AT A GLANCE

Leaders achieve greatness, because they persist on the path to success, no matter how tough the odds. Emerging from the challenging business environment of last year, we have realigned our growth journey this year, ascending to new levels of achievement, inspiration and impact.

In spite of the challenging business environment and structural reforms, your Company delivered strong double digit growth performance as committed during this financial year. Our various initiatives have made us more agile, customer centric and responsive to the diverse and rapidly evolving marketplace. Accelerating the growth momentum of previous fiscal 2017-18, we have attained both topline growth and margin improvement.

In the year under review, our business turnover on comparable basis, grew by 19.97% driven by volume growth of 17.09% (50,049 vehicles in FY 2019 against 42,744 vehicles in FY 2018). And despite the uphill circumstances, profit after tax grew by 15% to Rs. 53.12 crores and a strong track record of cash generation was also sustained.

The Company also made a sizeable progress in international market with an increase of export sales from 3,411 vehicles to 5,536. We foresee that efforts seeded are in the right direction and it as an important contribution for

the future growth of the Company

As a forward looking company we are planning for the future today and continue to differentiate ourselves from others with our strong R&D tradition and foundations. With strong R&D support, the company has upgraded its manufacturing set up and made the required strategic tie-ups to firmly move towards transforming the product compliance with BS VI norms. The introduction of Green 3Wheeler last year was the beginning of a new era for the industry as well as for us. We have accelerated to innovate and invest behind these emerging categories with excellent results and believe that the electric vehicles are the future of automobile sector.

During FY 2019, the Company could enter in newer locations like Ethiopia, Cambodia, Myanmar, Bolivia, Somalia etc. with increasing its sales in existing markets like Nepal, Ecuador, Mexico, Iraq etc.

A Padmanabhan
Mentor

Dear Shareholders,

Atul is on an accelerated growth path. Your company crossed new milestones, accelerated across international shores, marched towards a greener future and built the base to leapfrog into a new future of growth.

I am glad to report that 2019 has been a breakthrough year for Atul. We remained steadfast in our commitment to create value for customers and investors through innovative thinking, long-term strategies and planned tactical moves.

For the very first time, the Company crossed the sales figure of 50,000 units by selling 50,049 vehicles in FY 2018-19. On the financial metrics we achieved our highest ever turnover of Rs.661.35 Cr, while Net Profit increased by 15% to Rs.53.12 cr (Previous Year Rs.46.19 Cr).

New Milestones across Shores

For the past several years, we have been working hard to create a strong, competitive business edge around the world. Penetrating further with planned strategies, we have now expanded our market reach across 20+ Countries and are expanding our reach even further.

Our export sales received a boost from 3411 Units last year to 5536 Units in FY 2018-19. During the year, 9.68% of our revenues were derived from our exports. Further strengthening and accelerating this strong growth across international markets will remain a strong focus at Atul in the coming years.

Ready For the Future

Even as it is challenging for the whole automobile industry, we look at compliance to BS VI emission norms as an immense opportunity to innovate. We are in the process of being prepared for these challenges that will enable us to move up in the 3-wheeler technology world.

That is why we look at our strategic and continued investment in innovative technology as a key driver for our improved competitive position. Our technical team is adequately equipped and has set out a clear roadmap to meet the BS VI emission standards, which go in to effect from April 01, 2020.

An Electrifying Journey

The future belongs to the Electric Vehicle. Even as the Government is taking firm steps towards transition from conventional to electric vehicle, we are already ahead of the curve through our 'E-vehicle' platform. Towards this we have already designed the "Elite" range of electric vehicles to meet the needs of the passenger as well as cargo segments.

This is the result of our strong and ever expanding investment in Research & Development that is aimed at creating breakthroughs.

Besides being well positioned in the race for this future of mobility, we are also augmenting technology to ensure there would be no compromise on performance or drivability. Besides having a low operating cost and being pollution free, our new models will have further upgraded features and will be powered with Lithium-ion Battery.

Green Field Project Expansion

As the future approaches, we are scaling up our capacity and optimizing production to be ready for any new challenges. Our new chapter in growth is taking shape in the form of our green field plant, which is under construction at Bhayla, Ahmedabad.

To be ready by the beginning of FY 2020-21, this plant will expand our Capacity to 1,20,000 Units. This plant will add a big boost to our capabilities and empower us to take bolder leaps into the future.

Vote of thanks

The Atul Family is a proud group of people who work tirelessly day in day out to ensure that we all win together. Each one of us has played a pivotal role in making every success possible. The contribution of every team member is highly valued and commendable.

On behalf of my colleagues and every one at Atul, I would like to express my special thanks to my Retiring Directors Mr. Hakubhai Lalakiya, Mr. Hasmukhbhai Adhvaryoo, Mr. Hemantkumar Bhatt for their valuable contribution as Independent Directors. I also take this opportunity to welcome Ms. Aarti Juneja, Mr. Mohanjit Singh Walia and Mr. Jaichander Swaminathan as the new Independent Directors of the Atul team.

We have set our sights high and aim to lead with greater innovation and stronger financial performance. Fully committed and brimming with confidence, I am sure that together we will accelerate into the future together as a team and conquer any terrain in any market.

PERCEPTION

***INSIGHT &
FORESIGHT***

KEY FOCUS AREAS

Intellect is an act of dissecting a 'thing' and making is better. But having insight is an art that makes sense of how that 'thing' can help fulfill needs of people and the need of the times.

