Notes:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its circular I4/2020, I7/2020 and 20/2020 dated April 8, 2020, April 13, 2020 and dated May 5, 2020 (collectively referred to as “MCA Circulars”), along with SEBI vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as “SEBI Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through VC / OAVM (Video Conferencing/Other Audio Visual Means), without the physical presence of the Members at a common venue. The registered office of the Company shall be deemed to be the venue for the AGM.
2. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking appointment at this AGM is annexed.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent to the Scrutinizer by email through its registered email address to info@swaroopsuri.com with a copy marked to evoting@nsdl.co.in.
5. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company or CDSL / NSDL (“Depositories”). Members may note that the Notice and Annual Report 2020-21 will also be available on the Company’s website www.keltechenergies.com, website of the Stock Exchange - BSE Limited at www.bseindia.com.
6. To support the ‘Green Initiative’, Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with our Registrar & Transfer Agents M/s. Canbank Computer Services Limited, in case the shares are held by them in physical form.
7. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. Further, SEBI vide its circular no. SEBI/HO/MIRSD/RTAMB/ CIR/P/2020/236 dated December 2, 2020 had fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode.. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company’s Registrars and Transfer Agents, M/s. Canbank Computer Services Limited (“CCSL”) for assistance in this regard.
8. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to CCSL in case the shares are held by them in physical form.
9. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or CCSL, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
10. The Company has fixed Friday, September 17th, 2021 as the ‘Record Date’ for determining entitlement of members to final dividend for the financial year ended March 31, 2021, if approved at the AGM.
11. If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend subject to deduction of tax at source will be made on Friday, September, 24th, 2021 as under:

KELTECH ENERGIES LIMITED

- a. To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited (“NSDL”) and the Central Depository Services (India) Limited (“CDSL”), collectively “Depositories”, as of the close of business hours on Friday, September 24th, 2021.
 - b. To all Members in respect of shares held in physical form after giving effect to valid transfer, transmission or transposition requests lodged with the Company as of the close of business hours on Friday 17th September, 2021.
12. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (“IEPF”). The shares in respect of such unclaimed dividends are also liable to be transferred to the DEMAT account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in.
 13. Members are requested to note that pursuant to Regulation 39 (4) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 and its amendments, the Company is required to transfer all the unclaimed shares into one folio in the name of “Unclaimed Suspense Account” and these shares are to be dematerialized and kept with Depository Participants. In compliance of the said Clause, the Company will take necessary steps with the shareholders and will initiate action to transfer the unclaimed shares into one folio in the name of “Unclaimed Suspense Account” and dematerialize in due course.
 14. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/ CDSL (in case of shares held in physical mode) and depositories (in case of shares held in Demat mode).
 15. A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to ravi@ccsl.co.in / naidu@ccsl.co.in by 11:59 P.M. IST on **September 17th, 2021**. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.
 16. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to ravi@ccsl.co.in / naidu@ccsl.co.in. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 P.M. IST on Friday, September 17th, 2021.
 17. At the Fortyfirst Annual General Meeting (AGM) held on July 21st, 2017 the Members approved appointment of M/s. Khimji Kunverji & Co LLP, Chartered Accountants, (FRN 105146W/W100621), ‘Sunshine Tower’, Senapati Bapat Marg, Elphinstone Road, Mumbai-400013 as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that AGM till the conclusion of the Fortyfifth AGM, subject to ratification of their appointment by Members at every AGM, if so required under the Act. The requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7th, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the Fortyfourth AGM.
 18. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business to be transacted at the meeting, is annexed and forms part of this notice.
 19. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company has also extended e-voting facility, for its Members to enable them to cast their votes electronically on the proposed resolutions in this notice.

