Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities which have been mentioned in Annexure I to this Report.

5 Hurricane Laura made landfall in Lake Charles, Louisiana on August 27, 2020, where the Company's Subsidiary has a CPC manufacturing plant and a co-generation power plant. The hurricane impacted the facilities at Lake Charles and the roads, port and other infrastructure in the area around Lake Charles. The Company is having adequate insurance coverage subject to normal deductibles. The Company incurred an amount of INR 117.78 and INR 459.39 towards repairs for the quarter ended September 30, 2020 and year ended December 31, 2020 respectively, which was recorded under the heading Other expenses. The Company also incurred an amount of INR 476.86 towards capital expenditure for the year ended December 31, 2020.

The Company incurred an additional amount of INR 100.42 and INR 328.20 towards repairs which was recorded under the heading Other expenses and INR 18.55 and INR 334.61 towards capital expenditure for the quarter and nine months ended September 30, 2021 respectively.

Also on August 29, 2021, Hurricane Ida made landfall in Chalmette, Gramercy and Norco, Louisiana; where the Company's Subsidiary have CPC manufacturing plants and a co-generation power plant due to which there is a temporary stoppage of operations at these facilities. The Company incurred an amount of INR 110.56 towards repairs for the quarter and nine months ended September 30, 2021, which was recorded under the heading Other expenses.

6 On December 31, 2020, the Group completed the sale of its Wholly Owned Subsidiaries engaged in the manufacturing and distribution of Polynaphthalene Sulfonates - RUTGERS Polymers Limited and Handy Chemicals (U.S.A.) Limited, for an aggregate cash consideration of INR 6,386.27 which resulted in a gain of INR 3,864.20 which was recorded under the heading Other income during the year ended December 31, 2020. The sale resulted in loss of control over both subsidiaries and accordingly the Group derecognised the assets and liabilities at their carrying amounts on date of sale as per "IND AS 110 – Consolidated financial statements".

During the quarter ended June 30, 2021, upon completion of certain additional formalities on sale transaction, a partial amount retained in escrow account during year-end was released and recorded as income during the quarter amounting to INR 40.10 under the heading Other income.

7 During the year ended December 31, 2020, due to the COVID-19 pandemic, there was nationwide lockdown in India and supply disruptions in various other countries, which affected the operations across the Group. However, the situation started improving from the third quarter of 2020. Again with resurgence of COVID-19, the Group continues to evaluate the impact of this pandemic on its business operations, liquidity and financial position. Based on management's review of current indicators and economic conditions there is no material impact on its financial results as at September 30, 2021, and carrying value of its assets, except certain inventory related write-downs, which are already provided during 2020, as explained in Note 8. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Group will continue to monitor any material changes to future economic conditions.

8 (i) Due to the change in the macro-economic conditions like effect of COVID-19 and fall in crude oil prices, there was a sharp decline in the prices of products. This resulted in abnormal fall in net realisable value (NRV) of inventories. Accordingly, an amount of INR 374.88 and INR 1,654.93 was recorded towards inventory write down under the heading Changes in inventories of finished goods, work-in-progress and stock-in-trade for the quarter ended September 30, 2020 and year ended December 31, 2020 respectively.

(ii) During the year ended December 31, 2020, other inventory adjustments towards NRV of INR 70.53 (apart from the above mentioned impact of COVID-19) is accounted under cost of materials consumed.

9 The Company's US Subsidiary filed its 2020 U.S. tax return on due date of October 15, 2021. At the time of finalising its tax return for 2020 year as consistent approach, management opted for GILTI High Tax Exception (HTE). The GILTI high-tax exception will exclude from GILTI income of a CFC that incurs a foreign tax at a rate greater than 90% of the U.S. corporate rate, currently 18.9%. In July, 2020, the U.S. Department of Treasury ("Treasury") and the Internal Revenue Service (IRS) finalised regulations (T.D. 9902) with respect to the global intangible low-taxed income (GILTI) high-tax exception ("Final Regulations"), such election was also made at the time of finalising 2020 annual consolidated financial statements and also in prior years, because of change in the estimates during tax return 2020 an additional tax expense of INR 142.90 recorded and remitted.

10 On September 20, 2019 vide the Taxation Laws (Amendment) Ordinance 2019, the Government of India inserted Section 115BAA in the Income Tax Act 1961 which provides domestic companies a non-reversible option to pay corporate tax at reduced rates effective April 01, 2019, subject to certain conditions. During the year ended December 31, 2020, the parent Company and one of the Indian subsidiary company evaluated and adopted the new tax rate of 25.168%. Accordingly, the Group remeasured its current tax expense and Deferred tax asset/liability basis the rate prescribed in the said section. The change in tax rate resulted in reduction in current tax expense by INR 124.00, write-off of Minimum Alternate Tax Credit by INR 3.26 and reduction in deferred tax benefit by INR 30.92 for the year ended December 31, 2020.

**Limited Review Report (unmodified) on unaudited quarterly standalone financial results and standalone year to date results of Rain Industries Limited pursuant to Regulation 33 of the Securities and Exchange Boards of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations')**

**To  
The Board of Directors of Rain Industries Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Rain Industries Limited for the quarter and year to date results for the period from 1 January 2021 to 30 September 2021 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
