COVID -19

The Pandemic of COVID-19 started in the month of March 2020 in India. The Government declared lockdown which was extended from time to time with partial openings in some areas. The lifeline of Mumbai is still not available to the public at large. Like other companies your company also gave the facility of work from home to our employees. The first wave was not fully in control till that time second wave started from March 2021 with full swing. The second wave was stronger than first one and wide spreading. The Company is taking maximum care that the employees remain safe.

The Company has also had its own share of struggle and difficulties because of the pandemic. In fact, the Company has lost its Ex-Director and a long time associate Mr. Shailesh Dhimantlal Shah, fondly known as Shailesh Bhai to the pandemic in December, 2020. He has been associated with the Company for more than two decades and has immensely contributed to its growth and success. The Board and the Company recognizes his hard work, dedication and great contribution to the Company. We pray to God that his Soul be blessed with abundance of peace.

MANAGEMENT OUTLOOK FOR THE YEAR 2021-22

As mentioned elsewhere in this report, the looming threat of a possible third wave of pandemic cast a cloud of doubts in the acceleration of growth of the economy. However, the resolute of the Government with respect to complete vaccination of the eligible people and the lessons taught with the first two waves of the pandemic, the Company is confident of sailing through any sort of rough weather in the future. The economy is already in the mode of bouncing back and with many

EXPO GAS CONTAINERS LTD

projects in the oil & gas sector in pipeline, we are hopeful of good recovery and growth in the current year. The company is expect to touch a figure of Rs. 60 Crores for the upcoming year.

FUTURE OUTLOOK

The pandemic continued to cast its shadow during the year under review and this did affect the pace of growth to some extent. However, inspite of many hurdles, the Company managed to post a sales turnover of Rs. 4817 Lacs during the year ended March, 2021.

Looking ahead, 2021 oil demand is expected to recover strongly but remain lower than it was at pre-COVID-19 levels.

We see many positive sides

- The rapid pace of vaccination and low death rates despite high infection.
- Strong growth in private investment, and its rebound stimulated by reforms and schemes.
- Pent-up demand backed by savings made by high- and mid-income consumers who are waiting to spend.
- Fiscal spending on building assets and infrastructure (that have a high multiplier effect on income, jobs, and private investments) that already started gaining momentum on the ground.
- Global economic rebound in late 2021, especially driven by the United States, as predicted by US economists.

The Government and Public Sector Oil Companies have initiated many infrastructure development and capacity addition initiatives.

There are many projects in the Tendering Stage such as

- IOCL's Barauni Napthta Hydrotreating Unit (NHT) plus New Isomertization (ISOM) and Allied Facilities for Brauni Refinery capacity expansion to 9.0 MMTPA;
- Crude Distillation Unit (CDU)/ Vaccum Distillation Unit (VDU) for Numaligarh Refinery Expansion Project;
- EPCC-02 package comprising of Diesel Hydrotreater Unit (DHT) for Numaligarh Refinery Expansion Project;
- EPCC-02 package for Paraxylylene(Px) Plant project at IOCL, Paradeep Refinery;
- New Vaccum Distillation Unit (VDU), Catalytic De-waxing Unit (CWDU) (EPCC-04 package) for Petrochemical & Lube Integration Project "Lupech" (J-18) at IOCL Gujarat Refinery.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The Indian Economy

After having battled one of the biggest recessions it faced in recent memory, there was some cheer for India's economy that recorded a positive—albeit marginal—growth. Till recently, economic activity seemed to be gathering momentum at a sustainable pace with people demonstrating greater confidence in stepping out and spending. The vaccination drive has made good progress too.

Of course, the imminent threat of third wave of pandemic and threat of new variants cast a cloud of doubts. Mobility restrictions that hurt the economy the most, are being lifted in a calibrated manner by the States. While it is easy to lose hope in tough times, similar experiences around the world provide some comfort. Much the same way the United States witnessed a sharp increase in infection rates during the second wave (starting November) yet experienced economic impact that was relatively low compared to the first wave, it is documented fact that impact on Indian economy was relatively less than the first wave, during the second wave (starting April, 2021).

We are cautiously optimistic and expect growth to touch 11.7% in FY 2022. Growth in FY 2022 will likely be a story of two halves, with economic activity picking up rapidly in the second half. While we expect a strong revival in the years ahead, it might be naïve to not accept the scars the pandemic may leave behind on the economy.