The very foundation and core philosophy of Atul is a deep insight into the needs of people. Back in the 1970's, when transportation was a problem in rural areas, one man had the insight to create a vehicle that became a way of life for the people of Saurashtra – the iconic 'chhakada'.

Today 4 decades later, this philosophy of insight and perception has led us to become a torchbearer of new age 3-wheelers. We are emerging with new vibrancy and energy as a powerful company with vehicles across the entire fuel range – Petrol, Diesel, CNG, LPG and Electric.

Our insight is leading us to be future ready, both on a manufacturing and operational front. Our state-of-the-art plant will be developed over 55+ acres land, will have a 1.20 Lacs units per annum production capacity in phased manner and is equipped with top-of-the-line technologically advanced facilities.

We are among the fastest growing 3 wheeler companies in India, with a Pan-India presence. The company is also expanding with dealership, sales, services and spare parts network across 20+ countries.

DESIGNED TO BE THE PEOPLE'S CHOICE

KEY FOCUS AREAS

At today's speed of change, creating something new takes more than just thinking out of the box. It takes a transformational shift in approach, a rethink of the status-quo that creates meaningful impact on everyday lives of people. We call that Innovation.

Atul is on a mission of transformation in three-wheeler transportation. Over the last few decades we have defined our success by the level of our innovation fitness.

Towards this we are rethinking technology, product features and fuel platforms to stay ahead of the innovation curve. This means doing deeper R&D to meet customer requirements, customer comfort, safety, mileage, technology upgradation, improving production quality etc.

Our R&D efforts are ensuring that we are ready for the future. After making our vehicles BS IV compliant in FY 2017, we are strategically moving towards compliance with BS VI norms.

***RESEARCH AND
DEVELOPMENT***

As the world and India faces pollution and energy challenges, the need go for greener mobility is more pertinent than ever. This is our opportunity to address unprecedented challenges facing the planet and humanity.

Atul's is a journey of dreamers and doers. This is reflected in our ability to meet challenge of future mobility head on, through the introduction of our 'E-vehicle' platform. Our mission is to build vehicles that deliver great value to customers and deliver zero carbon emissions for a greener India.

KEY FOCUS AREAS

The real purpose of a vehicle is fulfilled when it helps to make the dreams of the end users come true. That means deeply understanding the lives of customers, it means creating products that are agile and flexible to their needs.

Atul vehicles have created a unique niche due to their blend of strength, adaptability, craftsmanship and performance.

The Atul 3 wheeler range has world-class features that have been designed to help customers conquer any terrain and business environment. A powerful engine across the fuel range, sturdy built with wide chassis options, and great mileage ensure that when you own an Atul vehicle, you own the power to shape your destiny.

New products, processes and benefits flow from work done in various area of product development. In fact our vehicles have extreme adaptability in the sense that they can be used for almost any purpose. You can use it as a pick up, mobile shop, mobile catering vehicle, water/chemical/waste carrier, delivery van, passenger carrier, soft drink carrier, vending-on-wheels, dumpster, mobile advertising billboards, etc.

Atul is emerging stronger from the design table and accelerating faster towards a brighter future.

By working closely with 'front line' dealers and consumers, we are receiving valuable first hand feedback that is further inspiring exciting design solutions.

On the service front, we have wide network of consumer centric service centers across India. Each of these service hubs ensure that consumers receive world-class technical support from a team of specialists who are guided by in-depth knowledge in troubleshooting.

KEY FOCUS AREAS

Leadership is all about thinking ahead of the times, and then hastening towards it with focus and purpose. Growth is shaped on the path that pushes boundaries and relentlessly takes ideas to the world.

Guided by the twin yardstick of continuity and change, Atul is charting a growth map on the balance sheet and across the world map. This success today and the strong position we project in the future, comes from a solid foundation of our core ethos.

Our core strengths of quality, durability, reliability and innovation are helping us leap across shores and making a difference to lives across landscapes. Picking up from last year we are continuing our growth momentum with a Profit After Tax of Rs. 53.12 Cr. Over the last few years we have clocked consistently higher than average industry growth.

We occupy leading positions because we have created an environment that encourages, rewards and protects integrity & creativity.

This year we are reaffirming our growth and expansion strategy by consolidating the current markets and expanding to new territories.

Besides being a Pan-India company, we are also exporting to over 20 countries and expanding to newer locations. During FY 2018, we set up base in locations like Nepal, Ecuador, Mexico, Iraq etc. This year we have expanded to Ethiopia, Cambodia, Myanmar, Bolivia, Somalia etc.

Our export volumes have delivered a strong showing, with the number of vehicles exported reaching to 5,536 vehicles in FY 19 as opposed to 3,411 vehicles in FY 18.

Atul continues to cross growth milestones because we believe that every step we take makes a difference to people's lives. As the years roll by we will continue to accelerate ahead with the same passion and perseverance as always and to go bravely into a brighter future.

ECONOMY

High trade tensions and policy uncertainty in many countries continue to damage prospects for global economic growth. Following an expansion at 3.0 percent rate in 2018, world gross product growth is now moderated to 2.7 per cent in 2019 and 2.9 per cent in 2020. Among the emerging markets of the world, India and China are on top and now, they have also faced the slowing down in growth in fiscal 2019.

