18. Shareholders are requested to quote their Folio No. or DP ID - Client ID, as the case may be, in all correspondence with the Company or RTA
19. In terms of the provisions of Section 72 of the Act, the facility for making nomination is available for the Shareholders in respect of the shares held by them. Shareholders who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Shareholders holding shares in dematerialized form are requested to submit the said details to their Depository Participant(s) and the Shareholders holding shares in physical form, are requested to submit the said details to the Company or RTA
20. Members of the Company, holding shares either in physical form or electronic form, as on the cut-off date of Wednesday, September 01, 2021, may cast their vote by remote e-Voting. The remote e-Voting period commences on Saturday, September 04, 2021 at 9 a.m. (IST) and ends on Tuesday, September 07, 2021 at 5 p.m. (IST). The remote e-Voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Saturday, September 04, 2021 at 9 a.m. (IST) and ends on Tuesday, September 07, 2021 at 5 p.m. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, September 01, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Annexure V**MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT****GLOBAL OUTLOOK**

The COVID-19 pandemic has inflicted high and rising human costs worldwide, and the necessary protection measures have got severely impacted economic activity. The digital revolution continues to rapidly transform manufacturing space across the world. The outbreak of the global pandemic will exacerbate this trend and only the most resilient will come out alive on the other side. It is now about embracing the new reality and putting to fore one's ability to cater to the world that is not the same anymore.

The combination of aggressive policy actions and evolution of medical response to deal with pandemic resulted in spectacular rebound in global economy and risk assets. IMF now expects global contraction in 2020 at -3.3%, compared to April 2020 forecasts of -5.2% contraction. With progress in vaccinations across the world and significant part of stimulus persisting, the outlook of global economy in 2021 is quite bright with IMF forecasting fastest growth in 50 years, aided by favorable base.

INDIA

In India also we had a similar story with economy and markets being guided by the evolution of pandemic and government's response to the same. Early in the pandemic India's response was of a very strict nationwide lockdown beginning mid-March. This resulted in sharp collapse in economic growth, Indian currency, equity markets and bond yields. Growth in 1Q FY21 turned out to lowest on record contracting of GVA, industrial growth and service sector. Agriculture was the only segment which posted good growth throughout the year with negligible impact of pandemic.

Growth rebounded sharply in the following three quarters of the year as lockdown restrictions were gradually eased and strong pent-up demand was unleashed in 2Q and 3Q. The impact of pandemic in FY21 finally turned out to be more benign than earlier expectations. Both Central government and RBI responded to the pandemic with a series of measures. RBI unleashed aggressive monetary easing, unprecedented liquidity injection and few forbearance measures to reduce the impact of pandemic. Government came out with a series of measure to support the vulnerable sections of society as well as credit guarantee schemes for MSMEs and for specified sectors. It also came out with some ambitious structural and supply side reforms including ambitious farm sectors reforms and PLI scheme to boost medium term growth.

The beginning of FY22 saw the strong second wave of Covid pandemic. Second wave has turned out to be much stronger than the first wave. However, in place of a national lockdown in first wave, lockdown and other social distancing response are being taken by State Governments in this wave. Growth estimates are once again getting slashed however, we expect a much lower impact in industry this time given that most of the manufacturing has been untouched by lockdown restrictions, unlike in 2020 when lockdown restrictions had a serious negative impact on industrial growth. However lower demand, generally weak sentiments, and logistical hiccups will have some negative impact on industrial growth. On the positive side, global growth is likely to be the strongest in 50 years which is positive for industrial exports. Evolution of pandemic and pace/efficacy of vaccination will be the key determinant of the economy for the second year in succession.

COMPANY OUTLOOK AND PERFORMANCE

The year under review was the toughest in the history of the Company. It started with an extreme negative outlook. The Company had to keep operations of its plant closed for most part of the month of April 2020 and could begin its operations in a gradual manner from the last week of April 2020 onwards, in compliance with the guidelines issued by respective authorities and is continuing to take adequate precautions for safety and wellbeing of its employees at all levels.

Intermittent lock downs in the month of July, 2020 adversely affected the demand in several product segments. The severity of the intermittent lockdown started to reduce from August 2020 onwards. In the last 10 days, just before the closing of the year 20-21, the business has again witnessed tough situation as Covid – 19 second wave started affecting the general public with alarming speed. Most parts of the country again witnessed severe lockdowns impacting business conditions adversely. All the authorities are putting their best efforts to fight the Covid -19 and it looks that business conditions may start resuming normalcy from October 2021 onwards.

