NOTES:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.bhaskaragro.com. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
8. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

9. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January 13, 2021.
10. Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 relating to the Special Business in the Notice is annexed hereto and forms part of this Notice.
11. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the directors are interested under Section 189 of the Companies Act, 2013, will be available for inspection at the AGM.
12. Corporate Members are requested to send to the Company's Registrar & Transfer Agent, a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the Annual General Meeting.
13. The Register of Members and Share Transfer Books of the Company will remain closed from 23.09.2021 to 29.09.2021 (both days inclusive) for the purpose of AGM.
14. Shareholders holding shares in physical form may write to the company/company's R&T agents for any change in their address; shareholders holding shares in electronic form may inform the same to their depository participants immediately, where applicable.
15. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to the Company/ Registrar and Share Transfer Agents (M/s. XI Softech Systems Ltd.)
16. In consonance with the company's sustainability initiatives and Regulation 36 of the SEBI (LODR) Regulations, 2015, the company is sharing all documents with shareholders in the electronic mode, wherever the same has been agreed to by the shareholders. Further The Ministry of Corporate Affairs (vide circular nos. 17/2011 and 18/2011 dated April 21 and April 29, 2011 respectively), has undertaken a 'Green Initiative in Corporate Governance' and allowed companies to share documents with its shareholders through an electronic mode. Shareholders are requested to support this green initiative by registering/ updating their e-mail addresses for receiving electronic communications. Members holding shares in the same name under different ledger folios are requested to apply for consolidation of such folios and send the relevant share certificates to **M/s. XI Softech Systems Ltd.**, Share Transfer Agents of the Company for their doing the needful.
17. As per SEBI Notification No. SEBI/LAD-NRO/ GN/2018/24 dated June 8,2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, w.e.f. April 1, 2019 the transfer of securities of listed companies shall not be processed unless the securities are held in the dematerialized form (Demat) with a depository.Hence, the members of the company are requested to dematerialize their shareholding to avail the benefits of dematerialization. Only the requests for transmission and transposition of securities in physical form, will be accepted by the RTA.
18. Members are requested to send their queries at least 10 days before the date of meeting so that information can be made available at the meeting.
19. In respect of shares held in physical mode,all shareholders are requested to intimate changes, if any, in their registered address immediately to the registrar and share transfer agent of the company and correspond with them directly regarding share transmission /transposition, Demat / Remat, change of address, issue of duplicate shares certificates, ECS and nomination facility.
20. In terms of Section 72 of the Companies Act, 2013, a member of the company may nominate a person on whom the shares held by him/her shall vest in the event of his/her death. Members desirous of availing this facility may

BHASKAR AGROCHEMICALS LIMITED.

submit nomination in prescribed Form-SH-13 to the company/RTA in case shares are held in physical form, and to their respective depository participant, if held in electronic form.

21. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories.
22. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
23. Instructions for e-voting and joining the AGM are as follows:

A. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:

- I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by Central Depository Services (India) Limited (CDSL) on all the resolutions set forth in this Notice. The instructions for e-voting are given herein below.
- II. The remote e-voting period commences on Sunday, September 26, 2021 (9:00 a.m. IST) and ends on Tuesday, September 28, 2021(5:00 p.m. IST). During this period, Members holding shares either in physical form or in dematerialized form, as on Wednesday, September 22, 2021 i.e. cut-off date, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.
- III. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- IV. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
- V. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- VI. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Management Discussion and Analysis Report:

(a) Industry structure and developments:

The world experienced a major crisis in 2020 and is further expected to continue in 2021. The pandemic has impacted livelihood of many people and pushed millions into poverty. This has impacted the progress of the economy.

Agriculture continues to be prominent for the Indian economy as it is the primary source of livelihood for about half of the nations population. The sector contributes about 17% to India's GDP. Increased population across the world with corresponding need for food supply, industrial input and international trading opportunities make agriculture a critical sector. India is already the largest producer of milk, pulses and spices and the second largest producer of rice, wheat, cotton, sugarcane, tea, fruits and vegetables.

Insecticides dominate the Indian crop protection market. Herbicides, which are the largest selling category in the West, are the fastest growing segment.

(b) Opportunities and Threats:

India's agrochemical consumption is one of the lowest in the world with per hectare consumption being just 0.6 kgs as compared to the United States (5-7 kgs/hectare) and Japan (11-12 kgs/hectare). With the increase in awareness and market penetration, consumption is likely to improve in the near future. The agrochemicals industry is expected to play a pivotal role in attaining food security for a populous country like India.

India is fast merging as a hub for contract manufacturing, due to some competitive advantages like Low Cost Manufacturing Capability, Availability of highly skilled work force, Seasonal nature of domestic demand, Idle Capacity availability, Better price realization since global markets and Ease of Doing Business.