Circular No.: NSDL/CIR/II/10/2021 Date: May 21, 2021 of National Securities Depository Ltd., Mumbai.
Subject: SEBI Circular on e-Voting Facility Provided by Listed Entities

Attention is invited to SEBI Circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 regarding e-Voting facility provided by listed entities and Circular no. NSDL/CIR/II/50/2020 dated December 15, 2020 issued by NSDL regarding intimation on the same. In the aforesaid SEBI Circular, it has been stated as below:

- 1) Under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- 2) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- 3) In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting for all individual demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process. The same shall be implemented in a phased manner.
- 4) Accordingly to enable individual shareholders to login and cast vote through their demat account, NSDL services has been enhanced. Process of login for Individual shareholders holding securities in demat mode with NSDL is furnished below.
- 5) As per aforesaid SEBI circular, the listed companies are required to provide the details of the upcoming events requiring voting to the Depository. The depository will send SMS/email alerts in this regards, to the demat account holders, at least 2 days prior to the date of the commencement of e-voting. In order to facilitate listed companies to provide details of upcoming events requiring voting, NSDL's Issuer Services Portal has been enhanced to include e-Voting feature wherein listed companies are required to provide details of upcoming events requiring voting. Issuers can access this enhance feature w.e.f May 31, 2021.
- 6) All the Issuers are requested to use the Issuer Portal <https://issuer.nsd.com> for providing the information of upcoming events requiring voting. You need to click on Login button and provide your login credentials for successful authentication.
- 7) Issuers who are already registered in Issuer Portal can use existing login credentials to access e-Voting feature for providing details of upcoming events requiring voting.
- 8) Process for Issuers to provide the details for the upcoming events requiring voting:
 - a. Issuer maker needs to capture e-Voting details on Issuer Portal by clicking on tab eVoting→Transact→Capture e-Voting Detail.
 - b. Issuer Should provide following information :

2. COVID-19 Outbreak:

The COVID-19 pandemic developed rapidly again into a global crisis, forcing governments to enforce lock-downs of all economic activity. For the Company, the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption to services for all our customers globally.

The Company Management has made internal assessment of the probable impact on business and believes that the impact to be short term in nature and doesn't foresee any significant medium to long risk in Company's ability to continue as a going concern.

COVID-19 Epidemic initiatives

The Operations and the Financial Results of the Company during the half year of 2020-21 were marginally impacted due to the shutdown of the Company's Plants under the lockdown announced by the State/Central Governments after the outbreak of COVID-19 epidemic. The Company has resumed its operations of various plants in a phased manner since June, 2020 conforming to the guidelines of the State/Central Government's safety and protection of the employees would continue to be followed.

In assessing the fair value of financial instruments, recoverability of its receivables, investments and providing for loss allowance as per Expected Credit Loss, the Company has considered internal and external information up to the date of approval of these financial statements. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of its assets.

This response has reinforced customer confidence in the Company and many of them have expressed their appreciation and gratitude for keeping their businesses running under most challenging conditions.

Although there are uncertainties due to the pandemic and reversal of the positive momentum gained in the Financial Year 2021, the strong financial position, profitability and inherent resilience of the business model position the Company well to navigate the challenges ahead and gain market share.

INDEPENDENT AUDITOR'S REPORT**To the Members of Keltech Energies Limited****Report on the Audit of the Standalone Ind AS Financial Statements****Opinion**

1 We have audited the accompanying standalone Ind AS financial statements of Keltech Energies Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2 We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder; and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3 Attention is drawn to Note 37 of the Standalone Ind AS Financial Statements which describes the impacts of COVID-19 Pandemic on the financial statements as also on business operations of the Company, assessment thereof by the management of the Company based on its internal, external and macro factors, involving certain estimation uncertainties. Our opinion is not modified in respect of this matter.

Key Audit Matters

4 Key audit matters Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the year under audit. We have determined that there is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

5 The Company's Board of Directors is responsible for the preparation of the other information, comprising of the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, and such other disclosures related Information, excluding the standalone Ind AS financial statements and auditors report thereon ('Other Information'). The other information is expected to be made available to us after the date of this auditors' report. Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other Information and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charges with governance as required under SA 720 'The Auditor's responsibilities Relating to other Information'.

Responsibility of Management for Standalone Ind AS Financial Statements

6 The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under prescribed Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to

continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

7 Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements, as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements. Our audit process in accordance with the SAs is narrated in Annexure I to this report.

Other Matters

8 The entire audit finalization process was carried from remote locations i.e., other than the office/plant of the Company where books of account and other records are kept, based on data/details or financial information provided to us through digital medium, owing to lockdown and restrictions on movements imposed by the Governments to restrict the spread of COVID19. Being constrained, we resorted to and relied upon the results of the related alternate audit procedures to obtain appropriate audit evidence for the significant matters in course of our audit. Our report is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

9 As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 2, a statement on the matters specified in paragraphs 3 and 4 of the Order.