The first advance estimates of national income released by the Central Statistics Office (CSO) had estimated India's real GDP growth for financial year 2018-19 at 7.2 percent as compared to the growth rate of 6.7 percent in 2017-18. This have been made lowered by the second advance estimates to 7 percent and further lowered to 6.8 percent, slowest in last five years with fourth quarter growth rate of 5.8 percent in provisional estimates of CSO. Amid slowing economic growth and rising

global uncertainty, RBI, for the fourth time in a row, decreased the short-term lending rate (repo rate) by 35 basis points to 5.40 percent. The Monetary Policy Committee of RBI had also decided to change the stance of monetary policy from neutral to accommodative.

Growth in eight core industries decelerated sharply in April 2019, pulled down largely by coal, crude oil, fertilizers and cement. Credit flows from banks to large industries strengthened, though they remained muted for micro, small and medium industries. GDP decline in last quarter was due to temporary factors like stress in NBFC sector affecting consumption finance.

THREE WHEELER INDUSTRY

The Indian automotive industry accounts for 7.1% contribution in country's GDP. The three-wheeler segment is one of the fastest growing industries among auto sector. India has emerged as the largest three-wheeler producing industry with a large domestic market and export base on the back of strong demand from local as well as international markets.

Domestic

The domestic three wheeler sales crossed the mark of 7 Lakhs units in fiscal 2019. The domestic sales grew by 10.27 percent in FY 2018-19 against 24.19 percent last year. The growth is less than half of the previous year.

The performance of three wheeler industry in financial year 2018-19 needs to be reviewed in two parts; the industry was very strong in first half and for next half it turned negative where there was a sudden drop in demand in passenger vehicles on account of various factors whereas it registered small positive growth for cargo three wheelers.

The table below summarizes the growth pattern in two half:

Segment	H1 2019	H1 2018	Growth (%)	H2 2019	H2 2018	Growth (%)	FY 2019	FY 2018	Growth (%)
Passenger	291982	205244	42.3	280410	312179	-10.2	572392	517423	10.6

The factors contributed for the strong growth in first half were positive sentiment, especially in rural parts of the country, good economic growth, an outlook of a normal monsoon, good rainfall in June & July, good MSP increases, availability of affordable finance and a low base from H1 FY 2018.

However in H2 of the fiscal it has marked slowdown in demand was principally a result of muted demand from rural parts, buying cost escalation due to increased insurance cost, tight credit conditions arising from stress in NBFC sector, which has a significant share in wholesale and retail financing; lower Government capital spending; uncertainty over fuel prices and high base effect from H2 FY 2018.

Against this industry trend, Atul sold 44,513 units in domestic market with growth of 13.17 percent in financial year 2018-19 against 7.74 percent in 2017-18. This growth came from around 25 percent increase in sales of passenger vehicles. Apart from its proven and successful range of diesel three wheelers, penetration of Alternate Fuel vehicles in urban part has driven this growth.

International Market

The international market for three wheeler industry showed booming demand. Indian three wheeler industry exported 5,67,689 units in fiscal 2019 by registering growth of 49 percent compared to the last year's sales of 3,81,002 units.

Consistent higher crude prices during the year drove economic growth in many international markets dependent largely on crude export income. Improved foreign exchange availability in Africa further aided the growth of export industry over last year. Latin America, Africa and few countries in Asia are some of the markets where demand improvement was witnessed.

Faster than the industry pace, the Company achieved the growth of 62.30 percent with export of 5536 units in fiscal 2019 in compared to 3411 units last year. This growth has come from surge in demand from Ethiopia, Nepal and few Latin American countries. During the year, the company was able to identify and appoint distributors in few more countries and have introduced its products. By end of FY 19, the penetration is in 20+ different countries.

RESEARCH AND DEVELOPMENT

Our Company continues to derive sustainable benefit from the strong foundation and long tradition of R&D which differentiates it from others. New products, processes and benefits flow from work done in various area of product development and upgradation in existing product/s. With modern facilities and technology culture, we attract the best talent to provide a significant technology differentiation to its products and processes.

Alternate Fuel 3W

The seeding done in Alternate Fuel 3W segment in last few years has been ripping now. The Company has been committed to make constant embellishments in its Gemini Alternate Fuel (Petrol/ CNG/ LPG) 3W to deliver best in class comfort and economy in 0.35 ton passenger segment. During the year company was able to introduce its Alternate fuel 3 wheeler on 0.5 ton segment.

BS VI Compliant Vehicles

From April 01, 2020, India will switch over to BS VI emission norms. The technical team has been geared up with the necessary strength to migrate into new emission norms and confident enough that all models in compliance with BS VI norms will be ready before the deadline.

E-Vehicle

Backed with the rich experience in the three wheeler industry, the Company understands the need of the day, value of environment and importance of sustainability. The Board considers the introduction of Green 3Wheeler as beginning of new era for the industry as well as for the Company. The strong steps have already been taken for the development of electric autos even before the announcement of mandatory transition to electric mobility by Niti Aayog. All together new model with upgraded features is under development powered with Lithium-ion Battery, which will be able to compete conventional 3 wheelers and will carry distinct advantages like low operating cost, less charging time and comfort for passengers.

OPPORTUNITIES AND THREATS

The whole automobile industry has been transforming towards greater safety and greener environment. Considering the importance of automobile industry to the economy, its potential for generating employment opportunities and its backward and forward linkage with several sectors, the Government is keen to support its development.

