Dear Sir/ Madam,

Sub: Intimation of Natural disaster in our Gujarat plant.

This is to inform that our food processing plant at Vadnagar Gujarat had a fire on 20/21st May, 2022. Fortunately all workers and staff are safe.

Bigger disaster was averted by cutting off Utility block with huge qty of ammonia gas in tanks. Mushroom Growing section at 800 meter distance is safe.

Authorities are working to analyze the root cause. Meanwhile we are activating the dormant capacity at Paonta Sahib Plant to fulfill the export contracts.

We are also analyzing the possibilities to quickly arrange part of facility to fulfill huge export orders for the year. Insurance company & their Surveyors have arrived to assess the loss.

We are requesting interim release from Insurance Company till final survey and release of claim. It's a big setback; but our spirits are High & Bold and we are confident to recover soon and emerge out of this crisis.

I shall keep you informed.

Thanks for your understanding and support
With Best Wishes