10 As required by section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.
- e. On the basis of the written representations received from the directors as on March 31, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 3.
- g. In terms of provisions of Section 197(16) of the Act, as per the information and explanations given, we report that the managerial remuneration paid by the Company to its Directors is in accordance with provisions of Section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report as under:
 - (i) The Company has disclosed the impact of pending litigations on the financials position in its standalone Ind AS financial statements. Refer note no 30 to Standalone Ind AS Financial Statement;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses. Refer note no 30 to Standalone Ind AS Financial Statement;
 - (iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure I to the Independent Auditors' Report

(REFERRED TO IN PARA 7 TITLED "AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE IND AS FINANCIAL STATEMENTS")

As part of our audit in accordance with SAs we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure 2 to the Independent Auditors' Report

[referred to in para 9 under 'Report on Other Legal and Regulatory Requirements']

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) The Company has a programme of physical verification of its fixed assets under which all fixed assets are verified in a phased manner over three years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. During the year under report, physical verification at one of the units could not be conducted. According to the information and explanations given to us, no material discrepancies were noticed in last such verification.
(c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The Inventories have been physically verified during the year by the management. In our opinion, the frequency of such verification is reasonable. As informed, the discrepancies noticed on verification between the physical stocks and the book records were not material.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, the requirement of clause (iii)(a), (iii)(b) and (iii)(c) of paragraph 3 of the Order are not applicable to the company.
- iv. In our opinion and according to the information and explanations given to us, the Company has not granted any loans, or made any investments, or provided any guarantees or securities covered under section 185 and 186 of the Act. Therefore, the requirement of clause (iv) of paragraph 3 of the Order are not applicable to the company.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any

KELTECH ENERGIES LIMITED

deposits from the public during the year in terms of the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

- vi. We have broadly reviewed the books of account maintained by the Company as specified under Section 148(1) of the Act, for maintenance of cost records in respect of products manufactured by the Company, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Income-tax, Sales-tax, Service tax, Goods and Service Tax, Cess and other material statutory dues generally have been regularly deposited during the year by the Company with the appropriate authorities. There are no undisputed statutory dues payable in respect to the above statutes, outstanding as at March 31, 2021 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the details of dues which have not been deposited as on March 31, 2021 on account of disputes are as under:

Nature of Statue	Nature of Dues	Period to which the Amount Relates	Forum where Dispute is Pending	Amount (Rs in Lakhs)
Income Tax Act, 1961	Income Tax	A.Y. 2015-16	CIT-Appeals	66.83
Income Tax Act, 1961	Income Tax	A.Y. 2016-17	CIT-Appeals	118.14

Central Sales Act, 1956	Central Sales Tax	F. Y. 2009-10	Maharashtra Sales Tax Tribunal, Mumbai.	118.01

- viii. In our opinion and according to the information and explanations given to us, and based on the records of the Company, it has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government. The Company has not issued any debentures.
- ix. In our opinion and according to the information and explanations given to us, Company did not raise any money by way of initial public offer (including debt instruments) and loans. Hence, clause (ix) of paragraph 3 of the Order is not applicable.
- x. According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, reporting under clause (xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required under applicable Indian Accounting Standard (Ind AS).
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, reporting under clause (xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, reporting under clause (xv) of the Order is not applicable to the Company.
- xvi. In our opinion, the Company is not required to be registered under section 451A of the Reserve Bank of India Act, 1934.

Annexure 3 to the Independent Auditors' Report

[referred to in paragraph 10(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Keltech Energies Limited ("the Company") as at March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Opinion

In our opinion considering the nature and size of the operations, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (The 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Corporate Information:

Keltech Energies Ltd. is a public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its equity shares are listed in BSE Limited, Mumbai. The address of its registered office and principal place of business are disclosed in the introduction to the annual report. The Company is principally engaged in the manufacture of industrial explosives and sale of perlite & perlite based products.

The financial statements of the Company for the year ended 31st March, 2021 were authorized for issue in accordance with the resolution of the Board of Directors as on 4th June, 2021.