(d) Outlook:

The management is doing its best to forge relations with other companies and take the company forward in the new business lines. However, the outlook of the management is cautious in view of the competitive nature of the market.

(e) Risks and concerns:

Risk management comprises all the organisational rules and actions for early identification of risks in the course of doing business and the management of such risks along with identification of opportunities.

The Company as formulated a Risk Management Policy under which various risks associated with the business operations is identified and risk mitigation plans have been put in place.

(f) Internal control systems and their adequacy:

The system of internal control has been established to provide reasonable assurance of safeguarding assets and maintenance of proper Accounting Records and its accuracy. The business risks and its control procedures are reviewed frequently. Systems audits also conducted regularly to review the systems with respect to Security and its Adequacy. Reports are prepared and circulated to Senior Management and action taken to strengthen controls where necessary.

(g) Discussion on financial performance with respect to operational performance:

The Financial performance of the Company has been detailed in Board's Report underpara Financial summary.

(h) Material developments in Human Resources/Industrial Relations front, including number of people employed:

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Bhaskar Agrochemicals Limited

Qualified Opinion

We have audited the financial statements of **Bhaskar Agrochemicals Limited** ("the Company"), which comprise the balance sheet as at 31st March, 2021, and the statement of Profit and Loss (including other comprehensive income), cash flows statement and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not provided depreciation on building and plant and equipment relating to Unit – II in the books of accounts of the company as the Unit – II is closed and hence our opinion is qualified in respect of this matter.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl.No 1

Key Audit Matter

Auditor's Response

Revenue Recognition Revenue from the sale of goods (hereinafter referred to as Revenue") is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of the Company.

Principal Audit Procedures Our audit approach was a combination of test of internal controls and substantive procedures including:

1. Assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof.
2. Evaluating the design and implementation of Company's controls in respect of revenue recognition.
3. Testing the effectiveness of such controls over revenue cut off at year-end.

The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred. Refer Note 1 to the Financial Statements - Significant Accounting Policies

4. Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognised in the correct period.

5. Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

BHASKAR AGROCHEMICALS LIMITED.

Report on Other Legal and Regulatory Requirements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred on account of unpaid dividend, to the Investor Education and Protection Fund by the Company as at 31st March, 2021.

Report on Internal Financial Controls Over Financial Reporting

Annexure “B” to the Independent Auditor’s Report of even date on the Financial Statements of Bhaskar Agrochemicals Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Bhaskar Agrochemicals Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the

BHASKAR AGROCHEMICALS LIMITED.

design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial Statement. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation & compliance with IND AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Act. The financial statements of the company are prepared in accordance with the Indian Generally Accepted Principal (GAAP) on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS

> Certain financial assets and liabilities are measured at fair value (Referred accounting policy on financial instruments)

> Defined benefit and other long term Employees Benefit.

Current versus non current classification

liabilities have been classified as current and non current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

2.2 Uses of Estimates & judgments

The preparation of Financial Statements in conformity with the generally accepted accounting principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities, revenue and expenses and disclosure of contingent liabilities. The estimates and assumptions used in accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements are reviewed on an ongoing basis. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Measurement of Fair Values

The accounting policies and disclosures require the measurement of fair values, for both financial and non-financial. The company has an established control framework with respect to the measurement of fair values, which includes overseeing all significant fair value measurements, including Level 3 fair values by the management. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1 - Quoted price (unadjusted) in active markets for identical assets or liabilities
- Level 2 - inputs other than quoted price included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs) If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.4 Property Plant and Equipment and Depreciation

- a) Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. Cost includes taxes, duties, freight and other incidental expenses directly related to acquisition/construction and installation of the assets. Any trade discounts and rebates are deducted in arriving at the purchase price.
- b) Subsequent expenditure related to an item of property, plant and equipment are added to its book value only if it is probable the future benefits associated with the item will flow to the entity and the cost associated with item can be measured reliably.
- c) Capital work-in-progress includes property, plant and equipment not ready for their intended use and related incidental expenses and attributable interest.
- d) The estimated useful life of assets are as follows:

Building	30-60 years
Plant and equipment	20-25 years
Electrical Installations	10 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	5 years
Computer and data processing equipment	3 years

e) Depreciation on tangible fixed assets (property, plant and equipment) has been provided on Straight Line Method. Depreciation is provided on a pro-rata basis, i.e. from the date on which asset is ready for use. Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

f) Items of property, plant and equipment that are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately under other current assets in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.

g) An item of property, plant and equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal are recognised in the Statement of Profit and Loss.