The Indian Auto industry is set to migrate to BS VI emission norms from April 01, 2020. The industry is gearing up to meet the challenges

involved. The forecast of demand and inventory management at the end of dealer during second half of 2019-20 will be crucial for all players of the industry.

With an objective of improving air quality and reducing the fuel import bill, the Government is actively pursuing the plan for electrification of the vehicle fleet and has announced the FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) policy. The industry is gearing up for meeting this challenge on the technology and product fronts. By developing prudent product in this segment, the Company is set to maximize the benefits from e-mobility era.

The pace with which the business is coming from export market, the Company will grab the opportunities lying in foreign countries by seeding the vehicles and to taste the ripen fruits where the product of the Company has already been established.

RISKS AND CONCERNS

A normal monsoon is important for agriculture as well as the rural economy and sentiment at large. Any negative deviation from normal monsoon is a cause of concern.

Uncertainty of demand due to upcoming emission regulation will be there throughout the year with its high impact will be seen in second half of 2019-20. In order to leapfrog from BS IV to BS VI emission norms in domestic market from April 1, 2020, product readiness, supply chain readiness and dealership readiness will be crucial. The cost involved in meeting BS VI emission for Diesel vehicles is higher than the petrol vehicle. This is likely to put pricing pressure on the Diesel fuelled vehicles with BS VI implementation.

Fiscal 2019 saw a moderate increase in commodity prices. In fiscal 2020, commodity price increases are expected to be benign. Your Company continues to work on mitigating the inflationary impacts through cost re-engineering and value engineering activities.

International factors such as geo-political scenarios and rising crude oil prices are being continuously monitored for both risks and opportunities.

Increasing need for advanced technologies in the vehicles, competitive intensity and ever spiraling customer expectations - calls for increased R&D, closer working with suppliers, shorter product life cycles and rigorous monitoring of costs.

The Company recognizes these risks and has developed action plans to mitigate the risks suitably.

OUTLOOK

Fiscal 2019 was good year for the Company in which the Company has crossed the sales of 50,000 units a year, grown well in international market as well as achieved good numbers in domestic market. SIAM estimates the growth of 3W industry at 7-9 percent in fiscal 2020 considering the various factors related to the auto industry.

The management considers e-mobility, BS VI emission norms and consistency in availability of retail finance from NBFCs as major factors which will drive the market in upcoming years.

The industry will undertake a significant change in migrating from BS IV to BS VI emission norms effecting from April 01, 2020. The unwarranted price war to dump the unsold BS IV inventory may be seen and will be detrimental to all.

Green mobility and target to become energy independent are the major factors for policy push in India. The future of three wheeler industry seems to be dependent on responsiveness of the players to recent announcement by Niti Aayog on transition of all three-wheelers to electric by 2023, reduction in GST on electric vehicle from 12 percent to 5 percent and FAME II Policy.

The early steps towards development e-auto, adaptability to government policies - emission norms, strong rooted dealer network, strong R & D support, availability of foreign exchange in international market and attempts towards making the finance available to the customer will push the growth of the Company.

INTERNAL CONTROL SYSTEMS

Your company maintains adequate internal control system which is continuously evaluated by professional auditors of repute. The company continues to improve the present internal control systems by implementation of appropriate policy and processes. The Company is focused on incorporating the controls and checks in ERP system of SAP.

An increased emphasis has been laid on Internal Control Systems and Vigilance Systems to ensure efficacy and monitoring of the Company's operations.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT")

Item No. 4 to 6:

The Board of Directors, on the recommendation of Nomination and Remuneration Committee, appointed Ms. Aarti J Juneja (DIN: 06872059), Mr. Mohanjit Singh Walia (DIN: 08535435) and Mr. Jaichander Swaminathan (DIN: 08537472) as Additional Independent Directors of the Company with effect from February 09, 2019, August 10, 2019 and August 26, 2019 respectively under Sections 149, 150, 152 of the Companies Act, 2013 and provisions of the Articles of Association of the Company. All three Directors shall hold office upto the date of forthcoming Annual General Meeting and are eligible to be appointed as an Independent Director.

The Company has received notices under Section 160 of the Companies Act, 2013 from shareholders of the Company proposing their candidatures as Independent Directors of the Company. The Company has also received a declaration of independence from the Directors. In the opinion of the Board, all three Directors fulfill the conditions as set out in Section 149(6) and Schedule IV of the Companies Act, 2013 and Listing Regulations, of being eligible for appointment as Independent Director.

They are not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013 and have given their consent to act as a Director. A copy of the draft Letter of Appointment for Independent Directors is available for inspection at the Registered Office of the Company during business hours on any working day.

A brief profile of all three Directors including nature of his expertise and the details required under Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard are provided as annexure to this Notice of AGM.

The remuneration to these Directors in form of sitting fees shall be

governed by the Remuneration Policy of the Company. The Board considers that their association would be of immense benefit to the Company and it is desirable to avail services of these experts as Independent Directors. Accordingly, the Board recommends the resolutions in relation to appointment of Ms. Aarti J Juneja, Mr. Mohanjit Singh Walia and Mr. Jaichander Swaminathan for period of 3 (three) consecutive years for the approval by the members of the Company at item no. 4, 5 and 6 respectively.

Except appointees him/herself, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolutions set out at Item No. 4, 5 and 6 of the Notice.

The Board recommends the passing of the Resolutions as an Ordinary Resolutions.