I. Significant Accounting Policies:**(i) Basis of preparation:**

The Financial Statements are prepared in accordance with Indian Accounting Standards (“Ind AS”) as issued under the Companies (Indian Accounting Standards) Rules, 2015, the provisions of the Companies Act, 2013 (“the Act”) and guidelines issued by the Securities and Exchange Board of India (“SEBI”), as applicable.

These financial statements are the financial statements under Ind AS.

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that is measured at fair value (refer accounting policy regarding financial instrument)
- Defined benefit plans – plan assets measured at fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(ii) Current/non-current classification:

The normal operating cycle of the company is 12 months. Assets and Liabilities which are expected to be realisable/payable within 12 months are to be classified as current and rest will be classified as non-current.

(iii) Government grant:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income Government grants relating to assets are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets. However, when any conditions is prescribed by the government, then the government grant is amortized on straight line basis till the time conditions precedent to the grant are expected to be completed. Government grant is presented within other income.

(iv) Income tax:

Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amount for financial reporting purposes at their reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

(v) Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, Goods and Service Taxes (GST) and amounts collected on behalf of third parties.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below.

Sale of goods:

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer as per the terms of the contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Export incentives are accounted for to the extent considered recoverable by the management.

Rendering of services:

Revenue from rendering of services is recognised based on percentage of completion method when the outcome of the transactions can be estimated reliably.

Interest income:

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(vi) Property, plant and equipment:

Property, plant and equipment are stated at original cost net of tax / duty credit availed, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any. When a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as replacement if the recognition criterion is satisfied.

Property, plant and equipment is eliminated from the financial statements, either on disposal or on retirement from active use. Losses and gains arising from the retirement/disposal are recognised in the statement of profit or loss in the year of occurrence.

The asset's residual value, useful lives and methods of depreciation are reviews at each financial year and adjusted prospectively, if appropriate.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at **1 April 2015** measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation is the systematic allocation of the depreciable amount of **PPE** over its useful life and is provided on the "straight line method" based on the estimated useful life of assets which are equal to those suggested in Part C of schedule II of the Act except for assets stated below, for which depreciation is calculated on following basis based on management estimate:

Assets	Estimated Useful Life	Useful life as per the limits prescribed in Schedule II of the Act	Basis and justification of selection of Useful Life
Furniture and Fixtures of leased Premises	6 Years	10 Years	period of lease or useful life prescribed under Schedule II of the Act, whichever is lower.
All assets costing Rs.5000/- or less each	NIL	Depending upon nature of assets	Past experience /Materiality

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual value of tangible assets.

Depreciation on additions / deletions is provided on pro-rata basis from the date of acquisition/ up to the date of deletion.

Changes in expected useful life or the expected pattern of consumption of future economic benefits embodied in an asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount

(vii) Capital work in progress:

Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. These are stated at cost to date relating to items or project in progress, incurred during construction / preoperative period. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current Assets".

(viii) Borrowing cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(ix) Intangible assets:

Intangible assets, identifiable non-monetary asset without physical substance are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets comprising of "Computer Software" are recorded at acquisition cost and are amortized over the estimated useful life on straight line basis. Estimated useful life of software is assessed to be 3 years.

(x) Impairment of non financial assets:

As at each balance sheet date, the Company assesses whether there is an indication that an asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, if any, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined as the higher of the fair value less cost to sell and the value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

In all the CGU where Impairment indication exist, the Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

(xi) Lease:

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-use Assets (ROU Assets)

The Company recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and

impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or to site on which it is located, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or rate, and amounts expected to be paid under residual value guarantees. In calculating the present value if lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense.

(xii) Inventories:

- Raw materials, Work-in-Progress, Stock-in-transit, Packing materials, Stores and spares have been valued at cost, arrived on weighted average method.
- Traded goods, finished goods and stock kept for services have been valued at lower of cost and net realisable value.
- Cost of finished goods includes direct material, freight and forwarding and apportion of manufacturing overheads based on normal operating capacity, and is determined on a weighted average basis.
- Cost of traded goods includes Cost of Purchase and other direct costs incurred and is determined on a first in first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(xiii) Foreign currency:

The Company's financial statements are presented in INR, which is also the Company's functional currency. Transactions in foreign currencies are recorded on initial recognition in the functional currency, using the exchange rate prevailing on the date of transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

(xiv) Employee benefits:

All employee benefits payable wholly within 12 months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

Retirement benefits in the form of Provident Fund, Employee State Insurance and Superannuation Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The Company also provides certain additional post employment benefits in the form of compensated absences to employees. These compensated absences are unfunded. The actuarial valuation is done as per projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the changes to the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss.