Industry Structure and Development:

After slumping to an eight-year low in 2020, global oil demand is expected to rebound by 5.5 million b/d in 2021, according to S&P Global Platts Analytics. Despite fears over growing COVID-19 infections in parts of Asia and the risk of new variants thwarting progress on vaccinations, the recovery could bring oil demand close to pre-COVID-19 levels by year-end.

Oil and gas sector is among the eight core industries in India and plays a major role in influencing decision making for all the other important sections of the economy.

India's economic growth is closely related to its energy demand, therefore, the need for oil and gas is projected to grow more, thereby making the sector quite conducive for investment.

The Government has adopted several policies to fulfill the increasing demand. It has allowed 100% Foreign Direct Investment (FDI) in many segments of the sector, including natural gas, petroleum products and refineries among others. Today, it attracts both domestic and foreign investment as attested by the presence of Reliance Industries Ltd (RIL) and Cairn India.

According to IEA (India Energy Outlook 2021), primary energy demand is expected to nearly double to 1,123 million tonnes of oil equivalent, as the country's gross domestic product (GDP) is expected to increase to USD 8.6 trillion by 2040.

Market Size

India is expected to be one of the largest contributors to non-OECD petroleum consumption growth globally. Crude Oil import rose sharply to US\$ 101.4 billion in 2019-20 from US\$ 70.72 billion in 2016-17.

As of May 01, 2021, the sector's total installed provisional refinery capacity stood at 249.9 MMT; and IOC emerged as the largest domestic refiner, with a capacity of 69.7 MMT.

As of December 01, 2020, India's oil refining capacity stood at 259.3 million metric tonnes (MMT), making it the second-largest refiner in Asia. Private companies own about 35.29% of the total refining capacity in FY20.

In FY20, crude oil production in India stood at 32.2 MMT. In April 2021, the crude oil production stood at 2.5 MMT, while for FY21 it was 30.5 MMT. In FY20, crude oil import increased to 4.54 mbpd from 4.53 mbpd in FY19. Natural Gas consumption is forecast to reach 143.08 million tonnes (MT) by 2040. India's LNG import stood at 33.68 bcm during FY20.

India's consumption of petroleum products grew 4.5% to 213.69 MMT during FY20 from 213.22 MMT in FY19. The total value of petroleum products exported from the country increased to US\$ 35.8 billion in FY20 from US\$ 34.9 billion in FY19. Export of petroleum products from India increased from 60.54 MMT in FY16 to 65.7 MMT in FY20.

Exports of petroleum products from India reached 55.9 MMT in FY21 from 60.5 MMT in FY16.

As of December 31, 2020, Gas Authority of India Ltd. (GAIL) had the largest share (69.39% or 11,884 kms) of the country's natural gas pipeline network (17,126 kms).

Investments

According to the data released by Department for Promotion of Industry and Internal Trade Policy (DPIIT), the petroleum and natural gas sector attracted FDI worth US\$ 7.91 billion between April 2000 and December 2020.

Following are some of the major investments and developments in the oil and gas sector:

- According to government data, India's natural gas production increased by 22.7% YoY in April 2021, as Reliance Industries Ltd. and its partner, BP plc, increased production in the KG-D6 block on the east coast.
- In February 2021, Petronet LNG announced its plans to increase in its Dahej terminal's capacity by 29% to 22.5 million tonnes per annum (mtpa) to meet the rising demand.
- Key Indian oil retailers such as Bharat Petroleum and Hindustan Petroleum have announced plans to increase the capacity of their outlets in rural areas in 2021.
- In February 2021, the government launched key oil & gas projects in Assam, such as INDMAX Unit at Indian Oil's Bongaigaon Refinery, Oil India Limited's secondary tank farm

EXPO GAS CONTAINERS LTD

at Madhuban, Dibrugarh and a 'Gas Compressor Station' at Hebeda Village, Makum and Tinsukia remotely from Dhemaji in Assam.