Item No. 7:

Mr. Hasmukh Adhvaryoo (DIN: 06456067) was reappointed as an Independent Director of the company at 28th Annual General Meeting held on September 16, 2016 for his second term as Independent Director upto August 11, 2019 wherein he has already attained age of seventy five years on the date of reappointment. The said reappointment of Mr. Adhvaryoo was made by passing an Ordinary Resolution with voting of promoter and promoter group by 100%, Public-Institution by 98.24% and Public Non-Institution by 98.75%.

On July 17, 2019, the Company has received the letter from NSE asking for the clarification in respect of compliance of regulation 17 of the Listing Regulations mentioning the reason that "Age of the Non-Executive Director Mr. Hasmukh Adhvaryoo is more than 75 years." On appraising the above facts with the said letter of NSE to Mr. Adhvaryoo, he has voluntarily tendered his resignation with a request to accept it with immediate effect i.e. from July 17, 2019 with a reason that there would not be any further non-compliance with the regulation 17, if it is there.

Consequently, the meeting of Board of Directors of the Company was called and the Board at its meeting held on July 20, 2019 and the Board has accepted the resignation of Mr. Hasmukh Adhvaryoo from Directorship of the Company with effect from July 17, 2019. The Board has also decided to ratify continuance of directorship of Mr. Adhvaryoo for the period from April 01, 2019 to July 17, 2019 by passing special resolution in this AGM.

Considering the rich experience, fine and fit health, long association with the Company, the Board had found it proper to continue the appointment of Mr. Hasmukh Adhvaryoo even if his age was more than seventy five years. Mr. Adhvaryoo fulfills the conditions as set out in Section 149(6) and Schedule IV of the Companies Act, 2013 and Listing Regulations for appointment as Independent Director. He is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013.

It is hereby affirmed that the remuneration paid is as per the Policy for Remuneration of the Directors, Key Managerial Personnel and other Employees.

ANNUAL REPORT ON CSR ACTIVITIES for the financial year ended on March 31, 2019

[Pursuant to section 135 of the Companies Act, 2013 and rule 8(1) of the Companies
(Corporate Social Responsibility Policy) Rules, 2014]

1. A brief outline of the Company's CSR Policy including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR Policy and projects

The guiding principle behind our approach to see Corporate Social Responsibility is "Together We Grow". Through the CSR initiatives, the Company strives to provide equitable opportunities for sustainable growth, thereby aligning with our goal to build Atul Auto into an organization which maximizes Stakeholder Value. The Company engages in activities whereby business further contributes to make a positive and distinguishing impact on the environment, customers, employees, suppliers, and Society at large.

Our CSR Policy focuses on Education, Health, Promotion of National Culture, Environment Sustainability and Eradicating Hunger and Poverty.

Education

In the area of education, the Company continues to focus on providing good infrastructure and equipment of learning whereby creating the platform to grow. The Company aims at making a positive impact on society through educational development directly and through its partners.

Health

With the growing population, sanitation and healthcare have become central to India's development agenda. By directing resources towards access to healthcare and hygiene, we look to support interventions that include Primary Healthcare Support, Free Medical Camps for Rural Communities, Setting up of Rehabilitation Centres, Development of Hospitals, Provision of Mobile Medical Units and Ambulances, providing access to Safe Drinking Water, healthcare support through Localized Medical Camps, etc.

Promotion to Culture/ Art

Arts and culture do not only form our frames of reference, our ways of thinking and our relationships to the past, the present and the future but form also the pivot upon which humankind's development revolves. The

Company contributes to award ceremony which encourages people for promotion of their art and culture.

Environmental Sustainability

Environmental sustainability has now turned into the keys issue for corporate economic growth, environmental management and community development. Ignoring environmental problems can lead to degradation and depletion of natural resources which could prove detrimental to both the corporate sector business and the society. The Company put their attempts to plant more and more tree nearby its vicinity.

Eradicating Hunger and Poverty

India is the fastest growing large economy in the world today. Despite this, one in every five Indians is poor. The first consequence of being poor is hunger. The Company has aim to minimize hunger and poverty at best possible level. The Company's activities include distribution of free meals and other household things to poor people mostly children and women. It also includes support in disaster preparedness and rehabilitation activities like Reconstruction efforts through retrofitting, improvements, shelter construction and distribution of foods, clothes etc.

Measures for the benefit of war widows and their dependents

Given its size, geo-strategic location and potential to grow as a super power economy, India has to protect itself from cross border attacks, terrorism and infiltration. The forces are very much active and supportive in every other adversity be it disaster, floods, earthquakes, cyclones or rescue operations. The Company explores various avenues to support and honor the supreme sacrifice made by the armed forces and their families to the country by caring for the widows and dependents of armed forces.

The Company belongs to the Saurashtra Region of Gujarat State. Saurashtra region comprises eleven districts of the state, Rajkot district is one of them where the Company is situated. The Company gives priority to this Saurashtra Region for CSR Expenditure.

The detailed CSR Policy of the Company can be accessed through web-link: <https://atulauto.co.in/corporate-governance-reports.aspx>.