Past service costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-Service costs, gains and losses on curtailments and non routine settlements; and
- Net interest expense or income

(xv) Segment reporting:

The Chief Operational Decision Maker monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

The operating segments have been identified on the basis of nature of product/services.

The Board of directors of the Company has appointed the Managing Director as the chief operating decision maker (CODM) who is assessing the financial performance and position of the Company, and makes strategic decisions.

(xvi) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss after tax for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xvii) Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liability is disclosed in the case of:

- Present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past event, when no reliable estimate is possible
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

(xviii) Cash and cash equivalent:

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of statement of cash flows, cash & cash equivalent consists of cash & short term deposits, as defined above, as they are considered an integral part of the Company's cash management

(xix) Financial instruments:

(i) Financial assets:

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in case of financial asset not recorded at fair value through profit or loss, transaction cost that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial asset measured at amortised cost.

Subsequent measurement:

For purposes of subsequent measurement financial assets are classified into two broad categories:

- Financial asset at fair value
- Financial asset at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit or loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meet the following 2 conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business model test:** The objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes)
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meet the following 2 conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business model test:** The financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets.
- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognising the gains or losses on them on different basis.

All other financial asset is measured at fair value through profit or loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - a) the Company has transferred substantially all the risks and rewards of the asset, or
 - b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial asset:

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial asset measured at amortised cost
- Financial asset measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates, if any. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

(ii) Financial liabilities:**Initial recognition and measurement:**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Loans and borrowings – subsequent measurement:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2. Significant Accounting judgements, estimates & assumptions:

The preparation of Company's financial statements requires management to make judgements, estimates & assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available

when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Impairment of non-financial asset:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

(ii) Defined Benefit plans and Compensates Absences:

The cost of defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iii) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about the risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(iv) Useful life:

The estimated useful lives of items of property, plant & equipment & intangible assets for the current & the comparative periods are as follows :

Asset	Management estimate of useful life	Useful life as per Schedule 3
Land – Leasehold	Over the lease term	N.A.
Buildings	30 years	30 years
Laboratory Equipments	10 years	10 years
Other Plant & Equipment	15 years	15 years
Office Equipment	5 years	5 years
Furniture & Fixtures	10 years	10 years
Furniture & Fixtures of leased premises*	6 years	10 years
Vehicles	8 years	8 years
Computer software	3 years	

* Period of lease or useful life prescribed under Schedule II of the Act, whichever is lower.

(v) Fair valuation of financial instruments:

When the fair values of financial assets & financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation technique including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Note 26: Financial risk management

The company's activities expose it to market risk, liquidity risk and credit risk.

Market risk is the risk of loss of future earnings, fair value or future cashflows that may result from a change in the price of the financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivable and payables and loans and borrowings.

If the risk exposure is significant then senior management reviews the position and takes decision regarding hedging/ other risk strategies to mitigate such risk exposures.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rate.

The company is not exposed to significant interest rate risk as at the respective reporting dates.

(ii) Foreign currency risk

The Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. These exposures are unhedged.

Notes to financial statements for the year ended March 31, 2021

(iii) Credit Risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- (i) Actual or expected significant adverse change in business
- (ii) Actual or expected significant change in the operating results of the counterparty
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation.
- (iv) Significant increases in credit risk on other financial instruments of the same counterparty

A default on a financial asset is when the counterparty fails to make contractual payments within 1095 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Financial assets are written off when there is no reasonable expectation of recovery. Where loans or receivables have been written off, the Company may engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

The carrying amounts of financial assets represent the maximum credit risk exposure

(Rs. in Lakhs)

Financial risk for which loss allowance is measured using Lifetime expected Credit Losses (ECL)		
Trade Receivables	4,103.48	3,874.13

(iv) Roll rate method for trade receivable

mpairment loss for trade receivable is calculated using the Roll Rate method. In the roll rate method, the entire portfolio balance is segmented by various buckets e.g. Current, 1-90 , 91-180 , 181-270 etc. Roll rate technique is a forecast in which the flow of outstanding from one level of delinquency (lower) to another (higher) is applied to the current portfolio outstanding mix. This technique follows the flow from 'Current' through all the delinquency buckets to 'charge-off'. The losses are determined as a product of flow rates from the bucket to the final bucket. Once historical net roll rates by bucket have been calculated, their patterns over time are examined and future roll rates are estimated.