- In February 2021, the government launched key oil and gas projects such as the Ramanathapuram – Thoothukudi natural gas pipeline and Gasoline Desulphurisation Unit at Chennai Petroleum Corporation Limited, Manali.
- In February 2021, IndianOil Corp. Ltd. signed a 'statement of intent' with Greenstat Hydrogen India Pvt. Ltd. to establish a centre of excellence for Hydrogen value chain and other related technologies such as hydrogen storage, fuel cells, etc.
- Foreign investors will have opportunities to invest in projects worth US\$ 300 billion in India as the country looks to cut reliance on oil import by 10% by 2022 according to Mr. Dharmendra Pradhan, Minister of Petroleum and Natural Gas, Government of India.

Threats:

The global economy and capital markets have rebounded faster than expected in the third quarter of 2020 and first quarter of 2021. However, the pace of recovery in the coming months remains highly uncertain as the imminent threat of third wave of pandemic and threat of new variants may trigger another round of shutdowns and restrictions. Any further normalization of economic activity largely depends on how the pandemic evolves during the winter and, most importantly, pace of COVID-19 vaccination. Even when the virus is controlled, economies are expected to continue dealing with the adverse impact of deteriorated fiscal balances and the effect of muted business investment on the labor market and consumer spending in 2021.

Although the oil and gas sector is used to the highs and lows of economic and price cycles, this downturn seems unlike any other. In fact, it's the "great compression" of the O&G industry. With the survival of many companies at risk, and the longer-term decline in petroleum demand, the next decade could look very different for the entire O&G value chain. 2021 will either be a leapfrog year or a test of endurance for many.

The country is experiencing a lopsided economic recovery with some sectors performing better than others. However, the scars of the pandemic are deep, and the economy is likely to witness stress even if there is a V-shaped recovery.

The recent developments on account of US troop withdrawal from Afghanistan have met with uncertainties and questions about the fate of Afghanistan. Though India does not share direct borders with Afghanistan, these developments can create political instability, surge in international and regional terrorism.

Material Developments in Human Resources/ Industrial Relations:

The management has focused on improving its quality systems by bringing in specialized human resources and strengthening its quality department. In order to sustain the rate of growth it has achieved in the last 2 years specific emphasis has also been levied on the marketing set up for the Indian market as well as opportunities in the export markets. In a growing economy, there is always demand for more skilled and able workforce. The ability to recruit and retain talent is a challenge for managements of all growing companies. Your management is aware of the same and taking necessary

INDEPENDENT AUDITORS' REPORT

To
The Members,
Expo Gas Containers Limited

Opinion

We have audited the accompanying Ind AS financial statements of **EXPO GAS CONTAINERS LTD (“the Company”)** which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The other information comprises the information included in the Annual Report, but does not include the Ind AS financial statements and our auditor’s report thereon. The Company's Board of Directors is responsible for the other information.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

EXPO GAS CONTAINERS LTD

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

EXPO GAS CONTAINERS LTD

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2021.

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
 - (c) The title deeds of immovable properties are held in the name of the company.
- 2) The management has conducted the physical verification of inventory at reasonable intervals. The discrepancies noticed on physical verification of the inventory as compared to books records which has been properly dealt with in the books of account were not material.
- 3) The Company has not granted any loans, secured or unsecured loans to Companies, firms and other parties covered under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3 (iii) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues such as Income-Tax, Sales tax, etc with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2021 for a period of more than six months from the date on when they become payable.
 - b) According to the information and explanation given to us, there are dues of income tax, sales tax, etc outstanding on account of any dispute. The details are as follows:–

EXPO GAS CONTAINERS LTD

Particulars	Forum where the dispute is pending	Financial Year to which the amount relates	Total (Rs in lacs)
Income Tax	Assistant Commissioner of Income Tax	2010-11	34.40
	Commissioner of Income Tax (Appeals)	2011-12, 2012-13	235.17

- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not issued any debentures.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- 11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- 12) In our opinion and according to the information given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) Based upon the audit procedures performed and the information and explanations given by the management, during the year the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3(xiv) of the Order is not applicable to the Company.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

“Annexure 2” to the Auditors’ Report

Referred to in paragraph 2(f) under the heading 'Report on other legal and regulatory requirements' of our report of even date to the financial statements of the Company for the year ended March 31, 2021.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Expo Gas Containers Ltd (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

EXPO GAS CONTAINERS LTD

SIGNIFICANT ACCOUNTING POLICIES

1) **BACKGROUND**

The Company is a public limited company, incorporated in 1982 under the Companies Act, 1956, having its registered office in Mumbai and is listed on Bombay Stock Exchange. The Company is engaged in manufacturing of Pressure Vessels, Columns & Towers, etc and is also involved in site engineering projects.

