**New Delhi-110076**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('The Statement') of Container Corporation of India Limited ('The Company') for quarter ended 30<sup>th</sup> June, 2020, attached herewith, which includes results for the period ended on that day reviewed by Branch Auditors. The statement is being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015, as amended, read with SEBI Circular No. CIR/CFD/CMDI/44/2019 dated 29th March, 2019('the circular'). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the statement, in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent auditor of the entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### 4. Emphasis of Matter

We draw the attention:

Refer Note 6 regarding provision of land license charges payable to Railways on land leased to the company on estimated basis as the demand received from Railways is not as per laid out policy.

Our conclusion is not modified in respect of this matter.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity") issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and

consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

These interim financial results and other financial information have been reviewed by other auditors, whose reports have been shared with us. Our conclusion, so far as it relates to the affairs of such subsidiaries and jointly controlled entities is based solely on the report of other auditors and procedures performed by us as stated in paragraph 3 above. **Notes:**

1. The above results have been reviewed by Audit Committee and approved by the Board of Directors in its meeting held on 07th August, 2020. The Statutory Auditors have conducted the limited review of the Financial Statements.
  2. As per requirement of Ind AS 33, the basic and diluted earnings per share for all the periods presented have been computed on 60,92,94,348 equity shares of ₹ 5/- each.
  3. CONCOR had recognized during the financial year 2015-16 to 2018-19 an amount totalling to ₹1044.03 crores as the income on account of benefit available under Service Export from India Scheme (SEIS). The availability of this benefit to CONCOR was also confirmed through legal opinions, including from Additional Solicitor General (ASG). Vide letter no. F.No.01/61/180/351/AM16/PC-3/786, dated 26th September 2019 received from Directorate General of Foreign Trade (DGFT), the Company has been informed that services towards customs transit of foreign liners sealed containers by rail transport placed under customs control to/from ICDs are not eligible for SEIS. Consequently, an estimated amount of ₹ 861.05 crores for said ineligible SEIS benefit was provided for during the year 2019-20 and the Company had filed appeal against the same at the appropriate level. Further, other expenses for the year 2019-20 include an amount of ₹ 9.15 crore provided for as estimated discount on the eligible SEIS benefit amount of ₹ 182.98 crore. No income was recognized on account of SEIS benefits during FY 2019-20, as no notification was issued by Govt. for the same. The company has already been issued SEIS Scrips of ₹ 182.98 crore and is in the process of selling the same. No income has been recognised on this account in the Q.E. 30.06.2020.
  4. The Company opted to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019 and has taken 25.168% rate of Corporate Tax in its accounts. Accordingly, the Company has recognized provision for income tax for the current quarter & Year ended 31st March 2020 and re-measured its deferred tax assets/ liabilities on the basis of the above option.
  5. The outbreak of Coronavirus(COVID-19) globally and in India has impacted businesses and economic activities in general. The spread of COVID-19, along with nationwide lockdown starting from 25th March 2020, has caused serious threat to human lives and resulted in reduction in global demand and disruption in supply chain, which have forced the businesses to restrict or close the operations in short term. During the lockdown period, as the company's business is to provide logistics services, its operation continued mainly under the "Essential Services". The revenue of the Company and other consequential expenses during the quarter decreased due to nationwide lockdown for COVID-19.
- As regards, the recoverability of assets and financial resources, performance of contractual liability & obligations, ability to service the liabilities, the Company expects to fully recover the carrying amounts of the assets and comfortably discharge its obligations. The Company is positive on the long-term business outlook as well as its financial position. However, the Company is closely monitoring any material changes to future economic conditions.
6. Till the financial year 2019-20, CONCOR has been paying Land License Fee (LLF) to the Railways on the railway land leased to it on the basis of number of TEUs handled. Ministry of Railways, Government of India vide its order no.2015/LML-II/13/4 dated 19.03.2020, had communicated that the LLF applicable on the Railway land leased to CONCOR shall now be charged w.e.f. 01.04.2020 as per extant policy of Railways i.e. @6% of the value of land, which will be further increased 7% annually. As Railway lands leased to CONCOR are prior to year 2006, CONCOR has represented this matter to the Ministry of Railways to continue to charge LLF on the basis of number of TEUs handled till the time it remains a PSU. Railway's response on this representation is awaited. However, recently CONCOR has received a demand of ₹ 776.89 crores from Ministry of Railways as the LLF for the year 2020-21 for the Okhla and Tughlakabad Terminals of CONCOR at Delhi, which has been supposedly worked out as per its above order dated 19.03.2020. As per company's assessment, the above demand is not as per Railway's extant policy. The matter is being suitably represented to the Ministry of Railways. However, an amount of ₹ 120.67 crore has been estimated by the company by applying extant policy of Railways, as LLF for all terminals on Railway Land for Q.E. 30.06.2020.
  7. Figures for the previous quarter/ period have been regrouped/reclassified, wherever considered necessary.