2.5 Intangible Assets

- a) Intangible assets are stated at cost of acquisition less accumulated amortisation and accumulated impairment losses, if any.
- b) Subsequent expenditure related to an item of intangible assets are added to its book value only if it is probable benefits from the existing asset beyond its previously assessed standard of performance.
- c) Intangible fixed assets that are ready for use are amortized on a straight line basis over a period of estimated useful life of 4 years.

BHASKAR AGROCHEMICALS LIMITED.

d) An intangible asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal of property, Plant & Equipment carried at cost are recognised in the Statement of Profit and Loss.

2.6 Impairment of Property, Plant and Equipment

The carrying values of assets at each balance sheet date are reviewed for impairment if any indication of impairment exists.

2.7 Borrowing Costs

Borrowing costs incurred on constructing or acquiring a qualifying asset are capitalized as cost of that asset until it is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue and recognized as an expense in the Statement of Profit and Loss.

2.8 Research and Development Cost

Research and Development cost incurred (other than cost of Property, Plant & Equipment acquired) are charged as an expense in the year in which they are incurred and are reflected under the appropriate head of account.

2.9 Non Current Assets held for Sale

Non-current assets classified as held for sale, if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, are generally measured at the lower of their carrying amount and fair value less costs to sell. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in profit or loss. Once classified as held-for-sale they are no longer amortised or depreciated.

2.10 Inventories

a) Inventories are valued at lower of cost or net realizable value on an item-by-item basis.

b) Cost of finished goods, traded goods and work in progress is determined by considering materials, labour and other related costs incurred in bringing the inventories to their present condition and location. Cost of raw materials, packing materials and consumables is determined on first-in-first-out basis.

2.11 Cash and Cash Equivalents

Cash comprises of cash at bank and on hand and cash equivalents comprise of short-term bank deposits with an original maturity of three months or less.

2.12 Cash Flow Statement

Cash flows are reported using indirect method as set out in IND AS 7, "Statement of Cash Flows", whereby profit /(loss) before tax is adjusted for the effects of transactions of non cash nature and deferrals of accruals of past or future cash receipts or payments. The cash flows from operating, Investing and financing activities of the company are segregated based on the available information.

2.13 Leases

A lease is classified at the inception date as finance lease or an operating lease. Leases under which the Company assumes substantially all the risk and rewards of ownership are classified as finance leases. When acquired, such assets are capitalised at fair value or present value of the minimum lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of Profit and loss. Other leases are treated as operating lease, with payments are recognised as expenses in the statement of profit and loss on a straight line basis over the lease term.

2.14 Revenue Recognition

a) Sale of goods is recognized as revenue when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenues are recognized when collectability of the resulting receivable is reasonably assured. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates

b) Income from services rendered is recognized based on agreements with the customers using the proportionate completion method, when services are performed and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering of service.

c) Interest income is recognized on a time proportionate basis, taking into account the amount outstanding and the rates applicable.

2.15 Income Tax

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period) and Minimum Alternate Tax (MAT) credit entitlement.

a) Current Tax

Current tax is computed and provided for in accordance with the applicable provisions of the Income Tax Act, 1961.

b) Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

c) Minimum Alternate Tax

MAT is recognised as an assets only when & to the extent there is convencing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the statement of profit & loss & is considered as (MAT credit entitlement). The company review the same at each Balance Sheet date & writes down the carrying amount of MAT credit entitlement to the extent there is no longer convencing evidence to the effect that the comapny will pay normal income tax during the specified period. MAT credits are in the form of unused tax credits that are carried forwarded by the company for a specified period of time, hence, it is presented as Deferred Tax Assets.

2.16 Employees Benefits

Employee benefits payable wholly within twelve months of receiving employees services are classified as short-term employee benefits. The short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The company contributes to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 that is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which the employee renders services. Superannuation benefits, a defined contribution plan, has been funded with Life Insurance Corporation of India and the contribution is charged to Statement of profit and loss, when the contribution to the Fund is due.

Defined benefit plans

The company provides for gratuity benefit and compensated absences, which are defined benefit plans, covering all its eligible employees. Liability towards gratuity benefits and compensated absences expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations are carried out at the balance sheet date. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets. The gratuity benefit is funded with the Life Insurance Corporation of India (LIC).

The short term provision for compensated absences has been calculated on actual basis, based on the balance of unutilised leave available, and can be encashed at the end of the year as per the company's policy.

BHASKAR AGROCHEMICALS LIMITED.

2.17 Foreign Currency Transactions

a) Initial recognition-Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

b) Subsequent measurement- Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Foreign currency differences are generally recognised in profit or loss. Non-monetary items that are measured based on historical cost in a foreign currency are not translated.

2.18 Provisions and Contingencies

a) A provision is recognised if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

b) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision disclosure is made.