The year also witnessed volatility in crude oil prices resulting in increased and volatile input prices. However, I am happy to inform you that your Company has come out with unparalleled performance in the year 2020-21 where the profit of the Company was the highest in its 18 years of operations. This was partly supported by inventory gain on account of raw material price increase which accrued to its operations for the year. The company planned to procure raw material in bulk which was otherwise in shortage due to industry setback. This resulted in a profitable positioning of the company in terms of gross margin which improved because of lower cost of procurement and higher sales price due to market trend. This was the major contributor to its profits for the year under review.

OPPORTUNITIES AND THREATS

Over the years we have developed good standing with our customers from various industries to whom we have supplied speciality products. We have dedicated industry based marketing managers who market our products to the specific industry which has been allocated.

We have a dedicated in-house Research & Development and Quality Assurance/Quality Control Team which undertakes rigorous testing and quality management. Our dedicated R&D team tests the raw materials procured and the products manufactured. The R&D team is instrumental in maintaining the high quality of our products.

Our revenue and our business operations have grown in recent years. Although we plan to continue to expand our scale of operations, we may face number of threats to sustain these rates of growth in future periods due to a number of factors, including, among others, our execution capability, our ability to maintain customer satisfaction, macroeconomic factors beyond our control such as decline in global economic conditions, competition within India's speciality plastic industry from players in the organized and unorganized segments, the greater difficulty of growing at sustained rates from a larger revenue base, our inability to control our expenses and the availability of resources for our growth. There can be no assurance that we will not suffer from capital constraints, operational difficulties or difficulties in expanding existing business operations.

Our development and expansion strategies will require substantial managerial efforts and skills and the incurrance of additional expenditures and may subject us to new or increased risks. We may face threat to efficiently or effectively implement our growth strategies or manage the growth of our operations, and any failure to do so may limit future growth and have an adverse effect on our business.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

Our results of operations depend on the continued existence, success and growth of, and demand for our various product. Developments in the global and Indian economy influence the decisions of enterprises to determine their pricing strategy, market based factors and quality standards thereby affecting the demand for our products and services.

We earn our revenue from manufacturing and supplying of premium quality ABS Granules, H.I.P.S., A.B.S, P.E.T Sheets and various other Sheets. Since we continuously endeavour to provide quality products to our customers, our revenues have been impacted by such quality products. We have a marketing team allocated for the same, each handled by well trained personnel. We aim at increasing in operational output through

continuous process improvement, Quality Assurance (QA) and QA activities, customer service, consistent quality and technology development. Our revenues have a mix of domestic and export sales; so consequently, our operating results depend on general economic conditions not only in India but also our export market. With no entry barriers in the industry, the area for exposure and exploitation of the opportunities provides benefits in terms of expansion and revenue to the company.

With the global economy showing varied patterns, Indian economy showing signs of recovery and the Indian Government's focus on financial inclusion, we expect the demand for our products and services to grow.

RISKS AND CONCERNS

Risk management at the Company is an integral part of the business model, focusing on making the business model emerge stronger and ensuring that profitable business growth becomes sustainable. The Company has adopted a comprehensive and integrated risk appraisal, mitigation and management process. The risk management framework goes beyond traditional boundaries and seeks to involve all key managers of the Company. The risk mitigation measures of the Company are placed before the Board periodically for review and improvement.

The company is focused to increase its export business substantially as the global reputation of China plunges in the wake of Coronavirus. India's industry still suffers competitively because its much smaller than China's plastic sector. China has three to 20 times more production of most types of polymers than India, even though their populations are relatively equal. But the rising costs and economic challenges of China are an opportunity. In addition, the Indian government plans to spend \$1 trillion dollars on infrastructure by 2021, the market for electronics goods will grow by 700 percent and country's manufacturing sector will likely jump from the world's 12th largest now to number seven by 2025. With India's population similar to China but polymer demand at only one-fifth of China, the Indian subcontinent's plastics industry has a good potential for growth. Strongly emerging segment of population having disposable income is raising living standards and increasing consumption of a wide range of consumer goods from packaged foods to automobiles. Investment in infrastructure and agriculture is also further fuelling the demand of plastics and related products in the region.

The company thus remains overall optimistic in the segment.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The internal control mechanism of the Company is well documented. It is a common practice in the Company to lay down well thought out business plans for each year. From the annual business plan, detailed budgets for revenue and the capital for each quarter is determined. The actual performance is reviewed in comparison with the budget and deviations, if any, are addressed adequately. The Company also has an internal audit system commensurate to the size and volume of the business. The internal audit program covers all the functions and activities of the Company. The Audit Committee of the Board of directors meets every quarter to review the reports of the Internal and Statutory Audit and to verify all financial statements, ensuring compliance.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The Directors confirm that there have been no events or circumstances since the date of the last financial statements which materially or adversely affect or are likely to affect the profitability of our Company, or the value of our assets, or our ability to pay liabilities within next twelve months except as below:

The company achieved Net revenues for the year 2020-21 at Rs. 52.14 crores as against Rs. 63.14 crores during the previous year.