2) **SIGNIFICANT ACCOUNTING POLICIES**

1.1 **Basis of preparation of financial statements: -**

The financial statements are prepared under the historical cost convention on accrual basis of accounting and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions thereof.

For all periods up to and including the year ended 31 March 2021, the Company has prepared its Financial Statements in accordance with Accounting Standards notified under the Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP'). Detailed explanation of how the transition from Previous GAAP to Ind-AS has affected the Company's Balance Sheet, financial performance and cash flows is given in notes.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of the accounting

1.2 **Use of estimates:**

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets, liabilities, income and expenses and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise. Estimates and underlying assumptions are reviewed on an ongoing basis.

1.3 **Revenue Recognitions:**

- A) Revenue from sale of goods in the ordinary course of business is recognised when the property in the goods or all significant risk and reward of their ownership are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. The amount recognised as revenue are inclusive of excise duties and sales tax.
- B) Sales include billing of Project work on the basis of stipulations specified in each contract. Thus the company does not follow IND AS 108 as laid down by Institute of Chartered Accountant of India.
- C) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

EXPO GAS CONTAINERS LTD

1.3 Retirement Benefits:-

- A) Retirement benefit in the form of provident fund are accounted on accrual basis.
- B) The Company has accounted gratuity & leave encashment liability on cash basis.

1.4 Depreciation:-

- A) Depreciation on Fixed assets has been provided on Straight Line Method (SLM) based on the useful life and in the

Asset Class	Years
Factory Shed	25
Furniture & Fixtures	10
Vehicles	10
Spares, Tools & Dies	25
Plant & Machinery	25
Electrical Installation	25
Office Equipment	25
Computers	3

1.5 Fixed Assets:-

All Fixed assets are stated at cost of acquisition less accumulated depreciation. Costs include all expenses incurred to bring the asset to its present location and condition. On transition to Ind AS, the Company has elected to continue with value of all of its fixed asset as at 1st April, 2017.

1.6 Inventories:-

Stores and components	-	At cost
Raw material	-	At cost
Work in Progress	-	At Estimated cost.
Scrap	-	At realizable value.

1.7 Deferred Sales Tax:-

The Company values its obligation for deferred sales tax on net present value basis.

1.8 Income Tax:-

The Current year has been determined on the basis of Minimum Alternate Tax (MAT) liability under section 115 JB of the Income Tax Act, 1961 & as per normal provisions of Income Tax Act whichever is higher.

Deferred Tax reflect the current period timing differences between taxable income and accounting for the period and reversal of timing differences of earlier period. Deferred Tax Assets are recognized only to the extent that there is certainty that sufficient future income will be available to realize the same. If deferred tax assets becomes uncertain to realize after recognising it is the Company's policy to reduce the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

EXPO GAS CONTAINERS LTD

1.9 Impairment of Assets

In accordance with IND AS 36 on 'Impairment of Assets', where there is an indication of impairment of the Company's assets related to cash generating units, the carrying amounts of such assets related to cash generating units, the carrying amounts of such assets are reviewed at each Balance Sheet date to determine whether there is any impairment. The recoverable amount of such assets is estimated as the higher of its net selling price and its value in use. An impairment loss is realizable whenever the carrying amount of such assets exceeds its recoverable amount. Impairment loss is recognized in Profit & Loss account, if at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization/depreciation) had no impairment loss been recognized.

2 Earnings per share

In determining the earning per share, the company considers the net profit after tax and post tax effect of any extra ordinary/exceptional item is shown separately. The number of shares considered in computing basic earning per share is the weighted average number of shares outstanding during the year.

2.1 Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A disclosure for a Contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote no provision or disclosure is made. A contingent asset is neither recognised nor disclosed in the financial statements.

2.2 Investments

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value.

2.3 Lease

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such a lease is capitalised at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight-line basis.

EXPO GAS CONTAINERS LTD

2.4 Intangible Assets

The company does not have any intangible asset.

2.5 Foreign Exchange Transactionns

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction.