Expected credit loss is computed on a collective basis as receivables are in similar category & amount of individual trade receivables are not individually significant.

Based on management estimation and data available there is no significant increase in credit risk/credit impaired for individual trade receivables.

In computation of the expected credit loss, there is no specific provisioning / write off policy for outstanding for more than certain period.

There are no specific forward looking information estimated by the management.

Notes to financial statements for the year ended March 31, 2021

Note 36: Transition to Ind AS 116

Effective 1st April, 2019, the Company adopted Ind As 116 ""Leases"" and applied the standard to all lease contracts existing on 1st April, 2019 using the modified retrospective method. Consequently, the Company has recorded the lease liability at the present value of the lease payments discounted by the incremental borrowing rate and the right of use asset at an amount equal to the lease liability, adjusted by prepared or accrued lease payment.

Comparatives as at and for the year ended 31st March, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended 31st March, 2019. On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of Rs.188.28 Lakhs, and a lease liability of Rs.188.28 Lakhs. Ind as 116 will result in an increase in cash flows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The following is the summary of practical expedients elected on initial application:

- (i) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- (ii) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- (iii) Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17. The weighted average incremental borrowing rate applied to lease liabilities as at 1st April, 2019 is 8.85%.
- (a) The changes in the carrying value of right of use (ROU) assets for the year ended 31st March, 2021 are disclosed in Note 3A.

(Rs. in Lakhs)

Particulars	Amount
ROU Balance at the beginning of the year	156.49
Opening balance Reclassified on account of adoption of Ind AS 116 (Refer Note 3A)	21.03
Additions (Refer Note 3A)	29.27
Amortisation cost accrued during the year (Refer Note 3A)	5.98
Deletions	
ROU Balance at the end of the year	142.27
Lease Liabilities at the beginning of the year	164.59
Additions	21.03
Interest cost accrued during the year	15.73
Payment of lease liabilities	38.04
Deletion	6.44
Lease Liabilities at the end of the year	156.87
Current Lease Liabilities	37.12
Non-current Lease Liabilities	119.75
Total Lease Liabilities	156.87

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

- (b) The table below provides details regarding the contractual maturities of lease liabilities as of 31st March, 2021 on an undiscounted basis:

(Rs. in Lakhs)

Particulars	Amount
Not later than one year	37.12
Later than one year and not later than five years	97.27
Later than five years	223.27

Note 37: Note on Covid-19

The Company has considered the possible effects that may result from the pandemic relating to Covid-19 in the preparation of these financial results including the recoverability of carrying amounts of property, plant and equipment, receivables, inventories, investments and other assets and it does not anticipate any major challenge in meeting its financial obligations, on a long term basis. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial results, used internal and external sources of information and expects that the carrying amount of these assets will be recovered. The impact of Covid-19 on the Company's financial results may defer from that estimated as at the date of approval of these financial results.

Note 38: Note on Anti-dumping duty

Based on the inquiry conducted by Directorate of Revenue Intelligence ('DRI'), the company has paid anti-dumping duty along with interest and IGST aggregating to Rs 359.67 Lakhs on import of ammonium nitrate by one of the suppliers of the company between FY 2017-2019. Subsequently, an amount of Rs. 41.91 lakhs has been claimed towards input IGST and payment towards of Anti-Dumping Duty of Rs. 233.41 lakhs and towards interest of Rs. 84.35 lakhs has been shown as exceptional item in the financial statement.

Further, the Company is exploring its options including legal notice on the supplier from whom the imports were made.

Note 39: The previous year's numbers have been re-grouped/re-classified to confirm to current years reporting.
