurance Act, 1938 and has full beneficial interest with respect to the ordinary shares owned by it along with self-attested copy of PAN card and certificate of registration with Insurance Regulatory and Development Authority (IRDA)/ LIC/ GIC.
  - ii. **Mutual Funds:** Self-declaration that it is registered with SEBI and is notified under Section 10 (23D) of the Income-tax Act, 1961 along with self-attested copy of PAN card and certificate of registration with SEBI.

- iii. **Alternative Investment Fund (AIF):** Self declaration that its income is exempt under Section 10 (23FBA) of the Income-tax Act, 1961 and they are registered with SEBI as Category I or Category II AIF alongwith self-attested copy of the PAN card and certificate of AIF registration with SEBI.
- iv. **New Pension System Trust (NPS):** Declaration along with self-attested copy of the PAN card.
- v. **Other Non-Individual shareholders:** Self attested copy of documentary evidence supporting the exemption along with self-attested copy of PAN card.

Please note that Section 206AB has been introduced by the Finance Act, 2021 effective July 1, 2021, whereby a specified Persons i.e. a person who has not filed Return of Income for the assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted for which the due date of filing return of income expired and the aggregate tax deducted at source or tax collected at source is more than ₹ 50,000, TDS will be higher of the following:

- a) Twice the rate specified in the relevant provision of the Income-tax Act, 1961; or
- b) Twice the rate or rates in force; or
- c) The rate of five per cent.

The Bank will be using functionality of the Income-tax department for identifying PAN covered under Section 206AB of the Finance Act, 2021 and those PAN which are not linked with Aadhar.

**For Non-resident Shareholders (including Foreign Portfolio Investors):** Taxes are required to be withheld in accordance with the provisions of Section 195 and 196 D of the Income-tax Act, 1961 at the applicable rates in force. As per the relevant provisions the Income-tax Act, 1961, the withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of Dividend payable to them. In case of Foreign Portfolio Investors ('FPI') / Foreign Institutional Investors ('FII'), the withholding tax shall be as per the rates specified in Sections 196C and 196D of the Income-tax Act, 1961 respectively plus applicable surcharge and cess on the amount of Dividend payable to them.

However, as per Section 90 read with Section 195 of the Income-tax Act, 1961, the non-resident shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") between India and the country of tax residence of the shareholder, if they are more beneficial to them.

For this purpose, i.e. to avail the Tax Treaty benefits, the non-resident shareholder will have to provide the following:

- Self-attested copy of the PAN Card if any allotted by the Indian Income Tax authorities;
- Self-attested copy of Tax Residency Certificate obtained from the Tax authorities of the country of which the shareholder is resident for the FY 2022-23;
- Self declaration in Form 10F;
- In case of FPI/FII, self attested copy of SEBI Registration certificate;
- Self declaration by the non-resident shareholder meeting DTAA eligibility and satisfying beneficial ownership requirements.

Notwithstanding the above, in case PAN falls under the category of 'Specified Person', shareholder is mandatorily required to submit a declaration providing status of Permanent Establishment in India for FY 2023-24. As per Section 206AB of the IT Act, if the said declaration is not furnished, the Bank shall deduct tax at source at twice the applicable rate referred above.

Please note that the Bank is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Bank, of the documents submitted by the Non-Resident shareholder.

10. Members may submit the aforementioned documents at <https://web.linkintime.co.in/formsreg/submission-of-form-15g-15h.html> on or before Friday, August 18, 2023, 5:00 p.m. (IST) in order to enable the Bank to determine and deduct appropriate tax. No communication on the tax determination / deduction shall be entertained post August 18, 2023, 5:00 p.m. (IST).

The dividend will be paid after deduction of Tax at source as determined on the basis of the documents provided by the respective shareholders as applicable to them and being found to be complete and satisfactory in accordance with the IT Act.

In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided by the shareholder, such shareholder will be responsible to indemnify the Bank and also, provide the Bank with all information/ documents and co-operation in any appellate proceedings.

The Bank shall arrange to email the soft copy of TDS certificate to the Shareholders at the registered email ID in due course, post payment of the said Dividend. The said certificate can also be viewed in Form 26AS at TRACES <https://www.tdscpc.gov.in/app/login.xhtml> or the website of the Income Tax department of India <https://www.incometax.gov.in/home>.

An email communication informing the Shareholders regarding this change in the Income-Tax Act, 1961 as well as the relevant procedure to be adopted by them to avail the applicable tax rate is being sent by the Bank at the registered email IDs of the Shareholders

In addition to the above, please note the following:

- i. In case, the dividend income is assessable to tax in the hands of a person other than the registered Shareholder as on the Record Date, in terms of Rule 37BA of the Income-tax Rules 1962, the registered shareholder is required to furnish a declaration containing the name, address, PAN of the person to whom TDS credit is to be given and reasons for giving credit to such person on or before August 18, 2023, 1700 hrs (IST). No request in this regard would be accepted by the Company/RTA after the said date or payment of dividend.
- ii. In case you hold shares under multiple accounts under different status / category but under a single PAN, the highest rate of tax as applicable to the status in which shares held under the said PAN will be considered on the entire holding in different accounts.
- iii. In case of joint shareholding, the withholding tax rates shall be considered basis the status of the primary beneficial shareholder.
- iv. For deduction of tax at source, the Bank would be relying on the above data shared by RTA i.e. Link Intime as updated up to the record date.

It may be further noted that in case tax on dividend is deducted at a higher rate in the absence of receipt of any of the aforementioned details / documents from the shareholders, the shareholders may consider filing their return of income and claiming an appropriate refund, as may be eligible. No claim shall lie against the Bank for such taxes deducted.

For the purpose of identifying whether shareholder is "Specified Person" as per the provisions of Section 206AB of the Finance Act, 2021, the Bank will be relying on the information verified by the utility available on the Reporting Portal of the Income Tax website.

The summary of forms for claiming TDS exemptions are given below:

1. Form 15G - applicable to an Individual below the age of 60 years;
2. Form 15H - applicable to an Individual aged 60 years and above;
3. Form 10F - Resident Tax Declaration;
4. Declaration regarding Category and Beneficial Ownership of shares;

5. Non-Resident Tax Declaration;
  6. Declaration for No Permanent Establishment (PE) in India for Non-Corporates;
  7. Self - declaration for claiming beneficial provisions of Double Taxation Avoidance Agreement.
11. Pursuant to the provisions of Sections 124 and 125 of the Companies Act, 2013, read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended ("IEPF Rules"), the Bank is statutorily required to transfer to the Investor Education & Protection Fund ("IEPF") established by the Central Government, any money transferred to the Unpaid Dividend Account and which remains unpaid or unclaimed for a period of seven years from the date of such transfer. Further, the shares in respect of which dividend has not been claimed by the Members for seven consecutive years are also required to be transferred to the Demat account of IEPF Authority. The unclaimed interim dividend for the financial year 2015-16 has already been transferred to IEPF and for the financial year 2016-17, the dividend which has remained unclaimed for seven consecutive years will be transferred to IEPF along with the shares in respect of which dividend has not been claimed on or before September 3, 2024. The Members who have not yet encashed their dividend warrants/demand drafts related to subsequent financial years are requested to send their claims to RTA well in advance of the last date for claiming such unclaimed dividends as specified hereunder:

Financial Year ended	Date of declaration of Dividend	Last date for claiming unpaid/unclaimed dividend
2016-17	August 4, 2017	September 3, 2024
2017-18	August 3, 2018	September 5, 2025
2018-19	July 9, 2019	August 13, 2026
2019-20	March 17, 2020	April 21, 2027

The Bank has uploaded the details of unpaid and unclaimed dividend on the website of the Bank at <https://ir.rblbank.com> and also on the website of the Ministry of Corporate Affairs. The concerned Members are requested to verify the details of their unclaimed dividend, if any, from the website and lodge their claim with the Bank's RTA, before the unclaimed dividends are transferred to the IEPF. Members may note that both the unclaimed dividend and corresponding shares transferred to Demat Account of IEPF Authority including all benefits accruing on such shares, if any, can be claimed back from the IEPF Authority after following the procedure prescribed under IEPF Rules.

12. The certificate from the Secretarial Auditors of the Bank certifying that the Bank's Employees Stock Option Plans are being implemented in accordance with the provisions of the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 and the respective resolutions passed by the Members of the Bank, shall be available electronically for inspection by the Members at the AGM.
13. Members may avail nomination facility as provided under Section 72 of the Companies Act, 2013, read with SEBI Circular dated March 16, 2023. Members holding shares in physical form are advised to make nomination in respect of their shareholding with the Bank or RTA and those holding shares in Dematerialised form are advised to make nomination through their depository participant. The details of the respective forms are mentioned at Note No. 16.
14. The Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which includes easy liquidity, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents. Further, trading of Bank's share is permitted in demat form only and effective April 1, 2019, requests for effecting transfer of securities are not being processed unless the securities are held in a dematerialized form with a depository. SEBI vide its circular No. SEBI/HO/MIRSD/ MIRSD\_RTAMB/P/ CIR/2022/8 dated January 25, 2022 read with SEBI circular no. SEBI/ HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/65 dated May 18, 2022 has also advised listed companies and RTA to issue shares in dematerialized form while processing service requests for transmission, transposition, issue of duplicate Certificates, renewal, splitting, consolidation of share certificate etc. **Therefore, the Members who still hold share certificate(s) in physical form are advised to dematerialize their shareholding at the earliest.**
15. SEBI has mandated that any service request from Members holding securities in physical mode shall be entertained only upon registration of the PAN, KYC and nomination and other details. Members are thus requested to submit documents / details as mentioned in Note no. 16

Kindly note that the folios wherein any one of the said document/details are not available on or after October 1, 2023, shall be frozen by Link Intime. Further, the payment of dividend in respect of such frozen folios will be made only through electronic mode with effect from April 1, 2024.

Members holding shares in dematerialised mode, who have not registered/updated these details are requested to register/update the same with the respective depository participants ('DPs').

16. The Members holding shares in physical form are requested to furnish the documents/details to Link Intime Private Limited, RTA of the Bank in the manner as mentioned below:

27. Since the AGM shall be held through VC or OAVM, hence the requirement of providing the Route Map and Landmark for the venue of the AGM in the Notice does not apply to this AGM.

28. **Voting through electronic means:**

In terms of Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and MCA Circulars, the Bank is pleased to provide the e-voting facility to its Members holding shares in physical or dematerialized form, as on the cut-off date, being Monday, August 21, 2023 to exercise their right to vote by electronic means on any or all of the businesses specified in this Notice. For this purpose, the Bank has entered into an agreement with Central Depository Services (India) Limited ("CDSL") for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a Member using Remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

**The Remote e-voting commences on Wednesday, August 23, 2023 10:00 a.m. (IST) and ends on Sunday, August 27, 2023 5:00 p.m. (IST).** During this period Members of the Bank, holding shares either in physical form or in dematerialized form, as on the cut-off date may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

The Bank is also offering the facility for e-voting at the AGM. A person who is not a Member as on cut-off date should treat this Notice for information purposes only. Any Person who becomes a Member of the Bank after dispatch of Notice and holding shares as on cut-off date shall also follow the procedure stated herein. The voting rights of the Members shall be in proportion to their shares of the paid-up equity share capital of the Bank as on the cut-off date, subject to the provisions of the Banking Regulation Act, 1949, as amended.

A Member can opt for only one mode of voting i.e. either through Remote e-voting or by e-voting system at the AGM. Members who have cast their vote by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their vote again.

The Board of Directors has appointed Mr. Alwyn D'Souza, Practicing Company Secretary (FCS 5559), failing him, Mr. Jay D'Souza, Practicing Company Secretary (FCS 3058) of M/s. Alwyn Jay & Co., Practicing Company Secretaries as Scrutinizer to scrutinize the e-voting at AGM and Remote e-voting process in a fair and transparent manner.

The Results on the resolutions as included in this Notice, shall be declared not later than 2 working days from the conclusion of AGM of the Bank and the resolutions will be deemed to be passed on the AGM date subject to receipt of the requisite number of votes in favour of the resolutions.

The Results of voting as declared along with the Scrutinizer's Report(s) will be published on the website of the Bank at <https://ir.rblbank.com> and on the website of CDSL [www.evotingindia.com](http://www.evotingindia.com). The results shall be simultaneously communicated to BSE Limited and National Stock Exchange of India Limited and further displayed at the registered office of the Bank.

29. **THE INTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

(i) The voting period begins on Wednesday, August 23, 2023 10:00 a.m. (IST) and ends on Sunday, August 27, 2023 5:00 p.m. (IST). During this period shareholders' of the Bank, holding shares either in physical form or in dematerialized form, as on the cut-off date of Monday, August 21, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the AGM date would not be entitled to vote at the AGM.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

## **EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 AND OTHER APPLICABLE PROVISIONS**

### **Item No. 4**

**To note retirement of Mr. Vimal Bhandari (DIN: 00001318), who retires by rotation at this Annual General Meeting and has expressed his desire to be not re-appointed upon expiry of term; and to consider not to fill up the vacancy**

Mr. Vimal Bhandari has been serving as Non-Executive Non-Independent Director on the Board of your Bank since October 1, 2020.

Pursuant to Section 152(6) of the Companies Act, 2013 ("the Act"), Mr. Vimal Bhandari is liable to retire by rotation at 80th AGM of the Bank. Mr. Vimal Bhandari has expressed his unwillingness to be re-appointed and not offered himself for re-appointment as a director liable to retire by rotation at the 80th AGM. Accordingly, Mr. Vimal Bhandari would cease to hold office as a Director of the Bank at the conclusion of the 80th AGM of the Bank.

The Nomination and Remuneration Committee and the Board of Directors at their respective meetings, considered and decided to accept the request of Mr. Vimal Bhandari to retire at the conclusion of this AGM. The Board of Directors recorded their earnest appreciation to the valuable contribution, leadership and guidance extended by Mr. Vimal Bhandari to the Board and the Management of the Bank during his association.

Post retirement of Mr. Vimal Bhandari, the Board of the Bank would comprise of 12 Directors including, a Managing Director & CEO, an Executive Director, Seven (7) Independent Directors, two (2) Non-Executive Directors and One (1) Additional Director appointed by RBI. In the premises aforesaid, the Board of Directors recommends that the resulting vacancy so created on the Board be not filled.

Your Directors, therefore, recommend the Ordinary resolution, as set forth at Item No. 4 of this Notice, for the approval of the Members.

Except for Mr. Vimal Bhandari and his relatives, none of the Directors, Key Managerial Personnel of the Bank or their relatives thereof are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4 of this Notice.

### **Item No. 5**

**To approve issue of Debt Securities on Private Placement basis**

In terms of Section 42 of the Companies Act, 2013 read with rules made thereunder, a company can make private placement of securities subject to the condition that the proposed offer of securities or invitation to subscribe securities has been previously approved by the Members of the company, by a Special Resolution, for each of the offers or invitations / subscriptions. It shall be sufficient if the company passes a previous special resolution only once in a year for all such offers or invitations during the year.

Accordingly, the Bank had obtained the approval of Members of the Bank at the 79th Annual General Meeting held on September 21, 2022 for borrowing/raising funds by issue of debt securities in pursuance of the relevant provisions of the applicable circulars

or guidelines issued by RBI, up to ₹ 3,000 crore (Rupees Three Thousand Crore Only), in one or more tranches. The subject Special Resolution as passed by the Members is valid up to September 20, 2023. However, the Bank did not feel the need to exercise its powers of borrowing / raising of funds by issue of debt securities pursuant to the aforesaid enabling approval obtained from the Members of the Bank.

In order to facilitate the raising of funds by way of issue of debt securities, it would be necessary to obtain a fresh approval from the Members of the Bank. Accordingly, the Board of Directors has approved through their resolution dated July 22, 2023 and proposed to obtain the consent of the Members of the Bank for borrowing/raising funds in Indian / foreign currency by issue of debt securities pursuant to the relevant provisions of the applicable circulars, directions or guidelines issued by RBI, Companies Act, 2013 and SEBI upto ₹ 3,000 crore (Rupees Three Thousand Crore), in one or more tranches.

Further, this would form part of the overall borrowing limits as approved by Members of the Bank under Section 180(1)(c) of the Companies Act, 2013. The Resolution under Section 42 of Companies Act, 2013 shall be valid for a period of one year from the date of passing of this resolution. Thus, Special Resolution at Item No. 5 shall be in force from the date of passing of this Resolution.

The pricing of the debt securities referred above depends primarily upon the rates prevailing for risk free instruments, rates on other competing instruments of similar rating and tenor in the domestic or overseas markets, investor appetite for such instruments and investor regulations which enable investments in such instruments. Further, debt securities would be issued for cash either at par or premium or at discount to the face value depending upon the prevailing market conditions, as permitted under the Laws.

Your Directors, therefore, recommend the Special Resolution, as set forth at Item No. 5 of this Notice, for the approval of the Members. This resolution is an enabling resolution and authorizes the Board of Directors of the Bank to offer or invite subscription for debt securities, as may be required by the Bank, from time to time during the period of one year from the date of passing this resolution.

None of the Directors, Key Managerial Personnel of the Bank or their relatives thereof are, in any way financially or otherwise concerned or interested in the passing of the Special Resolution as set out at Item No. 5 of this Notice.

# Our Journey

THROUGH MILESTONES

**R Subramaniakumar**  
MANAGING DIRECTOR & CEO

## Dear Stakeholders,

It is indeed a proud moment for me to present to you RBL Bank's Integrated Annual Report for FY 2022-23, which signifies a momentous milestone as we celebrate the 80th anniversary of our Bank's foundation. In doing so, I am equally inspired and awed. Inspired by my journey in this organisation - which began a little more than a year ago, and awed by the significant strides we have made together.

I am pleased to share that we have achieved our highest annual profit this year. This achievement was made possible through the successful implementation of various initiatives,

including new product launches and the scale up of granular retail products. I extend my heartfelt gratitude to the dedication and persistence of our 18,000+ team members, whose hard work has been instrumental in achieving this. As we move forward, we plan to scale up existing products and introduce new ones, both digitally and through our branches, in the coming year. This approach will contribute to a more comprehensive and widespread growth. This marks just the beginning of our journey towards RBL Bank 2.0. Numerous more steps will follow as we work diligently to accomplish our strategic roadmap for Vision 2026.

Guided by our esteemed Board and with the collective efforts of everyone associated with RBL Bank, we have significantly strengthened our franchise and positioned ourselves as a trusted partner for our customers and stakeholders.

### FY 2022-23, an Overview

FY 2022-23 was the first full year of the post-pandemic era. We exhibited undaunted determination towards recovery and business growth.

Despite the immense pressure stemming from the global

Our vision is focussed on achieving significant growth while maintaining a strong commitment to delivering excellent service.

macroeconomic situation and the ongoing impacts of the Russia-Ukraine conflict, both the Indian banking sector and the economy displayed remarkable resilience and surged ahead steadily. The BFSI sector has admirably served the country through this challenging period by reimagining its services and products digitally.

Being a proud participant in the BFSI space, we demonstrated our abilities as a strong and agile institution. We made sincere efforts during the year to steer the Bank's return to profitability and growth. Our efforts have been recognised in ways that are reflected not just in our financial performance but also in an overall enhancement of our relationships with each of our key stakeholders. Our journey over the past year evidences the value of teamwork with 'One Bank, One Approach', truly making us 'Apno ka Bank'.

Our growth and performance have also been acknowledged by various institutions and this recognition really motivates us to march ahead with renewed vigour. In 2023, we re-entered the Top 100 most valued brands in India list as per Brand Finance, world's leading brand valuation and research agency which values over 5,000 brands globally. Additionally, UMEED 1000, our flagship CSR initiative won us India's Best Bank for CSR at the International AsiaMoney Best Bank Awards, 2023.

Our vision is focussed on achieving significant growth while maintaining a strong commitment to delivering excellent service. We view FY 2022-23 as a pivotal period for establishing the groundwork of our aspirations, as we continue to focus sharply on:

Strengthening our balance sheet and franchise

Focussing on customer-centricity

Enhancing our financial performance

Optimising operational efficiency through technology

Building a diversified bank

Here are some of the key highlights of the year that have shaped our path forward:

- Growing customer acquisition and retention have led to a significant boost in our CASA (14% year-on-year) to reach ₹31,717 crore, while deposits grew by 7.4% to ₹84,887 crore.
- Our balance sheet strength improved significantly, with net advances growing by 17% to reach ₹70,209 crore. Out of this, retail - our key focus area - showed significant growth of 21% at ₹37,778 crore
- We registered the highest ever Profit After Tax of ₹883 crore, compared to

a loss of ₹75 crore reported in FY 2021-22.

- Our other income increased to ₹2,490 crore.
- Our key financial ratios such as Return on Assets, CASA, Net Interest Margin stood at 0.83%, 37.4%, and 4.67% as against - 0.07%, 35.3%, and 4.45%, respectively.
- Our asset quality continued to witness steady improvement, with GNPA and NNPA at 3.4% and 1.1%, respectively, as against 4.4% and 1.3% in FY 2021-22.

### New Business Verticals

I would also like to draw your attention to the robust growth of our new business verticals, viz. tractor, home loans and mortgage loans since these new verticals accounted for 8% of our advances during the year. I am delighted to share that we have successfully launched additional retail asset products, including gold loans, business loans, two-wheeler & four-wheeler loans and used car loans. Most of these products are set to scale in FY 2023-24.

Our primary focus has been on widening our product suite to cater to our 13 million plus customer base. Through conscious efforts, we are driving these secured retail asset products, which will significantly strengthen our balance sheet. Already, two of our retail flagship products - credit cards and microfinance loans - are scaling as per the plan. Besides, our consistent focus on cross-selling through data analytics will further contribute to achieving our targets.

## Digital Journey

Our digital journey is focussed on improving customer experience and services. This agenda is underpinned by robust data governance and information security while enabling our people to achieve higher levels of productivity by automating repetitive tasks and processes.

We continue to prioritise investments in technology that help us target a wider customer base across all segments. We have also automated several processes, which have helped free up the bandwidth of our people, enabling better engagement with revenue-positive activities.

We continued to launch solutions and features to serve our customers better. Additionally, we have developed the Abacus 2.0 Common Data Platform, which unifies customer data across all business segments, thereby enhancing our understanding of our customer's needs.

We are incorporating digital technologies wherever possible to deliver value at scale. As we continue to refine our products across various categories, we will actively seek opportunities to increase cross-sell and upsell.

## Customer-Centricity, Our Mantra

Through the year, we have aligned our focus to nurture customer relationships based on personal engagement, facilitated by our

We continue to prioritise investments in technology that help us target a wider customer base across all segments.

dedicated relationship managers, and strong user engagement through our digital portals. Our focussed efforts in this direction, notably the impactful campaigns like #FarzBantaHai, customer-centricity training initiatives designed for our customer support trainers and our enhanced product suite, have significantly enriched our connections with our valued customers.

I would like to appreciate our branches for paving the way for enhanced customer engagement. They have consistently come up with innovative ways to have meaningful interactions with various customer segments. These include round-the-year hosting of numerous events, activities and celebrations at our branches to support and educate our customers across all ages.

Moreover, we have continued to strengthen our partnerships with leading brands, financial institutions, and start-ups to deliver hybrid products and services that enrich our customers' experience. A prime example of this is the RBL Bank-RuPay National Common Mobility Card along with BMRCL, which is set to revolutionise the way Indian citizens travel, shop, and manage their spending.

## Future-Proof Strategies

FY 2022-23 has also characterised certain decisions and activities that contribute towards making the organisation future-proof. As part of our Vision 2026, we have devised strategies and identified five key goals based on our engagements with stakeholders and the analysis of emerging trends and macro opportunities. These goals are as follows:

- Strengthening the core business and expanding into nascent verticals through portfolio diversification, product differentiation, and continuous innovation.
- Focussing on distribution-led growth, with a strong emphasis on cross-selling by leveraging our existing operational investments.
- Building a data led omnichannel approach with a customer-first focus by utilising digital expertise and technical know-how to deliver personalised and seamless customer experiences.
- Promoting responsible banking by effectively leveraging RBL Finserve and focussing on driving scale through sustainability.
- Enhancing workplace diversity and cultivating a future-ready workforce that is equipped with the skills and knowledge needed to thrive in an ever-changing business landscape.

## Paying Back to the Society

Corporate Social Responsibility (CSR) is a vital aspect of any responsible organisation. We recognise that genuine success goes beyond financial metrics; it lies in the transformative impact we make on the lives of those in need. As a part of our long-term focus, we actively engage in initiatives that promote health, education, and livelihood opportunities, which we collectively term as 'HELO.' We firmly believe that by investing in these key areas, we can create a positive and lasting impact on the communities we serve.

## Marching Towards a Sustainable Tomorrow

Our Vision 2026, which encompasses our strategy for the near term, also spotlights our commitments towards upholding the ESG principles for a more sustainable tomorrow.

We value our role within the society as an enabler for progress and growth for our customers, our people, our partners, and the communities we work with.

We are actively taking strides to strengthen the management of our climate risks by endorsing the 'Taskforce on Climate-related Financial Disclosures (TCFD)' in August 2022. Furthermore, we are proud to have achieved our first three qualified Green Loans under IFC's US\$ 150 million credit line. Throughout the year, we actively supported and furthered our existing customer

education and awareness programs dedicated to community development.

In addition to this, we have introduced several initiatives within the Bank specifically tailored to drive the growth and advancement of our women colleagues. These include hiring returnee women through our second career program (RETAKE), protecting the ratings of women on maternity leave, conducting women leadership development programs, tying up with diversity consultants and conducting gender sensitisation workshops for campus hires and employees, among others.

Reflecting our performance in sustainability practices, we were recently recognised under the 'Strong' category of the ESG Risk management band in CRISIL's Sustainability Yearbook 2022. Similarly, ESG Risk AI has given an overall rating of ESG-RISK BBB, which signifies that the Bank has a good track record of risk management. Also, Refinitiv has given us an ESG score of 67/100 in FY 2022.

## Badhte Kadam

Going forward, our core priority continues to be granularity and retailisation of our portfolio, while maintaining our asset quality standards. To this end, we are innovating and enhancing our products suite, and strengthening our efforts through wider reach and higher quality customer service and engagement.

During my conversations with our customers, employees, investors, partners, and others in this past year,

I was constantly reminded of the potential of an institution like ours and the expectations that follow. We are the 'Apno ka Bank' and these apne of ours want us to succeed. I can confidently say on behalf of my people that this expectation gives us the motivation to march ahead with Badhte Kadam.

To our shareholders and investors once again, I would like to extend a note of deeply felt gratitude – with your continued support and direction, we are building a Bank that will scale heights and offer testimony to the relationships nurtured through these 80 years.

Thanking You,

## PUTTING OUR BEST Foot Forward

In our integrated annual report, we present a comprehensive view of our efforts to create shared value by reporting our financial and non-financial performance during FY 2022-23. The KPIs used for reporting are derived from the GRI framework. We also discuss the results of our stakeholder engagement and materiality assessment whilst linking it to our strategy for the near-term.

Our  
Capitals

## ▶ OUR CAPITALS

### Financial Capital

We have forged a path of sustained growth by focussing on a disciplined and strategic approach in raising, lending, and managing our financial capital.

- Our financial prowess is built upon a foundation of integrity and dedication to rules-driven decision-making.
- These principles form the bedrock of our financial management philosophy, enabling us to navigate the dynamic landscape of the banking industry with confidence.

### Intellectual Capital

We believe that our intellectual capital truly sets us apart, serving as the foundation for our brand strength.

- Our intellectual capital encompasses the invaluable technical know-how and expertise possessed by our talented workforce, the wealth of information/data available to us, and the robust technological resources and infrastructure at our disposal.
- Additionally, our brand value in the market serves as a testament to our exceptional stakeholder value proposition.

### Manufactured Capital

Our manufactured capital provides testimony to our commitment to excellence.

- It encompasses the robust infrastructure we have meticulously built, comprising both tangible and digital assets. It enables us to seamlessly deliver exceptional service to our esteemed customers.
- Not only does it provide a safe and comfortable work environment for our dedicated team, but also serves as a catalyst for serving our customers effectively.
- It is paramount for facilitating meaningful engagement with our stakeholders.

### Human Capital

Our human capital is the cornerstone of all our efforts at value creation. It is the abilities and dedication of our people that directly contribute to the trust our customers place in us.

- We have a firm belief that fostering a culture of trust, respect, transparency, and fairness is not just an aspiration but a fundamental standard.
- We are dedicated to continuously enhance the capability and character of our human capital through consistent efforts in upskilling and cross skilling our workforce.
- Their commitment to consistently exceed expectations is what builds and sustains the strong relationships we have with our valued customers.

### Social and Relationship Capital

Our social and relationship capital is built upon the strong bonds we forge with our stakeholders.

- Beyond our clients, channel partners, regulatory authorities, investors, and the communities we directly engage with, we cherish the relationships we foster with society as a whole.
- We consider these relationships as invaluable towards delivering on collective growth.

### Natural Capital

We are strongly committed to enhancing our natural capital as part of our responsibility towards our stakeholders and the society.

- We strive to minimise our energy and water consumption. We are adopting sustainable practices to conserve natural resources and reduce our carbon footprint.
- We also actively support the green economy through our operations. We place a strong emphasis on green lending, enabling us to channel financial resources towards environmentally friendly initiatives.
- We have also established robust mechanisms to understand E&S risks on behalf of our clients. It is integral to our governance and enterprise risk management framework.

## ONWARDS IN OUR MISSION TO MAKE Positive Impact

For our customers as well as all other stakeholders, we are Apno Ka Bank i.e. a bank they can call their own. This is to emphasise on our culture of extreme ownership where we care for the needs of all our stakeholders as if they were our own. This is the attitude our employees embody at work each day. Our employees are the custodians of our culture.

## Human Capital

Our human capital is key to our success, contributing significantly to the quality of enduring relationships that we continue to build within our ecosystem.

At RBL Bank, therefore, raising the quality of our human capital is a constant and continuous endeavour, guided by policies and supported by various proactive mechanisms and

data-driven systems and technology. Values of fairness, trust, transparency and respect, are the bedrock of our culture.

**Our Human Capital in Numbers**

**Our Workforce During FY 2022-23**

Over the years, as our business has continued to grow, we have continued to expand our workforce. During the

reporting period, we have recruited 6,817 people enabling us to further

strengthen our ability to serve our customers.

**FULL-TIME EMPLOYEES IN OUR WORKFORCE OVER THE YEARS**

**OUR WORKFORCE BY AGE DURING FY 2022-23**

**WORKFORCE DISTRIBUTION ACROSS LEVELS OF THE ORGANISATION'S HIERARCHY**

**TALENT TURNOVER DURING FY 2022-23**

**Geographical Presence of our Teams**

While we continue to expand into newer geographies, a large majority of our workforce - ~70% - continues to be located across the Western and Northern regions of the country.

**GEOGRAPHIC DISTRIBUTION OF OUR WORKFORCE DURING FY 2022-23**

**Approach to Enriching our Human Capital**

Well-being, development and growth of people are the cornerstone of our HR philosophy. Guided by our leading lights - the members of our Board, we truly believe that the strength of our team is the individual and the strength

of an individual is the team.

We are an equal opportunity employer providing people with fair and transparent, performance-driven culture as well as a positive and

encouraging work environment to bring out the best in them. We translate our commitments into actions through various policy frameworks.

**HR policy**

Our core commitment is to invest in our people after making sure we attract the best talents by adopting global best practices in human

resource management. Thus, organisation-wide, we are a team that invests in capability building. We strongly encourage our people to

invest in themselves by facilitating it through various platforms for their learning, development and growth as well as support and feedback.

Our Board led Nomination & Remuneration Committee (NRC) is charged with the development and periodical review of our HR Policy as well as its implementation. The committee ensures that our HR Policies align closely with our HR philosophy. This ensures that its aims and objectives are reflected in our employee Code of Conduct.

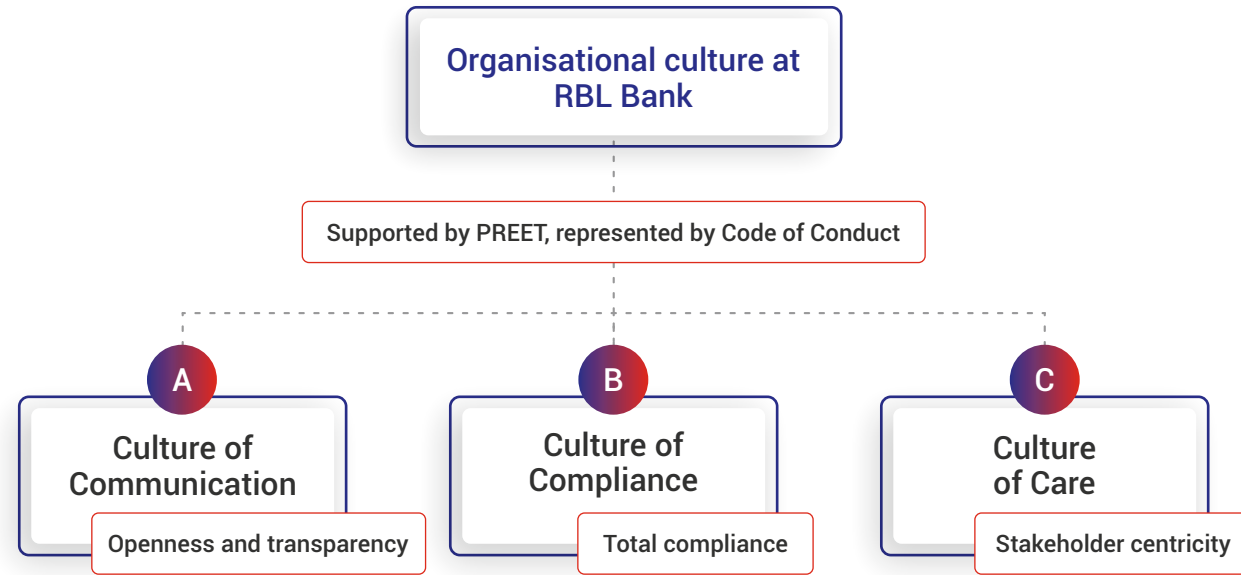

Our HR policies adhere to the laws and regulations set down by all the regulators be it central or state government or SEBI or Companies Act, 2013. It comprises policies with respect to maternity leave, prevention of sexual harassment as well as guidelines specified by the regulatory authorities.

The Policies include SOPs for compensation, leaves, loans and addresses issues like grievance redressal, staff accountability, prevention of sexual harassment (POSH), and our employee suggestion scheme. It also details our approach to talent management and performance management.

**Getting the Culture Right**

For us, our values of PREET (Professionalism, Respect, Excellence, Entrepreneurial and Team work) are our way of life. They guide us in everything we do.

**THE THREE COMPONENTS OF OUR ORGANISATIONAL CULTURE**

■ **Culture of communication**

We believe that communicating clearly and in good faith, as well as on a timely basis, is key to constructive collaboration and feedback, helping us all to stay connected and mutually grow our understanding of each other.

This applies to individuals and teams as well as departments and the organisation as a whole. As a result, we sincerely drive our efforts under employee engagement to ensure that our people can collaborate efficiently

while also facilitating talks and interactions with our senior leadership as well as our MD&CEO on a regular and periodic basis.

■ **Culture of compliance**

Compliance is core to our corporate governance. Guided by clear policies and the oversight of our Board, we have cultivated a culture of 100% compliance to the laws and regulations that apply to our organisation and its operations across

the geographies where we are present. We make sure that this culture of compliance is reinforced from time to time at the individual level through regular trainings and our performance management system.

During FY 2022-23, we celebrated 'Apno ka Compliance' week during February 13-18, 2023. Marking the end of the week, our employees took a collective pledge to act in total adherence to compliance rules and regulations.

■ **Culture of care**

Empathy is a core driver of all our interactions with our stakeholders, internal as well as external. It is the emotion behind being 'Apno Ka Bank'. Caring for others is an important part of the way we operate.

For our organisation, it means we understand the needs and expectations of our stakeholders well. For our people, it means we live by our values and abide our code of ethical business conduct in our interactions

with colleagues, customers, value chain partners, regulatory authorities, and communities.

Care for our people includes enabling them to enjoy career growth and development at the Bank supported by continuous learning opportunities and quality benefits, good health and well-being, and robust recognition framework.

**Adding Values With Benefits**

As part of Company policy, all our full-time employees are covered under health benefits that enable them to access health insurance and health check-ups for themselves and their families.

**ALL FULL-TIME EMPLOYEES ARE COVERED UNDER THE BELOW POLICIES**

**Nurturing High-Impact Careers**

We are an 11,000+ strong team of people striving to deliver excellence and create value in the lives of our key stakeholders.

We have emerged as a preferred employer in the industry with the help of our growth-oriented talent and performance management system

that puts our employee at the centre. Our approach to performance management goes beyond mere outcomes. It encompasses creating

adequate opportunities for learning and development as well as rewards and recognition.

**Putting people in charge of their careers**

This is effectively the goal of our performance management process. We want individuals to demonstrate extreme ownership of their performance as well as their outcomes at work. We

empower our people to devise their own goals based on their strengths, and drive outcomes as planned, while using their managers and seniors for support and enablement.

Our appraisal process is 100% digital and run on a dedicated portal called Empower. The portal is designed for ease of use and transparency.

**THE PROCESS COMPRISES THE FOLLOWING STEPS**

**Goal-setting:** The process begins with a goal-setting exercise at the start of each assessment year, which coincides with the beginning of the financial year. We ensure that our goals are aligned with our mission pillars of customers, employees,

communities and shareholders. In keeping with our culture of compliance, the goal sheet gives due weightage to compliance as well as any penal action undertaken by the Management Disciplinary Action

(MDAC) Committee. These goals help individuals frame their key objectives regarding compliance, corresponding to metrics regarding risk management. Our Goals are evaluated biannually.

During FY 2022-23, we introduced Kudos Badge, available on our employee portal.

It is a medium for employees to formally voice their appreciation for fellow colleagues. The badges range across departments and services,

covering a variety of occasions. The initiative is designed to foster a culture of teamwork built on mutual appreciation.

**Feedback:** We continuously document our progress in our goal-setting sheet while line managers (L1) follow a process of continuously providing

feedback. Managers are provided with set guidelines to help assess the performance of their team members. This process runs year-round,

enabling our people to continually track and monitor their performance.

**The final evaluation:** The final year-end performance review is an annual event held at the end of the fiscal year based on the goals set (available to new

joiners who have joined the bank before December 31, 2022). Employees' performance is evaluated on a 6-point

performance rating scale, scores from which help determine a rating and rewards.

■ **Learning, the key driver of growth**

We are working to enable each of our employees to develop a growth mindset, where we learn continuously about the business as well as our clients' needs in order to consistently exceed their expectations.

has access to at least one skill development training each year. Our Learning and Organisation Development (L&OD) activities are driven by the L&OD team, targeting all the levels of our workforce.

specific training needs of our colleagues and design tailored programmes across areas of functional expertise and soft skills. Our commitment to skill development is unwavering.

This is the overarching vision behind our Mission. Launched in 2022, we are working to ensure that each one of us

We do this by undertaking a comprehensive Training Need Analysis (TNA) process. It helps to identify

During FY 2022-23, we organised the following programmes to help our people grow in their area of expertise:

■ **LeaderWise programme**

The LeaderWise program is oriented towards helping our people achieve a mindset shift through structured frameworks and approach. It is aimed at career advancement by helping them to become a 'thinking leader'.

■ **Training programme centred on customer-centricity**

Our specialised training program aimed at enhancing customer centricity is launched in collaboration with our L&OD team. It includes the launch of an EQ development journey for our customer facing call centre agents, organised under the training program - Uplifting Service.

■ **Leadership workshop for senior managers**

In November, 2022, we organised our senior leadership workshop on 'RBL Bank Brand 2.0', with sessions conducted by industry stalwarts. The full-day workshop was attended by 45 senior executives of the Bank.

■ **Empowering young trainees**

During the reporting period, we organised an exclusive three-day intervention for new Campus Trainees in Corporate and Institutional Banking (C&IB) and Commercial Banking (CB) teams, in Mumbai.

The aforementioned programmes were carried out in addition to the trainings carried out for our workforce across various levels, which includes our Key Management Personnel and even Members of the Board. The mode of delivery for these trainings is online or offline depending on the availability of participants. The formats include in-person or classroom learning-based workshops or a combination of both.

**Recognition for extraordinary efforts**

We take pride in the achievements of our people. We believe in celebrating outstanding performance and going above and beyond expectations. We have instituted several platforms to recognise the contribution of our people in the growth of the organisation and their positive influence on our culture as a whole.

During FY 2022-23, we conducted the 6th edition of our flagship awards platform - the CEO's Supreme League – Incredibles on August 06, 2022, in Mumbai. At the glittering event, we honoured outstanding performers whose extraordinary efforts made a positive impact on the organisation. The nominees are awarded under categories like: PREET Achievers: (i) Young Achievers (ii) Achievers Individual and Achievers Team Award.

Also announced was the RBL Bank's Referral Reach Programme to reward employees who shone as brand ambassadors for the Bank.

Through this programme, our people can register their leads on the Empower platform to win exciting prizes.

**Enhancing Employee Experience**

We continue to reimagine our employee value proposition from the perspective of building a futuristic organisation. We engage with our employees beyond the areas of work and role-based interactions. We celebrate the talents they bring to the organisation and celebrate not just them but also their families.

**Building a strong connect**

■ **RBL News**

Inspired by our culture of communication, we have continued to build our efforts to create a workplace where we all are oriented towards the same larger goals. We are ensuring that our people feel connected to the organisational purpose as well as strategic outcomes as they go about fulfilling their day-to-day responsibilities.

The newsletter provides information about the Bank's activities and initiatives regarding business, leadership, strategy, CSR, and employee-focussed activities in a comprehensive and cohesive manner. It has seen great success with high email open rates and has emerged as a key platform for our people to follow all of the Bank's achievements for the month and stay connected.

To do this more effectively, we launched our official monthly newsletter, RBL News, in FY 2022-23. Designed to strongly enhance our relationship with and among our people through a continuous flow of information, it has evolved into a platform for attracting ideas, inviting dialogue, recognising the strengths of our people.

One of the most appreciated features of the newsletter is the section dedicated to recognising the extraordinary achievement of the family members of our employees. We take pride in celebrating our people's wins across all walks of life.

■ **Ideas**

FY 2022-23 also saw the launch of our Ideas Initiative, which demonstrates RBL Bank as a listening organisation. It is a formal platform created to enable

our people to share their ideas for business process improvements and have them acknowledged. The platform is designed to recognise

good ideas and reward those that get implemented.

**Experiencing the best of life and work**

During FY23, which was the first year after COVID-19, we have continued to build on our employee engagement initiatives with renewed vigour.

■ **Townhalls**

We regularly host townhalls with our senior management in order to facilitate a free flow of ideas and information exchange as well as discussions on key strategic decisions

taken at the Bank. During FY23, we held over multiple such events, including those with our MD&CEO visiting several branch offices across cities of Mumbai, Delhi, Chennai, and

Gurugram among others, where he personally interacted with more than 2,500 people.

**InSync**

During the year, we launched InSync. Its is a platform for dialogue, exchange of ideas between a small group of employees and our MD & CEO. It started with an objective to get everyone aligned (InSync) towards a common purpose and goal. Each session is curated on a special theme and has a specific set of audience. During the year we have covered different themes/cohorts including long serving Senior Vice-Presidents, Young Achievers, People Managers with zero attrition and people from control functions.

**Get.Set.Go with RBL Bank**

During the reporting year, we also launched our all-new onboarding portal for new joinees. Our recently joined colleagues can now seamlessly complete the various processes required for being able to begin contributing to work while also using it as a single source for all the information new joinees would need.

■ **Sports, arts and festivals**

Team bonding is a key driver of our efficiency and our success. We organise recreational events to help

our people connect with one another beyond the scope of their professional roles through sports days, musical

evenings and other live performances, celebration of festivals and more.

■ **Virtual book club**

Collective learning is key to collective growth. Based on this premise, we run our book club 'BOOKed', featuring virtual sessions on select books.

Our people volunteer to present their perspective on books they have sourced through subscription to Apna Library - an internal book

borrowing service available to all employees. The BOOKed sessions are open to all.

**Driving Gender Diversity**

We are prioritising a culture that supports, values and encourages a diverse and inclusive workforce. We

are opposed to any form of discrimination based on gender or abilities or backgrounds. In the coming

years, we will focus on efforts to enhance workplace diversity.

**For a more equitable society**

On March 08, 2023, which is the International Women’s Day, we launched our Women Leadership Development Program aimed at developing a diverse

leadership pipeline and equal representation. It is aimed at Senior and Middle Management Women Employees of the Bank, which shall benefit 83

women employees from across various teams. Further, we also celebrated Women’s Day by assigning Superwoman badges to our women colleagues.

**HR Best Practices**

Backed by our culture of Communication, Compliance, and Care and through our progressive HR policy, we are adopting best practices in Human resource management in order to effectively scale our teams’ strengths

as well as capabilities. It is a key step towards futureproofing our workforce and as a result, our organisation.

At RBL Bank, our employee Code of Conduct provides a fair representation

of our culture, by laying down a baseline of expectations for all our employees (FTEs and contractual) to fulfil. It plays an important role in helping our people find common ground.

**The RBL Bank code of conduct**

The RBL Bank Code of Conduct covering all our employees, FTEs and contractual, plays a critical role in ensuring we all act in a manner that is dignified, respectful and aligned with the core values of the organisation.

Governed by our HR Policy, the Code clearly states zero tolerance for lack of ethical behaviour and misconduct, including bribery and corruption as well as failure to uphold the human rights of others. It has defined

procedures for reporting and documenting cases of potential misconduct as well as disciplinary actions to be taken in case of violation of code.

**PEOPLE TRAINED UNDER ISSUES RELATED TO HUMAN RIGHTS**

	FY 2022-23	FY 2021-22
<b>Prevention of Sexual Harassment (POSH) (e-Learning)</b>	5,253	4,940
<b>Gender Sensitisation &amp; POSH Workshop (Instructor-led training)</b>	1,835	1,327

Our Code of Conduct sets the tone for how our people interact with one another as well as with our clients and other stakeholder groups. It provides a framework for decision-making at an

individual level and facilitates consistency in good conduct.

Rooted in professional and ethical conduct guided by PREET values, our

Code is key to fostering an environment of mutual trust and respect for the human rights of all.

**Our commitment to ethical business conduct**

Our culture of compliance extends itself beyond the rules and regulations specified by the regulatory authorities as well as legal frameworks that apply to our operations. Compliance, for us,

is an outcome of conducting our business in an ethical and professional manner with integrity.