The company has sold 4,240 tonnes of plastic sheets and rolls and 819.34 tonnes of plastic granules as against 5,867 tonnes and 930 tonnes respectively in previous year, reflecting a de-growth of 26% in product turnover by volume.

The Profits before interest, depreciation, exceptional items and taxes during the year under review have been at Rs. 5.76 crores as against 4.01 crores in previous year. Net Profit, after setting aside aggregate Tax provisions of Rs. 1.37 crore (previous year Rs. 0.87 crores) stood at Rs. 3.51 Crores in 2020-21 as against Rs. 2.29 crores in 2019-20.

The Board of directors had earlier recommended and the Company had paid an interim dividend during the year @10% i.e. Re.1/- per share. The same will be considered as final dividend. Total dividend payout for 2020-21 amounts to Rs.19.22 lacs

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company believes that its intellectual capital represents its most valuable asset. The Company's knowledge enhancement focus has helped create an organisation which is recognised as a 'centre of learning and excellence'. The Company has consistently worked on not only increasing its workforce but ensuring that its people competencies are enhanced in line with changing business needs. As a result, the Company enjoys the support of a committed and well satisfied human capital. Compensation packages offered by the Company, best-of-class methods in recruitment, training, motivation, and performance appraisal, attract and retain the best talents. Thus, there are 35 employees in our Company as on March 31, 2021.

Details of Significant Changes in key financial ratios, along with detailed explanations therefor, including:

INDEPENDENT AUDITOR'S REPORT

To the Members of **G M Polyplast Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **G M Polyplast Limited** ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no reportable Key Audit Matters during the period under audit.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged With Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act,. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If

we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (b) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (c) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (d) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (f) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigation which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**“Annexure B” to the Independent Auditor’s Report of even date on the
Financial Statements of G M Polyplast Limited**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of G M Polyplast Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**G M POLYPLAST LIMITED (FORMERLY G M POLYPLAST PRIVATE LIMITED)
NOTES FORMING PART OF THE FINANCIAL STATEMENTS**

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES**1. BASIS OF PRESENTATION**

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under Sec.133 of the Companies Act, 2013 ("the act") read with Rule 7 of the Companies (Accounts) Rules 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

2. REVENUE RECOGNITION**Sale of goods**

Revenue is recognised in respect of supplies as and when supplies are completed.
Sales are recognised net of discounts & taxes.

Export Incentives

Revenue in respect of export incentives such as drawback & rebate is recognised on export of goods and when it is probable that the economic benefits will flow to the company.

Dividends

Revenue is recognised when the shareholders' right to receive payment is established

Interest

Interest is recognised on accrual basis

3. PROPERTY, PLANT AND EQUIPMENT

- (a) Property, Plant and Equipment are stated at cost
- (b) Expenditure relating to existing property, plant and equipment is added to the cost of the assets where it increases the performance/life of the assets as assessed earlier
- (c) An item of property, plant and equipment is eliminated from financial statements, either on disposal or when retired from active use.
- (d) Expenses during construction period are allocated to respective item of property, plant and equipment on completion of construction

4. INVESTMENTS

Long Term investments are valued at cost.

5. INVENTORY VALUATION

- (a) Raw materials and stores are valued at weighted average cost after providing for obsolescence
- (b) Work-in-Progress relating to manufacturing activity is valued at cost.

6. DEPRECIATION

Depreciation on tangible assets is provided on written down value method over the useful lives of assets which is as stated in Schedule II of the Companies Act, 2013. Depreciation for assets purchased/ sold during a period is proportionately charged

7. BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use.

8. EARNINGS PER SHARE

The earnings considered in ascertaining the company's EPS comprises the net profit after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

9. FOREIGN CURRENCY CONVERSION

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction. Foreign currency monetary items are reported using the closing rate.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements are recognised as income or expense in the year in which they arise.

10. PROVISIONS

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on management estimate required to settle the obligation at the balance sheet date.

11. TAXES ON INCOME

Tax expense comprises of current tax & deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred tax assets and liabilities are recognised for future tax consequences attributable to timing differences between taxable income & accounting income that are capable of reversal in one or more subsequent years and are measured using relevant enacted tax rates.

12. CASH FLOW STATEMENT

Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

13. RETIREMENT BENEFIT COSTS

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Both the employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the salary of covered employee. The contribution is paid to government administered fund.

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Actuarial Assumptions	2020-21	2019-20
Discount Rate	6.85% p.a	6.85% p.a
Rate of escalation in salary	7% p.a	7% p.a

The company does not have a leave encashment policy.