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Ind AS Standalone financial statements of ATUL AUTO LTD ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss which also includes Other Comprehensive Income and Cash Flow Statement and the statement of changes in Equity for the year ended, and notes to financial statements including summary of significant accounting policies and other explanatory information (hereinafter referred to as 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued

by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2019. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the standalone financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, we have nothing to report in this matter.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation and presentation of these standalone Ind AS financial statement to give a true and fair view of the financial position, financial performance which includes other comprehensive income, statement of cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, ("Ind AS") as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore reported as key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls for financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

We have audited the internal financial control over financial reporting of ATUL AUTO LTD ('the company') as of 31st March, 2019 in conjunction with our audit of the standalone Ind AS financial statement of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting

principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the company in terms of volume & capital expenditure either separate audit division or an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS for the year ended March 31, 2019

Background

Atul Auto Ltd (the company) is a public company domiciled in India, incorporated on 18-06-1986. Its shares are listed on two stock exchanges in India - Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company manufactures and sales Auto Rickshaws in domestic and overseas market.

1 Basis of Preparation

"These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter."

The financial statements are presented in INR, which is also the Company's functional currency and all values are rounded to the nearest lacs (INR 1,00,000), except when otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Summary of Significant Accounting Policies followed by the Company

1.1 System of Accounting

(i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.

(ii) Use of Estimates, Judgments & Assumptions

Estimates, judgments and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about basis of calculation for each affected line item in the financial statement.

- (a) Provision for warranty claims
- (b) Valuation of employee benefits
- (c) Provision for tax expenses
- (d) Provision for expected credit loss
- (e) Provision for after sales activities

1.2 Revenue Recognition

(A) Sales

(i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is presented exclusive of Goods & Services tax. Post the applicability of GST with effect from 1st July 2017, Sales are required to be disclosed net of GST. Accordingly, the Gross sales figures for the year ended March 31, 2019 are not comparable with the previous year ended presented in the statement due to inclusion of excise duty. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

(ii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.

(iii) Export sales are recognised on the date of the shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.

(iv) Sale of Products:

The Company earns revenue primarily from sale of automotive vehicles, parts and accessories.

Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component.

The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations.

The Company's obligation to repair or replace faulty products under standard warranty terms is recognised as a provision. Refer Note 15.

Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the asset, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.

(B) Export Incentives

(i) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.

(C) Other Income

The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

1.3 Property, Plant and Equipment and Depreciation

- (i) Capital work in process, Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and impairment thereon if any. Freehold land is carried at cost of acquisition. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.
- (ii) Costs incurred to manufacture property, plant and equipment and intangible are charged to particular property plant & equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- (iii) Building acquired/constructed which is rented out by the company are categorised as investment property.
- (iv) **Depreciation and Amortisation Methods, Estimated Useful Lives and Residual Value**

On Tangible Assets

- (a) Depreciation is provided on a pro rata basis on the straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.
- (b) Useful life of assets is determined by the Management by internal technical assessments and such useful life is in conformity with Schedule - II of companies act. Depreciation on additions is being provided on pro rata basis from the month of such additions.
- (c) Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.
- (v) **Impairment of Assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units).

1.4 Intangible Assets

Product Development Cost

Product Development Cost incurred on new vehicles platforms, variants on existing platforms and new vehicles aggregates are recognized as intangible assets and are included under fixed assets. These amounts are amortized over sixty months from the commencement of commercial production.

SAP Implementation Charges

Expenses incurred for implementation of SAP are recognized as intangible assets and are included under fixed assets. The amounts are amortized over sixty months from the implementation of SAP.

1.5 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is

classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Depreciation on investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the Management, corresponds to those prescribed in Part 'C' Schedule II of companies act.

1.6 Investments, Financial Assets and Financial Liability

(a) Investment in Associate

Interest in Associate is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(b) Investment in Subsidiary

Interest in Subsidiary is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(c) Other Investments and Financial Assets

(l) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.
- The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value.

Fair Value through Profit or Loss: Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. Investments in mutual funds.

(iii) Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

(iv) Derecognition of Financial Assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

(v) Income Recognition**Dividend**

The company recognises dividend in the statement of profit & loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

Interest Income

Interest income from fixed deposits, corporate guarantee and from dealers deposits are recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(d) Financial Liability**(i) Classification as Debt or Equity**

Debt and equity instruments issued by the Company are classified either as financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

(ii) Initial Recognition and Measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

(iii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Trade and Other Payable

These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as current liabilities if payment is due within one year or less otherwise they are presented as non-current liabilities. Trade and payables are subsequently measured at amortised cost using the effective interest rate method.

Derecognition

Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability

that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Liability is classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.7 Foreign Currency Transactions

- (i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.
- (ii) On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction.
- (iii) Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.

1.8 Inventories

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

- (i) Finished stocks of vehicles are valued at cost of manufacturing or net realisable value whichever is lower.
- (ii) Raw Materials, Stores, Packing Materials, Tools and Components are valued at cost arrived at on simple average basis or net realisable value, whichever is lower, as circumstances demand. However, obsolete and slow moving items are valued at cost or estimated realisable value whichever is lower.

1.9 Research & Development Expenditure

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

1.10 Taxation

- (i) Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in

accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

Deferred taxes are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.11 Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.12 Operating Lease including on Investment Properties

(i) As a Lessor

The company has leased out its assets and such leases where the company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the statement of profit & loss on a straight line basis over the lease term in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the statement of profit & loss in the period in which they are incurred.

(ii) As a Lessee

Leases in which a significant portion of the risks and rewards of ownership are retained by lessor are classified as operating leases. Payments made under operating leases are charged to the statement of profit & loss on a straight line basis over the period of the lease in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished.