We prioritise accuracy, openness,

transparency in our stewardship of issues related to our business. We maintain allegiance to fairness, trust and transparency from policymaking to our business activities.

**Human rights**

Our principle of care encompasses respect for human rights of all our people and all our stakeholders. We firmly believe that every

individual deserves to be treated with dignity, respect and fairness. As an organisation, we prioritise creating an inclusive and supportive

environment where human rights are protected and upheld.

**PEOPLE WHO HAVE RECEIVED CODE OF CONDUCT TRAININGS DURING FY 2022-23**

**Health and safety**

We prioritise the health and wellness of our people by ensuring their physical safety and security. We have invested in state-of-the-art infrastructure and implemented

stringent safety protocols under which we conduct safety drills at our locations in a periodic manner. We also conduct trainings with respect to first-aid, fire safety and personal

safety. We educate our employees about the safety infrastructure, equipment and protocols to be followed in case of emergencies.

## India's Banking Sector Stands Apart

Indian Banking and Financial Services Industry (BFSI) is under the spotlight globally for its resilience amidst the ongoing banking crises across advanced economies. The Indian banking industry is well-capitalised and sufficiently well-regulated.

# Operating Environment

**Indian BFSI in the Global Context**

**A powerful digital stack**

India has seen its financial system take major leaps of evolution backed by policy support and technological advancement as well as adoption. For example, India's digital payments

system is seen as the most evolved among some 25 different countries which include UK, China, and Japan, with our Immediate Payment Service (IMPS) being the only system at level 5

in the Faster Payments Innovation Index or FPII. Our Unified Payments Interface (UPI) has further revolutionised real-time payments towards making Digital India possible.

**Increasing asset value**

The Indian banking sector has continued to see its assets improve in size and quality through the past five years. During the period between FY 2015-16 and FY 2021-22, deposits witnessed a

CAGR of 10.92% to touch US\$ 2.12 trillion. During the same period, bank credit has witnessed 0.62% CAGR while the total credit extended grew to US\$ 1,532.31 billion as of FY 2021-22.

As a result of consistent growth, the total assets across the banking sector (including public and private sector banks) increased to US\$ 2.67 trillion in 2022 (Calendar Year).

**Futuristic policy focus**

The Indian banking sector continues to enjoy strong support from the government, especially with respect to digital enablement. For instance, in December 2022, the Reserve Bank of India launched its pilot on India's Central Bank Digital Currency (CBDC)

in the retail segment, which has components of blockchain technology. In Union Budget 2023-24, the RBI has launched a pilot to digitalise Kisan Credit Card (KCC) lending in a bid for efficiency, higher cost savings, and reduction of TAT. This is expected to

transform the flow of credit in the rural economy. Further, 75 Digital Banking Units have been planned for 75 districts of the country to mark 75 years of the country's Independence.

**Enabling a financially inclusive society**

India continues to focus on bringing the Banking ecosystem closer to the unbanked and underbanked segments of the society. Under the Union Budget 2023-24, the government has

proposed to bring all the 150,000 post offices under the digital banking core business to enable financial inclusion through the use of digital technologies. The sector continues to enthusiastically

support the Pradhan Mantri Jan Dhan Yojana as well as widespread financial literacy and awareness initiatives.

**FY 2022-23 ends on a high for the banking sector**

The Economic Survey 2022-23 forecasts the financial system being led to help usher a virtuous investment cycle backed by healthy balance sheet of banks, stronger capital base of NBFCs and robust growth in Assets under Management (AUM) of domestic mutual funds. The reporting year saw banks' balance sheets getting not just healthier but also growing in size.

India's banking sector made remarkable progress in FY23 as both incremental deposit and loan growth reached unprecedented levels of ₹15.78 lakh crore and ₹17.83 lakh crore, respectively. The incremental credit-deposit ratio for the banking industry hit a 15-year high of 113% - signalling a strong credit demand which is likely to support Net Interest

Margins. During the year, the sector reported deposits of ₹180.44 lakh crore and loans of ₹136.75 lakh crore, leading to a credit-deposit ratio of 75.8%. This ratio is the highest in the past three years, up from 72.2% the previous year.

**Rise in policy rates**

Higher inflation rates throughout 2022 (CY) led advanced and emerging economies to tighten their monetary policy. The RBI initiated a similar cycle in April, 2022. It raised policy rates by a cumulative 225 basis points till

December 2022, helping to keep inflation within target range. According to the Economic Survey, the change in RBI's policy stance also led to a moderation of surplus liquidity conditions that prevailed during the

pandemic years - daily net liquidity absorption averaged ₹2.5 lakh crore during FY23 (up to December 21, 2022) as compared with ₹6.7 lakh crore in FY22.

**Significant decrease in NPAs**

Indian banking industry has continued to improve the quality of its assets, with Gross Non-Performing Assets (NPA) as a share of total advances

having decreased to 5.8% in the quarter ending December 2022 from 15.5% in 2018-19 – a seven-year low. This has allowed the Provisioning

Coverage Ratio (PCR) to rise steadily since March 2021, touching 71.6% in September 2022.

**NBFCs posting a strong recovery**

There has been a consistent rise in NBFCs' credit as a proportion to GDP as well as in relation to credit extended by SCBs. They have seen continuous improvement in asset quality with declining GNPA ratio from the peak of

7.2% during the second wave of the pandemic (June, 2021) to 5.9% in September 2022, reaching close to the pre-pandemic level. Credit extended by NBFCs is growing steadily, with the aggregate outstanding amount at

₹31.5 lakh crore as of September 2022. During the reporting year, NBFCs continued to deploy the largest quantum of credit from their balance sheets to the industrial sector, followed by retail, services and agriculture.

**PSB turnaround**

India's banking industry is helped by a turnaround of the Public Sector Banks, whose cumulative profit crossed the ₹1 lakh crore-mark in FY 2022-23. From posting a total net loss of ₹85,390 crore in FY 2017-18, the

Public Sector Banks (PSBs) have come a long way on account of the government's comprehensive 4R strategy: Recognising NPAs transparently, Resolution and recovery, Recapitalising PSBs and

Reforms in the financial ecosystem. A strong public sector has an overall positive impact on the market.

## Mega Trends

## Striving to Strike

### THE RIGHT BALANCE

The global banking industry was beset with a host of challenges during the Calendar Year of 2022 including market volatility and inflation, underpinned by international conflict and geopolitical uncertainty. However, banking sector profitability reached a 14-year high, with expected return on equity of between 11.5% and 12.5%.

**A Brief Overview**

A McKinsey report indicates that return on equity for the global banking sector remains weak, far below the levels witnessed before the 2008 financial crisis - just 35% of banks globally delivered returns above the cost of equity. Furthermore, the banking sector remains undervalued

compared to its counterparts in other industries, largely on account of meager profitability and lack of future growth prospects. Traditional banking establishments today account for only half of the global market capitalisation of US \$14.5 trillion recorded in May 2022. The other half is represented by

specialists and fintech companies, growing from 30% market share just five years ago.

These conditions are likely to impact the direction and strategic decision-making at the Banks as they chart their future course.

**Key Trends for the Near Term**

**The end of 'emerging markets'**

With regard to the banking sector, the term 'emerging markets' as a monolith no longer applies. While banks in Europe and China have seen marked downturns - the Silicon Valley Bank in the US and Credit Suisse in Europe

being just some of the examples - some regional banks in the US, the largest banks in Canada, and those in India, Indonesia, Mexico are experiencing rapid growth and profitability. This points to strong

divergence between bank performances, which is expected to widen as the economy slows down further during 2023 and 2024.

**Sustainable finance**

Banks are increasingly embracing industry-shaping growth trends such as ESG investing and sustainable finance. Issuance of sustainable bonds now accounts for about 11 percent of the total bond market volume, while sustainability-related syndicated loans are about 13% of the global syndicated loans market volume.

sustainable syndicated loans, including sustainability-linked loans, in 2018. Banks are looking at an annual direct financing opportunity of about \$820 billion with industries expected to spend heavily on the physical assets required to meet net zero emissions goals. Sustainable financing options include green investments, green bonds, sustainability bonds, transition bonds, social bonds, clean energy project finance and more.

North American issuers have outpaced Europe, which has historically led the issuance of sustainable debt instruments-issuing more than 80% of

**Banks in Emerging Asia, China, Latin America, and the United States are expected to drive about 80% of the estimated \$1.3 trillion in global banking revenue growth between 2021 and 2025.**

**Innovation driving outcomes**

Banks are relying heavily on technology for strengthening three key pillars of the trade: customer service, product excellence and performance and cybersecurity. Among these, fintechs will play an enabling role

towards rapid innovation and adoption of technology by helping to prototype the right instruments with faster time to market. Banks are also exploring newer alternate reality avenues to engage with their customers, for

example building their presence in the Metaverse, aiming to leverage the next wave of AR/VR technologies to provide a wholesome virtual customer experience.

**Fall in financial frauds**

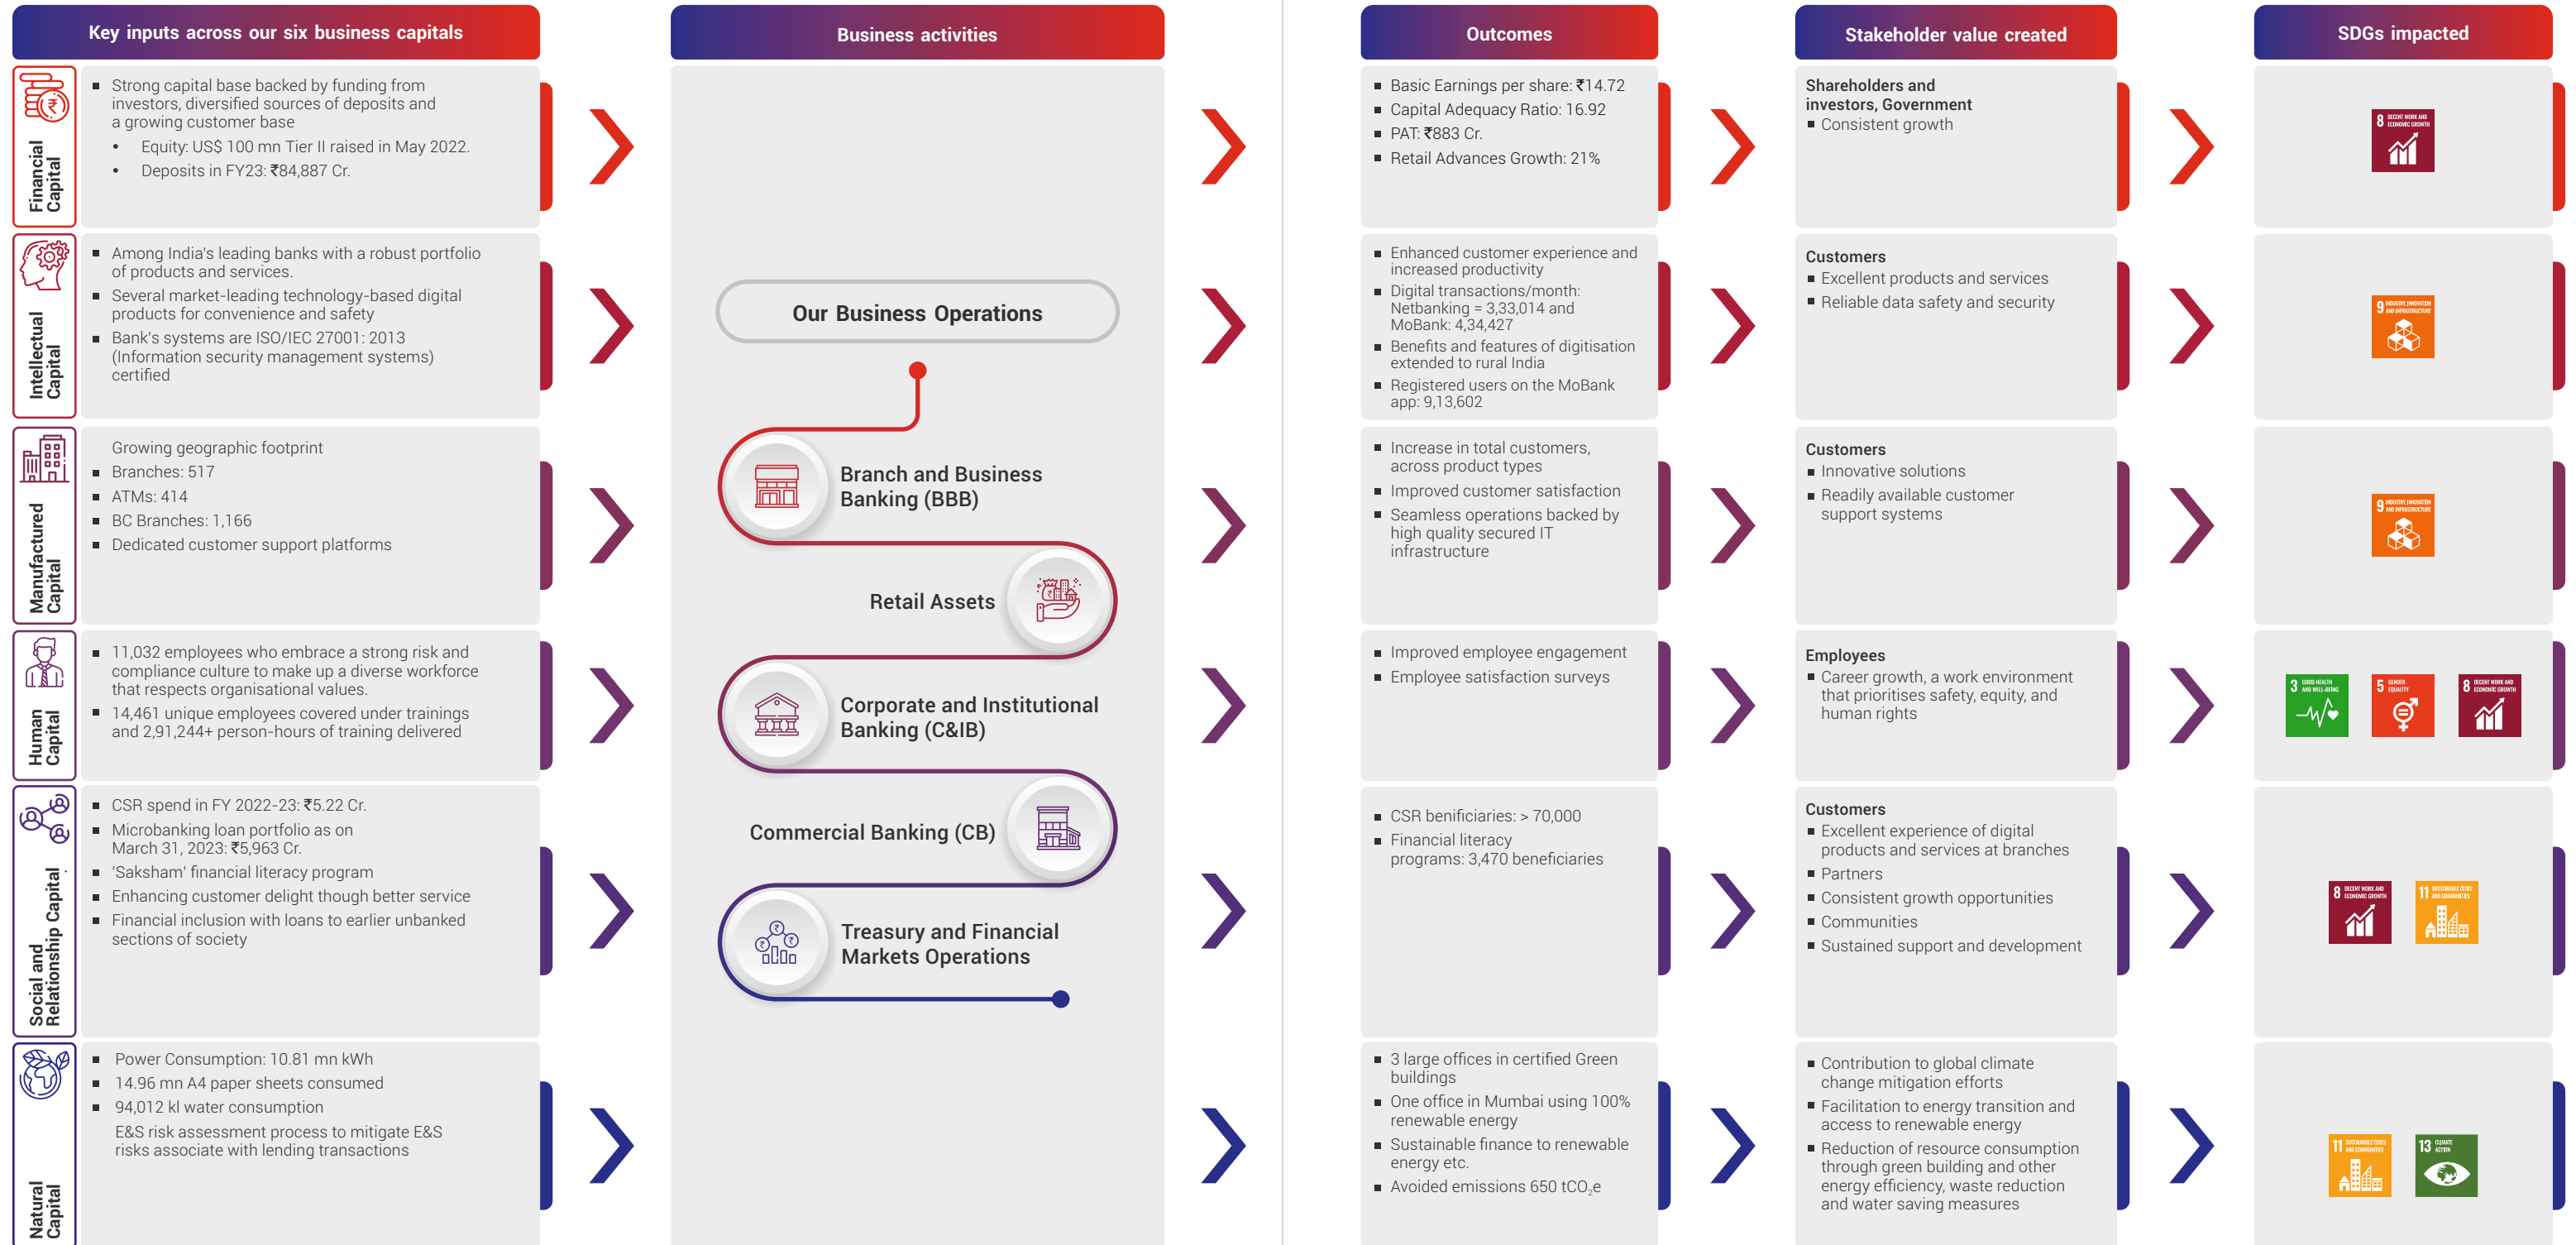

With the proliferation of digital payments and banking, banks and neobanks are approaching cybersecurity and anti-fraud tactics with a zero trust, always verify approach. This has contributed towards ensuring that while 46% of

organisations have experienced some form of economic fraud over the past 24 months, the overall rate of such crime rates has remained stable since 2018. In India, according to a report released by the RBI, the quantum of

financial frauds fell 46% (YoY) ₹19,485 crore during the first half of FY 2022-23, even as the number of such frauds rose to 5,406 from 4,069 in the corresponding period a year ago.

# TOWARDS MAKING STEADY PROGRESS

## SUSTAINING THE Momentum for Growth

FY 2022-23 marks a significant milestone in our journey of growth as an organisation. It is the year when we clocked our highest ever quarterly (Q4) and annual profit in the history of the Bank. We have seen our teams demonstrate extraordinary performance and potential for growth, enabled by teamwork and co-operation which remain our core enabler.

# Growth Drivers

**Factors Driving our Growth**

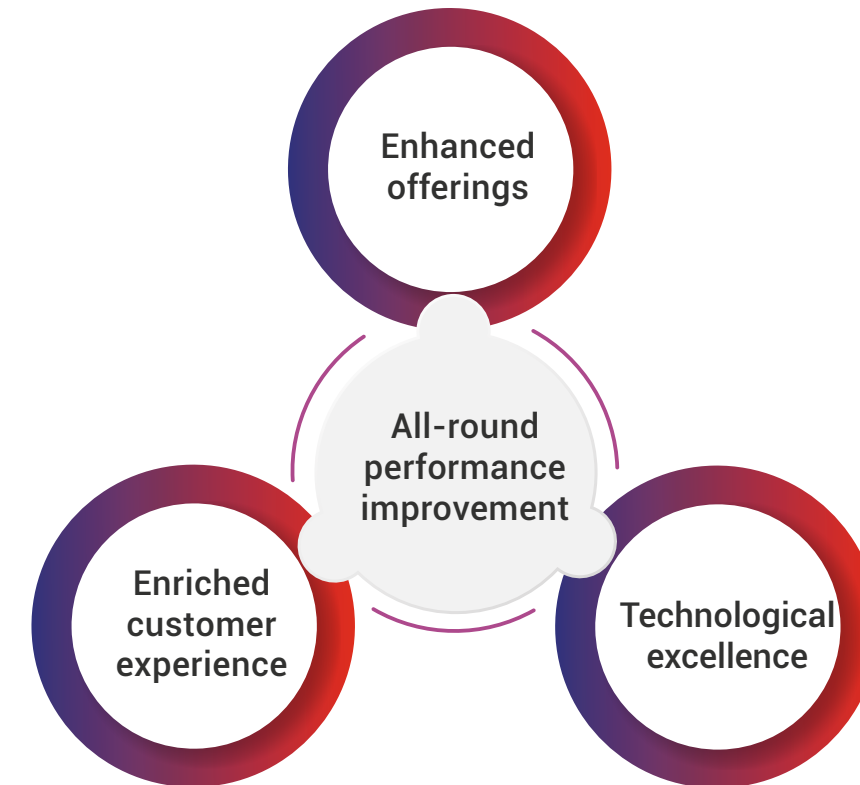

As a services business, we value the opportunity to cater to varying customer needs across an ever-expanding spectrum of categories. This is central to our customer value proposition. As a result, we continue to look for ways to enhance the relevance of our products and services in the lives of our customers. It helps us drive results that then help us support our people as well as our communities, thus helping us deliver on our vision for shared value creation.

This understanding forms the basis for our Vision 2026, a strategy that defines clearly the near-term and long-term goals we should be tracking. Based on this strategy, we have identified the following core value drivers that will enable us to deliver.

**Focus on All-Round Performance**

During the reporting year, we have significantly improved the quality and the size of our balance sheet through a number of decisive actions and initiatives designed to work in tandem.

**Enhanced offerings**

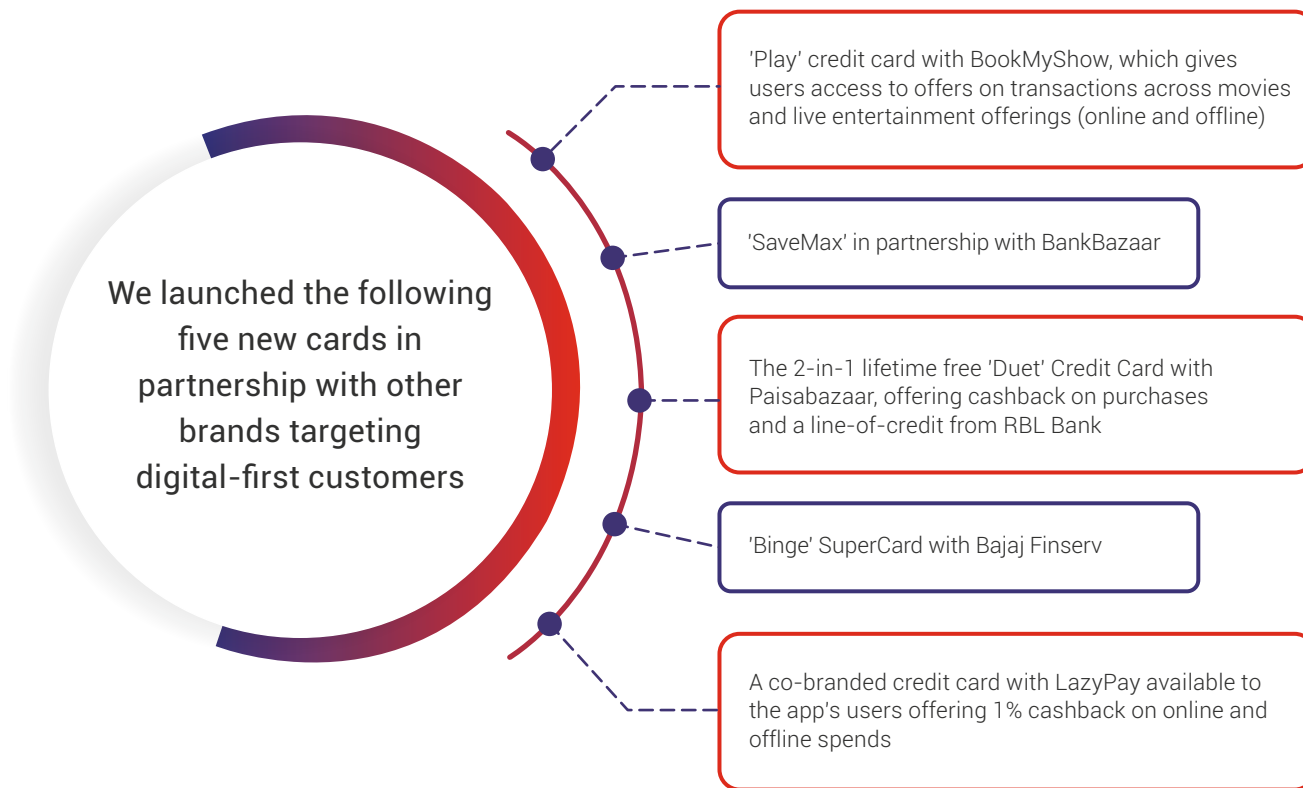

▶ In our digital and payments business, we introduced zero mark-up fee on forex transactions with our Enterprise, Signature+, and Insignia debit cards. We also tied up with Amazon Pay to facilitate and contribute to retail instant payments through the use of UPI.

▶ Our Transaction Banking business recorded an industry-first by getting fully integrated with SNA Model II of the Public Financial Management System (PFMS). We designed a system in collaboration with the Government Banking Unit, which allows us to enable efficient flow of funds under the various Centrally Sponsored Government Schemes. We also conducted multiple workshops to train 1000+ users of the Department.

Our first mandate under the solution comprises 500+ accounts under the SNA pool and 1,000+ department users. This is an important step for us to grow our liability franchise for the Bank as more and more of welfare schemes are represented on the PFMS platform.

▶ We re-launched our RBL Diplomat App and RBL BizBank App, with revised interfaces as well as improved features and services.

▶ We launched our Digital Fixed Deposit FD at interest rate of up to 7.8% (15 months – 275 days tenure), for NTB (new-to-bank) customers. An innovative offering, it offers additional benefits to our customers which include an embedded insurance cover, seamless savings account opening process, ability to track and manage FD digitally, etc.

▶ We relaunched our Loan Against Gold Ornaments (LAGO), making it available in 70+ branches by the end of FY 2022-23. It helps to penetrate deeper into the retail space within the secured loan segment.

▶ We entered into an agreement with the Export-Import Bank of India (India Exim Bank) under the Trade Assistance Programme (TAP) to support cross-border trade transactions. It will enable us to serve customers in countries where trade lines are constrained while also helping Exim Bank in its initiative to support India's exports growth.

▶ We launched the RBL Bank - RuPay National Common Mobility Card to facilitate access at all NCMC approved Metro & other transit points in India. It opens up a unique way for cashless commute and purchases for Indian citizens as they can travel, shop, and dine, all with one common card.

Hon. Prime Minister Shri. Narendra Modi inaugurated the RBL Bank RuPay National Common Mobility Card (NCMC) on March 25, 2023, making him the first user of the card under the 'One Nation, One Card' initiative.

▶ We began offering short tenure foreign currency deposits through our IFSC Banking Unit (IBU) in GIFT City, Gujarat.

**Technological excellence**

▶ We are first bank in India to upgrade to Finacle CBS (v10.2.25). It provides us with the ability to swiftly scale our new-age banking services and provide best-in-class digital banking experience while reducing our operational costs.

▶ We launched a new Loan Origination System (LOS) for our Retail Assets business. It will digitally enable users of our products such as Home Loan and Loan Against Property (LAP) and more.

▶ We automated our system of filing periodic returns to RBI. Requiring minimal manual intervention, it will enhance our efficiency and make compliance more convenient.

▶ We implemented our Asset Liability Management (ALM) Solution as a user-friendly reporting framework that allows business users to create their own reports and customise existing reports directly using SAS Visual Analytics. It improves our accuracy and quality of regulatory reporting as well as our productivity.

▶ We migrated our WhatsApp Banking platform operational since three years now, to a new partner with zero downtime. We continue to handle more than 25 million alerts and 2 million queries per month. The new platform enables us to develop new use cases in-house, helping to save ~ ₹20 lakh every year.

▶ We implemented non-API based Account Opening Functionality to enable a singular workflow for all our liability account opening processes. We have transferred our specific non-API based product journeys to NewGen/iBPS, which are manually enabled options for account opening. It ensures availability of an alternative manual channel for retaining the user and keeping the turnaround time to minimum.

▶ We went live with our in-house Document Management System – one-stop solution for storing and maintaining various supporting documents of our customers, including KYC, application forms, intermediate application processing approvals, etc. Close to 7 crore documents have already been migrated from the existing pool of documents from the older system.

▶ We went live with Phase 2 of Supply Chain Finance (SCF) customer portal post successful completion of phase 1 for our branch offices. Phase 2 targets customer net banking portal (front-end for supplier chain finance) providing a centralised application for initiating invoices, uploading bulk invoices, booking loans quickly, and viewing MIS reports easily.

▶ Built our Abacus 2.0 Common Data Platform (CDP) to drive customer centricity.

▶ Launched Retail Asset Data Capture (RADC) App for easy home loan application process. Our RADC App provides a dynamic form upload/download functionality, making operations efficient for our sales teams and applicants alike. The app is currently being used by the product team for Home Loan, LAP, and Small Micro LAP.

▶ Our retail lending business has switched to digital vendor empanelment

▶ We have has set a new benchmark in the number of live applications on 'Low Code No Code' platforms and Robotic Process Automation (RPA).

### Enriched customer experience

During the year, we have continued to look for specific ways in which to better serve our customers and strengthen our relationships, both physically and digitally.

We have succeeded in making our employees renew their commitment to customer excellence through a number of internal campaigns such as #FarzBantaHai. The campaign emphasises on communicating

accurate and adequate information to our clients in an objective and impartial manner. It also encourages our people to go the extra mile in serving our customers with a deep sense of empathy and duty.

#### Using technology to improve customer experience

- During the year, we built our Common Data Platform to drive customer-centricity across the businesses. It is a master database enhancing our ability to drive Straight-through Processing (STP) customer onboarding flows across all our products
- We extended our Account Opening Module to personal devices of branch employees and TAB-based account opening to Bring Your Own Device (BYOD), which increases customer convenience. It facilitates real-time, on-the-go account opening at the customer's doorstep.

### Customer engagement initiatives

▶ We have hosted numerous events, activities, celebrations at our branches all year round, to help, support, and educate our customers as well as to celebrate and felicitate them and their families. It has infused renewed energy into our relationships and brought our relationship managers closer to their clients.

▶ Events hosted include celebrations like Doctor's Day, Senior Citizens' Day, musical performances and sports days, networking dinners for select clients, launch of new branches and products, health checkup camps, religious festivals and more. We also organised a business conclave in Kolkata, participated in the Uttar Pradesh Finance and Accounting Services Officers Association conference, and more.

During the year, we also launched our specialised training program on Customer Centricity. Our Client Services team collaborated with our L&OD team to launch this EQ development journey for customer facing call centre agents, under the training program Uplifting Service.

- During Phase II in August 2022, Train the Trainer sessions were conducted for 20 trainers. These trainers are part of the second phase of the programme, which involves training the contact centre advisors.

**Commitment to ESG Principles**

We have continued to increase our focus on sustainability during the year as a core commitment under our business strategy and our Vision 2026. It is important to us as an organisation to be able to grow responsibly and

sustainably, keeping with our ethos and the spirit of PREET values.

We also believe that our ESG focus presents us with opportunities to scale our businesses through partnerships

with increasingly widening pool of like-minded and sustainability focussed customers as well as government agencies, especially through priority sector lending, microfinance and green lending.

*Read more on page 140 of the ESG Report*

**Data Governance**

We continue to take long strides in enhancing our information security, data privacy and cyber security to ensure safety of our digital operations and robust risk management from the perspective of protection of our digital

assets as well as our data.

We have developed a Privacy Policy under which a variety of steps have been taken to protect security and confidentiality of customer information.

Only authorised employees are able to access customer information. Employees violating this policy shall be subject to disciplinary process as per the bylaws of the Bank.

**Data Privacy:** As a part of our ongoing efforts to ensure the compliance to modern banking approach, customer trust/satisfaction, security-oriented service and banking services,

we have adopted Privacy Commitment aimed at protecting the personal/ Company I information entrusted and disclosed by the customer. This document governs the way in which we collect, use,

disclose, store, secure and dispose personal/company information (which shall mean and include personal information as well as sensitive personal data).

We also have a Board-approved Information Security Policy. We follow International security standards and guidelines released by Centre for Internet Security (CIS) and National Institute of Standard and technology (NIST) for system hardening. Our information security applications conform to Reserve Bank of India's

guidelines on information security, electronic banking, technology risk management and cyber frauds circular DBS.CO.ITC.BC.No. 6/31.02.008/2010-11 dated April 29, 2011, as modified till date.

Our operations are ISO/IEC 27001: 2013 (Information security

management systems) certified. We have developed vulnerability management programs which are not limited to requirements from The Open Web Application Security Project (OWASP) top 10 for web and mobile applications.

▶ We continue to invest in information security and data theft prevention, with the right mix of technology, people and processes to thwart cybersecurity threats. Our systems are ISO/IEC 27001: 2013 (Information security management systems) certified.

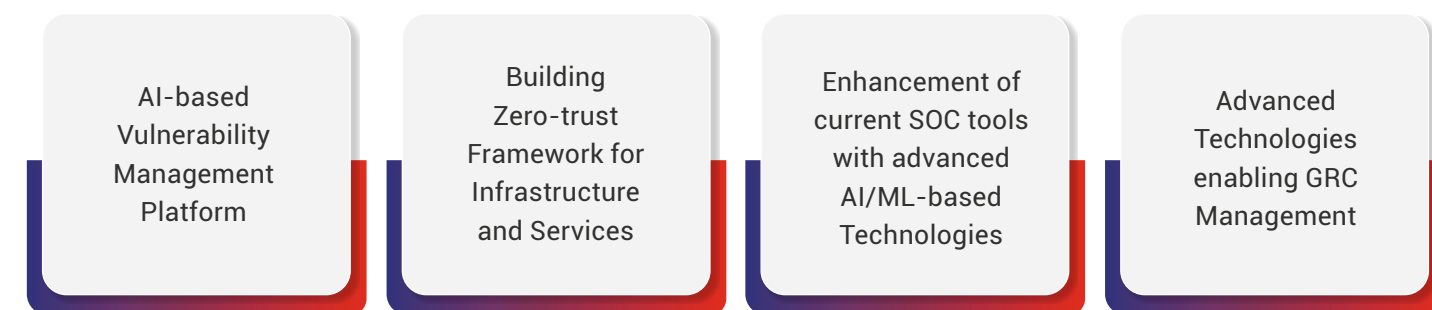

▶ We collaborate with a range of government, and industry bodies to strengthen system-level resilience and reduce the impact of frauds and scams. We also run continual customer awareness programmes to educate customers on the potential modus operandi of cyberattacks.

We have implemented cyber resilience programme and are focussed on improving cyber security control maturity across our infrastructure,

technology and processes. We are in the process of automating information security processes and implementation of updated security solutions with

emerging technologies such as Artificial Intelligence (AI), Machine Learning (ML) and Security Orchestration.

**WE ARE PROPOSING TO ADOPT AND RE-ENGINEER/OPTIMISE THE FOLLOWING TOOLS AND PROCESSES**

**A Highly Skilled Workforce**

We have created a culture in which our people can advance in their professional journeys and thrive with

a strong sense of purpose and work/life balance. Our commitment to promote, support, and encourage the

all-round development of our people is detailed in 'Our People' section of this report.

## Moving Ahead

### WITH THE TRUST OF OUR STAKEHOLDERS

As an organisation, we care deeply about our relationships with our stakeholders. It is our duty and our responsibility to contribute to the growth and development of the society through our capabilities and our expertise. We understand that we can do our best in this regard only if we connect with our stakeholders and facilitate them to share with us their thoughts, priorities, and concerns with respect to our business.

## Stakeholder Engagement

We rely on an elaborate and well-established process for identifying and engaging with our key stakeholders. We follow diverse means of engagement across different platforms, which help us to enhance our understanding of our stakeholders' views and concerns. These are then factored as inputs for developing and finetuning our business strategies.

Any critical concerns spotted during this process are communicated to the respective business or function heads in a timely manner for further deliberation, analysis, and action. Therefore, our stakeholder engagement process is proactive, responsive, and continues throughout the year. Organisationally, while certain

specific platforms are created for engaging with the respective stakeholders, we train our people to go above and beyond the scope of their immediate duties and responsibilities to gain a comprehensive understanding of the issues highlighted by any of our key stakeholders.

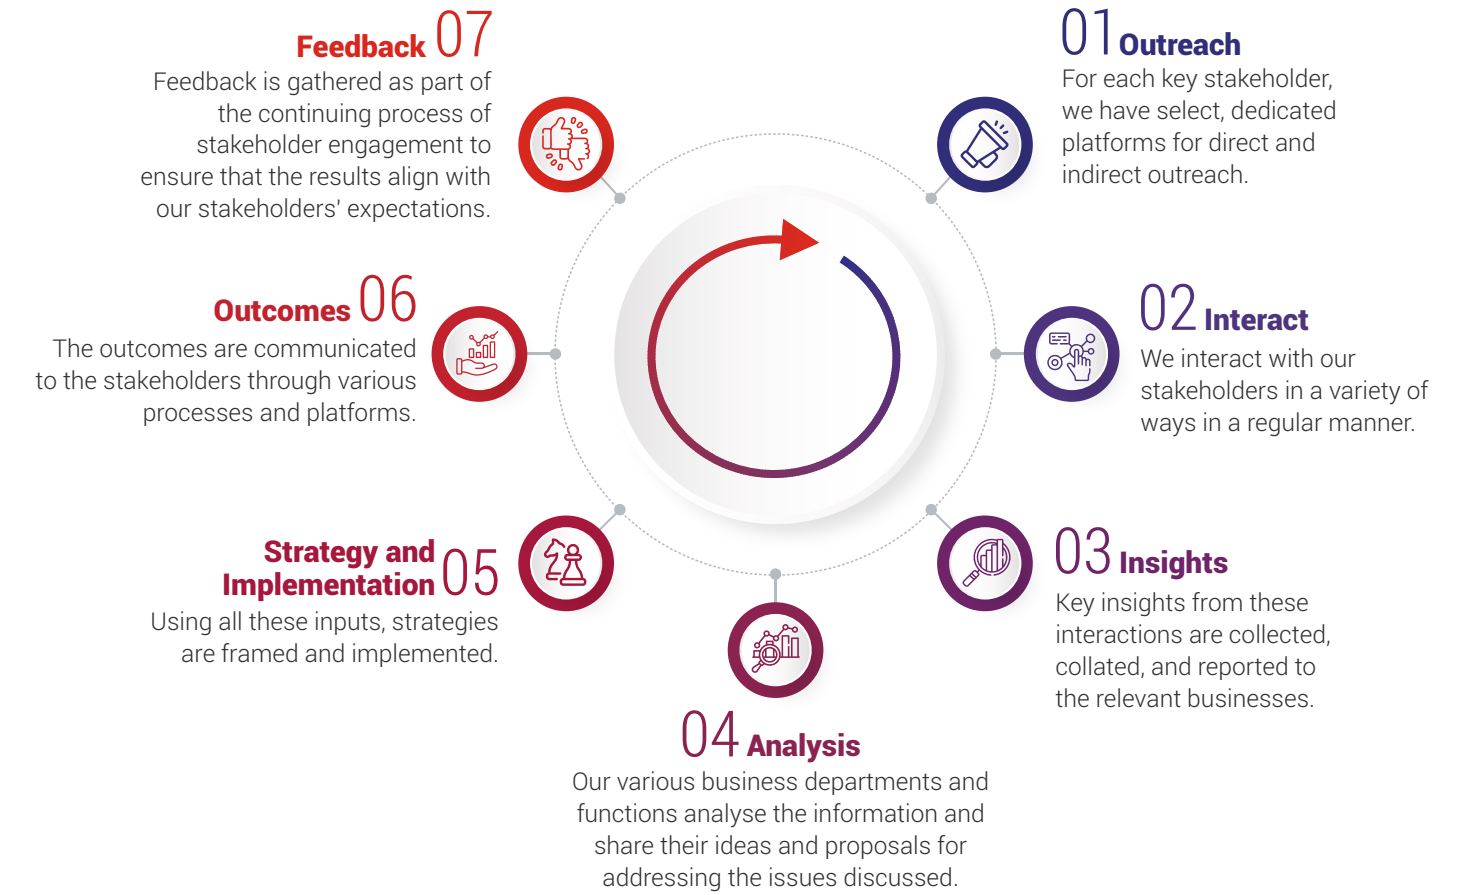

**Process of Stakeholder Engagement**

Our stakeholder engagement process is constantly evolving based on our learnings each year. Our culture of communication and care motivates us to review our efforts in this direction and understand gaps, if any, in order to

enhance the quality of outcomes. Our focussed stakeholder engagement efforts are directed towards key stakeholders identified based on the six business capitals driving inputs for our business process. These are

customers, investors and shareholders, employees, regulatory authorities, communities, value chain partners and the media.

Further outreach helps us to finetune these results over a period of time on a continuous basis. Feedback and insights relating to key risks and opportunities for our business are shared with our Board through our executive leadership team. Several of our innovations within our products and services are outcomes of this stakeholder engagement process.

**Stakeholder Engagement During FY 2022-23**

Stakeholder and purpose of engagement	Mode of engagement (and frequency)	Key concerns	Our response

PRIORITISING ISSUES CORE TO  
**Business Growth**

We believe that our consistent value creation is an outcome of the strong, determined focus on issues that are material to the long-term sustainability of our business.

**Materiality  
Assessment**

Our material issues are identified as a result of our continuous stakeholder engagement process. We conducted our materiality assessment during FY 2020-21, in collaboration with a third-party agency (E&Y). Based on the results of this exercise, our materiality matrix was developed, providing a heat

map of topics material to our business. We review our material topics annually. These are reprioritised in alignment with our stakeholders' expectations from us as well as our evolving risk perception.

During FY 2022-23, we have reviewed

our material issues with respect to the domestic and global market scenario and trends. We have defined our KPIs under these material issues as per various reporting frameworks, which help us to track and monitor our performance on a continuous basis.

**Materiality Matrix**

Our materiality matrix identifies 23 material topics, in which 11 are highly significant to both us and our stakeholders. 9 are moderately

significant while 2 are relatively less significant to our stakeholders as well as us. During the reporting period, we have mapped our 11 highly significant

material issues under E, S and G as part of strengthening our sustainability governance.

PACING AHEAD TOWARDS

# Enhanced Performance

FY 2022-23 has been a momentous year, marking our steady return on the path to profitability. We have been able to drive growth across all our core business verticals and achieved our highest ever annual profit in the history of the Bank. This is an important milestone marking the start of RBL Bank 2.0, heading towards realising our goals under Vision 2026.

## Our Strategy

Our performance during the year shows that our customer acquisition and retention strategies have begun

driving results. We have recorded 37.4% CASA ratio during the year and our granular deposit base has

expanded 19%. Our retail advances have grown 21% on a YoY basis.

**Our Strategy for the Near Term**

We are strategically training ourselves to develop single-minded focus on enhancing our performance and our relationships overall, as part of our Vision 2026. It encompasses our

near-term strategy under which 5 key goals have been identified as an outcome of our continuous engagement with our stakeholders and our study of the emerging trends

and market opportunities. All our five goals are anchored by the principle of responsible growth, where we prioritise long-term sustainability of our business.

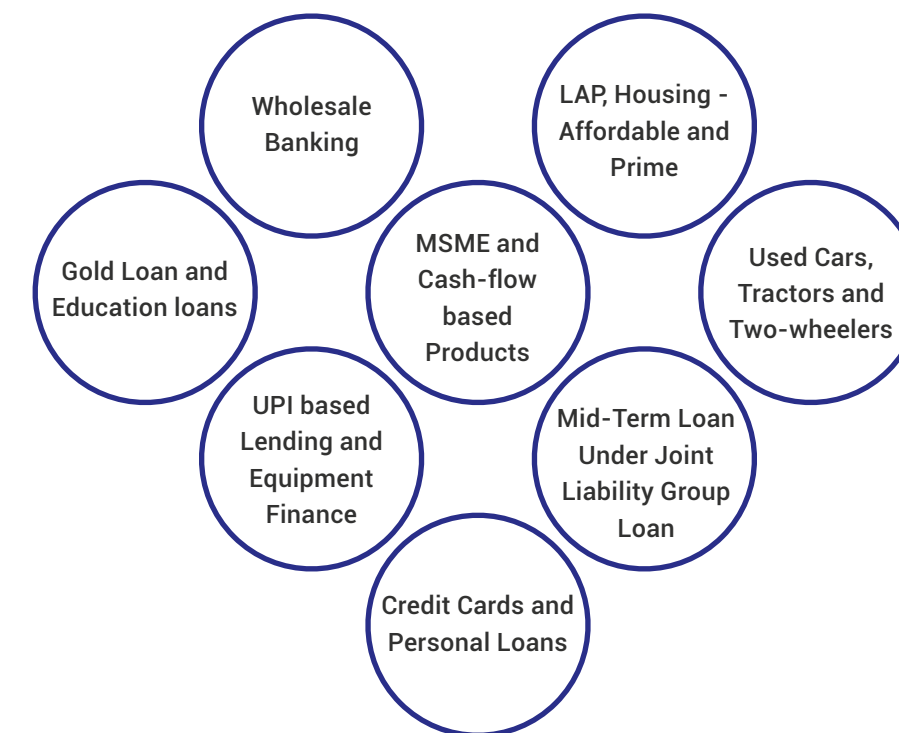

Our Goals for Vision-2026	Initiatives defined under these goals
Building on existing "Core" Businesses and building scale in nascent verticals	<ul style="list-style-type: none"> <li>• Further diversification of our portfolio, product differentiation and innovation</li> </ul>
Focus on distribution led growth - focal point of cross sell	<ul style="list-style-type: none"> <li>• Leveraging existing operating investments.</li> </ul>
Building a data led omnichannel customer first approach	<ul style="list-style-type: none"> <li>• Delivering convenient and personalised customer experience</li> <li>• Deepening technology, digital and analytics</li> </ul>
Responsible banking	<ul style="list-style-type: none"> <li>• Leveraging RBL Finserve more effectively</li> <li>• Focus on achieving scale through sustainability</li> </ul>
Improving diversity in workforce - being a relevant employer for the workforce of the future	<ul style="list-style-type: none"> <li>• Creating future ready human capital</li> </ul>

**Initiatives Helping us Further our Strategic Goals**

**Further diversification of our portfolio, product differentiation and innovation**

We are driving product expansion efforts, which include new product lines as a means to achieving the following:

**PRODUCT EXPANSION AT FOREFRONT**

**Continuous investment in distribution channels**

We are opening new branches, deploying ATMs, partnering with other financial institutions, adopting different digital avenues, etc. to be able to cater target a larger market.