2.19 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant

2.20 Earnings per Shares

Basic EPS is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity share outstanding during the year. For the purpose of calculating diluted EPS the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares

2.21 Operating Cycles

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Based on the nature of products/ activities of the company, the management has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.22. Financial Instruments

a) Financial Assets

i) Recognition and initial measurement

Financial assets are recognised when the company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value through profit and loss.

Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in four categories:

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to the statement of profit and loss.

Financial assets at fair value through profit (FVTPL)

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.

Financial instruments measured at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to the statement of profit and loss.

iii) Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

iv) Impairment of Financial Assets

In accordance with Ind AS 109, the company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- Trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial Liabilities**i) Recognition and initial measurement**

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial liability is initially measured at fair value, in case of financial liability which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the issue of a financial liability.

ii) Subsequent measurement

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

iii) Derecognition

The company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at each reporting period. Any changes therein are generally recognised in the profit and loss account.

41 FAIR VALUES

The carrying amounts and fair values of financial instruments by category are as follows:

	Carrying value		Fair value	
	31st March, 2021	31st March, 2020	31st March, 2021	31st March, 2020
Financial assets at fair value through profit & loss

Trade Payables	9,97,60,781	3,45,00,953	-	-
Capital Creditors & Others	37,87,812	18,63,558	-	-

The management assessed that cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Further, the management has assessed that fair value of borrowings approximate their carrying amounts largely since they are carried at floating rate of interest.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

BHASKAR AGROCHEMICALS LIMITED.

42. RISK MANAGEMENT

Financial Risk Management objectives & Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's activity expose it to market risk, commodity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company.

The Company's financial risk management policy is set by the Managing Director and governed by overall direction of Board of Directors of the Company.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rate, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivable, payables and loan and borrowings.

42.1 Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

a) Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

PARTICULARS	31st March, 2021	31st March, 2020
Not Due	0	0
0 - 90 Days	3,17,10,433	3,26,58,477
90 - 180 Days	32,99,893	2,00,62,016
180 - 270 Days	0	13,59,258
270 - 365 Days	0	0
More than 360 Days	0	0
	3,50,10,326	5,40,79,751

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (e.g. timeliness of payments, available press information etc.) and applying experienced credit judgement.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

b) Cash and Cash Equivalents

The Company held cash and cash equivalents of Rs.1,32,499 at March 31, 2021 (March 31, 2020: Rs.1,77,422) This includes the cash and cash equivalents held with the bank and cash on hand with the company.

42.2 Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has obtained fund and non-fund based working capital loan from bank. The borrowed funds are generally applied for company's own operational activities.

Exposure to liquidity risk:

a) The following are the remaining contractual maturities of financial liabilities at the reporting date.

The amounts are gross and undiscounted :

PARTICULARS	Up to 1 Year	1 to 3 Year	3 to 5 Years	> 5 Years	Total carrying amount

b) Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates.

The company's interest rate exposure is mainly related to variable interest rates debt obligations. The Company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers/buyers credit.

BHASKAR AGROCHEMICALS LIMITED.

Exposure to interest rate risk

Company's interest rate risk arises from borrowings. Borrowings issued at fixed rates exposes to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

	31st March, 2021	31st March, 2020
Floating rate instruments		
Financial Liabilities - measured at amortised cost		
Term loan from banks	2,19,74,279	1,40,82,087
Working capital facilities from bank	2,87,04,735	5,28,77,950
Fixed rate instruments		
Vehicle loan from others (Secured)	42,83,895	29,76,041
Loan from Directors (Unsecured)	1,79,01,802	1,20,38,078
Total	7,28,64,711	8,19,74,156

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable-rate instruments

The risk estimates provided assume a change of 25 basis points interest rate for the interest rate benchmark as applicable to the borrowings summarised above. This calculation assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date assuming that all other variables, in particular foreign currency exchange rates, remain constant. The period end balances are not necessarily representative of the average debt outstanding during the period.

Cash flow sensitivity (net)	Profit or loss	
	25 bp increase	25 bp decrease
31-Mar-21		
Variable rate loan instruments	1,82,162	-1,82,162
31-Mar-20		
Variable rate loan instruments	2,04,935	-2,04,935

42.3 a) Market Risk

Market risk is the possibility of losses that may be incurred by the company due to factors that affect the overall performance of the company – such as foreign exchange rates, interest rates, recessions etc. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to market risk primarily due to the fluctuations in the rate of interest for borrowings from banks, recession in the market, foreign exchange rate fluctuation etc.

b) Currency Risk

The company deals in domestic market in the functional currency and does not have any exposure in foreign currency in operating activities and borrowings.

c) Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2021 & March 31, 2020 are in Indian Rupees.

43. CAPITAL RISK MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using adjusted net debt to equity ratio. For this purpose, adjusted net debt is defined as total debt less cash and bank balances.