1.13 Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that

(i) the company will comply with the conditions attached to them, and

(ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and transfer to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

1.14 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.15 Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, balance with banks.

1.16 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.17 Segment Reporting

The company is engaged mainly in the business of automobile products. These, in the context of Indian Accounting Standard 108 on Operating Segment, as specified in the Companies (Indian Accounting Standards) Rules, 2015, are considered to constitute one single primary segment. Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker. The Core Management Committee examines performance geographical perspective and has identified two operative reportable segments from which significant risks and rewards are derived viz. Domestic sales & Export sales.

The company does not fall within the criteria mentioned in IND AS 108 but the management has opted to provide voluntary disclosure of geographical segment

(v) Estimation of Fair Value

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are cancellable, the market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by an independent registered valuer during previous year and consequently classified as a level 2 valuation.

Note - 34 Employee Benefits**(a) Gratuity**

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(b) Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

(ii) Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian accounting standards. Explanation of each level as follows :-

- Level - 1** Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed Equity shares that have quoted price. The mutual funds are valued using the closing NAV.
- Level - 2** The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity -specific estimates. If all significant inputs required to fair value of instrument are observable, the instrument is included in Level-2.
- Level - 3** If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

Financial Assets Measured at Fair Value Measurements Recurring:-

(Rs. in Lacs)

Particulars	March 31, 2019	March 31, 2018
Level - I		
Financial Investment at FVTPL		
Investment in Mutual Fund	946.10	4,533.83
Level - II	-	-
Level - III	-	-
Total	946.10	4,533.83

Valuation Techniques Used to Determine Fair Value :-

Open ended Mutual funds are valued at closing NAVs declared by its Assets Management Companies.

Fair Value of Financial Assets and Liabilities Measured at Amortised Cost :-

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

The company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Aging analysis/ Credit Rating	Analysis of no. of overdue days and track record of debtors in past. company has taken insurance against default risk from trade receivable.
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cashequivalents and marketable investments
Market Risk- Foreign Exchange	Trade receivable from export transaction and trade payable for import transaction	Sensitivity analysis	Export proceeds are held in forgein currency account till time permitted by Reserve Bank Of India . Further import programms are made from the balance held in forgein currency account . Hence, company manages risk through natural hedging.

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus liquidity. The Company's risk management is carried out by a finance department as per the policies approved by the Board of Directors.

Credit Risk :-

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data, provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Reconciliation of Loss Allowance Provision – Trade Receivable

Addition in loss allowance during the year	103.69	33.67
Loss allowance as on March 31, 2019 (2018)	156.44	52.75

Liquidity Risk :-

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Market Risk :-
Foreign Currency Risk

The Company operates, in addition to domestic markets, significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR).

Open Exposure

The Company's exposure to foreign currency risk at the end of the reporting period is as follows:

(Rs. in Lacs)

Particulars	March 31, 2019	March 31, 2018
Receivable (Amount in USD)	10.94	5.08
Payable (Amount in USD)	-	3.54
Payable (Amount in CNY)	24.47	-

Sensitivity Analysis

The following tables demonstrate the sensitivity to a reasonably possible change in exchange rates, with all other variables held constant.

(Rs. in Lacs)

Particulars	Currency	Change in Rate	Effect on PBT	Effect on Pre-Tax Equity
Year Ended 31st March, 2019	USD	+10%	75.67	75.67
	CNY	-10%	-25.31	-25.31
Year Ended 31st March, 2018	USD	+10%	10.00	10.00
	CNY	-10%	-	-

If the change in rates decline by a similar percentage, there will be opposite impact of similar amount on Profit Before Tax and Pre-tax Equity.

The sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Note - 37 Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS which the Group has not applied as they are effective from April 1, 2019:

Ind AS 116 – Leases

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The Company will adopt Ind AS 116, effective annual reporting period beginning April 1, 2019. The Company will apply the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company will not restate comparative information, instead, the cumulative effect of initially applying this Standard will be recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019. On that date, the Company will recognise a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognised at its carrying amount as if the standard had been applied since the commencement date, but discounted using the lessee's incremental borrowing rate as at April 1, 2019. In accordance with the standard, the Company will elect not to apply the requirements of Ind AS 116 to short-term leases and leases for which the underlying asset is of low value.

On transition, the Company will be using the practical expedient provided the standard and therefore, will not reassess whether a contract, is or contains a lease, at the date of initial application.

The Company is in the process of finalising changes to systems and processes to meet the accounting and reporting requirements of the standard.

With effect from April 1, 2019, the Company will recognise new assets and liabilities for its operating leases of premises and other assets. The nature of expenses related to those leases will change from lease rent in previous periods to (a) amortization change for the right-to-use asset, and (b) interest accrued on lease liability. Previously, the Company recognised operating lease expense on a straight line basis over the term of the lease, and recognised assets and liabilities only to the extent that there was a timing difference between actual lease payments and the expense recognised. As a lessor, sublease shall be classified as an operating lease if the head lease is classified as a short term lease. In all other cases, the sublease shall be classified as a finance lease.

Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2019. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the standalone financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

	<p>Within the Non Banking Finance Company, the Group has recognized impairment loss allowance as at 31st March 2019.</p> <p>The determination of impairment loss allowance is inherently judgmental and relies on managements' best estimate due to the following:</p> <ul style="list-style-type: none"> • Increased level of data inputs for capturing the historical data to calculate the Probability of Default ('PDs') and Loss Given Default ("LGD") and the completeness and accuracy of that data; • Use of management overlays for considering the probability weighted scenarios, the forward looking macro-economic factors and the timing of cash flows; and • Criteria selected to identify significant increase in credit risk. 	<p>We performed the following key audit procedures:</p> <ul style="list-style-type: none"> • Assessed the design and implementation of controls in respect of the Associate's loan loss impairment allowance process such as the timely recognition of impairment loss, the completeness and accuracy of reports used in the impairment allowance process and management review processes over the calculation of impairment allowance and the related disclosures on credit risk management; • Tested the relevant general IT and applications controls over key systems used in the impairment allowance processes. Evaluated whether the methodology applied by the Company is compliant with the requirements of the relevant generally accepted accounting principles and confirmed that the calculations are performed in accordance with the approved methodology, including checking mathematical accuracy of the workings • Tested the periods considered for capturing underlying data as base to PD and LGD calculations, are in line with Company's recent experience of past observed periods; and • Assessed whether the key judgements, assumptions and quantitative data with respect to impairment loss allowance in the financial statements are appropriate and sufficient in accordance with Ind AS 109.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis Report and Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and joint ventures audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures

are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Group and its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such business activities included in the consolidated financial statements of which we are the independent auditors. For the business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statement of subsidiary company, whose financial statement reflect total assets of Rs. 0.76 Lacs as at March 31, 2019 total revenue nil, net loss of Rs. 0.06 Lacs and net cash outflow amounting to Rs.0.06 lacs for the year ended on that date. These financial statements and other financial information have been audited by other auditor, whose audit report together with the financial statement, and other financial information have been furnished to us by the Management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary, and our report in terms of sub-sections (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of other auditor.

2. Associate Company is Non - Banking Financial Corporation and as per Rule 4(1)(iv) of The Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 NBFCs shall comply with the Indian Accounting Standards (Ind AS) for accounting periods ending on 31st March, 2019 with comparatives for period ending 31st March, 2018, but it is not required to comply with Ind AS as company is not covered in criteria provided therein. However as per explanation to Rule 4(1)(iv) of Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 such companies need to provide relevant financial statement data which is in accordance accounting policies followed by parent company. Consolidation of Associate is made on the basis of relevant financial statement data provided by associate which is in accordance with the accounting policies followed by the parent company for consolidation purposes.

Our opinion on the consolidated financial statement and our report on other legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditor and the financial statement/financial information certified by the management.

Report on other legal and regulatory requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary and associate, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a. We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- b. In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept by the Company so far as appears from our examination of those books and reports of the other auditors;
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income and the Consolidated Cash Flow Statement and Consolidated Statement of

Changes in Equity dealt with by this Report are in agreement with the books of account for the purpose of preparation of the consolidated financial statements.

- d. in our opinion, the aforesaid consolidated Ind AS Financial Statement comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. On the basis of written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A", and
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act, read with Schedule V of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and

Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us;

- i. The consolidated financial statements disclose the impact, if any, of pending litigations on its financial position in its financial statements refer note 7 to the consolidated financial statements.
- ii. There are no long-term contracts including derivative contracts, hence the question of reporting any material foreseeable losses does not arise;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company.

Annexure A to the Independent Auditors' report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

In Conjunction with our audit of the consolidated financial statements of Atul Auto Limited as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of the group and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting of the Parent, its subsidiary and associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their report referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company and its subsidiary and associate which are companies incorporated in India have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019 based on the internal control over financial reporting criteria established by the Group and its associate company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the group in terms of volume & capital expenditure either separate audit division or an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one subsidiary and one associate company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India

Sr. No	Name of Company	Country of Incorporation	% Holding of AAL	% of Holding by others	Consolidated as
1	Atul Green Automotive Private Limited	India	100	-	Subsidiary
2	Khushbu Auto Finance Limited	India	30	70	Associate

*Consolidated Balance Sheet of Khushbu Auto Finance Ltd. includes Sanand Home Finance Limited as subsidiary.

- (c) "These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the 'Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act, on an accrual basis. The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value. The financial statements are presented in INR 1,00,00, which is also the Company's functional currency and all values are rounded to the nearest lacs (INR 1,00,000), except when otherwise indicated. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities."
- (d) Accounting policies applicable in consolidated financial statements
- (i) The Company combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated.
- (ii) Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost. Under the equity method of accounting, the investments are adjusted thereafter to recognise the Company's share of the post-acquisition profits or losses of the investee in profit and loss, and the Company's share of other comprehensive income of the investee in other comprehensive income.
- (iii) Khushbu Auto Finance Ltd is Non Banking Financial Company and as per Rule 4(1)(iv) of The Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 companies (Indian accounting standards) rules, NBFCs shall comply with the Indian Accounting Standards (Ind AS) for accounting periods beginning on or after the 1st April, 2018, with comparatives for the periods ending on March 31, 2018, or thereafter but it is not covered in criteria provided therein. However, as per explanation to Rule 4(1)(iv) of Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 such companies need to provide relevant financial statement data which is in accordance accounting policies followed by parent company. Consolidation of Khushbu Auto Finance Ltd. is made on the basis of relevant financial statement data provided by associate which is in accordance with the accounting policies followed by the parent company for consolidation purposes.

Accounting Policies followed by Associate :-

Company has recognized its income by effective interest method, amortized processing fees and made provision for expected credit loss on its outstanding which is in accordance with Ind AS - 109.