**Target Market Aligned Distribution & Products**

We are aligning these distribution channels and product offerings with the needs and preferences of our target market segments.

**Product penetration through contact center, BC touch points**

By training and empowering our contact center agents and BC touch point representatives, we are enhancing our customer engagement and driving growth of our revenue streams.

**100% digital onboarding channels activated**

Our customers are able to open accounts, apply for loans, and access various banking services entirely through our digital platforms.

**Integration with Account Aggregators (AA), use of alternate data**

We leverage alternate data sources to gain deeper insights into customer behaviour and preferences. It helps us offer personalised solutions to our customers.

**Partnerships with fintechs, marketplaces and tech platforms**

We actively partner with fintech companies, marketplaces, and technology platforms to enhance our product diversification and innovate our offerings.

**Leveraging existing operating investments**

Our investments in a strong asset platform, advanced technology, and skilled manpower and efficient systems are the foundation for our efficient operations and growth. We

are focussing on capitalising these further by leveraging our deep rural presence. We are tailoring our offerings to address the specific needs of these segments. These are aided by

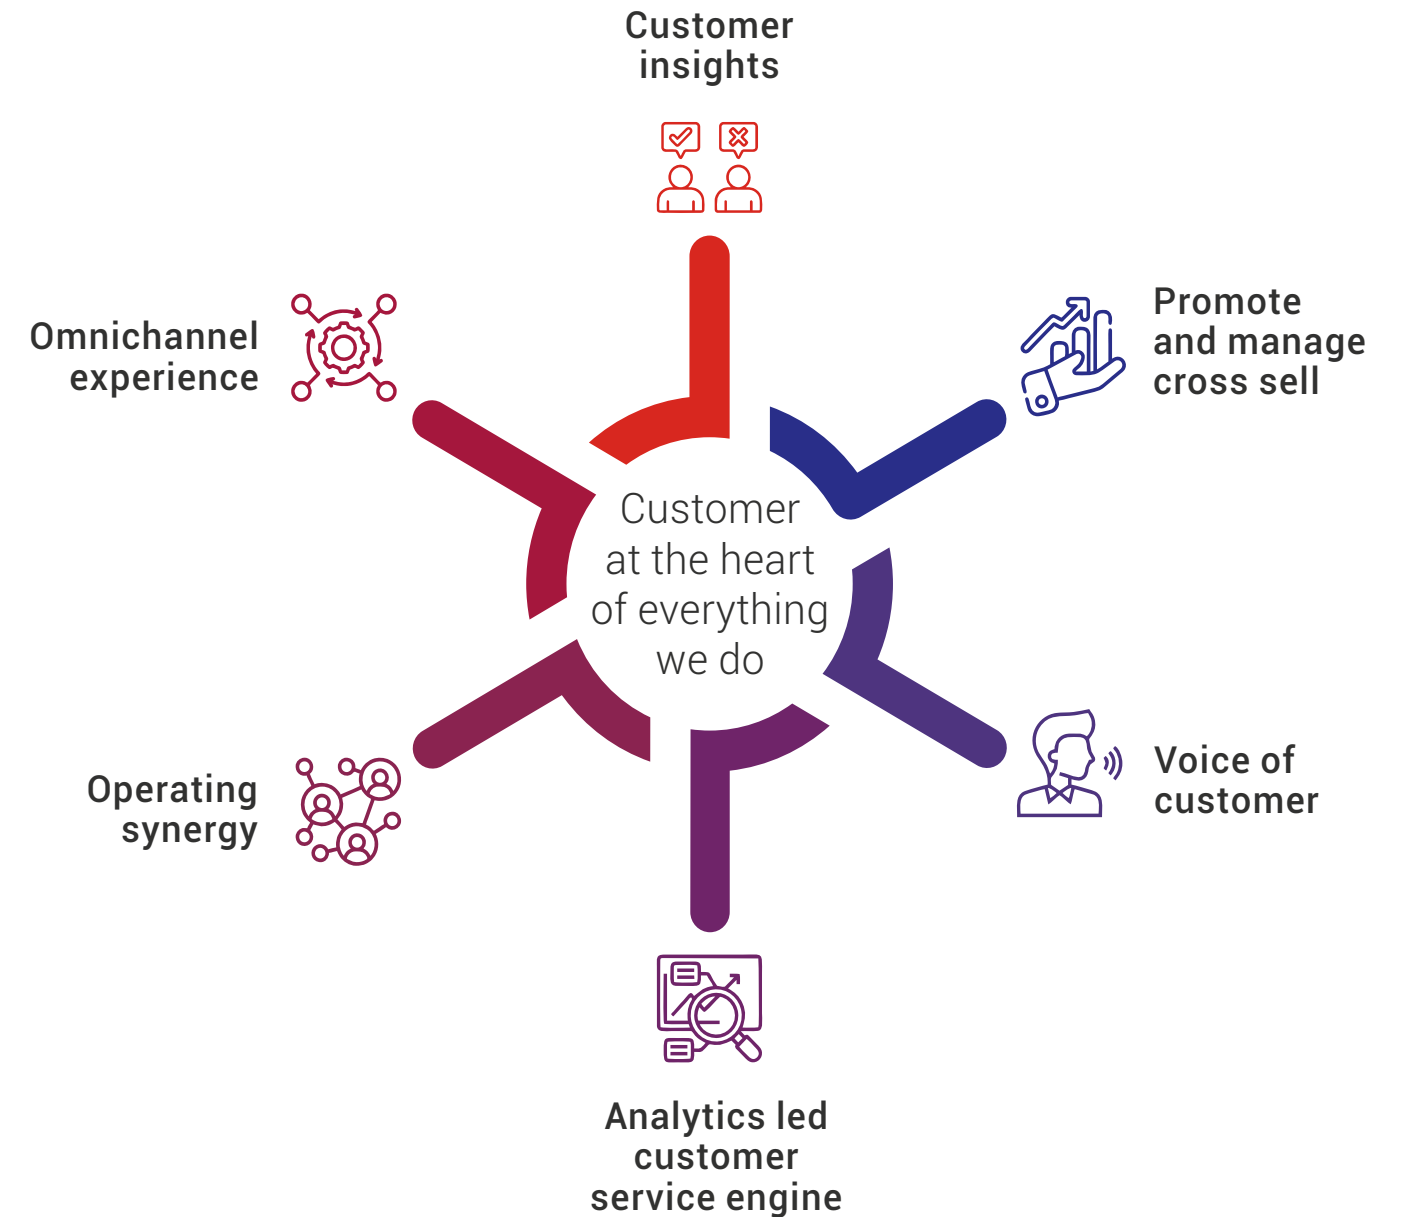

our strategic tie-ups with online aggregators, dealers, and original equipment manufacturers (OEMs) in sectors such as tractors, used cars, and farm equipment.

**ASSET/LIABILITY CROSS SELL/UPSELL THROUGH BRANCHES AND BC TOUCHPOINTS; DEDICATED BRANCH SALES TEAM FOR MULTIPLE PRODUCTS ENABLED THROUGH TARGETED LEAD GENERATION**

**Delivering convenient and personalised customer experiences**

We deliver unique customer experiences through behaviour-driven triggers, accurate service delivery and hyper-personalised offerings. Use of digital technologies helps us maintain unified support, faster turnaround times, and streamlined processes. We also undertake customer sentiment analysis to continually enhance customer experience.

**Deepening technology, digital and analytics**

We have prioritised digital customer experience by dedicating a unit to build digital journeys for existing and new products. We adopt a platform approach, enabling unified processes for KYC, payments, and customer assessment. We emphasise on intuitive design and leverage our existing infrastructure while accommodating new product variations. We also encourage cross-selling and upselling through our omni-channel delivery network.

**Leveraging RBL Finserve more effectively**

We are committed to bridging the gap between the urban and rural banking landscape by catering expansively to our rural customers through RBL Finserve. We are strengthening our pan-India distribution network, enabled by a robust tech stack. We are dedicating skilled manpower reach towards driving collection efficiencies while also enhancing our risk management capabilities.

**Focus on achieving scale through sustainability**

We are enabling sustainable growth underpinned by responsible business conduct and our commitment to ESG principles. We are ensuring that our pursuit of retail-led deposit growth is complemented by innovation around ESG-driven products and responsible banking.

**Creating future ready human capital**

We continue to strengthen our relationship with our people through a host of initiatives under the three key pillars of: Employee development, Engagement initiatives, and Operational efficiencies. A host of new developments have been undertaken during FY 2022-23 under these pillars, which shall be enhanced during the ongoing financial year. Some of these include leadership development for high-potential employees, organisation-wide HR transformation, and implementation of a more advanced HRMS.

**Key Enablers for the Bank**

**Expansive distribution network**

Strengthening our physical presence has the remarkable advantage of building a closer connect with our customers and being available to troubleshoot any of the issues they

may be facing. In essence, it helps us serve better even as we maintain our technology-first stance. During FY 2022-23, we grew our physical presence to 517 branches in all;

298 Banking Outlets; 1,166 Banking Correspondent branches; and 414 ATMs.

**Digitalisation**

We have been among the first to harness the true power of digital with respect to creating personalised customer journeys and offering a seamless banking experience. our onboarding stack comprises a wide range of latest tech tools, complemented by the Bank's various digital platforms and digital channels that help to serve target customer segments. We continue to enrich our digital offerings by growing our partnerships across the banking

ecosystem with a vision to offer a unified digital platform across B2C, B2B, and B2B2C capabilities.

A quantum leap in technology and shifting demographics are changing consumer preferences. From our perspective, the lower capex and operating expenditure per customer in comparison to traditional banking, aids in this shift towards digital adoption, estimating higher profitability and customer engagement at lower costs.

Our offerings are enriched by our customer-centric approach to service quality through focus on digital relationships, sales, and customer care. We ensure personalised engagement with the customer through remote channels, undertaken by our managerial staff. It gained momentum during the COVID-19 pandemic and has continued ever since.

**Growth in nascent segments**

Key offerings by us in the segments of credit cards and microcredit are seeing robust growth, enabling us to penetrate deeply into the market. Our credit cards business has grown 24% (YoY) during FY 2022-23, which is higher than the industry average of 19%.

We have successfully balanced growth with a tightening of control on new bookings, making sure that delinquencies are in line with the industry.

On the microbanking side, we have

built a strong presence across the country with 3.44 million active loan accounts. 90% of our microbanking portfolio is post-COVID, along with our Portfolio at Risk (PAR) staying below the industry average, pointing to the overall healthy growth trends.

**Visionary leadership**

Our leadership including the Board and the top executives, are grounded in strong expertise within the banking industry, and comprises stalwarts who have stewarded continuous growth

and transformations throughout their careers. These leaders are in close touch with the current industry trends and customer's expectations from us across all our categories and offerings.

Together, the team is committed to delivering sustainable and responsible growth and innovation.

## SHOWING US THE RIGHT WAY TO Stay Ahead

At RBL Bank, good corporate governance is our commitment to our stakeholders to act in a manner that upholds our timeless organisational values. This commitment has helped us create a precious legacy of 80 years, empowering other businesses, individuals to grow and operate to their full potential.

## Corporate Governance

For us, corporate governance is a daily exercise in providing excellent experiences to our customers, our people and our partners, as well as continued support to the communities we work with.

Underpinned by our values, we have created policies, systems, and frameworks that help us drive our actions towards these aims and help monitor our performance along this path.

These policies are put in place by our Board of Directors, which is our highest governing authority.

**Our Independent and Diverse Board**

Our 13-member Board is responsible for ensuring that our corporate structure, our business operations and services, our regulatory compliance as well as our risk management strategy are in close alignment with our corporate governance philosophy.

Two members on our Board are women. Chaired by Mr. Prakash Chandra, who is an Independent Director, the Board is an independent and diverse body of expert professionals who have demonstrated their commitment to values of fairness,

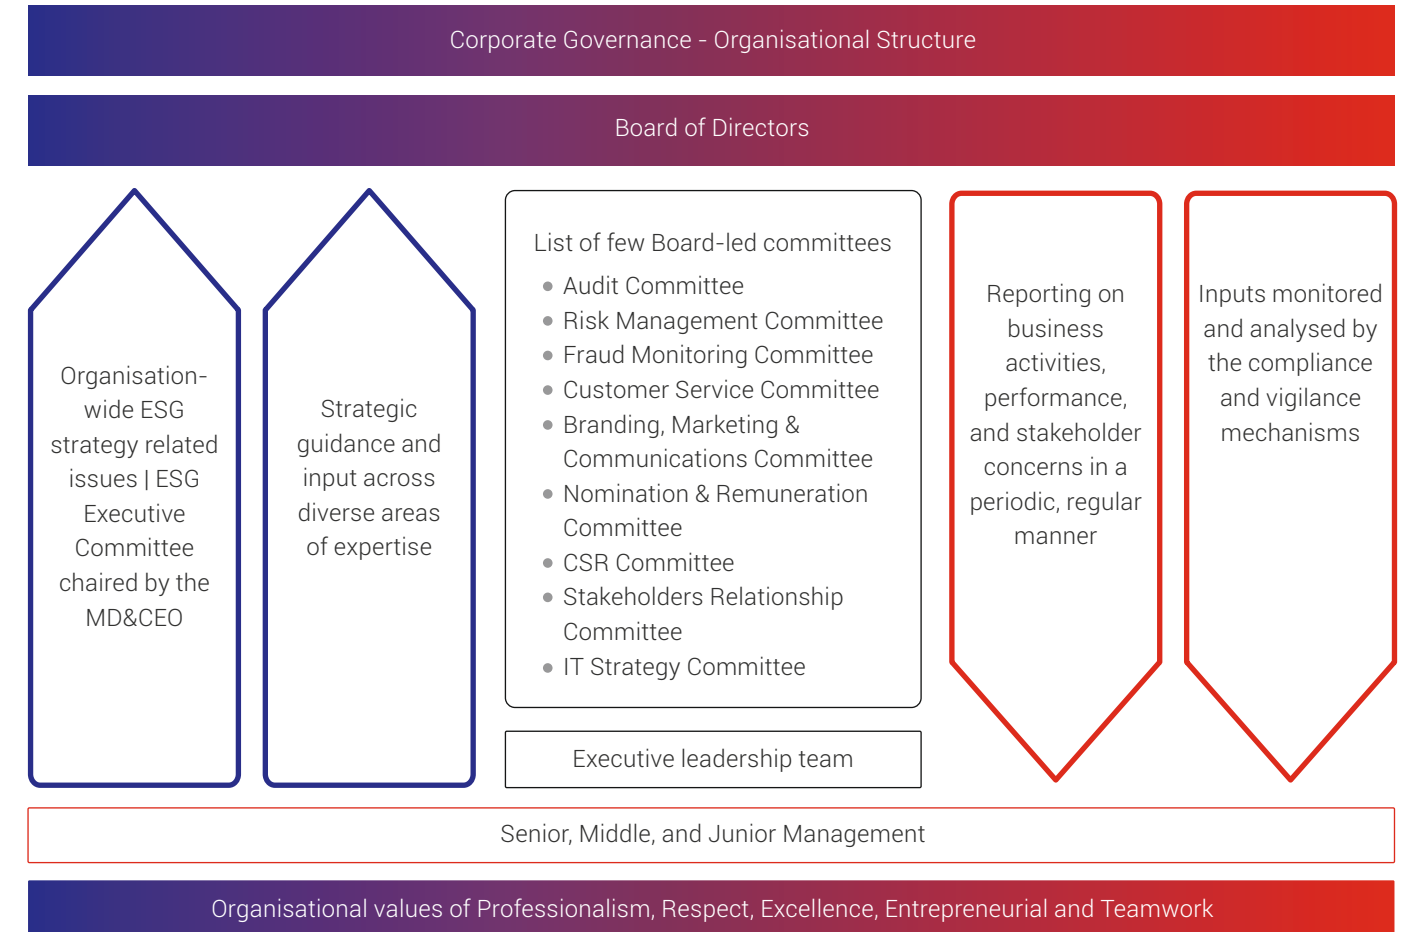

trust, and transparency throughout their illustrious careers. They are industry stalwarts with solid and diverse experience across various aspects of the banking and financial services industry.

**Board-led committees**

The Board is in charge of oversight and monitoring of the systems, frameworks, and processes used to drive implementation of these strategies. It dispenses this responsibility through its various sub-committees namely:

-  **Audit Committee**
-  **IT Strategy Committee**
-  **Capital Raising Committee**
-  **Risk Management Committee (RMC)**
-  **Board Investment & Credit Committee (BICC)**
-  **Customer Service Committee**
-  **Nomination & Remuneration Committee (NRC)**
-  **Fraud Monitoring Committee (FMC)**
-  **Branding, Marketing & Communications Committee**
-  **Stakeholders' Relationship Committee (SRC)**
-  **CSR Committee**
-  **Review Committee for Wilful Defaulters and Non-Cooperative Borrowers (RC - WD & NCB)**

**How Corporate Governance is Structured**

More details in the Corporate Governance Report on page 206

**Understanding the Role of our BOD**

As shown in our corporate governance organisation structure, our Board is responsible for providing strategic direction and decision-making to our businesses and functions and keeping

an oversight of the organisation-wide performance of our business in pursuit of the goals set towards implementation of these strategies. For this, adequate reporting mechanisms and platforms as

well as systems exist. The Board is apprised of performance-related metrics as well as the various impacts of this performance in a periodic and regular manner.

**Business responsibility in action**

Our corporate governance recognises the role of proactive risk management in safeguarding the Bank's growth and profitability. As a result, under the directions of our Board, our compliance and vigilance mechanisms stand as independent functions. They report their findings and their performance to the Audit Committee.

The executive leadership and the Board-led committees are charged with the responsibility of monitoring and reporting on the impacts created by the business. Under the aegis of the Board, they lead decision-making towards communication and mitigation of any negative impacts arising out of any of the business' operations. Any critical concerns arising out of functions or

business departments may be reported directly to the Board by the respective function or business heads or the members of the executive leadership.

Further, the Board and the Executive leadership together ensure good governance through development and implementation of policies listed on our website.

**Collective knowledge**

A well-informed Board is one that is apprised of the wide gamut of significant developments and emerging trends within the industry in which we operate. It is also necessary for the Board to understand the various developments impacting the industries in which our clients

operates. It enables them to harness their wide subject matter expertise as well as experience to direct our teams towards creating better solutions and offerings for our clients, which are key drivers of our business success. Therefore, at RBL Bank, learning and development is a continuous process

for our Board Members. We continue to invest efforts to enhance the collective knowledge of the Board formally as well as informally by engaging with subject matter experts to provide focussed group discussions as well as trainings.

*Details of trainings provided to the Board members can be found on page 268 under BRSR Principle 1 of this report.*

**Selection of the Board and Assessment of its Performance**

Our Board leads from the front when it comes to maintaining our high-performance culture, demonstrating strong commitment to business priorities and organisational values while adhering to our Code of Conduct. Therefore, the Board-led NRC Committee has established a set of stringent criteria for the selection of our Board members. As part of the selection process, they undergo a

detailed assessment of their capabilities and contributions, which includes in-person interviews and interactions with other members of the Board.

The Committee is also in charge of the assessment of the Board's performance for which it has designed criteria and review mechanisms. The performance of our Board, on an individual and collective basis, is conducted annually.

The process is transparent and data-driven.

The NRC directs our remuneration policy at the Bank, which includes the remuneration of the Board, the executive leadership, as well as the management and other teams. More details can be found in our Compensation Policy for Non-Executive Directors.

**Key Pillars of Good Governance at the Bank**

**Committed to compliance**

Total compliance is a core commitment of good corporate governance at RBL Bank. Our compliance function helps us to manage and mitigate compliance

risk. A key thrust area handled by the Compliance Team is Know Your Customer (KYC) and Anti-Money Laundering (AML). To ensure fairness

and integrity of these procedures, we have:

 **KYC and AML policy in line with RBI guidelines**

 **Wolfsburg questionnaire for cross-border transactions**

 **Processes like KYC checklists, AML checklists and negative lists**

 **Automated real time transaction screening using Jocata software**

 **Training modules for employees to ensure sustained compliance**

**Internal Audit**

Our internal audit function is the responsibility of the Audit Committee of the Board (ACB), led by the Head of Internal Audit. Internal audit is based on the 16 principles developed by the Basel Committee on Banking Supervision (BCBS). It reviews our operations vis-à-vis the performance requirements set by Regulators, Board and Management, and any deviations are reported to the top management.

**Prevention of Insider Trading**

We uphold a distinctive compliance mechanism designed to safeguard against insider trading in securities. Developed in accordance with SEBI rules and regulations, our RBL Trading Code governs the trading of our esteemed Board members, designated persons, and even their immediate relatives. To ensure seamless adherence to both SEBI Regulations and our Trading Code, we have appointed a diligent Securities Compliance Officer. This dedicated individual plays a crucial role in establishing comprehensive policies, implementing effective procedures, and diligently monitoring compliance across the board.

**Code of Conduct**

We take care to ensure that our culture of compliance seeps deep into the organisational hierarchy and is part of our day-to-day business relationships. This is enabled through our Code of Conduct (CoC) which each and every employee is expected to adopt and adhere to throughout their tenure. Read our Code of Conduct: <https://ir.rblbank.com/pdfs/regulatory/CodeofConductUpdatedVersion1.519March2020V2.pdf>

**Proactive Vigilance**

Our Head of Vigilance maintains oversight into potential whistle-blower complaints or acts of fraud identified by our employees, customers or any other third party/parties and reported through multiple channels, even on social media. Vigilance covers a wide

range of offences including abuse of authority, breach of contract, record manipulation, pilferage of sensitive information, deliberate violations, financial irregularities, misuse of bank assets, graft, or any other unethical behaviours. Read our

Whistle Blower Policy at:  
<https://ir.rblbank.com/pdfs/regulatory/FI-WhistleBlowerPolicy.pdf>

**Robust data governance**

Ensuring the protection of our intellectual capital, data governance is of utmost importance to us. We maintain the highest standards of data security and anti-fraud measures through strategic efforts led by the Board-level IT Strategy Committee. The implementation of these efforts is overseen by the executive-level Information Security Steering

Committee. At the core of our data strategy is our dedicated Data Governance Unit (DGU), which enhances our capabilities in data security and fraud prevention and detection. We employ a workflow-based technology platform that guarantees data quality, accuracy, and user accountability by maintaining an audit trail of all data corrections.

To uphold data integrity, we have established a framework to protect our systems from data leakage that includes comprehensive data leakage policies. This framework classifies data based on its sensitivity, ensuring protection across different levels and verifying user access at each stage of data sharing.

## BUILDING A HIGHLY Resilient Core

Robust, proactive, and highly responsible risk management is the resilient core of our business operations at RBL Bank. It helps us to balance our growth ambitions with the challenges we face within the markets we operate.

# Risk Management

**Our Risk Management Framework**

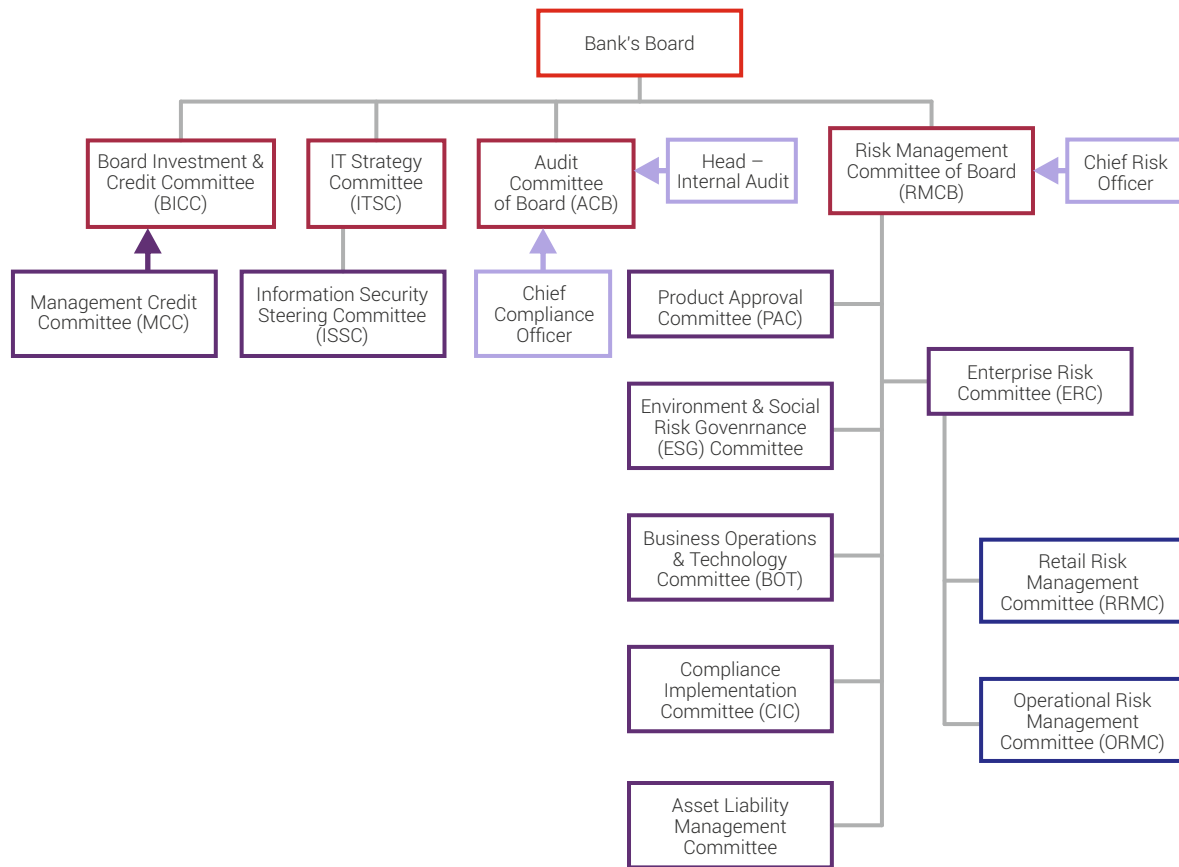

As a leading provider and among the fastest growing financial institutions in the country, we are recognised for our agility and value-driven offerings. For 80 years, we have continued to navigate our path towards robust growth while consistently enhancing the performance of our risk management framework.

We follow a robust, all-encompassing framework that enables us to identify,

assess, mitigate, and monitor the risks facing our business. The Framework involves participation of several Board-led sub-committees, detailed as follows. Our Board is in charge of approval of our risk appetite statement, prepared based on their collective inputs. Our Board-led Risk Management Committee is responsible for oversight on the risk governance at the Bank through collaboration with Executive Risk committees.

It is designed to enable active collaboration between the various sub-committees of the Board while ensuring oversight of the executive committees involved in risk management. It comprises our risk management process, which includes our compliance and vigilance mechanisms.

**Organisational Structure: Risk Management Framework**

**Board-Level Sub-Committees Involved in Risk Management**

- ▶ **Board Investment & Credit Committee (BICC)**  
Comprising our MD & CEO, our Executive Director and four Board members selected by the Board, the committee approves credit approval proposals as per the Bank's authority matrix.
- ▶ **IT Strategy Committee of the Board (ITSC)**  
Ensures the alignment of our IT strategy with the business strategy and approves relevant policy documents.
- ▶ **Audit Committee of the Board (ACB)**  
Oversees internal audits & provides guidance and follow-up on the statutory/external audit of and inspections of RBI. It also evaluates internal financial controls and risk management systems. Our Head of Internal Audit and Chief Compliance Officer reports to the ACB.
- ▶ **Risk Management Committee of the Board (RMCB)**  
Helps to devise the policies and strategies for management of risks. It is responsible for the approval of our credit policies, prudential exposure limits, credit approval system and procedure, margin and collateral management, credit pricing framework, credit administration and monitoring system, non-performing assets management policy, credit risk management system and exception management.

**Executive Risk Committees Involved in Risk Management**

- ▶ **Executive Risk Committee (ERC)**  
Ensures the adequacy of Enterprise-wide Risk Management framework, policies, and procedures. It formulates strategies to mitigate current and emerging risks.
- ▶ **Retail Risk Management Committee**  
Provides risk oversight over Retail portfolios – Cards, Microbanking, LAP, BIL, Affordable Housing, and more. Ensures risks are managed within risk appetite thresholds.
- ▶ **Operational Risk Management Committee**  
Ensures operational risk management frameworks; reviews the operational risk and establishes mitigation measures.
- ▶ **Information Security Steering Committee**  
Ensures robust Information Security (IS) policy, standards & procedures.

### Product Approval Committee (PAC)

Approves all new products and services offerings & reviews all product notes regularly.

### Environmental & Social Risk Governance (ESG) Committee

Oversees implementation of ESG agenda.

### Business Operations & Technology Committee (BOT)

Oversees strategic & new Business or Enterprise sponsored Operations & Technology (O&T) projects aligned to our Strategy.

### Compliance Implementation Committee (CIC)

Ensures Compliance adherence and reviews fraud cases to recommend suitable actions or preventive measures. The Chief Compliance Officer (CCO) reports to CIC.

### Management Credit Committee (MCC)

Operationalises our credit policy and implements credit framework as approved by the Board and the RMCB.

### Asset Liability Committee (ALCO)

Coordinates the management of Assets and Liabilities to ensure adequate liquidity and optimises interest rate and liquidity risk. Decides on interest rate and product pricing levels for both assets and liabilities to optimise NIM/NII. Reviews regulatory, economic, political changes and monitors the risks associated with such changes.

## Process of Risk Management

Our risk management process is anchored by our risk appetite statement, which is assessed and approved by the Board annually. It defines acceptable risk boundaries for each of our business verticals and provides guidance for our business strategy.

Our Chief Risk Officer (CRO) is responsible for monitoring the Bank's performance towards adhering to the stated risk boundaries by establishing the requisite practices. The CRO also directs the organisation-wide effort to identify emerging risks and reporting

the same to the RMCB as well as the Board. Our CRO is supported by risk officers appointed within various departments and functions to help identify and report on new and emerging as well as existing risks.

## CREATING VALUE, RESPONSIBLY & SUSTAINABLY

Our Vision 2025 heralds the organisation into a future centred on our sustainability vision. It means to intensify targeted efforts to drive meaningful outcomes with respect to the environmental, social, and governance aspects of our business.

ESG

Our sustainability strategy, rooted in strong governance capabilities, directs us to reduce our carbon footprint by

pursuing operational efficiencies, and strengthen our contribution to growth and development of communities

through our four key focus areas of Health, Education, and Livelihood Opportunities (H.E.L.O).

**Optimising Resource use, Reducing our Footprint**

We are committed to limiting the environmental impact of our operations by optimising our systems and equipment. We are working to

progressively minimise our carbon footprint. We are reducing our consumption of energy, water, as well as paper while also reducing and

recycling our waste, which primarily includes water and paper.

**Energy management**

**Power consumption (GJ)**

Total power consumption		Total fuel consumption		Total energy consumption	
FY 2022-23	39,143	FY 2022-23	1,521	FY 2022-23	40,664
FY 2021-22	35,211	FY 2021-22	1,320	FY 2021-22	36,531

During the reporting period, most of our workforce has returned to working from office. As a result, our power and fuel consumption figures for the year

has gone up. However, factoring in the growing headcount and the expansion of operations, we have succeeded in limiting the consumption rise through

energy-efficient equipment and practices.

Energy intensity per rupee of turnover*	
FY 2022-23	5.86
FY 2021-22	5.74

Energy intensity (GJ/1000 sq. ft. carpet area)	
FY 2022-23	38.31
FY 2021-22	41.08

**Our Energy Management Initiatives**

**Green buildings:** Two of our largest offices by carpet area, in Airoli and NOC in Mumbai are operating in certified Green buildings (by IGBC). These account for ~45% of the total carpet area of all our regional offices (barring branches) and 14% of our total carpet area covering all-India branches.

**Energy saving equipment:** For ~50 other large branches, we are collaborating with an Energy Service Company (ESCO) partner to install air conditioning energy optimisation with sensors, with estimated savings of ~50 MWh/month. This helps us reduce our emissions by 486 tCO<sub>2</sub> per year.

**Renewable energy:** The 8<sup>th</sup> floor of NOC, our office in Goregaon, is using 100% renewable energy since September 29, 2022. With a monthly consumption of 1.11 lakh units of electricity, it will help avoid emissions of 1,079 tCO<sub>2</sub> annually, which amounts to 11% of our annual operational (Scope 1 and 2) GHG emissions for FY 2021-21.

**Solar roof tops:** We have installed solar rooftops across 21 rural branches, helping to generate ~96 kWp of renewable energy. Our Sangli Office and our Head Office in Kolhapur generated ~150 MWh of solar power during the reporting year, helping us to avoid GHG emissions of 141 tCO<sub>2</sub>.

In addition, we finance various renewable energy, other emission reduction projects and electric vehicles, etc.

**Water management**

**Total volume of water consumption (in kilolitres)**

Total power consumption		Water intensity per rupee of turnover		Water intensity	
FY 2022-23	94,012	FY 2022-23	13.54	FY 2022-23	8.32
FY 2021-22	70,994	FY 2021-22	11.15	FY 2021-22	8.32

**Emissions data**

FY 2021-22	97	FY 2021-22	7,727	FY 2021-22	1.23	FY 2021-22	8.8

**Green financing**

During FY 2022-23, we registered our first three qualified Green Loans under the International Finance Corporation (IFC) credit line of US\$ 150 million. The three transactions classified under green funding requirements of IFC include:

**Towards a Better Future for our Communities**

We fulfil our commitment to create sustainable communities through several initiatives that support four key focus areas of Healthcare, Education, and Livelihood Opportunities. These are identified under our sustainability strategy and CSR Policy, under the oversight of our Board-approved CSR Committee.

The projects are implemented by our CSR Cell in collaboration with various NGOs and other third-party agencies. They are monitored by our internal CSR Compliance team.

**Impact of our CSR programmes**

Our flagship CSR programmes are described in Management Discussion and Analysis on Page 190

**Impact assessments**

All our CSR-related programmes (being carried out by NGO partners) undergo detailed impact assessments. The independent third-party auditors appointed by the Bank undertake monitoring sessions organised quarterly while our own CSR teams conduct surprise visits at the sites. Assessments are carried out against pre-set development indicators.

Our impact assessments during the reporting period undertaken by E&Y revealed a 99% success rate across CSR Compliance, Process, and Projects, with we meeting 72 out of 73 compliance indicators across the CSR Lifecycle.

**Initiatives undertaken during FY 2022-23**

We undertook a range of CSR initiatives during FY 2022-23, in addition to our 19 other CSR projects.

**Our CSR initiatives are detailed as follows:**

■ **Enhancing health, hygiene, and livelihood**

In June, 2022, as part of the India Protector Alliance (IPA), we helped launch Swachh Sanitation programme in 10 locations across Beed and Satara districts of Maharashtra. The programme, run in collaboration with the National Rural Livelihood Mission (NRLM), provides the communities with sanitation facilities, helping to enhance health and hygiene. Installation of zero-waste hand-washing and portable water dispensing stations running at zero power, along with a counter with ready-to-eat items has created livelihood opportunities for the women of the Self-Help Groups (SHGs) managing these under NRLM.

■ **Enabling women entrepreneurs grow via e-commerce**

We facilitated the launch of an e-commerce platform WeChimni (The Flight to Success), to provide sustainable livelihood opportunities for women entrepreneurs from underprivileged communities. The portal launched in partnership with the GTT Foundation in July, 2022, offers a wide variety of handmade and handcrafted products across food, sustainable fashion and products that promote eco-sustainability. The platform can be accessed at [www.wechimni.org/](http://www.wechimni.org/)

**IMPACT**

**Muktangan Inservice Teachers Education Programme:** Run at Prabhadevi School in Mumbai (Maharashtra) in collaboration with the Muktangan Trust, we endeavour to train educators working at municipal schools to provide quality education to children.

- **68** educators trained, indirectly enhancing quality of education for
- **497** children enrolled in municipal schools

**IMPACT**

**Digital Fashion Design:** We have collaborated with the GTT Foundation in Mumbai (Maharashtra) to provide training in fashion designing to women from Pune and Mumbai.

- **407** women trained in fashion design across Pune and Mumbai
- **WeChimni** - an e-commerce platform launched along with 2 production units set up in Pune and Mumbai

■ **Support for Aadhaar access**

In September 2022, we organised an Aadhaar Camp at Sunshine School for differently-abled students in Vashi (Mumbai). We helped get Aadhaar cards made and updated for 22

children from the school, much to the relief of their parents, who were facing challenges. The initiative was appreciated by the UIDAI through a tweet from its official Twitter handle.

**Our Flagship CSR Projects**

**IMPACT**

**IMPACT**

**FFE- RBL Scholarship:** We work with the Foundation for Excellence in Mumbai (Maharashtra) to provide scholarships to meritorious students hailing from underprivileged backgrounds.

- **100** students graduated from BE/BTech courses through the scholarship support
- **60** students placed by the end of FY 2022-23

**IMPACT**

**UMEED:** Under this programme, bicycles were distributed for girls from underprivileged backgrounds to enable them to continue their education. The programme was undertaken directly by the Bank across the cities of Raipur (Chhattisgarh), Hyderabad (Telangana), Goa, Guwahati (Assam), Kolkata and Siliguri (West Bengal), Kolhapur (Maharashtra) and Chennai (Tamil Nadu).

- **1000** girls under 16 years of age received brand-new bicycles to help make their commute easier and safer

**Impact Stories of our CSR Programmes**

**The Key is to START**

We have been supporting a CSR project names **START (Stimulating Tribal And Rural Transformation)** since a few years, to promote rural sustainable livelihoods among India's tribal communities. These communities happen to be some of the most marginalised communities within the society, both socially and economically.

Muniya Murmu, from Inaravaran (Bihar) belong to one such community. She began her journey as an agricultural entrepreneur under project START with a vision to ensure that no land in her village is left barren and that everyone is able to make a livelihood from agriculture. Having dealt with money lenders and migration of the male members of the family for years, she decided to leverage her knowledge of agriculture by becoming an agricultural trainer with support from START.

An agricultural entrepreneur from marginalised community in a small village in Bihar, Muniya Murmu, has managed to earn ₹1.8 lakh during the year with the support of START Muniya Murmu, from Inaravaran (Bihar) belong to one such community. She began her journey as an agricultural entrepreneur under project START with a vision to ensure.

**Building Edu Leader**

We have partnered with i-Saksham help young women in Jamui, Bihar, to grow as educational leaders, under **RBL Bank i-Saksham fellowship programme**. The programme’s objective was to bring about a change in the typical trajectory of young women in these communities: dropping out of higher education to pursue early marriage.

Under the programme, we supported these women to participate in a two-year leadership development programme following by continuous network building. It enables their transition into community impact projects being run in Bihar, thus creating sustainable livelihoods towards financial empowerment.

The convocation ceremony of the first batch of RBL Bank sponsored fellows was held in Patna on November 04, 2022.

**A Fellowship of Excellence**

The Foundation for Excellence & RBL Bank partnership (FFE-RBL Bank Scholarship Program) was commenced in FY 2019-20. Under this initiative, FFE received an annual grant of INR 4,400,000 from RBL Bank Ltd. which was utilised to award scholarships to 100 academically brilliant and financially underprivileged scholars, pursuing their Engineering course in India. The program aimed to transform the lives of these 100 students by enabling access and support of their 4-year Engineering (BE/BTech) courses.

100 scholars hailed from 18 states and studied in 20 states in India, across 37 reputed colleges. The scholars belonged to extremely humble backgrounds with the family income ranging from ₹30,000 to ₹2.40 lakh, per annum at the time of enrolling for the program. 65% of the cohort hailed from a rural demography.

While the Program's focus was providing financial support for qualified students, the assistance extended beyond finances and included training, mentorship, and other relevant career readiness programs. This assistance was made available irrespective of the applicant's caste, community, gender, or religion.

# Management Discussion And Analysis

## 1. ECONOMIC OVERVIEW

### 1.1 Global backdrop:

The global backdrop saw the rates of inflation outstrip growth during the Calendar Year (CY) 2022. In February 2022, expectations of making a post-COVID economic recovery were upturned amid the Russia-Ukraine conflict. As commodity prices climbed along with mounting tensions, the world's economies changed their fiscal and monetary policies.

Since March 2022, the US Federal Reserve raised the Federal Funds Rate by 475 bps, with the upper bound at 5.00% (as of mid-April 2023). Of this, 425 bps hike was front loaded in CY 2022 itself. The UK hiked the rates by 415 bps. As of mid-April 2023, their bank rate touched 4.25%, of which 300 bps hike came in CY 2022. Similarly, the European Central Bank (ECB) of the Euro Area hiked the policy rates by 350 bps to touch 3.50% (mid-April, 2023); of which, 250 bps hike was affected in CY 2022.

In a cascading effect, the emerging economies too have tightened their monetary policies.

The World Economic Outlook (WEO) by the International Monetary Fund (IMF) in April 2023 highlighted how the rapid tightening of monetary policy after years of low rates is testing the global financial system. Rising interest rates and the simultaneous economic slowdown are exposing the fault lines in the global banking ecosystem, creating pockets of severe banking crises in the US and the EU.

The IMF's Global Financial Stability Report highlighted the sudden failures of the Silicon Valley Bank and Signature Bank in the US, and the loss of market confidence in Credit Suisse, a Global Systemically Important Bank (GSIB) in Europe.

A forceful response from authorities to help control the fallout has so far helped reduce market anxiety. In the US, bank regulators took steps to guarantee uninsured deposits at the two failed institutions; provided liquidity through a new Bank Term Funding Programme to prevent further bank runs. In Switzerland, the Swiss National Bank provided emergency liquidity support to Credit Suisse, which was taken over by UBS later in a state-supported acquisition.

The global financial ecosystem continues to experience shocks directly affecting GDP growth across the world accompanied by widespread job losses, further impacting consumption growth. The baseline forecast is for global output growth to fall to 2.8% in 2023, 0.1% point lower than predicted in the January 2023 WEO Update. The world growth outlook is down by 10 bps to 2.8% for 2023 and most of it is due to downward revisions in Emerging Market economies (by 10 bps). Among these, India saw 20 bps downtick to 5.9%, followed by Brazil and Africa. In contrast, Saudi Arabia - the newest member in the USD 1 trillion club, saw 50 bps upward revision to 3.1% in 2023.

For advanced economies, the numbers were revised upwards by 10 bps to 1.3% vs 1.2% driven by: Robust US growth of 1.6% (20 bps revision); 10 bps upward revision to 0.8% for the Euro area; lesser contraction seen for the UK at 0.3%. Yet, WEO has warned that a severe flare-up of financial system turmoil could slash output to near recessionary levels.

### 1.2 Indian Economy:

Indian economy is backed by strong agricultural production, a post-pandemic bouncing back of demand, healthy rebound in bank credit, and a banking and financial system with strong fundamentals, and government's capital expenditure.

India's capacity utilisation in the manufacturing sector surged past the pre-pandemic level of 69.9% to 74% during FY 2022-23. The PMI surveys for March 2023 exhibit optimistic outlook for the ongoing FY 2023-24. However, heat map studies show that companies making a majority of these gains are operating in cement, steel, electricity, refining and such sectors where the government is pushing efforts to increase spending.

Overall consumption scenario looks positive, however, with demand for passenger vehicles as well as rural demand indicators growing steadily. Credit card spending is on a high. Non-food bank credit was up 15.4% y-o-y as on March 24, 2023. The total flow of resources to the commercial sector increased by ₹ 26.0 lakh crore during FY 2022-23 as against ₹ 19.0 lakh crore in FY 2021-22. With general elections slated for Calendar Year 2024, economic activity is expected to remain resilient.

However, India's projected GDP growth at 6.0% for FY 2023-24 and FY 2024-25 is lower than what it witnessed even two years prior to COVID-19 pandemic. Given the state of the

**In FY 2023-24, the pace of disinflation may be the key metric to track**

global economy, these figures are promising. The RBI has marginally revised projections upwards by ~10 bps to 6.5% (YoY) compared to the 7.0% provided by the government's First Advance Estimates for FY 2022-23.

The Union Budget for FY 2022-23-24 sees capital expenditure as the key driver of economic growth backed by moderating of public debt. It is pushing for infrastructure growth, digitalisation, green economy, and empowerment of youth. Yet, India's biggest bugbear during this period remains rising inflation.

For FY 2022-23, Consumer Price Inflation (CPI) inflation has averaged to 6.66% y-o-y as compared to 5.51% seen in FY 2021-22. Food inflation spiked to 6.6% (YoY) from 3.8% in FY 2021-22. Core CPI inflation staying at 6.06% (YoY) as against 5.98% in FY 2021-22, coupled with fuel inflation at 10.3% and 11.3% during FY 2022-23 and FY 2021-22, respectively, has meant the headline inflation being pushed to highs from which it has been difficult to climb down.

The Monetary Policy Committee (MPC) forecasts inflation rate at 5.2% for FY 2023-24 while the IMF predicted India's inflation rate at 4.90% for CY 2023. Thus, it may be reasonable to expect inflation rate within 5.0-5.5% range. In FY 2023-24, the pace of disinflation may be the key metric to track here considering that India saw a nine-year high inflation rate of 6.6% in the aftermath of the Russia-Ukraine war.

## 2. INDIAN BANKING SECTOR OVERVIEW

### 2.1 Focus on retail growth:

FY 2022-23 witnessed a marked recovery in the domestic financial market, especially during the second-half. Changes in the external benchmark regime for loans, moderation in surplus liquidity and persistence of credit growth over deposit growth strengthened the pace of transmission of policy repo rate hikes to deposit and lending rate of the banks.

Banks revised upwards their external benchmark-based lending rates (EBLRs) by 250 bps during the period from May 2022 to March 2023. The marginal cost of funds-based lending rate (MCLR) - the internal benchmark for

loan pricing - rose 140 bps over the same period. The weighted average lending rate (WALR) on sanctioned fresh Rupee loans increased by 173 bps and that on outstanding rupee loans by 95 bps during the period from May 2022 to February 2023.

The transmission to retail deposit rates also gathered pace during H2 FY 2022-23 as banks intensified their efforts to garner retail deposits to fund credit growth. The weighted average domestic term deposit rate (WADTDR) on fresh deposits (including retail and bulk) increased by 222 bps during the period from May 2022 to February 2023. During the second-half of FY 2022-23, the banks reversed their policy of mobilising bulk deposits and instead increased fresh retail deposit rates (122 bps), which outpaced fresh bulk deposit rates at 77 bps.

## 2.2 A Look At The Major Sectors

Agriculture credit grew 14.9% (y-o-y) in February 2023, from 10.3% the year before. Bank credit to industry rose 7.0% in February 2023, as compared to 6.7% the year before. This was driven largely by industries such as metals, petroleum, and chemicals. Infrastructure sector credit growth reduced due to decline in credit to the telecom sector while MSME credit growth remained high, aided by the extension of Emergency Line Guarantee Scheme (ECLGS) till March 2023.

With wholesale and retail trade included under the MSME category and easier access to loans under the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE), credit to the trade sector also grew during H2 FY 2022-23. The services sector credit also gained traction during the same period, propelled by flows to NBFCs, including housing finance companies. Retail loans remained prime contributor to overall credit increase (Y-o-Y) in FY 2022-23. Credit to the housing sector and vehicle loans grew consistently. Credit card loan growth persisted in high double-digits throughout FY 2022-23.

## 2.3 Key Performance Indicators Of The Economy

The asset quality of Scheduled Commercial Banks (SCBs) improved during FY 2022-23, with the overall non-performing assets (NPA) ratio declining to 4.5% in December 2022 from 6.5% the year before. Asset quality has improved across all major sectors.

The current account deficit (CAD) for the first three quarters of FY 2022-23 stood at 2.7% of GDP. In Q3, CAD narrowed significantly to 2.2% from 3.7% during Q2 on account of lower merchandise trade deficit and robust growth

in services exports. During the months of January and February of FY 2022-23, India's merchandise trade deficit narrowed on the back of a sustained decline in imports.

Strong software services export growth was witnessed across key verticals such as IT services, Business Process Management (BPM), and engineering research and design (ER&D), supported by a rise in global capability centres (GCCs). Inward gross remittances, which touched an all-time high of USD 107.5 billion during calendar year 2022, are expected to remain robust as Gulf Cooperation Council (GCC) countries are targeting high growth.

Foreign exchange reserves too rebounded from USD 524.5 billion on October 21, 2022, to being in excess of USD 600 billion taking into account our forward assets, as per RBI's monetary policy statement. Overall, there has been a significant improvement in the country's external sector indicators.

## 3. FY 2022-23 AT RBL BANK

During FY 2022-23, the focus at RBL Bank was to drive a range of new initiatives aimed at steady business growth: Launching new product segments; consolidating and rationalising costs as well as partners and functions; driving sales growth through internal sourcing and cross-selling and focussing on asset quality and strengthening collections and recoveries.

Key measures taken during the year to improve performance:

- Consolidation of the Bank's microfinance business under RBL FinServe Limited, the wholly owned subsidiary of the Bank, to account for ~88% of the Bank's total microfinance loan book.

- Launch of new offerings such as financing for two-wheelers, used cars, and gold loans, and small business loans. Scale up of the new business segments of housing and rural vehicles to pursue retailisation of the advances portfolio and further strengthen relationships with existing, new and potential customers.
- New lateral partnerships in the Cards business - having launched the LazyPay Credit Card in partnership with PayU and new variants with two existing partners BookMyShow and PaisaBazaar.
- Strengthening of management depth by onboarding a new Chief Information Officer and Head of Corporate Centre.

## 4. REVIEW OF BUSINESS SEGMENTS AND OPERATIONS

RBL Bank's operations span across various business segments. These are:

- Corporate Banking comprising Corporate Banking offerings, Financial Institutions and Government Banking, Supply Chain, Inclusive Financial Institutions, Multinational and New economy relationships
- Commercial Banking (CB)
- Branch and Business Banking (BBB)
- Retail Assets
- Treasury and Financial Markets Operations

### 4.1 Corporate Banking

The Bank's Corporate Banking segment serves large corporations with over ₹ 1,500 crore annual turnover. It offers diverse services across different industries and geographies, primarily focussing on working capital and transactional businesses.

It includes sub-segments for financial institutions, government banking, multinational clients, and specialised industries like gems and jewellery, real estate, and infrastructure. It provides a range of fund-based and non-fund-based products, including current accounts, term deposits, loans, cash management, and treasury risk management solutions.

Corporate Banking also offers supply chain financing, structured advances, and deposit services; its branch in Gift City provides financing services to corporates operating outside India. Additionally, it cross-sells retail products and distributes insurance and mutual funds. The financial institutions team facilitates inter-bank dealings and trade support, while the government banking team focusses on liability building and digital banking channels.

Key highlights of FY 2022-23:

1. EXIM Bank TAP Programme: The Bank entered into a Trade Assistance Programme (TAP) agreement with EXIM Bank. Under TAP, India Exim Bank provides support through credit enhancement to trade instrument(s), thereby enhancing the capacity of commercial banks/financial institutions to support cross-border trade transactions involving markets where trade lines are constrained or where the potential has not been harnessed. This opens opportunities to support large number of RBL Bank's export clients under the programme.
2. Tier 2 USD 100 million loan from USDFC: The Bank raised its first issuance of Basel III compliant unsecured and subordinated Tier 2 Notes aggregating to USD

**The focus at RBL Bank has been to drive a range of new initiatives aimed at steady business growth**

100 million with a tenure of 117 months to United States International Development Finance Corporation (“DFC”), the US Government’s development finance institution. The investment augmented the Bank’s capital position as it seeks to continue expanding its geographic footprint and expansion in its chosen businesses. This was a first-of-its-kind by a Bank.

**IFSC Banking Unit (IBU), GIFT City**

The Bank’s International Financial Service Centre (IFSC) branch located at GIFT City, Gujarat, serves as an overseas branch within an overseas jurisdiction, enabling RBL Bank to explore international business opportunities in capital markets, NRI accounts, and more.

Regulated by the International Financial Services Centres Authority (IFSCA), the IBU raises foreign currency deposits and bank borrowings to provide funding, loans, bank guarantees, and trade finance to overseas corporate customers. Loans by the IBU adhere to the strict underwriting standards of the Bank.

It participates in foreign syndicated loans and extends credit facilities to customers through External Commercial Borrowings (ECB) and trade credit, as well as treasury services for currency and interest rate hedging.

**4.2 Commercial Banking (CB)**

RBL Bank’s Commercial Banking segment finances the business needs of Small & Medium Enterprises (with turnover ranging from ₹ 50 crore to ₹ 250 crore) and Mid-Market Enterprises (with turnover ranging from ₹ 250

crore to ₹ 1,500 crore), prioritising emerging, fast growing enterprises and newer businesses.

RBL Bank is becoming the ‘Bank of Choice’ for transaction banking, offering cash, trade and forex services. It partners MMEs/SMEs with support and flexible offerings to help grow their business to the next level.

**Transaction Banking**

The Bank has expanded its Transaction Banking (TB) with strong growth across multiple business segments. It is focussing on growing market share through offerings such as Business Current Accounts, Collection and Payments Solutions, Trade Services and Trade Remittances. Core fees from transaction banking grew 20% on a YoY basis in addition to benefits accruing from upsells and cross-sells.

During FY 2022-23, the TB business enhanced its technology stack and cash management services for corporate clients by launching additional modules on the TradeX platform, thus, growing adoption rates significantly from both wholesale and retail banking customers. Further, the launch of new e-SCF portal is aimed at boosting the Supply Chain Finance Business. Integrated solutions across collect (cheque, cash, API, NACH, UPI) and pay (RTGS, NEFT, IMPS, ACH, QR), continue to remain a key driver to the liability franchise.

During the year, the Bank launched ‘Customs Payments’ services, in line with the Central Government mandates. Similarly, several state government mandates are ready for rollout. The Bank’s offering around PFMS-SNA (Public Financial Management System-Single Nodal Agency) to manage Central and state government funds under various schemes is gaining momentum. The Bank is already supporting States’ implementing agencies with technology-led front-end solutions connected to PFMS offering by the Government of India.

**Banking as a Service (BaaS)**

**Digital Payments**

RBL Bank has established itself in the rapidly evolving digital payments ecosystem through platforms powered by nimble operations and APIs. The focus is on building issuance, acquiring, channel, and open banking businesses.

The Bank has launched industry-specific solutions such as payment APIs, Domestic Money Transfer (DMT), Prepaid (Self Issuance, Partnership model & Escrow), Merchant Acquiring (Partnership Model), Collection platforms through Nodal accounts, Aadhaar-Enabled Payment System (AEPS)

and Unified Payments Interface (UPI). Collaborations with fintech innovators have helped create an advanced digital ecosystem, with the Bank offering digital customised transaction flows in line with regulatory and information security protocols. Additionally, the Bank extensively leverages data analytics for deeper insights into customer behaviour and needs to create unique propositions for customer and partners.

The key pillars of RBL Bank’s digital channels are Enablement, Experience and Trust, underpinning its digital customer acquisition model ‘Abacus’. Abacus 1.0, enabling seamless onboarding and data-driven customer journeys was upgraded to Abacus 2.0, which seamlessly integrates capabilities across various digital products, platforms, and channels to cater to B2B, B2C, and B2B2C opportunities. The Bank’s strong presence in the business enables the Digital India vision of the Government.

**Key new initiatives in FY 2022-23**

1. Launch of RBL Bank – BMRCL NCMC Card: The RuPay National Common Mobility Card (NCMC) launched in association with Bangalore Metro Rail Corporation Ltd (BMRCL) is in line with the Government of India and Prime Minister’s ‘One Nation One Card’ initiative. It can be used at all transit locations making all new metro and transit payments interoperable via one card, as well as across fuel payments, shopping, dining, parking and toll payment.
2. Collaboration with Amazon Pay to offer UPI Payment services: The Bank enables UPI Payments services for ‘Peer-to-Peer’ and ‘Peer-to-Merchant’ transactions.
3. Dream 11 – UPI Partnership: The Bank is providing escrow services to India’s first-ever fantasy sport company, by facilitating payments for its users through RBL Bank UPI collection solution.

service for queries that need assistance from bank executives.

- iii. Retail Internet Banking (RIB): The Bank's web-based application enables customers to experience seamless Internet Banking with ease.
- iv. Corporate Internet Banking (CIB): The Bank's browser-based platform for its current account holders has been revamped to enhance limit for IMPS transactions and offers Bill Pay facility to its users.
- v. Biz Bank App: The Bank's mobile-based application for its current account customers offers hassle-free registrations through compliance with SIM and Device binding features. It provides checkers and approvers with the capability to approve transactions and requests on the go. Users can also view real-time account balances and download statements.
- vi. Diplomat App: An extension of the MoBank app for its customers in the diplomatic segment, it enables foreign currency transactions and allied services.
- vii. Smart Branch: Equipped with a Virtual Relationship Manager (VRM), the Smart Branch enables the customer to access all services remotely.

**Additional Services on Digital Channels**

**i. National Payments Corporation of India (NPCI) Initiatives**

RBL Bank offers UPI (Unified Payment Interface) payments through the NPCI network, enabling customers to make individual & merchant payments through MoBank by scanning UPI QR code, available 24x7. The Bank is certified with NPCI to provide these services, covering all utilities payments. It has also successfully launched bill payment feature over Corporate Internet Banking. As such, UPI payments & online bill payments has grown multi-fold over the past year.

ii. **eASBA**  
Under the Bank's Application Supported by Blocked Amount (ASBA) facility, customers can raise bid applications in their interested IPOs/Rights Issues/FPOs/ NFOs while investing through ASBA and continue to earn interest on their CASA until they receive allotment in the applied issue. Nearly 80% of these applications are from eASBA – a testimony to the value provided by the digital experience.

iii. **Tax Payments**  
Customers can process their tax payments through RBL Bank Branches as well as its corporate & retail internet banking platform.

**4.3.3 Client Segments**

The Bank places the customer at the core of all its offerings. It tailors its offerings to match three customer segments of Insignia, Signature, and Aspire. It also follows a strong relationship & service model to cater to the HNI client's banking needs. Insignia Preferred banking is the premium banking offering for the high-net-worth customers and is available across 176 branches. Signature and Aspire Banking are available across 500+ branches across the country.

**4.3.4 Debit Cards**

The Bank offers 14 debit card variants across customer segments, including HNIs, salaried, SMEs, women

customers and more. Each card is uniquely positioned to cater to the specific needs of the cohort it is designed to serve. Select debit cards of the Bank offer a key value-added feature of Zero Markup on international transactions. During FY 2022-23, the overall spends on debit cards have continued to grow. RBL Bank is India's only bank to offer foreign-currency debit card services to diplomats.

**4.3.5. Specialised Online Digital Remittance Platform under LRS**

Under the Liberalised Remittance Scheme (LRS), the Bank has launched a specialised online digital remittance platform for prompt remittances. It provides money transfer in 16 different currencies with simplified documentation, lowest cost in the market, competitive foreign exchange rates, minimum/nil Bank charges, and more. It charges nil application of extra processing fees for remitting educational funds, making RBL Bank the chosen partner for the Education remittance segment. The Bank offers a variety of outward remittance products, including outward remittance, travel card, demand draft and foreign currency.

**4.3.6 Non-Resident Indians (NRI) Segment**

A dedicated relationship management model and digital-first platforms provide seamless and hassle-free banking experience to NRIs. The Bank's NRI customer base continues to grow across GCC, US, UK, Singapore, Hong Kong, Canada, and Australia.

**4.3.7 Diplomatic Missions**

The Bank's Diplomatic segment comprises embassies, high commissions, consulates and diplomatic personnel, across India. RBL Bank is the only bank in the country to launch a dedicated mobile app for this segment. The Bank is a large player in this segment, with over 240 missions/consulates & divisions (trade, defence, cultural, education, tourism among others) and about 1,600+ diplomats from over 135 countries across India.

**The Bank provides money transfer in 16 different currencies with simplified documentation, lowest cost in the market, competitive foreign exchange rates, minimum/nil bank charges**

**4.3.8 Trusts Associations Societies & Clubs (TASC)**

The TASC business is a key contributor to the Bank's growth in overall deposits. The business grew a healthy 30% during FY 2022-23 and will focus on educational institutes, religious trusts, co-operative & regional rural banks over FY 2023-24.

**4.3.9 Insurance**

The Bank has partnered with seven entities to offer a bouquet of insurance products, including HDFC Life Insurance; Bajaj Allianz Life Insurance; and ICICI Prudential Life; Bajaj Allianz General Insurance; ICICI Lombard General Insurance; Aditya Birla Health Insurance; and Care Health Insurance.

**4.3.10 Investments**

RBL Bank partners leading mutual fund houses to offer Investment Products such as Mutual Funds, Portfolio Management Services and AIF (Alternative Investment Fund) through its 'Invest First' digital platform. It enables customer access to market offerings through its unique 3-in-1 account offering comprises an RBL Bank account, a trading account of ICICI Securities Limited (a platform which allows you to trade in various financial instruments including equity) and an RBL Bank Demat account, which holds shares and other assets in the dematerialised or digital format.

#### 4.4 Retail Assets

The Retail Assets business segment of the Bank comprises:

- Secured Loan Programs
- Business Banking Group (BBG)
- Housing Loans
- Credit Cards
- Rural Vehicle Finance
- Microfinance

##### 4.4.1 Secured Loan Programmes

Catering to the small and medium businesses customer segment, the Bank offers secured loans in the form of Loan Against Property (LAP). The Bank partners with NBFCs for co-lending of secured business loans and offers clients with working capital finance through its branch network. During FY 2022-23, the Bank enhanced its portfolio quality by focussing on customers with higher credit scores and ensuring the business is spread across regions to mitigate concentration risk.

##### 4.4.2 Business Banking Group (BBG)

The Bank helps MSMEs meet their working capital and capex needs under the sole banking arrangement provided through their branch network across various cities. Key products include cash credit, overdraft, term loans, export- import credit, bill discounting, letter of credit and bank guarantee and more. Facilities are secured through collaterals. Post-pandemic, additional financial support in the form of Emergency credit line is being extended to existing customers to help them tide over turbulent times. The Bank follows robust monitoring mechanisms to ensure

asset quality of the portfolio. In FY 2023-24, the Bank will focus on expanding its presence.

##### 4.4.3 Housing Loans

RBL Bank offers housing loans with loan ticket sizes ranging from a minimum of ₹ 7 lakh to ₹ 15 crore. In FY 2023-24, the Bank will focus on growing the category with mark to market pricing, exclusive tie-ups with reputed builders, specific targeted campaigns towards the salaried segment, and established channel partners. It is currently sourcing housing loans through select liability branches, builder projects and business correspondent partner. The Bank intends to move towards digital onboarding for existing as well new to bank applicants.

##### 4.4.4 Credit Cards

RBL Bank's credit card business is currently the sixth largest in the country, and the Bank also ranks sixth in terms of card spends. The Bank's card portfolio has grown from 83,000 customers in FY 2015-16 to 4.4 million customers in FY 2022-23 via strategic partnerships, diversified portfolio, and powerful customer experience.

In the last one year, the business has acquired around 2.1 million customers holding a market share of 5.2%. The book size has grown to ₹ 16,800 crores in just 6 years. The cards division also saw one of the highest growth in y-o-y spends in the domestic industry during FY 2022-23, with total spends of over ₹ 59,600 crore.

Key Product Developments & Process Enhancements

- 1) Launch of co-branded credit cards in FY 2022-23 with existing partners with offers targeting specific uses:
  - PaisaBazaar Duet and PaisaBazaar Duet Plus, are 2-in-1 cashback cards with offers on purchases and also a line-of-credit from RBL Bank with instant money transfer into the account.
  - Play, in association with BookMyShow, is available to customers on BookMyShow; it provides

**In the last one year, Credit Cards business has acquired around 2.1 million customers holding a market share of 5.3%**

offers across movies and live entertainment, enabling access to content on the BookMyShow Stream.

- 2) Brand new channel partnerships: The Bank launched partnerships with top leading fintech players in the industry, LazyPay and BankBazaar.
  - LazyPay Credit Card on the LazyPay application provides 1% cashback on all online and offline spends.
  - Savemax co-brand cards offer accelerated rewards on groceries & cashbacks on Zomato & BookMyShow along with free monthly credit checks from BankBazaar.com.
- 3) Integration of Bank's SDK in Co-Brand partner mobile apps: The Bank is enabling its credit card customers to easily access card-related information through e-comm apps of Co-Brand partners such as Zomato and PaisaBazaar. By embedding its SDK in these apps, the Bank has enhanced customer experience while ensuring compliance to the regulator's guidelines on protecting customer privacy.
- 4) New digital acquisition channels for Short-term Personal Loan and Xpress Cash facility: Facilities such as short-term personal loan and Xpress Cash on RBL Bank Credit cards are now available on RBL Bank Credit Card Mobile App 'MyCard' as well as chat-bot, driving ~70% of new acquisitions.
- 5) A simplified & digital card application journey for existing customers: A convenient & digital card application journey was developed to help existing RBL Bank customers apply for secured credit cards through RBL Bank's mobile banking application 'Mobank'.
- 6) Touch-free instant card issuance: The Bank issues cards instantly in a touch-free mode through API-based integrations for partners.
- 7) 'RBL MyCard': The Bank's credit card customers can now manage their card accounts with utmost ease, including converting credit card transactions into EMIs (MyCard accounts for 85% conversions at no extra cost) and short-term personal loans, and more. Nearly 85% of active credit card accounts use MyCard; 83% of these are regular users.

##### 4.4.5 Rural Vehicle Finance

With farm mechanisation expanding consistently at a CAGR of ~10+%, RBL Bank launched the Rural Vehicle Finance vertical in FY 2021-22 dedicated to funding farm equipment. In FY 2022-23, fresh loans amounting to ₹ 869 crore were disbursed to 18,573 customers – growing 267% over the previous year. As of March 2023, the existing book size was worth ₹ 1,029 crore with an active customer base of 26,229, with most of them falling under the ambit of priority sector lending.

Product Offerings - This business focusses on funding new tractor, used tractors, harvesters and farm equipment.

Customer Segment & Coverage – The Bank services small and medium farmers by ascertaining their incomes and bureau scores, across all major tractor and farm equipment selling areas.

Channel Partners - Sourcing is done through a network of ~3,700 channel partners across 9 states, which include new tractor dealers, Direct Selling Agent (DSA), online partners and local influencers. There are plans to extend these services to 3 more states during FY 2023-24.

Digital Lending platform – The Bank's rural customers experience digital services whose experience matches that of urban customers, that too with minimal documentation, transparency in transactions, loan approvals and disbursements within 24 hours of application.

##### 4.4.6 Microfinance

The Bank offers microfinance solutions to unserved and underserved segments of rural India, contributing 100% to its priority sector lending. These include credit facilities as well as programmed savings, and life, health and general insurance products to individuals, groups, and small businesses. It encourages financial inclusion by providing finance to women borrowers and conducts financial literacy trainings for financial awareness.

- During FY 2022-23, the Bank's training partner 'Arunodaya Sarveshwari Lok Kalyan Samiti' in Madhya Pradesh conducted 162 training sessions in all, benefitting 3,470 individuals.
- Additionally, in Q4 FY 2022-23, the Bank conducted compulsory group training for 1,17,671 groups.
- A total of 3,63,750 women were trained until March 31, 2023.

The Bank's flagship financial literacy programme 'SAKSHAM' continues to empower women with financial literacy training, 10 years since its launch in December 2013, using traditional delivery methods.

#### 4.5 Treasury and Markets

The Treasury and Markets function comprises domestic markets, treasury sales, debt capital market and bullion sales.

##### 4.5.1 Domestic Markets

Focussing on the day-to-day management of funds for the Bank, including liquidity coverage ratio (LCR), Statutory Liquidity Ratio (SLR) and Cash reserve ratio (CRR), the Domestic Markets Group deploys the Bank's liquidity in high-quality earning securities by taking proprietary positions (in rates, equities, and currency trading) as defined by Asset Liability Committee of the Bank.

##### 4.5.2 Securities Trading

The Bank has a proprietary desk dealing in interest rates trading through government bonds, corporate bonds, and interest rate futures and swaps. FY 2022-23 saw bearishness in the bond markets as a result of aggressive hike in REPO rates and reduced liquidity in Banking system from a surplus of ₹ 8 lakh crore to ₹ 1 lakh crore, undertaken by RBI.

These led to yields blowing out further, specifically in money market rates: 1-year bill saw yields going higher by 200+ bps; 10-year yield on Government Bonds started the year at 6.80% and hit a high of 7.60% during the year. Despite this, the Bank's trading desk actively managed to deliver healthy trading profits. The equity desk also contributed by undertaking primary and secondary market investments.

##### 4.5.3 Liquidity Management

The Bank continues to maintain sufficient levels of liquidity and contingency buffers in the light of ongoing banking crises around the globe. Throughout FY 2022-23, the Bank successfully garnered funding from various sources through prudent choice of liabilities. The Bank continues to maintain a healthy Liquidity Coverage Ratio (LCR) at levels higher than the regulatory requirement, resulting from a prudent mix of long-term granular deposit mobilisation and rupee borrowings in the form of re-finance from various financial institutions. Derivatives are used to hedge the interest rate risk associated with assets and liabilities considering the volatility.

##### 4.5.4 Capital Markets

Capital Markets team delivers across Debt Capital Markets (DCM), Loan syndication and Structured Finance (SF) distribution business, working closely with asset managers, insurance companies, other banks and investors to understand their requirements and originate transactions as well as for sell-down of underwritten transactions.

##### 4.5.5 Debt Capital Markets (DCM)

The DCM desk provides advisory services to corporate issuers for expansion, acquisitions, and refinancing of existing debt. During the year, the Bank partnered with clients to offer bespoke solutions for fund raising and closed marquee transactions generating robust fee income. The team structures, under-writes and places bonds, loans, asset-backed securities and more to various investors - NBFC, mutual funds, insurance companies, banks, wealth clients and more.

##### 4.5.6 Structured Finance & Debt Syndication

The debt syndications and structured finance business has developed a niche in loan distribution abilities. During FY 2022-23, the team successfully managed various debt issuances of mid-sized corporates, including structured term loans, working capital and infrastructure finance. The debt syndication desk contributed significantly to foreign currency loan book through GIFT city branch. The team focusses on partnering mid-sized, growth-oriented companies, introducing them to investors. The team has nurtured relationships across the financial markets especially with NBFCs, IDFs and more.

Operating Revenue rose 9.0% YoY from ₹ 6,367 crore to ₹ 6,941 crore in FY 2022-23. Net Interest Income (NII) rose 10.5% YoY from ₹ 4,027 crore to ₹ 4,451 crore in FY 2022-23. Non-interest income, comprising fee income, trading income and other income, grew 6.4% YoY from ₹ 2,340 crore to ₹ 2,490 crore in FY 2022-23.

Operating expenses increased 30.8% YoY from ₹ 3,622 crore to ₹ 4,738 crore in FY 2022-23 as the Bank continued its investments in increasing its distribution footprint, customer acquisition, technology and employee addition.

Operating Profit as a result, de-grew 19.8% to ₹ 2,203 crore from ₹ 2,745 crore in FY 2021-22.

Provisions and contingencies decreased 64.3% YoY from ₹ 2,860 crore in FY 2021-22 to ₹ 1,022 crore in FY 2022-23 primarily due to normalisation in businesses, specifically the Bank's retail segments, and continued recoveries from accounts which had turned non-performing in previous years.

As a result, the Bank reported a Profit after Tax of ₹ 883 crore for the year as compared to a Loss of ₹ 75 crore in FY 2021-22.

Net Interest Income (NII) rose 10.5% YoY from ₹ 4,027 crore in FY 2021-22 to ₹ 4,451 crore in FY 2022-23. NII was 64.1% of the total Operating Revenue in FY 2022-23 as against 63.2% in FY 2021-22.

During this period, the yield on interest earning assets increased from 9.0% last year to 9.6% in FY 2022-23. The yield on advances increased by 23 bps from 11.6% in FY 2021-22 to 11.8% in FY 2022-23. The yield on investments increased by 43 bps during FY 2022-23.

Cost of funds increased by 37 bps from 5.0% in FY 2021-22 to 5.4% in FY 2022-23. In FY 2022-23, the Bank's focus continued to be on increasing the contribution of retail deposits, improving granularity and tenor of deposits, improving CASA and maintaining healthy levels of liquidity. Due to the increasing interest rate environment, the cost of deposits increased from 4.9% last year to 5.3% in FY 2022-23.

CASA deposits reported an increase of 13.8% from ₹ 27,879 crore in FY 2021-22 to ₹ 31,717 crore in FY 2022-23.

**Non-Interest Income**

(₹ in crore)

Particulars	FY 2022-23	FY 2021-22	% Change
<b>Fee Income</b>	<b>2,324</b>	<b>2,070</b>	<b>12.2%</b>

<b>Trading Income</b>	<b>166</b>	<b>268</b>	<b>(37.9%)</b>
<b>Total</b>	<b>2,490</b>	<b>2,340</b>	<b>6.4%</b>

Non-interest income comprising fees, trading and miscellaneous income increased by 6.4% from ₹ 2,340 crore in FY 2021-22 to ₹ 2,490 crore in FY 2022-23 and constituted 36% of the Operating Revenue of the Bank.

Fee income increased by 12.2% from ₹ 2,070 crore in last financial year to ₹ 2,324 crore in FY 2022-23 and continues to remain a significant part of the Bank's non-interest income. Fee income constituted 93.3% of non-interest income and contributed to 35.9% of the Operating Revenue in FY 2022-23.

Total fee income from the Bank's retail operations accounted for 28.6% of the total Operating Revenue of the Bank in FY 2022-23 as compared to 26.6% in FY 2021-22, and 79.7% and 72.4% of the Bank's total fee income for FY 2022-23 and FY 2021-22 respectively.

Wholesale Banking accounted for 15.2% of the total fee income in FY 2022-23.

In FY 2022-23, trading income decreased 37.9% to ₹ 166.4 crore from ₹ 268.0 crore last year mainly on account of the lower income to the Bank on the SLR portfolio in FY 2022-23.

**Operating Revenue**

The Operating Revenue rose 9.0% YoY from ₹ 6,367 crore to ₹ 6,941 crore in FY 2022-23. This was primarily led by increase in Net Interest Income in FY 2022-23. The Bank saw an increase in Interest Income primarily owing to increased lending activity specially in its microfinance business segment and the reducing negative impact of excess liquidity carried by the Bank in FY 2022-23.

**Operating Expenses**

(₹ in crore)

Particulars	FY 2022-23	FY 2021-22	% Change
Employee Expenses	1,340	1,002	33.8%
Depreciation	196	164	19.8%
Other Operating Expenditure	3,202	2,456	30.3%
<b>Total Operating Expenses</b>	<b>4,738</b>	<b>3,622</b>	<b>30.8%</b>

The operating expenses for the Bank increased 30.8% in FY 2022-23 as compared to last year, from ₹ 3,622 crore to ₹ 4,738 crore, primarily owing to the Bank's continued investments in expanding infrastructure, technology, customer acquisition and human resources required for supporting the existing and new businesses.

Staff cost increased 33.8% from ₹ 1,002 crore in FY 2021-22 to ₹ 1,340 crore in FY 2022-23. This was due to 19.2% increase in employee strength from 9,257 as at end of FY 2021-22 to 11,032 as at the end of FY 2022-23, and an increase in employee compensation of 10.13% (average) in FY 2022-23. In addition, the Bank recognised the full impact of ESOPs granted to employees as against the impact of ESOPs given to Material Risk Takers in FY 2021-22. This change saw an additional impact of ₹ 17 crore in FY 2022-23 related to the earlier period.

Other operating expenses increased 30.3% YoY from ₹ 2,456 crore in FY 2021-22 to ₹ 3,202 crore in FY 2022-23. The increase was primarily due to the full year impact of investments in branch infrastructure done in FY 2021-22 along with branch additions done in FY 2022-23 and technology related costs to support business growth.

**Operating Profit**

During the year, the operating profit of the Bank decreased by 19.8% to ₹ 2,203 crore from ₹ 2,745 crore last year on account of higher growth in the expenses along with comparatively lower growth in operating revenues.

**Provisions and Contingencies**

(₹ in crore)

Particulars	FY 2022-23	FY 2021-22	% Change
Provision on NPAs	1,122	2,500	(55.1%)
Standard Assets	(222)	304	(172.9%)
Other Assets	54	8	563.7%
Provision on Investments	68	48	39.3%
<b>Total Provisions</b>	<b>1,022</b>	<b>2,860</b>	<b>-64.3%</b>

The Bank provided ₹ 1,122 crore towards non-performing assets as compared to ₹ 2,500 crore last year. The decrease in provision towards non-performing assets was primarily on account of lower, more normalised slippages in the retail assets segment of the Bank. These are mainly in the unsecured loan segments which were severely impacted as a result of the second wave of the COVID-19 pandemic in FY 2021-22. The slippages in FY 2022-23 were ₹ 2,755 crore as compared to ₹ 3,943 crore in FY 2021-22. The Bank's Provision Coverage Ratio was 68.1% as at March 31, 2023.

**Provisions for standard assets**

The Bank saw a provision release of ₹ 222 crore for standard assets in FY 2022-23 as compared to provision of ₹ 304 crore last year.

**Provision on Investments**

Provision for non-performing investments for FY 2022-23 amounted to ₹ 68 crore as compared to ₹ 48 crore in FY 2021-22. The increase was primarily on account provisioning on Securities Receipts.

**Provision for tax**

Provision for tax for FY 2022-23 stood at ₹ 298 crore as compared to a negative of ₹ 40 crore for last year.

**Net Profit**

As a consequence, the Bank reported a profit after tax of ₹ 883 crore for the year ended March 31, 2023 as compared to a loss of ₹ 75 crore last year.

**Book Value per Share was ₹ 216.76 as at March 31, 2023**

**Asset Quality**

The Bank saw a reduction of ₹ 309 crore to Gross NPAs during the year with the Bank's ratio of Gross NPAs to gross advances decreasing to 3.37% at the end of March 2023 from 4.40% as at the end of March 2022. The Bank reduced ₹ 34 crore in Net NPAs and the Bank's Net NPA ratio (Net NPAs as percentage of net advances) reduced to 1.10% from 1.34% for the same period.

The Bank's provision coverage increased during FY 2022-23 and stood at 85.0%, including prudential write-offs and 68.1% excluding prudential write-offs. The Bank's accumulated prudential write-off pool stood at ₹ 2,738 crore as at end of FY 2022-23.

The fund-based outstanding of standard loans under COVID-19 resolution scheme as at March 31, 2023 stood at ₹ 344 crore. The linked non-fund based outstanding for which there was no change in original terms stood at ₹ 0.46 crore. Outstanding restructured loans under the MSME scheme stood at ₹ 635 crore. The Bank held a provision of ₹ 130 crore on these restructured assets.

**Other Key Ratios**

Basic Earnings Per Share (EPS) in FY 2022-23 was ₹ 14.72 compared to a negative of ₹ 1.25 last year, while the Diluted Earnings Per Share was ₹ 14.66 compared to a negative of ₹ 1.25 last year. Return on Equity (RoE) and Return on Assets (RoA) were 6.69% and 0.83%, respectively. Book Value per Share was ₹ 216.76 as at March 31, 2023. Credit Deposit ratio of the Bank as on March 31, 2023 was at 82.71% as compared to 75.97% last year.

## 5. RISK REPORT

### 5.1 Risk Management Framework

Effective Risk Management is integral to the Bank's ability to deliver sustainable growth. The Bank's Risk Management Framework is underpinned by its strong risk culture and commitment to total compliance. The Bank's Risk Management Framework ensures that all risks to the Bank's business sustainability are well understood, along with the existence of appropriate and adequate measures

to monitor, mitigate and control these risks. It comprises key aspects of: a) Risk taxonomy, b) Risk appetite, c) Risk culture, d) Risk governance.

**a) Risk Taxonomy**

The Bank's risk taxonomy classifies types of risk facing the Bank's business, taking into account the various external causative factors such as macroeconomic environment, disruptive technologies, environmental, social and governance (ESG), climate risk, legislation, regulation and internal causative factors such as people, processes, systems, balance sheet, products, clients, reputation and behaviour and more. There are various processes in place to identify emerging risks, to be analysed and classified as a next step.

**Three Lines of Defence Model**

The Bank follows the industry standard of 'three lines of defence model' of risk management to clearly demarcate the responsibility between risk takers and different internal control functions. The management within each business or function consists the first line of defence. They operate their business within a set risk appetite, framework for which is provided by the second line consisting of dedicated departments. The third line of defence is the Internal Audit authority, which evaluates the effectiveness of governance processes and outcomes, compliance to internal policies/regulatory guidelines, management, and control processes. It has a coordinating role towards the external auditor and the regulators.

**b) Risk Appetite**

Risk appetite refers to the level of risk that the Bank is willing to take in its pursuit of business growth. The Bank is committed to maintaining a moderate risk profile, which is assessed regularly. At the apex level, the Bank's Board of Directors approve the risk appetite statement, which defines acceptable risk boundaries and drives the Bank's business strategy.

The Bank's Chief Risk Officer (CRO) assists and reports to the Risk Management Committee of the Board (RMCB), a Board sub-committee in fulfilling their risk oversight responsibilities. The CRO establishes ongoing risk management practices appropriate for size and scale of the Bank and escalates identified or emerging risk exposures to the Management and the Board. The CRO does not have discretionary authority to approve any transaction.

The status of adherence to the risk appetite, breaches along with curative actions, the outlook/glide path and such are discussed by the Executive Risk Committee, Risk Management Committee of the Board and the Board, at quarterly intervals by way of Enterprise Risk Management report.

**c) Risk Culture**

The Bank has created an institutional framework to enable all employees to understand the need for prioritising risk and compliance as integral to its risk culture. The Bank leverages Target Operating Model Framework to control credit concentration risks and move towards risk-based (linked to internal credit rating) credit origination, credit underwriting and exposure management to achieve desired/target risk profile the Bank has set itself. These include risk appetite thresholds/tolerance levels, KRIs for various businesses, segments, products and more, facilitated through continuous communication, awareness, education, and training. These are guided by management KPIs to inculcate the larger objective that risk mitigation is a shared responsibility for everybody.

**d) Risk Governance**

**Risk Management Committees**

The Risk Management Committee of the Board (RMCB) monitors the risk management function of the Bank. It prescribes policies, processes, systems and strategies for monitoring and managing the entire gamut of risks i.e. credit risk, market risk, concentration risk, liquidity risk, interest rate risk and operational risks, regulatory and compliance, third party risk, reputation risk, cyber risk and more.

It is supported by various executive committees: the Executive Risk Committee (ERC); Management Credit Committee (MCC); Asset Liability Management Committee (ALCO); Product Approval Committee (PAC); Operational Risk Management Committee (ORMC); Retail Risk Management Committee (RRMC); Business Operations & Technology Steering Committee (BOT); Compliance Implementation Committee (CIC) and Environmental & Social Risk Governance Committee (ESGC). The ORMC and RRMC report to the ERC.

The Board Investment and Credit Committee (BICC) monitors the Bank's treasury investment performance and also approves credit & investment proposals as

defined in the Bank's credit policy. The IT Strategy Committee of the Board oversees the overall IT strategy of the Bank, including cyber security risk. It prescribes policies and procedures with respect to cyber security and is supported by the Information Security Steering Committee (ISSC), an executive committee.

Details and brief terms of reference of the various executive committees:

1. Executive Risk Committee (ERC) is responsible for identifying, monitoring and managing both current and emerging risks at the enterprise level and the development of the Bank's risk appetite statement. It reviews the adequacy of the enterprise risk management framework, policies and procedures and recommends policies on standards for presentation of credit proposals, financial covenants, ratings, prudential limits on large credit exposures, standards for loan collaterals, and more.
2. The Management Credit Committee (MCC) operationalises the credit policy and implements credit framework as approved by the Board and the RMCB for retail & wholesale banking businesses. It also reviews the performance of Exception Management Committee and approves credit proposals as per delegation authority prescribed in the Board-approved credit policy.
3. The Bank's Asset Liability Management Committee (ALCO) is responsible for managing market risks liquidity risk, interest rate risk in banking book, currency risk, funding policy and the pricing of deposits and advances.

4. The Product Approval Committee (PAC) is a cross-functional committee comprising members of the senior management, which reviews and approves of all new products and service offerings. It also periodically reviews existing products.
5. The ORMC is a cross-functional committee of the senior management, which oversees operational risk management across the Bank by establishing an appropriate operational risk management framework.
6. Retail Risk Management Committee (RRMC) is responsible for risk oversight over retail credit portfolios of the Bank and reports into ERC.
7. The Business Operations & Technology Committee (BOT) committee is responsible for approving and overseeing strategic and new operations & technology projects, ensuring alignment with the Bank's strategy, and management of IT-related risks.
8. The Compliance Implementation Committee (CIC) oversees regulatory compliances.
9. The Environmental & Social Risk Governance Committee (ESGC) oversees the implementation of the environmental and social risk management system across the Bank.
10. The Information Security Steering Committee (ISSC) ensures adequacy of information security policy, standards and procedures. It also ensures that Bank is fully prepared for all types of technology threats.

**Risk Management Policies**

The Bank's Enterprise Risk Management (ERM) policy is based on best practices and provides a summary

**The Bank has created an institutional framework to enable all employees to understand the need for prioritising risk and compliance as integral to its risk culture.**

of its principles regarding risk taking and risk management. The Risk Appetite Framework, Internal Capital Adequacy Assessment Process (ICAAP) and Stress Testing framework are pillars of the Bank's enterprise risk management policy.

The Bank has various policies such as Liquidity Risk & Asset Liability Management (ALM) Policy; Credit Policy; Investment Policy; Liquidity and Contingency Plan; Market Risk Policy; FX & Derivatives Policy; Customer Suitability and Appropriateness Policy; Internal Control Policy; Recovery Policy; KYC and AML Policy; Operational Risk Management Policy; Risk-based Internal Audit Policy; Sustainability Policy; Cyber Security Policy, Information Security Management Policy, and more.

#### Risk Management System

The Bank has a robust framework to communicate risk MIS to its senior executives and risk committees in the form of dashboards and reports. Portfolio-level risk aggregates are assessed through various reports covering credit risk, market risk, operational risk, liquidity and interest rate risk, among others, reviewed by the Board/RMCB/Risk Committees/Senior Management on an ongoing basis.

## 5.2 Risk and Mitigation

### 5.2.1 Capital Adequacy Risk

The Bank maintains a strong capital position with the capital ratios well above the thresholds defined by the regulator. The Bank has strengthened its Tier 1 capital structure through continuous and timely capital infusion, adhering to its Board-approved risk appetite threshold.

### 5.2.2 Credit Risk

In a Bank's portfolio, losses may arise due to outright default or due to inability or unwillingness of a customer

or counterparty to meet commitments in relation to re-payments, trading settlements, or any other financial transaction. Alternatively, losses could occur due to reduction in collateral value. The Bank's credit policies prescribe the sanction and monitoring procedures for various categories of loans, with separate credit origination and appraisal processes for wholesale and retail segments.

Within the Wholesale segment, the Bank has adopted Target Operative Model (TOM) to help manage concentration risks (counterparty, borrower group, tenor risks). TOM is defined for different client segments that is based, inter alia, on internal risk ratings and other risk parameters.

Internal ratings for the wholesale segment is carried out by Independent Credit Rating (ICR) function that is independent of the credit and business function. The ICR facilitates informed credit decision-making by quantifying credit risk in a way that is consistent, reliable and valid. It adds to the ease of credit approving authorities in evaluating the creditworthiness of borrowers.

The Retail segment relies largely on standardised product programmes for credit risk assessment and approvals. The Bank also monitors credit concentration of exposures to single borrower, group of borrowers, sensitive industry exposures, geography and product, among others. Portfolio reviews for Wholesale and Retail are conducted on regular basis.

### 5.2.3 Market Risk

The Bank manages market risk in accordance with the Board-approved investment policy, market risk management policy, foreign exchange & derivatives policy, and customer suitability and appropriateness policy. The Market Risk Policy identifies all the risk factors which arise out of Treasury activities, defining limits at position/product- and portfolio-level as per the risk appetite set by the Board.

The investment policy lays down the instruments that are permitted to be held as investments and also defines prudential limits for various categories of instruments. The Bank has implemented all the necessary infrastructure in terms of systems and risk management processes and has undertaken the Libor transition for all the applicable benchmarks and curves at the appointed date i.e., December 31, 2021.

### 5.2.4 Liquidity Risk

The Bank emphasises the management of funding Liquidity Risk, as it is the most important of risks. The Bank has a

comprehensive Liquidity Risk & ALM (Asset-Liability Management) policy incorporating RBI guidelines and industry best practices and maintains Liquidity Coverage Ratio (LCR) as per RBI guidelines. The Bank has also put in place a mechanism of short-term dynamic liquidity and contingency plan as a part of liquidity risk management. Contingency Funding Plan (CFP), approved by the Board sets forth a process of dealing with crisis situations in the event of a liquidity crunch or a run on the Bank.

### 5.2.5 Compliance Risk

The Bank has an independent Compliance function for effective management of compliance risk. The Chief Compliance Officer reports to the Board of Directors. The Bank practices zero tolerance to compliance breaches and has also included adherence to regulatory and internal guidelines into its Code of Conduct, which requires every employee to sign during enrolment. The Bank has adopted a code for prevention of insider trading, which is applicable to its Board members and employees, as well as their dependent family members. Under the supervision of the Managing Director and CEO, the Company Secretary is tasked with setting forth policies and procedures and monitoring compliance with the rules related to the disclosure of price sensitive information.

### 5.2.6 Cyber Security Risk

The Bank has robust policies, procedures, controls and monitoring tools to manage and mitigate cyber security risk. The framework covers people, processes and technology. The Bank has a cyber security policy and the information security management policy approved by the Board. The Bank also has a robust cyber crisis management plan to establish strategic framework and actions to prepare for, respond to, and recover from a cyber-incident, should this occur.

### 5.2.7 Digital Risk

The Bank has an independent Digital Risk function reporting under Enterprise Risk function for management and mitigation of risk pertaining to unwanted and often unexpected outcomes of digital transformation. The Digital risk team reviews PAC notes, reviews and approves of SOPs, Business Requirement Documents (BRD), loss data, fraud data, new business partnerships, provisions created, customer complaints and internal audit reports and more. It is also responsible for transaction monitoring.

### 5.2.8 Environment & Social Risk Management (E&S)

RBL Bank has made a strategic commitment towards sustainable development, making it an integral part

**The Bank has a robust cyber crisis management plan to establish strategic framework and actions to prepare for, respond to, and recover from a cyber-incident, should this occur.**

of its business practices, including risk management. The Environmental and Social Risk Governance (ESG) Committee provides due oversight and periodic updates to the Board.

The Bank has developed a comprehensive ESG framework with the following key objectives:

- Setting strategic E&S objectives, such as new offerings that address E&S sustainability
- Incorporating E&S risk considerations into all financing activities and developing client awareness on this subject
- Exclusion of clients whose business activities do not meet the Bank's principles; the Bank has adopted the IFC Exclusion List
- Communicating E&S expectations to all employees, clients and other external stakeholders
- Consistently enhancing the Bank employee's capability to identify E&S risks
- Developing and delivering financial products and services that enable more sustainable agricultural practices and result in resource conservation/enhancement of resource efficiency
- Running microbanking programmes for marginalised, economically weaker sections in various states across the country.

E&S risk assessment is an integral part of the credit appraisal and sanction process.

All transactions are screened against the 'exclusion list' - an illustrative list of activities which the Bank does not fund, including production or trade in weapons and munitions;

production or trade in alcoholic beverages excluding beer and wine; production or trade in tobacco; activities of gambling, casinos and equivalent enterprises, among others.

These are screened for E&S risks as per the Bank's Environmental and Social Management System based on the IFC's Performance Standards (PS). The Bank engages with the client to perform a detailed E&S due diligence involving identification, assessment and mitigation of potential E&S risks, including impact of climate change. In case material unmitigated risks are identified, the Bank requires the client to mitigate the same in a time-bound manner through a Corrective Action Plan (CAP), which are discussed and agreed upon mutually. These are also incorporated into the legal documentation with the client. The CAPs are tracked and monitored by the Bank.

**Climate Risk:**

As a part of E&S Risk assessment, the Bank assesses climate-related risks and runs it through a mandatory probabilistic tool to identify and evaluate any physical climate change risks. It covers extreme weather-related events like floods, draught, storms, landslides, and more. A risk score is generated and all high-risk cases are flagged to relevant business and credit teams. The Bank also focusses on transition risks by identifying Borrowers that are: (a) Overly dependent on water or energy for operations; (b) Sectors facing market pressure towards transitions; and (c) Sectors with supply chains that could be adversely affected due to climate-related transition risks.

In FY 2022-23, the Bank adopted exposure limits to the carbon intensive sectors like coal, oil & gas, iron & steel. The sectoral exposure as a percentage of the loan book is tracked monthly and reported to the management. This should serve as a proxy to the transition risk, in absence of borrower-specific emissions and related potential financial risks. The Bank is also looking at other best practices from interactions with various stakeholders for the integration of these parameters in the scenario analysis and stress testing.

In August 2022, the Bank became a supporter of the Taskforce on Climate-related Financial Disclosures (TCFD). TCFD recommendations are based on four pillars – governance, strategy, risk management, and metrics and targets. Given its remit from the Financial Stability Board, the TCFD is committed to market transparency. The RBI has also recommended adoption of the TCFD

Framework by Indian banks, in its new climate risk consultation paper.

The Bank has a dedicated E&S expert group within the risk team, which provides the necessary tools and templates to assist the transaction teams in performing E&S due diligence. The group also reviews the E&S due diligence reports prepared by transaction teams for quality standards. The group provides updates on E&S risks to Senior Management and the Board at periodic intervals. Please refer to Natural Capital for more details on E&S Risk Assessment.

**5.2.9 Operational Risk**

Operational Risk results from inadequate or failed internal processes, people and systems or from external events, including legal risk. The Bank's use of technology exposes it to potential errors, frauds, or unforeseen events resulting in unexpected losses. The Bank has a Board-approved Operational Risk Management Policy. The Operational Risk Management Committee (ORMC) provides the ORM framework in line with the ORM Policy and implements the operational risk activities of the Bank.

Accordingly, the Bank's operational risk identification process includes, inter-alia:

- New Product Approval Process
- Risk and Control Self-Assessment (RCSA/RCM)
- Key Risk Indicators (KRI)
- Operational Loss Events (Loss & Near Miss cases)
- Control Issues & Actions

The Bank has also introduced a Third Party Risk Management Governance Framework for screening of third parties (sometimes interchangeably referred to as vendors, suppliers, partners, contractors, and/or service providers).

Key metrics used for measurement of Operational Risk include:

- (i) Operational Losses
  - Total Gross Operational Loss
  - As a Percentage of Capital
  - As a Percentage of Revenues
- (ii) Key Risk Indicators (KRI)
- (iii) High Risk Open Actions Ageing

These metrics are tracked at individual Business/Support Unit level, aggregated at the Bank level and measured against the established risk appetite of the Bank.

**5.2.10 Model Risk**

The Bank has an inventory of retail and non-retail models, enlisted in the Enterprise Risk Management (ERM) Policy, which are increasingly being used across the banking sector for informed strategic decision-making. Success of financial models depends considerably on judgement and expertise, which is critical since the objective is to replicate real-life situations. The Bank maintains model risk sanctity through initial and periodic validation, helping to improve its reliability.

The Bank has been validating some of the models such as credit rating, ICAAP, and more, externally. However, it

has also established a model validation forum to govern the Model Validation framework and review its validation exercises undertaken prior to reporting to the ERC and the RMCB. The Bank's existing retail validation forum, which was undertaking validation of the retail model, has been included in the Bank-level Model Validation forum.

**5.2.11 Stress Testing**

The Bank undertakes stress test for Credit Risk, Credit Concentration Risk, Market Risk, Interest Rate Risk in the Banking Book, Operational Risk, Counterparty Credit Risk, Liquidity Risk and Intra Day Liquidity Risk. It helps gauge potential vulnerability to exceptional but plausible adverse events. The results of the same are reviewed in the ERC Sub-Committee and subsequently placed to RMCB on a quarterly basis.

**5.3 Technology Adaptation to Aid Risk Management:**

Various digital platforms help enhance the Bank's risk management capabilities across functions such as Regulatory Capital (RWA), Market Risk, Operational Risk & Fraud Risk. Some of these initiatives are:

Data analytics for retail business – Helps with sourcing, credit decisioning as well as credit monitoring. All models are validated by independent model validation team under the CRO's vertical or by Forum/Committee.

Early Warning System – Using publicly available information in external databases, stock markets, disclosures, news, and so on, to highlight potential red flags, the platform aids better credit decisioning and credit monitoring.

Machine Learning based models – Used for predicting stress-based on transactional data with the Bank such as Current Account, CC-OD transactions, LCs, BGs, cheque bounces and more. It helps with real-time fraud prevention by monitoring multiple transaction channels such as ATMs, mobile banking, net banking, and more.

Market Intelligence Unit (MIU) – In line with the Malegam Committee recommendations on large value loan exposures, the Bank has set up a dedicated Market Intelligence Unit to conduct both Pre and Post onboarding checks on borrowers of Wholesale Banking group.

**6. TECHNOLOGY**

Technology has been and continues to be a major pillar in driving the Bank's strategy. It has shown significant growth over the past two years specifically in strengthening of

the IT infrastructure and architecture. Building on these efforts, in FY 2022-23, the Bank invested in cutting-edge technologies, strengthening cybersecurity measures, and expanding its digital banking offerings.

It continues to stay invested in creating a seamless digital and customer experience across digital touchpoints and also ensures resilience through a robust disaster recovery mechanism. Moreover, the technology team also aligns with business needs to provide effective and timely solutions to business problems.

Key highlights of FY 2022-23

- **Finacle Upgrade from 10.2.09 to 10.2.25:** RBL Bank became the first bank in India to adopt the containerised version of Finacle CBS, enabling the Bank to handle rapid growth and product portfolio expansion. It facilitates a seamless transition to digital banking, supported by a robust core banking engine and an improved pathway for system enhancement and automation.

The migration has improved operations, enhanced security, customer experience, efficiency, scalability, and cost savings.

- **Automation (Low code No Code + Robotic Process Automation BOTs):** The Bank set a new benchmark in the number of live applications on 'Low Code No Code' platforms and Robotic Process Automation.

The Bank's Automation Centre of Excellence (CoE) successfully delivered over 160+ LCNC and RPA applications. It has automated several critical and time-bound processes using BOTs. The automation unit has also streamlined various operational and

regulatory processes, resulting in significant time and effort savings.

The implementation of LCNC has drastically reduced the delivery time of new applications to 15-20 days as compared to traditional development methods. The Bank has also established a robust governance structure around the return on investment for applications developed within this CoE.

- **LOS – Loan Origination System for Housing Loans & Loans Against Property:** The focus is on digitalising end-to-end journeys, from product discovery to loan servicing. The Bank has adopted onboarding application that is stable, robust, and scalable, featuring 35+ integrated APIs for a seamless digital journey. It enables Home Loan and Loan Against Property users to submit their applications and documents digitally via a web portal, ensuring an end-to-end journey to the next stage.

The business is looking at the future in terms of configuration of BRE API for pricing, deviation, eligibility, and underwriting, with 8 APIs in total, along with e-KYC (biometric), V-KYC, e-agreement, and NACH/Payment integration and more.

**SCF – Customer Portal:** This web-based platform developed by the Bank allows wholesale customers to conveniently submit their requests for Supply Chain Finance online. The Bank has followed up the launch of Phase 1 of the SCF portal during FY 2022-23 with Phase 2.

## 7. OPERATIONS

RBL Bank ensures its end-to-end operations involve the use of 360-degree digitalisation, robotics/AI/ML, business process re-engineering, automation, and lean operations. The focus is on areas like service excellence, cost and process optimisation, automation and business transformation.

The Bank continues to improve operational flexibility by simplifying several internal processes and realignment of various teams. Technology is leveraged extensively to

deliver enhanced customer journeys, business efficiency, business collaboration and cybersecurity.

### 7.1 Branch Enhancements

- The Bank is empowering its branches to house multi-functional teams required to garner liabilities as well as assets customers; nurture relationships and bring the entire bouquet of services of the Bank to diverse set of customers.
- Branches are encouraged to provide suggestions regarding process/system related enhancements which will improve customer experience. These suggestions are reviewed internally and those deemed appropriate are implemented by the central branch operations team. A dedicated & independent branch control and monitoring team works to ensure there is continuous focus on process adherence, control compliance, regulatory aspects & client services at the branches.
- The Bank has been actively participating in various inclusion initiatives including organising Aadhar Enrolment/Updation camp for customers and employees at various branches and office locations.
- With its continued focus on sustainability, the bank has deployed IOT devices to control air conditioning costs at 50 high spend locations, reaffirming its commitment to save energy and reduce its carbon footprint.

### 7.2 Digital Interventions

- A dedicated team caters to the ever-growing demand for Liberalized Remittance Scheme, supported by the LRS Online Platform, enabling customers to make a remittance of up to USD 25,000 instantly.

**RBL Bank has established a comprehensive Learning & Development programme for its employees, under which it embarked on a Learning Mission to ensure that employees complete a minimum of one learning programme each year.**

- The Bank offers TAB-based account opening facility for new customers, helping reduce customer acquisition costs helping improve customer experience.
- The Bank has scaled its Straight-Through Processing (STP) to enhance the customer experience by improving Turn Around Time (TAT). For Rural Vehicle Finance Business, the entire disbursement is done digitally through scan-based model.
- Credit Card Business has been transformed into a digital platform with STP and real-time API integrations for customer acquisition and card issuance. The Bank offers strategic solutions to partners for onboarding customers with biometric authentication and VCIP. It currently onboards more than 95% of its credit card customers through digital journeys. After successful implementation of CRM Next phase 1, the Bank is undertaking further enhancements towards operational efficiency.

## 8. HUMAN RESOURCES (HR)

RBL Bank's human resources are united by a passion and commitment to build an institution of scale, eminence, and impact. The Bank is constantly investing in its employees and empowering them to achieve its Vision.

### Employee Reward Management

To strengthen and standardise RBL Bank's reward policy to attract, retain, and motivate employees, the Bank commissioned Deloitte Touche Tohmatsu India LLP for its annual remuneration benchmarking survey. The Bank has implemented best practices in hiring, promotions and general remuneration budget planning. It continues to keep its compensation policy aligned with the latest guidelines published by the Reserve Bank of India.

**Talent and Succession Planning**

The Bank runs a formal talent management process through its Talent Management Council (TMC) to identify, build, and nurture leaders. It is further aligned with succession planning at the Bank. The Talent Review consists of a thorough assessment and analysis process for senior leaders in the organisation followed by integrated leadership development programmes.

**Learning & Development (L&D)**

Learning is integral to work, RBL Bank has established a comprehensive Learning & Development programme for its employees, under which it embarked on a Learning Mission to ensure that employees complete a minimum of one learning programme each year. This is in addition to mandatory training on compliance, risk & governance.

The programme features role-specific learning journeys, which were enhanced by adding more roles and business units for Retail & Wholesale Banking during FY 2022-23. There was emphasis on building awareness and knowledge on Risk & Compliance Culture with individual focus on Know Your Customer (KYC), Anti-money Laundering (AML), Counter-terrorist Financing, Cyber Security, Digital Risk, Emerging Technologies, Ethical Leadership and Early Warning Signals, among others.

The Bank also introduced new programmes across grades under the developmental programmes aimed at enhancing leadership and management competencies. It collaborated with best-in-class learning partners such as NIIT, CRISIL, CAB, CAFRAL, NIBM, Euro Finance, IDRBT, FEDAI, FIMMDA, Simplilearn and many more. During FY 2022-23, the Bank reported 36,405 Training Days (8 hours = 1 training day).

**CEO's Award – The 'Incredibles'**

RBL Bank's flagship annual rewards and recognition (R&R) event celebrates the exemplars of excellence within the organisation. A Rewards & Recognition process leading up to an Awards Ceremony was organised in August 2022. The Bank recognises its employees with the PREET (Professionalism, Respect, Excellence, Entrepreneurial and Teamwork) Awards for living the Bank's values in action; Achiever's Award for accomplishments that had an organisation-wide impact and SPOT Award to recognise the employees who go beyond the call of duty.

**Culture of Recognition** - The Bank institutionalized RBL Bank Loyalty Awards for employees who have crossed the 5- and 10-years milestones in service.

**Employee Engagement Initiatives during FY 2022-23**

**InSync:** The Bank believes in a culture of open conversations. A series of free-wheeling interactions with the Bank's MD & CEO have been created where each session is curated as per a specific theme targeting a specific audience. InSync allows employees to connect with the organisation's larger vision and goals with RBL 2.0 in sight.

**Industry Outlook Series:** To develop capabilities and understanding of various industries and fields, the Bank invites experts to deliver a session on the key trends, growth expectations and demand drivers, and outlook on various industry topics.

**Launch of Get-set-Go:** A self-paced Onboarding Learning Portal was launched which serves as a one-stop shop for everything a new employee needs to know in terms of people, products, and processes.

**BOOKed:** An initiative to use the medium of books to encourage reading and learn through sharing. It started as an extension of Apna Library – the Bank's Corporate Library Subscription benefit that is open to all employees. The initiative invites in-house volunteers to narrate their learnings from a book. Conducted virtually, this is a one-hour programme that is open for all as audience.

**Wellness Wheel:** The Bank conducted a host of webinars during FY 2022-23 with a focus on wellness, physical and mental health.

**Monsoon Indoor Sports Week:** In the area of sports, the Bank launched the Monsoon Indoor Sports Week at various locations including games like table tennis, chess, carrom and yoga sessions and a lot more.

**Diversity & Inclusion**

The Bank aims to develop a truly diverse workforce and realises that embracing diversity is vital for its long-term success. Focussing on enhancing gender diversity within its ranks, the Bank undertook certain key steps as follows:

1. Strengthened the hiring programme for returnee women through its second career programme – RETAKE
2. Gender sensitisation workshops for campus hires and employees of the Bank
3. Tracked the career progression of women employees within the Bank especially during appraisal and other review cycles
4. Adhered to PMS guidelines for all maternity cases, protecting the ratings of women who were on maternity leave
5. Initiated tie-ups with diversity consultants
6. Introduced a Women Leadership Development Programme to help women employees get adequate developmental opportunities to build their careers in the Bank

**9. CORPORATE SOCIAL RESPONSIBILITY (CSR)**

The Bank's business philosophy is underpinned by its commitment to act as a responsible corporate citizen. It has created a strong legacy of fostering sustainable communities through meaningful programmes for the welfare and development of people from economically and socially disadvantaged backgrounds. Under its CSR Policy, the Bank's key focus areas are health, education, and livelihood opportunities.

Overall, an estimated 1 lakh people benefitted directly from the various programmes under the CSR mandate during FY 2022-23 by RBL Bank. From the year 2014 onwards, RBL Bank has impacted more than 5 lakh beneficiaries directly and indirectly benefitted more than a million others.

The Bank's CSR agenda is driven by the Board-led CSR Committee, under which CSR Executive Committee and the

CSR Team facilitate implementation of CSR programmes. The Monitoring & Evaluation (M&E) is carried out by the internal CSR Compliance team and by an external M&E agency. The Bank partners with several non-governmental organisations (NGOs) to fulfil its social responsibilities.

**RBL Bank's Flagship Community Programmes:**

1. **UMEED1000:** The Bank distributed over 1,000 bicycles and school kits across India in Raipur, Guwahati, Goa, Hyderabad, Kolkata, Siliguri, Chennai and Kolhapur for school going girls, enabling sustained access to education. This was a direct implementation project by the Bank with the support of the government departments of the respective states.
2. **Stimulating Tribal and Rural Transformation (START):** Project START of PRADAN (NGO) and RBL Bank helps develop regionally suitable women-centric socio-technical institutional models for agricultural development and farm allied activities. It mobilises communities to ensure food safety for the rural poor through participation in MGNREGA and promotion of FPOs to revive the farming sector, as well as promoting self-employment through micro and Agri enterprises in the states of Odisha, Bihar, Jharkhand, and West Bengal.
3. **Lighthouse Project:** A collaboration between GTT Foundation and the Lighthouse Communities Foundation with the support of RBL Bank, the project helps capacity building among the youth by imparting education, enhancing skills, providing job opportunities, and facilitating sustainable livelihoods. It is aimed at benefitting ~5,000 youth from various communities.
4. **Hear A Million:** 'Hear a Million' is a programme envisioned by Enable India and supported by RBL Bank. It helps to mainstream people with hearing impairments through education, policies, skilling, training, and job opportunities. The programme aims at creating 10,000 deaf leaders across the nation.

**Overall, an estimated 1 lakh people benefitted directly from the various programmes under the CSR mandate during FY 2022-23 by RBL Bank.**

5. **Asha Kiran:** Nudge Life Skills Foundation through its project 'Asha Kiran' is targeting poverty alleviation for 2.5 million people residing in rural areas within the state of Uttar Pradesh. It will facilitate welfare access and remunerative, sustainable, and resilient livelihoods. Launched in association with RBL Bank, the programme aims to help 50,000 households (landless, marginal farmers, SC/ST and vulnerable households) with sustainable rural livelihoods: Goatery, backyard poultry, and agriculture as well as providing welfare scheme access like MGNREGA to rural families, migrant and construction workers.

**Other CSR Programmes in the Thrust Areas of H.E.L.O. (Health, Education and Livelihood Opportunities):**

**Healthcare:**

1. **Community Nutrition Initiative:** RBL Bank supports the Community Nutrition Initiative (CNI) in Bhiwandi, Maharashtra led by the Foundation for Mother and Child Health (FMCH). It addresses the issue of malnutrition and poor maternal and child health in the area by working in partnership with the Integrated Child Development Schemes (Anganwadis).
2. **Cataract-Free Palghar:** RBL Bank is supporting an Eyecare Centre in Palghar district to make Palghar cataract-free. An estimated 5,000 cataract surgeries will be performed by the end of 2025.

**Education:**

1. **Young Scholarship Programme:** RBL Bank is collaborating with the International Foundation for Research and Education (IFRE)/Ashoka University to provide career exposure to high school students of class 9th, 10th, 11th and 12th of Udbhav RBL Schools and girls students from low-income families.
2. **Undergraduate Scholarship:** RBL Bank is providing meritorious students from low-income families with scholarships for their undergraduate studies at IFRE/Ashoka University. The Programme supports 4 students each year covering overall tuition fees and other costs.
3. **RBL I-Saksham Fellowship:** In collaboration with I-Saksham, RBL Bank is committed to nurturing 50 female educational leaders in the backward districts of the state of Bihar, in child-specific pedagogy and leadership. It enriches the children's process of learning through intervention with local government schools and increased community engagement and participation.
4. **In-Service Teacher Training:** RBL Bank, in association with The Mukangan Trust's In-Service Teacher Training Programme, helps educated youth receive on-job training to become teachers in English Medium Schools.
5. **Bal Gurukuls:** Indian Development Foundation networks with schools in urban slums and villages and NGOs/CBOs to reduce school dropout ratio by opening after school/supplementary education program named Bal Gurukuls. RBL Bank is supporting 130 Bal Gurukuls across the country, benefitting nearly 5,000 students.
6. **FFE-RBL Scholarship Programme:** Foundation for Excellence, in collaboration with the State Government of Telangana and with the support of RBL Bank, helps 100 engineering students every year by funding their tuition and residence expenses directly.

**Livelihood Opportunities:**

1. **Regenerative Farming:** Supporting the rural communities, RBL Bank in association with Self-Reliant Initiative for Joint Action (SRIJAN) Foundation pioneers sustainable farming through regenerative

agricultural methods to help 3,500 Tribal Women Farmers in Rajasthan aggregate funds.

2. **Mobile Business School:** Mann Deshi Foundation takes Financial Literacy, Livelihood creation and Business development skills directly to the doorstep of women entrepreneurs in Kolhapur, Maharashtra, through their mobile school. It also provides additional support through a platform called Chamber of Commerce. Through this association with Mann Deshi Foundation, the Bank aims to benefit 5,529 women by FY 2022-23.
3. **Bees for Poverty Reduction:** Through its partnership with Under the Mango Tree Society, RBL Bank is helping to improve the incomes of 3,429 tribal farmers in Maharashtra, Madhya Pradesh, and Gujarat, by training them in sustainable bee-keeping activities.
4. **Digital Fashion Design & Financial Livelihoods Programme:** GTT Foundation, through its partnership with RBL Bank, provides training in fashion designing to 1,000 underprivileged women from minority communities in Pune and Mumbai, helping to create sustainable livelihoods. The Foundation also helps 1,200 women from Pune with financial literacy awareness.

**10. CUSTOMER SERVICE**

Customer experience is at the core of all the engagements. 'Service Beyond Excellence' is the vision of the Bank's customer service team. The Bank ensures fair treatment for its customers. It also has an effective grievance redressal mechanism with a clearly defined TAT for resolutions.

**Service Initiatives during FY 2022-23**

**Uplifting Service**

Under the initiative, the Bank launched an EQ development journey for the customer-facing call-centre agents, aimed at helping them to demonstrate greater empathy and enhance customer experience.

**Fraud Awareness**

In the current environment of increasing financial frauds, RBL Bank emphasizes on customer awareness. The Bank runs Fraud Awareness Customer Campaigns across

various channels, including its branches, social media platforms, the Bank's website, SMS, and email.

**Financial Literacy Week**

The Bank observed 'Financial Literacy Week' educating customers on the significance of good financial behaviour, including active saving, planning, budgeting, and prudent use of digital financial services. Additionally, it organized

'Financial Literacy Camps' at rural branches to create awareness about financial literacy among customers. Customer awareness drives towards transparency and accountability were also initiated through the Bank's campaign - #FarzBantaHai.

**Apno Ki Baat**

The Bank initiated an awareness drive across its branches aimed at customers including Senior Citizens, discussing Nomination, types of digital frauds, financial awareness, etc.

**Digi Assist**

Launched an online portal 'Digi Assist' which enabled Self- service of key customer requirements such as Insta Statements, Transaction advice, TDS & Interest certificates. 450 customers have been onboarded within the first 3 months of this offering.

**Auto validation**

The Bank introduced automated beneficiary validation facility to make banking simpler and error free for its API banking customers.

**Remuneration Policy  
Remuneration policy for employees**

Your Bank's compensation policy keeps in mind the strategy, ethos and financial performance of the Bank and market compensation trends at any given time. Your Bank recognizes that talent is critical to the long-term growth and success of the Bank, and it is a pre-requisite to have a compensation structure comparable with the industry.

Your Bank has set out its Compensation Policy based on the concept of CTC (Cost to Company) and TEC (Total Employee Compensation), to make compensation packages for officers across all grades, competitive enough to attract, nurture and retain high caliber professionals in the Bank and have an organization structure that reflects specialization, focus and scale.

Your Bank's Compensation Policy is designed and aimed at attracting and retaining best possible / available talent that it requires to effectively grow the business and be considered a highly respected institution. It comprises of a balanced mix of Fixed & Variable cash and non-cash compensation and benefits / perquisites to deliver maximum value to the employee and other stakeholders.

Your Bank strongly believes that an equity component in the compensation goes a long way in aligning the objectives of employees with those of the Bank. The underlying philosophy of stock options is to enable the employees, present and future, to get a share in the value that they help to create for the Bank over a certain period of time. This Policy is available at the Bank's website at the web-link: <https://www.rblbank.com/pdf-pages/bank-policies>.

**Policy on appointment & compensation to Non-Executive Directors (including Independent Director) and Criteria for evaluation of Board and its Directors**

In terms of the provisions of Companies Act, 2013 and SEBI Listing Regulations, the Board has, on recommendations of the Nomination & Remuneration Committee framed a Policy on appointment & Compensation to Non-Executive Directors [including Independent Director and Criteria for evaluation of Board and its Directors ("Policy")] which inter alia specifies the criteria for identifying persons who are qualified to be appointed

as Non-Executive Directors (including Independent Director) and the appointment and the remuneration structure of the aforesaid Directors, along with criteria for evaluating their performance.

The Policy is based on the principles of Board diversity with respect to representation on the Board of the mandatory areas of special knowledge/practical experience and also other areas of expertise that would be beneficial to the Bank. The Nomination & Remuneration Committee will thus determine the optimum size of the Board which would be commensurate to the size, scale and operations of the Bank. The Nomination & Remuneration Committee while shortlisting candidates will be guided by fit and proper credentials, criteria of independence and other aspects as prescribed by the Reserve Bank of India guidelines, Companies Act, 2013 and SEBI Listing Regulations as amended from time to time.

The Policy as mentioned above is available on the website of the Bank at <https://ir.rblbank.com/>.

**Remuneration of Managing Director and Executive Director**

The Board considers the recommendations of Nomination & Remuneration Committee and approves the remuneration of the Managing Director and Executive Director, with or without modifications, subject to the approval of Members of the Bank and applicable regulatory approval.

The remuneration payable to the Managing Director and Executive Director is subject to prior approval of the Reserve Bank of India and hence the remuneration or revision in remuneration is payable to them only post receipt of the approval from the Reserve Bank of India.

**Remuneration of Chairman**

The Nomination & Remuneration Committee recommends the remuneration (honorarium) of the Chairman to the Board which is considered and approved by the Board subject to the approval of Members of the Bank and applicable regulatory approval.

The remuneration (honorarium) payable to the Chairman is subject to prior approval of the Reserve Bank of India. Therefore, the remuneration (honorarium) or any revision therein is payable to the Chairman only post receipt of the approval from the Reserve Bank of India.

The Chairman is also entitled to reimbursement of expenses for participation in the meetings of the Board and Committees thereof. Apart from the payment of sitting fees for attending meeting of the Board of Directors or any Committees thereof, the Chairman is also entitled to a honorarium of ₹ 18 lakh per annum as per the last approval granted by the Reserve Bank of India and the Members.

**Remuneration of Non-Executive Directors (NEDs)**

The remuneration payable to Non-Executive Directors (NEDs) is governed by the provisions of Banking Regulations Act, 1949,

Reserve Bank of India guidelines issued from time to time and provisions of the Companies Act, 2013 and rules made thereunder to the extent it is not inconsistent with respect to provisions of the Banking Regulations Act, 1949 or the Reserve Bank of India guidelines.

The NEDs (other than Additional Director appointed by RBI) are paid sitting fees for attending each meeting of the Board of Directors or any Committees thereof. NEDs are paid sitting fee of ₹ 1 lakh for attending meetings of the Board, ₹ 50,000 for attending meetings of Audit Committee, Risk Management Committee and Nomination & Remuneration Committee, respectively and ₹ 30,000 for the remaining Committees, names of which are mentioned in the section on Audit Committee and other Board Sub-Committees. All NEDs are entitled to reimbursement of expenses for participation in the meetings of the Board and Committees thereof. The Bank does not grant any Stock Options to NEDs.

RBI vide its Circular RBI/2021-22/24 DOR.GOV. REC.8/29.67.001/2021-22 dated April 26, 2021 prescribed that, in addition to sitting fees and expenses related to attending meetings of the Board and its Committees as per extant statutory norms/ practices, the bank may provide for a payment of compensation to Non-Executive Directors of the Bank, other than the Part Time Non-Executive Chairperson, in the form of fixed remuneration not exceeding ₹ 20,00,000 (Rupees Twenty Lakh Only) per annum which is commensurate with the individual director's responsibilities and demands on time and which are considered sufficient to attract qualified competent individuals.

Pursuant to the above regulatory provisions, the Members of the Bank at their 78th Annual General Meeting held on September 21, 2021 had accorded their consent to pay compensation to each Non-Executive Director of the Bank (other than the Part Time Non-Executive Chairman) in the form of fixed remuneration not exceeding ₹ 20,00,000 (Rupees Twenty Lakh Only), per annum, for a period of five (5) years, with effect from the financial year 2021-22. The Board determines the amount of fixed remuneration to be paid to the Non-Executive Directors within the above overall limit.

**Employees Stock Option Plan (ESOP)**

The Bank has formulated and adopted Employee Stock Option Plans (ESOP) in terms of the Regulations/Guidelines issued by the Securities and Exchange Board of India.

The underlying philosophy of the Bank's ESOP is to enable the present and future employees to share the value that they help to create for the Bank over a period of time. ESOP is also expected to strengthen the sense of ownership and belonging among the

recipients. ESOP has been designed and implemented in such a manner that the compensation structure goes a long way in aligning the objectives of an individual with those of the Bank. In addition, during the year your Bank continued with its plan of rewarding long-serving employees with ESOPs thus making them true partners in the Bank's growth.

The Nomination & Remuneration Committee inter alia administers and monitors the ESOP. The Bank has two active ESOP schemes viz. Employee Stock Option Plan 2013 (ESOP 2013) and Employee Stock Option Plan 2018 (ESOP 2018) under which stock options are issued to the employees of the Bank.

In terms of Regulation 7(1) of the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations 2021 (SBEB & SE Regulations), the Nomination & Remuneration Committee and the Board at their respective meetings held on August 22, 2022 also approved certain amendments to ESOP 2013 as well as few amendments to ESOP 2018 which required approval of Members and few other amendments not being of a nature requiring approval of Members which was only for the purpose of meeting the regulatory requirements of SBEB & SE Regulations. The amendments made to the ESOP 2013 and ESOP 2018, respectively are not detrimental to the interest of the existing option grantees.

The Members of the Bank at the Annual General Meeting held on September 21, 2022, approved the amendment to ESOP 2018 relating to definition of Employee, Exercise Price and the enhancement in the quantum of equity stock options for the purpose of grant. The Members of the Bank approved to create, offer, issue and grant / allot 1,75,00,000 additional equity stock options exercisable into not more than 1,75,00,000 equity shares of face value of ₹ 10 each. Post this approval, the maximum limit with respect to the aggregate number of equity shares upon exercise of options under ESOP 2018 available to be granted to eligible employees of the Bank and its subsidiary is 5,50,00,000 Equity Shares of face value of ₹ 10 each.

ESOP 2013 and ESOP 2018 schemes of the Bank are in compliance with the SBEB & SE Regulations and there were no material changes made to the said Schemes except as described above. The certificate from the Secretarial Auditors of the Bank certifying that the Bank's Employees Stock Option Plans are being implemented in accordance with the provisions of the SBEB & SE Regulations and the respective resolutions passed by the Members of the Bank, shall be available for inspection electronically by the Members at the ensuing Annual General Meeting.

Further details of the ESOP are given in the notes to accounts in the attached financial statements and the statutory disclosure as mandated under Regulation 14 of SBEB & SE Regulations forms part of this report and the same is available electronically on the website of the Bank at <https://ir.rblbank.com/>.

### MEETINGS OF THE BOARD AND AGENDA

The schedule and dates of the Board meetings are decided in advance. The Board meetings are convened by giving appropriate notice as per the provisions of the Companies Act, 2013 and Secretarial Standard on Meetings of the Board of Directors (SS-1). The Board meets at least four times in a year, i.e. once in a quarter, inter-alia to review the financial results, annual budgets, policies, strategies etc. Whenever necessary, additional Board meetings are held. However, in case of urgent matters, approval of the Board is also sought by way of circulation as per the provisions of the Companies Act, 2013, which is noted in the subsequent Board meeting. In certain cases, and if required by the Directors, the conference calls are arranged to enable the directors to discuss in detail the items to be approved by circulation and seek clarification as may be required.

The agenda papers are prepared by the concerned officials of the respective department and are approved by the members of the senior management. Agenda papers are circulated to the Board by the Company Secretary well in advance (except when Meeting(s) have been convened at a shorter notice to transact urgent business) through an e-based application which provides for quick and easy accessibility to the Agenda papers and related documents at a click of a button without compromising the confidentiality of the information, at all times. All relevant matters including but not limited to the minimum information required to be placed before the Board in terms of Schedule II- Part A of the SEBI Listing Regulations and pursuant to the Secretarial Standard are tabled before the Board to enable it to discharge its duties.

Additional items on the agenda are permitted with the permission of the Chairperson of the Board/ respective Committees and with the consent of all the directors present at the meeting.

The Bank also provides the directors with an option to participate in the Board meetings through electronic mode i.e. Video-conferencing facility. During the financial year ended March 31, 2023, in terms of the provisions of Rule 3 of the Companies (Meetings

## Annexure I

of Board and its Powers) Rules, 2014, as amended from time to time, most of the meetings of the Board and Committees of the Bank were held through video conferencing. Accordingly, the Bank had complied with the provisions of Section 173(2) of the Companies Act, 2013 read with Rule 3 of the Companies (Meetings of Board and its Powers) Rules, 2014, as amended, for conducting meetings through video conferencing.

The Board also, inter alia, periodically reviews strategy and business plans, annual operating and capital expenditure budget(s). The minutes of the meetings of all the Committees of the Board of Directors of the Bank and the minutes of the meetings of the Board of Directors and sub-committees of the Board of the wholly owned subsidiary company of the Bank are placed before the Board of the Bank. The quarterly, half-yearly and the annual results for the consolidated entity and for the Bank on standalone basis are first placed before the Audit Committee of the Board and thereafter the same are placed before the Board of Directors for their approval with the recommendations of the Audit Committee, if any.

A Compliance Certificate in respect of various laws, rules and regulations applicable to the Bank is placed before the Board on quarterly basis.

The Bank has put in place a post meeting follow-up, review and reporting process for the action taken on suggestions / directions of the Board / Committees. An Action Taken Report on the compliance / status of the suggestions / directions of the Board / Committees is submitted to the Board / Committees.

The Board has accepted the recommendations as made by the Board Committees at the meetings held during the financial year ended March 31, 2023.

### COMMITTEES OF THE BOARD OF DIRECTORS

The Board functions either as a full Board or through various Committees which helps it to carry out its wide and diverse functions. The Board has constituted various such sub-Committees to deal with specific areas that need a closer review and to have an appropriate structure to assist in the discharge of the Board's duties and responsibilities as defined in the respective terms of reference of each Committee. The minutes of the Committee meetings are circulated and placed before the Board of Directors in the Board meetings for their noting.

The Committees of the Board have been constituted pursuant to the relevant provisions of the Companies Act, 2013, SEBI Listing Regulations, the Banking Regulation Act, 1949, guidelines issued by the Reserve Bank of India, from time to time in this regard and Articles of Association of the Bank. The terms of reference of these Committees are determined based on the respective statutes under which these Committees have been constituted as well as guided by additional areas which the Board feels that the Committees would need to look into. The constitution and terms of reference of each Committee are approved by the Board. These Committees monitor activities falling within their respective Terms of Reference (TOR).

As at March 31, 2023, the Board had 12 Committees viz. Audit Committee, Risk Management Committee, Nomination & Remuneration Committee, Stakeholders' Relationship Committee, IT Strategy Committee, Board Investment & Credit Committee, Corporate Social Responsibility Committee, Fraud Monitoring Committee, Capital Raising Committee, Customer Service Committee, Branding, Marketing & Communications Committee and Review Committee for Wilful Defaulters and Non – Cooperative Borrowers.

Further, the below changes were made with respect to the Board sub-Committees during the financial year ended March 31, 2023:

- The Board at its meeting held on May 6, 2022, considered, and approved the segregation of the Customer Service, Branding & Marketing Committee into two different Committees of the Board, with the nomenclature Customer Service Committee (CSC) and Branding, Marketing & Communications Committee (BMCC), respectively.
- The Board at its meeting held on September 29, 2022, merged Wilful Defaulter Review Committee (WDRC) and Non – Cooperative Borrower Review Committee (NCBRC) into a single committee with the nomenclature Review Committee for Wilful Defaulters and Non-Cooperative Borrowers (RC – WD & NCB).
- The Board at its meeting held on January 19, 2023, considered and approved the change in the nomenclature of Anti-Fraud Committee to Fraud Monitoring Committee (FMC).
- The Board reviewed the terms of reference of its sub-Committees and approved amendments to the terms of reference of some of the sub-Committees as mentioned under the head Terms of Reference of the sub-Committees of the Board.

### B. Appointment/Remuneration of Non-Executive Directors (including Independent Directors)

The Board has, on recommendations of the Nomination & Remuneration Committee framed a Policy on Appointment & Compensation to Non-Executive Directors (including Independent Director) and Criteria for evaluation of Board and its Directors ("Policy") which inter alia specifies the criteria for appointment and the remuneration structure of Non-Executive Directors (including Independent Directors) along with criteria for evaluating their performance. The subject Policy was last reviewed and amended by the Board at its meeting held on April 28, 2023.

#### a) Criteria for identifying persons who are qualified to be appointed as Non-Executive Directors

Section 164 of the Companies Act, 2013 states disqualifications for appointment of any person to become Director of any Company. Any person, who in the opinion of the Board is not disqualified to become a Director and possesses the ability, integrity and relevant expertise and experience, can be appointed as Director. Further, he/she should possess qualifications as mentioned in Rule 5 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Section 10A of the Banking Regulation Act, 1949 states criteria and composition of the Board of Directors of a Bank. The Board while considering the candidature of Non-Executive Director (including Independent Director) shall also consider the additional compliance of the Banking Regulation Act, 1949. The Board of the Bank shall apart from the skillsets as prescribed by the relevant provisions of the Banking Regulation Act, 1949 and relevant circulars issued by the Reserve Bank of India, from time to time, shall also possess the required behavioral skills, expertise and knowledge as required for the Bank. Further, not less than 51% of the Board of the Bank shall consist of Directors, falling under majority sector as per the Banking Regulation Act, 1949.

Thus, all Directors of the Bank shall be eminent professionals with outstanding track record and having skillsets/competencies / special knowledge or practical experience, which aids the Bank to gain insights for strategy formulation and direction setting, thus adding value to its growth objectives and also providing Shareholders with a holistic view. It is important that the practice of careful selection shall continue to be adopted in this regard and eminence, professional standing and stature to guide the growth of the Bank in the future should continue to be taken as appropriate criteria for appointment of Non-Executive Director.

The Bank has in place a Board approved Framework detailing the process for induction of new Directors (Framework) which lays down the regulatory provisions pertaining to Eligibility Criteria, provisions relating to age and tenure, additional criteria for appointment of Non-Executive Directors and Executive Directors and stipulates the operational process to be followed by the Bank for induction of new Directors to the Board of the Bank. The Nomination & Remuneration Committee (NRC) while shortlisting the candidates will consider the mix of Executive, Non-Executive and Independent Directors, board diversity with respect to representation on the Board of the mandatory areas of special knowledge/practical experience and also other areas of expertise that would be beneficial to the Bank. Gender diversity in terms of representation of women on the Board would also be a significant factor for consideration. The NRC will thus determine the optimum size of the Board which would be commensurate to the size, scale and operations of the Bank. The NRC will assess the shortlisted candidates basis fit and proper credentials and be guided by various parameters prescribed by Reserve Bank of India in this regard. With respect to Independent Directors, NRC will assess the independence based on the requirements of Companies Act, 2013 and SEBI Listing Regulations. Based on the assessment of the above aspects, NRC will make suitable recommendations to the Board.

The appointment of Non-Executive Director shall be basis the recommendations of the Nomination & Remuneration Committee and approval of the Board. The appointment of Non-Executive Director shall also require approval of Shareholders. The approval of Shareholders of the Bank for appointment of Directors shall be taken at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier.

#### b) Structure of Remuneration for Non-Executive Directors

The remuneration of Non-Executive Director would be governed by the provisions of the relevant statutes viz. the Banking Regulation Act, 1949, Reserve Bank of India Guidelines issued from time to time and the provisions of the Companies Act, 2013 and rules made thereunder to the extent it is not inconsistent with the provisions of Banking Regulation Act, 1949 or Reserve Bank of India Guidelines. Based on the modes of remuneration permitted under the above statutes from time to time, the remuneration structure of Non-Executive Directors may include all or any combination of below elements. Where

## Annexure I

the provisions of these statutes prescribe specific requirements for a Non-Executive Chairman, these will be adhered to accordingly.

### Remuneration in the form of Sitting Fees

- a) Fees for attending meeting of the Board of Directors (including through video conferencing means) as permissible under Section 197 of the Companies Act, 2013 read with Rule 4 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and decided at the Meeting of the Board of Directors. The fee for attending meetings of the Board by the Non-Executive Directors shall be INR 1,00,000/- per Board meeting.
- b) Fees for attending meetings of Committees of the Board (including through video conferencing means) as permissible under Section 197 of the Companies Act, 2013 read with Rule 4 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are decided by the Board of Directors, from time to time. The fee structure for attending the meetings of the various Committees by the Non-Executive Director shall be as under:

Sr. No.	Nature of Committee Meeting	Fees (INR)
1.	Audit Committee (ACB), Risk Management Committee (RMC) and Nomination & Remuneration Committee (NRC)	50,000/-
2.	Other Board Committees	30,000/-

**Note:** The Board at its Meeting held on May 6, 2022, on the recommendations of the Nomination & Remuneration Committee Meeting held on May 4, 2022, reviewed the sitting fee structure for the Board/Committee Meetings and approved the proposal of revising sitting fee for Board Investment and Credit Committee Meetings from ₹ 15,000 to ₹ 30,000 per meeting.

It shall be noted that no sitting Fees shall be paid to the Non-Executive Directors for attending the Board / Committee Meetings through Audio Call. Further, as per the provisions of the Companies Act, 2013, read with Schedule IV with regards to the Code for Independent Directors, the Independent Directors of the Bank shall hold at least one meeting in a Financial Year, without the attendance of Non-Independent Directors and members of the management. No Sitting fees for such Separate Meeting of Independent Directors shall be paid by the Bank.

### Remuneration other than Sitting Fees

#### c) For Non-Executive Directors (other than Non-Executive Part time Chairman)

The Companies Act, 2013 as well as Reserve Bank of India guidelines provide for the payment of remuneration other than sitting fees to the Non-Executive Director.

Reserve Bank of India vide Circular No. DBR. No.BC.97/29.67.001/2014-15 dated June 1, 2015 issued Guidelines on Compensation of Non-Executive Directors of Private Sector Banks which stipulated that the Board may, at its discretion, provide for in the Policy, payment of compensation in the form of profit related commission to the Non-Executive Directors (other than the Part-time Chairman), subject to the Bank making profits. Such compensation, however, shall not exceed ₹ 1 million per annum for each director. Further Reserve Bank of India vide circular on 'Corporate Governance in Banks' dated April 26, 2021 with respect to Remuneration of Non-Executive Directors provided that in addition to payment of sitting fees for attending Board & its Committee meetings as may be approved by the Board from time to time, and reimbursement of expenses, the Board on the recommendation of the NRC, may provide for payment of compensation in the form of fixed remuneration to the Non-Executive Directors (other than Part time Chairman) commensurate to each individual director's responsibilities, time commitments, at such monetary value so as to attract qualified competent individuals. Further, in line with the said Reserve Bank of India circular, such remuneration shall not exceed ₹ 20 Lacs per annum per director.

Considering the maximum regulatorily permissible limit of ₹ 20,00,000 per annum, approval of the Members of the Bank was taken at the 78th Annual General Meeting of the Bank held on September 21, 2021 to pay Compensation in the form of Fixed Remuneration to each Non- Executive Director (NED) of the Bank (other than the Part Time Non-Executive Chairman) not exceeding Rs 20,00,000 (Rupees Twenty Lakh Only), per annum, for a period of five (5) years, with effect from the financial year 2021-22, subject to the annual Fixed Remuneration as may be determined by the Board of Directors.

#### d) For the Part Time Non-Executive Chairman

Non-Executive Director acts as a Part Time Chairman of the Bank and shall be entitled to a remuneration (honorarium) as determined by the Board and as may be approved by the Reserve Bank of India.

On determination of the remuneration by the Board for (c) and (d), the Bank will based on the provisions of the Reserve Bank of India, Companies Act, 2013 and SEBI Listing Regulations ensure to seek such other statutory approvals including approval of the Shareholders of the Bank as may be required for the payment of remuneration other than sitting fees.

#### e) Reimbursement of actual expenses incurred:

Non-Executive Directors and Additional Director appointed by Reserve Bank of India are entitled to be paid all travelling, boarding, lodging and all other incidental expenses that they incur for attending to the Bank's meetings, including attending and returning from General Meetings of the Bank or Meetings of the Board of Directors or Committee(s) of Board.

<sup>6</sup> Pursuant to the approvals granted by the Board (basis the recommendations of Nomination & Remuneration Committee) and the Members of the Bank at the 79th Annual General Meeting held on September 21, 2022, Dr. Sivakumar Gopalan was appointed as Non-Executive Independent Director of the Bank for a period of five years effective August 22, 2022.

<sup>#</sup> Pursuant to the approvals granted by the Board (basis the recommendations of Nomination & Remuneration Committee) and the Members of the Bank at the 79th Annual General Meeting held on September 21, 2022, Mr. Gopal Jain was appointed as Non – Executive Non Independent Director of the Bank liable to retire by rotation effective August 22, 2022.

<sup>^</sup> Mr. Vijay Mahajan, Non-Executive Non Independent Director of the Bank, who was eligible to retire by rotation at the 79th Annual General Meeting (AGM) in terms of the provisions of the Companies Act, 2013 expressed his desire not to seek re-appointment upon expiry of his term at the 79th AGM of the Bank and accordingly retired at the 79th AGM held on September 21, 2022.

## Annexure I

For the financial year 2022-23, the compensation in the form of fixed remuneration amounting to ₹ 15,00,000 per Non-Executive Director (other than part time Non-Executive Chairman and Additional Director appointed by the Reserve Bank of India) was approved by the Board at its meeting held on July 21, 2023. The said fixed remuneration will be paid on a pro-rata basis for a period for which the Non-Executive Directors were on the Board of the Bank during the financial year 2022-23.

### g) Appointment/Remuneration of Additional Director (appointed by the Reserve Bank of India )

The Reserve Bank of India vide its letter dated December 24, 2021, and in exercise of powers conferred under Section 36 AB of the Banking Regulation Act, 1949, appointed Mr. Yogesh K Dayal, (DIN: 07594913) Chief General Manager, Reserve Bank of India as an Additional Director on the Board of the Bank for a period of two years w.e.f December 24, 2021 till December 23, 2023 or till further orders, whichever is earlier. No Sitting fees or fixed remuneration is paid to the Additional Director as appointed by the Reserve Bank of India .

The 'criteria for making payment to Non-Executive Directors' of the Bank is available on the website of the Bank at <https://ir.rblbank.com/>.

Further, the Bank did not have any material pecuniary relationship or transactions with its Independent Directors during the year under review except payment of sitting fees and reimbursement of expenses for attending the meetings of the Board and its Committees. The succession planning aspects with respect to the Board and key officials of the Bank are included in the respective policies.

### CODE OF CONDUCT

The Board of Directors of the Bank had laid down a Code of Ethics and Conduct for Board of Directors and Senior Management of the Bank. This Code is uploaded on Bank's website at <https://ir.rblbank.com/>.

The Board of Directors and Senior Management Personnel have affirmed their compliance with the said Code for the financial year 2022-23. A declaration from the Managing Director & CEO confirming the above is annexed to this report.

The Code of Ethics and Conduct for Board of Directors and Senior Management was last reviewed and amended by the Board at its meeting held on April 28, 2023. The amendments were largely pertaining to the definition of 'Senior Management' as amended by the SEBI Listing Regulations, changes done to the RBL Trading Code as approved by the Board at its Meeting held on January 19, 2023 and other changes for better articulation.

### FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS

At the time of appointment of an Independent Director, a formal letter of appointment is given to him/her, which inter alia explains the role, function, duties and responsibilities of an Independent Director of the Bank. The Bank also follows a structured orientation programme wherein it conducts an introductory familiarization program/presentation to make an Independent Director aware of the processes, systems and policies adopted and followed by the Bank.

The Director is provided with the orientation documents including in particular, the Memorandum & Articles of Association of the Bank, Annual Reports for last three financial years, key Board approved Codes & policies including Code of Ethics & Conduct for Directors and Senior Management Personnel, RBL Trading Code, Organization Chart, List of Directors with details, details of Board Committees, etc. Managing Director & CEO along with members of Senior Management team also have a personal discussion / presentation with the newly appointed Independent Director.

Presentations are made at regular intervals at the Board / Committee Meetings which include updates on performance review, strategy and key regulatory developments including specifically all new Reserve Bank of India Circulars / notifications / guidelines issued from time to time, for more elaborate understanding of various aspects of business of the Bank. The Bank also arranges for training programs/sessions for Directors, through reputed consulting firms/training institutes, on areas which are helpful to the Board.

The Familiarization programme for Independent Directors of the Bank ensures valuable participation and inputs from them which helps in bringing forth the best practices into the organization and helps in taking informed decisions at the Board level. Pursuant to Regulation 25(7) of the SEBI Listing Regulations, the Bank imparted various familiarization programmes for its Directors including Regulatory updates, Business Strategy and changes with respect to the Companies Act, 2013, Regulations as notified by the Reserve Bank of India , SEBI Listing Regulations etc. at the Board Meetings. ### FORM NO. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To  
The Members,  
**RBL Bank Limited**  
1st Lane, Shahupuri,  
Kolhapur – 416001

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **RBL Bank Limited** (CIN: L65191PN1943PLC007308) (hereinafter called "**the Bank**") for the financial year ended as on **March 31, 2023**.

The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts and statutory compliances to express our opinion thereon.

Based on our verification of the Bank's statutory registers, books, papers, minute books, forms and returns filed and other records maintained by the Bank and the information provided by the Bank, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Bank has, during the audit period covering the financial year ended on March 31, 2023, complied with the statutory provisions listed hereunder and also that the Bank has followed proper Board processes and has required compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minutes books, forms and returns filed and other records maintained by the Bank for the financial period ended on **March 31, 2023** in accordance with the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder for compliance to the extent

of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, **as applicable**;

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), **as amended from time to time**:
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
  - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client – **Not applicable to the Bank during the financial year under review**;
  - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - **Not Applicable to the Bank during the financial year under review**;
  - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **Not Applicable to the Bank during the financial year under review**;
  - i) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;

## Annexure II

- j) The Securities and Exchange Board of India (Bankers to an issue) Regulations, 1994;
- k) The Securities and Exchange Board of India (Merchant Bankers) Regulations, 1992;
- (vi) Other specific business/industry related laws applicable to the Bank - The Bank has complied with the provisions of the Banking Regulation Act, 1949, Master Circulars, Notifications and Guidelines and other directions pertaining to commercial banking issued by Reserve Bank of India (RBI) from time to time. Further, the Bank has complied with other applicable general business laws, rules, regulations and guidelines.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India; and
- ii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Bank has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards mentioned above. However, during the financial year, the Reserve Bank of India (RBI) vide its communication dated March 20, 2023, has imposed a monetary penalty of ₹ 2,27,25,000 (Rupees Two Crore Twenty-Seven Lakhs Twenty-Five Thousand Only) on the Bank. As per the said communication, the penalty has been imposed in exercise of powers vested in RBI under the provisions of Section 47A(1)(c) read with Section 46(4)(i) of the Banking Regulation Act, 1949 (Act), for non-compliance with certain provisions of the directions issued by RBI relating to the two key areas i.e. Internal Ombudsman Scheme 2018 and recovery agents engaged by the Bank. This action is based on the deficiencies in regulatory compliance observed relating to the period FY 2018-19 to FY 2021-22. The penalty was paid by the Bank.

### We further report that:

- (a) The Board of Directors of the Bank is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.
- (b) The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

- (c) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance as prescribed under the applicable Secretarial Standards, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. However, certain meetings were held at a shorter notice with consent from respective Board/Committee Members and such meetings were held in accordance with the requirements of the applicable provisions of the Companies Act, 2013 read with Secretarial Standard. Further, the agenda/notes shared at a shorter notice were taken up during the meeting with the consent of the respective Board/Committee Members.
- (d) The minutes of the Board Meetings have not identified any dissent by members of the Board, hence we have no reason to believe that the decisions by the Board were not approved by all the directors present. The Minutes of the Board Meetings were duly signed by the Chairman of the Meeting.

**We further report that**, there are adequate systems and processes in the Bank commensurate with the size and operations of the Bank to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. As informed, the Bank has responded appropriately to communication received from various statutory / regulatory authorities including initiating actions for corrective measures, wherever found necessary.

**We further report that** during the audit period the following events / actions have taken place, having a major bearing on the Bank's affairs in pursuance of the above referred laws, rules, regulations, guidelines and standards:

- 1. Approval of the Shareholders was obtained at the Annual General Meeting held on September 21, 2022 for:
  - (a) Appointment of Mr. R Subramaniakumar (DIN: 07825083) as Managing Director & Chief Executive Officer of the Bank with effect from June 23, 2022.
  - (b) borrowing/raising funds denominated in Indian rupees or any other permitted foreign currency by issuance of debt securities including but not limited to long term bonds, green bonds, non-convertible debentures, perpetual debt instruments, notes and Tier II Capital Bonds or such other debt securities, in domestic and/ or overseas market on private placement basis of an amount not exceeding ₹ 3,000 Crores (Rupees Three Thousand Crores), within the overall borrowing limits of the Bank;

**Notes:**

**Note 1** – RBL Bank has the following policies, viz. Compliance Policy, Whistleblower Policy, Anti Money Laundering Policy, Vigilance and Fraud Policy, Policy of Ethical Conduct, Code of Bank's Commitment to Customers, Employee's Code of Conduct, Policy on dealing with Related Party Transactions, Fair Practice Codes for Banking and Lending, Insider Trading Code, Staff Accountability Policy, Customer Rights Policy, Grievance Redressal Policy for stakeholder, and Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information (UPSI). These policies guide the Bank to attain ethical, transparent and accountable means of doing business.

These policies have been approved by the Bank's Board. Board committees like the Audit Committee, Risk Management Committee (RMC), Fraud Monitoring Committee (FMC), Customer Service Committee (CSC), Branding, Marketing and Communications Committee (BMCC) and Nomination & Remuneration Committee (NRC) ensure compliance with these policies. These policies are rolled out by Bank's Vigilance, Compliance, Secretarial, Human Resources departments and Customer Support groups.

All policies are uploaded on Bank's Intranet, while policies relating to external stakeholders (like whistleblower policy, fair practice code, grievance redressal policy, fair disclosure code) are displayed on the Bank's website <https://www.rblbank.com/pdf-pages/bank-policies>.

RFL has developed a Fraud Risk Management Policy and Staff Disciplinary policy which mandates and drives ethical conduct in RFL. This is approved by RFL's Board and is circulated to RFL's staff members.

**Note 2** – The Bank complies with regulations governing its products and services and has taken initiatives to promote inclusive growth and environmental sustainability.

The Bank agricultural business division has a dedicated line of credit for financing energy efficient agricultural practices like drip/micro irrigation practices, installation of solar pump-sets, and installation of solar home solution in off grid area to promote water and energy efficiency. Details

of this program could be found in <http://rblbank.com/sustainability-framework.aspx>. This line is administered by Bank's retail agri-banking group and is guided by Bank's Sustainability Policy.

In addition, the Bank's Environmental and Social (E&S) Risk policy (subserving of Bank's Sustainability Policy) mandates that all large wholesale credit cases are evaluated for associated environmental and social risks. This assessment is carried out by the Bank's E&S risk team. This helps the Bank to lend sustainably.

**Note 3** – RBL Bank's policies towards employees revolve around the following HR policies - Employees Code of Conduct, Compensation Policy, Employees Leave Policy, Employee Loan Policy, Grievance Redressal Policy, Employee Suggestion Scheme, Staff Accountability Policy, Maternity Leave Policy, Anti-Sexual Harassment Policy, and Mandatory Leave Policy. Some policies are based on Indian regulations (viz. Maternity Leave Policy, Anti-Sexual Harassment Policy etc.), some are based on International best practices while some policies (viz. mandatory leave policy) follow RBI's guidelines. RFL has similar HR and POSH policies.

All policies have been approved by the Bank's Board. All policies are uploaded to the Bank's intranet and available for review by Bank's employees.

**Note 4** – Bank's Credit Policy for Financial Inclusion (FI) Business guides Bank's efforts towards marginalized and vulnerable population. This credit policy follows RBI master-circular on PSL sector lending and MSME Act. It has been approved by the Bank's Board and is available on the intranet. RBL Bank's development banking and financial inclusion activities are listed on Bank's webpage, <http://rblbank.com/Developmental-Banking-and-Financial-Inclusion.aspx>. RFL, being a wholly owned subsidiary and exclusive BC partner for the Bank, also follows the same policy.

The Bank undertakes activities focused at providing education, preventive healthcare, women empowerment and sustainable livelihood related activities in poor, marginalized and vulnerable sections of the society through its structured CSR programmes. These are guided by Bank's Corporate Social Responsibility (CSR) Policy. The policy is available at the weblink below <https://www.rblbank.com/api/v1/doc/document/Social%20Responsibility%20Policy/csr-policy-rbl-bank.pdf>. The CSR policy has been approved by the Bank's Board and its activities are governed by CSR Committee of the Board in compliance with Sec. 135 of Companies Act, 2013. The bank's CSR Department looks after implementation of the CSR policy. RFL does not qualify for CSR programmes as per requirements put down under Sec. 135 Companies Act 2013.

**Note 5** – The Code of Conduct adopted by the Bank addresses the requirements of this principle. The Code emphasizes fair employment practices & diversity, fair competition, prohibition of harassment & intimidation and safety of the employees at the workplace. The Code of Conduct is approved by the Bank's Board and is displayed on Bank's intranet for reference of the employees. The Human Resource department looks after the Code of Conduct.

Similarly, for suppliers, the Bank has Supplier's Standard which covers aspects like responsible business practice – including ensuring human rights along the Bank's value chain. This standard is a part of all tender documents and mandatory for Bank's goods/service suppliers to follow.

The Bank follows the Code of Commitment based on the standards issued by The Banking Codes and Standards Board of India (BCSBI) which covers aspects like good and fair banking practices, transparency in services and products, high operating standards and cordial relationship with customers. The Code to the Bank's Commitment to Customer is available at <https://rblbank.com/api/v1/doc/document/BCSBI%20Members/code-of-banks-commitment-to-customers-january-2018.pdf>.

**Note 6** – Bank's Sustainability Policy governs the Bank's environment related activities, including reviewing environmental and social risk associated with wholesale lender's operations and practices. It has been approved by the Bank's Board.

The Environmental, Social and Governance (ESG) Committee of the Bank, headed by the Bank's Executive Director, oversees the implementation and roll out of the policy across the Bank. The Bank has an Environmental and Social (E&S) Risk Department which manages the day-to-day implantation of the Sustainability Policy. The Policy is available on the Bank website at <https://drws17a9qx558.cloudfront.net/document/Bank%20Policies/sustainability-policy.pdf>. Please refer to the following page for more details on Bank's Sustainability Framework <http://rblbank.com/sustainability-framework.aspx>.

**Note 7** – Bank's Environmental & Social (E&S) Risk Policy dictates that when the Bank engages with external stakeholder like regulators, trade associations, industry bodies etc. for redressal of a grievance or for influencing public policy and voicing its opinion; it should do so in a (i) responsible manner, (ii) ensuring fairness while voicing opinion, and (iii) promoting greater public good. The policy has been approved by the Bank's Board and is made availed on Bank's website at <https://drws17a9qx558.cloudfront.net/document/Bank%20Policies/e-and-s-risk-policy.pdf>.

**Note 8** - The Bank has a Corporate Social Responsibility (CSR) Policy. The CSR policy has been approved by the Bank's Board and its activities are governed by CSR Committee of the Board in compliance with Sec. 135 of Companies Act, 2013. The policy is available on the bank's website <https://www.rblbank.com/api/v1/doc/document/Social%20Responsibility%20Policy/csr-policy-rbl-bank.pdf>. A separate CSR Department is present, which looks after the implementation of CSR-related activities across the Bank. The Bank has special emphasis in education of underprivileged children, promoting preventive healthcare, women empowerment and promoting sustainable livelihood in rural, underprivileged areas.

In addition, Bank's Credit Policy for Financial Inclusion (FI) Business guides Bank's Financial Inclusion efforts. FI activities are aimed towards improving the quality of life of poor women folk in rural and semi-rural areas of India, by honing their entrepreneurial skills. The bank's financial

\* turnover in crore rupees is used for a readable number; The intensity has increased due to addition of new offices and related increased demand for lighting, air-conditioning and other loads. However, the intensity normalized over the office carpet area has decreased due to energy efficiency measures and use of renewable energy in one office and few branches

7. Does the entity have any project related to reducing Greenhouse Gas emission? If Yes, then provide details.

Yes, the bank has many initiatives for reducing GHG emissions within its operations. A few notable initiatives and their potential impacts are summarized below.

Green buildings: Two of our largest offices by carpet area –Airoli and NOC (both in Mumbai) are situated in certified green buildings. This is about 45% of the carpet area among our all the regional offices (barring branches) and 14% of all carpet area, inclusive of all India branches.

For about 50 other large branches, we are working with an Energy Service Company (ESCO) partner, who has installed air conditioning energy optimisation with sensors and it is also estimated to save about 50 MWh/ month. This initiative is expected to avoid emissions of 486 tCO<sub>2</sub> per year.

The 8<sup>th</sup> floor of NOC, Goregaon office is using 100% renewable energy from 29 September 2022. With a monthly consumption of 1.11 lakh units, this initiative will help avoid emissions of 1,079 tCO<sub>2</sub> annually. This also reduces RBL's annual operational (Scope 1 and 2) GHG emissions by 11%, compared to 2021-21 contribution.

Solar roof top in branches: The bank has installed about 96 kWp renewable energy in its 21 rural branches, Sangli Office and Bank's Head Office in Kolhapur, generating about 150 MWh of solar power in last FY, and avoiding GHG emissions of 141 tCO<sub>2</sub>. In addition, the bank finances various renewable energy, other emission reduction projects and electric vehicles etc. These in turn also help reduce the total GHG emissions.

## Independent Auditor's Report

To the Members of RBL Bank Limited

### REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS Opinion

We have audited the accompanying Standalone Financial Statements of RBL Bank Limited ("the Bank"), which comprise the Balance Sheet as at March 31, 2023, the Profit and Loss Account and the Cash Flow Statement for the year then ended, and notes to the Standalone Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Section 29 of the Banking Regulation Act, 1949 and as well as the Companies Act, 2013 ("the Act") and circulars and guidelines issued by the Reserve Bank of India, in the manner so required for the banking companies and give a true and fair view in conformity with the accounting principles generally accepted in India, including the

Accounting Standards prescribed under Section 133 of the Act, read with rules made thereunder, of the state of affairs of the Bank as at March 31, 2023, its profit and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the current year. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key audit matter(s) (KAM)	How our audit addressed the key audit matter
1.	<b>Information Technology (IT) Systems, Migration of Data, and controls over financial reporting</b>  The Bank's financial accounting and reporting systems are highly dependent on data from various IT applications and Core Banking Solution (CBS) which are interfaced and / or are working independently (the IT applications, CBS, general and related application controls together referred to as "IT Controls Framework"). Extensive volume, variety and complexity of transactions are processed daily and there is a risk that automated accounting procedures and related internal controls may not be accurately designed and operating effectively. There exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being materially misstated. Appropriate IT controls are required to ensure that the IT applications operate as planned and the changes made are properly authorized, tested and controlled. Our audit outcome is also dependent on the effective operations of these IT systems and controls throughout the year.  During the year, the bank has migrated to a new Loan Operating System (LOS) for Micro Finance loan portfolio. The migration of loan data from the old system to the new system is a critical aspect of the migration process. The completeness and accuracy of the migrated data will affect the reliability of the loan operating system.	<ul style="list-style-type: none"> <li>We have planned, designed and carried out the desired audit procedures and sample checks, taking into consideration the IT systems of the Bank. The procedures adopted by us are, in our opinion, adequate to provide reasonable assurance on the adequacy of IT controls in place and includes:</li> <li>Gaining understanding of IT controls framework through Walkthrough of processes. We also discussed and referred to reports of internal auditors, Internal Financial Control and other assurance functions in carrying out our audit procedures.</li> <li>The IT audit specialists (who are integral part of audit team) have carried out testing of effectiveness of general and application controls.</li> <li>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the Financial Statements.</li> <li>We have performed testing by selecting a sample of data and tracing the movement of data from the old system to new system to ensure that the migrated data is complete and accurate.</li> </ul>

# Independent Auditor's Report

Sr. No.	Key audit matter(s) (KAM)	How our audit addressed the key audit matter
	We have identified IT Controls Framework as a Key Audit Matter as the Bank has various applications apart from CBS from which data is extracted for preparation and presentation of the financial statements.	<ul style="list-style-type: none"> <li>Reliance on data migration review report of an external vendor/ independent system reviewer on completeness and accuracy of the loan data migrated to the new system.</li> </ul> <p>We have also carried out other audit procedures like substantive testing, analytical procedures etc. to verify the accuracy of the data generated from the IT system.</p>
2.	<p><b>Income recognition asset classification (IRAC) and provisioning on loans, advances and investments as per regulatory requirements</b></p> <p>The Bank, as per its governing framework, recognises the performing and non-performing advances/investments provisions based on Management's assessment of the degree of impairment of the advances/investments subject to and guided by minimum provisioning levels prescribed under RBI guidelines.</p> <p><b>Advances:</b></p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) which also identifies whether the advances are performing or non-performing and consequent recognition of Income.</p> <p>Further, bank placed reliance on the data submitted by the borrowers &amp; lead bank for drawing power calculations, and uses services of experts (Lawyer, valuers etc.) where required to support its assessment for security valuations.</p> <p>Compliance of relevant prudential norms issued by the Reserve Bank of India (RBI) in respect of income recognition, asset classification and provisioning pertaining to advances. Currently certain processes of the Bank requires manual interventions. Further, the Bank has significant exposure to a large number of borrowers across various sectors, products, industries and geographies and there is a high degree of complexity, uncertainty, significant estimates, judgment involved in determining the recoverability of advances, nature of transactions and estimation of provisions commensurate to the level of risks thereon and identification of accounts to be written off.</p> <p><b>Investments:</b></p> <p>Bank has to classify the investments as performing or non performing based on the guidelines/circulars and directives issued by Reserve Bank of India. Identification of performing and non performing investments. The valuation is done as per the guidelines issued by Reserve Bank of India and the valuations are done based on the price quoted on BSE/ NSE, FIMDA / FBIL rates etc. The Income recognition, asset classification and provisioning if not done properly as per the IRAC norms issued by Reserve Bank of India may materially impact the financial statements of the bank.</p> <p>Advances and Investments constitute 60.59% and 24.92% respectively of total assets of the bank. As advances and investments form part of a significant portion of the Bank's assets and the regulatory compliances are involved, we have considered this aspect as KAM</p>	<p>Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances and investments. In particular:</p> <p><b>Advances:</b></p> <ul style="list-style-type: none"> <li>We have evaluated and understood the Bank's internal control system in adhering to the relevant RBI guidelines regarding income recognition, asset classification and provisioning pertaining to advances;</li> <li>We have tested key IT systems/ applications used and their design and implementation as well as operational effectiveness of relevant controls, including involvement of manual process and manual controls in relation to income recognition, asset classification, provisioning pertaining to advances and compliances of other regulatory guidelines issued by the RBI from time to time;</li> <li>We have test checked advances to examine the validity of the recorded amounts, loan documentation, examined the statement of accounts, indicators of impairment, impairment provision for non-performing assets, and compliance with income recognition, asset classification and provisioning pertaining to advances in terms of applicable RBI guidelines;</li> <li>We have evaluated the past trends of management judgement, governance process and review controls over impairment provision calculations and discussed the provisions made with the top and senior management of the Bank.</li> </ul> <p><b>Investments:</b></p> <ul style="list-style-type: none"> <li>Understanding the IT system and controls put in place</li> <li>Testing on sample basis whether the classification and valuation of investments is carried out as per the guidelines of Reserve Bank of India.</li> <li>Verification on sample basis whether proper provision for depreciation in the value of investments is made as per RBI guidelines.</li> <li>Reliance made on the internal audit reports, concurrent audit reports and system audit conducted by the bank</li> </ul>

## Other Information

The Bank's Board of Directors and Management are responsible for the other information. The other information comprises the information included in the Directors' report, Management Discussion and Analysis, Business Responsibility and Sustainability Report etc. forming part of the Annual Report, but does not include the Standalone Financial Statements, consolidated financial statements and our auditor's report thereon and the Pillar III Disclosures under Basel III Capital Regulation, Leverage Ratio, Liquidity Coverage Ratio and Net Stable Funding Ratio.

The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Bank's Board of Directors and Management are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, the Banking Regulation Act, 1949 and the circulars, guidelines and directions issued by Reserve Bank of India ('RBI') from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Bank's Board of Directors and Management are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

## Independent Auditor's Report

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Standalone Financial Statements made by The Bank's Board of Directors and Management.
- Conclude on the appropriateness of The Bank's Board of Directors and Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matter

The audit of Standalone Financial Statements for the year ended March 31, 2022, have been audited by one of the predecessor auditors Haribhakti & Co. LLP and continuing joint statutory

auditor, CNK and Associates LLP, whose report dated May 12, 2022 had expressed an unmodified opinion. The above report has been furnished to us by the management and has been relied upon by us for the purpose of our audit of the Standalone Financial Statements.

Our opinion is not modified in respect of this matter.

### Report on Other Legal and Regulatory Requirements

## Annexure to the Independent Auditor's Report

**Annexure A to the Independent Auditors' Report of even date on the Standalone Financial Statements of RBL Bank Limited for the year ended March 31, 2023**

### **Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to Standalone Financial Statements of RBL Bank Limited ("the Bank") as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Bank for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Bank's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and

detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls,

## Annexure to the Independent Auditor's Report

assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls with reference to Standalone Financial Statements.

### **Meaning of Internal Financial Controls with Reference to Financial Statements**

A Bank's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. Bank's internal financial control with reference to financial statement includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the Standalone Financial Statements.

### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statement become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion the Bank has maintained, in all respects, an adequate internal financial control system with reference to Financial Statements and such internal financial controls with reference to the Financial Statements were operating effectively as at March 31, 2023, based on internal control with reference to financial statement criteria established by the Bank considering the essential components of internal control stated in the Guidance Note.

### SCHEDULE 17 – SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

#### BACKGROUND

RBL Bank Limited ('the Bank'), incorporated in 1943 in Kolhapur, Maharashtra, India is a banking company engaged in providing a wide range of banking and financial services including wholesale banking, retail banking, treasury operations and other banking related activities. The Bank is governed by the Banking Regulation Act, 1949 and the Companies Act, 2013. The Bank commenced its operations at its International Financial Services Centre Banking Unit (IBU) in Gujarat International Finance Tec (GIFT) City, Gujarat in April 2017 and does not have a branch in any foreign country.

#### BASIS OF PREPARATION:

The accompanying financial statements have been prepared under the historical cost convention and on the accrual basis of accounting, unless otherwise stated, and comply with the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Bank used in the preparation of these financial statements conform to the Generally Accepted Accounting Principles in India ('Indian GAAP'), the guidelines issued by the Reserve Bank of India ('RBI') from time to time, the Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2021, to the extent applicable, and practices generally prevalent in the banking industry in India.

#### USE OF ESTIMATES:

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that are considered in the reported amount of assets, liabilities and disclosure of contingent liabilities as at the date of the financial statements and reported income and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in the current and future periods.

#### SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year except as specified below.

#### Changes in accounting policies:

Effective April 1, 2022, the Bank has carried out the following change in its accounting policies:

#### Accounting policy of employee stock option plans:

During the previous year, based on RBI clarification dated August 30, 2021, on guidelines on Compensation of Whole Time Directors/CEO/Material Risk Takers and Control Function Staff, the Bank had applied fair value method to arrive at the compensation cost of ESOP granted after March 31, 2021 for employees coming under these categories. For other employees, the Bank had applied intrinsic value method to arrive at the compensation cost of ESOP granted. However effective from April 1, 2022, the Bank has changed its accounting policy from intrinsic value method to Fair value method for valuation of stock options granted after March 31, 2021, to all employees.

#### 1. Advances

##### a) Classification

Advances are classified as performing (standard) and/or Non Performing (NPA) based on the relevant RBI guidelines and are stated net of bills rediscounted, inter-bank participation with risk, specific provisions, interest in suspense for non-performing advances and provisions for funded interest term loan classified as non-performing advances. Non performing and restructured loans are upgraded to standard as per the extant RBI guidelines.

The premium paid on acquisition of portfolio is included in advances and is amortized over the economic life of the portfolio.

The reverse repos with banks and other institutions (other than those with the RBI) having original tenors more than 14 days are classified under advances.

##### b) Provisioning

Specific provisions in respect of non-performing and restructured advances are recognised based on management's assessment of the degree of impairment of the advances subject to the minimum provisioning levels prescribed under the RBI guidelines with regard

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

to the Prudential Norms on Income Recognition, Asset Classification & Provisioning, prescribed from time to time.

In accordance with the RBI guidelines, the Bank also maintains provision on standard assets to cover potential credit losses which are inherent in any loan portfolio including provision for borrowers having un-hedged foreign currency exposures, provisions on loans to specific borrowers in specific stressed sectors, provision of standard restructured accounts and also provision on Mark-to-Market (MTM) on derivative at the rate prescribed by the extant RBI guidelines or management estimates whichever is higher. Provision made against standard assets is included in 'Other Liabilities and Provisions' and are not netted off from gross advances.

In addition to provisions held according to the asset classification status, provisions are also recognised for individual country exposures (other than for home country exposure). Countries are categorised into risk categories as per Export Credit Guarantee Corporation of India Ltd. ('ECGC') guidelines and provision is held in respect of that country where the net funded exposure is one percent or more of the total assets. Provision for country risk is included under 'Other Liabilities and Provisions'.

Amounts recovered against debts written off and provisions no longer considered necessary based on the current status of the borrower are recognized in the profit and loss account, under the 'Provisions and Contingencies'.

In case of NPAs referred to National Company Law Tribunal ('NCLT') under Insolvency and Bankruptcy Code, 2016 ('IBC') where resolution plan or liquidation order has been approved by the NCLT, provision is maintained at higher of the requirement under the extant RBI guidelines or the likely haircut as per resolution plan or liquidation order.

Restructured assets are classified and provided for in accordance with the extant guidelines issued by RBI from time to time.

Loss assets and unsecured portion of doubtful assets are provided as per the extant RBI guidelines.

In respect of borrowers classified as non-cooperative and wilful defaulters, the Bank recognises accelerated provision as per extant RBI guidelines.

Loans reported as fraud are classified as loss assets, and fully provided in accordance with extant RBI guidelines without considering the value of security.

### 2. Investments

Classification and valuation of the Bank's investments is carried out in accordance with RBI and Fixed Income Money Market and Derivatives Association ('FIMMDA') and Financial Benchmark India Private Limited ('FBIL') guidelines respectively, prescribed in this regard from time to time.

#### a) Classification

Investments are classified into 'Held for Trading' ('HFT'), 'Available for Sale' ('AFS') and 'Held to Maturity' ('HTM') categories at the time of purchase. Investments, which the Bank intends to hold till maturity are classified as HTM investments. Investments in the equity of subsidiaries/ joint ventures are categorised as HTM in accordance with the RBI guidelines. Investments that are held principally for resale within a short period (90 days from the date of purchase), including short sale, are classified as HFT investments. All other investments are classified as AFS investments. As per the RBI guidelines, HFT securities, which remain unsold for a period of 90 days are transferred to AFS securities. The Bank follows settlement date method for accounting of its investments. For the purpose of disclosure in the financial statements, the Investments in India are classified under six groups a) Government Securities b) Other Approved Securities c) Shares d) Debentures and Bonds e) Subsidiaries and / or Joint Ventures and f) Others.

Investments are classified as performing or non-performing as per RBI guidelines. Non-performing investments are subjected to prudential norms for Classification, valuations and Operation of Investment Portfolio by Banks, prescribed from time to time.

#### b) Valuation

Investments classified as HTM are carried at their acquisition costs and not marked to market. Any premium paid on acquisition, over the face value of fixed and floating interest rate securities are amortized over the remaining maturity of the instrument using constant yield method. Such amortisation of premium is adjusted against interest income under the head income from investments as per the RBI guidelines. Where in the opinion of the management, a diminution, other than temporary, in the value of investments classified under HTM has taken place, appropriate provisions are made. In terms of RBI guidelines, discount on securities held under HTM category is not accrued and such securities are held at the acquisition cost till maturity.

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

Investments in subsidiaries/joint ventures are categorised as HTM and assessed for impairment to determine other than temporary diminution, if any, in accordance with the RBI guidelines and suitable provisions are made. Non-performing investments are identified and depreciation / provision are made thereon based on the RBI guidelines. The depreciation / provision on such non-performing investments are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognised in the Profit and Loss Account until received.

Investments classified as AFS and HFT are marked-to-market on a periodic basis as per the relevant RBI guidelines. The securities are valued scrip-wise and depreciation / appreciation are aggregated for each category. Net appreciation in each category, if any, is ignored, while net depreciation is provided for. The book value of individual securities is not changed consequent to the periodic valuation of investments.

Treasury bills, commercial papers and certificates of deposit being discounted instruments are valued at carrying cost including the pro rata discount accreted for the holding period on a constant yield to maturity basis.

Quoted investments are valued at traded / quoted price available on the recognized stock exchanges, subsidiary general ledger account transactions are valued as per the price list of RBI or prices declared by FBIL as applicable as at the balance sheet date. For deriving market value of unquoted fixed income securities (other than Central and State Government securities) and preferential shares, the Bank considers yields / mark-up rates (reflecting associate credit risk) declared by the FBIL/FIMMDA.

Unquoted equity shares are valued at the break-up value, if the latest Balance Sheet is available or at ₹ 1/- as per the RBI guidelines.

Quoted Mutual Fund units are valued as per the stock exchange quotations and un-quoted mutual fund units are valued at last available re-purchase price or Net Asset Value ('NAV') where re-purchase price is not available.

Units of Venture Capital Funds ('VCF') held under AFS category are valued using the NAV shown by VCF as per the financial statement. The VCFs are valued based on the audited financial statements. In case the audited financial statements are not available for a period beyond 18 months, the investments are valued at ₹ 1/- per VCF.

Investments in Security receipts ('SR') which are backed by more than 10% of the stress assets sold by the Bank, provision for depreciation is made higher of – provision required based on NAV disclosed by the assets reconstruction company or the provision as per IRAC norms, assuming that the loan notionally continued in the books of the bank. All other SR are valued as at NAV provided by the asset reconstruction company.

Investments received in lieu of restructured advances under Debt Restructuring schemes are valued in accordance with the RBI guidelines. Any diminution in value on these investments is provided for and is not used to set off against appreciation in respect of other performing securities in that category. Similarly, any appreciation on these investments is not used to set off against depreciation in respect of other performing securities in that category. Depreciation on equity shares acquired and held by the Bank under SDR / S4A schemes is provided as per RBI guidelines.

Pass Through Certificates (PTC) excluding Priority Sector-PTCs are valued using FBIL GOI par yield and FIMMDA credit spreads as applicable to associated risk category, based on the credit rating and tenor of the respective PTC instruments. PSL-PTCs are valued at book value.

#### c) Short Sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. The short positions are reflected in 'Securities Short Sold ('SSS') A/c', specifically created for this purpose. Such short positions are categorised under HFT category and netted off from investments in the Balance Sheet. These positions are marked-to-market along with the other securities under HFT portfolio and the resultant mark-to-market gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments discussed earlier.

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

### d) Disposal of investments:

Profit / Loss on sale of investments under the aforesaid three categories are recognized in the Profit and Loss Account. Cost of investments is based on the weighted average cost method. The profit from sale of investment under HTM category, net of taxes and transfers to statutory reserve, is appropriated from Profit and Loss Account to 'Capital Reserve', in accordance with the RBI guidelines.

### e) Transfer between categories

Transfer of investments between categories is accounted in accordance with the extant RBI guidelines:

- a) Transfer from AFS/HFT to HTM is made at the lower of book value or market value at the time of transfer.
- b) Transfer from HTM to AFS/HFT is made at acquisition price / amortized cost if originally placed in HTM at par or at a discount and at amortized cost if originally placed in HTM at a premium.
- c) Transfer from AFS to HFT category or vice-versa is made at book value and the provision for the accumulated depreciation, if any, held is transferred to the provisions for depreciation against the HFT securities or vice-versa.

### f) Repurchase transactions

In accordance with the RBI guidelines, repurchase ('Repo') and reverse repurchase ('Reverse Repo') / Standing Deposit Facility (SDF) transactions, liquidity adjustment facility and Marginal Standing Facility ('MSF') with RBI are accounted for as borrowing and lending transactions respectively. Accordingly, securities given as collateral under an agreement to repurchase them continue to be held under the investment account of the Bank and the Bank would continue to accrue the coupon/discount on the security during the repo period. Also, the Bank continues to value the securities sold under repo as per the investment classification of the security. Borrowing cost on repo transactions is accounted for as interest expense and income on reverse repo/ SDF transactions are accounted for as interest income.

### g) Broken period interest, brokerage etc.

Broken period interest and costs such as brokerage paid at the time of acquisition of the security are charged to the Profit and Loss account and are not included in the cost of acquisition.

## 3. Foreign currency transactions

Monetary assets and liabilities denominated in foreign currencies are translated at the Balance Sheet date at rates of exchange notified by 'Foreign Exchange Dealers' Association of India'(FEDAI) and the resultant exchange rate differences are recognized in the Profit and Loss account. Income and expenditure items are translated at the exchange rates prevailing on the date of the transaction.

Outstanding forward exchange contracts and spot contracts outstanding at the Balance Sheet date are re-valued at rates notified by FEDAI for specified maturities and at the interpolated rates for interim maturities. In case of forward contracts of greater maturities where exchange rates are not notified by FEDAI, are re-valued at the forward exchange rates implied by the swap curves in respective currencies. The resulting profits or losses are recognized in the Profit and Loss Account as per the regulations stipulated by the RBI / FEDAI and corresponding asset or liability is included in 'Other assets' or 'Other liabilities'.

Foreign exchange swaps designated as hedge for foreign currency deposits, borrowings and placements are translated at the prevailing spot rate at the time of swap. The premium or discount on the swap arising out of the difference in the exchange rate of the swap date and the maturity date of the underlying forward contract is amortized over the period of the swap and the same is recognized in the Profit and Loss Account. Foreign exchange swaps designated as trading are marked to market in the financial statements.

Contingent liabilities on account of foreign exchange contracts, letters of credit, bank guarantees and acceptances and endorsements outstanding as at the Balance Sheet date denominated in foreign currencies are translated at year-end rates notified by FEDAI.

Both monetary and non-monetary foreign currency assets and liabilities of non-integral foreign operations (IBU Branch) are translated at relevant closing exchange rates notified by FEDAI at the balance sheet date and the resulting gains/

## Schedules

losses from exchange rate differences are accumulated in the foreign currency translation reserve. Income and expenses are converted at the closing rate applicable on the date of transaction.

## 4. Derivative transactions

Foreign exchange spot and forward contracts outstanding as at the Balance Sheet date and held for trading, are revalued at the closing spot and forward rates respectively. Valuation is considered on present value basis. The resulting profit or loss on valuation is recognized in the Profit and Loss Account. Foreign exchange contracts are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value).

Foreign exchange forward contracts not intended for trading, that are entered into to establish the amount of reporting currency required or available at the settlement date of a transaction, and are outstanding at the Balance Sheet date, are effectively valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.

The Bank recognises all derivative contracts (other than those designated as hedges) at fair value, on the date on which the derivative contracts are entered into and are remeasured at fair value as at the Balance Sheet or reporting dates. Derivatives are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value). Derivative contracts designated as hedges are accounted on accrual basis unless their underlying transaction is marked to market.

The Bank identifies the hedged item (asset or liability) at the inception of the transaction itself. Hedge effectiveness is ascertained at the time of the inception of the hedge and periodically thereafter.

Option premium paid or received is recognized in the Profit and Loss Account on expiry of the option. Option contracts are marked to market on every reporting date.

Pursuant to the RBI guidelines, any receivable under a derivative contract with a counterparty which remains overdue for more than 90 days, mark-to-market gains on any other derivative contract with the same counterparty, is reversed through Profit and Loss account and are held in separate Suspense Account.

## 5. Reciprocal transactions

Transactions of reciprocal nature where the Bank borrows or lends in foreign currency and consequently lends or borrows equivalent amount in INR to the counterparty, are accounted as balance-sheet items, as lending or borrowing (as the case may be). The settlement of exchange rate movement at every reset date is recognized as lending or borrowing.

## 6. Bullion

The Bank imports bullion including precious metal bars on a consignment basis for selling to its wholesale customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier and the local levies related to the consignment like custom duty, etc. The Bank earns income on such wholesale bullion transactions which is recognised on settlement basis.

The Bank also deals in bullion on a borrowing and lending basis and the interest paid / received thereon is classified as interest expense / income respectively.

## 7. Property, Plant and Equipment, Depreciation and amortisation

Property, Plant & Equipment are accounted for at cost less accumulated depreciation, amortization and accumulated impairment losses. Cost includes freight, duties, taxes and incidental expenses related to the acquisition and installation of the asset. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future economic benefit / functioning capability from / of such assets. Premises acquired up to March 31, 1998 have been re-valued by the management and are stated at such re-valued figure. The appreciation on revaluation is credited to 'Premises Revaluation Reserve' Account. On disposal of re-valued premises, the amount standing to the credit of the Premises Revaluation Reserve is transferred to Capital Reserve. In case of premises, which are carried at revalued amount, the depreciation on the revalued amount over the historical cost is debited to the Premises Revaluation Reserve.

Capital work-in-progress includes cost of Property, Plant & Equipment that are not ready for their intended use and also includes advances paid to acquire Property, Plant & Equipment.

Depreciation is provided as per straight-line method from the date ready for use over the estimated useful life of the asset. Depreciation on assets sold during the year is charged to the Profit and Loss account up to the date of

## Schedules

sale. Assets costing less than ₹ 5,000 are fully depreciated in the year of purchase. If the management's estimate of the useful life of a Property, Plant & Equipment at the time of acquisition of the asset or of the remaining useful life on a subsequent review is shorter, then the depreciation is provided at a higher rate based on management's estimate of the useful life/remaining useful life. The management believes that depreciation rates currently used, fairly reflect its estimate of the useful lives and residual values of Property, Plant & Equipment, though these rates in certain cases are different from the life prescribed under Schedule II of Companies Act, 2013. Whenever there is a revision of the estimated useful life of an asset, the unamortised depreciable amount is charged over the revised remaining useful life of the said asset.

The useful lives of the Property, Plant & Equipment are given below:

Category	Estimated useful life
Premises	50 years
Desktop computers, printers, laptops	3 years
VSATs, telecom equipment, cabling, other computer hardware and related equipment, LAN/mainframe servers and printers, scanners	5 years
Purchased and developed software	5 years
Vehicles	5 years
Office equipment, locker cabinets, strong room	6.67 years
ATMs	7 years
Furniture, fittings and work of art	10 years

Improvements and installations of capital nature on the leasehold property are depreciated over the primary lease term.

Gain or losses arising from the retirement or disposal of Property, Plant & Equipment are determined as the difference between the net disposal proceeds and the carrying amount of assets and recognised as income or expense in the Profit and Loss Account. Further, profit on sale of premises is appropriated to Capital Reserve account (net of taxes and transfer to statutory reserve) in accordance with RBI guidelines.

At each Balance Sheet date, the Bank assesses impairment on assets. If any such indication exists, the Bank estimates the recoverable amount of the asset. An asset's recoverable

amount is the higher of an asset's net selling price and its value in use. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Profit and Loss account. If at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

### 8. Employee benefits Provident Fund

The Bank's contribution towards provident fund, being a defined contribution scheme, is accounted for on an accrual basis and recognized in the Profit and Loss account. The Bank makes contributions to the Fund administered by trustees.

### Gratuity and Pension

Liability for Gratuity and Pension, being defined benefit retirement schemes, are determined based on an actuarial valuation as at the Balance Sheet date as per the Projected Unit Credit method as computed by an independent actuary. Actuarial gains/losses arising during the year are recognized in the Profit and Loss Account.

The Bank has taken full provision on additional liability on account of revision in family pension of Indian Banks' Association (IBA) employees consequent upon 11th Bipartite Settlement dated November 11, 2020 in its profit and loss accounts in the financial year ended March 31, 2022.

### National Pension Scheme

The Bank contributes 10% of the total basic salary of certain employees to National Pension Scheme (NPS), a defined contribution plan, which is managed and administered by pension fund management companies. The Bank also gives an option to its employees allowing them to receive the amount in lieu of such contributions along with their monthly salary during their employment. The amounts so contributed/paid by the Bank to the NPS or to employee during the year are recognized in the profit and loss account.

### Compensated Absences

The Bank provides for compensated absence liability of its employees who are eligible for encashment of accumulated leave, which is a long-term benefit scheme, based on actuarial valuation of the compensated absences liability

at the balance sheet date, carried out by an independent actuary. Actuarial gains/losses arising during the year are recognized in the Profit and Loss Account.

### Employee Stock Option Plans

The Bank accounts for Employee Stock Option plans in accordance with the Guidance note on Employee Share Based Payments issued by The Institute of Chartered Accountants of India ('ICAI'). The Reserve Bank of India (RBI), through its clarification dated August 30, 2021, on guidelines on Compensation of Whole Time Directors/CEO/ Material Risk Takers and Control Function Staff, has advised banks that the fair value of share-linked instruments granted after March 31, 2021 should be recognised as an expense. The Bank has changed its accounting policy from intrinsic value method to fair value method for valuation of stock options granted after March 31, 2021 for all employees. The fair value of stock options is estimated on the date of grant using Black-Scholes model and is recognised as employee expense over the vesting period.

### 9. Revenue Recognition

- Interest income is recognized on accrual basis, except in the case of interest on loans categorised as NPA/ investments categorised as NPI and on loan accounts which are restructured by the Bank under SDR or S4A scheme of RBI, in which case it is recognized on realisation. The Bank does not recognise the unrealised interest and fees on NPA accounts as income.
- Payment made to Business Correspondents for service such as sourcing of loans, servicing and collections from customers and other related services are netted from Interest earned as per the terms of agreement with Business Correspondents.
- Income on discounted instruments is recognized over the tenure of the instrument on a constant yield basis.
- Dividend is accounted on an accrual basis when the right to receive the dividend is established.
- Loan processing fee is accounted for upfront when it becomes due. Processing or any other transaction fee earned by the Bank and shared with the Banks' Business Correspondents and partners are netted from the fee income.
- Guarantee commission are recognized on straight-line basis over the period of the contract. Other fees and commission income are recognized when due, where the Bank is reasonably certain of collection.

- Fees received on sale of Priority Sector Lending Certificates (PSLC) is considered as Miscellaneous Income, while the fees paid for purchase is expensed as other expenses in accordance with the guidelines issued by the RBI. The fees income or expense is amortized on a straight-line basis over the tenor of the certificate.
- Arrangership or syndication fee is accounted for on completion of the agreed service and when the right to receive is established.
- Interest income on investments in PTCs is recognized on accrual basis, at their contractual rate.
- In accordance with the RBI guidelines on sale of non-performing advances, if the sale is at a price below the book value (i.e., book value less provisions held), the shortfall is charged to the Profit and Loss Account. If the sale is for a value higher than the book value, the excess provision is credited to the Profit and Loss Account in the year the amounts are received.
- Interest income on loans purchased through direct assignments is recognised, on an accrual basis, at the contractual interest rate as agreed with the seller. Servicing charges are recognised as expense as per the terms of the agreements.
- Penal interest and charges on corporate and credit card exposure are recognised to income on accrual basis. All other fees and penal interest are recognised when it is measurable and at the time of recognition it would not be unreasonable to expect ultimate collection.

### 10. Lease transactions

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating leases. Operating lease rentals are recognized as an expense on straight-line basis over the lease period. Assets given under leases in respect of which all the risks and benefits of ownership are effectively retained by the Bank are classified as operating leases. Lease rentals received under operating leases are recognized in the Profit and Loss account as per the terms of the contracts.

### 11. Taxation

Income tax comprises the current tax (i.e. amount of tax for the period, determined in accordance with the Income Tax Act, 1961 and the rules framed there under) and the net

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

change in the deferred tax asset or liability for the period (reflecting the tax effects of timing differences between accounting income and taxable income for the period and reversal of timing differences of earlier years).

Provision for current income-tax is recognized in accordance with the provisions of Indian Income Tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

The deferred tax charge or credit and the corresponding deferred tax liability or asset is recognized using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance Sheet date.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty (supported by convincing evidence of future taxable income) of realisation of such assets.

Deferred tax assets are reviewed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably/virtually certain to be realised.

The Bank has exercised option referred u/s 115BAA with respect to tax rate, accordingly Minimum Alternative Tax ('MAT') provision u/s 115JB are not applicable on Bank.

### 12. Provisions, contingent liabilities and contingent assets

The Bank creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each balance sheet date and adjusted to reflect

the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

### 13. Provision for reward points on credit cards

The Bank has a policy of awarding reward points for credit card spends by customers. Provision for the outstanding reward points is made based on an actuarial valuation report which takes into account, among other things, probable redemption pattern of credit card reward points and value per point.

### 14. Earnings per share (EPS)

The Bank reports basic and diluted earnings per share in accordance with Accounting Standard (AS) -20, Earnings per Share, as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2021.

Basic earnings per share is calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share reflect the potential dilution that could occur if contracts to issue equity shares were exercised or converted during the period. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period, except where the results are anti-dilutive.

### 15. Segment Reporting

The disclosure relating to segment information in accordance with AS -17, Segment Reporting and as per guidelines issued by the RBI.

### 16. Share issue expenses

Share issue expenses are adjusted from Share Premium Account in terms of Section 52 of the Companies Act, 2013.

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

### 17. Cash and Cash Equivalents

Cash and Cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

### 18. Impairment of assets

The Bank assesses at each balance sheet date whether there is any indication that an asset may be impaired. Impairment loss, if any, is provided in the Profit and Loss account to the extent the carrying amount of assets exceeds their estimated recoverable amount.

### 19. Non- Banking Assets acquired in satisfaction of claims

Non-banking assets (NBAs) acquired in satisfaction of claims are carried at lower of net book value or net realizable value.

### 20. Accounting for proposed dividend

As per AS-4 – 'Contingencies and events occurring after the Balance sheet date', the Bank is not required to create provision for dividend proposed / declared after the Balance Sheet date unless a statute requires otherwise. The same is recognized in the year of actual payout post approval of shareholders. However, the Bank reckons proposed dividend in determining capital funds in computing the capital adequacy ratio.

### 21. Corporate Social Responsibility

Expenditure towards corporate social responsibility, in accordance with Companies Act, 2013, are recognized in the Profit and Loss account.

### 22. Transfer of Loan Exposure

In accordance with RBI guidelines of 24 September, 2021, on 'Master Direction – Reserve Bank of India (Transfer of Loan Exposures) Directions, 2021', any loss or profit arising because of transfer of loans, which is realised, is accounted for and reflected in the Profit & Loss account for the accounting period during which the transfer is completed. Loans acquired are carried at acquisition cost unless it is more than the outstanding principal at the time of the transfer, in which case the premium paid is amortised based on straight line method.

### 23. Priority Sector Lending Certificates

The Bank enters into transactions for the sale or purchase of Priority Sector Lending Certificates ('PSLCs'). In the case of a sale transaction, the Bank sells the fulfilment of priority sector obligation and in the case of a purchase transaction the Bank buys the fulfilment of priority sector obligation through the RBI trading platform.

The Reserve Bank of India (RBI), through its clarification dated August 30, 2021, on guidelines on Compensation of Whole Time Directors/CEO/Material Risk Takers and Control Function Staff, has advised banks that the fair value of share-linked instruments granted after March 31, 2021 should be recognised as an expense.

The Bank has changed its accounting policy from intrinsic value method to fair value method for valuation of stock options granted after March 31, 2021 for employees falling under these categories from April 1, 2021. Further, effective from April 1, 2022, the Bank has changed its accounting policy from intrinsic value method to Fair value method for valuation of stock options granted after March 31, 2021, to all employees. The change in the accounting policy results in recognition of additional 'Employee Cost' of ₹ 17.23 crore related to the earlier period.

The fair value of stock options is estimated on the date of grant using the Black-Scholes model and is recognised as employee expense over the vesting period.

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

If the Bank had adopted the Black-Scholes model based fair valuation for compensation cost granted to all employees, the Bank's net profit for the year and earnings per share would have been as per the proforma amounts indicated below:

(₹ in crore)

Particulars	2022-23	2021-22
Net Profit / (Loss) (as reported)	882.73	(74.74)
Less: Stock-based compensation expense determined under fair value method (after tax). This amount pertains to residual impact not considered in reported Net Profit.	8.06	59.85
Net profit / (Loss) (proforma)	874.67	(134.59)
Basic earnings per share (as reported)	14.72	(1.25)
Basic earnings per share (proforma)	14.59	(2.25)
Diluted earnings per share (as reported)	14.66	(1.25)
Diluted earnings per share (proforma)	14.53	(2.25)

The fair value of options granted during the year has been estimated on the date of grant using the Black-Scholes option pricing model with the following assumptions:

Particulars	2022-23	2021-22
Expected dividend yield	0.18% - 0.27%	0.27%
Expected volatility	49.08% ~62.35%	47.65% ~57.76%
Risk free interest rates	6.29% - 7.39%	5.08% - 6.19%
Expected life of options in years (across each tranche)	3.5 - 5.5	3.5 - 5.5

Expected volatility is a measure of the amount by which the equity share price is expected to fluctuate during the period. The measure of volatility used in Black-Scholes option pricing model is the annualized standard deviation of the continuously compounded rates of return on the share over a period of time. Expected volatility has been computed by considering the historical data on daily volatility in the closing equity share price on NSE of RBL Bank Limited over the expected tenor of each option vesting tranche.

#### 4. Appropriation to/ Withdrawal from Reserve

For the year ended March 31, 2023, the Bank has appropriated ₹ 221.00 crore (previous year: Nil) towards Statutory Reserves, ₹ 3.00 crore (previous year: ₹ 43.00 crore) towards Capital Reserves, ₹ 200.00 crore (previous year: Nil) towards Revenue & Other Reserves, ₹ 10.00 crore (previous year: Nil) towards Special Reserves created under section 36(1)(viii) of Income Tax Act, 1961 and ₹ 187.14 crore (previous year: withdrawal of ₹ 36.00 crore) towards Investment Fluctuation Reserve (IFR).

Appropriation to Revenue & Other Reserves from ESOP Reserve is ₹ 2.39 crore (previous year: Nil) on account of vested options cancelled/lapsed.

### 9.5 Risk Exposure in Derivatives:

#### Qualitative disclosures:

Derivatives are financial instruments whose characteristics are derived from underlying asset or interest rates or exchange rates or indices. The Bank deals in interest rate and foreign exchange (Fx) derivatives for balance sheet management, proprietary trading and market making purposes whereby the Bank offers derivative products to its customers, enabling them to hedge their risks.

Proprietary traders manages trading positions within the approved risk limits. It deals in fixed income, equity and forex markets. The Bank transacts in derivative products such as forex options, currency swaps, interest rate swap, foreign currency interest rate swaps and long term foreign exchange contracts (LTFX) with its customers to hedge their market risk. The Bank also undertakes derivative transactions to hedge its balance sheet assets or liabilities.

These transactions expose the Bank to various risks, primarily credit, market and operational risk. The Bank has adopted the following mechanism for managing risks arising out of the derivative transactions.

#### a) The structure and organization for management of risk in derivatives trading.

The Bank has a separate Treasury Front Office, Treasury Middle Office, Treasury Back Office and Market Risk functions. Derivative transactions are originated by Treasury Front Office, which ensures compliance with the trade origination requirements as per the RBI guidelines and the Bank's derivatives policy. Treasury Middle Office and Market Risk groups are responsible for identifying, measurement, monitoring, and analysis of derivative related risks. Treasury Back Office undertakes activities such as confirmations, settlements, documentation and accounting. Treasury functions are also subject to a concurrent audit.

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

### b) The scope and nature of risk measurement, risk reporting and risk monitoring systems.

Derivative transactions are governed by the Bank's Derivative Policy, Commercial Credit Policy, Market Risk Policy, Liquidity Risk Management, ALM Policy and Client Suitability and Appropriateness Policy as well as by the extant RBI regulations.

The Bank has set up various risk limits taking into account market volatility, business strategy and management experience. The Bank measures and monitors risk of its derivatives portfolio using risk metrics such as Value at Risk (VaR), stop loss limits, PV01 and other risk measures. All exposures are monitored against these limits on a daily basis and breaches, if any, are reported to senior management/Asset and Liability Committee (ALCO) for corrective action/ratification.

All counterparty exposures are monitored against counterparty credit limits on a daily basis and breaches, if any, are reported to senior management/ALCO for corrective action/ratification.

### c) Accounting policy for recording hedge and non-hedge transactions, recognition of income, premiums and discounts, valuation of outstanding contracts.

The Bank has a Board approved FX and Derivative Policy which also govern the use of derivative for hedging purpose. The Bank undertakes derivative transactions for market making/trading and hedging purposes. Transactions for trading and hedging are recorded separately. The Bank revalue its trading positions on a daily basis and the resulting gain/loss is recorded in the Profit and Loss Account. The receivable and payable on marking the contracts to market are shown under 'Other Assets' and 'Other Liabilities' in the Balance Sheet.

Foreign exchange forward contracts not intended for trading, that are entered into to establish the amount of reporting currency required or available at the settlement date of a transaction, and are outstanding at the Balance Sheet date, are effectively valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortized as expense or income over the life of the contract.

The Bank follows the option premium accounting framework prescribed by FEDAI guidelines. Premium on option transaction is recognized as income/ expense on expiry or unwinding of the transaction. MTM gain/ loss, is recorded under 'Other Income'. The amounts received/paid on cancellation of option contracts are recognized as realised gains/ losses on options.

The charges receivable/payable on cancellation/ termination of foreign exchange Forward contracts and swaps are recognized as income/ expense on the date of cancellation/ termination under 'Other Income'. Pursuant to the RBI guidelines, any receivables (crystallised receivables and positive MTM) under Forex & derivatives contracts, which remain overdue for more than 90 days, are reversed through the Profit and Loss Account and are held in a separate Suspense account.

### d) Counterparty Credit Risk Mitigation

The credit risk on customer derivative transactions is mitigated through a laid down policy on sanction of Loan Equivalent Risk (LER) limits, monitoring mechanism for LER limits and trigger events for escalations, margin calls and terminations.

The Bank measures the counterparty risk using current exposure method as stipulated by RBI. Counterparty limits are approved as per the Bank's Credit Policies. The sanction terms may include the requirement, on a case to case basis, to provide upfront collateral, or place collateral if the mark to market (MTM) exceeds a specified threshold. The Bank retains the right to terminate transactions as a risk mitigation measure, in case the client does not adhere to the agreed terms.

Collateral requirements for derivative transactions determined through a usual credit appraisal process and are laid down in the credit sanction terms of the transactions.

### B. Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy.

Bank's remuneration policy is designed and aimed at attracting & retaining best possible / available talent that it requires to effectively grow the business and become a highly respected institution. It comprises of a balanced mix of fixed & variable cash and non-cash compensation and benefits / perquisites to deliver maximum value to the employee and other stakeholders.

The remuneration is divided into following components:

#### Fixed Pay & Perquisites:

For employees governed by Indian Banking Association's employment and compensation rules (IBA rules), their remuneration is based on the industry-wide bi-partite wage settlement agreements signed with the employees' union. These rules provide for basic salary, allowances and certain retirement benefits to the employees which are uniformly applicable for the employees covered under the IBA scale.

For the employees governed by the 'Cost to Company' (CTC) remuneration structure (i.e., Non-IBA scale employees), the CTC represents the total direct and fixed cost incurred by the Bank across all components of compensation including contributions paid by the Bank towards retiral benefits, and loans at concessional interest rates. It consists of Basic

### Variable Pay

#### Share Linked Instruments

In order to align the interest of the Bank, the senior management, its shareholders and the employees, there is an effort to create long term ownership and commitment for the senior officers of the Bank. This is also done with a view to recognize and compensate key employees for intellectual capital, the domain expertise in terms of product, market knowledge and the business relationships that they bring along. Accordingly, the Bank has formulated Employee Stock Option Program (ESOP) and offer Joining ESOPs based on the role in the Bank, domain knowledge, experience, current ability, future potential and expertise of the candidate.

Further, to reward the performance and recognize the contribution of employees, the Bank has a Performance Employee Stock Option Program (PESOP). PESOPs are given after periodic evaluation of the individual performance, business unit as well as overall Bank performance during the review period. These plans are designed and implemented in such a way that they go a long way in aligning the objectives of an individual with those of the Bank.

These stock option programs are administered by the NRC.

#### Variable Pay – Cash (VPC):

Variable Pay – Cash is paid as a percentage of CTC as defined in the Remuneration Policy of the Bank.

Employees who are covered under monthly / quarterly incentives plans are not eligible for annual Variable Pay - Cash for the period of such coverage.

As per the RBI guidelines, Variable Pay - Cash will be paid in a staggered manner based on the quantum of Variable Pay - Cash. The schedule (timing and quantum) of pay-out of Variable Pay - Cash is described in sections of the compensation policy for respective categories of employees. However, in cases where Variable Pay - Cash is under ₹ 0.25 crore, deferral requirements would not be necessary.

### C. Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.

For the Whole Time Directors (WTDs) / Chief Executive Officers (CEOs) / Material Risk Takers (MRTs):

- a) Compensation is adjusted for all types of risk
- b) Compensation outcomes are symmetric with risk outcomes
- c) Compensation pay-outs are sensitive to the time horizon of the risk and
- d) Mix of cash, equity and other forms of compensation is consistent with risk alignment

The Bank will be using measures of credit, market, liquidity and various other risks for risk adjustment. It includes both quantitative and judgmental elements and is in compliance with all statutory requirements.

The variable compensation will be subject to malus/clawback arrangements in the event of subdued or negative financial performance of the Bank and/or the relevant line of business in any year.

The Bank will adopt modalities to incorporate malus/ clawback mechanism in respect of variable pay to address misconduct, risk and relevant statutory and regulatory stipulations, as applicable.

The basis for arriving at the representative set of situations to invoke the malus and clawback clauses applicable on entire variable pay are Misconduct, assessed divergence in performance, working against the interest of the Bank.

## Schedules

forming part of the standalone financial statements for the year ended March 31, 2023

### D. Description of the ways in which the Bank seeks to link performance during a performance measurement period with levels of remuneration.

The Performance Management process includes employees setting performance goals at the beginning of the fiscal year that are aligned to five themes namely, Shareholder Value as the Focus, Customer at the Heart, Employee as the Pillar and Community as the Cause and Risk Compliance. Employees are appraised and evaluated against these set of goals at the end of the review period. Employee performance and competence assessment are both considered for determining the performance rating. This has a direct correlation with the increments and variable pay to be awarded to the employee for the period of assessment.

### E. A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.

The variable pay will be in the form of share-linked instruments, or a mix of cash (referred as variable pay - cash or VPC) and share-linked instruments.

The Bank has defined composition, limit, deferral and period of deferral arrangement for Variable Pay. It has also laid down guidelines on vesting, inclusion of share linked instruments as a part of variable pay and malus/ clawback norms.

As per the RBI guidelines, Variable Pay - Cash will be paid in a staggered manner based on the quantum of Variable Pay - Cash. The schedule (timing and quantum) of payout of Variable Pay - Cash is described in the Compensation policy of the Bank.

- For WTDs and MRTs, a minimum of 60% of the total variable pay will be under deferral arrangements. Further, if Variable Pay – Cash is being paid as a part of variable pay, at least 50% of Variable Pay - Cash will also be deferred. However, in cases where Variable Pay - Cash is under ₹ 0.25 crore, deferral requirements would not be necessary
- For Risk Control & Compliance Staff and other category employees, Deferral will be applicable in case where Variable Pay - Cash is more than 40% of fixed pay and if it is greater than or equal to ₹ 0.25 crore.

For variable pay in the form of share-linked instruments, i.e., ESOPs, deferred remuneration will either vest fully at the end of the deferral period or be spread out over the course of the deferral period. The first such vesting shall not be before one year from the commencement of the deferral period. The vesting shall not be faster than on a pro rata basis. Additionally, vesting shall not take place more frequently than on a yearly basis to ensure a proper assessment of risks before the application of ex post adjustments.

Period of deferment and vesting for share-linked instruments i.e., ESOP will be as per the schedule specified in the ESOP scheme.

### F. Description of the different forms of variable remuneration (i.e., cash and types of share-linked instruments) that the Bank utilizes and the rationale for using these different forms.

Various forms of variable remuneration used by the Bank are:

**Variable Pay – Cash (VPC):** VPC provides cash bonus in short to medium term to employees. The Bank utilizes VPC to reward superior performance.

**Employee stock option (ESOP) plan:** Employee stock option plan is a long-term remuneration benefit. ESOP is equity settled through which the employees will receive one equity share per option after vesting/ exercise. The stock options granted to employees vest over a period of three / four years, generally. Apart from rewarding for superior performance, ESOP is also used as a reward to align employee interests with the Bank, create long term ownership and commitment.

### 39. Contingent Liabilities

Description of nature of contingent liabilities is set out below:

- i) Claims against the Bank not acknowledged as debts:  
These represent claims filed against the Bank in the normal course of business relating to various legal cases currently in progress.
- ii) Liability for partly paid investments:  
These represent contingent liability on account of possible claims for uncalled amount by the issuer of the securities held by the Bank.
- iii) Liability on account of forward exchange and interest rate contracts:  
The Bank enters into foreign exchange contracts currency options, forward rate agreements, currency swaps with inter-bank participants on its own account and for the customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by the way of interest/principal in one currency against another, based on pre-determined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The amount recorded as contingent liability with respect to these contracts represents the underlying notional amounts of these contracts.
- iv) Guarantees given on behalf of Constituents:  
As a part of its corporate banking activities, the Bank issues documentary credit and guarantees on behalf of its customers. Documentary credits such as letters of credit enhance the credit standing of the customer of the Bank, by providing assurance of payment to the beneficiary on submission of credit compliant documents. Guarantees generally represent irrevocable assurances that the Bank will make the payment in the event of the customer failing to fulfill its financial or performance obligations.
- v) Acceptances, endorsements and other obligations:  
These include documentary credit issued by the Bank on behalf of its customers and bills drawn by the Bank's customers that are accepted or endorsed by the Bank.
- vi) Other contingent items:
  - a. Commitments for settlement date accounting for securities transactions;
  - b. Demands raised by income tax and other statutory authorities and disputed by the Bank.
  - c. Amount transferred to RBI under the Depositor Education and Awareness Fund (DEAF).

The Provident Fund, comprising of Employees' as well as Employer contribution, is administered by an independent Trust. The Bank is currently in dispute with the Provident Fund authorities regarding applicability of the Employees Provident Funds and Miscellaneous Provisions Act, 1952 (the 'Act'). The matter is pending with Central Government Industrial Tribunal, Mumbai ('CGIT') for further adjudication.

Any potential / likely impact on the financial statements, in view of the above will be ascertained, on the decision of the Central Government Industrial Tribunal, Mumbai and on clarification from the Provident Fund authorities / courts, if any.

Refer Schedule 12 for amounts relating to contingent liabilities.

**40.** The Bank has not issued any Letters of comfort and Letters of Undertaking during the year (previous year - Nil)

### 41. Liquidity Coverage Ratio (LCR)

#### Qualitative disclosure around LCR

Liquidity Coverage Ratio (LCR) is a global minimum standard aimed at measuring and promoting short-term resilience of banks to potential liquidity stress by ensuring maintenance of sufficient High Quality Liquid Assets (HQLAs) to survive net cash outflows over next 30 days under stress conditions. It is a ratio of Bank's High Quality Liquid Assets (HQLAs) to the estimated net outflows over next 30 day period of significant liquidity stress.

The Board of Directors has the overall responsibility for liquidity risk management. The Board at overall level decides the liquidity risk tolerance and accordingly decides the strategy, policies and procedures of the Bank. The Board has constituted a Risk Management Committee (RMC) consisting of Managing Director & Chief Executive Officer (MD&CEO) /Chairman and other Board members. The committee is responsible for evaluating the overall risks faced by the Bank including liquidity risk. The potential interaction of liquidity risk with other risks is included in the risks addressed by the Risk Management Committee. At the executive level, Asset Liability Management Committee (ALCO) ensures adherence to the risk limits set by the Board and implements the liquidity risk management strategy of the Bank. ALM team within Treasury function of the Bank is responsible for the day-to-day / intra-day liquidity management. ALCO channelizes various business segments of the Bank to target good quality asset and liability profile to meet the Bank's profitability as well as liquidity requirements.

High Quality Liquid Assets (HQLAs) under LCR are divided into two parts i.e. Level 1 and Level 2 HQLA.

Level 1 HQLA comprises primarily of cash, excess CRR, government securities in excess of SLR, Marginal Standing Facility (currently 2% of NDTL) and Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR) as permitted under prudential guidelines - Currently 16% (previously 15%)

Level 2 HQLA comprises of investments in highly rated non-financial corporate bonds, debentures, commercial papers issued by non-financial institutes and are further considered at prescribed haircuts.

Cash outflows are calculated by applying prescribed outflow run-off factors to contractual outflows on account of various categories of liabilities and cash inflows are calculated by applying prescribed weights and factors to the contractual inflows. Additionally, probable outflows on account of contingent liabilities such as letters of credit (LC) and bank guarantees (BGs) and undrawn commitments both for fund & non fund based exposures are considered by applying prescribed run-off factors. The Bank has also considered the impact of derivative portfolio in LCR as per RBI guidelines and it has very minimal impact on the liquidity of the Bank. The Bank does not provide clearing or custodial services eligible for operational deposits under the extant guidelines. Hence, operational deposits are not applicable to the Bank.

The Bank computes LCR on a daily basis in accordance with RBI guidelines. LCR is reported as a simple average of daily observations for the quarter. The Bank believes that all inflows and outflows which might have a material impact under the liquidity stress scenario have been considered for the purpose of LCR.

Banks are required to maintain a LCR of 100% with effect from January 1, 2019. Given below is the quarterly average LCR maintained by the Bank for past years against the minimum prescribed by RBI.

Quarter Ended	Average LCR Maintained	LCR Required
31-Mar-23	126.20%	100%
31-Dec-22	144.11%	100%
30-Sep-22	156.36%	100%

The UFCE of corporate borrowers is assessed on a quarterly basis. The assessment includes foreign currency borrowings, foreign currency hedges, natural hedges available, as well as other foreign currency assets and liabilities on the balance sheet. RBI guidelines prescribe the methodology for computation of provision for UFCE. As per the guideline, UFCE leads to the determination of 'likely loss'. The ratio of 'likely loss' to clients' Earnings Before Interest and Depreciation (EBID), determines the provision as per the following grid.

Likely Loss/EBID (%)	Incremental Provisioning Requirement on the total credit exposures over and above extant standard asset provisioning	Incremental Capital Requirement
Up to 15 per cent	–	–
More than 15 per cent and up to 30 per cent	20bps	–

52. During the current and previous year, other than the transactions undertaken in the normal course of banking business and in accordance with extant regulatory guidelines and Bank's internal policies, as applicable:

- the Bank has not granted any advance/loans or investments or provided guarantee or security or the like to any other person(s) or entities with an understanding, whether recorded in writing or otherwise, to further lend/invest/provide guarantee or security or the like to any other person on behalf of the Bank.
- the Bank has not received any funds from any person(s) or entities with an understanding, whether recorded in writing or otherwise, that the Bank shall further lend or invest or provide guarantee; or security or the like in any other person on behalf of and identified by such person(s)/entities.

### 53. Investor Education and Protection Fund

The unclaimed dividend amount, due for transfer to the Investor Education and Protection Fund (IEPF) during the current and previous year, has been transferred without any delay.

### 54. Implementation of IFRS converged Indian Accounting Standards (Ind AS)

The Institute of Chartered Accountants of India (ICAI) has issued a revised set of accounting standards, Indian Accounting Standards (Ind AS) which largely converges the existing Accounting Standards (AS) as issued by ICAI and further notified by Ministry of Corporate Affairs (MCA) with global accounting standards, named, International Financial Reporting Standards (IFRS). The Ministry of Corporate Affairs (MCA), Government of India notified the Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 on February 16, 2015 for adoption and outlining the roadmap for implementation of Ind AS for banking companies. The Reserve Bank of India (RBI) vide its latest circular on Ind AS implementation dated March 22, 2019 has further deferred the implementation of Ind AS for scheduled commercial banks till further notice.

The Bank has formed a Steering Committee for Ind AS implementation. The Committee reviews the progress of implementation and provides guidance and necessary directions on critical aspects like technology, people, business impact and project management. An update on Pro-forma Ind AS financials is placed before the Audit Committee on a half yearly basis. The Bank has submitted Pro-forma Ind AS financial statements to RBI for the periods as required by RBI.

55. Figures for the previous year have been regrouped / reclassified wherever necessary to conform to current years' presentation unless where specified.

# Independent Auditor's Report

To the Members of RBL Bank Limited

## REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying Consolidated Financial Statements of RBL Bank Limited (hereinafter referred to as "the Bank") and its subsidiary (the Bank and its subsidiary together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2023, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements and on the other financial information of the subsidiary, the aforesaid Consolidated Financial Statements give the information required by the Section 29 of the Banking Regulations Act, 1949 as well as the Companies Act, 2013 ("the Act") and circulars and guidelines

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter(s) described below to be the key audit matters to be communicated in our report.

issued by the Reserve Bank of India, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with rules made thereunder, of the consolidated state of affairs of the Group as at March 31, 2023, their consolidated profit and their consolidated cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Sr. No.	Key audit matter(s) (KAM)	How our audit addressed the key audit matter
1.	<b>Information Technology (IT) Systems, Migration of Data, and controls over financial reporting</b> The Bank's financial accounting and reporting systems are highly dependent on data from various IT applications and Core Banking Solution (CBS) which are interfaced and / or are working independently (the IT applications, CBS, general and related application controls together referred to as "IT Controls Framework"). Extensive volume, variety and complexity of transactions are processed daily and there is a risk that automated accounting procedures and related internal controls may not be accurately designed and operating effectively. There exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being materially misstated. Appropriate IT controls are required to ensure that the IT applications operate as planned and the changes made are properly authorized, tested and controlled. Our audit outcome is also dependent on the effective operations of these IT systems and controls throughout the year.	<ul style="list-style-type: none"> <li>We have planned, designed and carried out the desired audit procedures and sample checks, taking into consideration the IT systems of the Bank. The procedures adopted by us are, in our opinion, adequate to provide reasonable assurance on the adequacy of IT controls in place and includes:</li> <li>Gaining understanding of IT controls framework through Walkthrough of processes. We also discussed and referred to reports of internal auditors, Internal Financial Control and other assurance functions in carrying out our audit procedures.</li> <li>The IT audit specialists (who are integral part of audit team) have carried out testing of effectiveness of general and application controls.</li> <li>We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the Financial Statements.</li> </ul>

Sr. No.	Key audit matter(s) (KAM)	How our audit addressed the key audit matter
	<p>During the year, the bank has migrated to a new Loan Operating System (LOS) for Micro Finance loan portfolio. The migration of loan data from the old system to the new system is a critical aspect of the migration process. The completeness and accuracy of the migrated data will affect the reliability of the loan operating system.</p> <p>We have identified IT Controls Framework as a Key Audit Matter as the Bank has various applications apart from CBS from which data is extracted for preparation and presentation of the financial statements.</p>	<ul style="list-style-type: none"> <li>We have performed testing by selecting a sample of data and tracing the movement of data from the old system to new system to ensure that the migrated data is complete and accurate.</li> <li>Reliance on data migration review report of an external vendor/ independent system reviewer on completeness and accuracy of the loan data migrated to the new system.</li> </ul> <p>We have also carried out other audit procedures like substantive testing, analytical procedures etc. to verify the accuracy of the data generated from the IT system.</p>
2.	<b>Income recognition asset classification (IRAC) and provisioning on loans, advances and investments as per regulatory requirements</b> The Bank, as per its governing framework, recognises the performing and non-performing advances/investments provisions based on Management's assessment of the degree of impairment of the advances/investments subject to and guided by minimum provisioning levels prescribed under RBI guidelines. <b>Advances:</b> Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) which also identifies whether the advances are performing or non-performing and consequent recognition of Income. Further, bank placed reliance on the data submitted by the borrowers & lead bank for drawing power calculations, and uses services of experts (Lawyer, valuers etc.) where required to support its assessment for security valuations. Compliance of relevant prudential norms issued by the Reserve Bank of India (RBI) in respect of income recognition, asset classification and provisioning pertaining to advances. Currently certain processes of the Bank requires manual interventions. Further, the Bank has significant exposure to a large number of borrowers across various sectors, products, industries and geographies and there is a high degree of complexity, uncertainty, significant estimates, judgment involved in determining the recoverability of advances, nature of transactions and estimation of provisions commensurate to the level of risks thereon and identification of accounts to be written off. <b>Investments:</b> Bank has to classify the investments as performing or non performing based on the guidelines/circulars and directives issued by Reserve Bank of India. Identification of performing and non-performing investments. The valuation is done as per the guidelines issued by Reserve Bank of India and the valuations are done based on the price quoted on BSE/ NSE, FIMDA / FBIL rates etc. The Income recognition, asset classification and provisioning if not done properly as per the IRAC norms issued by Reserve Bank of India may materially impact the financial statements of the bank.	<p>Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances and investments. In particular:</p> <p><b>Advances:</b></p> <ul style="list-style-type: none"> <li>We have evaluated and understood the Bank's internal control system in adhering to the relevant RBI guidelines regarding income recognition, asset classification and provisioning pertaining to advances;</li> <li>We have tested key IT systems/ applications used and their design and implementation as well as operational effectiveness of relevant controls, including involvement of manual process and manual controls in relation to income recognition, asset classification, provisioning pertaining to advances and compliances of other regulatory guidelines issued by the RBI from time to time;</li> <li>We have test checked advances to examine the validity of the recorded amounts, loan documentation, examined the statement of accounts, indicators of impairment, impairment provision for non-performing assets, and compliance with income recognition, asset classification and provisioning pertaining to advances in terms of applicable RBI guidelines;</li> <li>We have evaluated the past trends of management judgement, governance process and review controls over impairment provision calculations and discussed the provisions made with the top and senior management of the Bank.</li> </ul> <p><b>Investments:</b></p> <ul style="list-style-type: none"> <li>Understanding the IT system and controls put in place.</li> <li>Testing on sample basis whether the classification and valuation of investments is carried out as per the guidelines of Reserve Bank of India.</li> <li>Verification on sample basis whether proper provision for depreciation in the value of investments is made as per RBI guidelines.</li> <li>Reliance made on the internal audit reports, concurrent audit reports and system audit conducted by the bank</li> </ul>

### Other Information

The Bank's Board of Directors and Management are responsible for the other information. The other information comprises the information included in the Directors' report and Management Discussion and Analysis Business Responsibility and Sustainability Report etc. forming part of the Annual Report, but does not include the Standalone Financial Statements, Consolidated Financial Statements and our auditor's report thereon and the Pillar III Disclosures under Basel III Capital Regulation, Leverage Ratio, Liquidity Coverage Ratio and Net Stable Funding Ratio.

The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Bank's Board of Directors and Management are responsible for the matter stated in Section 134 (5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued thereunder, the Banking Regulations Act, 1949 and

the circulars, guidelines and directions issued by the Reserve Bank of India ('RBI') from time to time. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Bank, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the entities included in the Group are responsible for assessing the ability of the respective entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the respective entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of the respective entity.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements. As part of an audit

in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank and its subsidiary company, which are companies incorporated in India, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction,

supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entity included in the Consolidated Financial Statements, which have been audited by CNK & Associates LLP, one of the current joint statutory auditors of the Group, CNK & Associates LLP remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Bank and such other entity included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Annexure A to the Independent Auditor's Report

**Annexure A to the Independent Auditors' Report of even date on the Consolidated Financial Statements of RBL Bank Limited for the year ended March 31, 2023**

### **Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Financial Statements of RBL Bank Limited ("the Bank") as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to Consolidated Financial Statements of the Bank and its subsidiary company, which is a company incorporated in India, as of that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Bank and its subsidiary company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Bank and its subsidiary company, which is a company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements of the Bank and its subsidiary company.

### **Meaning of Internal Financial Controls with reference to Consolidated Financial Statements**

A Bank's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorisations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the bank's assets that could have a material effect on the Consolidated Financial Statements.

### **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated

Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Bank and its subsidiary company, which is a company incorporated in India, have, in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2023, based on the internal control with reference to Consolidated Financial Statements criteria established by the respective company

considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

### SCHEDULE 17 – SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

#### BACKGROUND

RBL Bank Limited ('the Bank'), incorporated in 1943 in Kolhapur, Maharashtra, India is a banking company engaged in providing a wide range of banking and financial services including wholesale banking, retail banking, treasury operations and other banking related activities. The Bank is governed by the Banking Regulation Act, 1949 and the Companies Act, 2013. The Bank commenced its operations at its International Financial Services Centre Banking Unit (IBU) in Gujarat International Finance Tec (GIFT) City, Gujarat in April 2017 and does not have a branch in any foreign country.

The Bank holds 100% stake in RBL Finserve Limited ('RFL'), and thus the company is a 'Wholly Owned Subsidiary' (WOS) of the Bank. RFL is acting as a business correspondent operating exclusively for the Bank, distributing comprehensive financial services (in particular Loans and Savings products) to low income households and micro entrepreneurs.

#### BASIS OF PREPARATION:

The accompanying consolidated financial statements have been prepared under the historical cost convention and on the accrual basis of accounting, unless otherwise stated, and comply with the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Group used in the preparation of these consolidated financial statements conform to the Generally Accepted Accounting Principles in India ('Indian GAAP'), the guidelines issued by the Reserve Bank of India ('RBI') from time to time, the Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016, to the extent applicable, and practices generally prevalent in the banking industry in India.

#### PRINCIPLES OF CONSOLIDATION:

The consolidated financial statements relate to the Bank and its subsidiary (together 'the Group'). The consolidated financial statements have been prepared on the following basis:

- In respect of a subsidiary, the financial statement has been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses

in accordance with Accounting Standard 21 - Consolidated Financial Statements.

The difference between the cost of investment in the subsidiary and the Bank's share of net asset, at the time of acquisition of share in the subsidiary, is recorded in the consolidated financial statement as goodwill or capital reserve, as the case may be.

- The financial statements of the subsidiary used in consolidation are drawn up to the same reporting date as that of the holding Company i.e. March 31, 2023.

Consolidated Financial Statements incorporates audited results of the following subsidiary:

Name of the Subsidiary	Country of Origin	% of shareholding (March 31, 2023)
RBL Finserve Limited (RFL)	India	100% (w.e.f. June 28, 2018)

#### USE OF ESTIMATES:

The preparation of consolidated financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that are considered in the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements and reported income and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in the current and future periods.

#### SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year except as specified below.

#### Changes in accounting policies:

Effective April 1, 2022, the Group has carried out the following change in its accounting policies:

#### Accounting policy of employee stock option plans:

During the previous year, based on RBI clarification dated August 30, 2021, on guidelines on Compensation of Whole Time Directors/CEO/Material Risk Takers and Control Function Staff, the Bank had applied fair value method to arrive at the

## Schedules

compensation cost of ESOP granted after March 31, 2021 for employees coming under these categories. For other employees, the Bank had applied intrinsic value method to arrive at the compensation cost of ESOP granted. However effective from April 1, 2022, the Bank has changed its accounting policy from intrinsic value method to Fair value method for valuation of stock options granted after March 31, 2021, to all employees.

### 1. Advances

#### a) Classification

Advances are classified as performing (standard) and/or Non Performing (NPA) based on the relevant RBI guidelines and are stated net of bills rediscounted, inter-bank participation with risk, specific provisions, interest in suspense for non-performing advances and provisions for funded interest term loan classified as non-performing advances. Non performing and restructured loans are upgraded to standard as per the extant RBI guidelines.

The premium paid on acquisition of portfolio is included in advances and is amortized over the economic life of the portfolio.

The reverse repos with banks and other institutions (other than those with the RBI) having original tenors more than 14 days are classified under advances.

#### b) Provisioning

Specific provisions in respect of non-performing and restructured advances are made based on management's assessment of the degree of impairment of the advances subject to the minimum provisioning levels prescribed under the RBI guidelines with regard to the Prudential Norms on Income Recognition, Asset Classification & Provisioning, prescribed from time to time.

In accordance with the RBI guidelines, the Bank also maintains provision on standard assets to cover potential credit losses which are inherent in any loan portfolio including provision for borrowers having un-hedged foreign currency exposures, provisions on loans to specific borrowers in specific stressed sectors, provision of standard restructured accounts and also provision on Mark-to-Market (MTM) on derivative at the rate prescribed by the extant RBI guidelines or management estimates whichever is higher. Provision made against standard assets is included in 'Other Liabilities and Provisions' and are not netted off from gross advances.

In addition to provisions held according to the asset classification status, provisions are also recognised for

individual country exposures (other than for home country exposure). Countries are categorised into risk categories as per Export Credit Guarantee Corporation of India Ltd. ('ECGC') guidelines and provision is held in respect of that country where the net funded exposure is one percent or more of the total assets. Provision for country risk is included under 'Other Liabilities and Provisions'.

Amounts recovered against debts written off and provisions no longer considered necessary based on the current status of the borrower are recognized in the profit and loss account, under the 'Provisions and Contingencies'.

In case of NPAs referred to National Company Law Tribunal ('NCLT') under Insolvency and Bankruptcy Code, 2016 ('IBC') where resolution plan or liquidation order has been approved by the NCLT, provision is maintained at higher of the requirement under the extant RBI guidelines or the likely haircut as per resolution plan or liquidation order.

Restructured assets are classified and provided for in accordance with the extant guidelines issued by RBI from time to time.

Loss assets and unsecured portion of doubtful assets are provided as per the extant RBI guidelines.

In respect of borrowers classified as non-cooperative and wilful defaulters, the Bank recognises accelerated provision as per extant RBI guidelines.

Loans reported as fraud are classified as loss assets, and fully provided in accordance with extant RBI guidelines without considering the value of security.

### 2. Investments

Classification and valuation of the Bank's investments is carried out in accordance with RBI and Fixed Income Money Market and Derivatives Association ('FIMMDA') and Financial Benchmark India Private Limited ('FBIL') guidelines respectively, prescribed in this regard from time to time.

#### a) Classification

Investments are classified into 'Held for Trading' ('HFT'), 'Available for Sale' ('AFS') and 'Held to Maturity' ('HTM') categories at the time of purchase. Investments, which the Bank intends to hold till maturity are classified as HTM investments. Investments in the equity of subsidiaries/ joint ventures are categorised as HTM in accordance with the RBI guidelines. Investments that are held principally for resale within a short period

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

(90 days from the date of purchase), including short sale, are classified as HFT investments. All other investments are classified as AFS investments. As per the RBI guidelines, HFT securities, which remain unsold for a period of 90 days are transferred to AFS securities. The Bank follows settlement date method for accounting of its investments. For the purpose of disclosure in the consolidated financial statements, the Investments in India are classified under six groups a) Government Securities b) Other Approved Securities c) Shares d) Debentures and Bonds e) Subsidiaries and / or Joint Ventures and f) Others.

Investments are classified as performing or non-performing as per RBI guidelines. Non-performing investments are subjected to prudential norms for Classification, valuations and Operation of Investment Portfolio by Banks, prescribed from time to time.

#### b) Valuation

Investments classified as HTM are carried at their acquisition costs and not marked to market. Any premium paid on acquisition, over the face value of fixed and floating interest rate securities are amortized over the remaining maturity of the instrument using constant yield method. Such amortisation of premium is adjusted against interest income under the head income from investments as per the RBI guidelines. Where in the opinion of the management, a diminution, other than temporary, in the value of investments classified under HTM has taken place, appropriate provisions are made. In terms of RBI guidelines, discount on securities held under HTM category is not accrued and such securities are held at the acquisition cost till maturity.

Non-performing investments are identified and depreciation / provision are made thereon based on the RBI guidelines. The depreciation / provision on such non-performing investments are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognised in the Profit and Loss Account until received.

Investments classified as AFS and HFT are marked-to-market on a periodic basis as per the relevant RBI guidelines. The securities are valued scrip-wise and depreciation / appreciation are aggregated for each category. Net appreciation in each category, if any,

is ignored, while net depreciation is provided for. The book value of individual securities is not changed consequent to the periodic valuation of investments.

Treasury bills, commercial papers and certificates of deposit being discounted instruments are valued at carrying cost including the pro rata discount accreted for the holding period on a constant yield to maturity basis.

Quoted investments are valued at traded / quoted price available on the recognized stock exchanges, subsidiary general ledger account transactions are valued as per the price list of RBI or prices declared by FBIL as applicable as at the balance sheet date. For deriving market value of unquoted fixed income securities (other than Central and State Government securities) and preferential shares, the Bank considers yields / mark-up rates (reflecting associate credit risk) declared by the FBIL/FIMMDA.

Unquoted equity shares are valued at the break-up value, if the latest Balance Sheet is available or at ₹ 1/- as per the RBI guidelines.

Quoted Mutual Fund units are valued as per the stock exchange quotations and un-quoted mutual fund units are valued at last available re-purchase price or Net Asset Value ('NAV') where re-purchase price is not available.

Units of Venture Capital Funds ('VCF') held under AFS category are valued using the NAV shown by VCF as per the consolidated financial statement. The VCFs are valued based on the audited financial statements. In case the audited financial statements are not available for a period beyond 18 months, the investments are valued at ₹ 1/- per VCF.

Investments in Security receipts ('SR') which are backed by more than 10% of the stress assets sold by the Bank, provision for depreciation is made higher of – provision required based on NAV disclosed by the assets reconstruction company or the provision as per IRAC norms, assuming that the loan notionally continued in the books of the bank. All other SR are valued as at NAV provided by the asset reconstruction company.

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

Investments received in lieu of restructured advances under Debt Restructuring schemes are valued in accordance with the RBI guidelines. Any diminution in value on these investments is provided for and is not used to set off against appreciation in respect of other performing securities in that category. Similarly, any appreciation on these investments is not used to set off against depreciation in respect of other performing securities in that category. Depreciation on equity shares acquired and held by the Bank under SDR / S4A schemes is provided as per RBI guidelines.

Pass Through Certificates (PTC) excluding Priority Sector-PTCs are valued using FBIL GOI par yield and FIMMDA credit spreads as applicable to associated risk category, based on the credit rating and tenor of the respective PTC instruments. PSL-PTCs are valued at book value.

### c) Short Sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. The short positions are reflected in 'Securities Short Sold ('SSS') A/c', specifically created for this purpose. Such short positions are categorised under HFT category and netted off from investments in the Balance Sheet. These positions are marked-to-market along with the other securities under HFT portfolio and the resultant mark-to-market gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments discussed earlier.

### d) Disposal of investments:

Profit / Loss on sale of investments under the aforesaid three categories are recognized in the Profit and Loss Account. Cost of investments is based on the weighted average cost method. The profit from sale of investment under HTM category, net of taxes and transfers to statutory reserve, is appropriated from Profit and Loss Account, to 'Capital Reserve', in accordance with the RBI guidelines.

### e) Transfer between categories

Transfer of investments between categories is accounted in accordance with the extant RBI guidelines:

- a) Transfer from AFS/HFT to HTM is made at the lower of book value or market value at the time of transfer.

- b) Transfer from HTM to AFS/HFT is made at acquisition price / amortized cost if originally placed in HTM at par or at a discount and at amortized cost if originally placed in HTM at a premium.

- c) Transfer from AFS to HFT category or vice-versa is made at book value and the provision for the accumulated depreciation, if any, held is transferred to the provisions for depreciation against the HFT securities or vice-versa.

### f) Repurchase transactions

In accordance with the RBI guidelines, repurchase ('Repo') and reverse repurchase ('Reverse Repo') / Standing Deposit Facility (SDF) transactions, liquidity adjustment facility and Marginal Standing Facility ('MSF') with RBI are accounted for as borrowing and lending transactions respectively. Accordingly, securities given as collateral under an agreement to repurchase them continue to be held under the investment account of the Bank and the Bank would continue to accrue the coupon/discount on the security during the repo period. Also, the Bank continues to value the securities sold under repo as per the investment classification of the security. Borrowing cost on repo transactions is accounted for as interest expense and income on reverse repo/ SDF transactions are accounted for as interest income.

### g) Broken period interest, brokerage etc.

Broken period interest and costs such as brokerage paid at the time of acquisition of the security are charged to the Profit and Loss account and are not included in the cost of acquisition.

## 3. Foreign currency transactions

Monetary assets and liabilities denominated in foreign currencies are translated at the Balance Sheet date at rates of exchange notified by 'Foreign Exchange Dealers' Association of India'(FEDAI) and the resultant exchange rate differences are recognized in the Profit and Loss account. Income and expenditure items are translated at the exchange rates prevailing on the date of the transaction.

Outstanding forward exchange contracts and spot contracts outstanding at the Balance Sheet date are re-valued at rates notified by FEDAI for specified maturities and at the interpolated rates for interim maturities. In case of forward contracts of greater maturities where exchange rates are not notified by FEDAI, are re-valued at the forward exchange

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

rates implied by the swap curves in respective currencies. The resulting profits or losses are recognized in the Profit and Loss Account as per the regulations stipulated by the RBI / FEDAI and corresponding asset or liability is included in 'Other assets' or 'Other liabilities'.

Foreign exchange swaps designated as hedge for foreign currency deposits, borrowings and placements are translated at the prevailing spot rate at the time of swap. The premium or discount on the swap arising out of the difference in the exchange rate of the swap date and the maturity date of the underlying forward contract is amortized over the period of the swap and the same is recognized in the Profit and Loss Account. Foreign exchange swaps designated as trading are marked to market in the consolidated financial statements.

Contingent liabilities on account of foreign exchange contracts, letters of credit, bank guarantees and acceptances and endorsements outstanding as at the Balance Sheet date denominated in foreign currencies are translated at year-end rates notified by FEDAI.

Both monetary and non-monetary foreign currency assets and liabilities of non-integral foreign operations (IBU Branch) are translated at relevant closing exchange rates notified by FEDAI at the balance sheet date and the resulting gains/ losses from exchange rate differences are accumulated in the foreign currency translation reserve. Income and expenses are converted at the closing rate applicable on the date of transaction.

## 4. Derivative transactions

Foreign exchange spot and forward contracts outstanding as at the Balance Sheet date and held for trading, are revalued at the closing spot and forward rates respectively. Valuation is considered on present value basis. The resulting profit or loss on valuation is recognized in the Profit and Loss Account. Foreign exchange contracts are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value).

Foreign exchange forward contracts not intended for trading, that are entered into to establish the amount of reporting currency required or available at the settlement date of a transaction, and are outstanding at the Balance Sheet date, are effectively valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.

The Bank recognises all derivative contracts (other than those designated as hedges) at fair value, on the date on which the derivative contracts are entered into and are remeasured at fair value as at the Balance Sheet or reporting dates. Derivatives are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value). Changes in the fair value of derivatives Derivative contracts designated as hedges are accounted on accrual basis unless their underlying transaction is marked to market.

The Bank identifies the hedged item (asset or liability) at the inception of the transaction itself. Hedge effectiveness is ascertained at the time of the inception of the hedge and periodically thereafter.

Option premium paid or received is recognized in the Profit and Loss Account on expiry of the option. Option contracts are marked to market on every reporting date.

Pursuant to the RBI guidelines, any receivable under a derivative contract with a counterparty which remains overdue for more than 90 days, mark-to-market gains on any other derivative contract with the same counterparty, is reversed through Profit and Loss account and are held in separate Suspense Account.

## 5. Reciprocal transactions

Transactions of reciprocal nature where the Bank borrows or lends in foreign currency and consequently lends or borrows equivalent amount in INR to the counterparty, are accounted as balance-sheet items, as lending or borrowing (as the case may be). The settlement of exchange rate movement at every reset date is recognized as lending or borrowing.

## 6. Bullion

The Bank imports bullion including precious metal bars on a consignment basis for selling to its wholesale customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier and the local levies related to the consignment like custom duty, etc. The Bank earns income on such wholesale bullion transactions which is recognised on settlement basis.

The Bank also deals in bullion on a borrowing and lending basis and the interest paid / received thereon is classified as interest expense / income respectively.

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

### 7. Property, Plant and Equipment, Depreciation and amortisation

Property, Plant & Equipment are accounted for at cost less accumulated depreciation, amortization and accumulated impairment losses. Cost includes freight, duties, taxes and incidental expenses related to the acquisition and installation of the asset. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future economic benefit / functioning capability from / of such assets. Premises acquired up to March 31, 1998 have been re-valued by the management and are stated at such re-valued figure. The appreciation on revaluation is credited to 'Premises Revaluation Reserve' Account. On disposal of re-valued premises, the amount standing to the credit of the Premises Revaluation Reserve is transferred to Capital Reserve. In case of premises, which are carried at revalued amount, the depreciation on the revalued amount over the historical cost is debited to the Premises Revaluation Reserve.

Capital work-in-progress includes cost of Property, Plant & Equipment that are not ready for their intended use and also includes advances paid to acquire Property, Plant & Equipment.

Depreciation is provided as per straight-line method from the date ready for use over the estimated useful life of the asset. Depreciation on assets sold during the year is charged to the Profit and Loss account up to the date of sale. Assets costing less than ₹ 5,000 are fully depreciated in the year of purchase. If the management's estimate of the useful life of a Property, Plant & Equipment at the time of acquisition of the asset or of the remaining useful life on a subsequent review is shorter, then the depreciation is provided at a higher rate based on management's estimate of the useful life/remaining useful life. The management believes that depreciation rates currently used, fairly reflect its estimate of the useful lives and residual values of Property, Plant & Equipment, though these rates in certain cases are different from the life prescribed under Schedule II of Companies Act, 2013. Whenever there is a revision of the estimated useful life of an asset, the unamortised depreciable amount is charged over the revised remaining useful life of the said asset.

The useful lives of the Property, Plant & Equipment are given below:

Category	Estimated useful life
Premises	50 years
Desktop computers, printers, laptops	2 to 3 years
VSATs, telecom equipment, cabling, other computer hardware and related equipment, LAN/mainframe servers and printers, scanners	5 years
Purchased and developed software	3 to 5 years
Vehicles	5 years
Office equipment, locker cabinets, strong room	5 to 6.67 years
ATMs	7 years
Furniture, fittings and work of art	10 years

Improvements and installations of capital nature on the leasehold property are depreciated over the primary lease term.

Gain or losses arising from the retirement or disposal of Property, Plant & Equipment are determined as the difference between the net disposal proceeds and the carrying amount of assets and recognised as income or expense in the Profit and Loss Account. Further, profit on sale of premises is appropriated to Capital Reserve account (net of taxes and transfer to statutory reserve) in accordance with RBI guidelines.

At each Balance Sheet date, the Group assesses impairment on assets. If any such indication exists, the Group estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Profit and Loss account. If at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

### 8. Employee benefits Provident Fund

The Group's contribution towards provident fund, being a defined contribution scheme, is accounted for on an accrual basis and recognized in the Profit and Loss account. The Bank makes contributions to the Fund administered by trustees.

### Gratuity and Pension

Liability for Gratuity and Pension, being defined benefit retirement schemes, are determined based on an actuarial valuation as at the Balance Sheet date as per the Projected Unit Credit method as computed by an independent actuary. Actuarial gains/losses arising during the year are recognized in the Profit and Loss Account.

The Bank has taken full provision on additional liability on account of revision in family pension of Indian Banks' Association (IBA) employees consequent upon 11th Bipartite Settlement and Joint Note dated November 11, 2020 in its profit and loss accounts in the current financial year.

### National Pension Scheme

The Bank contributes 10% of the total basic salary of certain employees to National Pension Scheme (NPS), a defined contribution plan, which is managed and administered by pension fund management companies. The Bank also gives an option to its employees allowing them to receive the amount in lieu of such contributions along with their monthly salary during their employment. The amounts so contributed/paid by the Bank to the NPS or to employee during the year are recognized in the profit and loss account.

### Compensated Absences

The Bank provides for compensated absence liability of its employees who are eligible for encashment of accumulated leave, which is a long-term benefit scheme, based on actuarial valuation of the compensated absences liability at the balance sheet date, carried out by an independent actuary. Actuarial gains/losses arising during the year are recognized in the Profit and Loss Account.

### Employee Stock Option Plans

The Bank accounts for Employee Stock Option plans in accordance with the Guidance note on Employee Share Based Payments issued by The Institute of Chartered Accountants of India ('ICAI'). The Reserve Bank of India

(RBI), through its clarification dated August 30, 2021, on guidelines on Compensation of Whole Time Directors/CEO/ Material Risk Takers and Control Function Staff, has advised banks that the fair value of share-linked instruments granted after March 31, 2021 should be recognised as an expense. The Bank has changed its accounting policy from intrinsic value method to fair value method for valuation of stock options granted after March 31, 2021 for all employees. The fair value of stock options is estimated on the date of grant using Black-Scholes model and is recognised as employee expense over the vesting period.

### 9. Revenue Recognition

- Interest income is recognized on accrual basis, except in the case of interest on loans categorised as NPA/ investments categorised as NPI and on loan accounts which are restructured by the Bank under SDR or S4A scheme of RBI, in which case it is recognized on realisation. The Bank does not recognise the unrealised interest and fees on NPA accounts as income.
- Payment made to Business Correspondents for service such as sourcing of loans, servicing and collections from customers and other related services are netted from Interest earned as per the terms of agreement with Business Correspondents.
- Income on discounted instruments is recognized over the tenure of the instrument on a constant yield basis.
- Dividend is accounted on an accrual basis when the right to receive the dividend is established.
- Loan processing fee is accounted for upfront when it becomes due. Processing or any other transaction fee earned by the Bank and shared with the Banks' Business Correspondents and partners are netted from the fee income.
- Guarantee commission are recognized on straight-line basis over the period of the contract. Other fees and commission income are recognized when due, where the Bank is reasonably certain of collection.
- Fees received on sale of Priority Sector Lending Certificates (PSLC) is considered as Miscellaneous Income, while the fees paid for purchase is expensed as other expenses in accordance with the guidelines issued by the RBI. The fees income or expense is amortized on a straight-line basis over the tenor of the certificate.

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

- h) Arrangements or syndication fee is accounted for on completion of the agreed service and when the right to receive is established.
- i) Interest income on investments in PTCs is recognized on accrual basis, at their contractual rate.
- j) In accordance with the RBI guidelines on sale of non-performing advances, if the sale is at a price below the book value (i.e., book value less provisions held), the shortfall is charged to the Profit and Loss Account. If the sale is for a value higher than the book value, the excess provision is credited to the Profit and Loss Account in the year the amounts are received.
- k) Interest income on loans purchased through direct assignments is recognised, on an accrual basis, at the contractual interest rate as agreed with the seller. Servicing charges are recognised as expense as per the terms of the agreements.
- l) Penal interest and charges on corporate and credit card exposure are recognised to income on accrual basis. All other fees and penal interest are recognised when it is measurable and at the time of recognition it would not be unreasonable to expect ultimate collection.

### 10. Lease transactions

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating leases. Operating lease rentals are recognized as an expense on straight-line basis over the lease period. Assets given under leases in respect of which all the risks and benefits of ownership are effectively retained by the Group are classified as operating leases. Lease rentals received under operating leases are recognized in the Profit and Loss account as per the terms of the contracts.

In case of finance lease, lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Vehicles taken on lease are covered under finance lease.

### 11. Taxation

Income tax comprises the current tax (i.e. amount of tax for the period, determined in accordance with the Income Tax Act, 1961 and the rules framed there under) and the net

change in the deferred tax asset or liability for the period (reflecting the tax effects of timing differences between accounting income and taxable income for the period and reversal of timing differences of earlier years).

Provision for current income-tax is recognized in accordance with the provisions of Indian Income Tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

The deferred tax charge or credit and the corresponding deferred tax liability or asset is recognized using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance Sheet date.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty (supported by convincing evidence of future taxable income) of realisation of such assets.

Deferred tax assets are reviewed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably/virtually certain to be realised.

The Bank has exercised option referred u/s 115BAA with respect to tax rate, accordingly Minimum Alternative Tax ('MAT') provision u/s 115JB are not applicable on Bank.

### 12. Provisions, contingent liabilities and contingent assets

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

Contingent assets are not recognized in the consolidated financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

### 13. Provision for reward points on credit cards

The Bank has a policy of awarding reward points for credit card spends by customers. Provision for the outstanding reward points is made based on an actuarial valuation report which takes into account, among other things, probable redemption pattern of credit card reward points and value per point.

### 14. Earnings per share (EPS)

The Group reports basic and diluted earnings per share in accordance with Accounting Standard (AS) -20, Earnings per Share, as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2021.

Basic earnings per share is calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share reflect the potential dilution that could occur if contracts to issue equity shares were exercised or converted during the period. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period, except where the results are anti-dilutive.

### 15. Segment Reporting

The disclosure relating to segment information in accordance with AS -17, Segment Reporting and as per guidelines issued by the RBI.

### 16. Share issue expenses

Share issue expenses are adjusted from Share Premium Account in terms of Section 52 of the Companies Act, 2013.

### 17. Cash and Cash Equivalents

Cash and Cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

### 18. Impairment of assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. Impairment loss, if any, is provided in the Profit and Loss account to the extent the carrying amount of assets exceeds their estimated recoverable amount.

### 19. Non-Banking Assets acquired in satisfaction of claims

Non-banking assets (NBAs) acquired in satisfaction of claims are carried at lower of net book value or net realizable value.

### 20. Accounting for proposed dividend

As per AS-4 – 'Contingencies and events occurring after the Balance sheet date', the Bank is not required to create provision for dividend proposed / declared after the Balance Sheet date unless a statute requires otherwise. The same is recognized in the year of actual payout post approval of shareholders. However, the Bank reckons proposed dividend in determining capital funds in computing the capital adequacy ratio.

### 21. Corporate Social Responsibility

Expenditure towards corporate social responsibility, in accordance with Companies Act, 2013, are recognized in the Profit and Loss account.

### 22. Transfer of Loan Exposure

In accordance with RBI guidelines of 24 September, 2021, on 'Master Direction – Reserve Bank of India (Transfer of Loan Exposures) Directions, 2021', any loss or profit arising because of transfer of loans, which is realised, is accounted for and reflected in the Profit & Loss account for the accounting period during which the transfer is completed. Loans acquired are carried at acquisition cost unless it is more than the outstanding principal at the time of the transfer, in which case the premium paid is amortised based on straight line method.

### 23. Priority Sector Lending Certificates

The Bank enters into transactions for the sale or purchase of Priority Sector Lending Certificates ('PSLCs'). In the case of a sale transaction, the Bank sells the fulfilment of priority sector obligation and in the case of a purchase transaction the Bank buys the fulfilment of priority sector obligation through the RBI trading platform.

### 12. Contingent Liabilities

Description of nature of contingent liabilities is set out below:

- i) Claims against the Bank not acknowledged as debts:  
These represent claims filed against the Bank in the normal course of business relating to various legal cases currently in progress.
- ii) Liability for partly paid investments:  
These represent contingent liability on account of possible claims for uncalled amount by the issuer of the securities held by the Bank.

## Schedules

forming part of the consolidated financial statements for the year ended March 31, 2023

- iii) Liability on account of forward exchange and interest rate contracts:

The Bank enters into foreign exchange contracts currency options, forward rate agreements, currency swaps with inter-bank participants on its own account and for the customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by the way of interest/principal in one currency against another, based on pre-determined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The amount recorded as contingent liability with respect to these contracts represents the underlying notional amounts of these contracts.

- iv) Guarantees given on behalf of Constituents:

As a part of its corporate banking activities, the Bank issues documentary credit and guarantees on behalf of its customers. Documentary credits such as letters of credit enhance the credit standing of the customer of the Bank, by providing assurance of payment to the beneficiary on submission of credit compliant documents. Guarantees generally represent irrevocable assurances that the Bank will make the payment in the event of the customer failing to fulfill its financial or performance obligations.

- v) Acceptances, endorsements and other obligations:

These include documentary credit issued by the Bank on behalf of its customers and bills drawn by the Bank's customers that are accepted or endorsed by the Bank.

- vi) Other contingent items:

- a. Commitments for settlement date accounting for securities transactions;
- b. Demands raised by income tax and other statutory authorities and disputed by the Bank.
- c. Amount transferred to RBI under the Depositor Education and Awareness Fund (DEAF).

RBL Bank Limited makes provident fund contributions to an independently administered Trust. The Bank is currently in dispute with the Provident Fund authorities regarding applicability of the Employees Provident Funds and Miscellaneous Provisions Act, 1952 (the 'Act') on the Bank and the matter is pending with Central Government Industrial Tribunal, Mumbai ('CGIT') for further adjudication.

Any potential / likely impact on the financial statements, in view of the above will be ascertained, on the decision of the Central Government Industrial Tribunal, Mumbai and on clarification from the Provident Fund authorities / courts, if any.

Refer Schedule 12 for amounts relating to contingent liabilities.

13. The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Bank has reviewed and recorded adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements.
14. During the current and previous year, other than the transactions undertaken in the normal course of banking business and in accordance with extant regulatory guidelines and Bank's internal policies, as applicable:

# Basel III Disclosures

For the Financial Year Ended March 31, 2023

## I. SCOPE OF APPLICATION

The framework of disclosures applies to RBL Bank Limited (hereinafter referred to as the Bank), a scheduled commercial bank, incorporated on August 6, 1943.

The Bank's subsidiary, RBL Finserve Ltd. is a non-financial entity, and hence not consolidated for capital adequacy purpose. The bank does not have interest in any insurance entity.

As per capital adequacy guidelines under Basel III, insurance and non-financial subsidiaries / joint ventures / associates etc. of banks are not to be consolidated.

## II. CAPITAL ADEQUACY Regulatory capital assessment

The Bank is subjected to Capital Adequacy guidelines stipulated by Reserve Bank of India (RBI). In line with RBI guidelines under Basel III, the Bank has adopted Standardized Approach for Credit Risk, Standardized Duration Approach for Market Risk and Basic Indicator Approach for Operational Risk while computing its Capital Adequacy Ratio (CAR).

As per capital adequacy guidelines under Basel III, the Bank is required to maintain a minimum CAR of 9% {11.50% including Capital Conservation Buffer (CCB)} as of March 31, 2023, with minimum Common Equity Tier I (CET I) CAR of 5.5% {8% including CCB}. The minimum CAR required to be maintained by the Bank for the year ended March 31, 2023 is 9% {11.5% including CCB}.

As on March 31, 2023, total CAR of the Bank stood at 16.92%, well above regulatory minimum requirement of 11.50% (including CCB). Tier I ratio of the Bank stood at 15.25% and CET I ratio at 15.25%.

### Assessment of adequacy of Capital to support current and future activities

The Bank has a comprehensive Internal Capital Adequacy Assessment Process (ICAAP) which is approved by the Board of Directors (Board). Under ICAAP, the Bank determines adequacy of capital required for current and future business needs. ICAAP evaluates and documents all risks and substantiates appropriate capital allocation for risks identified under Pillar 2, if necessary.

ICAAP enables the Bank to assess the adequacy of capital to take care of future business growth, factoring in all the various risks that the Bank is exposed to, so that the minimum capital required is maintained on a continuous basis irrespective of changing economic conditions/ economic recession. The Bank takes into account both quantifiable and less quantifiable risks while assessing capital requirements. The Bank considers the

following risks as material and has considered these while assessing and planning its capital requirements:

- Credit Risk
- Market Risk
- Operational Risk
- Credit Concentration Risk
- Interest Rate Risk in banking Book
- Liquidity Risk
- Business Risk
- Strategic Risk
- Compliance Risk
- Reputation Risk
- Information Security Risk
- Model Risk
- Legal Risk
- Pension Obligation Risk
- Environmental and Social Risk
- Third Party Risk
- Other Residual Risks

The Bank has also implemented a Board approved Stress Testing Framework. This involves the use of various techniques to assess the Bank's vulnerability to plausible but extreme stress events. The Bank's Executive Risk Committee, which has representation from Business, Finance, Treasury, Economist and Portfolio Risk team, reviews the scenarios used for stress testing as well as reviews the results of stress testing. The results are thereafter reported to the RMCB. Results are reported to RMCB on a quarterly basis and to Board annually. The stress tests cover assessment of Credit Risk, Market Risk, Operational Risk, Liquidity Risk, Interest Rate Risk in the Banking Book, Counterparty Credit Risk, stress on unhedged foreign Currency exposures, direct assignments and Intraday Liquidity risk under assumed 'stress' scenarios. Tolerance limits on the stress

impact have also been defined for these stress tests. The stress tests are used in conjunction with the Bank's business plans for the purpose of adequacy of capital in ICAAP.

As per the Bank's assessment, it believes that its current robust capital adequacy position, adequate headroom available to raise capital, demonstrated track record for raising capital and adequate flexibility in the balance sheet structure and business model, the capital position of the Bank is expected to remain robust.

### Capital requirements for various risks

## III. CREDIT RISK: GENERAL DISCLOSURES Policy and Strategy for Credit Risk Management

At the apex level, the Board of Directors is responsible for the Bank's Risk Management Framework. The Board has approved the Bank's Risk Appetite Framework for all the various risks that the Bank is exposed; viz. Credit Risk, Market Risk, Earnings Risk, Capital Risk, Operational Risk, Compliance Risk and others. The Board of Directors also maintains oversight on the management of various risks as outlined above.

The Risk Management Committee of Board (RMCB) assists the Board and helps to devise Policy and strategy for management of various risks including Credit Risk. RMCB approves the Bank's

Credit Policies, prudential exposure limits, credit assessment and approval system and procedure, margin and collateral management, credit documentation, credit pricing framework, credit administration and monitoring system, non-performing assets management policy, credit risk management system and exception management.

The Bank's Credit Risk Policies prescribe procedures for credit risk identification, measurement, grading, monitoring, reporting, risk control / mitigation techniques and management of problem loans/ credit. These Policies ensure that credit risk is identified, quantified and managed within the approved Risk Appetite Framework. The various Risk Management Policies include Credit Policy, Investment Policy, Market Risk Policy, Internal Control Policy, FXC& Derivatives Policy, Recovery Policy, Enterprise Risk Policy, Country Risk Framework & Inter Bank limits policy, Valuation Policy, Operational Risk management and Policy on Transfer of Asset through Securitization & Direct Assignment of Cash Flows, Customer Suitability & Appropriateness Policy, and all these Policies are duly approved by the Board.

Credit Risk is defined as the probability of losses associated with reduction in credit quality of borrowers or counterparties leading to non-payment of dues to the Bank. In the Bank's portfolio, losses arise from default due to inability or unwillingness of a customer or counterparty to meet commitments in relation to lending, trading, settlements, or any other financial transaction.

### Organizational Structure for Credit Risk Management function

At Executive level, Management Credit Committee (MCC) is responsible for operationalizing the credit policy and implementing credit framework as approved by the Board and RMCB. The committee recommends policies on standards for presentation of credit proposals, financial covenants, ratings, prudential limits on large credit exposures, standards for loan collaterals, etc. MCC also oversees portfolio risk management, loan review mechanism, risk concentrations, pricing of loans, provisioning and other regulatory/ legal compliances. The roles and responsibilities of the key functions involved in credit risk management are detailed below:

- Portfolio Risk Department– The Portfolio Risk department reports to the Chief Risk Officer (CRO) and is the custodian of all Risk Policies of the Bank. The team is responsible for implementation and operationalization of these Policies, as well as ensuring these are reviewed on a periodic basis, and disseminated to all relevant stakeholders. The unit is also responsible for portfolio analysis and reporting the same to Senior Management and Board, review of internal rating

# Basel III Disclosures

For the Financial Year Ended March 31, 2023

system, monitoring prudential limits and submission of credit related returns/ MIS at periodic intervals.

- Portfolio Management & Early Warning Department – This department reports to the CRO and monitors the portfolio for identifying accounts that exhibit signs of incipient stress. Such accounts are reviewed along with the Relationship Manager (RM) and CRD.
- Sector Research Desk also reports to the CRO. This team conducts Sector and Industry Research with respect to the Bank's credit exposures. The team also carries out thematic reviews of the Bank's portfolio under specific events/ scenarios
- Credit Risk Department (CRD) – The CRD for Wholesale and Retail reports to Chief Credit Officer (CCO) – Wholesale and Retail respectively. The CRD takes decisions on all credit applications in accordance with policies applicable to the specific proposal / product / scheme. To ensure complete independence, and to avoid any conflict of interest, the CRD is not assigned any business targets.
- Credit Administration Department (CAD)/ Retail Operations – The CAD at Corporate / Regional level acts as the third eye after business and CRD to ensure compliance with the Bank's policies and prudent lending requirements. Similarly, Retail Operations manages the post sanction processes for retail business.
- Stressed Assets Group (SAG) – The Stressed Assets Group monitors selected standard accounts under stress and corporate NPAs, follows up for recoveries very closely and provides guidance to the Relationship Manager (RM)'s responsible for recovery and actively participates in the recovery effort where warranted. SAG also coordinates legal action for recovery, as warranted.
- Collections and recovery: The Collections and Recovery team follows up with clients where payments have been missed or delayed and also follows up for recovery efforts if accounts have turned NPA.

## Credit risk measurement, mitigation, monitoring & reporting systems

### Credit Origination and Appraisal System

There are separate Credit Origination and Appraisal Processes for Wholesale and Retail segments. Within the Wholesale segment, Bank has adopted Target Operating Model for different client segments that is based, inter alia, on internal risk ratings, availability of security and other risk parameters. The credit

sanctions are granted by experienced credit professionals and / or credit committees with delegated approval authorities as per Bank's Board approved Credit Policy, basis detailed appraisal memorandum that takes into account business and financial risks of the proposal. The Retail segment, on the other hand, relies largely on standardized product programs for credit risk assessment and approvals.

### Credit Rating Framework

The Bank has put in place an internal rating system for Wholesale segment. The rating system uses various models, depending upon size of company as well as specialized models for Non-Banking Finance Companies (NBFC), Micro Finance Institutions (MFI) and Traders. The internal rating system is a step towards migration to Advanced Approach for Credit Risk as per Basel III.

The rating system is based on a two dimensional rating framework, Borrower Rating and Facility Rating. The Borrower Rating is determined first, which is based on assessment of Industry Risk, Business Risk, Management Risk and Financial Risk along with Project Risk / Conduct of Account (if applicable). This is calibrated to the Probability of Default (PD). The Facility Rating is based on Borrower Rating, and takes into account security structure, therefore is a combination of PD and LGD (Loss Given Default).

Besides, the Bank continues to endeavor to have all facilities above ₹ 7.5 crore, to have external ratings.

### Credit Documentation

The objective of credit documentation is to clearly establish the debt obligation of borrower to the Bank. In most cases, standardized set of documents are used as applicable, depending upon the type of credit facilities and the borrower entity. In cases of credit facilities for structured finance/ customized credit facilities for which standard documents have not been prescribed or are not appropriate, the documentation would be done on transactional basis in consultation with the Legal department/ external counsel.

### Delegation of powers

The Bank has adopted 'Four Eyes' principle for credit approval. The principle dictates that generally at least two people must create, examine and approve a credit proposal. Most of the loan proposals require Joint Signature Approvals (JSA). This helps to avoid credit approval based on judgment of one functionary alone, ensures compliance and reduces risk from errors & prejudices. The Bank has also adopted Committee Approach for sanctioning high value credit proposals, viz. Board Investment & Credit Committee (BICC) and Management Credit Committee (MCC), as per authority matrix. The delegation Policy is approved

by the Board and designed to avoid concentration of authority with few individuals.

### Post Sanction Monitoring

The Bank has evolved a process to ensure end-use of funds is for the purpose for which credit limits are sanctioned. Further, it is ensured that the security obtained from borrowers by way of hypothecation, pledge, etc. are not tampered with in any manner and are adequate.

Periodic Call Reports (PCR) are used to track the borrower's / investment performance on a quarterly / semi-annually basis. Performance, Status of compliance with Internal Risk Triggers, Covenants, Position of Un-hedged FCY exposure & Adherence to specific approval conditions (if any) is tracked on quarterly basis through PCR.

All exceptions related to sanctioned credit facilities are monitored by Credit Administration Department (CAD) with MIS to Senior Management.

### Early Warning System (EWS)

Bank has implemented automated EWS system based on AI/ ML based rule engine to proactively identify emerging credit weakness well in advance. Bank's EWS system not only has all 42 EWS/RFA triggers mandated by RBI vide Circular No. RBI/ DBS/2016-17/28 (DBS.CO.CFMC. BC.No.1/23.04.001/2016-17) dated 01.07.2016 but also captures multiple other alerts/signals from various internal/ external data sources to generate early warning alerts/ signals. The alerts generated by EWS system are reviewed by EWS team and post discussion in EWS forum (comprising of representatives from business, credit and EWS team), a final decision whether to include an account in any of the EWS category (viz. Observe/Monitor/EWS) or otherwise is taken for proactive monitoring.

### Watch List & Adverse Labelled Accounts

Accounts which exhibit stress are tagged as "Watch list" accounts. Accounts which exhibit severe stress are tagged as "Adverse Labelled" accounts. Both these categories of accounts receive special management attention. Such accounts are monitored very closely by Stressed Assets Group, Senior Management and Board/ RMCB.

In view of the enactment of the Insolvency and Bankruptcy Code, 2016 (IBC), RBI has substituted the existing guidelines on Resolution of Stressed Sectors with a harmonized and simplified generic framework through various circulars. The Bank is fully compliant with these guidelines.

### Review / Renewal of Loans

After a credit facility is sanctioned and disbursed, follow-up and reviews are conducted at periodic intervals. All funded and non-funded facilities granted to corporate customers are reviewed at least once a year or at more frequent intervals, as warranted.

### Credit Pricing

Pricing of loans / advances / cash credit / overdraft or any other financial accommodation granted / provided / renewed or discounted usance bills is in accordance with the directives on interest rates on advances issued by RBI as well as internal policies of the Bank. The Bank has also adopted Risk Based Pricing for different categories of customers.

### Credit Portfolio Analysis

Credit portfolio analysis is carried out at periodic intervals to review entire credit portfolio of the Bank to monitor growth, distribution, concentration, quality, compliance with RBI guidelines & policies of the Bank, accounts under Observe/ Monitor/ Early Warning System (EWS)/ Watch-List (WL)/ Adversely Labelled (AL) category etc. The same is monitored / reviewed by Senior Management/ Board / RMCB.

### Loan Review Mechanism (LRM) and Credit Audit

The Bank has implemented LRM and Credit Audit framework. The primary objective includes monitoring effectiveness of loan administration, compliance with internal policies of Bank and regulatory framework, monitor portfolio quality, concentrations, post sanction follow-ups and appraising top management with information pertaining to the audit finding for further corrective actions.

### Non-performing Assets (NPA)

An asset, including a leased asset, becomes non-performing when it ceases to generate income for the Bank.

A non-performing asset (NPA) is a loan or an advance where:

- Interest and/ or instalment of principal remain overdue for a period of more than 90 days in respect of a term loan. Any amount due to the bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the bank.
- The bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted;
- Instalment of principal or interest thereon remains overdue for two crop seasons for short duration crops, and one crop season for long duration crops;

## Basel III Disclosures

For the Financial Year Ended March 31, 2023

- iv) The account remains 'out of order' in respect of an Overdraft/ Cash Credit (OD/CC). An account is treated as 'out of order' if:
- the outstanding balance remains continuously in excess of the sanctioned limit / drawing power for more than 90 days; or
  - where outstanding balance in principal operating account is less than sanctioned limit / drawing power, but there are no credits continuously for 90 days as on the date of balance sheet or credits are not enough to cover interest debited during the same period;
- v) The regular/ ad hoc credit limits have not been reviewed/ renewed within 180 days from the due date / date of ad-hoc sanction;
- vi) Drawings have been permitted in working capital account for a continuous period of 90 days based on drawing power computed on the basis of stock statements that are more than 3 months old, even though the unit may be working or the borrower's financial position is satisfactory;
- vii) Bank Guarantees/ Letters of Credits devolved on the Bank which are not reimbursed by the customer within 90 days from the date of payment;
- viii) A loan for an infrastructure / non-infrastructure project will be classified as NPA during any time before commencement of commercial operations as per record of recovery (90 days overdue), unless it is restructured and becomes eligible for classification as 'standard asset';
- ix) A loan for an infrastructure (/ non-infrastructure) project will be classified as NPA if it fails to commence commercial operations within 2 years (/1 year) from original date of commencement of commercial operations, even if it is regular as per record of recovery, unless it is restructured and becomes eligible for classification as 'standard asset'.
- x) The amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitization transaction undertaken in terms of RBI guidelines on securitization;
- xi) In respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.

### Non-performing Investments (NPI)

NPI is one where:

- Interest / instalment (including maturity proceeds) is due and remains unpaid for more than 90 days;
- The fixed dividend is not paid in case of preference shares;
- In case of equity shares, in the event investment in shares of any company is valued at Re.1 per company on account of non-availability of latest balance sheet in accordance with RBI instructions;
- If any credit facility availed by the issuer is NPA in the books of the bank, investment in any of the securities issued by the same issuer would be treated as NPI and vice versa;
- The investments in debentures / bonds which are deemed to be in the nature of advance would also be subjected to NPI norms as applicable to investments.

## IV. CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDIZED APPROACH

### Ratings used under Standardized Approach:

As stipulated by RBI, the Bank applies ratings assigned to domestic counterparties by following Eligible Credit Assessment Institutions (ECAI's) namely:

- CRISIL Limited;
- CARE Limited;
- India Ratings & Research Private Limited (earlier known as Fitch India);
- ICRA Limited;
- SMERA;
- Infomerics Valuation and Rating Pvt Ltd.

The Bank applies the ratings assigned by the following international credit rating agencies, approved by the RBI, for risk weighting claims on overseas entities:

- Fitch Ratings
- Moody's
- Standard & Poor's

The Bank reckons external ratings for risk weighting purposes, if the external rating assessment complies with the guidelines stipulated by RBI.

Types of exposures for which each agency is used:

The Bank has used the solicited ratings assigned by the above approved credit rating agencies for all eligible exposures, both on balance sheet and off balance sheet, whether short term or long term, as prescribed in the RBI guidelines.

Process used for application of issue ratings to comparable assets in banking book:

Key aspects of the Bank's external ratings application framework are as follows:

1. The Bank uses only those ratings that have been solicited by the counterparty;
2. Where the facility provided by the Bank possesses rating assigned by approved ECAI, the risk weight of the claim is based on this rating;
3. The Bank also reckons external rating at the borrower (issuer) level as follows:
  - a. In case the Bank does not have exposure in a rated issue, the Bank would use the long term issue rating (inferred rating) for its comparable unrated exposures

to the same borrower, provided that the Bank's exposures is pari-passu or senior and of similar or shorter maturity as compared to the rated issue, then this rating is applied on all unrated facilities of the borrower;

- b. Where a short term rating is used as an inferred rating for a short term un-rated claim, the risk weight applied shall be one notch higher than corresponding to the risk weight of the inferred rating.

### Quantitative Disclosures

For exposure amounts after risk mitigation subject to the standardized approach, amount of Bank's exposure (rated and unrated) in the following three major risk buckets as well as those that are deducted:

Particulars	(₹ In Millions)
	<b>31.03.2023</b>
- Below 100% risk weight	747,303.53
- 100% risk weight	217,197.57
- More than 100% risk weight	272,060.10
- Deducted	1,788.49

### Treatment of undrawn exposures

As required by regulatory norms, the Bank holds capital even for the undrawn portion of credit facilities which are not unconditionally cancellable without prior notice by the Bank, by converting such exposures into a credit exposure equivalent based on the applicable Credit Conversion Factor ("CCF"). For credit facilities which are unconditionally cancellable without prior notice, the Bank applies a CCF of zero percent on the undrawn exposure, except as required under RBI guidelines for un-drawn CC limits (even if the facilities are unconditionally cancellable without prior notice) for borrowers having aggregate fund based working capital limit of ₹ 1,500 mn and above from the Banking system.

## V. CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDIZED APPROACHES Policies and processes

The Bank has in place Credit Policy duly approved by the Board. The policies lay down the types of securities normally accepted by the Bank for lending, and administration / monitoring of such securities in order to safeguard / protect the interest of the Bank so as to minimize the risk associated with it.

### Credit Risk Mitigation

In line with RBI guidelines, the Bank uses comprehensive approach for credit risk mitigation. Under this approach, the Bank reduces its credit exposure to the counterparty when calculating

its capital requirements to the extent of risk mitigation provided by the eligible financial collateral as specified.

### Main types of collateral taken by Bank

Bank uses various collaterals financial as well as non-financial, guarantees and credit insurance as credit risk mitigants. The main collaterals include bank deposits, National Saving Certificate (NSC) / Kisan Vikas Patra (KVP) / Life Insurance Policies, plant and machinery, Stocks & book debts, residential and commercial mortgages, vehicles and other movable properties. All collaterals are not recognized as credit risk mitigants under the standardized approach. The following are the eligible financial collaterals which are considered under standardized approach.

- Fixed Deposit receipts issued by the Bank;
- Securities issued by Central and State Governments;
- KVP and NSC provided no lock-in period is operational and that can be encashed within the holding period;
- Life Insurance Policies with declared surrender value, issued by an insurance company regulated by the insurance sector regulator;

- Gold, include bullion and jewellery after notionally converting to 99.99% purity.

### Main type of guarantor counterparties

Wherever required the Bank obtains personal or corporate guarantee as an additional comfort for mitigation of credit risk which can be translated into a direct claim on the guarantor which is unconditional and irrevocable. The creditworthiness of the guarantor is normally not linked to or affected by the borrower's financial position.

### Concentration Risk in Credit Risk Mitigants

The credit risk mitigation taken is largely in the form of cash deposit with the Bank and thus the concentration risk (credit and market) of the mitigants is low. Besides, the Bank has also set internal limits for certain sensitive sectors to mitigate concentration risk.

### VII. MARKET RISK IN TRADING BOOK Policy and Strategy for Market Risk Management

Bank defines Market Risk as the risk of losses in trading book due to movements in market variables such as interest rates, credit spreads, foreign exchange rates, forward premia, commodity prices, equity prices etc. Bank's market risk exposure arises from investment in trading book (AFS & HFT category), foreign exchange positions, and derivative positions. Under market risk management, interest rate risk, equity price risk and foreign exchange risk are monitored and managed.

Market Risk is managed in accordance to the Board approved Investment Policy, Market Risk Policy, FX & Derivatives Policy and Customer Suitability & Appropriateness Policy. The policies lay down well-defined organization structure for market risk management functions and processes whereby the market risks carried by the Bank are identified, measured, monitored and controlled within the stipulated risk appetite of the Bank.

### Organization Structure for Market Risk Management function

The organizational structure of Market Risk Management function has the Board of Directors at the apex level that maintains overall oversight on management of risks. The Risk Management Committee of Board (RMCB) devises policy and strategy for integrated risk management which includes Market Risk. At executive level, Asset Liability Management Committee (ALCO) monitors management of Market Risk. The main functions of ALCO also include balance sheet planning from a risk return perspective including the strategic management of interest rate risk and liquidity risk.

The Market Risk Management process includes the following key participants:

- The Market Risk Department, which is an independent function, reports to Chief Risk Officer (CRO), and is

responsible for developing the policy framework for Market Risk management and day to day oversight over the Market Risk exposures of the Bank.

- The Treasury Mid Office is responsible for monitoring all Treasury exposures in line with the policies of the bank and escalating excesses/ violations etc. in a timely manner so that corrective action can be initiated.
- Treasury Investment Committee oversees and reviews investments in Government Securities, bonds and debentures, equity investments, and investments in other approved securities and instruments.

### Risk Reporting, Measurement, Mitigation and Monitoring Systems

The Market Risk Management framework ensures that there are sufficient processes and controls in place to ensure all market risk exposures are monitored and are within the risk appetite set by the Bank's Board.

### Reporting and measurement systems

The Bank has prescribed various risk metrics/ limits for different products and investments. These limits help to measure and manage Market Risk, thereby ensuring that all exposures are within the Board approved risk appetite of the Bank. The nature of limits includes position limits, gap limits, tenor & duration limits, stop-loss, Value at Risk (VaR) limits. All limits are monitored on a daily basis by the Mid-Office. Limit breaches/ excesses are escalated as per the Market Risk policy.

### Liquidity Risk Management

Liquidity Risk is managed in the following manner:

- Asset Liability Management (ALM) Policy of the Bank specifically deals with liquidity and interest rate risk management.
- As envisaged in the ALM policy, liquidity risk is managed through Traditional Gap Analysis based on the residual maturity / behavioral pattern of assets and liabilities as prescribed by RBI.
- Monitoring of prudential (tolerance) limits set for different residual maturity time buckets, large deposits, loans, various liquidity ratios for efficient asset liability management;
- The Bank has also put in place mechanism of short term dynamic liquidity and contingency plan for liquidity risk management;

- Contingency Funding Plan (CFP), approved by the Board sets process to take care of crisis situation in the event of liquidity crunch or a run on the Bank. A comprehensive set of Early Warning Indicators has been designed to forewarn of impending liquidity stress. Crisis Management Team (CMT) would be convened to provide direction of follow up action on handling the crisis situation.

### Assessment of Illiquidity

The Bank has established procedures for calculating an adjustment to the current valuation of less liquid (i.e. illiquid) positions for regulatory capital purposes. The framework for assessing the illiquidity is documented in the board approved Market Risk Policy of the bank. The adjustment to the current valuation of illiquid positions is deducted from Common Equity Tier I (CET I) capital while computing CAR of the Bank.

### Portfolios covered by Standardized Approach

The Bank has adopted Standardized Duration Approach (SDA) as prescribed by RBI for computation of capital charge for market risk for:

- Securities included under the Held for Trading (HFT) category,
- Securities included under the Available for Sale (AFS) category,
- Open foreign exchange position limits, and
- Trading positions in derivatives.

### VIII. OPERATIONAL RISK Policy and Strategy for Operational Risk Management

The Bank defines Operational Risk as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational Risk includes legal risk but excludes strategic and reputational risk. The Bank is exposed to Operational Risk due to its extensive use of technology, exposure to potential errors, frauds, or unforeseen events resulting in unexpected losses in the course of business activities.

# Basel III Disclosures

For the Financial Year Ended March 31, 2023

The Bank has a well documented Operational Risk Management Policy to mitigate and manage Operational Risk. The Operational Risk Management process of the Bank is driven by a strong control culture and sound operating procedures, involving corporate values, attitudes, competencies, internal control culture, effective internal reporting and contingency planning.

## Operational Risk Management Governance Structure

The Bank has a defined Operational Risk Management governance structure. The Board of Directors of the Bank defines the risk appetite, sets the risk management strategies and approves the operational risk policies of the Bank. The Bank's risk management processes are guided by well-defined policies commensurate with size of the organization and supported by independent risk oversight and periodic monitoring by the Risk Management Committee of Board (RMCB).

To oversee the effective management of Operational Risk, the Bank has constituted the Operational Risk Management Committee (ORMC) consisting of senior management personnel. The ORMC, which supports the Executive Risk Committee (ERC) is responsible for overseeing the implementation of the Operational Risk Management Policy at the Bank. The primary function of the ORMC is to monitor the management of key operational risks and to provide guidance and direction for mitigating the same.

The Operational Risk Management (ORM) unit is tasked with coordinating and implementing the Operational Risk activities of the Bank and driving processes for the sound management of operational risk. The ORM team analyses identified risks, facilitates root cause analysis of reported operational risk events to identify open risks, and suggest suitable risk mitigating actions which are monitored for resolution. It is also responsible for ensuring the communication of operational risk events and loss experience to senior management and the ORMC.

Additionally, with a view to ensure sound practices in respect of governance of the overall Operational risk, the Bank has outlined policies and processes in respect of Information Security; Outsourcing; Business Continuity Planning & IT Disaster Recovery; Records Management, Fraud Control and Customer Service.

Internal Audit provides an independent assurance of the adequacy of, and compliance with, the Bank's established policies and procedures.

## Risk Reporting, Measurement, Mitigation and Monitoring Systems

The following are some of the key techniques applied by Bank to manage Operational Risk:

- The Bank has built into its operational process segregation of duties, clear reporting structures, standard operating procedures, staff training, verification of high value transactions and strong audit trails to control and mitigate operational risks.
- New product notes prepared by business units are reviewed by all concerned departments including compliance, risk management and legal and approved through Product Approval Committee.
- Standard Operating Processes (SOPs) are documented for operational processes to ensure controls and procedures are adequate to mitigate inherent operational risk due to errors or lapses.
- Operational Loss and Near Miss events are required to be reported on the ORM system within a defined period after detection.
- Risk and Control assessments are performed for all key operational units, to systematically assess inherent operational risks and quality of controls to mitigate the risks.
- Key Risk Indicators (KRI) are defined for all key operating units and are monitored regularly to enable timely action to mitigate any anticipated risks.
- Awareness programs to make the line functions aware of operational risk and its management have been established.
- Dedicated Internal Vigilance and Fraud Risk Management teams are responsible for prevention and investigation of internal and external frauds. The team continually monitors existing threats and takes pro-active measures to thwart frauds against the Bank and its customers.
- Disaster Recovery (DR) and Business Continuity Plans (BCP) have been established for all businesses to ensure continuity of operations and minimal disruption to customer services. These plans are tested and reviewed to ensure

their effectiveness to mitigate unforeseen risks arising out of disruptions.

- The Business Operations & Technology and Information Security Steering Committees provide direction for mitigating the operational risk in IT Security.
- Risk Transfer via Insurance - Insurance policies are used to confront insurable losses which may occur as a result of events such as natural disasters, due to losses from errors & omissions and fidelity done either by an employee or an appointed vendor staff.

## Approach for Operational Risk capital assessment

In accordance with RBI guidelines, the Bank has adopted Basic Indicator Approach (BIA) for computation of capital charge for Operational Risk.

## IX. INTEREST RATE RISK IN THE BANKING BOOK (IRRBB)

### Policy and Strategy for Interest Rate Risk Management

Interest rate risk in banking book represents the Bank's exposure to adverse movements in interest rates with regard to its non-trading exposures. Interest rate risk is measured by doing a gap analysis as well as factor sensitivity analysis. Bank holds assets, liabilities with different maturity and linked to different benchmark rates, thus creating exposure to unexpected changes in the level of interest rates in such markets.

Interest Rate Risk is managed in accordance to the Board approved Asset Liability Management (ALM) Policy, Investment Policy. The policies lay down well-defined organization structure for interest rate risk management functions and processes whereby the interest rate risks carried by the Bank are identified, measured, monitored and controlled.

### Organization Structure for Interest Rate Risk Management function

The organizational structure of the Bank for Interest Rate Risk Management function has the Board of Directors at the apex level that maintains overall oversight of management of risks. The Risk Management Committee of Board (RMCB) devises policy and strategy for integrated risk management which includes interest rate risk. At operational level, Asset Liability Management Committee (ALCO) monitors management of interest rate risk. The main functions of ALCO include balance sheet planning from a risk return perspective including the strategic management of interest rates and liquidity risks.

## Risk Reporting, Measurement, Mitigation & Monitoring systems

- Interest rate risk is managed using Gap Analysis of Rate Sensitive Assets (RSA) and Rate Sensitive Liabilities (RSL) and monitoring of prudential (tolerance) limits prescribed.
- Earnings perspective - Based on the gap report, Earnings at Risk (EaR) approximates the impact of an interest rate/ re-pricing shock for a given change in interest rate on the net interest income (difference between total interest income and total interest expense) over a one year horizon.
- Economic value perspective - As against the earnings approach, interest rate risk is monitored based on the present value of the Bank's expected cash flows. A modified duration approach is used to ascertain the impact on interest sensitive assets, liabilities and off-balance sheet positions for a given change in interest rates on Market Value of Equity (MVE).
- Monitoring - The Bank employs EaR and MVE measures to assess the sensitivity to interest rate movements on entire balance sheet. EaR and MVE thresholds have been prescribed and the results are monitored on an ongoing basis.

The findings of the risk measures for IRRBB are reviewed by Board at quarterly intervals.

### Nature of IRRBB and Key assumptions

- Interest rate risk is measured by using Earnings Perspective and Economic Value Perspective method.
- The distribution into rate sensitive assets and liabilities under Interest Rate Sensitivity Statement, Coupons, Yields are as prescribed in ALM policy of the Bank.
- Non-maturity deposits (current and savings) are classified into appropriate buckets according to the study of behavioral pattern. In case of these deposits, volatile portion is classified into '1-28 Days' time bucket and remaining core portion into '1-3 years' time bucket.

### Quantitative Disclosures

Increase (decline) in earnings and economic value (or relevant measure used by management) for upward and downward rate shocks according to management's method for measuring IRRBB.

## X. GENERAL DISCLOSURE FOR EXPOSURES RELATED TO COUNTERPARTY CREDIT RISK

Counterparty Credit Risk (CCR) is the risk that the counterparty to a transaction could default before the final settlement of the transaction's cash flows. An economic loss would occur if the transactions or portfolio of transactions with the counterparty has a positive economic value for the Bank at the time of default. Unlike exposure to credit risk through a loan, where the exposure to credit risk is unilateral and only the lending bank faces the risk of loss, CCR creates a bilateral risk of loss whereby the market value for many different types of transactions can be positive or negative to either counterparty. The market value is uncertain and can vary over time with the movement of underlying market factors.

The Bank's Derivative transactions are governed by the Bank's FX & Derivatives Policy, Commercial Credit Policy, Market Risk Policy, Country Risk Framework & Inter-Bank Limit Policy and Customer Suitability and Appropriateness Policy as well as by the extant RBI guidelines.
